Qin: He has evolved in numerous ways since we last met.

Then Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff appeared.

Stinky Butt: (to Horsea) How does it feel to be back in Narnia?

Horsea: It feels great!

Anti Wanda: Glad to hear it!

Cavalier: And with no Jadis this time.

Nico: No thank goodness.

Eris: (to Nico) We heard you went to the Rave Master world.

Nico: We sure did.

Mammoth: Whose ass did you kick there?

Nico: King. We killed him and numerous men.

Qin: Yeah we sure did.

?: That is so awesome.

Then a figure came out and it was MOTOR MANTIS from episode 26 of Lost Galaxy!

---

Motor Mantis is a mantis themed monster with a love of motorcycles (believing his to be the fastest wheels in the Galaxy) and speed. He was recruited by Deviot and Trakeena to help the villain s in their plans to destroy the Lost Galaxy Rangers. Motor Mantis serves as the minor flashback antagonist of the episode The Sunflower Search and as the primary antagonist of the episode Mean Wheels Mantis.

He once worked for Scorpius as seen in the flashback sequence from "The Sunflower Search", which depicted Scorpius' attack on the Magna Defender's planet. He was among the monsters that taunted the Manga Defender, who chose to oppose them using the Torozord before it was revealed his son, Zika, was being held hostage by Fishface.

Motor Mantis was later brought in by Deviot and approved by Trakeena to destroy the Galaxy Rangers. He attacked the Terra Venture, drawing out Kendrix Morgan and Maya first. He managed to overwhelm them and transformed them into trophies as Leo Corbett, Damon Henderson and Kai Chen arrived on their Astro Cycles. He challenged all three to a race to win the girls back and defeated all three by way of cheating, using trip wires, landslides and outright attacks to halt their attempts to win.

Leo later challenged him to a rematch, his Quasar Saber being the prize if he beat him "fair and square". While he was excited at the prospect of another race, Motor Mantis once again restored to dirty tactics to beat Leo, who beat him with the Red Capsular Cycle upgrade to his Astro Cycle. Infuriated, Motor Mantis refused to change the girls back and attempted to run Leo down, but Leo hit him with the Red Capsular Cycle's Fireball Mode attack, destroying Motor Mantis' motorcycle and freeing Maya and Kendrix.

Motor Mantis then quickly grew to giant size and engaged the Galaxy Megazord. After Kendrix knocked him down with the Pink Power attack, Leo finished off Motor Mantis with the Condor Galactabeast's Missile Launch.

---

Leo: Motor Mantis!

Motor Mantis: Been a while rangers.

Nico: Boy I remember you! And I'm sure J.D. does too. You were sent to destroy the rangers and attack Terra Venture head on.

Motor Mantis: That's right. Awesome memory.

Nico: Thanks.

William: So, you like motorcycles, huh?

Motor Mantis: I sure do!

Nico: Nice!

Ghost Rider: I like your taste there.

Rainbow Dash: I drive a motorcycle myself and it's awesome.

Motor Mantis: That is sweet!

Lola: Yeah it is!

I kicked Lord Sopespian down.

Me: I'll be right back.

I joined the ground and we got the battles underway.

Wendy Darling: (British Accent) So did all of us!

Tinkerbell: Yeah that was awful!

Sprite of Spring: But we're rid of him forever now.

Mickey (Fantasia): Yeah thank goodness for that.

Pinkie Pie: Thank goodness too! I'm glad we'll never see that party pooper again!

Maud Pie: (monotonously) That is for sure.

Lane, Howard the Duck, Miia, Cerea, Rachnera, Fi, Daily Life With A Monster Girl, Starlight Glimmer, Cozy Glow, Undead Skylanders, Centaur Man and Flame Man VS Eris, Quackor the Fowl, Ghost of Witch McCoy, Minotaur (Scooby Doo), Moon Monster, and Injector - Meeting Cadance Iris

---

Eris was next.

Eris: (to Lane) I heard you guys met Cadence Iris. What's she like?

Lane: Well she is the daughter of the Goddess of Rainbows, Iris and she has all of her mothers powers and all that and is an amazing guardian angel for Lincoln. Her power with rainbows is awesome.

Howard the Duck: It sure is. And as a goddess yourself you know what Iris can do right.

Eris: Indeed I do.

Howard: That is good. Also we met the daughter of Nerissa, Nicole Nerissa and Elyon's sister Eliza Brown! We found out that it was really Chase Young that was responsible for Nerissa going rogue in the first place!

Eris: Chase Young was responsible for that!? That monster!

Miia: Yeah that monster made Nerissa turn into a horrible monster! We explained it to the Oracle and he was flabbergasted.

Cerea: Yeah that was horrible!

Rachnera: Yeah that was crazy!

Fi: But not as crazy as what we heard from Eclipsa Tyburn's story! Lori NEARLY killed Lincoln.

Eris: What else is new?

Fi: Not like this! SHE NEARLY SUCCEEDED!

Eris and her team gasped!

Minotaur: Can you tell us what happened?

Doppel: We sure can but it's not pretty!

---

Nico: Yep. Hey, Eclipsa, as much as I hate to say it, but what was this dark revelation you had on Lori that she did something so horrible to Lincoln that you wants nothing more than to slash her head off and mount it on a pike and give it to Bobby, and that it made the other sisters hate Lori's guts for more than a year?

Eclipsa Tyburn: I was hoping you were going to ask that, Nico. But, I've got to warn you all, the video you are about to see is not for the faint of heart, and it's indeed very very very very bad.

Eclipsa Tyburn pulled up a video and it played on the screen, and we braced ourselves. The video first showed Lincoln and Eclipsa coming home after school, but then, a smoke bomb was dropped right in front of them, and then, Eclipsa was slashed in the back with a knife and Lincoln was stabbed in his arms and legs, and then dragged away screaming. When the smoke cleared, Eclipsa got up, but she saw Lincoln was missing. But, then, she saw his blood trail, and she saw something else: nail polish, and when Eclipsa put two and two together, there was only one person who'd do this.

Past Eclipsa: Lori, you fucking bitch, I'm gonna ram a forty foot stick right up your ass for this!

Eclipsa took off and searched all over Royal Woods for Lincoln, and when she finds Lori, she's gonna make her pay. Suddenly, she heard loud screaming in the air along with the sound of someone who was laughing like a fucked-up lunatic, Eclipsa knew the screams were from Lincoln and the fucked-up deranged laughter was from Lori, and she flew out following Lincoln's blood trail right back to The Loud House. She followed the trail and it led to Lori's room and right into the lion's den. Suddenly, she saw a sight that would haunt her for eternity: Lincoln was chained to a post in his underwear, he was severely bleeding and crying his heart out while Lori was stabbing him with knives and lashing at him with a metal whip with sharp blades and laughing like a fucked-up lunatic.

Past Lincoln: (Crying with Despair) Lori… , stop it… , stop… , I… , I can't take it… anymore!

Past Lori: SHUT THE FUCK UP, YOU FUCKING WASTE OF SPACE! I WILL NEVER STOP UNTIL YOU ARE FUCKING DEAD AND LYING IN A POOL OF YOUR OWN FUCKING BLOOD! YOU HAVE REBELLED AGAINST ME AND DEFIED ME FOR THE LAST FUCKING TIME! AND ONCE I GET DONE WITH YOU, I WILL KILL EVERY LAST BITCH YOU CALL GUARDIAN ANGELS, ALONG WITH RONNIE ANNE, YOUR HAREM, THAT ASSHOLE, J.D. AND HIS BITCH, VARIE, THOSE STUPID SISTERS, YOUR FRIENDS, AND OUR STUPID PARENTS! NO ONE DEFIES ME AND LIVES, NO ONE! (LAUGHING LIKE A FUCKED-UP MADWOMAN TIMES THE INFINITE POWER!)

Everyone saw it, and they screamed like mad and many of them ran to the trashcan and threw up like crazy, even Nico and May, and that's when they fucking lost it and screamed at the Lori in the video!

Nico and May: LORI LOUD, YOU ABSOLUTELY INFINITE-TIMES FUCKED-UP BACKSTABBING TWO-FACED POWERHUNGRY MURDEROUS EVIL PSYCHOPATHIC CONTROL FREAK BITCH! HOW COULD YOU DO THIS TO YOUR OWN BROTHER?!

I screamed and jumped up to the ceiling and grabbed onto it with my claws!

Eclipsa Tyburn: I told you. Now, here comes what I did to that bitch.

Eclipsa was absolutely fucking angry as she gripped her scythe and is about to go in there and attack! LORI LOUD, YOUR DAYS ARE SO NUMBERED! Then, Eclipsa kicked the door in.

Past Eclipsa: GET THE FUCK OFF MY MAN, YOU CONTROL FREAK PSYCHO BITCH!

Then, Eclipsa charged at Lori and she proceeded to pummel and beat Lori into a pulp, and Eclipsa was really fighting with a very dangerous and very bestial fury. Lori tried to stab Eclipsa in her fit of maniacal and demonic vengeance, but Eclipsa grabbed Lori's arm and broke it as Lori screamed with anger and fury. Then, Eclipsa kicked Lori hard into her vanity and she was knocked out, and then, she proceeded to unshackle Lincoln and he was really bleeding.

Past Lincoln: (Severely Weak) E-Eclipsa?!

Past Eclipsa: Don't say anything else, Lincoln, come on. I'm getting you to the hospital.

Eclipsa ran downstairs and she was met by the others, and when they saw what happened to Lincoln, they absolutely screamed.

Past Luna: Eclipsa, what happened?!

Past Eclipsa: Your psycho older sister happened, Luna. I knocked her out, but I don't know for how long. I got to get Lincoln to the hospital, he's really bleeding to death.

Past Me: I'll go.

I took Lincoln in my arms, but then, Lori got back up and she had her bloody knife in hand.

Past Lori: NO ONE'S FUCKING GOING ANYWHERE! YOU WILL ALL DIE FOR LITERALLY DEFYING ME AND FOR ALWAYS DEFENDING THAT WASTE OF SPACE! HE SHOULD'VE DIED IN MOM'S WOMB! (STILL LAUGHING LIKE A FUCKED-UP MADWOMAN TIMES THE INFINITE POWER)

Everyone gasped in horror at what Lori said, and Lincoln just buried his head in my chest as he cried even more heavily.

Past Me: Everyone.

Past Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily:

Yeah?

Past Me: GET HER!

Lynn Sr., Rita, Varie, and I went to the hospital and we left Eclipsa with Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily, and they were beyond mega-pissed off at Lori for what she did. Then, they went at her and they viciously pummeled and pulverized her as the video ended.

Eli: Oh God. Lori, I cannot believe that you could do something like that to Lincoln and be so cold and callous about it.

Nico: Not to mention what you said about him, I have never heard such a blatant disregard for the life of a little boy like Lincoln!

May: I can never unsee what I just saw in the video.

Nicole: Me neither. Lori was an absolute fucking animal because of her Dark Side, what she did to her brother was beyond sick, twisted, and evil: that was literally like walking into the heart of darkness.

Me: Yep, but thanks to Eclipsa, she saved Lincoln from Lori's wrath, and we were able to get him to the hospital, and Adriana got to the hospital in time and gave him another blood bag filled with the blood of a bodybuilder who just donated blood, but he wasn't the only one, I also donated my blood and I had a blood bag of my blood, and we put into the IV tubes and the blood was fed into Lincoln's body, and he instantly recovered. But, he couldn't hide his anger and rage towards Lori for what she did.

Nico: So, what happened?

Laney: We tied Lori up after we beat her up ruthlessly, and after Mom and Dad came back with J.D., Varie, and Lincoln, they were absolutely furious at Lori's heartlessness and depraved madness, and there could be no forgiveness for what she did. Lori got hit with truly the hugest penalty that anyone could muster: she was grounded for thirty weeks, and if that wasn't bad, we had Lori sent to The Lansing Maximum Security Nuthouse for what she did, and we hated her for a year for what she did.

Luna: We couldn't forgive her what she did, dude, I knew Lori was really brutal and vicious, but this, this is just total depravity on an extremely massive scale.

Lincoln: Yeah, and even though my physical wounds had healed, I was left with nightmares because of what she did, and I wound up getting night terrors because of it and also of what she said, she really hurt me deeply, and she really broke the bond I had with her when we were little.

Lana: Lori crossed a serious line that warranted no sort of forgiveness from any of us. Lincoln was hurt badly due to it, he wanted to forgive her, but he couldn't.

Lola: So, we decided to have him spend the night with Leni and with Lori in the nuthouse, he could at least have some peace.

Varie: He needed it, I couldn't forget the tears he shed on J.D. as he cried in so much despair.

Me: Me neither. (Shudders) That sight would haunt me for a year.

Nico: Damn, Lori should've realized that her actions have consequences, but no, she didn't learn her lesson, and when she crossed a huge line with that act, there was only one way she could learn.

Lincoln: Yeah, getting viciously beaten up by the rest of the siblings, grounded for thirty weeks and sent to The Lansing Maximum Security Nuthouse.

---

FLASHBACK ENDS

---

When it was done they gasped in utter shock and horror and they were really horrified that Lori's dark side turned her into a psychotic bitch and a monster!

Eris: OH MY GOD!

Injector: LORI WAS REALLY HORRIBLE BACK THEN!

Minotaur: THAT DARK SIDE OF HERS WAS PURE EVIL INCARNATE! THREATENING TO KILL HER BOYFRIENDS SISTER AND ALL OF LINCOLN'S FRIENDS AND J.D.!? THAT IS PURE EVIL! SHE WAS INSANE!

Starlight Glimmer: I know! Damn that Chase Young! And Damn Killjoy Huggins!

Cozy Glow: Yeah what a horrible thing they did!

Hex: No kidding!

Eris: No kidding there! I'm glad Lori got over her dark side. Lets do it!

Lane: UNLEASH THE BEAST!

They laughed!

Lane: That is funny.

Lane summoned his keyblade and it was for laughter. It was called THE CANNED LAUGHTER OF HYSTERICAL FUN! They fired waves of laughter, bones, skulls, blood, stars, magic and lightning and smashed them down.

Mammoth: (to Boy Lynn) Ruby and Sapphire Salazar REALLY had a lot of payback to dish out on the Denziman Hitotsuki. It's probably the first Hitotsuki any of us had bad history against.

Boy Lynn: Boy no kidding! That was a shocker for us. Ruby and Sapphire hate Noriko Ida's guts. The reason? Years ago before they got slammed, Ruby and Sapphire owned a really awesome and great restaurant that Nico and his friends all loved and they served all kinds of food that really had a lot of awesome taste and flavor. But then Noriko came in and she hated EVERYTHING In it! She shut it down because it was NOT gourmet enough and then told everyone to eat WHAT SHE Want's them to eat and only that!

Mammoth: That is not right!

Boy Lynn: No it's not! That stupid snake in the grass bitch! Not to sound like Squidward but she wouldn't know what good fine dining is if it came up and kicked her in the face!

Squidward: (Offscreen) YEAH You tell that moronic woman Lynn!

Boy Lynn smiled.

Huanglongmon: Boy they were really pissed off because of her!

Melanie Flores: They sure were! I loved eating at Ruby and Sapphire's awesome restaurant and Noriko just came in and she destroyed it! That bitch!

Farran Leafshade: Yeah no kidding!

Aira Windwhistler: She also shut down LOTS of restaurants without their consent!

Naida Riverheart: Ruby and Sapphire wanted to give Noriko the Black Gates for what she did. But Nico told them that being turned into a Hitotsuki is punishment enough. But Nico shoved Burple Nurples and a Nasty Patty down her throat. Non-toxic burple nurples actually.

Emily Jones: No kidding! That was well deserved payback for them.

Fluttershy: Yeah and it was well deserved justice on Noriko.

Tornado Bolt: Yeah no kidding! What she did reminds me of T.U.O.F.A.T.T.A.F.A.D. and Zesty Gourmand.

Seabreeze: (Swedish Accent) Ja ja! That was awful!

Stealth Elf: Not only that but we also destroyed Noriko's reputation.

Blake: It sure did! With 2 hard punches to the face and 2 black eyes, A Nasty Patty and Burple Nurples shoved down her throat and spending the rest of her life in a Japanese Maximum Security Prison and ordered to bring back all the restaurants she FALSELY Shut down over the years!

Yang: And pay trillions of dollars in restitution to all those that she wronged.

Princess Luna: Yeah she totally had it coming.

Snowdrop: That is for sure.

Moondust: What she did makes her less than a human being.

Gari: We should have just cursed her with a fate worse than death.

Artie Ziff: (to Leon) King Miraz and Lord Sopespian are both going to pay dearly for their crimes! Miraz especially!

Leon: That's right! NO ONE usurps a throne that belongs to the rightful ruler on our watch!

Simone Houou: And we'll make sure that they pay for that!

Hikari Nonomura: And it will not be a pleasant feeling!

Mio Natsume: Yeah no kidding on that one.

Haru Tokashiki: What Miraz and Sopespian did is unforgivable.

Kagura Izumi: That is for sure!

Gaku Hoshikawa: I agree there too.

Princess Celestia: I do too and it's not a pretty sight.

King Solar: Indeed and it will only end with death for those two.

Solar Eclipsa: That is for sure.

Leon: UNLEASH THE BEAST!

Leon: It sure is.

Leon summoned his keyblade and it was for the power of the light of the water! It was called THE LIGHTS OF WATER!

They fired waves of light and water and smashed them down.

Lincoln: This is the end for you two tyrants! Along with you, Jadis, White Witch of Narnia!

We fired powerful black energy blasts at Lord Sopespian and Miraz, along with the spirit of The White Witch, and they exploded and their spirits were sent to The Black Gates forever.

Nico: This is the price that tyrants like yourselves deserve to pay!

Me: Destroyed forever!

Lincoln: And eternally forgotten!

Nico: Awesome job, gang, we're rid of Lord Sopespian and Miraz, and we also got rid of the spirit of The White Witch as an extra bonus.

Lincoln: Now, there's only one thing to do and one last loose end to tie up: Chrollo Lucilfer.

?: And now, I shall destroy you all along with all life on this pathetic world! No one shall leave here alive!

Lincoln: There's no mistaking that malevolent energy from anywhere, you just don't know when to give up, do you, Chrollo Lucilfer.

A figure came out, and it was none other than Chrollo Lucilfer, the leader of The Phantom Troupe.

Lincoln: Chrollo Lucilfer, leader of The Phantom Troupe. I knew one day we'd run into you.

Chrollo Lucilfer: It will soon be your last!

Shayla Sigmar: I think you got it backwards, it's about to be your last day alive!

Suddenly, Shayla Sigmar's orange eyes turned neon orange and she was surrounded by an orange energy aura with stars, superhot flames, superhot fire, twin-tailed comets, dragons, and phoenixes, she unholstered her Hellblade from her back, and as she approached Chrollo Lucilfer, she left orange energy, stars, superhot flames, superhot fire, twin-tailed fire comets, dragons, and phoenixes with every step.

Shayla Sigmar: Chrollo Lucilfer, I will never ever forgive you for the crimes that you've committed against mankind, for years, you and your gang have brutally and indiscriminately slaughtered many innocent people, and for what: for The Phantom Troupe's prosperity. What you've been doing is just nothing more than the cold-blooded slaughter of innocent people, and for that, I will make sure that you are reduced to ashes for what you've done.

Suddenly, Shayla Sigmar was surrounded by a massive vortex of neon orange energy with superhot flames, superhot fires, and stars surrounding the vortex, there are dragons, phoenixes, and twin-tailed fire comets flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Chrollo Lucilfer: the red eyes of eternal death. Then, as the vortex faded, Shayla Sigmar emerged, but she was changed forever.

Shayla Sigmar grew to 7'5" in height, she has the body of a goddess, she has red highlights in the bangs of her long neon orange hair, she has neon orange eyes and an orange energy aura with stars, superhot flames, superhot fires, twin-tailed comets, dragons, phoenixes, and angels surrounding her, she has the symbol of Sigmar The Twin-Tailed Comet emblazoned on her forehead and Third Eye with orange iris, she has on dragon earrings with orange gems for eyes and holding the Hellfire, Fire, and Eternity Kanjis in its claws, she also has a phoenix with orange gems for eyes and holding the Hellfire, Fire, and Eternity Kanjis in her hands for the second pendant on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Shayla Sigmar has on a sleeveless orange open vest, sleeveless orange crop top, orange skirt, orange pants, orange legwarmers, orange shoes, and long sleeveless white trenchcoat with stars, superhot flames, superhot fires, twin-tailed comets, dragons, phoenixes, and angels on the coattails, and on the back is Sigmar The Twin-Tailed Comet surrounded by stars, superhot flames, superhot fires, twin-tailed comets, dragons, phoenixes, and angels. Suddenly, Shayla Sigmar felt a sharp pain on her back, and then, her massive orange angel wings with red tips on the orange feathers grew much bigger for her new body along with the twin comet tails, and she also now has eleven massive and long orange wolf tails with red tips and red markings, Shayla Sigmar has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Shayla Sigmar's Hellblade, Sigmar-themed greatsword, and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange energy, stars, superhot flames, superhot fires, twin-tailed comets, dragons, phoenixes, and angels, and when it emerged, it was transformed into Shayla Sigmar's Hellfire Twin-Tailed Comet Inferno Fire Greatsword of Hellfire Twin-Tailed Comet Inferno Fire Justice, it's a brand-new massive greatsword with embedded orange gems and the symbol of Sigmar The Twin-Tailed Comet etched on the 7'4" massive, wide, double-edged red blade, large red dragon heads with orange gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large red gems embedded in their foreheads, longer midnight black handle, four large orange phoenix heads with red gems for eyes and on the bottom of the large orange phoenix heads is a red dragon head with orange gems for eyes and orange gem in its mouth for the pommel, Shayla Sigmar has on her large gold cuff Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large gold phoenix head with orange gems for eyes and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Sigmar the Twin-Tailed Comet that said, "Shayla Sigmar, Avatar of The Twin-Tailed Comet of Sigmar, Super-Powerful Pyromancer, Wielder of The Hellblade, Guardian Angel and Loving Future Wife of Lincoln Loud, Despiser of Royal Woods' Jerks, Archenemy of Fire Lord, Destroyer of Chrollo Lucilfer, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Twin-Tailed Comets, Stars, Dragons, and Phoenixes"

We were amazed by Shayla Sigmar's Super Angel-Twin-Tailed Comet Avatar-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Chrollo Lucilfer saw it, he rushed at her to kill her, but Shayla fired a powerful barrage of orange energy, orange energy, stars, superhot flames, superhot fires, twin-tailed comets, dragons, phoenixes, and angels at Chrollo Lucilfer, and they exploded with such incredible power as the barrage hit him and he also got burned, now the fight's really heating up.

Nico: WHOA! Shayla's transformed, and she's already heated things up now!

Kora Lexington: I may have the powers of Khorne The Blood God and also The Twin-Tailed Comet of Sigmar, but The Avatar of The Twin-Tailed Comet of Sigmar is something else indeed: a true warrior of The Twin-Tailed Comet.

Lincoln: She's already proven to be too hot for villains, and not even Trigon-Powered Slade can match her.

Shayla Sigmar: (Divine Godly Voice of The Cosmic Hellfire Inferno

Twin-Tailed Comet Hellstorm Draconic Phoenix Angel and Divine Cosmic Hellfire Inferno Twin-Tailed Comet Hellstorm Draconic Phoenix Angel) That's right. Now, let's incinerate this fucking bastard to ashes, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Shayla Sigmar.

Shayla Sigmar and Lincoln went after Chrollo Lucilfer, and they fired extremely powerful blasts of rainbow energy, orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Chrollo Lucilfer and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Shayla Sigmar also attacked him with punches, kicks, and karate chops, along with elemental blasts. Then, Lincoln drove his massive greatsword into Chrollo Lucilfer's stomach, and he began sucking out his abilities and his Nen, Skill Hunter: Bandit's Secret, and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to make sure you stay dead and gone for good. LIFE ENERGY DRAIN!

Suddenly, all of the many gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds began glowing green, and then, Lincoln began draining Chrollo Lucilfer of all his life energy, and when he was done and he removed his massive greatsword from his stomach, Chrollo Lucilfer was now a desiccated corpse drained of life energy, and as soon as his soul appeared, Lincoln threw him in a black energy coffin which banished him to The Black Gates forever. We cheered wildly for what Shayla Sigmar and Lincoln did as they holstered their weapons and powered down, and Shayla Sigmar's new body, clothes, weapons, jewelry, Third Eye, Twin Comet Tails, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Shayla Sigmar: The suffering you've caused for years has finally been brought to an end, Chrollo Lucilfer, may you never return. Thanks for helping me destroy Chrollo Lucilfer for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Shayla.

Suddenly, Shayla Sigmar wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Shayla Sigmar's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with flames raging and twin-tailed comets flying in the air behind them, and we cheered wildly. Then, Lincoln and Shayla Sigmar absorbed the flames and elemental forces and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome and incredible fight of The Avatar of The Twin-Tailed Comet of Sigmar VS. Nihilistic Crime Lord, Lincoln, Shayla, you two showed that nihilistic crime lord no mercy, and Lincoln, that was one slick move driving your greatsword into his stomach and then sucking out all his abilities and Nen and making them your own, and that black coffin we just saw, that was…?!

Lincoln: My own variation of The Black Gates, I call it The Black Judgement Coffin, once I used either my Vampiric Life Drain or Life Energy Drain on any powerful opponents, I then throw their soul into a coffin formed by the energy of The Black Gates, and once they're found guilty, the coffin dissolves into black flame and the guilty are banished to The Black Gates.

Me: Sweet.

Nico: We should've done something like that for Audrey Madison or The Legion of The Lincoln Haters, imagine the looks of horror on the faces of those bitches, that would be priceless. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, and it's one you may like seeing, Nico, the next one we're meeting tomorrow is Anna Ares, Daughter of Ares, Greek God of War.

My jaw and Nico's dropped to the floor.

CLANG!

Eli put our jaws back.

Nico: D-did you say… , she's… The Daughter of Ares?!

Lincoln: Yep.

Me: Oh man, of all the gods in Olympus, Ares represents the physical or violent and untamed aspect of war and is the personification of sheer brutality and bloodlust!

Selene Emperyous: That's true, but Anna isn't like that at all, she uses her talent in war to help out Lincoln. Anyways, Anna Ares is Lincoln's Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of War and she's a true warrior when it comes to battle, and she has all her father's powers, along with having blood red angel wings and a massive greatsword that she always carries with her, she's immortal, and she's also extremely beautiful and sexy.

Me: Hubba Hubba.

Selene Emperyous: When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Luna, and Anna and Lincoln helped Luna with helping her out with her music and Anna really knows how to play rock and roll and she's a natural when it comes to rocking out on an electric guitar, and Anna also really helped in teaching Lincoln everything she knows about war and even coming up with some amazing strategies in battle, and she and Lincoln trained hard together in their gym, and she helped him greatly in his transformation. Lincoln made Anna a beautiful necklace with blood red gem for the pendant, along with a blood red short-sleeved blouse, blood red sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Anna kissed Lincoln on the lips as a massive flames raged behind them, and it was truly beautiful, and she hates Lynn with a bloody passion, because Lynn absolutely hated Anna for always defending Lincoln whenever she, along with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Anna everything about what that overly aggressive belching, farting, rude, smelly animal has done to him and trying to kill him, and one time when Anna and Lincoln were training with their massive greatswords, Lynn had shown up running on all fours like the animal that she is and she was out to kill Lincoln yet again along with Anna, that was until Lincoln let loose the beast inside him and he viciously attacked that animal with a dangerous ferocity, and he and Anna blasted them with blood red energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn tried to do to him and Anna, they were really furious, and then, Lincoln and Anna dragged Lynn back to The Loud House where she got grounded for twelve weeks and Anna had the pleasure of throwing Lynn in a metal container. Lynn roared in rage and pounded on the door again trying to get out, but Anna warned her if she ever came after Lincoln again, she would kill her and she even said that Lynn lacked the courage and skills of a true warrior, that she was nothing more than an animal who enjoys going on a violent rampage and brutally beating everyone around her to a bloody pulp including her little brother, her own family, and friends. Then, Anna gave Lynn the finger through the finger, and that made Lynn roar in anger again and beat her chest like a gorilla thus proving Anna's point that she lacked the skills and courage of a true warrior, that she was nothing more than a violent rampaging animal.

Those who weren't there when that happened gasped in shock.

Nico: Oh man, of all the worst things to say to Lynn, that's one that truly wounded her pride greatly. Imagine if she ever said that to Raditz and Nappa, that'd piss them off so badly they'd go after her and make her pay.

Lincoln: But, being the Daughter of Ares, she's a more skilled and experienced warrior and she'd rip them apart.

Eli: Jeez.

Laney: Yeah, she's one deadly opponent no one wants to face!

Laniya Emperyous: Yeah, she'll rip them to shreds and spill their blood, that's why she'd earned her nickname as The Warrior Queen of Blood, no one dares to mess with her, not unless they have a death wish.

Laney Emperyous: And one of them was Lynn.

Raven Branwen: I could've taken that idiot down myself.

Artie Ziff: True. But he was Caspian's to kill.

Caspian: Thank you, my friends. With your help, I now rule Narnia. But as a good king.

Me: It was our pleasure. Your majesty.

We kneeled before him as he was coronated as the rightful king and he was now on the throne.

Condiment King: This calls for a celebration! I'll get the ketchup!

Professor XXXL: I'll prepare the snowcones.

Blossom Z: You know what? We've got time for a celebration before we head home.

2016 Morbucks: We appreciate it.

Me: Awesome.

Nico: Yep.

Lucy Pevensire: But it was awesome to see you all again.

Me: Same here Lucy. All of you.

Susan Pevensire: It'll be awesome if you all had more adventures in Narnia more often.

Nico: I think that can be arranged.

Eli: I agree.

Nico: Yep. Great job today everyone.

Sailor Narnia: (To the viewers) Traitorous kings beware. We are going to come for you.

Qin: You got that right.

We had a great celebration and an awesome party and then we went back home and enjoyed the rest of the day and went to sleep.

I got a REALLY AWESOME surprise for him as I unleash the ultimate extent of my power on that monster and make him pay for everything he did. Then for part 2 we're going to the park for some relaxing. Also we're going to meet 2 Sea Wasp Gene-slammers. They are the Irukanji Twins and they are Iona and Irina Irukanji and they are powerful masters of lightning. Also they are powerful jellyfish gene-slammers for the Sea Wasp. Also we're going to battle Another Absorbing Man and Platinum Princess. Also we're going to meet a gene-slammer for Wishiwashi and that one is going to be Ophelia Kirix and she is Nico's friend that has amazing water powers and awesome swimming skills.

the match-up scene is for Hana Beautyflower, Gene-Slammer of Periallis, Empress of Blossoms, and she and Lincoln are going to destroy Amok Mon-Ra, a very powerful and ancient demonic being who is said to be malevolence incarnate and therefore completely unreasonable, and another of Aladdin's enemies.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Transylvania, and we're going to take down Aleera, Verona, and Marishka, the three brides of Dracula from Van Helsing and have them sent to The Masters of Evil. And we're in for a two-for-one meeting: we're going to be meeting the next Daughter of The Olympian Gods and Goddesses, her name is Anna Ares, Daughter of Ares, Greek God of War, she's Lincoln's Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of War and a true warrior when it comes to battle, and she has all her father's powers, along with having blood red angel wings and a massive greatsword that she always carries with her, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Luna, and Anna and Lincoln helped Luna with helping her out with her music and Anna really knows how to play rock and roll and she's a natural when it comes to rocking out on an electric guitar, and Anna also really helped in teaching Lincoln everything she knows about war and even coming up with some amazing strategies in battle, and she and Lincoln trained hard together in their gym, and she helped him greatly in his transformation. Lincoln made Anna a beautiful necklace with blood red gem for the pendant, along with a blood red short-sleeved blouse, blood red sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Anna kissed Lincoln on the lips as a massive flames raged behind them, and it was truly beautiful, and she hates Lynn with a bloody passion, because Lynn absolutely hated Anna for always defending Lincoln whenever she, along with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies plotted to kill him, and Selene Arcangela told Anna everything about what that overly aggressive belching, farting, rude, smelly animal has done to him and trying to kill him, and one time when Anna and Lincoln were training with their massive greatswords, Lynn had shown up running on all fours like the animal that she is and she was out to kill Lincoln yet again along with Anna, that was until Lincoln let loose the beast inside him and he viciously attacked that animal with a dangerous ferocity, and he and Anna blasted them with blood red energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn tried to do to him and Anna, they were really furious, and then, Lincoln and Anna dragged Lynn back to The Loud House where she got grounded for twelve weeks and Anna had the pleasure of throwing Lynn in a metal container. Lynn roared in rage and pounded on the door again trying to get out, but Anna warned her if she ever came after Lincoln again, she would kill her and she even said that Lynn lacked the courage and skills of a true warrior, that she was nothing more than an animal who enjoys going on a violent rampage and brutally beating everyone around her to a bloody pulp including her little brother, her own family, and friends. Then, Anna gave Lynn the finger through the finger, and that made Lynn roar in anger again and beat her chest like a gorilla thus proving Anna's point that she lacked the skills and courage of a true warrior, that she was nothing more than a violent rampaging animal.

And we're also going to meet the leader of The Ghostrick Gene-Slammers of Lincoln's Guardian Angels, her name is Raven Ghostrick, Gene-Slammer of The Ghostrick Duel Monsters, she's Lincoln's Guardian Angel from Michigan and a powerful Goth Girl and a powerful master of darkness, dark magic, The Occult, and mythical monsters of legend, and she's also known as The Goddess of The Ghostrick, because long ago, she Gene-Slammed herself into The Ghostrick Monsters so that she can assist the Ghostrick Gene-Slammers in everything along with protecting Lincoln, but she also has a dark secret. Her parents when they were young dabbled in The Occult, but their innocent dabbling in The Occult had led to a dangerous obsession with black magic which followed them to adulthood, and long ago, it burst forth into trying to use their powers in dark magic to hurt The Louds, specifically Lincoln. See, seven years ago, they tried to cast a dark spell to bring sickness, misfortune, and death to Lincoln, and this had brought it to the attention of Raven Ghostrick, and when she had found out about what her parents tried to do thanks to Lucy and the other members of The Young Morticians' Club, she gathered the rest of The Ghostrick Gene-Slammers and they rushed down into the basement of her house to stop the ritual before the spell was cast. She and the others got there just in time to see her mom bring out a cat, and her dad got out a knife to stab the cat: she knew that in order for their spell to work, it needed an animal sacrifice. Raven used her dark powers to stop the ritual and send the cat to safety, and this dark act of trying to kill Lincoln with a dark spell they found truly angered Raven, she was so enraged her parents tried to do this, and she did the one thing that she knows would keep Lincoln safe from her black magic-using evil parents: she used her own dark power known as The Ghostrick Darkness Vengeance Curse, and she'd fired blasts of pure darkness at them, and she pulled their souls out of their bodies and she threw them into a portal that led to The Ghostrick Museum, and she had the souls of her parents put into paintings and imprisoned inside for all eternity, and this curse caused her parents to be turned into desiccated corpses drained of life because she ripped out their souls. Then, she told Lincoln of what her parents tried to do to him, and he ran up to Raven and hugged her tightly and she hugged him back as she began to cry. He knew her parents tried to kill him with a dark spell to bring sickness, misfortune, and death to him, but he still felt empathy and sadness for her, they were her parents and that's what hurt her. But, she recovered from her sadness and she knew she had to do what was right to protect Lincoln from her black magic-using dark witch parents. Lincoln made Raven a beautiful necklace with pearls and a blood red gem pendant, and to show thanks, they kissed underneath the full moon, and she's good friends with Lucy and The Young Morticians' Club, and she hates Flip with a burning passion for obvious reasons, but she also hates all dark witches who want to use black magic to hurt innocent people and all for their sick amusement.

Me: An Evil Chase Young Battle is gonna be fun!

Qin: Yeah it is!

Nico: Any particular reason why you want to do this J.D.?

Me: I never got to unleash the full extent of my power on him at full force. So I'm going to release the full force of my power on him at the utmost maximum. He is going to be in for a shock seeing it.

Xenia: I have a feeling this will be good.

Nico: Yep. Solo mission in the simulator?

Me: Yep. Trust me on this. It will be good. Then we'll do the rest in the park.

Nico: Good idea.

Marinette: I'm going to love this one.

Aloe: (Eastern European Accent) Oh me too Marinette and it will be good.

Lotus: (Eastern European Accent) I agree too.

Nico: Marinette, I want to thank you, Absorbing Man, and your teams for coming

Marinette: No problem Nico. It's always fun to be with you in a team.

Chloe Bourgeois: It sure is Marinette.

Zocks: I'll say. How is your mom doing?

Marinette: She's doing great thank you Zocks.

Zocks: You're welcome.

Nico: Aloe, what do you and Lotus like to do in your free time?

Aloe: We haven't really given it thought. We like working at the spa.

Pipp Petals: And they give amazing and awesome massages and beauty treatments.

Xenia: Boy they sure do.

Leeli: I love seeing them at the spa.

Girl Jordan: Me too. Aloe and Lotus do a really good job.

Lotus: It's a good job. But if we were to choose we would have to say make our own beauty products for the spa.

Aloe: We made this with the help of Pipp Petals.

She pulled out a shampoo and it was called Bridleshine.

Me: I tried that shampoo myself and you should see what it does for my hair. It makes my hair shine like the stars and is amazing.

Nico: Wow that is awesome.

Qin: Maybe you can give me a treatment sometime.

Aloe: It would be a great pleasure.

Qin: In fact while J.D. is in the simulator can you do that?

Lotus: Oh sure.

They got to giving Qin and Rarity a great spa treatment.

Rarity: Oh adventures like this can be stressful darling. But it's going to be fun.

Qin: It sure is. But yesterday's awesome mission was fun and great.

Xenia: Yeah it sure was.

Qin was getting her hair washed with the Bridleshine shampoo.

Nico: That was really fun.

Eli: You got that right.

Nico: It was nice to see Aslan again

Maria: It sure was.

Eli: It was really awesome meeting J.D.'s friends the Pevensire siblings.

Xenia: They are really awesome heroes.

Camie: They sure are.

Tsuyu: I think they are awesome too.

Sirius: They sure are great.

Nico: Yep.

Me: Now that's two of Narnia's major enemies that are gone forever.

Nico: And Caspian took what was his.

Me: And that was his rightful place as king.

Eli: It reminded me of Scar and what happened with Simba.

Xenia: Same here.

Lola: Yeah that was crazy.

Qin: It sure was.

Nico: Miraz also reminds me of Ozai.

Lola: Yeah he sure did.

Nico: But at least he is gone forever and he will never terrorize Narnia again.

Lola: That is for sure.

Nico: Yep. Okay J.D. show us what you got.

Me: With pleasure.

I opened the door into the simulator.

Me: Wish me luck.

Nico: Have fun.

I went into the simulator.

Nicole got the Simulator activated and I found myself in the Guizhou Mountains in China.

Me: The Guizhou Mountains. I love coming here.

Nico: This will be awesome.

Absorbing Man: Wait. We're not coming with you?!

Nico: No he said he wants to do this on his own. And I approved of it. Besides we're not that far away. We're right here with him.

Absorbing Man: Oh right.

I was looking around.

Me: Okay Chase. Come and get me.

I sensed an energy signal and I looked behind me and saw CHASE YOUNG!

I turned and faced him.

Evil Chase Young: So you have come to face me J.D.

Me: Not just face you. I'm going to obliterate you. I'm going to make you pay for all your crimes! Every single one of them! You turned Principal Huggins into a blackhearted monster and you had him turn his sisters into malevolent demons that want nothing more than to kill Lincoln. And you turned Nerissa into a monster that was going to destroy the Universe! No more Chase! No more lives will be sacrificed and destroyed by your hatred.

Evil Chase Young: We'll see about that. You can't possibly win by challenging me.

Me: Want to bet on that?

Evil Chase Young: I don't need to wager.

Me: Then you obviously haven't seen what I am like when I fight at full strength. When I beat you before when we found out the truth I wasn't even fighting at my full power. Now you're going to see me fight at 100% of my power.

Everyone in the control room gasped!

Nico: WHOA! This is gonna be awesome.

Eli: Bro is really serious about this. So that's why he is so adamant about wanting to do this by himself. He wants to demonstrate his full power.

Nico: Oh boy.

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX and then unleashed the full force of my power!

I powered up to the max and then the ground started shaking extremely violently and the skies stormed up with intense force and lightning struck all over!

Evil Chase Young was REALLY SHAKING! He was feeling the ultimate force of my intensely incredibly power!

Nico: UNBELIEVABLE!

Eli: ALL THAT POWER IS COMING FROM BRO!?

Camie: INCREDIBLE!

Lola: J.D. has that much power!?

Varie: Amazing!

Tsuyu: Completely unreal!

Then in a massive and powerful roar of fury I released a massive and incredible burst of energy that was so mindboggling that it made all the villains we faced combined over the years feel like nothing! When I was done powering up the full force of my power at 100% maximum power was unleashed! I had all the elemental energies and spirits swirling around my aura!

Nico: WHOA!

Eli: That's bro's full power!? UNBELIEVABLE!

Xenia: WHOA!

Nico: Now we're going to see what he can really do.

Absorbing Man: You sure you don't want to at least let me help you? I can absorb some steel you so his Heylin form will break his teeth.

Nico: Let him do this Carl. He said so.

Absorbing Man: Okay.

Me: (Divine Echoing Godly Voice) (Telepathically to Absorbing man) I'll be just fine guys. Trust me.

Absorbing Man: Okay then. Go get him.

Evil Chase Young: You think you're so confident J.D. You haven't seen what I can do.

Me: Shut your fucking mouth.

Evil Chase Young growled at that one and he exploded in rage to his HEYLIN FORM! HE WAS A HUMANOID DRAGON!

Nico: Also, can you check if there's a Gene Slammer?

Me: (Telepathically to Nico) There is none. They are actually at the park. But we'll head there after I'm finished here.

Nico: Okay.

Me: I've got 150,000 years of justice to dish out on you. But first.

I snapped my fingers and we were on the planet Glaren.

Evil Chase: Come and…

BLAM!

I punched him in the stomach with devastating force!

I sent him crashing into a mountain and he got up and went at me and I dodged all of his punches all over and I punched Evil Chase in the face and knocked out some his teeth and sent him flying and I teleported and punched him in the stomach with devastating force! I punched Evil Chase in the stomach and kicked him in the face. Evil Chase fired a massive barrage of lightning blasts and me and I dodged them effortlessly and they exploded with unbelievable power!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Evil Chase went at me with incredible speed and I punched him in the face with devastating force and I teleported and kicked him in the back and punched him all over his stomach with a massive flurry of incredible fisticuffs and kicked him all over the place and really let him have it. I then backed away and Evil Chase fired a massive blast of energy and fire and I fired a powerful Kamehameha Wave and the blasts collided and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I teleported behind Evil Chase and fired two powerful rainbow energy blasts and they hit him and exploded with incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then fired a massive barrage of rainbow energy and fire blasts at Evil Chase and they all hit him and exploded in massive explosions of fire.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMM!
KRABBBOOOOOOMMM! KRABBBBOOOOOOOOOMMMM!
KRAABBBOOOOOOOOMMM! KRABBBOOOOOOOOOMMM!
KRABBBOOOOOOMMMM

KRABBBBBOOOOOOOOOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOMMM! KRABBBOOOOOMMM!
KRABBOOOOOOMMM! KRABBBOOOOOOOOOMMM!
KRABBBBOOOOM!

Me: Try this on!

I formed a rainbow energy ball.

Me: STARDUST DIVINER!

I fired it and it hit Evil Chase and exploded with incredible power!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

Evil Chase screamed in pain as the blast exploded when it hit him and when the smoke cleared, he was completely enraged.

He was REALLY OUT OF HIS FUCKING MIND NOW! HE WAS ROARING LIKE AN INCREDIBLY INFINITELY FUCKED UP LUNATIC TO THE INFINITE POWER!

Nico: Well, this is gonna take a while

Eli: Come on Nico lets just enjoy the show. Popcorn?

Eli got him some.

Nico: Ah why not.

He ate some.

I teleported and kicked Evil Chase in his stomach with devastating force and he belched up a huge amount of blood!

Me: That was for Nerissa!

I punched him in the face with devastating force and knocked out all of his teeth!

Me: That was for Principal Huggins!

KRAKROW!

I punched him in his neck and stomach and face and eyes multiple times!

Me: That was for the Loud Sisters! (UNSHEATHES SWORD)

I then slashed him across his chest and revealed his black heart!

Me: That was for Sebastian Mendez! And this is for me!

I went at him with incredible speed!

Me: JUST FOR PISSING ME THE FUCK OFF!

I then stabbed him ALL THE WAY THROUGH HIS BLACK HEART!

Me: My sword right through your twisted black heart! TAKE IT! TAKE IT STRAIGHT TO THE FIRES OF THE BLACK GATES YOU SICKENING PIECE OF MOTHERFUCKING SHIT!

THEN I SKEWERED HIM ALL THE WAY THROUGH AND THEN HE SCREAMED IN PAIN AND I PULLED MY SWORD OUT AND THEN I RAN FAST!

Nico: HE'S GONNA BLOW!

I ran and then…

SUPER MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION OF NOVA CALIBER!

I teleported back to everyone just in time!

Nico: UNBELIEVABLE!

Eli: WHOA!

Nico: YEAH!

Evil Chase was banished to the Black Gates for all eternity!

Nico: That was amazing! Feel better?

Me: 100% better.

Nico: Great!

I powered down.

Me: Wait look!

We saw a black smoke come out of Lola!

Leni: What's that black smoke!?

Nico: Something Lola ate?

Me: No I know what that is. Wait look!

We saw the same thing happening to Lisa too!

Me: Wait I know what this is!

Anna Anyanova: Me too! It's the Darkness of Chase Young!

It formed into a ghostly version of Chase's face and we saw that the darkness of Chase Young wasn't just that, IT WAS THE VERY

FRAGMENTS OF HIS EVIL SOUL!

Me: So that's it! Chase Young didn't just infect Principal Huggins and the Loud Sisters with darkness! He infected them with the very fragments of the essence of his soul!

Nico: WHAT?!

Eli: THAT IS DISGUSTING!

Varie: That's like how Orochimaru did it!

Sunset Shimmer: Yeah!

Then we saw it vanish right in front of our eyes, gone forever and dead.

Nico: Lola, Lisa?

They got up and saw us and Lincoln.

Lincoln: Are you alright?

Lola: Linky? (BURSTS OUT CRYING) OH LINCOLN!

She went and hugged him and so did Lisa!

Then Lori, Lynn and Luan came in and hugged him too and they cried hard!

Lana: Boy they were really affected hard by Evil Chase.

Absorbing Man: (to the other Loud Kids) Why aren't you guys feeling sad?

Lana: Because Evil Chase only affected Lynn, Lori, Luan, Lola and Lisa.

Nico: He put his evil soul in Huggins and then he put it in them.

Absorbing Man: Oh I see what you mean.

Anna Anyanova: Yeah.

Lori: (WAILING HARD)

Luan: (WAILING HARD)

Lynn: (WAILING HARD)

Lola: (WAILING HARD)

Lisa: (WAiLING HARD)

Nico: Poor girls.

Rita: Oh girls. It'll be okay.

Nico: Lets head to the park and have them cool down there.

Me: Good idea.

Nico: Eli sense for Swartz's creations will you?

Eli: Sure. (Concentrates) Found them! Another Antibug, Copycat, Gorizilla, Dark Cupid, Platinum Princess and Absorbing Man.

Nico: Whoa! This will be good.

We went to the park.

We later arrived and the Loud kids were really crying hard.

Nico: I've got an idea. Girls, look!

They looked to me and I dropped my pants down.

Nico: (MAKES A FUNNY FACE ON HIS BUTT) HI THERE GIRLS! MY NAME IS NICK BUTT!

WE LAUGHED HYSTERICALLY AT THAT ONE!

Lori: (LAUGHS HYSTERICALLY) THAT IS FUNNY!

Lily: (LAUGHS) NICO!

May: (LAUGHS) THAT IS FUNNY!

Nicole: (LAUGHS) THAT IS SO FUNNY!

Me: (LAUGHS) NICO YOU ARE A FUNNY GUY!

Sakura Knudson: (LAUGHS) THAT IS A RIOT! Reminds me of those episodes where Bart mooned people!

Me: (LAUGHS) Those were funny!

Eli: (LAUGHS) That was awesome!

Nico: I knew that would do the trick!

Rita: (LAUGHS) That was awesome! But girls I'm really glad that you are now officially dark side free.

Lori: Me too mom.

Luan: We all are happy. And Lincoln we're really sorry about everything we did to you.

Lynn: Looking back we were turned into absolute monsters.

Lisa Loud: We sure were.

Lola: Yeah I can't believe we did all that to you!

Lily: Chase young did that.

Nico: Yeah. But at least he is gone forever.

Then Maria saw something in the lake.

Maria: Who are those two over there?

Me: Hmm.

We looked and saw that they looked like jellyfish.

Me: Are those jellyfish?

Lily: I better get my giant jellyfishing net.

She pulled out a big net and then scooped up the jellyfish and we saw that they were really SEA WASP GENE-SLAMMER GIRLS!

Me: Whoa Sea Wasp Gene-slammers!

Qin: The most venomous jellyfish in the world!

Sea Wasp 1: Awesome catch though.

Sea Wasp 2: Yeah that was awesome.

Me: (GASP) Those voices!

Nico: Iona and Irina Irukanji!

Me: Whoa! You girls are Sea Wasp Gene-slammers!

Iona Irukanji: Yeah we sure are.

Irina Irukanji: (Seductive Voice) We like it too.

Nico: Aww.

Me: You girls always were beautiful too. The Irukanji twins are 2 awesome voluptuous girls. They are like Kurumu.

Lincoln: Awesome. And I bet they smother your faces with their breasts.

Nico: Oh yeah they sure do.

Me: To quote Austin Powers, YEAH BABY!

We laughed!

Nico: Your shirts and bras ripped when you got Gene Slammed.

Iona Irukanji: We know

Lily brought them over and got them out of the net.

Lily: Sorry about that girls. I like Jellyfishing and it's fun.

Irina Irukanji: No worries Lily. But that was an awesome catch.

Iona Irukanji: It sure was.

Nico: By the way, what were you girls doing when you got Gene Slammed?

Me: I was just about to ask that.

Irina Irukanji: We were relaxing on the beach and soaking up some rays and then we got turned into these.

Iona Irukanji: Yeah it was crazy. We felt this dart hit us and then we turned into these.

Nico: Ouch.

Me: Lets revert you back girls.

I put on my blind man glasses.

Me: Just so you know girls this is going to be excruciatingly painful.

Iona Irukanji: We're ready.

Irina Irukanji: We can handle it.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and they doubled over in excruciating pain as they reverted back!

They screamed in pain.

Iona Irukanji: IT HURTS SO MUCH!

Irina Irukanji: KILL ME! KILL ME!

Me: It'll be over in a few seconds girls!

They reverted back and were girls with aqua blue hair and had blue eyes and had ample breasts.

When it was done they got up and saw themselves and they were back to normal.

Iona Irukanji: We're normal!

Irina Irukanji: We sure are.

But then they ran over to Nico and me and then they jumped onto me and Nico and smothered our faces with their ample breasts.

Irina Irukanji: We are back to normal thanks to you guys!

Iona Irukanji: Yeah we sure are! And we love it!

Nico: (Muffled) Um… I don't think your pants fit you!

They fell off.

Iona Irukanji: Oh well. I like it.

Nicole: Girls get some clothes on before I kill Nico and dad! And that son of a fucking snake there!

She fired a wave of energy and it hit a tree and it exploded and a figure flew out and it was JIRAIYA!

Eli: Jiraiya!

Rarity: Don't worry darlings. We can fix this.

The Fashion brigade gave them awesome clothes. The Irukanji Twins got awesome aqua blue bikinis on and they had beach skirts too.

Iona Irukanji: Awesome!

Irina Irukanji: We look great.

Xenia: You sure do.

Lady Tsunade: (OFFSCREEN) JIR-AI-YA!

We heard really loud thrashing coming from the Leaf.

Nico: Let's get to fighting the Another MOE members while Jiraiya is being pummeled.

Eli: (LAUGHS) That was funny! Where did you send him flying to Nicole?

Nicole: (LAUGHS) Right into the Women's hot springs. Usually Lady Tsunade relaxes this time of day and she beat the living shit out of him really bad when he peeped on her the first time.

Eli: Nice!

We laughed!

Xenia: That was funny!

Me: Better call in Setsuna Tokage, Zoe Lee, Armada Hot Shot and Joan of Arc.

Nico: Yep.

Eli: And the Another Antibug, Copycat, Gorizilla, Dark Cupid and Platinum Princess are all one person and she is one of Lincoln's Guardian Angels.

Lincoln: WHOA!

Me: This will be interesting.

Lola: Yep.

Nico: That is cool.

They were called in.

Zoe Lee: Hey, sis!

Chloe Bourgeois: Hey sis.

Zocks: Hey Zoe.

Zoe Lee: Hey Zocks.

Armada Hot Shot: This will be fun.

Qin: It sure will.

Joan of Arc: We heard what happened to Lori and the girls. Are you all okay?

Lori Loud: Yeah we're literally all right.

Nico: Yep.

Me: Here they come!

We saw Another Antibug, Copycat, Gorizilla, Dark Cupid and Platinum Princess!

Nico: Whoa!

Lola: This is gonna be awesome.

Another Copycat: (In a girls voice) But this is going to be a rough one.

Lincoln: That voice!

She reverted back and it was a girl with blond hair and blue eyes and had the symbol of the Constellar in the middle of her forehead and she had purple clothes and purple star angel wings and had a star sword and had the symbol of the Constellar on her skirt.

Lincoln: (GASP) Celine Constellar!

Celine Constellar: Awesome to see you again Lincoln and my god you grew into an awesome young man.

Lincoln: I know and I haven't seen you since you were 17.

Celine Constellar: I know. Also it's an honor to meet you guys. And I am the gene-slammer of all the Constellar monsters.

Lola: That is amazing!

Qin: Wow! Those are monsters based on the stars and constellations.

Xenia: Yep.

Celine Constellar: That's right.

Me: Yeah.

Celine Constellar: It sure is. Wait have the 5 Loud girls been crying a lot?

Anna Anyanova: It's a crazy story Celine.

She told her everything and she gasped!

Celine Constellar: Oh my god! So Chase Young was responsible for it all!

Eli: He sure was.

Me: But he is dead now. His evil side is. Long story on that.

Eli: Yeah.

Celine Constellar: Good.

Me: By the way is the Another Absorbing Man hostile or friendly?

Celine Constellar: Friendly and she is a really interesting one too.

Me: This will be interesting.

Zoe Lee: I may not have a miraculous. But I can still kick ass!

Hot Shot: As long as I get myself equipped first. SONAR, RUNWAY, JETSTORM, POWER LINK!

They came and formed the Star Saber!

Hot Shot: STAR SABER!

Nico: Ready to do this?

Girl Jordan: First lets separate you from all those Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from all 5 of the Anothers!

Me: YEAH!

Celine Constellar: Lets do it!

Joan of Arc: I am Judgement and Heaven is Nigh!

They fired waves of energy and elements and blasted the Anothers and they exploded!

MASSIVE FIERY EXPLOSION!

I caught the Wonder Ride Books.

Me: YEAH!

Nico: Awesome!

Nico: Now all that's left is Another Absorbing Man.

Me: Yep.

Qin: This will be fun.

Marinette: It sure will.

Me: Marinette lets get our gamefaces on.

Marinette: You got it!

Me: Ladies first.

Marinette: So gentlemanly. TIKKI SPOTS ON! HA!

She turned into LADYBUG!

Chloe: POLLIN BUZZ ON!

She turned into QUEEN BEE!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Zoe Lee: I gotta get me one of those.

Me: We'll think of something for you Zoe.

Qin: Yeah.

Nico: It'll be fun.

Chloe: It sure will.

Laney: Here she comes!

We saw a figure and it was ANOTHER ABSORBING MAN!

Me: Whoa!

Absorbing Man: It's like looking at myself in the mirror!

Xenia: It sure does feel like it.

Another Absorbing Man: (In a girls voice) And it's fitting for me too.

Me: (GASP) That voice.

She reverted back and was a girl with blue hair and blue eyes and had purple clothes.

Me: Carlina Creed!? Whoa!

Carlina Creed: Awesome to see you again J.D.

Me: Same here.

Carlina Creed: I am a superhero called Lady Elementus. I can do this.

She turned into PURE FIRE! Then pure water, Lightning, grass, metal, earth, wind, rock, ice and more!

Eli: WHOA! You have Elemental Absorption, manipulation and formation.

Carlina Creed: That's right. I was hit by the blast of a mutation ray and it gave me these powers.

Qin: WHOA!

Absorbing Man: Wow! That is amazing that you can do that just by thought! I have to get my elemental powers from contact with something.

Carlina Creed: I know.

Me: Carl how did you get your powers if I might ask?

Absorbing Man: Oh Loki gave me this liquid that was laced with this potion and I got these powers as a result.

Me: Very strange.

Kaito: (gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (Gets out Dekaranger gear) Because we can grant it instead.

Kaito got a Tyranno Staff and Zocks got an SPD Blaster.

Carlina Creed: I originally wanted to be cured of this. But after seeing all your adventures and everything you did for the world I changed it to wanting to help you guys.

Me: Well the second part can be easily arranged.

Nico: Yeah you are more than welcome to join us.

Carlina Creed: I would be honored. After you guys help get rid of this Another in me.

Me: That can be done.

Absorbing Man: What can I absorb here?

May: Try this.

She pulled out a titanium rod.

Absorbing Man: Perfect.

He turned into Titanium!

Carlina turned into Another Absorbing Man!

Sougo: (gets out Dino Thunder Ridewatch) Your last name is almost similar to Absorbing Man's.

Geiz: (gets out SPD Ridewatch) Only one letter different.

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor

Another Absorbing Man: It sure does!

Nico: Sorry we have to do this.

Another Absorbing Man: It's okay.

Nico: You know I've always wanted to try this. (ACTIVATES ABSORBING MAN'S RIDEWATCH)

I gave Nico a block of copper and he touched it and turned into pure copper!

Nico: AWESOME!

Nico formed his hand into a spike ball!

Nico: Nice!

Nico bashed her all over.

Nico: Time for this too! (ACTIVATES PLATINUM PRINCESS'S RIDEWATCH)

He fired waves of energy and blasted her down.

May: Awesome! Now for me! (ACTIVATES TWIST BOMA'S RIDEWATCH)

She fired a wave of energy and smashed her down.

May: Wonder what this one will do. (ACTIVATES SON OF THE CHICKEN FROM OUTER SPACE'S RIDEWATCH)

Then…

POP POP!

She grew two extra heads!

ME: What in the 9 Fucking Levels of Hell!?

May: (SCREAM) I have 2 extra heads!

Me: That ridewatch gives you two extra heads.

May Head 1: (Stupid Laughter)

May head 2: (As a genius) Chasing Phantoms: A Dissertation on Unifying Field Theory and its Effect on Leptons and Quasars. By Maybell.

Me: WHOA!

May: Wow! I have a stupid head and a really smart head.

Nico: That is awesome!

May: It sure is. That one will only be used for humor.

The 2 heads vanished.

May: WHEW!

Maria: (gets out Vapor's Ridewatch) I think I'm gonna know how Puff feels.

She activated it and turned into a Puff-esque girl!

Maria: WHOA! Cool!

Maria fired a chemical blast and it hit Another Absorbing Man and smashed her down.

Qin: WHOA!

Me: Boy that is awesome Maria!

Maria: Thanks. Now for this! (ACTIVATES RED-EYES DARKNESS DRAGON'S RIDEWATCH) INFERNO DARKFIRE!

She fired a massive barrage of fire blasts and they hit Another Absorbing Man and smashed her down!

Aloe: Now lets do it!

Lotus: Lets!

They activated Platinum Princess's Ridewatch and they fired waves of energy and smashed her down.

Me: YEAH!

Baron Mordo and his team came. He had Evil Cut Man, Hot Dog Monster (OC), Zombie Chicken, Resshaki and Yokai (Big Hero 6)

Nico: Nice team Baron Mordo.

Baron Mordo: Thanks Nico.

Me: Whoa! And Resshaki is with you guys! Awesome!

Resshaki: It sure is.

Taro: That is awesome. I think that is cool.

Laney: Same here.

Mad Hot Dog: Also, call me Mad Hot Dog.

Me: I like that.

Eli: He is mad because we're eating hot dogs.

Me: Sorry. You know how much Sonic and Tails and friend love chili dogs.

Maria: Wait I see something in the lake.

We saw a Wishiwashi.

Me: Hey a Wishiwashi.

Nico: Cool!

Wishiwashi: (In a girls voice) I like being a Wishiwashi.

Nico: Ophelia Kirix!? Whoa!

Wishiwashi: Yep. I got this.

She fired a wave of energy and blasted down Another Absorbing Man and she was back to normal and I got the ridewatch and purified it. I brought over Carlina.

Me: Nice!

Ophelia got out and reverted back and she was a girl with blond hair and had an orange one piece swimsuit on.

Ophelia Kirix: Sorry this was all I was in when I got slammed.

Maria: No worries. I think you look awesome.

Ophelia Kirix: Thanks.

Aloe: What's your favorite memory of Nico?

Lotus: I was going to say that.

Ophelia Kirix: My favorite is where me and Nico swam down to the bottom of a lake and we found a hidden treasure there. It was full of jewels and everything.

Nico: That was fun.

Qin: Wow!

Xenia: That is cool.

Nico: Yep

Nico and Ophelia hugged.

Nico: I've missed you.

Ophelia Kirix: Same here.

Nico: Feel better now, girls?

Lori: We sure are. We literally have all of Evil Chase's darkness erased.

Eli: She's right. I sense it. It's all gone.

Nico: Thank goodness.

Xenia: No kidding.

Me: Boy Lincoln's guardian angels are going to be shocked about this.

Eli: They sure are.

Qin: Yeah.

We went back home and rested up.

Robin: That's not going to be an easy task though, Lincoln. You did turn Dracula into your snack last year in Colorado.

Me: Yeah, and the one we all battled against long ago met his end when he was burned alive by The Sun.

Lincoln: That's true, however this needs to be done, I'm not going to let Aleera, Verona, and Marishka continue to cause havoc in Transylvania.

Elizabeth Lioncourt: Exactly, Lincoln, and they should also be lucky we're not going to kill them, or even worse, let you drain them dry of blood or absorb them via physical contact.

Lincoln: Like I've done to many evil vampires, werewolves, and evil supervillains. Don't worry, we'll just settle with beating those vampires down, but there's no doubt they'll turn into their bat forms if they try to take flight.

Nico: But, we have to be ready for anything those vampire brides pull.

Suddenly, we saw two girls appear before us: the first is a very beautiful and super sexy girl with long blood red hair and blood red headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blood red angel wings, she's dressed in a blood red short-sleeved blouse, sleeveless blue top, necklace with pearls and blood red gem for the pendant, long ankle-length white skirt, white bridal gloves, blood red knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with blood, vultures, venomous snakes, dogs, boars, and angels on the coattails and on the back is Ares, and holstered on her back is a massive Ares-themed greatsword with embedded blood red gems and Ares etched on the 7'0" massive, wide, double-edged blood red blade, large blood red dog heads for the crossguard, large white angelic faces embedded on both sides of the hilt with blood red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blood red gem on the bottom of the large white angel heads for the pommel.

Selene Arcangela: (Gasps) The vulture, venomous snakes, dogs, and boars motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Blood Red-Haired Girl: That's right.

Midnight Black-Haired Girl: And we got the twelve girls away from Aleera, Verona, and Marishka, but they're heading here now, and they're in their bat forms.

Lincoln: (Gasps) Those voices, Anna Ares, Daughter of Ares, Greek God of War, and Raven Ghostrick, Gene-Slammer of The Ghostrick Monsters and The Goddess of The Ghostrick, I knew it was you two.

Suddenly, we heard screeching and we saw three winged figures heading right for us: it was Aleera, Verona, and Marishka, The Brides of Dracula.

Sylvester: Looks like we got ourselves three evil vampire brides to take down.

Aleera: Come, our children of the night, destroy them!

Aleera summoned vampires to attack us, but Lincoln moved with such superhuman speed he dodged the vampires but not before tying them all together before they had time to react, and then, he dug his finger into one of the vampires' skull, and he was absorbed into Lincoln's body as the vampire's body was broken down by Lincoln's acidic cells, and this caused a chain reaction as he also absorbed the rest of the vampires into his body. Then, he fired three rainbow energy blasts which hit Aleera, Verona, and Marishka and sent them flying into The Masters of Evil's HQ and they were put in three separate coffins. We cheered as we holstered our weapons and powered down.

Lincoln: That takes care of Aleera, Verona, and Marishka, now Transylvania won't have to deal with them running loose.

Nico: If Vypra finds out, she'll make those three vampires regret it.

Lincoln: You got that right. (To Anna Ares and Raven Ghostrick) And it's so good to see you again, Anna Ares and Raven Ghostrick.

Raven Ghostrick: You too, Linky, it's been such a long time.

Lincoln went up to Anna Ares and Raven Ghostrick and he hugged them, and Anna Ares and Raven Ghostrick are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Anna Ares: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know these two girls?

Lincoln: Indeed I do, J.D., the first girl is Anna Ares, Daughter of Ares, Greek God of War, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of War and a true warrior when it comes to battle, and she has all her father's powers, along with having blood red angel wings and a massive greatsword that she always carries with her, she's immortal, and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect me from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, me enemies, and she also swore to protect me from Lori, Lynn, Lola, Lisa, and Luan.

Selene Emperyous: She's really good friends with Luna, and Anna and Lincoln helped Luna out with her music and Anna really knows how to play rock and roll and she's quite a natural when it comes to rocking out on an electric guitar.

Luna: She really shredded on that electric guitar, and she really rocked the house.

Selene Emperyous: And Anna also really helped in teaching Lincoln everything she knows about war and even coming up with some amazing strategies in battle, and she and Lincoln also trained hard together in their gym, and she helped him greatly in his transformation. Lincoln made Anna a beautiful necklace with blood red gem for the pendant, along with a blood red short-sleeved blouse, blood red sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Anna kissed Lincoln on the lips as a massive flames raged behind them, and it was truly beautiful, and she hates Lynn with a bloody passion, because Lynn absolutely hated Anna for always defending Lincoln whenever she, along with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Anna everything about what that overly aggressive belching, farting, rude, smelly animal has done to him and trying to kill him, and one time when Anna and Lincoln were training with their massive greatswords, Lynn had shown up running on all fours like the animal that she is and she was out to kill Lincoln yet again along with Anna, that was until Lincoln let loose the beast inside him and he viciously attacked that animal with a dangerous ferocity, and he and Anna blasted them with blood red energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn tried to do to him and Anna, they were really furious, and then, Lincoln and Anna dragged Lynn back to The Loud House where she got grounded for twelve weeks and Anna had the pleasure of throwing Lynn in a metal container. Lynn roared in rage and pounded on the door again trying to get out, but Anna warned her if she ever came after Lincoln again, she would kill her and she even said that Lynn lacked the courage and skills of a true warrior, that she was nothing more than an animal who enjoys going on a violent rampage and brutally beating everyone around her to a bloody pulp including her little brother, her own family, and friends. Then, Anna gave Lynn the finger through the finger, and that made Lynn roar in anger again and beat her chest like a gorilla thus proving Anna's point that she lacked the skills and courage of a true warrior, that she was nothing more than a violent rampaging animal.

Nico: Just like what we were told yesterday about her.

Ursula Truaigheaingeal: (Scottish Accent) That's right. And the second girl is someone we've been wanting to introduce you all to for a long time.

Lincoln: That's right, Ursula, the second girl is Raven Ghostrick, Gene-Slammer of The Ghostrick Duel Monsters, she's my Guardian Angel from Michigan and a powerful Goth Girl and a powerful master of darkness, dark magic, The Occult, and mythical monsters of legend, and she's known as The Goddess of The Ghostrick, because long ago, she Gene-Slammed herself into The Ghostrick Monsters so that she can assist the Ghostrick Gene-Slammers in everything along with protecting me.

Brittney: Hey, now I remember her all too well, and The Goddess of The Ghostrick is also on the very same level of power as me when it comes to mastery over all darkness.

Lincoln: Yep, but for those who hadn't heard about her, she also has a dark secret. Her parents when they were young dabbled in The Occult, but their innocent dabbling led to a very dangerous obsession with black magic which followed them to adulthood, and it burst forth into trying to use their powers in dark magic to hurt The Louds, specifically me.

Nico: Wait, what?!

Me: It's true, Nico. See, seven years ago, they tried to cast a dark spell to bring sickness, misfortune, and death to Lincoln, and this brought it to the attention of Raven Ghostrick, and when she had found out about what her parents tried to do thanks to Lucy, and she gathered the rest of The Ghostrick Gene-Slammers and they rushed down into the basement of her house to stop them before the spell was cast. She and the others got there just in time to see her mom bring out a cat, and her dad got out a knife to stab the cat.

Raven Ghostrick: In order for the spell to work, this required an animal sacrifice. So, I used my dark powers to stop the ritual and send the cat to safety, and this dark act of trying to kill Lincoln with a dark spell they found truly angered me. I was so enraged my parents tried to do this that I did the one thing that I knew would keep Lincoln safe from my black magic-using evil parents: I used my own dark power known as The Ghostrick Darkness Vengeance Curse, and I had fired blasts of pure darkness at them which pulled their souls out of their bodies and I threw them into a portal that led to The Ghostrick Museum, and I had the souls of her parents put into paintings and imprisoned inside for all eternity, and the curse caused my parents to be turned into desiccated corpses drained of life because I ripped out their souls. Then, I told Lincoln of what my parents tried to do to him, and he ran up to me and hugged me tightly and I hugged him back as I began to cry.

Lincoln: I knew her parents tried to kill me with a dark spell to bring sickness, misfortune, and death to him, but I felt empathy and sadness for her, they were her parents and that fact is what hurt her the most. But, she recovered from her sadness and she knew she had to do what was right to protect me from her black magic-using parents. I made Raven a beautiful necklace with pearls and a blood red gem pendant, and to show thanks, we kissed underneath the full moon. She's good friends with Lucy and The Young Morticians' Club, and she hates Flip with a burning passion for obvious reasons, but she also hates all dark witches who want to use black magic to hurt innocent people and all for their sick amusement.

Nico: Whoa, now that's really dark. I can't believe Raven's own parents tried to kill Lincoln and all for their own sick amusement.

Ursula Truaigheaingeal: (Scottish Accent) Aye, it's true. Raven could never forgive her parents for this act: they messed with The Occult when they were young not knowing the dangers of it, and they had developed an obsession that led them down to trying to orchestrate Lincoln's demise.

Tiana Masina: (Scottish Accent) Her parents caused this because of their dabbling with black magic, and there's always deadly consequences when it came to it.

Lincoln: That's right, Tiana, and look at what happened: they tried to kill me and their betrayal badly hurt their daughter deeply and broke her heart. If her parents dare to escape, I'll show them what happens when they dare to mess with a true master of magic and that we're now immune to all magic. And now that you and Anna are here, Raven.

Lincoln went up to and hugged Anna Ares in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Raven Ghostrick in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Anna Ares: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, two Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Anna Ares and Raven Ghostrick with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with three Elemental Thunderbird Choker of Eternal Love on their necks.

Raven Ghostrick: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Raven Ghostrick and Anna Ares.

Raven Ghostrick and Anna Ares had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leaned down to each of their faces and he kissed each of them passionately on the lips, and the girls also returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw who they were, he immediately recognized them. The nine girls Lincoln set out to rescue are Aka Oriba, Anju Chitose, Kaguya Hiiragi, Kousuke Narumi, Minako Narusawa, Mutsumi Harusaki, Rin Mitohara, Runa Narumi, and Yuuyu Yaotome from Acchi Muite Koi and the three girls Ets set out to rescue are Jellorina Coolblue, Revy Yellowcrush, and Amy Bubblegumge.

Lincoln: Oh wow, it's Aka Oriba, Anju Chitose, Kaguya Hiiragi, Kousuke Narumi, Minako Narusawa, Mutsumi Harusaki, Rin Mitohara, Runa Narumi, and Yuuyu Yaotome from Acchi Muite Koi.

Ets: And Jellorina Coolblue, Revy Yellowcrush, and Amy Bubblegumge.

Suddenly, Jellorina Coolblue, Revy Yellowcrush, and Amy Bubblegumge pounced on Ets, and they kiss him all over as thanks for saving them from Aleera, Verona, and Marishka.

Lincoln: I knew that was coming. Are you girls okay?

Aka Oriba: Yes, we're okay, thanks to you.

Then, when Aka Oriba and the other eight girls saw who it was that saved them from Aleera, Verona, and Marishka, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large gold circular chest plate with phoenix on it, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of

Aka Oriba: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Aka Oriba: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aka Oriba, Anju Chitose, Kaguya Hiiragi, Kousuke Narumi, Minako Narusawa, Mutsumi Harusaki, Rin Mitohara, Runa Narumi, and Yuuyu Yaotome with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after went after were Aleera, Verona, and

Marishka, the Brides of Dracula from Van Helsing.

But, when Lincoln showed what we all did in beating those three vampire brides down, and Lincoln using the Pillar Men's absorption by absorbing the vampires Aleera summoned and then firing three rainbow energy blasts that sent those three vampires to The Masters of Evil's HQ, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln, Anna Ares, and Raven Ghostrick have a lot of catching up to do, now that they're back in town.

Maria: So, now we have Aleera, Verona, and Marishka recruited into The Masters of Evil, they better behave themselves.

Lincoln: Vypra will definitely make sure of that, and if they don't, there's going to be some deadly consequences.

Me: Yeah, either getting attacked by The Elemental HEROS of Darkness and the other vampires in Lincoln's harem or Lincoln himself.

Nico: If that happens, they'll either get stakes driven in their hearts or Lincoln will drain them dry of blood and absorb them into his body. But, yeah, Vypra will make sure those three vampires behave themselves.

---

After taking down Aleera, Verona, and Marishka and sending them to The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Anna Ares and Raven Ghostrick saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with

900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Anna Ares: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of.

Raven Ghostrick: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Anna Ares: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Anna Ares: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Anna, what's the story on how you took down Lynn?

Anna Ares: I was hoping you were going to ask that, Nico.

Anna Ares pulled up a video and it played on the screen, and it showed Anna and Lincoln training with massive greatswords out in an open field in their gym, and they were really training hard.

Past Anna Ares: You've really been training hard with your sword techniques, Lincoln.

Past Lincoln: I've had a lot of practice, Anna.

BBBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUUUURRRRR

Past Anna Ares: What the hell was that?! (Sniffs) Ugh, and why does it smell like chum and limburger cheese along with rancid feet and B.O.?!

Past Lincoln: Oh no! Dang it, Lynn!

Past Anna Ares: That wild animal's at it yet again?!

Suddenly, they saw something heading for them on all fours: it was Lynn, and she was in Full Beast Mode, and she was out for blood.

Past Lynn: (ROARS LIKE AN ANIMAL)

Past Lincoln: Every single time whenever I wanted to enjoy my day and be with my Guardian Angels, every time, you show up to ruin it, Lynn! That's it, I've had it up to hear with you!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer and his claws grew sharper. But, then, Lincoln's upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON MY GUARDIAN ANGELS, YOU FILTHY ANIMAL! (WOLF ROAR)

Nico: Oh… Shit!

Me: Lynn was so dead meat on a stick that day!

Lincoln let the beast out in him and Lynn charged at Lincoln, but Lincoln grabbed her by the collar of her jersey and lifted Lynn up off the ground with such superhuman strength and he threw her into a tree, and he attacked her with a dangerous ferocity, and he and Anna blasted her with and she got covered in fruit juice and they also pounced on and kicked the tar out of that old goat, and they also pounced on and kicked the tar out of that animal and Lincoln fired red energy waves from his massive white angel wings and tied with blood red energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn tried to do to him and Anna, they were really furious, and then, Lincoln and Anna dragged Lynn back to The Loud House where she got grounded for twelve weeks and Anna had the pleasure of throwing Lynn in a metal container.

Past Lynn: (ROARS IN RAGE AND POUNDED ON THE DOOR TRYING TO GET OUT)

Past Anna Ares: I'm only going to say this once, if you ever come after Lincoln again or if I see so much as one knife wound or bruise on his body, I will come after you and I will kill you. I don't know why you always do this, Lynn, you were supposed to be his protector, but instead, you became his tormentor and bully, and don't think I don't know about every single stupid stunt you've pulled out of your butt.

This was making Lynn really angry. But, what Anna said next really drove Lynn mad with animalistic rage.

Past Anna Ares: You claim to be Number One, but in reality, you're not. You lack the courage and the skills of a true warrior and a true athlete. You're nothing more than a wild animal who enjoys going on a violent rampage brutally beating everyone around you to a bloody pulp including your little brother, your own family, and friends.

Then, Anna gave Lynn the finger through the finger, and that made Lynn roar in anger again and beat her chest like a gorilla proving Anna's point that she lacked the skills and courage of a true warrior, that she was nothing more than a violent wild animal as the video ends.

Nico: Damn, now that really stung!

Lincoln: Anna knew it would hurt Lynn, but she had to make her point across: but with Lynn, it went from one ear and out the other.

Luna: She was always so hard-headed and stubborn, she refused to let up on trying to kill you, bro.

Lori: But, Anna warned her numerous times: if she puts one foot out of line and goes after Lincoln yet again, she was done for.

Me: And there'd be one less sister in The Loud House.

Nico: Whoa, looks like someone really had an awesome time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lyrilusc - Assembled Nightingale, Lyrilusc - Beryl Canary, Lyrilusc - Celestine Wagtail, Lyrilusc - Cobalt Sparrow, Lyrilusc - Ensemblue Robin, Lyrilusc - Independent Nightingale, Lyrilusc - Promenade Thrush, Lyrilusc - Recital Starling, Lyrilusc - Sapphire Swallow, and Lyrilusc - Turquoise Warbler with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Jenna: And Icky Vicky has some nerve trying to kill them, that kid-hating rage-crazy she-demon is just making things much worse for herself.

Serena Logan: I always knew that she demon was nothing but fucking trouble, but just like Flip and the other jerks, she's just making things worse for herself.

Rarity: And trying to kill Lyrilusc - Assembled Nightingale, Lyrilusc - Beryl Canary, Lyrilusc - Celestine Wagtail, Lyrilusc - Cobalt Sparrow, Lyrilusc - Ensemblue Robin, Lyrilusc - Independent Nightingale, Lyrilusc - Promenade Thrush, Lyrilusc - Recital Starling, Lyrilusc - Sapphire Swallow, and Lyrilusc - Turquoise Warbler, now that repulsive ape is really going to get it.

Suddenly, we heard Icky Vicky scream and roar with extreme hatred and rage, and now, the bubble butt monster has officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, bitch!

Nico: Even after we've kicked her miserable hide, that fire-breathing she-dragon still refuse to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

---

Later in the simulator it was time for another Super Mario Galaxy adventure.

Nico: Lola, you, Lexx, and Lea are with me this time:

Lola: Where are we going this time?

Nico: To the Good Egg Galaxy again and we're going to battle King Kaliente.

Nicole: Ooh that one is hot!

Lea: It sure is!

Nico: Yep.

Lola: Yeah.

Nico: Lets head in.

They went into the simulator.

Nicole got it ready and activated it and they were at Good Egg Galaxy.

Nico: Here we are! Good Egg Galaxy round 2.

Lola: Awesome!

Lexx: Yeah!

Nico: Let's get a move on.

Me: (On the radio) J.D. to Nico you are clear for launch.

Nico: Copy that!

They then got ready and then…

ZOOM!

They launched themselves.

Nico: YEAH!

Lola: WEEEEEEEE!

Lea: So fun!

They landed next to a pool of lava!

Nico: Hot, ain't it?

Lea: I like it.

Lexx: Me too.

But then the lava started bubbling. Then a figure came out and it was a lava octopus creature! It was KING KALIENTE!

---

King Kaliente is fought as a boss in the Good Egg Galaxy and Bowser Jr.'s Lava Reactor. He resides in lava and has a crown, a pair of blue eyes and a white moustache. King Kaliente uses fireballs as his primary choice of attack. He can also shoot coconuts, summon bouncing blue Lava Bubbles, and release meteors from the sky. King Kaliente must be damaged by his deflected coconuts. Three direct hits instantly defeats King Kaliente.

King Kaliente returns in the sequel Super Mario Galaxy 2 as a boss along with other bosses from the previous game. He is the second boss encountered and fought in Boss Blitz Galaxy.

Nico: WHOA! King Kaliente!

Lola: This is gonna be hot!

Nico: Yep.

Nicole: (On the radio) He's going to throw fruit at you so hit that him with those 3 times.

Nico: (gets out Absorbing Man and Girder's Ridewatches) Lea, how about you and I start things off?

Lea: You got it!

Nico activated the ridewatches and he turned into pure fire and Lea and Nico fired waves of fire and blasted him all over.

Lola: YEAH! Try this!

Lola and Lexx fired waves of fire and blasted him all over!

He threw a coconut at Nico and Nico then kicked it and bashed him in the head!

BLANG!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH A COCONUT!

Nicole: Nice one! 2 more times! Watch out for the fireballs guys.

Kaliente shot out 3 fireballs.

Nico fired fireballs and blasted them back with them and smashed him all over.

He threw another coconut and Lea kicked it and bashed him a 2nd time!

Nico: Take that!

King Kaliente got very angry after his crown falls and sinks into the lava, and unleashes a big roar of wind, blowing the lava around and sprouting small Lava Bubbles.

Me: WHOA! Now he is mad!

Qin: Uh oh!

Me: Look!

We saw a Ribombee appear!

Me: A Ribombee.

Nico: Hey a Ribombee!

Lola: Awesome!

Ribombee: (In a girls voice) Take this you hot slab of calamari!

She fired a blast of energy and smashed Kaliente down.

Nico: WHOA! Heidi Reynolds!

Ribombee: Awesome to see you

Lola: Me and Lexx will do it!

Lexx: YEAH!

Then Kaliente threw a coconut and then Lexx and Lola kicked it and bashed him on the head and knocked out!

Me: BULLSEYE!

Qin: Take that!

Xenia: Oh yeah!

Camie: YEAH!

Nico: YEAH!

Heidi Reynolds reverted back and she was a girl with blond hair, blue eyes and had yellow clothes and yellow butterfly wings!

Heidi Reynolds: That was so awesome!

They high five!

A Power Star appeared.

Nico: A Power Star!

Lola: I got it.

She and Lexx caught it!

YOU GOT A STAR!

Lola and Lexx: YAHOO!

Heidi Reynolds: YEAH!

Nico: AWESOME!

Lea: That was so fun! Heidi what is your favorite memory of Nico?

Heidi Reynolds: When me and Nico both won the Friends of Cuteness pageant. Years ago we were the both so cute together.

Lola: I didn't know about that Nico.

Nico: (LAUGHS) (Blushes) I was only six back then. But yeah we were both cuties.

Qin: I remember that pageant. It was awesome.

Me: That is awesome.

May: Aww. So adorable.

Maria: Yeah.

Nico and Heidi hugged.

Nico: I've missed you.

Heidi Reynolds: Me too Nico. Me too.

Later the Mascots were in the kitchen.

Rarity came in to the kitchen and saw the mascots making something in the oven.

Rarity: What are you making, darlings?

Poromon: Cookies for all of us.

Rarity: Oh that sounds delightful darlings.

Poliwag: Thanks Rarity.

Manaphy: It will be awesome too.

Horsea: Yep.

Later Poromon and the mascots came with their cookies.

Poromon: We made cookies for you guys.

Nico: Ooh those look great guys.

Sweetie Belle: (deadpans) They have beer in them, don't they?

Poromon: EW! No way. These are Buffalo Chicken cookies.

Billy: Buffalo Chicken! (DROOLS)

Me: I'll try one.

I went and tried one and I took a bite and man was it good!

Me: MMM! Really delicious! Ooh spicy and tasty!

Nico tried one and it was good.

Nico: MMM! Delicious!

We all tried them and man it was awesome!

Cybertron Crumplezone: These are delicious!

Poromon: Thanks guys! Glad you like them.

Rainbow Dash: MMM! They sure are awesome!

Nico: (LAUGHS) Billy was drooling over them too.

Lola: (LAUGHS) He did say he likes Buffalo Chicken cookies.

Nico: That is awesome that you guys made these.

Poromon: It was Billy who gave us this idea.

Billy: I thought it was a good one.

Camie: But they are great.

?: Boy do those cookies smell great!

We saw a Lycanroc!

Me: Cool a Lycanroc!

Nico: Awesome!

Lycanroc: (In a girls voice) (British Accent) Those are delicious from the way they smell.

Nico: Emily Lupin! Whoa!

Hermione: (British Accent) Are you related to…

Lycanroc: I sure am. Professor Remus Lupin is my father.

Nico: That is amazing.

She reverted back and she was a girl that had blue hair and had blue fur and a blue crescent moon in the middle of her forehead and she had blue glowing slit eyes and had blue wolf ears on her head and she had blue clothes with the Ravenclaw House emblem on her skirt and she had a blue tail and had blue claws and had blue angel wings.

Emily Lupin: But it's great to see you again Nico.

Nico: Same here.

Me: So you're a werewolf yourself?

Emily Lupin: I sure am.

Freeway: What's your favorite memory of Nico?

Emily Lupin: When me and Nico found a meat smuggling operation and we destroyed them. And of course I ended up eating all the meat.

Nico: After I cooked it for her.

Qin: Boy that is crazy. What would all those criminals want with all that meat?

Me: Black Market money. Who knows.

Nico: Yeah.

Nico and Emily hugged.

Nico: I've really missed you.

Emily Lupin: Me too Nico. Me too.

Apple White and the girls of Ever After High and the Dragon Knight Riders came.

Freon: (to Apple White and Kit) I want to thank you two and your teams for coming

Kit: It's our pleasure. It'll be awesome helping you guys.

Apple White: Yeah this will be so fun.

Raven Queen: It sure will.

Len: Boy this is amazing that you guys live up here. And you weren't kidding about the view of the planet.

Kase: I told you guys that it was awesome.

Me: Yep.

Then the Previous Group came.

Eris: Can me, Stinky Butt, Anti-Wanda, Cavalier, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff go with you guys?

Nico: You sure can and this will be fun.

Xenia: Yep.

Fisticuffs: Nico, which Gene Slammers do you think you'll meet next?

Nico: Toxapex and Mudsdale.

Qin: Nice!

Lola: Yeah!

Xenia: This will be good.

Qin: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was Miss Harridan, the main antagonist of the 2003 comedy film Daddy Day Care and former headmistress of the Chapman Academy, and she's here for revenge on Charlie Hinton. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, everyone, we've got trouble. I just had a vision and I saw who it was that we're going to face today: it was Miss Harridan, the main antagonist of the 2003 comedy film Daddy Day Care and former headmistress of the Chapman Academy, and she's here for revenge on Charlie Hinton.

Me: That former headmistress who ran that academy like a military school's back?! Looks like we need to teach that manipulative, aristocratic, sabotaging loser a lesson again.

Nico: Yeah, she failed in trying to ruin Daddy Day Care, and she refuses to learn her lesson. Looks like she's heading right for prison.

Lincoln: You got that right.

Nico: First we'll watch the movie and then we'll get ready.

Xenia: All right then.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Amok Mon-Ra, a very powerful and ancient demonic being said to be malevolence incarnate and therefore completely unreasonable, and another of Aladdin's enemies, and he's back for revenge on Aladdin. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something you're not going to like, Aladdin: the dark energy signal and the figure we sensed belongs to Amok Mon-Ra, a very powerful and an ancient demonic being said to be malevolence incarnate and therefore completely unreasonable, and another of your enemies, and he's back for revenge on you.

Aladdin: Oh man, not him.

Iago: That foul-tempered demon's at it again?! That's it, someone needs to send him packing straight to Oblivion!

Hana Beautyflower: (French Accent) That'll be left to me and Lincoln.

Lincoln: Since we're dealing with someone who's said to be Malevolence Incarnate, there's no doubt he has tons of negative energy in him since ancient times, and like what you did with HIM, J.D., I'm going to suck out and absorb every last bit of negative energy along with his powers.

Me: Yeah, now you're talking.

Nico: He'll regret ever coming back again for revenge. Alright, gang, let's go, since Miss Harridan refused to learn her lesson the first time, it looks like we've got no choice but to take her down.

Lincoln: And send her straight to prison for good, and once we get done taking down Miss. Harridan, you're next, Amok Mon-Ra.

Hana Beautyflower: (French Accent) There shall be no mercy for you, Amok Mon-Ra, your days of causing havoc shall soon be brought to an end once and for all.

Nico: Yeah. First lets watch the movie.

Maria: I'll get the popcorn.

We got to watching the movie and it was REALLY FUNNY!

---

Charlie Hinton is a market executive at a local food company. He and his wife Kim had just enrolled their son Ben into Chapman Academy, an over academic preschool held by the haughty Gwyneth Harridan. However, on the day they enrolled him, Charlie and his best friend, Phil Ryerson, find themselves (along with 300 others) fired when their boss, CEO Jim Fields, shuts down the company's entire health division due to children disliking new, healthy breakfast cereals made from vegetables. Charlie then breaks the news to Kim and Ben at dinner who tell him to get a new job.

While Kim supports the family by returning to work as a lawyer, Charlie, after six weeks of job hunting and finding nothing, is forced by the bank to take Ben out of Chapman. Unable to find a satisfactory alternative (one place was in a trailer park with a sickly woman, one had a place keeping the kids in the basement, and the last place was surrounded by police), Charlie opens a daycare center in his home with the help of Phil, calling it "Daddy Day Care". Although local parents are suspicious of men working with kids, a few choose their service as it's more affordable and child-based.

Charlie and Phil open with a few children, struggling at first with chaos, and some personal issues. Angered at the competition while losing children to them, Harridan attempts to shut them down, notifying child services of the new daycare. Charlie and Phil find themselves rectifying problems pointed out by Dan Kubitz, a director of child services, to ensure their daycare is suitable for children, including hiring their former colleague Marvin as an additional care provider. In time, they slowly begin to enjoy running Daddy Day Care, which grows in popularity, and bonding with the kids, with Charlie delighted to see Ben enjoying himself, and having a good time.

When Kubitz points out the house cannot accommodate the number of children they have, he suggests that they remove two kids or find a permanent facility somewhere in town. Not wanting to remove any of the children, Charlie chooses the latter option. Marvin quickly mentions he knows of a building with potential, but they cannot afford it. They decide to hold a fundraising children's festival called "Rock for Daddy Day Care" to raise the necessary capital. However, Harridan learns of the event and sabotages it with help from her hesitant assistant Jennifer by deflating the bounce house, releasing the animals from the petting zoo, replacing the face paint with glue, putting cockroaches in the food, letting the goats eat the pies, and bribing the groundskeeper of the park to let the sprinklers run for two hours, soaking everyone and making everyone leave the festival. As a result, Charlie and Phil do not have the money to pay for the building.

At the same time, Jim offers Charlie and Phil their old jobs back at double their salaries, letting them run the whole health division, having decided to rehire him after acting on an earlier idea of his (which he had sarcastically given). Harridan also offers to take in their children for a more affordable price if Daddy Day Care should shut down. Charlie and Phil reluctantly accept the offer, leaving Marvin heartbroken and refusing to join them. Ben is also disappointed when Charlie tells him he has to go back to Chapman tomorrow. The next day, at the marketing meeting, Charlie questions his decision after he realizes the impact Daddy Day Care has had on Ben and the other children. Deciding that Ben is the most important thing to him, he quits. Convincing Phil to quit with him and re-open Daddy Day Care, and informing Marvin of their plans, Charlie confronts Harridan during a student orientation and reveals to the parents in attendance how little she cares about their children. After mentioning how much Daddy Day Care changed and helped the children, Charlie declares that Daddy Day Care is reopened and convinces the parents to go back there, forcing Chapman to go out of business for good.

Six months later, the daycare manages to buy the building it needs to expand and prospers, with Charlie and Phil now successful, Jennifer now working for the center, and Marvin entering a relationship with one of the children's mothers. With Chapman no more, Harridan is forced to work as a crossing guard.

---

When it was done we were laughing hysterically!

Qin: (LAUGHS) SO FUNNY!

Anti Wanda: That was a good movie, ya'll!

Nico: Yeah it was!

Eli: So our target is Ms. Harridan.

Qin: Yep.

Me: Lets see.

I pulled up her history.

---

Miss Gwyneth Harridan is the main antagonist of the 2003 comedy film Daddy Day Care. She was the headmistress of the Chapman Academy, a preschool she supervises in a fashion similar to a military school. She is also Charlie Hinton's arch-rival.

She was portrayed by Anjelica Huston, who also played Miss Emily in the 1983 PBS adaptation of William Faulkner's "A Rose for Emily," the Supreme Leader in the 1986 3D film and former theme park attraction Captain Eo, the Grand High Witch in the 1990 film The

Witches, Gothel in Barbie as Rapunzel, and Miss Battle-Axe in the film adaptation of Horrid Henry.

Charlie Hinton is a recently laid-off food products marketing executive and stay-at-home father whose wife Kim has just gone back to work as a lawyer. They enroll their child, Ben in Chapman Academy, a very academic pre-school headed by Miss Gwyneth Harridan. But when Kim finds out how much the parents have to pay per month, she takes Ben out of Chapman and looks for other daycare facilities. Unable to find either a suitable daycare or new employment, Hinton opens up a day care center in his home with the help of his best friend Phil Ryerson and calls it Daddy Day Care. At first, the local moms are suspicious of men wanting to work with children, but as Daddy Day Care is cheaper and more child-centered than the academy, the latter begins to lose students.

Unwilling to accept the presence of competition, Miss Harridan attempts to shut down Daddy Day Care by notifying child services that Charlie and Phil are not following the relevant regulations. Mr. Kubitz, a director of child services, notifies them of the codes that need to be fixed, which Charlie and Phil quickly correct. Daddy Day Care grows in popularity and attracts more children. Mr. Kubitz informs Phil and Charlie that they need another employee to keep an appropriate ratio of children to caregivers. Luckily, Marvin, a nerdy former co-worker, had dropped by, and after seeing how good he is at entertaining the children, Phil and Charlie ask him about joining. Marvin is unsure at first, but then finds himself falling for Kelli, the single mother of one of the children, and agrees.

Later, Mr. Kubitz tells them they have too many kids to stay at Charlie's residence. They find an abandoned building with potential, but do not have the money to buy it. They hold a fund-raising event called "Rock for Daddy Day Care", which Miss Harridan finds out about. Miss Harridan and her assistant Jenny wreck the festival by unplugging a bouncy castle, filling the food with cockroaches, switching face paint with glue, releasing animals from the petting zoo and turning on the park sprinklers. Daddy Day Care does not raise enough money. Shortly after, Charlie and Phil are offered their old jobs back, accepting Miss Harridan's offer to take the kids back to the academy. Marvin, heartbroken by the closing of the day care, declines Charlie and Phil's offer to be on board their marketing panel.

Charlie soon realizes during a cereal pitch that the time he has given to his new life, and the increased bond with his son is "the most important thing", and starts to question the morality of his current assignment (which involves marketing high-sugar breakfast cereal to children). He resigns his job, and successfully convinces the children and their parents to return to Daddy Day Care, making it a raging success, causing Chapman Academy to shut down. Marvin is now in a relationship with Kelli. Miss Harridan now takes a job as a crossing guard, and her former assistant, Jenny, joins Daddy Day Care at the new facility. Harridan is then ambushed by bees (due to a flower Crispin placed on her vest) as the film ends. It was presumed she was taken to hospital for medical treatment after getting stung by a swarm of bees.

---

When it was done we were shocked!

Nico: Since she doesn't have any powers or essentially has done any violent offenses she will just get community service.

Qin: Good idea.

Nico: Let's get going.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to help Charlie Hinton take down Miss Harridan, and once we got done taking her down and sending her straight to prison, Lincoln and Hana Beautyflower are going to destroy Amok Mon-Ra and put an end to that malevolent ancient demonic being once and for all.

---

We were off. Surprisingly we found out that Daddy Day Care is located in the southwestern edge of the city.

We arrived and it was an awesome one.

Xenia: Here we are.

Me: Wow. Nice place.

Courtney: Reminds me of the day care center Chef has.

Nico: Shall we?

Me: Lets shall.

We went in.

We saw Charlie and Marvin and Jennifer and they were taking care of all sorts of amazing kids.

Me: Wow! This is amazing.

Xenia: Oh the kids are all so cute.

Qin: They sure are.

Max: Team Loud Phoenix Storm!

Jenny: Awesome!

Tony: Wow!

Me: Hello kids!

Charlie: Wow! It's awesome to have you all here.

Marvin: Yeah it sure is.

Me: Awesome to be here and an honor.

Hood Sickle: You must be Max.

Max: I sure am. (LOUD FARTS)

Me: A little gassy aren't you.

Max: I sure am. (LOUD FART!)

We laughed.

Tony drank some water and then…

LOUD BELCH!

He belched bubbles!

Qin: Oops!

Raven Branwen: Hey, Flash. Tony's dressed up like you!

Flash: He sure is. I like your costume kid.

Tony: Thanks Flash. You're my hero.

Flash: I'm truly honored.

Max was farting hard.

Max: (LOUD FARTS)

Qin: Geez Max you sure are gassy.

Max: I know. I have 2 Stomachs.

Omaima Lexington: You have what's called Calabash Syndrome. (LOUD FART) I fart all the time too.

Me: (LAUGHS) We have a lot of gas problems.

LOUD FART TOOT!

We laughed!

Tony: Honestly, I don't care if you guys kill scumbags or not. You're still heroes to me.

Mokuba: Aww. Thanks.

Me: That means a lot guys. (Imitating Yosemite Sam) We are the roughest toughest he-man stuffest hombres that has ever crossed the Rio Grande!

They laughed!

Jenny: (LAUGHS) That was good!

Lola: Yeah that was awesome!

2016 Morbucks: Who wants the cookies the mascots made?

The mascots got them out.

Kids: COOKIES!

They grabbed the cookies and ate them and they were good.

Me: Buffalo Chicken cookies.

Jenny: Yummy! I love spicy food.

Me: You have good taste Jenny.

Kelli: It sure is awesome. We love all your adventure.

Max: We sure do. (LOUD FARTS)

Xenia: Yeah.

Me: (Imitating Elmer Fudd) Shh. Be vewy vewy quiet. I'm hunting wabbits. (LAUGHS)

They laughed!

Lincoln: (LAUGHS) (Imitating Foghorn Leghorn) What's the, I say, What's the big idea wrapping a lariat around my Adams Apple!

Poliwag: And now, here are some drinks.

The mascots brought out 10 bottles of beer.

Sour Sweet: (laughs) I knew they were gonna do that!

Nico: (LAUGHS) That is funny!

Me: But Poliwag these are kids and they can't drink. Luckily I have the next best thing.

I pulled out my cooler and brought out root beer.

Me: Want some kids?

They cheered.

We gave them root beer.

Artie Ziff: So, who loves dinosaurs?

The kids cheered.

Me: You kids have ever been to our awesome zoo Paleozoic World?

Max: I have and it's fun. (LOUD FART)

We laughed.

Me: But that's good. Do you like it?

Max: I sure do. It's awesome.

Pam: You guys should visit there sometime.

Jenny: We will.

Qin: Awesome.

Woody Woodpecker: As long as you don't run into someone like Ms. Meany.

Jenny: Who is she?

Woody Woodpecker: A really nasty tempered woman. With a really nasty mood. (LAUGHS)

Qin: Yep.

Professor XXXL: She's got a nasty temper.

Charlie: Like a certain woman I know.

Me: Oh speaking of which. That's reason why we are here. We're here to help you guys bring down Miss Gwyneth Harridan.

Nico: Yeah she is coming here to bring you guys down.

Charlie, Marvin and the kids gasped!

LOUD WET FART!

Max crapped himself!

Magma: But we won't let that happen!

Nico: Yeah.

Qin: Yeah that will not end well for him.

Me: Luckily I have a plan to get Harridan to really suffer. (SINISTER CHUCKLE)

Nico: What is it?

Me: Oh you're going to like it.

Condiment King: Will it involve spraying her eyes?

Me: Nope. Worse. No spoilers. But I will say that it involves Ms. Meany and a little note I sent to her just a few minutes ago.

But then…

ENRAGED LOUD SCREAMING!

Me: And Ms. Meany got it now.

Ghuul: J.D., what DID you put on that note?

Me: Stuff that's too explicit for me to repeat especially around these kids.

Ghuul: Oh sorry.

Qin: This will be funny.

Me: Ghuul?

I beckoned him and whispered in his ear and told him what the note said and he gasped and then fainted.

FWOMP!

Tony: What was on that note?

Charlie: You guys will know when you're older.

Tony: But…

Mammoth: When you're older!

Me: Mammoth gently. We'll tell you kids when the time comes.

Tony: Okay then.

Camie: Good.

Nico: Anyway lets get ready for this.

Tempest Shadow: For our plan to work, we need to have Ms Meany come at the same time.

Me: Oh that you can count on. Meany is no doubt coming.

Qin: Yep.

And sure enough she is! LIKE A NASTY RAMPAGING BULL, HER FACE IS RED AND SHE WAS REALLY ENRAGED AS SHE WAS RUNNING TO THE CITY AND SHE WAS RUNNING FAST AND COMPLETELY OUT OF HER MIND LIKE A BALLISTIC NUTJOB! SHE WAS LEAVING A TRAIL OF FIRE AS SHE WAS RUNNING!

Ms. MEANY: (ENRAGED YELLING AND SCREAMING) I WILL KILL YOU! I WILL KILL YOU! I WILLL KILLLLLL YOOOOOOOOUUU! YOU ARE DEAD!

HOLY FUCKING SHIT WAS SHE OUT OF HER FUCKING MIND!

Cavalier: It seems our other… guest is coming too.

Eli: Yep I sense her.

Qin: Kids you are going to be in for an awesome show.

Max; This will be fun.

LOUD FART!

He farted.

Nico: Yep.

Me: Entrance time?

Tania: Now more then ever?

Valon: (Australian Accent) Right mate!

Eli: I sense that she is right outside.

Nico: Lets go.

We went to face her.

---

Gwyneth Harridan Was walking to the daycare.

Harridan: Now I can reclaim what is mine.

Then the spirits of the kids swirled around her and then converged and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard and we landed.

Nico: Afternoon Harridan. Nice day we're having.

Harridan: Team Loud Phoenix Storm. What a pleasant surprise.

Nico: We aim to please.

Harridan: Step aside and this will all go smoothly

Stinky Butt: We can't do that.

Charlie: Besides, you're about to be VERY busy.

Harridan: What do you mean?

Then Ms. Meany came and she saw Harridan and was growling like a REALLY FEROCIOUSLY RABID BEAST!

Ms. Meany: I WILL RIP YOU TO PIECES!

She jumped Harridan and then bashed and pulverized her in a brutal and ferocious beatdown!

EXTREMELY MASSIVE AND BRUTAL BEATDOWN!

POW WHAM SMASH BIFF WHOMP BLANG CHOMP WKROW BASH!

It was brutal!

Like with the Vengeance Express 6 pulverizing the Ed's except worse!

OOH! Ouch!

Then Gentleman Ghost, Yenaldooshi, Copperhead, Grundy, Speed Demon, Femme Fatale, Titanium Toenail, Mysterio, Brass Knuckles and Robo Roxy came.

Nico: Gentleman Ghost, Yenaldooshi, Copperhead, Grundy, Speed Demon, Femme Fatale, Titanium Toenail, Mysterio, Brass Knuckles and Robo Roxy.

Gentleman Ghost: That was a very clever trick.

Yenaldoshi: As long as no one blurts out the truth.

Copperhead: My fangs are sealed.

Me: Good.

Grundy: (to Nico) Grundy heard you went to park.

Nico: We sure did.

Speed Demon: But what else did you do?

Me: I unleashed my full power and destroyed Evil Chase Young.

Qin: Yep he sure did.

Lola: And we found out something really horrible about Chase and what he did to us.

?: That must've been brutal.

A figure came out and it was GOLD BEAKED MONSTER from episode 6 of Lightspeed Rescue!

* * *

The Gold-Beaked Monster was sent by demons to Mariner Bay to wreck havoc. When the Lightspeed Rescue Rangers arrived, he summoned an army of Batlings to attack them.

After the Rangers defeated all of the Batlings, he attacked the Rangers with powerful winds, but it was not enough and the Gold Beaked Monster was destroyed by the Rangers' Rescue Blasters.

* * *

Carter: Gold Beaked Monster!

Gold Beaked Monster: Been a while rangers!

Me: I remember you! You were wreaking havoc and the rangers had their awesome new Lightspeed Cycles. That was also where Vypra showed her awesome Vypari.

Nico: Yep.

Gold Beaked Monster: Yep good memory.

Qin: That was awesome.

Gold Beaked Monster: Too bad my role was short!

William: At least you were still shown.

Me: That is true.

Qin: But it was still awesome.

Me: One of these days we should have a battle between Vypra and her Vypari and our cars.

Nico: That would be awesome!

Xenia: Yeah it will be!

Lola: Yep.

We got the battles underway.

---

Gentleman Ghost was first.

Gentleman Ghost: (to Yugi) Nico's rescues were both in the Simulator and in the Park. But Nico probably didn't help much in the simulator.

Yugi Moto: No he had his reasons. J.D. wanted to take on Evil Chase Young all by himself to show off the full extent of his power and destroy that monster.

Papi: Boy he sure did and it was so awesome.

Rhonda Lorrentina: Yeah that was so awesome.

Grief and Solitude agreed.

Mero: You got that right. It was really amazing.

Kit: That is so cool that J.D. destroyed that monster.

Len: It sure was! We all thought so as well.

Kase: It sure was amazing.

Twilight Sparkle: It sure was and it was amazing too.

Starshine Sparkle: We all were amazed ourselves.

Spyro: We sure were.

Eli: Yeah bro really kicked butt and destroyed that horrible monster once and for all.

Gentleman Ghost: I'm glad he did chaps. Lets dance shall we?

Yugi: We shall.

He activated his Eyecon!

PHARAOH KHUFU!

Yugi: HENSHIN!

He turned into his Ghost Rider form and it was an Egyptian themed one. It was called KAMEN RIDER KHUFU!

Gentleman Ghost: Ah Pharaoh Khufu. He lived back in 2589 BC.

Yugi: That's right.

Eli: And his body is buried in the Great Pyramid of Giza. Buried there for over 4,500 years.

Gentleman Ghost: Indeed.

Yugi summoned his keyblade and it was for the Millennium Items. It was called THE 7 POWERS OF EGYPT!

They fired waves of magic and energy and blasted them down.

Aquarius: We found out that the Another Anti AntiBug, Copycat, Gorizilla, Dark Cupid and Platinum Princess were the gene-slammer of the Constellar monsters and one of Lincoln's guardian angels.

Noriko Kaiba: Yeah that was so awesome.

Alex Ramirez: It sure was.

Jake Spidermonkey: It sure was cool and fun.

Adam Lyon: The story of Anna Ares is amazing too.

Nico: Yep. So, Anna, what's the story on how you took down Lynn?

Anna Ares: I was hoping you were going to ask that, Nico.

Anna Ares pulled up a video and it played on the screen, and it showed Anna and Lincoln training with massive greatswords out in an open field in their gym, and they were really training hard.

Past Anna Ares: You've really been training hard with your sword techniques, Lincoln.

Past Lincoln: I've had a lot of practice, Anna.

BBBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUUUUUURRRRRR

Past Anna Ares: What the hell was that?! (Sniffs) Ugh, and why does it smell like chum and limburger cheese along with rancid feet and B.O.?!

Past Lincoln: Oh no! Dang it, Lynn!

Past Anna Ares: That wild animal's at it yet again?!

Suddenly, they saw something heading for them on all fours: it was Lynn, and she was in Full Beast Mode, and she was out for blood.

Past Lynn: (ROARS LIKE AN ANIMAL)

Past Lincoln: Every single time whenever I wanted to enjoy my day and be with my Guardian Angels, every time, you show up to ruin it, Lynn! That's it, I've had it up to hear with you!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer and his claws grew sharper. But, then, Lincoln's upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON MY GUARDIAN ANGELS, YOU FILTHY ANIMAL! (WOLF ROAR)

Nico: Oh… Shit!

Me: Lynn was so dead meat on a stick that day!

Lincoln let the beast out in him and Lynn charged at Lincoln, but Lincoln grabbed her by the collar of her jersey and lifted Lynn up off the ground with such superhuman strength and he threw her into a tree, and he attacked her with a dangerous ferocity, and he and Anna blasted her with and she got covered in fruit juice and they also pounced on and kicked the tar out of that old goat, and they also pounced on and kicked the tar out of that animal and Lincoln fired red energy waves from his massive white angel wings and tied with blood red energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn tried to do to him and Anna, they were really furious, and then, Lincoln and Anna dragged Lynn back to The Loud House where she got grounded for twelve weeks and Anna had the pleasure of throwing Lynn in a metal container.

Past Lynn: (ROARS IN RAGE AND POUNDED ON THE DOOR TRYING TO GET OUT)

Past Anna Ares: I'm only going to say this once, if you ever come after Lincoln again or if I see so much as one knife wound or bruise on his body, I will come after you and I will kill you. I don't know why you always do this, Lynn, you were supposed to be his protector, but instead, you became his tormentor and bully, and don't think I don't know about every single stupid stunt you've pulled out of your butt.

This was making Lynn really angry. But, what Anna said next really drove Lynn mad with animalistic rage.

Past Anna Ares: You claim to be Number One, but in reality, you're not. You lack the courage and the skills of a true warrior and a true athlete. You're nothing more than a wild animal who enjoys going on a violent rampage brutally beating everyone around you to a bloody pulp including your little brother, your own family, and friends.

Then, Anna gave Lynn the finger through the finger, and that made Lynn roar in anger again and beat her chest like a gorilla proving Anna's point that she lacked the skills and courage of a true warrior, that she was nothing more than a violent wild animal as the video ends.

Nico: Damn, now that really stung!

Lincoln: Anna knew it would hurt Lynn, but she had to make her point across: but with Lynn, it went from one ear and out the other.

Luna: She was always so hard-headed and stubborn, she refused to let up on trying to kill you, bro.

Lori: But, Anna warned her numerous times: if she puts one foot out of line and goes after Lincoln yet again, she was done for.

Me: And there'd be one less sister in The Loud House.

Hana Beautyflower: (French Accent) Amok Mon-Ra, I will never ever forgive you for any of the crimes that you've committed against mankind and Agrabah. All you ever desired was to conquer Agrabah and not only rule over it with an iron fist, but you also had plans to unleash a reign of never-ending terror on all of mankind, but that ends here and now, your life shall be brought to an end here and now.

Suddenly, Hana Beautyflower was surrounded by a massive vortex of neon pink energy with stars, plants, leaves, exotic fruits and veggies, and blossoms surrounding the vortex, there are angels, phoenixes, and Periallis, Empress of Blossoms flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Amok Mon-Ra: the red eyes of eternal death. Then, as the vortex faded, Hana Beautyflower emerged, but she was changed forever.

Hana Beautyflower grew from 6'5" to 7'5" in height, she has the body of a goddess, she has yellow highlights in the bangs of her long neon pink hair, she has neon pink eyes and a pink energy aura with stars, plants, leaves, exotic fruits and veggies, angels, and phoenixes surrounding her, she has Periallis, Empress of Blossoms emblazoned on her forehead and Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and holding the Fruit, Plants, Blossom, and Eternity Kanjis in its claws, she also has

Periallis, Empress of Blossoms with pink gems for eyes and holding the Fruit, Plants, Blossom, and Eternity Kanjis in her hands for the second pendant on the bottom of her pink phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Hana Beautyflower has on a sleeveless pink open vest, sleeveless yellow crop top, pink skirt, pink pants, black high-heels, and long sleeveless white trenchcoat with stars, plants, leaves, exotic fruits and veggies, angels, and phoenixes on the coattails, and on the back is Periallis, Empress of Blossoms surrounded by stars, plants, leaves, exotic fruits and veggies, angels, and phoenixes. Suddenly, Hana Beautyflower felt a sharp pain on her back, and then, her massive neon pink angel wings with yellow tips on the neon pink feathers grew much bigger for her new body, and she also now has eleven massive and long neon pink wolf tails with yellow tips and yellow markings, Hana Beautyflower has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Hana Beautyflower's Periallis, Empress of Blossoms-themed greatsword, and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink energy, stars, plants, leaves, exotic fruits and veggies, angels, and phoenixes, and when it emerged, it was transformed into Hana Beautyflower's Periallis, Empress of Blossoms Exotic Fruit Blossom Greatsword of Exotic Fruit Blossom Justice, it's a brand-new massive greatsword with embedded yellow gems and Periallis, Empress of Blossoms etched on the 7'4" massive, wide, double-edged pink blade, large pink phoenix heads with yellow gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large pink gems embedded in the foreheads, longer midnight black handle, four large pink phoenix heads with yellow gems for eyes and on the bottom of the large pink phoenix heads is a pink dragon head with yellow gems for eyes and pink gem in its mouth for the pommel, Hana Beautyflower has on her large gold cuff Bracers of The Champions of The

There's a pink kanji below Periallis, Empress of Blossoms that said, "Hana Beautyflower, Gene-Slammer of Periallis, Empress of Blossoms, Incredible Gardener and Jam-Maker From France, Younger Sister of Nico Robin, Despiser of Amy, Guardian Angel and Loving Future Wife of Lincoln Loud, Despiser of Royal Woods' Jerks, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Exotic Fruits and Veggies, Plants, Leaves, Blossoms, Phoenixes, and Angels"

We were amazed by Hana Beautyflower's Super Angel-Periallis Empress of Blossoms-Fruit Angel-Phoenix-Harmony Universal

Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Amok Mon-Ra saw it, the malevolent demonic being fell into an even more demonic rage and threw a ball of fire at her, but Hana absorbed it and it made her even stronger than ever, and she fired a powerful barrage of pink energy, stars, plants, leaves, exotic fruits and veggies, angels, and phoenixes at Amok Mon-Ra, and they exploded as they hit him, and he got burned by the positive energy, and it really infuriated him now.

Nico Robin: So incredible, Hana's transformed!

Nico: And those energy blasts she fired at Amok Mon-Ra contained positive energy, and to Amok Mon-Ra, it's acid to him.

Lincoln: Amok Mon-Ra badly underestimated his opponent, and now, you know what happens when to those who badly underestimate their opponents?

Hana Beautyflower: (Divine Godly Cosmic Voice of The Exotic Fruit Earth Fury Periallis Blossom Angel and Divine Exotic Fruit Plant Blossom Periallis Blossom Fruit Angel Love) (French Accent) It doesn't end well for them. Now, let's put an end to this monster for good, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Hana Beautyflower.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic

Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of bringing terror to Agrabah and all of mankind are over, Amok Mon-Ra, and now, it's time for you to disappear forever!

Hana Beautyflower and Lincoln went after Amok Mon-Ra who continued firing blasts of fire at them, but Hana and Lincoln continued absorbing the blasts of fire and it made them even stronger than ever and making Amok Mon-Ra even angrier than ever, and they fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Amok Mon-Ra and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Hana Beautyflower also attacked him with punches, kicks, and karate chops, along with elemental blasts. Then, Lincoln drove his massive greatsword into Amok Mon-Ra's stomach, and he began sucking out his vast dark powers, immense strength, pyrokinesis, flight, teleportation, and ability to turn into smoke and fire at will, and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf

Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to make sure you stay dead and gone for good. LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Amok Mon-Ra of all his life energy and sucking out his muscle mass, and when he was done and he removed his massive greatsword from his stomach, Amok Mon-Ra was now a desiccated corpse drained of his powers, muscle mass, and life energy, and as soon as his soul appeared, Lincoln threw him in a black energy coffin which banished him to The Black Gates forever. We cheered wildly for what Hana Beautyflower and Lincoln did as they holstered their weapons and powered down, and Hana Beautyflower's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, and massive pink angel wings are permanent.

Hana Beautyflower: (French Accent) The suffering you've caused for years has finally been brought to an end, Amok Mon-Ra, may you never return. Thanks for helping me destroy Amok Mon-Ra for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Hana.

Suddenly, Hana Beautyflower wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hana Beautyflower's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, and Periallis, Empress of Blossoms flying in the air, and we saw a herd of Buffalo and many animals running across the field, and a beautiful and lush rainforest full of exotic fruits, trees, and veggies formed around them, and we cheered wildly. Then, Lincoln and Hana Beautyflower harvested the exotic fruits and veggies and they absorbed the lush and beautiful rainforest and elemental forces and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome and incredible fight of Exotic Blossoms VS. Demonic Tyrant, Lincoln, Hana, you two showed Amok Mon-Ra no mercy, and Lincoln, that was one slick move driving your greatsword into his stomach and then sucking out all his vast dark powers, immense strength, and abilities, and making them your own, and that black coffin we just saw, that was…?!

Lincoln: My own variation of The Black Gates, I call it The Black Judgement Coffin, once I used either my Vampiric Life Drain or Life Energy Drain on any powerful opponents, I then throw their soul into a coffin formed by the energy of The Black Gates, and once they're found guilty, the coffin dissolves into black flame and the guilty are banished to The Black Gates.

Me: Sweet.

Nico: We should've done something like that for Audrey Madison or The Legion of The Lincoln Haters, imagine the looks of horror on the faces of those bitches, that would be priceless. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, and it's one the musicians and poets of the team will like seeing, the next one we're meeting tomorrow is Ashley Apollo, Daughter of Apollo, Greek God of Archery, Music, Dance, Truth, Prophecy, Healing, Diseases, The Sun, Light, and Poetry.

Me: Whoa! Now, that's really awesome!

Selene Emperyous: You got that right. Ashley Apollo is Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Archery, Music, Dance, Truth, Prophecy, Healing, Diseases, The Sun, Light, and Poetry, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Luna and Lucy, and Ashley and Lincoln helped Luna with her music and Ashley is a natural when it comes to playing on the lyre, and Ashley helped in teaching Lincoln everything she knows about archery, music, dance, and poetry, and she also helped Lucy with her poems. Lincoln made Ashley a beautiful necklace with blue gem for the pendant, along with a white short-sleeved blouse, blue sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Ashley kissed Lincoln on the lips as beautiful music played behind them, and it was truly beautiful, and she really hates that delusional, crybaby, no talent hack bitch, Tanya Anyanova with a bloody passion, because Tanya absolutely hated Ashley for always defending Lincoln whenever she tried to kill him and Anna for "ruining her fame and glory", and the same went with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Ashley everything about what that bitch has done to her little sister, Anna Anyanova, and one time when Ashley and Lincoln were doing some singing practice with Anna Anyanova, that bitch, Tanya, had broken out of the nuthouse and she was out to kill Lincoln yet again along with Anna and Ashley, that was until Lincoln let loose the beast inside him and he viciously attacked that bitch with a dangerous ferocity, and he, Ashley, and Anna blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that bitch up in a red energy straitjacket, and when he alerted the rest of his family of what Tanya Anyanova tried to do to him, Ashley, and Anna, they were really furious at that bitch, especially Lori, and then, Lincoln, Ashley, and Anna furiously gave Tanya a powerful punch that sent her flying right back to the nuthouse, and she ranted and angrily swore revenge and was screaming like crazy, and that warranted the warden to have her put in Solitary Confinement, so no one would have to hear her ugly voice.

Anna Anyanova: Oh man, I remember that day all too well, it was so hilarious, and messing with the Daughter of Apollo is one thing that bitch should've known all too well.

Lincoln: But, it ended in disaster for her.

Raven Ghostrick: Does it ever.

Suddenly, Raven Ghostrick was struck with a vision, and it wasn't good: she saw a group of girls in black vampire hunter clothes, but they were indeed familiar to her and the other Ghostrick Gene-Slammers: it was their old enemies, The Ghostrick Destroyers, a group of fanatical vampire hunters who formed for the sole purpose of destroying them all.

Lincoln: Raven, what's wrong?

Raven Ghostrick: We got big trouble coming our way tomorrow: Ursula, it's them, they've returned.

Ursula Truaigheaingeal: (Scottish Accent) (Gasps) Them, you mean, The Ghostrick Destroyers?! Them, them?!

The Ghostrick Gene-Slammers screamed in fright just like the Louds when Packing Day is declared.

Nico: Whoa! You girls seem to be in quite a huge panic, what's the deal, and who are The Ghostrick Destroyers?

Lincoln: The Ghostrick Destroyers are among the worst group of vampire hunters that The Ghostrick Guardian Angels have ever had the displeasure of knowing. They're a group of fanatical and zealous vampire hunters who formed for the sole purpose of destroying Raven Ghostrick and The Ghostrick Guardian Angels.

We gasped.

Raven Ghostrick: I never thought they'd be back again even after we drove them out of Royal Woods. The leader of The Ghostrick

Destroyers is Audrey Blade, she's the most zealous and fanatical of The Ghostrick Destroyers, and she tried to destroy us all even after that monstrous werewolf killed the parents of Ursula Truaigheaingeal and the rest of The Ghostrick Guardian Angels. She has no remorse nor compassion because she also killed innocent people as well, in our eyes, she's the real monster, a demon with no compassion, no love, no remorse, nor forgiveness or humanity.

Ursula Truaigheaingeal: (Scottish Accent) And the rest of her members are just as fanatical as her, there's her second-in-command, Abigail Callidora.

Tiana Masala: (Scottish Accent) Along with Emily Constantia, Eleanor Cruorem, Amelia Daedalus, Chloe Desikan, Scarlett Dragomir, Maya Drusilla, Ella Edwardson, Emma Eleazar, Charlotte Eliodoro, Luna Enoch, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, Aurelia Karayan, Maeve Kearne, Eloise Kieran, and Ophelia Lazarus.

Eli: Whoa, so we got a group of evil vampire hunters who are out to destroy you all, that's just evil!

Lincoln: But, Audrey Blade, Abigail Callidora, Emily Constantia, Eleanor Cruorem, Amelia Daedalus, Chloe Desikan, Scarlett Dragomir, Maya Drusilla, Ella Edwardson, Emma Eleazar, Charlotte Eliodoro, Luna Enoch, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, Aurelia Karayan, Maeve Kearne, Eloise Kieran, and Ophelia Lazarus made a big mistake coming back. I warned them seven years ago that if I ever saw them in Royal Woods again, I would hunt every last one of them down and drain them dry of every last drop of blood.

Lucy Loud: You did, but they refused to learn their lesson.

Me: So, tomorrow, we got War In Gotham Royal York. The Ghostrick Destroyers are back for revenge, but we're ready to get rid of them all.

Raven Ghostrick: That's right. Ghostrick Destroyers, prepare yourselves. We will destroy every last one of you.

Lincoln: And see to it you never come back to hurt my Ghostrick Guardian Angels ever again!

Femme Fatale: Daddy Day Care's not going anywhere.

Titanium Toenail: And Harridan's getting community service.

Mysterio: I hope you kids liked the show.

Tony: We sure did!

Max: Yeah it was fun!

Brass Knuckles: Time to celebrate!

Charlie: I think I can cook something up!

Me: Cool!

Apple White: I think me and my friends have time to celebrate before we head home.

Kit: Same for me and my team.

Robo Roxy: Fair enough

Nico: Great job today everyone. Way to sock it to her.

Woody Woodpeecker: You got that right. (To the viewers) No one should force children to grow up. It takes time for that one.

Me: That is for sure.

We had a great meal and party and then went back to the estate and enjoyed the rest of the day and went to sleep.

Woody Woodpecker: HAHAHAHAHA HAHAHAHAHA HAHAHAHAHA! HEHEHEHEHEHEHEHE!

THE END

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Salem, Massachusetts, and we've got a case of a group of religious fanatics calling themselves The Armaments of God causing havoc in Salem, Massachusetts, but this riot in Salem by these religious fanatics is actually the first sign to The War Against The Ghostrick Destroyers. We're going to put an end to these religious fanatics and this'll send a message to Audrey Blade that if she and her group wants war, she's got it. And we're going to meet the next Daughter of The Olympian Gods and Goddesses, her name is Ashley Apollo, Daughter of Apollo, Greek God of Archery, Music, Dance, Truth, Prophecy, Healing, Diseases, The Sun, Light, and Poetry, she's Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Archery, Music, Dance, Truth, Prophecy, Healing, Diseases, The Sun, Light, and Poetry, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. Me: Boy Narnia is always so fun and cool.

Carly Atlas: It sure is and it's fun.

Misty Tredwell: It sure is awesome coming here.

Leeli: I think Narnia is so awesome.

Girl Jordan: I do too and it's so beautiful every time.

Xenia: I agree there.

Nico: I do too.

Eli: Same here. This is always so fun and cool.

Qin: You got that right.

Nico: Eli, I want to thank you, Baron Mordo, and your teams for coming.

Eli: No problem Nico. Even though I'm always with you it's so awesome.

Baron Mordo: It sure is.

Qin: I agree there too.

Nico: Yep.

Crag: It sure is fun and I agree too.

Nico: Crag, do you have a specific role in the Ripping Friends?

Crag: I'm the leader and I'm the brains and I come up with the plans.

Nico: That is so cool.

Qin: I think that's so cool.

Lola: It sure is.

Eli: I'll say.

Camie: That is so cool.

Misty Tredwell: Yeah no kidding.

Nico: No offense but I honestly didn't think you were the leader.

Crag: None taken Nico but yeah.

Me: I think Crag is a great leader though.

Qin: Same here.

Lola: Yeah.

Xenia: He and the Ripping Friends all did so much.

Nico: I really enjoyed Daddy Day Care.

Eli: Me too. It was so awesome.

Qin: Yeah it was!

Camie: Yeah that was cool.

Varoe: That was cool. Max farts a lot and that is cute and funny.

Mordo: If Tony thought meeting Flash was an honor, wait until he meets his Rogues.

secs agoBaron Mordo: If Tony thought meeting Flash was an honor, wait until he meets his Rogues.

Lola: That would be awesome.

Xenia: Yep.

Me: I bet Tony would try and kicked them in their stomachs.

We laughed!

Camie: Yeah!

Rainbow Dash: (LAUGHS) That would be awesome!

Varie: Yeah that would be cool.

Nico: And if Ms. Meany tried to discover the truth about the note, deny everything.

Maria: (deadpans) You got that from Buzz, didn't you?

Nico: Yes I did.

I smiled and a halo formed over my head.

Nico: See?

Maria: Okay we will.

Varie: Good.

We arrived at the palace and knelt before Aslan.

Nico: Hi, Aslan!

Aslan: Greetings Team Loud Phoenix Storm.

Me: How have Peter and his siblings been doing?

Aslan: They have been doing really well. They are in the process of brining in more of the White Witch's former henchmen.

Xenia: Maybe they can be worthy candidates for the M.O.E.

Lola: Yeah I agree there.

Aslan: That is a good idea there.

Nico: If you're having trouble right now, how about we lend a hand?

Aslan: Absolutely. We would like that.

Camie: How did you guys first come here to Narnia if I might ask?

Me: Oh right many of you guys weren't with us back then. But that was an awesome adventure none of us will ever forget.

I went over what happened in chapter 645 and it was amazing!

When I was done everyone was amazed!

Sunset Shimmer: Wow! That is amazing!

Me: I know. That was back 4 years ago that we came here.

Nico: Boy it has been a while.

Aslan: Indeed it has been a while. And you all saved us.

Xenia: We sure did.

Qin: Yep.

Nico: Where are they right now?

Aslan: Follow me.

We followed Aslan to the beach and we saw the Pevensire siblings battling Polar Bears and Wolves.

Me: Whoa the Polar Bears and Wolves of the White Witch.

Fluttershy: Wow.

Nico: J.D. you would like those wolves.

Me: I sure would.

Maria: Can we play too?!

We jumped in.

Lucy Pevensire: (British Accent) You sure can guys!

Baron Mordo: Stand down you all!

Polar Bear: And who are you to order us?

Baron Mordo: Someone that is here to offer you all a rather good proposition.

Nico: I'd listen to him.

Polar Bear: Oh very well.

Baron Mordo: We would like to have you and your fellow followers of Jadis the White Witch join us in the Masters of Evil. You will be loved and treated there with love and the food is good. Also you get to have fun battling our frenemies here.

Me: It's true.

Polar Bear: Team Loud Phoenix Storm! Been a long time.

Me: It has been a while.

Wolf 1: It sure has.

Wolf 2: How do we know this isn't a trick?

Me: It's not a trick. I assure you on that wholeheartedly.

Nico: Yep.

Eli: That's right.

Nico: If it were a trick, you'd be dead in seconds.

Polar Bear: All right then.

Wolf 1: We all accept.

Fluttershy: Hooray! I'm so glad.

Eli: We all are.

Xenia: That was easy.

Eli: And guys I found Anothers here. They are Another Bear (Balto), Mor'Du, Wolves (Beauty And The Beast), Loogie Hawk (Angry Beavers), Drug Peddling Midgets (Family Guy), Evil Cut Man and Baron Mordo.

We gasped!

Me: Wait Drug Peddling Midgets? (GASP) That is amazing! I Remember that Brian told me that he worked as a cop for a while and helped the police force bust a huge hidden Cocaine operation disguised as a Sunday Church School.

Qin: That is amazing.

Nico: Wait. Do you guys see that?

Me: Is that Slobster?

Nico: No that's not Slobster. That's someone else.

Polar Bear: Oh yeah she just appeared one day and was helping out the Pevensire siblings.

Qin: Wait I think that's a Lobster gene-slammer.

Nico: Lets go see.

We went over.

Me: Hello there.

Lobster: Oh ahoy there.

Nico: (GASP) Catherine Horacio!

Catherine Horacio: Nico!? Awesome to see you again lad.

Nico: Same here. Catherine is a great fisherman and she goes after King Crab, Snow Crab, Lobster, Mussels and Clams.

Me: That is cool!

Catherine Horacio: Aye lad. It sure is. I fished all over the waters of the world and did all that.

Nico: Yep.

Lily: You would get along great with Mr. Krabs and Larry the Lobster. They are awesome.

Nico: I was gonna say that.

Catherine Horacio: Aye. That I would.

Nico: Time to revert you back.

Me: Just a forewarning though, it's going to hurt really bad.

I put on my blind man glasses.

Catherine Horacio: As bad as the pain in Davy Jones Locker.

Qin: Yep.

Catherine Horacio: Aye. I'm ready lads.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and Catherine doubled over in excruciating pain as she was changing back!

She screamed in pain!

Catherine Horacio: (IN PAIN) IT HURTS SO MUCH!

Me: It'll be over in a few seconds!

She reverted back and had red hair, orange eyes and had the kanji for Lobster in the middle of her forehead.

She got up and she was naked.

Catherine Horacio: Sweet Davy Jones that hurt.

She saw herself and she was naked!

Catherine Horacio: GAH! (COVERS HERSELF) There better not be spying eyes around here.

Nicole: Nope there aren't. I don't see anything.

Rarity: Don't worry darling. We can fis this.

The Fashion brigade went and gave her awesome clothes. A red shirt, skirt, pants, legwarmers, shoes, gloves and even had a Sailor hat on her head.

Nico: Now, let's call the reinforcements.

Me: We'll call in Eclipsa Tyburn, Serenity Dunames, Collette Farmington, Maria Zeus and Abigail Arborea.

Lola: Nice.

Nico: Yep.

Maria called them in and in swirls of elements came Eclipsa Tyburn, Serenity Dunames, Collette Farmington, Maria Zeus and Abigail Arborea.

Eclipsa Tyburn: You rang?

Nico: Perfect girls.

Qin: Awesome.

Eli: And I sense that the Anothers you're facing are all one person and one of Lincoln's Guardian Angels.

Nico: Whoa!

Leni: Maybe we can ask that group of animals over there.

Me: Uh Leni those are Anothers coming!

We saw that they were Another Bear (Balto), Mor'Du, Wolves (Beauty And The Beast), Loogie Hawk (Angry Beavers) and Drug

Peddling Midgets (Family Guy)!

Nico: WHOA!

Lola: This is gonna be good!

Qin: Yeah!

Another Bear: (In a girls voice) This is gonna be awesome.

Lincoln: That voice!

They merged and reverted back and it was a girl with pitch black hair, red eyes, and had the symbol of the Evil Hero monsters emblazoned in the middle of her forehead and she had pitch black angel wings and had purple and black clothes and had a dark energon sword!

Lincoln: (GASP) Emilia Connors!

Emilia Connors: Awesome to see you again Lincoln and my god you grew into an amazing young man.

Lincoln: I know. I haven't seen you since you were 17.

Emilia Connors: I heard rumors spread like wildfire that Chase Young was the cause of all your pain right?

Lincoln: That's right.

Nico: The Drug Peddling Midgets are exceptions. But the Anothers you turned into are all animals.

Emilia Connors: I noticed.

Me: How did you get a Dark Energon Saber?

Emilia Connors: Oh I found this.

Nico: Sorry we have to do this.

Emilia Connors: No worries.

Me: By the way are the Another Evil Cut Man and Baron Mordo friendly or hostile?

Emilia Connors: Friendly. And they are also gene-slammers of the Ice Barrier and Gishki monsters.

Qin: WHOA! That is gonna be cool! No pun intended.

Girl Jordan: First lets separate you from all those Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Spring abundant holoél

She glowed and was separated from all 5 of the Anothers!

Nico: YEAH!

Emilia Connors: This will be fun.

They fired waves of energy and elements and blasted the Anothers and they exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Books.

Nico: Awesome.

Me: Yeah!

Nico: Another Evil Cut Man is next.

Eli: Yep.

Nico: And speak of the robotic devil!

We saw a dark version of Evil Cut Man. It was ANOTHER EVIL CUT MAN!

Qin: Whoa Another Evil Cut Man.

Nico: Yep.

Qin: Sharp and dangerous.

Another Evil Cut Man: (In a girls voice) This will be a cold one.

Me: (GASP) That voice.

She reverted back and it was a girl with ocean blue hair and had blue eyes and had the symbol of the Ice Barrier emblazoned in the middle of her forehead and she had aqua blue angel wings and had blue clothes and an ice sword in her hands.

Me: Amelia Hyotoria!

Amelia Hyotoria: Awesome to see you again J.D.

Me: Same here.

Nico: Fancing meeting you here.

Amelia Hyotoria: Same here.

Me: Amelia is a master of ice and she is the gene-slammer of the Ice Barrier monsters.

Qin: Cool! Another pun not intended.

Amelia Hyotoria: I get that a lot.

Crag: Sorry we have to fight like this.

Lincoln: First this.

He fired a wave of energy and separated her.

Crag: IT'S RIPPING TIME!

He went and smashed Another Cut Man and smashed him all over and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ride Book.

Maria: Time for backup! (TURNS DIAL) ELEMENTAL ABSORBING FORCE!

She summoned Absorbing Man, Platinum Princess, RTN Kakuzu, Iron Roidmude, Twist Boma, Son of The Chicken From Outer Space, Vapor and Red-Eyes Darkness Dragon and Demitri Maximoff.

Nico: Nice!

Absorbing Man: This will be fun.

Nico: There's Another Baron Mordo!

We saw a figure and it was ANOTHER BARON MORDO!

Me: Awesome.

Eli: This will be good.

Another Baron Mordo: (In a girls voice) Awesome to see you again J.D.

Me: That voice.

She reverted back and it was a girl with ocean blue hair and had blue eyes and the symbol of the Gishki in the middle of her forehead and she had blue clothes and blue angel wings and had a water sword in her hands.

Me: Gabrielle Gishki!

Qin: Whoa!

Gabrielle Gishki: This is gonna be good.

Me: Yep. Gabrielle is a mage and she knows a lot about magic and knows how to use light, dark and elemental magic.

Nico: That is cool!

Kaito: (gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (Gets out Dekaranger gear) Because we can grant it instead.

Kaito got a Tyranno Staff and Zocks got Trents Dino Quill.

Gabrielle Gishki: No I froze him in a block of ice before he could say anything.

Sakura Knudson: That explains why he was frozen back then.

Me: That is clever.

Qin: Yep.

Nico: Sorry we have to do this though.

Gabrielle Gishki: No worries.

She turned into ANOTHER BARON MORDO!

Sougo: (gets out Dino Thunder Ridewatch) So, you use magic, right?

Geiz: (Gets out SPD Ridewatch) Does that include ice magic too?

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor.

Another Baron Mordo: Yes that's right.

Qin: That is so cool.

Me: Lets do it.

Nico: Time for some magic!

Nico activated Baron Mordo's Ridewatch and fired waves of energy and blasted her down.

Nico: Time to slice and dice! (ACTIVATES EVIL CUT MAN'S RIDEWATCH)

Nico fired blades and cut her all over.

May: Here are some nasty Dogs! (ACTIVATES HOT DOG MONSTER'S RIDEWATCH)

She fired mad hot dogs and blasted her down.

May: IT'S A ZOMBIE CHICKEN! AND IT'S GOT A ZOMBIE EGG! (ACTIVATES ZOMBIE CHICKEN'S RIDEWATCH)

Me: Zombie Egg!? That's not a Zombie Egg! It's..

Nico: That chicken's got a grenade!

May threw it and it hit Another Baron Mordo and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Maria: ALLL ABOARD! (ACTIVATES RESSHAKI'S RIDEWATCH)

She fiored a wave of energy and blasted her down.

Maria: Time for these chips to fight back! (ACTIVATES YOKAI'S RIDEWATCH)

She fired chip blasts and smashed her down.

Crag: Time for these blades to rip! (ACTIVATES EVIL CUT MAN'S RIDEWATCH)

He fired blades and blasted her down.

Then Amora, Evil Drill Man, Powerpunk Girls, Mouse Shot Lion, Jinxer and Mummy Legendorga came.

Nico: Nice team Amora!

Amora: Thanks Nico.

Qin: This will be fun.

?: It sure will.

A Toxapex came!

Me: Hey a Toxapex!

Nico: Awesome!

Toxapex: (In a girls voice) This will be awesome and fun.

Nico: Lauren Kahmamoku! Whoa!

Qin: Lauren awesome to see you!

Toxapex: Same here Qin.

Nico: Didn't expect to see you here!

Toxapex: I know.

She reverted back and was a girl with purple hair and aqua blue eyes and had blue Hawaiian clothes on.

Lauren Kahmamoku: I got this!

She fired a wave of energy and blasted down Another Baron Mordo and I caught the ridewatch and brought Gabrielle over.

Me: That was awesome.

Crag: What's your favorite memory of Nico?

Lauren Kahmamoku: When me and Nico went surfing in Maui and we surfed a huge 85 foot wave and we stuck a flag on top of a spire.

Nico: Yep.

Me: That is cool!

Rainbow Dash: Awesome!

Nico: Yep.

Nico and Lauren hugged.

Nico: I've really missed you.

Lauren Kahmamoku: Me too Nico. Me too.

We went back home.

We're going to put an end to these religious fanatics and this'll send a message to Audrey Blade that if she and her group wants war, she's got it.

Lincoln: Wow, we're here in Salem, Massachusetts, and I know what we're going to do here, not only am I going to rescue the four girls here, but we've got a case of a group of religious fanatics calling themselves The Armaments of God causing havoc in Salem, Massachusetts.

Raven Ghostrick: This riot in Salem by these religious fanatics, this is actually the first sign to The War Against The Ghostrick Destroyers, so Audrey Blade is already starting to stir up trouble. We're going to put an end to these religious fanatics and this'll send a message to Audrey Blade that if she and her group wants war, she's got it.

Sebastian Mendez: If they're starting trouble by getting religious fanatics riled up and causing havoc, we've got to put an end to this chaos and quick. Oh, Lincoln, I've got something I wanted to give you courtesy of a fallen old enemy of The Teen Titans.

Sebastian took out an amulet with a large red jewel.

Robin: (Gasps) That's the enchanted amulet belonging to The Master of Games.

Lincoln: I remembered you, Cyborg, and Beast Boy telling us all about him.

Cyborg: Yeah, how did you get this?

Sebastian then summoned The Master of Games chained up and inside a prison container.

Beast Boy: (Whistles) So, you roughed up The Master of Games and snatched his enchanted amulet and put him in chains.

Suddenly, The Master of Games' enchanted amulet glowed red and it then merged with the large gold circular chest plate in the center of Lincoln's harness and glowed with intense light, and as soon as the light faded, the large gold circular chest plate with the phoenix on it now had red jewels around it.

Lincoln: Whoa, now that's really awesome! Now, to deal with The Master of Games.

Sebastian removed The Master of Games from his prison container, and Lincoln drove his massive greatsword into The Master of Games' stomach, and he began sucking out all of his muscle mass and life energy, and when he was done and he removed his massive greatsword from his stomach, The Master of Games was now a desiccated corpse drained of muscle mass and life energy, and as soon as his soul appeared, Lincoln banished him to The Black Gates forever.

Hunter: (German Accent) One less dishonorable member of The Brotherhood of Evil to deal with. Now, to deal with The Armaments of God.

Suddenly, we saw a very beautiful and super sexy girl with long auburn hair and blue headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a white short-sleeved blouse, sleeveless blue top, necklace with pearls and blue gem for the pendant, long ankle-length white skirt, white bridal gloves, blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with roe deer, swans, cicadas, hawks, ravens, crows, foxes, mice, snakes, and angels on the coattails and on the back is Apollo, and holstered on her back is a massive Apollo-themed greatsword with embedded blue gems and

Apollo etched on the 7'0" massive, wide, double-edged blue blade, large blue deer heads for the crossguard, large white angelic faces embedded on both sides of the hilt with blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blue red gem on the bottom of the large white angel heads for the pommel.

Selene Arcangela: (Gasps) The roe deer, swans, cicadas, hawks, ravens, crows, foxes, mice, and snakes motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Auburn-Haired Girl: That's right, and I also got the four girls away from those religious fanatics. That Audrey Blade really riled them up into a mad frenzy.

Lincoln: (Gasps) That voice, Ashley Apollo, I knew it was you.

?: GET THEM! GET THE INFIDELS!

We then saw a massive group of people heading right for us, they were The Armaments of God, the group of religious fanatics and zealots, and they were out to kill us.

Sylvester: Oh great, here come the religious nutcases!

Arctic Thundersnow Ice Dragon Musk Ox Hope, and Me, Ed Cowart, Ets, Ken, Nico, Nicole, Gage the Hedgehog, and Eli unholstered our massive greatswords and we transformed, and we went after The Armaments of God, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

Armament of God Leader: INFIDELS! YOU WILL ALL PAY!

The Armaments of God charged yet again at us, but Lincoln moved with such superhuman speed he dodged their attacks but not before tying them all together before they had time to react, and then, he dug his finger into the leader's skull, and he was absorbed into Lincoln's body as his body was broken down by the acid released by Lincoln's acidic cells, and this caused a chain reaction as he also absorbed the rest of them into his body, and then, he drained all their souls of their life energy, and he sent them all to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: That should put an end to The Armaments of God, and now, to send my declaration of war to Audrey Blade.

Suddenly, Lincoln's deep sapphire eyes and Third Eye's rainbow iris glowed, and he already found the location of Audrey Blade, Abigail Callidora, Emily Constantia, Eleanor Cruorem, Amelia Daedalus, Chloe Desikan, Scarlett Dragomir, Maya Drusilla, Ella Edwardson, Emma Eleazar, Charlotte Eliodoro, Luna Enoch, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, Aurelia Karayan, Maeve Kearne, Eloise Kieran, and Ophelia Lazarus: they're holed up in their old lair in the deep south of Gotham Royal York.

The Ghostrick Destroyers were still waiting to hear the news of the deaths of The Ghostrick Gene-Slammers, but then, a pair of glowing deep blue sapphire eyes and glowing rainbow iris of a Third Eye appeared from nowhere.

Lincoln: I warned you and your zealous group never to show your faces again, Audrey Blade, after I drove you all out of Royal Woods seven years ago, but you decided not to listen and you decided to come back again?!

Audrey Blade: We will never stop until The Ghostrick Gene-Slammers and all of Team Loud Phoenix Storm are all dead! You are all a bunch of monsters!

Lincoln: The only monsters here are you and your group, Audrey. None of you are even true vampire hunters, you have shown no remorse nor compassion because you have also killed innocent people as well, innocent people who weren't monsters. In our eyes, all of you are the real monsters, you are a bunch of heretics and demons with no compassion, no love, no remorse, nor forgiveness or humanity. And what you did in causing a riot by forcing The Armaments of God to cause havoc in Salem, that's the last straw, today, I declare war on all of you, and this time, there shall be no mercy at all, you will all die in a pool of your own blood.

The glowing deep blue sapphire eyes and glowing rainbow iris of the Third Eye disappeared, and that enraged Audrey Blade and her group: Lincoln's declared war on The Ghostrick Destroyers, and there'll be no mercy at all.

Nico: Slick move, Lincoln, you've done the same thing you did when you declared war on The Church of Necrom last year.

Lincoln: Now, I've used it again to declare war on that religious fanatic and murderous heretic and her group, and I've pissed them off even more. (To Ashley Apollo) And it's so good to see you again, Ashley Apollo.

Ashley Apollo: You too, Linky, it's been a long time.

Lincoln went up to Ashley Apollo and he hugged her, and Ashley Apollo is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ashley Apollo: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this girl?

Lincoln: Indeed I do, J.D., this is Ashley Apollo, Daughter of Apollo, Greek God of Archery, Music, Dance, Truth, Prophecy, Healing, Diseases, The Sun, Light, and Poetry, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Archery, Music, Dance, Truth, Prophecy, Healing, Diseases, The Sun, Light, and Poetry, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. When she and I first met, there was indeed quite the attraction that turned into true love and she swore to protect me from those who sought to do me harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan.

Selene Emperyous: And she's really good friends with Luna and Lucy, and Ashley and Lincoln helped Luna with her music and Ashley is a natural when it comes to playing on the lyre, and Ashley helped in teaching Lincoln everything she knows about archery, music, dance, and poetry, and she also helped Lucy with her poems. Lincoln made Ashley a beautiful necklace with blue gem for the pendant, along with a white short-sleeved blouse, blue sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Ashley kissed Lincoln on the lips as beautiful music played behind them, and it was truly beautiful, and she really hates that delusional, crybaby, no talent hack bitch, Tanya Anyanova with a bloody passion, because Tanya absolutely hated Ashley for always defending Lincoln whenever she tried to kill him and Anna for "ruining her fame and glory", and the same went with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Ashley everything about what that bitch has done to her little sister, Anna Anyanova, and one time when Ashley and Lincoln were doing some singing practice with Anna Anyanova, that bitch, Tanya, had broken out of the nuthouse and she was out to kill Lincoln yet again along with Anna and Ashley, that was until Lincoln let loose the beast inside him and he viciously attacked that bitch with a dangerous ferocity, and he, Ashley, and Anna blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that bitch up in a red energy straitjacket, and when he alerted the rest of his family of what Tanya Anyanova tried to do to him, Ashley, and Anna, they were really furious at that bitch, especially Lori, and then, Lincoln, Ashley, and Anna furiously gave Tanya a powerful punch that sent her flying right back to the nuthouse, and she ranted and angrily swore revenge and was screaming like crazy, and that warranted the warden to have her put in Solitary Confinement, so no one would have to hear her ugly voice.

Anna Anyanova: Well, you'll be happy to know we killed her and this time for good, and instead of giving her The Black Gates, I imprisoned her inside a painting prison forever.

Anna Anyanova took out the painting with Tanya imprisoned inside it, and she was ranting like crazy wanting revenge.

Ashley Apollo: Yeesh, I knew there was no mistaking that ugly voice from anywhere, but it serves her right.

Lincoln: We were all sick and tired of that whining crybaby, Tanya, she never had any talent and she let fame and fortune get into her head, and it made her into an insane monster bitch, and she's just lucky she'll be imprisoned inside that painting forever. And now that you're here, Ashley.

Lincoln went up to and hugged Ashley Apollo in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Lincoln: That should put an end to The Armaments of God, and now, to send my declaration of war to Audrey Blade.

Suddenly, Lincoln's deep sapphire eyes and Third Eye's rainbow iris glowed, and he already found the location of Audrey Blade, Abigail Callidora, Emily Constantia, Eleanor Cruorem, Amelia Daedalus, Chloe Desikan, Scarlett Dragomir, Maya Drusilla, Ella Edwardson, Emma Eleazar, Charlotte Eliodoro, Luna Enoch, Olivia Erasmus, Isabella Ezdemir, Sophia Fayez, Alice Gaspare, Carla Gobara, Scottie Ingrumangel, Aurelia Karayan, Maeve Kearne, Eloise Kieran, and Ophelia Lazarus: they're holed up in their old lair in the deep south of Gotham Royal York.

The Ghostrick Destroyers were still waiting to hear the news of the deaths of The Ghostrick Gene-Slammers, but then, a pair of glowing deep blue sapphire eyes and glowing rainbow iris of a Third Eye appeared from nowhere.

Lincoln: I warned you and your zealous group never to show your faces again, Audrey Blade, after I drove you all out of Royal Woods seven years ago, but you decided not to listen and you decided to come back again?!

Audrey Blade: We will never stop until The Ghostrick Gene-Slammers and all of Team Loud Phoenix Storm are all dead! You are all a bunch of monsters!

Lincoln: The only monsters here are you and your group, Audrey. None of you are even true vampire hunters, you have shown no remorse nor compassion because you have also killed innocent people as well, innocent people who weren't monsters. In our eyes, all of you are the real monsters, you are a bunch of heretics and demons with no compassion, no love, no remorse, nor forgiveness or humanity. And what you did in causing a riot by forcing The Armaments of God to cause havoc in Salem, that's the last straw, today, I declare war on all of you, and this time, there shall be no mercy at all, you will all die in a pool of your own blood.

The glowing deep blue sapphire eyes and glowing rainbow iris of the Third Eye disappeared, and that enraged Audrey Blade and her group: Lincoln's declared war on The Ghostrick Destroyers, and there'll be no mercy at all.

Nico: Slick move, Lincoln, you've done the same thing you did when you declared war on The Church of Necrom last year.

Lincoln: Now, I've used it again to declare war on that religious fanatic and murderous heretic and her group, and I've pissed them off even more. (To Ashley Apollo) And it's so good to see you again, Ashley Apollo.

Ashley Apollo: You too, Linky, it's been a long time.

Lincoln went up to Ashley Apollo and he hugged her, and Ashley Apollo is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ashley Apollo: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this girl?

Lincoln: Indeed I do, J.D., this is Ashley Apollo, Daughter of Apollo, Greek God of Archery, Music, Dance, Truth, Prophecy, Healing, Diseases, The Sun, Light, and Poetry, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Archery, Music, Dance, Truth, Prophecy, Healing, Diseases, The Sun, Light, and Poetry, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. Selene Emperyous: And she's really good friends with Luna and Lucy, and Ashley and Lincoln helped Luna with her music and Ashley is a natural when it comes to playing on the lyre, and Ashley helped in teaching Lincoln everything she knows about archery, music, dance, and poetry, and she also helped Lucy with her poems. Anyanova with a bloody passion, because Tanya absolutely hated Ashley for always defending Lincoln whenever she tried to kill him and Anna for "ruining her fame and glory", and the same went with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies who plotted to kill him.

Anna Anyanova: Well, you'll be happy to know we killed her and this time for good, and instead of giving her The Black Gates, I imprisoned her inside a painting prison forever.

Anna Anyanova took out the painting with Tanya imprisoned inside it, and she was ranting like crazy wanting revenge.

Ashley Apollo: Yeesh, I knew there was no mistaking that ugly voice from anywhere, but it serves her right.

Lincoln: We were all sick and tired of that whining crybaby, Tanya, she never had any talent and she let fame and fortune get into her head, and it made her into an insane monster bitch, and she's just lucky she'll be imprisoned inside that painting forever. And now that you're here, Ashley.

Lincoln went up to and hugged Ashley Apollo in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Ashley Apollo: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Ashley Apollo's neck with blue gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Ashley Apollo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ashley Apollo.

Ashley Apollo had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw who they were, he immediately recognized them. The four girls are Mirei Furukawa and Kenko Kenko from Ayatsuri Niku Ningyou and Iris Rebel and Mei Li Naceri from Armored Girl Iris.

Lincoln: Oh wow, it's Mirei Furukawa and Kenko Kenko from Ayatsuri Niku Ningyou and Iris Rebel and Mei Li Naceri from Armored Girl Iris.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Mirei Furukawa: Yes, we're okay, thanks to you.

Then, when Mirei Furukawa and the other three girls saw who it was that saved them from The Armaments of God, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln

Mirei Furukawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mirei Furukawa, Kenko Kenko, Iris Rebel, and Mei Li Naceri with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after went after were a group of religious fanatics calling themselves The Armaments of God causing havoc in Salem, Massachusetts, but this riot in Salem by these religious fanatics was actually the first sign to The War Against The Ghostrick Destroyers.

But, when Lincoln showed what we did in beating those religious fanatics and Lincoln finishing them off by absorbing them into his body along with what he just did to The Master of Games and he sent them to The Black Gates forever and declaring war on The Ghostrick Destroyers, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Ashley Apollo have a lot of catching up to do, now that they're back in town.

Maria: Whoa, so those so-called vampire hunters were the ones who incited those religious fanatics into a frenzied riot in Salem. Jeez.

Lincoln: Yep, but after I killed them by absorbing them, I sent my declaration of war to Audrey Blade and her group. Now, we're at war with them.

Nico: And I can't believe Sebastian mangled The Master of Games, we were planning on going after him in the future.

Sebastian Mendez: I decided to take care of that, so we wouldn't have trouble, and his enchanted amulet merged with the gold circular chest plate on Lincoln's chest harness.

Lincoln: And I now have all of its abilities and I can't wait to test it out.

Me: That opportunity will come sooner than you think, Lincoln.

---

After destroying The Armaments of God and also taking down and destroying The Master of Games Sebastian captured earlier on, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Ashley Apollo saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ashley Apollo: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and

he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ashley, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ashley Apollo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Ashley Apollo: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Ashley, what's the story on how you took down Tanya Anyanova when that bitch broke out again to seek revenge?

?: Wait, don't start without me.

Suddenly, we saw Volcanic Blaster, Volcanic Counter, Volcanic Doomfire, Volcanic Emperor, Volcanic Hammerer, Volcanic Queen, Volcanic Rat, Volcanic Rimfire, Volcanic Rocket, Volcanic Scattershot, Volcanic Shell, Volcanic Slicer, and Volcanic Trooper appear before us.

Nico: WHEW! The Volcanic Duel Monsters!

Me: WHEW! MAN, THAT'S HOT!

Volcanic Blaster, Volcanic Counter, Volcanic Doomfire, Volcanic Emperor, Volcanic Hammerer, Volcanic Queen, Volcanic Rat, Volcanic Rimfire, Volcanic Rocket, Volcanic Scattershot, Volcanic Shell, Volcanic Slicer, and Volcanic Trooper: (Girl's voice) Yeah, I get that a lot.

Lincoln: (Gasps) That voice, Hannah MacKenzie, I knew it was you.

Zoey Mackenzie: My older sister's here, wow!

Hannah MacKenzie reverted back to normal, and she's a very beautiful and super sexy girl with long crimson red hair and orange headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful crimson red angel wings, she's dressed in a black short-sleeved blouse, sleeveless crimson red top, necklace with pearls and crimson red gem for the pendant, red skirt, white bridal gloves, black pants, crimson red knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with volcanoes, lava, magma, and angels on the coattails and on the back are The Volcanic Duel Monsters, and holstered on her back is a massive Volcanic Monsters-themed greatsword with embedded crimson red gems and the Volcanic Monsters etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with crimson red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large crimson red gem on the bottom of the large white angel heads for the pommel.

Hannah MacKenzie: You too, Linky, it's been such a long time.

Lincoln went up to Hannah MacKenzie and he hugged them, and Hannah MacKenzie is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this superhot and super sexy girl?

Lincoln: Indeed I do, J.D., this is Hannah MacKenzie, Gene-Slammer of The Volcanic Duel Monsters and powerful master of fire and lava, she's my Guardian Angel from Michigan and the older sister of Zoey Mackenzie. She was actually born with extremely powerful powers over lava and fire, superhot core temperature, the ability to swim in lava, immunity to superhot and spicy foods, absorb fire, and superhuman immense heat making her hotter than a million volcanoes.

Nicole: DAMN! Now, that's really hot.

Lincoln: And she's also a powerful sword wielder, and she wields Fire Excalibur, but this one has the powers of fire and lava. She, like her sister, Zoey Mackenzie, has defended me many times over from the animalistic fury of Lynn, and she has more than once beaten up, pummeled, and she'd absolutely clobbered that animalistic four-legged monstrosity, and she's also dealt with the extremely nasty and fiery demonic wrath of Lola, and Hannah's had to more than once put that little monster in her place. One time, when Hannah and I were in our secret hot springs, Lynn and Lola came charging in after them wanting to kill them again, but Hannah and I fired blasts of fire at Lola and Lynn which hit them and sent them out of there and into a net Luna set up and she dragged them back to The Loud House to face their doom. I made Hannah a beautiful necklace with red gem, and to show thanks, Hannah kissed me on the lips, and she hates Lynn and Lola with a volcanically hot passion.

Eli: Yikes! And I thought what Zoey did to Lynn was bad!

Lincoln: Trust me, I've seen what Hannah was capable of, and Lynn and Lola always got burned badly by her. And now that you're here, Hannah.

Lincoln went up to and hugged Hannah MacKenzie in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the

puncture marks sealed up, and he also kissed where he bit her.

Hannah MacKenzie: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Hannah MacKenzie's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from their merged Crystal Necklaces of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Hannah MacKenzie: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Hannah MacKenzie.

Hannah MacKenzie had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, and Lincoln went back to working out.

Lincoln: Now, that Hannah's here, you can go ahead and show them the video, Ashley.

Ashley Apollo: You got it.

Ashley Apollo pulled up a video and it played on the screen, and it showed Ashley and Lincoln doing some singing practice with Anna Anyanova at The Loud House. But, their day was about to come to an abrupt end by an uninvited guest.

?: I WILL FUCKING KILL YOU FOR RUINING ME!

Past Anna Anyanova: Oh great, can't you give it a rest, you bitch?!

Everyone ran to the window, and they saw who it was that bellowed like that: Tanya Anyanova, and she was still dressed in her prison jumpsuit.

Past Ashley Apollo: Tanya broke out of the nuthouse again?!

Past Lincoln: That brat's gone crazy yet again!

Past Lori: Tanya, you're really starting to get on our nerves!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer and his claws grew sharper. But, then, Lincoln's upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON ANNA EVER AGAIN, TANYA! (WOLF ROAR)

Nico: Oh… Shit!

Lori: That bitch was so dead meat on a stick that day!

Lincoln let the beast out in him and Lincoln charged at Tanya, and he grabbed her by the collar of her jumpsuit and lifted Tanya up off the ground with such superhuman strength and he threw her into a tree, and he really attacked her with a dangerous ferocity, and he, Ashley, and Anna blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that bitch up in a red energy straitjacket.

Past Lori: This time, don't you ever come after us again, Tanya. Send that monster flying right back to the nuthouse!

Then, Lincoln, Ashley, and Anna gave Tanya a powerful punch that sent her flying right back to her cell in the nuthouse, and she ranted and angrily swore revenge and was screaming like crazy, and that warranted the warden to have her put in Solitary Confinement, so no one would have to hear her ugly voice as the video ended.

Nico: What a bitch!

Lincoln: That's putting it mildly.

Hannah MacKenzie: She was such a fame-crazy talentless bitch, and in the end, it proved to be her undoing when she angered Lori.

We got a shower, and then, Lincoln, Blue Mountain Butterspy, Morpho Butterspy, Swallowtail Butterspy are heading to Ember Island.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Blue Mountain Butterspy, Morpho Butterspy, Swallowtail Butterspy are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Blue Mountain Butterspy, Morpho Butterspy, Swallowtail Butterspy had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Icky Vicky hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made her go insane with anger, until Lincoln fired energy blasts at that she-demon and more gold and jewels and treasures came out of those buttfaces, but they also got to keep their heads up, they got word that fire-breathing dragon have sent more muscle-bound thugs to kill them.

Blue Mountain Butterspy: Wow, so this is Ember Island, it sure is beautiful.

Lincoln: It sure is, Blue Mountain Butterspy, and it's perfect for our first date. Shall we?

Lincoln, Blue Mountain Butterspy, Morpho Butterspy, Swallowtail Butterspy dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Blue Mountain Butterspy, Morpho Butterspy, Swallowtail Butterspy got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Icky Vicky coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Blue Mountain Butterspy, Morpho Butterspy, Swallowtail Butterspy, and they hugged the girls in their abnormally massive and powerful muscular arms, and Blue Mountain Butterspy, Morpho Butterspy, Swallowtail Butterspy placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Ember Island, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Blue Mountain Butterspy, Morpho Butterspy, Swallowtail Butterspy with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Blue Mountain Butterspy, Morpho Butterspy, Swallowtail Butterspy are now in your harem.

Laney: It's gonna be so awesome having The Butterspy Duel Monsters as our new stepsisters.

Jenna: And Icky Vicky has some nerve trying to kill them, that kid-hating rage-crazy she-demon is just making things much worse for herself.

Serena Logan: I always knew that she demon was nothing but fucking trouble, but just like Flip and the other jerks, she's just making things worse for herself.

Rarity: And trying to kill Blue Mountain Butterspy, Morpho Butterspy, Swallowtail Butterspy, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and roar with extreme hatred and rage, and now, the bubble butt monster has officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, bitch!

Nico: Even after we've kicked her miserable hide, that fire-breathing she-dragon still refuse to quit!

Lincoln: Same with Flip, Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

---

We were watching TV and then Goro came.

Goro Sakurai: You guys want to go on patrol with me?

Rin Nohara: We sure would!

Me: Yeah.

Nico: Lets head down.

We went down to the planet and went into the city.

We saw everything all peaceful and fun.

Lola: So far everything is quiet.

Ino: I like peaceful moments like these.

Me: Me too Ino.

Qin: Yea it's always fun.

Nico: It sure is.

Me: Yep. Hey Nico this gives me a good idea. Lets have a Team Loud Phoenix Storm Spirit Week.

Nico: Ooh I like it. What days should we do for them?

Me: Pajamas, Swimsuits, Crystal Guardians, Favorite Foods and Sports.

Nico: I like it! That swimsuits one will be at the beach.

Qin: Yeah.

Lola: That's an awesome idea.

Beastbox: Who's that over there?

We saw a woman and it was someone I remember seeing.

Me: (In my head) Wait a second. That's Tamaki and she is Shinnosuke's girlfriend. I remember her. And like Fusako she wanted attention herself.

Xenia: She looks like she is trying to garner some attention.

Qin: Poor girl.

Camie: Lets go help her.

We went over.

Nico: Hello there. Are you lost?

Tamaki: I think I am. Team Loud Phoenix Storm! Wow I heard so much about you from Shinnosuke.

Me: So we have heard.

Xenia: Is Shinnosuke doing okay?

Tamaki: He sure is.

Eli: Good.

Qin: That's good he's doing alright.

Sonic: It sure is.

Tamaki: I'm sorry. I want to know where I am. But people keep ignoring me!

Me: You're actually all the way over in Gotham Royal York in Michigan over in America.

Tamaki: Wow! I'm miles from home.

Lisa Loud: 6,407 miles from home to be precise.

Nico: That's right.

Qin: Yeah.

Tamaki: Wow!

Nico: I know. Far huh.

Tamaki: But if that's the case, then I'll never see Shinnosuke again! Please, SOMEONE PAY ATTENTION TO ME!

Me: Whoa whoa whoa whoa whoa! You have us paying attention to you now. But uh oh!

She was then surrounded by an energy circle with the JAKQ Logo and turned into Jaaki from episode 39 of Donbrothers!

In a part of the city, Tamaki caught Shinnosuke cheating on her. He runs away and Tamaki is upset and chases him until she trips and then she cries for the heartbreak he caused her. This causes Tamaki, who despairs and desires for someone to look at and pay attention to her, to becoming the JAKQ Hitotsuki, Jakki. Tsubasa becomes Inu Brother and the rest of the Donbrothers teleport to his location soon after, this unfortunately activates Don Killer's tracking sensors and he flies to their location.

The gang fight off the Hitotsuki like usual and Sononi is about to equip her armor to try to destroy Jakki, when Don Killer lands and Jakki escapes with all of them distracted.

Later as Don Killer and Don Killer-Killer were fighting, Haruka, Kaito and Taro stumble upon Jakki wandering in the same area as them. Jiro is doing sit-ups when the Ryukonogeki appears and the three hospitalized Rangers are able to return to fighting shape by healing their broken bones through sheer force of willpower. All of them teleport to Taro's location, who equipped his GolDon armor offscreen, Jiro decides to help Taro while Shinichi and Tsuyoshi are shocked by Don Killer-Killer's resemblance to the former.

Jakki uses constructs of playing cards to attack the Donbrothers, but Jiro and Taro counter with a Ryusoulger Avatar Change into Ryusoul Gold and GolDon Ryusoul Red to destroy the cards and finish Jakki with a Festival End/Lightning Dragon Flash combo attack. Jakki becomes Jakking and the Donbrothers become Goldon Onitaijin and Toradoragonjin, with Jakking using Card suit constructs to attack the two robos. After knocking her down, the team becomes Toradora Onitaijin Kiwami and purifies Jakking with the DonBros Fantasia Supreme. Tamaki wakes up on the bridge, confused as to what happened but otherwise alright.

---

We gasped!

Me: WHOA! Jakki the J.A.K.Q. Hitotsuki!

All: Donbrothers!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind us and we were ready!

Qin: YEAH!

Lola: WHOA! Sakura Avalon, Yusuke, Keiko, The Supernoobs, Lok, Hulk and Syd turned into Donbrothers too!

Syd: That's right!

Hulk: Hulk like it!

Jakki formed an electroshock belt around herself to shock Goro.

Lincoln grabbed the belt and channelled lightning back to her and electrocuted her!

Qin: YEAH!

Me: Tamaki you do not deserve to be like this!

I fired a beam of light and separated her from Jakki.

Tamaki: (GROANS) What hit me?

Me: That.

She saw Jakki!

Tamaki: (GASP!) Is that what I turned into!?

Me: Yep.

Nico: How would you like to be a Donbrother and help us defeat him?

Tamaki: I would be honored. No one messes with my head like that!

I gave her a blaster and gear.

Tamaki: AVATAR CHANGE!

She turned into a lava themed Donbrother!

Tamaki: THE HEAT OF LAVA AND VOLCANOES! DUCHESS VOLCANO! ダッチェス火山

Nico: WHOA! This one is hot!

Qin: YEAH!

Lola: I'll say!

Tamaki: WOW! This is amazing!

Lana: It sure is!

Jakki attacked us with playing cards that shot laser beams at us.

Eli deflected the blasts back with his lightsaber and blasted Jakki all over!

Lana: Two can play that! POKER STYLE NINJA ART: BLACKJACK!

She fired waves of energy and they formed into playing cards and then they hit Jakki and exploded all over and then massive piles of diamonds, gold, jewels and coins exploded out of her!

Qin: WHOA!

Eli: Catch 21!

Lana: CHA-CHING!

Xenia: Nice!

Tamaki: Wow! That is lucky! Lets see here. LAVA SPEAR STRIKE!

She fired lava spears and blasted Jakki all over and numerous piles of riches came out!

Me: Oh Jakki you owe over $2,000.00!

Jakki: Ooh, that's reasonable. Let's see. Here's fifteen cents, here's, uh-

(Whatever working brain cells she has finally relay the message, and her body and head nearly explode off her face with alarm.)

Jakki: (drawn-out) TWO THOUSAND DOLLARS?!

(She cuts loose with a long, panicked inhuman scream as the camera zooms in to an extreme close-up of her eye. The reflections of all of us are visible in them as sweat pours down her face. Every alarm in her head is blaring at top volume; after several unbearable seconds-both for her and for us-the eyes shatter.)

Me: OOH OUCH!

(Jakki is now a nervous wreck. The eye frame and bits of glass litter the ground, her body and all that are badly disheveled, and her head looks as if it has been hit repeatedly with a Louisville Slugger.)

Nico: WHOA!

Qin: Was it something we said?

Me: Just to make her angry.

Jakki fired a trump card symbol-like energy beam to attack Lana.

Lana punched the blast and it flew and hit Jakki and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive pile of riches flew out of him.

Eli: Boy This Hitotsuki is as rich as Las Vegas!

Jakki fought Leni with gravity.

Leni: HEY! LIKE PUT ME DOWN!

Ed: NO ONE DOES THAT TO MY GIRLFRIEND!

He turned into EDZILLA!

Edzilla: ED SMASH!

He punched and smashed Jakki down and numerous piles of gold and riches came out!

Qin: YEAH! SMASH HIS BUTT!

But then…

CRASH!

Leni crashed onto Ino!

Ino: OUCH!

Leni: Oops sorry Ino.

Ino: It's okay Leni. At least I broke your fall.

Jakki fought Lincoln with electromagnetic force

But the electromagnetic energy bounced off Lincoln and hit Jakki.

Lincoln fired waves of lightning and electrocuted him all over and numerous piles of riches came out.

Tamaki fired waves of lava and blasted down Jakki!

Tamaki: Take that you fiend!

Xenia: YEAH!

Numerous more piles of riches came out.

Jakki shot spades at Goro Sakurai

Goro deflected them back at him with his sword and slashed him all over.

But then..

BLANG!

Jakki: What the!?

BLANG! BLANG BLANG BLANG BLANG BLANG BLANG BLANG!

A Mudsdale was bashing Jakki with deadly bucks!

Qin: OUCH!

Me: Whoa a Mudsdale!

Xenia: Neat!

Mudsdale: (In a girls voice) Take that you jerk!

Nico: Cinnia Elessar! Whoa!

Mudsdale: Awesome to see you again Nico.

Taro: Avatar Change!

Taro turned into the Red ToQger!

Nico: YEAH!

Right: Awesome!

Jakki fired diamonds at Ryu Higashi

Rarity formed a shield and blocked them.

Qin: Take this!

Qin fired waves of fire and blasted Jakki all over.

Qin: YEAH!

NUMEROUS piles of riches came out.

Me: Lets finish this jerk!

Jakki fired hearts and clubs at us

Eli used the Force and sent them back and smashed Jakki all over.

Nico: Now for this!

All of us! FRIENDSHIP SOLAR SYSTEM BLAST!

We fired waves of energy and elements and blasted Jakki and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

He exploded!

I caught the gear!

Me: YEAH! Jakki you have failed this city!

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL THAT ENDS WELL!

Mudsdale: Take that!

She reverted back and she was a girl with brown hair and brown eyes and she had the kanji for mud in the middle of her forehead and had brown clothes and had brown angel wings.

Cinnia Elessar: That was so fun and cool!

Tamaki: I don't think I'm out of the woods just yet. I still have one more Hitotsuki form.

Me: I remember that. But we'll deal with it when the time comes.

Cinnia Elessar: We sure will.

May: What's your favorite memory of Nico?

Cinnia Elessar: When me and Nico went on an awesome ride on our horses and we went into a forest of crystal that was hidden in the Pine Barons forest and it was amazing.

Xenia: That is amazing.

Taro: It sure is.

Nico and Cinnia hugged.

Nico: I've missed you.

Cinnia: Me too Nico.

Rollbar: Tamaki, we'll have to keep a close eye on you when it's time for your final Hitotsuki form

Me: Agreed.

Tamaki: Thanks guys.

Qin: Lets get all this gold back to the estate.

Nico: Good idea.

We went and did so.

Camie: That was awesome though.

Varie: Yeah!

Nico: Now it's time to get ready for our mission.

We went back to the estate and got ready.

Jake Spidermonkey: Bu the way, Nico, I'm suing you for yesterday.

Anastasia (Cinderella): What?! Why?!

Jake Spidermonkey: The butt thing is my thing!

Me: Hey lay off the guy Jake! That was still funny.

Qin: Yeah.

Lincoln: Besides he had his underwear on.

Adam Lyon: Besides you can't sue him for that.

Varie: Yeah!

Me: Yeah no one is going to do a lawsuit for something like that.

Qin: Yeah.

The previous group came.

Brass Knuckles: Can me, Gentleman Ghost, Yenaldooshi, Copperhead, Grundy, Speed Demon, Femme Fatale, Titanium Toenail, Mysterio, and Robo Roxy go with you guys?

Nico: You sure can.

Qin: Whatever our mission is, it will be fun.

Nico: Yep.

Larry Koopa: Nico, which Gene Slammers do you think you'll meet next?

Nico: Araquanid, Lurantis and Shiinotic.

Qin: Cool!

Me: And I have a feeling we'll meet a Swordfish gene-slammer next.

Nico: Me too.

Qin: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront: it was another of Mordecai and Rigby's enemies, the sociopathic so-called World's Best Boss, Doug MacFarland, he's come back from the dead and he wants revenge, and the bad news: Ophelia Lazarus of The Ghostrick Destroyers used black magic to bring him back. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Mordecai, Rigby, and the gang?

Just then, Mordecai, Rigby, and their friends arrived.

Mordecai: Let me guess, another of our old enemies has come back?

Lincoln: Yep, and you're not going to like it. I just had a vision and I saw who it was that we're going to face today: it's that sociopathic so-called World's Best Boss, Doug MacFarland, he's come back from the dead and he wants revenge.

Benson: Wait, what?! But, he crashed into another truck after I punched him back into his truck and the collision killed him instantly.

Lincoln: You did, but here's the bad news of how he came back from the dead: Ophelia Lazarus of The Ghostrick Destroyers used black magic and did a human sacrifice of one of Michigan's local thugs to bring him back from the dead.

We all gasped in shock and horror.

Raven Ghostrick: Why, that rotten, black-hearted… !

Nico: Using black magic and doing a human sacrifice to bring an old enemy back from the dead?! I guess that's further proof that they really are heretics!

Me: Yeah, no vampire hunter would ever use black magic or do human sacrifices!

Lincoln: We may use a combination of light and dark magic, but any so-called vampire hunter like The Ghostrick Destroyers who dares to use black magic and do human sacrifices for dumb reasons without realizing any of the consequences aren't worthy of being called vampire hunters, they are nothing more than heretics and demons who deserve death!

Benson: So, all we have to do is take down Doug MacFarland again, what'll happen after that?

Lincoln: After we take him down, we'll need to do an exorcism to remove the black magic remnants of Ophelia Lazarus' dark ritual, and then, we'll send him back to prison, and later on, Ophelia Lazarus is going to pay for what she did.

Nico: Good idea, Lincoln. Let's get to The Park and deal with Doug MacFarland.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Ophelia Lazarus, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Ophelia Lazarus, one of The Ghostrick Destroyers is heading here to kill you all.

Ursula Truaigheaingeal: (Scottish Accent) Just as we expected, but we'll be ready for her, and we're also going to show you the castle of The Michigan Supernatural Defense Force, because we got quite the punishment for The Ghostrick Destroyers.

Me: This we got to see, and this'll be the first time we're going to see the castle of The Michigan Supernatural Defense Force.

Victoria Kurenai: That's right, and you'll love seeing it.

Nico: This should be good. Alright, gang, let's go, we're heading down to The Park to take down Doug MacFarland.

Lincoln: And once we get done taking him down and exorcising him of the black magic remnants of your accursed dark ritual to bring him back from the dead, you're next, Ophelia Lazarus.

Ursula Truaigheaingeal: (Scottish Accent) You better be ready to die, Ophelia Lazarus, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to The Park to take down Doug MacFarland, and once Lincoln gets done exorcising him of the black magic remnants of Ophelia Lazarus' ritual that brought him back from the dead, Lincoln and Ursula Truaigheaingeal are going to kill Ophelia Lazarus of The Ghostrick Destroyers and make her pay for her crimes.

We were off to the Park.

---

We arrived.

Qin: Here we are.

Gentleman Ghost: The good old park

Lola: Just as beautiful as ever.

Lana: I'll say.

Camie: Yeah.

Eli: It sure is.

Mordecai: I agree there too.

Benson: We're going to make that jerk pay.

Ratso: How about we go inside?

Me: Sure.

We went inside the house.

We had Skips, Muscle Man, High Five Ghost, Pops, Margaret, Elaine and everyone there.

Skips: So MacFarland is back. It was only a matter of time.

High Five Ghost: I thought we were rid of that jerk!

Copperhead: How about you explain more about him?

Skips: I would be happy to. But you guys are not going to like it.

We were told all about him and it wasn't a good sight.

* * *

Doug MacFarland is the main antagonist of "World's Best Boss". He was first seen after punching Pops and explaining to Mordecai, Rigby, Muscle Man, High Five Ghost, Skips, and Thomas that Benson doesn't deserve the "World's Best Boss" mug. Doug then sends his employees to attack the group and seems to have the upper hand until Benson arrives. After hearing how the others think how great he is, Benson helps the gang defeat the rest of MacFarland's employees. Annoyed, MacFarland then asks what kind of boss Benson is, and Benson replies "The World's Best Boss", he punches MacFarland back into his truck, and MacFarland crashes into another truck, killing him instantly.

* * *

When he was done we were shocked and enraged!

Me: Why that stupid son of a fucking bitch!

Xenia: YEAH! Who the hell does he thing he is!?

Lola: That wretched freak!

Me: World's best boss my fucking ass!

Mushi: World's Best Asshole is more like it!

Qin: Yeah that is putting it mildly!

Xenia: One thing is for sure he is definitely not worthy of that cup.

Nico: Then only thing he is good for is a nice long stay in solitary confinement in prison.

Xenia: Yep. You guys already killed him once. So prison is for him.

Camie: Yep.

Me: Lets see.

I looked up who was fired by him and it showed that LOTS of people were fired by him and they were all sent to prison. Surprisingly most of them were thugs and jerks we sent to prison.

Me: Ooh so he'll go to prison with all those he fired.

Varie: They will beat the living shit out of him.

Speed Demon: Before we discuss any further, how about I use my speed to tidy things up around here.

Nico: Go for it.

Sonic: Me, Rainbow Dash, Flash, Speedy Gonzales and Roadrunner will help out too.

Speed Demon: Okay.

ZOOM!

They did so with amazing speed.

Runamuck: How long has it been since this place has been cleaned up?

Mordecai: Too long. About 2 years I think.

Qin: We lost track.

Mordecai: No worries.

Rigby: But thanks for cleaning this place.

Me: No problem.

Xenia: Yeah.

Titanium Toenail: Back to the matter at hand, what else has Doug done?

Pops: Well, he punched me in the face.

Nico: Skips told us about that one.

Qin: Yeah what a jerk.

Rigby: He brainwashed me and controlled me.

Lola: Geez.

Camie: We should kill that guy.

Nico: Nah it's best to let him suffer.

Deadpool drew a crude drawing of him shooting Doug's leg with his guns.

Deadpool: What do you guys think?

Bugly: That's… nice, Deadpool

Me: Nice form of torture on him Wade.

Deadpool: Glad you think so.

Qin: We have our own torturous methods too.

Lola: Yeah.

Brass Knuckles: I can give him a knuckle sandwich too!

Lana: I'll gouge his eyes out!

Tayuya: I'll rip his fucking testicles off!

Lola: Disembowel him!

Qin: Rip out his brains and eat them!

WHOA WE ARE FULL OF SADISTIC IDEAS!

Squawktalk: All these ideas are making me hungry.

Me: For blood?

Squawktalk: Nope for food.

Nico: I think we can whip something up.

The fastest members came back and the house was all clean.

Nico: Wow that was fast.

Lola: Yep.

Benson: Anyone up for microwave wings?

Robo Roxy: Microwave wings?

Benson pulled out a capsule.

Benson: Watch. Just microwave.

He put it in the microwave and then turned it on and then in a couple of seconds a huge bucket of wings came!

Me: Whoa that is fast!

Nico: Yeah!

Benson: If you think the microwave wings are good, you should hear the song I made for them!

Scrapper: Can we hear it now?

Benson: Sure.

He got to singing.

Benson: (Singing)

Microwave wings, microwave wings.

This is Benson's recipe for microwave wings.

Dash of pepper.

Blast of curry

Mixing 'em slow-woah

Not gonna hurry.

Microwave wings, Microwave wings.

Where did everybody go after the show?

Benson's on his own again, don't ya know?

Benson eats alone

Benson eats alone.

It was a was a great song and it was awesome.

We cheered.

Me: Awesome Song Benson

Mysterio: Which Heartless Robot should I summon for this?

Yusei: How about Winterhorns.

Mysterio: Awesome choice.

Xenia: That's perfect.

Lola: Yep.

We ate all the wings clean.

Slugslinger: Man, I'm stuffed!

Me: (BURPS) Excuse me. Me too.

Qin: Boy those were awesome.

Lola: They sure were.

Eli: Yeah. (BURPS) Pardon.

Grundy: Grundy loved wings!

Nico: They were tasty.

Lola: Yeah. (BURPS) Sorry.

Nico: No worries. Now it's time for us to get to work.

Lana: Yep.

Femme Fatale: How far is Doug?

Eli: (Concentrates) 3 klicks.

Qin: That's close. But we're ready for him.

Lola: Yep.

Camie: He wants a fight, we'll give him armageddon.

Nico: Yep.

Terrorsaur: Entrance time!

Beast Wars Scorponok: You don't have to say it twice.

Nico: Lets do it.

We went outside to face him.

Doug and his workers were walking to the park and Doug was INFURIATED!

Doug MacFarland: I'll make those stupid park workers pay for what they did!

But then the spirits of the office appeared and then they swirled around Doug and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and we came out and landed.

Mordecai: Doug you will never hire anyone again.

Me: Doug MacFarland you are under arrest.

Doug MacFarland: On what charges?

Me: Assault and Battery, brainwashing and slavery.

Nico: That's right!

Yenaldoshi: Benson's a better boss then you!

Doug MacFarland: I'm A MUCH BETTER BOSS! Because I'm the World's Best Boss!

I grabbed his cup.

Me: You don't deserve this cup!

I gave it to Benson.

Benson: Thanks J.D.

Me: I've always wanted to say this. Doug MacFarland, YOU'RE FIRED!

Benson: Couldn't have said it better myself!

Me: Thanks!

Doug MacFarland: I WILL KILL YOU, YOU SON OF A BITCH!

Me: Bite my big fat fucking ass!

I fired energy lasers at his feet and blasted him all over and made him dance like a sissy girl.

POW!

Pops punched Doug right in his face.

Pops: That was for punching me in my face you jerk!

Nico: Nice shot.

Pops: Thanks.

Horsea squirted ink at him

And it went right into his eyes and blinded him.

Then the Irukanji twins grabbed both his arms and then…

SUPER POWERFUL ELECTROCUTION!

He screamed in pain as he was being electrocuted all over with quadrillions of volts of electricity!

Nico: YIKES!

Xenia: What a shock!

Then Amora the Enchantress, Killer Croc, Black Manta, Touch & Go, Plastique, Firebrand, Girder, The U-Foes, Wrecking Crew and Dark Turtles came.

Nico: Amora the Enchantress, Killer Croc, Black Manta, Touch & Go, Plastique, Firebrand, Girder, The U-Foes, Wrecking Crew and Dark Turtles.

Poliwag: We sure did!

Killer Croc: I would've loved to eat them!

Ironclad: Me too!

Bulldozer: Same with me!

Me: You guys will have plenty later after we finish up.

Black Manta: (to Nico) We heard you went to Narnia.

Dark Leo: And after you just visited there a few days ago.

Nico: We sure did and it was awesome.

Mr. Go: Did you fight anyone there?

Me: Just the remnants of The White Witch's army and we recruited them for you guys.

Nico: Yep.

Dark Mikey: That is cool!

Me: Yep.

Then Cruel Senturicon came!

Me: Cruel Senturicon! Been a while since we fought.

Cruel Senturicon: I know. Since the Brownie Zombie fiasco.

Nico: No kidding there.

Lola: Yeah.

Cruel Senturicon: Poromon, I hope you and the others didn't make cocaine with your chemistry skills.

Poromon: No way! We know never to make it.

Roger Smith: (Pouts) I would love cocaine made from them!

BLANG!

Rapunzel hit Roger on his head with a frying pan!

Rapunzel: Not on our watch Roger.

Nico: Nice one.

We got the battles underway.

Honoka: Yeah it's a nasty one. It's basically sick all the time.

Emu: Poor bird.

Bianca Mantodea: Yeah it's a sick bird.

Killer Croc: That is a sad sight. How come they are called Drug Peddling Midgets too?

---

Lincoln: Now, that Hannah's here, you can go ahead and show them the video, Ashley.

Ashley Apollo: You got it.

Ashley Apollo pulled up a video and it played on the screen, and it showed Ashley and Lincoln doing some singing practice with Anna Anyanova at The Loud House. But, their day was about to come to an abrupt end by an uninvited guest.

?: I WILL FUCKING KILL YOU FOR RUINING ME!

Past Anna Anyanova: Oh great, can't you give it a rest, you bitch?!

Everyone ran to the window, and they saw who it was that bellowed like that: Tanya Anyanova, and she was still dressed in her prison jumpsuit.

Past Ashley Apollo: Tanya broke out of the nuthouse again?!

Past Lincoln: That brat's gone crazy yet again!

Past Lori: Tanya, you're really starting to get on our nerves!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer and his claws grew sharper. But, then, Lincoln's upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON ANNA EVER AGAIN, TANYA! (WOLF ROAR)

Nico: Oh… Shit!

Lori: That bitch was so dead meat on a stick that day!

Lincoln let the beast out in him and Lincoln charged at Tanya, and he grabbed her by the collar of her jumpsuit and lifted Tanya up off the ground with such superhuman strength and he threw her into a tree, and he really attacked her with a dangerous ferocity, and he, Ashley, and Anna blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that bitch up in a red energy straitjacket.

Past Lori: This time, don't you ever come after us again, Tanya. Send that monster flying right back to the nuthouse!

Then, Lincoln, Ashley, and Anna gave Tanya a powerful punch that sent her flying right back to her cell in the nuthouse, and she ranted and angrily swore revenge and was screaming like crazy, and that warranted the warden to have her put in Solitary Confinement, so no one would have to hear her ugly voice as the video ended.

Nico: What a bitch!

Lincoln: That's putting it mildly.

Hannah MacKenzie: She was such a fame-crazy talentless bitch, and in the end, it proved to be her undoing when she angered Lori.

Lincoln: Now, to put an end to Ophelia Lazarus' madness.

Suddenly, a gold magic circle with Enochian Runes inside and a surrounding circle of crosses formed below Doug MacFarland's feet, and he was bound with golden holy chains. Then, Lincoln chanted an incantation in Latin, and he fired a blast of holy light from his massive greatsword which hit Doug MacFarland, and darkness and black smoke came off of him: those were the black magic remnants of Ophelia Lazarus' black magic ritual and it was destroyed forever. Doug MacFarland was purified, but he was then handcuffed and taken to jail.

Nico: That's another criminal sent to the slammer! And you did an awesome job in performing the exorcism, Lincoln.

Lincoln: Thanks, Nico. Now, there's only one thing left to do and one last loose end to tie up: Ophelia Lazarus of The Ghostrick Destroyers.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Ursula Truaigheaingeal: (Scottish Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Ophelia Lazarus, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Ophelia Lazarus, the religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic.

Ursula Truaigheaingeal: (Scottish Accent) Ophelia Lazarus, I should've known you'd show up here yet again! I thought Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Ophelia Lazarus: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one.

Ursula Truaigheaingeal: (Scottish Accent) Indeed, and now, it's high-time we bring this lunatic down for good.

Suddenly, Ursula Truaigheaingeal's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, darkness, light, Celtic Symbols, succubi, and angels, she unholstered her massive Ghostrick Angel of Mischief's Celtic Darkness Light Succubi Archangel Greatsword of Celtic Darkness Succubi Angel Justice from her back, and as she approached Ophelia Lazarus, she left pink energy, stars, darkness, light, Celtic Symbols, succubi, and angels with every step.

Ursula Truaigheaingeal: (Scottish Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. And don't think we haven't forgotten of what you did in using that black magic ritual to bring Doug MacFarland back from the dead, that's yet another line you've seriously crossed, Ophelia Lazarus, and for that, you shall pay the price for your misdeeds with your own blood.

Suddenly, Ursula Truaigheaingeal was surrounded by a massive vortex of pink energy with stars, light, darkness, and Celtic symbols surrounding the vortex, there are succubi, angels, and Ghostrick Angel of Mischief flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Ophelia Lazarus: the red eyes of eternal death. Then, as the vortex faded, Ursula Truaigheaingeal emerged, but she was changed forever.

CELTIC MUSIC PLAYS

Ursula Truaigheaingeal grew from 7'4" to 7'5" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing pink hair, she has neon pink eyes and a pink energy aura with stars, darkness, light, succubi, Celtic Symbols, angels, and fallen angels surrounding her, she has the Dark Kanji in the hands of Ghostrick Angel of Mischief emblazoned on her forehead and Third Eye with pink iris, she has on succubi earrings with pink gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Ghostrick Angel of Mischief with pink gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her pink angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Ursula Truaigheaingeal felt a sharp pain on her back, and then, her massive pink angel wings with black tips on the large pink feathers and black bat wings grew much bigger for her new body and she now has eleven massive and long pink wolf tails with black tips and black markings, she has on a Ring of The Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Ursula Truaigheaingeal's massive Ghostrick Angel of Mischief's Celtic Darkness Light Succubi Archangel Greatsword of Celtic Darkness Succubi Angel Justice and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of pink energy, stars, Celtic symbols, darkness, light, succubi, angels, and fallen angels, and when it emerged, it was transformed into Ursula Truaigheaingeal's Ghostrick Angel of Mischief Celtic Darkness Light Succubi Fallen Angel Greatsword of Celtic Darkness Succubi Fallen Angel Justice, it's a brand-new massive greatsword with embedded black gems and Ghostrick Angel of Mischief etched on the 7'4" massive, wide, double-edged pink blade, large pink Succubi heads for the crossguard, large white angelic faces built into both sides of the hilt with large pink gems embedded in their foreheads, longer midnight black handle, four large pink Succubi heads and below the pink Succubi heads is a large white angel head with pink gems for eyes and a pink gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Angel of Mischief's heads with pink gems for eyes and a large pink gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a pink kanji below Ghostrick Angel of Mischief and the Succubus that said, "Ursula Truaigheaingeal, Gene-Slammer of Ghostrick Angel of Mischief, Scotland's Succubus Angel of Darkness and Light, Older Sister of Rachel Truaigheaingeal, Powerful Member of The Ghostrick Gene-Slammers, Powerful Master of Darkness and Light, Friend of Many, Talented Anime Cosplayer, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lola, Archenemy of Voltix, Destroyer of Ophelia Lazarus of The Ghostrick Destroyers, Cousin of Morrigan Aensland, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Light, Succubi, Fallen Angels, and Angels"

Ursula Truaigheaingeal transformed into SUPER ANGEL-GHOSTRICK ANGEL OF MISCHIEF-SUCCUBUS-FALLEN ANGEL-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA CELTIC SUCCUBUS DARKNESS LIGHT GHOSTRICK MISCHIEF ANGEL OF DIVINE CELTIC DARKNESS LIGHT CELTIC SUCCUBUS ANGEL JUSTICE AND DIVINE CELTIC DARKNESS LIGHT CELTIC SUCCUBUS LOVE!

We were amazed by Ursula Truaigheaingeal's Super Angel-Ghostrick Angel of Mischief-Succubus-Fallen Angel-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ophelia Lazarus saw it, she fell into an even more darker and more insane rage and ran at Ursula Truaigheaingeal with a knife to stab her in the heart to kill her, but Ursula Truaigheaingeal fired a powerful barrage of pink energy blasts, stars, Celtic symbols, darkness, light, succubi, and angels at the insane vampire hunter and they exploded with incredible power as they hit her, and this really pissed them off.

Morrigan Aensland: (Scottish Accent) This is truly amazing, lads, now Ursula's transformed into her Universal Eternal Celestial

Xelnaga form.

Lincoln: Indeed she has, Morrigan. Plus, there's also another something we're going to show you all during the fight.

Ursula Truaigheaingeal: (Divine Echoing Cosmic Voice of The Celtic Darkness Light Celtic Fallen Angel Ghostrick Succubus Mischief Angel and Divine Celtic Darkness Light Celtic Fallen Angel Ghostrick Succubus Mischief Angel Love) (Scottish Accent) That's right. Now, let's rip her to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Ursula Truaigheaingeal.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Ophelia, now it's time we put you down for good!

Ursula Truaigheaingeal and Lincoln went after Ophelia Lazarus, and they fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Ophelia Lazarus and they exploded with incredible power as they hit her.

Then, they attacked him with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Ursula Truaigheaingeal also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Ophelia Lazarus mad.

Ophelia Lazarus: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Ophelia Lazarus was exposed for what she really is: she was really a vampire!

Nico: WHAT THE?! SHE'S A VAMPIRE!?

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And so are Audrey Blade and the rest of the lot. They aren't just so-called vampire hunters and religious fanatics and zealots who got exposed as murderous demons and heretics seven years ago, they're actually twenty-two of the most vicious, evil, and sadistic vampires ever to live.

We gasped.

Raven Ghostrick: That's right, they were born in Transylvania, and they really despised humanity for centuries. They were also the ones who sent that werewolf, Adolphus Bardawulf, to kill the parents of Ursula Truaigheaingeal and the other Ghostrick Gene-Slammers except for my parents who got hit with The Ghostrick Darkness Vengeance Curse when I stopped them from trying to cast a dark spell to bring misfortune, sickness, and death to Lincoln for their own sick amusement and I ripped out and imprisoned their souls in a painting in The Ghostrick Museum.

Isabella Lupa: Plus, no vampire hunter would ever use black magic, but these "vampire hunters" were able to, which was pointed out by Ophelia Lazarus' black magic ritual to bring Doug MacFarland back from the dead, and it also required a human sacrifice, so she grabbed a local thug from Michigan and sacrificed him for the ritual to be completed.

Claire Allaire: (French Accent) So, yeah, we're basically dealing with twenty-two evil demonic human despising vampires who are also the hated enemies of The Ghostrick Gene-Slammers.

Nico: Oh shit! This is no ordinary war, what we got is a Supernatural War!

Me: Yep.

Ophelia Lazarus ran at Lincoln and Ursula Truaigheaingeal, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Ophelia Lazarus' stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale. VAMPIRIC BLOOD LIFE ENERGY DRAIN!

Suddenly, all the gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds suddenly began glowing green, and then, Lincoln began draining Ophelia Lazarus of all her life energy and blood, and when he was done and he removed his massive greatsword from her stomach, Ophelia Lazarus was now a desiccated corpse drained of her vampiric powers, blood, and life energy, and as soon as her soul appeared, Lincoln fired a blast of energy from his massive greatsword and had her imprisoned inside an energy card. We cheered wildly for what Ursula Truaigheaingeal and Lincoln did as they holstered their weapons and powered down, and Ursula Truaigheaingeal's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, and massive pink angel wings and bat wings are permanent.

Ursula Truaigheaingeal: (Scottish Accent) That's one down and twenty-one of these monsters to go, a good start to the war. Thank you for helping me get rid of that religious fanatic and zealous heretical vampire, Linky.

Lincoln: (Smiles Warmly) You're welcome, Ursula.

Suddenly, Ursula Truaigheaingeal wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ursula Truaigheaingeal's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Succubus, and Ghostrick Angel of Mischief flying in the air, and we saw a herd of Buffalo and many animals running across the field, and the sound of Celtic Music played behind them and we cheered wildly. Then, Lincoln and Ursula Truaigheaingeal absorbed the elemental forces and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome and incredible fight and a good start to the war, Lincoln, Ursula, that was one awesome and epic fight. Plus, now we know that we're not just dealing with twenty-two so-called vampire hunters who were also well-known religious fanatics and zealots who got exposed as murderous demons and heretics, but also exposed as twenty-two demonic vampires from Transylvania.

Me: Yeesh, so we got a group of really evil vampires running loose.

Lincoln: Yep. Now, follow us, guys, it's time we showed you the castle of The Michigan Supernatural Defense Force.

We headed back home and Lincoln and the Michigan Supernatural Defense Force guided us to their castle, and we saw it for ourselves: it looked like a Gothic Vampire Castle from fantasy with stone gargoyles perched on the pedestals of the castle's towers along with stone vampire bats perched on the stone pedestals of the castle.

Me: (WHISTLES) Wow, what a castle!

Nico: You got that right, this is so awesome!

Then, we went inside, and the inside of the castle was even more amazing, it had a stairway and a massive library full of dark magic spellbooks and history tomes, it also had rooms on the upper and lower parts of the castle, a kitchen, and a room filled with weapons meant for killing evil vampires, werewolves, demons, and other supernatural creatures. Then, we headed for The Foyer, the meeting place of The Michigan Supernatural Defense Force, and there were nineteen vampire thrones meant for Lincoln, Victoria Kurenai, Kaylee Nago, Tamara Nobori, Selena Kurenai, Teresa Shiramine, Taylor Sugimura, Ravenna Amaranth, Ashina Valerian, Renata Nefaria, Vespera Dracona, Marianne Shelly, Adriene Camazotz, Melania Douglas, Nerida Highseas, Maya Chodren, Masina Ginette, Angelica Mirabella, and Helena Krusneg.

Me: Whoa, now this is what I call a meeting place.

?: I'm glad you all like it.

Suddenly, we saw five girls with different colored hair: dark blue, red, white, dark brown, and dark green, blue eyes, and dressed in sleeveless dark blue, red, white, dark brown, and dark green tops, midnight black short-sleeved blouses, long midnight black frilly skirts with jewels around the waists, gothic lace stockings, and knee-high dark blue, red, white, dark brown, and dark green boots with butterfly buckles and sleeveless white long trenchcoats and they had five Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with three Elemental Thunderbird Chokers of Eternal Love on their necks.

Lincoln: Nerida Highseas, Maya Chodren, Masina Ginette, Angelica Mirabella, and Helena Krusneg, Embodiments of The Mermaid, Gigant, Ghost, Hobbit, and Goblin Races, I knew we'd meet you five again.

Nerida Highseas: Yep, and wow, you've really grown into a really handsome young man, Lincoln.

Nico: Whoa, so these five are…?

Lincoln: Yep. That's Nerida Highseas, Embodiment of The Mermaid Race, Maya Chodren, Embodiment of The Gigant Race, Masina Ginette, Embodiment of The Ghost Race, Angelica Mirabella, Embodiment of The Hobbit Race, and Helena Krusneg, Embodiment of The Goblin Race, they're my Guardian Angels from Michigan and they were born with not only the powers and strengths of the mermaid, hobbit, ghost, yeti and cyclops, and goblins, but they were also born with the dark powers and strengths of The Mermaid, Gigant, Ghost, Hobbit, and Goblin Races and none of their weaknesses. They're known for defending me with a fierce passion not only from my enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and they've also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like the other vampires and I, they feed on blood bags from the blood bank, and they also knew of me being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and they're also friends with Lucy and her friends in The Young Morticians' Club. They're also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by me, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman

Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. I made them beautiful necklaces with white pearls and gems for the pendant, and to show thanks, they each kissed me on the lips underneath the full moon as the wolves howled and the vampire bats flew to enjoy the darkness, and they hates Flip, Scoots, Lewis Travolta, Hawk and Hank, and Chandler and his cronies with a burning passion, and they absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of them, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiments of The Mermaid, Gigant, Ghost, Hobbit, and Goblin Races.

Me: Awesome.

Angelica Mirabella: We also got the word that Audrey Blade and the Ghostrick Destroyers had come back, is it true?

Lincoln: Yes, it is, and just now, Ursula and I defeated Ophelia Lazarus.

Lincoln took out the energy card with Ophelia Lazarus' drained soul imprisoned inside.

Ravenna Amaranth: Now, follow us to our special room.

We followed them to a room in the castle and inside the room are cages with the souls of some of Royal Woods' most dangerous criminals and thugs imprisoned inside with suction tubes attached to them which are meant to suck out life energy from them when the curse gives them back their life energy.

Lincoln: This is The Room of Tortured Souls, it's our imprisonment room for the souls of some of Royal Woods' most dangerous thugs and criminals. After I drained them of their life energy, I then imprison their souls inside these cages and with suction tubes attached to them which are meant to suck out life energy from them when my curse gives them back their life energy.

Me: Only to have it sucked out of them, yeesh, that's a punishment that only the most wicked could get.

Nico: Yeah.

Lincoln then placed the soul of Ophelia Lazarus in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Ophelia Lazarus' life energy was being sucked out of her again: she was condemned to that punishment for the rest of eternity, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they sat on their vampire thrones and they gained a massive power boost.

Lincoln: And the life energy that was drained from the prisoners flows into us, and we gain a massive power boost. Consider it the kind of punishment only Drakus could think of.

Drakus: And I've come up with a lot of fucking crazy punishments for criminals.

Sebastian Mendez: Ones that usually end with you taking their lives in the cruelest ways imaginable.

Nico: He's got you pegged on that one. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, her name is Abigail Athena, Daughter of Athena, Greek Goddess of War, Handicraft, and Practical Reason.

Me: Whoa! Now, that's really awesome!

Selene Emperyous: You got that right. Abigail Athena is Lincoln's

Guardian Angel from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of War, Handicraft, and Practical Reason, and she has all her mother's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Laney, and Abigail and Lincoln helped Laney a lot when it came to putting an end to disputes which are mainly caused by the pointless arguments of Lori, Lynn, Lola, Lisa, and Luan, and Abigail helped in teaching Lincoln everything she knows about tactics of warfare and trying to reason with those who were so stubborn and hard-headed. Lincoln made Abigail a beautiful necklace with yellow gem for the pendant, along with a white short-sleeved blouse, yellow sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Abigail kissed Lincoln on the lips as light shined down from Olympus, and it was truly beautiful, and she really hates Lynn with a bloody passion, because Lynn absolutely hated Abigail for always defending Lincoln whenever she along with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Abigail everything about what that overly aggressive, belching, farting, rude smelly gym bag has done to Lincoln, and one time when Lincoln and Abigail were enjoying a day in the park, Lynn showed up and tried to kill Lincoln again, that was until Lincoln let loose the beast inside him and he viciously attacked that bitch with a dangerous ferocity, and he and Abigail blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that hard-headed moron up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn tried to do to him and Abigail, they were really furious, and when they also found out Lori, Lola, Lisa, and Luan also conspired to do Lincoln and Abigail in, they were quickly apprehended, and then, Lincoln and Abigail furiously dragged Lynn back to The Loud House, and as a result, Lori, Lynn, Lola, Lisa, and

Luan were grounded for fourteen weeks for their attempted murder of Lincoln and Abigail, and they got thrown in a padded cell container and wrapped in straitjackets.

Nico: Lynn, your Dark Side made you nothing more than a hard-headed moron and a bully!

Lincoln: That's putting it mildly, and tomorrow, we'll be taking on Eloise Kieran, the next member of The Ghostrick Destroyers.

Tiana Masala: (Scottish Accent) Aye, and that'll be left up to me and you, Lincoln.

Lincoln: Right, Tiana. Audrey Blade, you better be ready, the war's already started, and the one thing awaiting you and the rest of your undead vampire allies is a stake being driven right into your black hearts.

Qin: Now Doug MacFarland is going to be behind bars for a long long time

Plastique: When he gets to prison, he's in for Hell.

Firebrand: He sure is!

Me: Big time.

Girder: But he won't die right away.

Dark Don: It wouldn't be satisfying otherwise.

X Ray: Time to celebrate!

Piledriver: With microwave wings!

Nico: That is for sure. Great job today everyone. That's another one of the rogues of Mordecai and Rigby dealt with.

Benson: You got that right.

Nico: Yeah no kidding.

Xenai: Yep.

Mordecai: (To the viewers) This was a fun adventure. To all bad bosses out there, you better be ready for us to come rough you up.

Me: Yep.

We went and had some wings and enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading back to Universe 666 Earth, and we got word that the Universe 666 Teen Titans have broken out of prison and they want revenge on us for what we did to Evil Nico and what we've been doing to his extremely loyal followers, but we're going to make them all pay, and it'll be the perfect opportunity for Lincoln to try out the newly improved golden circular chest plate on his version of He-Man's chest harness that was enhanced when The Master of Games' enchanted amulet merged with his chest harness. And we're going to be meeting the next Daughter of The Olympian Gods and Goddesses, her name is Abigail Athena, Daughter of Athena, Greek Goddess of War, Handicraft, and Practical Reason, she's Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of War, Handicraft, and Practical Reason, and she has all her mother's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Laney, and Abigail and Lincoln helped Laney a lot when it came to putting an end to disputes which are mainly caused by the pointless arguments of Lori, Lynn, Lola, Lisa, and Luan, and Abigail helped in teaching Lincoln everything she knows about tactics of warfare and trying to reason with those who were so stubborn and hard-headed. Lincoln made Abigail a beautiful necklace with yellow gem for the pendant, along with a white short-sleeved blouse, yellow sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Abigail kissed Lincoln on the lips as light shined down from Olympus, and it was truly beautiful, and she really hates Lynn with a bloody passion, because Lynn absolutely hated Abigail for always defending Lincoln whenever she along with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies who plotted to kill him, and Selene Arcangela told Abigail everything about what that overly aggressive, belching, farting, rude smelly gym bag has done to Lincoln, and one time when Lincoln and Abigail were enjoying a day in the park, Lynn showed up and tried to kill Lincoln again, that was until Lincoln let loose the beast inside him and he viciously attacked that bitch with a dangerous ferocity, and he and Abigail blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that hard-headed moron up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn tried to do to him and Abigail, they were really furious, and when they also found out Lori, Lola, Lisa, and Luan also conspired to do Lincoln and Abigail in, they were quickly apprehended, and then, Lincoln and Abigail furiously dragged Lynn back to The Loud House, and as a result, Lori, Lynn, Lola, Lisa, and Luan were grounded for fourteen weeks for their attempted murder of Lincoln and Abigail, and they got thrown in a padded cell container and wrapped in straitjackets.

Along with another of Lincoln's Guardian Angels, and we're going to be in for quite the surprise with this one, her name is Michelle Kibutsuji, she's Lincoln's Guardian Angel from Michigan and not only is she a very powerful Goth Girl with incredible dark powers and mastery over dark magic, The Occult, and dark forces, but she's also an incredibly powerful demon, and here's something that's bound to shock you: she's the biological daughter of Muzan Kibutsuji, The Demon King and The Progenitor of The Demons from Demon Slayer: Kimetsu no Yaiba. It turns out that many years ago, Muzan Kibutsuji under a false name, met a young woman in Royal Woods, Michigan, and then, a beautiful baby girl was born to them, and she not only had her father's immeasurable demonic powers, abilities, and demonic blood, but surprisingly, she was born healthy and didn't get hurt by the sun. As she grew older, her eyes changed from blue to blood red with cat-like pupils, and then, massive midnight black angel wings grew and sprouted out from her back. Eventually, her father told her of who he really is, that he's none other than Muzan Kibutsuji, The Demon King and Progenitor of The Demons. But, despite that, she still loved her father, and she knew of his inflated ego and delusional sense of self worth, yet, somehow that diminished greatly due to his own daughter and the woman he met long ago. One day, Michelle was walking home from school when she suddenly heard a scream in the distance, she ran over and she saw Lincoln was being beaten up by Lori, Lynn, Lola, Lisa, and Luan who ambushed him and the five mean sisters already pulverized his friends and were already beating him up. This angered Michelle greatly, and she ran right at Lori, Lynn, Lola, Lisa, and Luan, and she got them off Lincoln easily with her immeasurable strength and sent them running for the hills. She checked on Lincoln and she decided to get him to a hospital, but then, she was met by Adriana Ardelean Dracula who showed up with a blood bag for him, which he grabbed and sank his fangs into and drained it which healed his wounds. This amazed Michelle greatly, and Lincoln told Michelle the truth: he was a vampire-werewolf hybrid, and they explained the events of what happened, and this shocked her. Then, she told Lincoln of who she is, and even telling him of who her father is, and this really stunned him and the other Guardian Angels. But, instead of being afraid, he hugged her tightly and she hugged him back, this also didn't go unnoticed by her father, Muzan Kibutsuji, who saw the whole thing as he came out of the shadows. Michelle became a member of Lincoln's Guardian Angels, and it was right from there that Lincoln swore to keep her lineage a secret, so not even Lori, Lynn, Lola, Lisa, Luan, nor even Lincoln's enemies can find out, but Muzan also swore that Lincoln also needed to keep it a secret from Leni, Luna, Laney, Lana, Lily, and his parents, and that also meant Lucy cannot find out about it as well.

Get ready for an awesome adventure as we go help Jake Long battle the Gorgon Sisters and it will be an awesome battle of the myths. We're going to seal those 3 evil sisters into the Book of Vile Darkness.

See you next time

Nico: I told the guards not to have him killed right away.

Me: Good. I bet he doesn't last a month in prison.

Nico: Me too.

Qin: Same here.

Xenia: Yeah that jerk has been asking for it. Especially after how he punched Pops.

Leeli: Yeah no kidding! He deserved that.

Girl Jordan: You got that right.

Varie: Darn shame we didn't torture him like we said.

Nico: Well it's for the best.

Maria: Make sure he only gets Bread and Water, ice cold showers and gets his ass whomped by guards around the clock and make sure he only kills himself before parole.

We laughed!

Me: (LAUGHS) You took the words right out of my mouth Maria!

Qin: (LAUGHS) That is funny!

Laney: Chief Wiggum would be proud!

Nico: (LAUGHS) You got that right!

We saw the mascots at the mall too.

Me: Oh be right back.

I took the bags and teleported and put them in the fridge back home and then came back.

Me: Okay.

Manaphy: Thanks.

Me: No problem.

Poromon: I saw some Gene Slammers here.

Me: Really?

Nico: Wow. Where?

Poromon: I saw one head into the Rug Store.

Nico: Lets go see.

We went into the rug store.

Me: Boy look at all these rugs.

Qin: So awesome.

Leeli: They sure are pretty.

Camie: I'll say.

Lola: Yeah.

Me: Uh oh!

Nico: There!

We saw a girl with purple hair and purple eyes and had purple angel wings and purple clothes and had the kanji for Snake in the middle of her forehead and she was sinking in a red Quickrug!

Me: (GASP) Tina Toxica!

Qin: WHOA!

Me: She's sinking in a Quickrug!

Lola: Lets go!

We went over to her.

Tina Toxica: HELP!

Poromon: LET HER GO!

Poromon pecked the Quickrug with his beak.

Me: Poromon that's not going to do anything.

Leeli: I got this.

She spread her wings and flew over and grabbed her and pulled her out.

Me: Nice save Leeli.

Xenia: Poisonous.

Tina Toxica: Yep.

Then we heard a scream of pain coming from the Sporting Goods store!

Nico: Uh oh!

Qin: Lets go!

We went there and saw a girl with black hair and red eyes and black clothes and had pitch black angel wings and she had her ankle caught in a bear trap and was bleeding profusely!

Nico: Oh no Ariana Hernandez!

Nicole Hernandez: Sister!

Fiona Hernandez: Oh man! We thought we would never see you again!

Me: Hang on.

Horsea sprayed the bear trap with ink

Maria: Horsea that is not going to do any good.

Me and Maria got on both sides of the trap.

Me: Hang on Ariana we'll have you out of this.

Maria: Yeah.

Ariana Hernandez: Thanks guys.

Me: Ready Maria? One, Two, Three!

We pulled on both sides and then got it open and she pulled her leg out.

Ariana was carried over to a bench and Varie wrapped her ankle in a cast.

Varie: You're going to be okay. Just keep that cast on for 4 weeks.

Ariana Hernandez: Okay. Ouch.

Leeli gave her a crutch.

Leeli: You can use my old crutch.

Ariana Hernandez: Oh thank you. But I think I'm too big for it.

Me: Here.

I gave her a crutch her size.

Ariana Hernandez: Thanks.

She got up.

Ariana Hernandez: Thanks guys. Also Fiona, Nicole, Maria and Natasha it's great to see you.

Natasha Hernandez: Same here.

Me: WHOA!

Lola: That is amazing!

Poliwag: Who else is there?

?: A little help here!

Nico: It's from the kitchen store!

We went there and saw a girl that had red hair, red eyes and had purple angel wings and had purple clothes and she was stuck to the wall with sticky caramel!

Me: Melanie Magica!

Nico: She's stuck to the wall with Caramel.

We went over.

Maria: Okay here we go.

Maria fired waves of water and drenched the Caramel and got it off her and she came off.

Maria: There.

Melanie Magica: Thanks guys.

Me: Anytime.

Melanie Magica: It's awesome you came. And yes I'm the gene-slammer of the Dark Magicians.

Nico: Whoa!

Eli: Father's signature monster. That is awesome.

Xenia: It sure is.

?: HELP!

Nico: The book store! Come on!

We went to the book store and saw a girl with black hair, purple eyes and purple wings and red clothes. She was buried under a massive pile of really heavy books.

Me: Yumi Valerious!

We got the books off of her.

Laney: Boy these are really heavy psychology manuals.

Nico: Wow these are heavy.

We got them off her.

Poliwag slapped a book away with his tail.

We got them off her and help her out.

Yumi Valerious: Thanks guys. Man those were really heavy.

Qin: No kidding.

Yumi Valerious: Yeah. Also I am the gene-slammer for the Agents of the Planets.

Me: Awesome.

?: HELP!

Me: The toy store!

Qin: Lets go!

We went there and saw a girl with orange hair, orange eyes and orange clothes and she had the symbol of Koa'Ki Meiru in the middle of her forehead and on her skirt. And she was surrounded by a bunch of walking teddy bears that had MURDER in their eyes!

Me: Kona Exxerious!

Poromon: HEY! Get away from her you bad bears! (Echoing) LIGHTNING JAVELIN!

He fired a wave of lightning and incinerated the bears in an instant!

Nico: YEAH!

Kona Exxerious: Whew! Thanks guys.

Me: Thank Poromon. Awesome to see you again Kona.

Kona Exxerious: Same here and also yes I am the gene-slammer of the Koa'Ki Meiru monsters.

Qin: Cool.

Manaphy: Who's next?

?: (LAUGHS) HELP! (LAUGHS)

Me: The pet store!

We went there.

We then saw a girl with black hair, blue eyes and had black angel wings and had maid clothes on and she was being loved and licked all over by a bunch of cute Alaskan Malamute puppies.

Me: (LAUGHS) Nina Numeros. So cute.

May: Aww look at all the puppies.

We got them off and petted them.

Me: Aww hey little guy.

Fluttershy: (Giggles) You are all so adorable.

Camie: Yeah you sure are.

Nina Numeros: Thanks guys.

Nico: You're welcome.

Nina Numeros: Yes I was looking at the puppies and then they piled onto me and it was awesome.

Me: (LAUGHS) So cute.

Nina Numeros: Yeah. Also I'm the gene-slammer of all the Numbers monsters.

Lola: Whoa! That is amazing!

Lana: Yeah!

Nico: Yep.

Manaphy: Anyone else?

Poromon: I did see a Swordfish Gene-slammer go into the clothing store.

Leni: Oh man!

Me: Lets go!

We went there after putting the puppies back and sure enough we saw a girl Swordfish Gene-slammer there.

Me: Whoa she is half swordfish.

Nico: Lets go see.

We went over.

Nico: Hello there.

Swordfish: Nico!? Whoa!

Nico: Wendy Blood!? Whoa!

Wendy Blood: Awesome to see you again Nico. Just not in this form.

Me: Wait are you related to…

Wendy Blood: I sure am. I'm the descendant of the pirate Captain Blood.

Lola: Whoa! He was a dangerous pirate.

Wendy Blood: I know.

Nico: What were you doing before being Gene Slammed?

Wendy Blood: I was on the beach looking for buried treasure. It was my ancestors treasure that he buried hundreds of years ago and it rightfully belongs to me.

Nicole: The lost treasure of Captain Blood. I have been trying to find that for years. As an amazing treasure hunter myself I can definitely help you out with that.

Wendy Blood: Thank you Nicole.

Me: Paradigm did this to you.

Wendy Blood: I know.

Qin: Well he is dead now.

Camie: Yep.

Lola: Yeah. Good riddance.

Wendy Blood: Good riddance is right.

Maria: Time to revert you back.

Me: Yep.

I put on my blind man glasses.

Me: But just so you know this is going to hurt really bad.

Wendy Blood: I understand. I'm ready.

Nico: One last thing. Eli can you sense for Swartz's creations too?

Eli: I sure can.

He concentrated.

Eli: Found them! Another Sedusa Z, Vibro, Mercury, Palladium, Indium, Radon, Potassium, Evil Drill Man and Amora.

Lola: Whoa!

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and Wendy doubled over in excruciating pain as she was reverting back!

Her nose shortened.

Her hair came back and so did her eyes and skin. She changed back and she was a girl with blue hair and blue eyes and she had the kanji for Sword in the middle of her forehead.

She was back to normal and she got up and she was was naked.

Wendy Blood: That was painful.

She saw her hands and they were back to normal and then she saw herself and screamed.

Wendy Blood: GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

Lincoln: That's right. But, they're not going down without a fight.

Robin: If it's a fight they want, then, it's a fight they'll get.

Lucy Heartfilia: Right.

Suddenly, we saw two girls heading for us: the first is a very beautiful and super sexy girl with long auburn hair and yellow hairband, yellow eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a white short-sleeved blouse, sleeveless golden yellow top, necklace with pearls and blue gem for the pendant, long ankle-length white skirt, white bridal gloves, yellow knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with owls and angels on the coattails and on the back is Athena, and holstered on her back is a massive Athena-themed greatsword with embedded yellow gems and Athena etched on the 7'0" massive, wide, double-edged silver blade, large yellow owl heads for the crossguard, large white angelic faces embedded on both sides of the hilt with yellow gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large yellow gem on the bottom of the large white angel heads for the pommel.

And the other is a very beautiful and super sexy girl with long midnight black hair and red hairband, red eyes with cat-like pupils, demon fangs, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful midnight black angel wings, she's dressed in a black and white short-sleeved top, necklace with pearls and blood red gem for the pendant, black pants, white bridal gloves, midnight black knee-high high-heeled boots with butterfly buckles, black coat, and long white sleeveless trenchcoat with demons, blood, and angels on the coattails and on the back are Twelve Demon Moons, and holstered on her back is a massive Twelve Kizuki-themed greatsword with embedded blood red gems and the eyes of Muzan Kibutsuji etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black demon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with blood red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blood red gem on the bottom of the large white angel heads for the pommel.

Selene Arcangela: (Gasps) The owl motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Brown-Haired Girl: That's right.

Black-Haired Girl: And we got the girls away from the Universe 666 Titans before they could kill them, and we also got bad news: Eloise Kieran was the one who busted them out of prison.

Lincoln: (Gasps) Those two voices, Abigail Athena and Michelle Kibutsuji, I knew it was you two.

?: None of you will ever leave this place alive!

We then saw our targets, the Universe 666 Teen Titans, and not only was it a huge army of them, but they were all pissed off.

Sylvester: Oh great, here come the disgraces to the real Teen Titans.

Lincoln: We've really got our work cut out for us, but we're ready for them.

Suddenly, the red gems around the large circular gold chest plate on Lincoln's chest harness began glowing, and then, the red gems fired massive multiple beams of red energy which ensnared all of The Universe 666 Teen Titans, and then, they were all sucked into the gems, and Lincoln's rainbow energy aura flared up as he began absorbing and assimilating their powers and abilities, all of them, and he was gaining an astronomical power boost. Then, the red gems fired red energy beams and expelled the Universe 666 Teen Titans. Universe 666 Starfire tried to fire a green starbolt but nothing, the same went with the others, but nothing.

Lincoln: Whoa, what did…?!

Starfire: You absorbed and assimilated all of their powers and abilities, Lincoln, and now, we have a chance to defeat them.

Lincoln: Right. Alright, everyone, pile on and tear those disgraces to pieces.

Then, Michelle Kibutsuji fired flesh tendrils with sharp nails, and they stung the Universe 666 Titans and she injected them with her blood, and we saw their veins turn red and their skin darken, and because their now normal bodies were unable to withstand the mutagenic transformation, their cells were destroyed and they dissolved into blobs of flesh before turning to ash. We cheered as we holster our weapons and powered down.

Lincoln: We've gotten rid of the Universe 666 Teen Titans, but Eloise Kieran's going to pay for this later on today.

Tiana Masala: (Scottish Accent) Aye, that delusional vampire's going to get the same punishment as Ophelia Lazarus.

Lincoln: You got that right, Tiana. (To Abigail Athena and Michelle Kibutsuji) And it's so good to see you again, Abigail Athena and Michelle Kibutsuji.

Abigail Athena: You too, Linky, it's been a long time.

Michelle Kibutsuji: Seven years has been quite a very long time.

Lincoln went up to Abigail Athena and Michelle Kibutsuji and he hugged them, and Abigail Athena and Michelle Kibutsuji are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ashley Apollo: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness.

Michelle Kibutsuji: You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know these two girls?

Lincoln: Indeed I do, J.D., the first girl is Abigail Athena, Daughter of Athena, Greek Goddess of War, Handicraft, and Practical Reason, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of War, Handicraft, and Practical Reason, and she has all her mother's powers, she's immortal, and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do me harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, my enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan.

Selene Emperyous: And she's really good friends with Laney, and Abigail and Lincoln helped Laney a lot when it came to putting an end to disputes which are mainly caused by the pointless arguments of Lori, Lynn, Lola, Lisa, and Luan, and Abigail helped in teaching Lincoln everything she knows about tactics of warfare and trying to reason with those who were so stubborn and hard-headed. Lincoln made Abigail a beautiful necklace with yellow gem for the pendant, along with a white short-sleeved blouse, yellow sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Abigail kissed Lincoln on the lips as light shined down from Olympus, and it was truly beautiful, and she really hates Lynn with a bloody passion, because Lynn absolutely hated Abigail for always defending Lincoln whenever she along with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Abigail everything about what that overly aggressive, belching, farting, rude smelly gym bag has done to Lincoln, and one time when Lincoln and Abigail were enjoying a day in the park, Lynn showed up and tried to kill Lincoln again, that was until Lincoln let loose the beast inside him and he viciously attacked that bitch with a dangerous ferocity, and he and Abigail blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that hard-headed moron up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn tried to do to him and Abigail, they were really furious, and when they also found out Lori, Lola, Lisa, and Luan also conspired to do Lincoln and Abigail in, they were quickly apprehended, and then, Lincoln and Abigail furiously dragged Lynn back to The Loud House, and as a result, Lori, Lynn, Lola, Lisa, and Luan were grounded for fourteen weeks for their attempted murder of Lincoln and Abigail, and they got thrown in a padded cell container and wrapped in straitjackets.

Nico: Jeez, so it was a conspiracy of all five sisters, but in the end, they were brought down.

Lincoln: And punished by our parents. Now, you're in for quite the surprise with this next girl, and you'll be shocked when you find out who she's related to. The next girl is Michelle Kibutsuji, she's my Guardian Angel from Michigan and not only is she a very powerful Goth Girl with incredible dark powers and mastery over dark magic, The Occult, and dark forces, but she's also an incredibly powerful demon, and here's something that's bound to shock you: she's the biological daughter of Muzan Kibutsuji, The Demon King and The Progenitor of The Demons.

We gasped, and my jaw and Nico's dropped to the floor.

CLANG!

Then, we fainted.

FWOMP!

Eli: Wait, what?! Michelle's the daughter… of Muzan Kibutsuji?! But, how on…?!

Nicholette Torrington: It turns out that many years ago, Muzan Kibutsuji under a false name, met a young woman in Royal Woods, Michigan, and then, a beautiful baby girl was born to them, and she not only had her father's immeasurable demonic powers, abilities, and demonic blood, but, she was born healthy and didn't get hurt by the sun. As she grew older, her eyes changed from blue to blood red with cat-like pupils, and then, massive midnight black angel wings grew and sprouted out from her back. Eventually, her father told her and her mother of who he really is, that he's none other than Muzan Kibutsuji, The Demon King and Progenitor of The Demons. But, despite that, she still loved her father, and she also knew of his inflated ego and delusional sense of self worth, yet, somehow that diminished greatly due to his own daughter and the woman he met long ago. One day, Michelle was walking home from school when she suddenly heard a scream in the distance, she ran over and she saw Lincoln was being beaten up by Lori, Lynn, Lola, Lisa, and Luan who ambushed him and the five mean sisters already pulverized his friends and were already beating him up.

Bertha Sellington: This angered Michelle greatly, and she ran right at Lori, Lynn, Lola, Lisa, and Luan, and she got them off Lincoln easily with her immeasurable strength and sent them running for the hills. She checked on Lincoln and she decided to get him to a hospital, but then, she was met by Adriana Ardelean Dracula who showed up with a blood bag for him, which he grabbed and sank his fangs into and drained it which healed his wounds. This amazed Michelle greatly, and Lincoln told Michelle the truth: that he was a vampire-werewolf hybrid, and we explained the events of what'd happened, and this shocked her. Then, she told Lincoln of who she is, and even telling him of who her father is, and this really stunned him and the other Guardian Angels. But, instead of being afraid, he hugged her tightly and she hugged him back, this also didn't go unnoticed by her father, and we soon came face to face with Muzan Kibutsuji, who saw the whole thing as he came out of the shadows.

Clara St. Clarice: Michelle became a member of Lincoln's Guardian Angels, and it was right from there that Lincoln swore to keep her lineage a secret, so not even Lori, Lynn, Lola, Lisa, Luan, nor even Lincoln's enemies can find out, but Muzan also swore that Lincoln also needed to keep it a secret from Leni, Luna, Laney, Lana, Lily, and his parents, and that also meant Lucy cannot find out about it as well.

Me: Which he did, and I was surprised you all ran into Muzan Kibutsuji all those years ago.

Lincoln: We were all surprised, but we swore to keep it a secret, and Michelle became one of my Guardian Angels.[

Michelle Kibutsuji: And I knew Nezuko and Lincoln had to defeat my father to keep him from causing havoc, and he was eventually brought back.

Kendall Morgan: And I now have your father as my archenemy, though we have yet to do our first usual battle.

Tyler Navarro: You will, Ms. Morgan.

Lincoln: Tyler's right, your first usual battle with Muzan Kibutsuji will come soon. And now that you're both here, Abigail and Michelle.

Lincoln went up to and hugged Abigail Athena in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Michelle Kibutsuji in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Abigail Athena: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Nico: Whoa, he didn't undergo any sudden changes when he fed on Michelle's blood, but how on…?

?: It's because of his unique physiology that he didn't undergo any changes.

Suddenly, we were met by Muzan Kibutsuji.

Muzan Kibutsuji: Lincoln's unique physiology made him immune to the rapid changes that demons who are given an amount of my blood, and his hybrid blood allowed him to adapt to the blood of all those he feeds on along with gaining those same powers. And now that my daughter's back, now the memories of my time in Royal Woods have also come back as well.

Lori: So, that man that we saw in town those seven years ago… , it was you.

Luna: And we didn't even piece it together, not even Lucy, and she was into spooky things.

Lucy Loud: He covered his tracks well, and not even my powers over the darkness were able to track him down.

Suddenly, two Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Abigail Athena and Michelle Kibutsuji with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Abigail Athena: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Abigail Athena and Michelle Kibutsuji.

Abigail Athena and Michelle Kibutsuji had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leaned down to each of their faces and he kissed each of them passionately on the lips, and they also returned it, and we cheered for them, and Muzan Kibutsuji vanished, but not without having a smile on his face for the first time in his immortal life.

Muzan Kibutsuji: At least, now I know Michelle will be closely protected from now on.

Then, we went up to the three girls, and when Lincoln saw who they were, he immediately recognized them. The three girls are Natsumi Akashi, Yuki Sanada, and Chikage Gotou from Welcome to Club Romance.

Lincoln: Oh wow, it's Natsumi Akashi, Yuki Sanada, and Chikage Gotou from Welcome to Club Romance.

Nicole: Whoa, looks like you've gotten yourself some voluptuous beauties who are experts when it comes to romance.

Lincoln: Nicole. Are you girls okay?

Natsumi Akashi: Yes, we're okay, thanks to you.

Then, when Natsumi Akashi and the other two girls saw who it was that saved them from the Universe 666 Teen Titans, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above

Natsumi Akashi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Yuki Sanada: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Natsumi Akashi, Yuki Sanada, and Chikage Gotou with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after went after were the Universe 666 Teen Titans who'd broken out of prison and they want revenge on us for what we did to Evil Nico and what we've been doing to his extremely loyal followers, and even worse, it was due to the deeds of Eloise Kieran, one of the twenty-two human-despising vampires and member of The Ghostrick Destroyers.

But, when Lincoln showed what happened first with the red gems around the gold circular chest plate of his chest harness glowing and then, he sucked in all the Universe 666 Teen Titans and he began absorbing and assimilating all their powers and abilities and he made them his own, and then, the gems shot them out, and they were now powerless, and then, we gave them the beatdown of their lives and it ended with Michelle Kibutsuji administering some of her demonic blood which caused their bodies to break down and turn to ash and were sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln, Abigail Athena, and Michelle Kibutsuji have a lot of catching up to do, now that they're

back in town.

Maria: So, that human-despising vampire was behind this?! Oh, she's so going to get it big time!

Lincoln: She'll suffer the same fate as Ophelia Lazarus, Maria.

Nico: Say, what if you transform your left arm into a monstrous tentacle like Muzan, and sent it at her to devour her, that would be a brutal death for her.

Sebastian Mendez: Nico, don't give him any ideas.

Lincoln: Too late, and that's not a bad idea, Nico. Muzan's Blood Demon Art and his frequently used ability is Biokinesis, so I'll use it on Eloise Kieran later on today.

---

After destroying The Universe 666 Teen Titans after Lincoln absorbed and assimilated all their powers and abilities, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Abigail Athena and Michelle Kibutsuji saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Abigail Athena: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of.

Michelle Kibutsuji: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Abigail Athena: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Michelle Kibutsuji: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Abigail, Michelle, what are the stories you all have on how you took down Lori, Lynn, Lola, Lisa, and Luan?

Abigail Athena: Let me go first.

Abigail Athena pulled up a video and it played on the screen, and it showed Abigail and Lincoln were enjoying a day in the park.

Past Abigail Athena: It's always nice coming here to the park.

Past Lincoln: Yeah, it's really peaceful.

BBBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUUUUUURRRRRR

Past Abigail Athena: What was that?! (Sniffs) Ugh, and why does it smell like chum and limburger cheese along with rancid feet and B.O.?!

Past Lincoln: Oh no! Dang it, Lynn!

Past Abigail Athena: That wild animal's at it yet again?!

Suddenly, they saw something heading for them on all fours: it was Lynn, and she was in Full Beast Mode, and she was out for blood.

Past Lynn: (ROARS LIKE AN ANIMAL)

Past Lincoln: Every single time whenever I wanted to enjoy my day and be with my Guardian Angels, every time, you show up to ruin it, Lynn! That's it, I've had it up to hear with you!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer and his claws grew sharper. But, then, Lincoln's massive upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON MY GUARDIAN ANGELS, YOU FILTHY ANIMAL! (WOLF ROAR)

Nico: Oh… Shit!

Me: Lynn was so dead meat on a stick that day!

Lincoln let the beast out in him and Lynn charged at Lincoln, but Lincoln grabbed her by the collar of her jersey and lifted Lynn up off the ground with such superhuman strength and he threw her into a tree, and he attacked her with a dangerous ferocity, and he and Abigail blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that hard-headed moron up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn tried to do to him and Abigail, they were really furious, and when they also found out Lori, Lola, Lisa, and Luan also conspired to do Lincoln and Abigail in, they were quickly apprehended.

Past Abigail Athena: So, Lori, Lola, Lisa, and Luan were also in this as well?! Those five have really crossed the line!

Past Lincoln: They sure have. Now, to get that animal back home!

Then, Lincoln and Abigail dragged Lynn back to The Loud House, and as a result, Lori, Lynn, Lola, Lisa, and Luan were grounded for fourteen weeks for their attempted murder of Lincoln and Abigail, and they got thrown in a padded cell container and wrapped in straitjackets.

Past Lynn: (ROARS IN RAGE AND POUNDED ON THE DOOR TRYING TO GET OUT)

Past Abigail Athena: I'm only going to say this once, if you ever come after Lincoln again or if I see so much as one knife wound or bruise on his body, I will come after you and I will kill you. I don't know why you, Lori, Lola, Lisa, and Luan always do this, Lynn, you were supposed to be his protectors, you had that bond with him with he was born, but instead, you became his tormentors and bullies, and don't think I don't know about every single stupid stunt you five have pulled out of your butts.

This was making Lori, Lynn, Lola, Lisa, and Luan really angry. But, what Abigail said next really drove Lori, Lynn, Lola, Lisa, and Luan mad with animalistic rage.

Past Abigail Athena: You five think you can get away with doing whatever you want to Lincoln, but no, you should've realized that there are consequences when you do these sorts of stupid stunts, yet you never learn your lesson. Lincoln and Laney have tried to mediate the arguments that you five always start, but you never listen. You know what, next time you five get into an argument, I'll enjoy seeing you five rip each other apart, I'm done trying to reason with a pack of rabid animals like you!

Then, Abigail gave Lori, Lynn, Lola, Lisa, and Luan the finger through the window, and that made Lori, Lola, Lisa, and Luan scream and screech with anger and caused Lynn to roar in anger yet again and beat her chest like a gorilla as the video ends.

Nico: Damn, now that really really stung!

Lincoln: Abigail was right though, she was done trying to reason with Lori, Lynn, Lola, Lisa, and Luan.

Luna: They were always so hard-headed and stubborn, and they refused to let up on trying to kill you, bro.

Lana: But, Abigail warned them numerous times: if Lori, Lynn, Lola, Lisa, and Luan put one foot out of line and go after Lincoln yet again, they were done.

Me: And there'd be five less sisters in The Loud House.

Michelle Kibutsuji: That's for sure. Okay, now it's my turn.

Michelle Kibutsuji pulled up a video and it played on the screen, and it showed Michelle and Lincoln enjoying a pleasant day in Royal Woods. But, then, they saw a massive army of thugs heading for them.

Past Michelle Kibutsuji: Thugs, but what are they…? (Senses who was behind this) Lori, Lynn, Lola, Lisa, Luan, you five just don't even know when to quit.

Past Lincoln: Let's just deal with the thugs first, then, we go after Lori, Lynn, Lola, Lisa, and Luan.

Lincoln and Michelle Kibutsuji proceeded to deal with the massive armies of thugs by firing blasts of darkness at them which hit them and firing blasts of dark mist which blinded them, and that allowed

Michelle Kibutsuji to morph her arm into a monster-like form with multiple eyes and mouths, and she sent it at the thugs and proceeded to consume and absorb the massive armies of thugs, leaving only a pool of blood lying. Then, Lincoln proceeded to absorb the pool of spilled blood into his body.

Past Lincoln: Now that we've taken care of the armies of thugs, let's find Lori, Lynn, Lola, Lisa, and Luan before they do anymore harm.

Suddenly, Lincoln's cellphone rang: it was Luna.

Past Luna: Dude, we got Lori, Lynn, Lola, Lisa, and Luan tied up, they sent those thugs to kill you guys!

Past Lincoln: We know, Luna, Michelle and I took care of them. Keep those five tied up, we're heading back home now.

Lincoln hung up.

Past Michelle Kibutsuji: Looks like Luna and the others took care of tying up Lori, Lynn, Lola, Lisa, and Luan.

Past Lincoln: And thank goodness they were still at the house, if they were with the thugs and if your father found out. (Shudders) I dare not to find out what he'll do to them, come on, let's head back to see those five get told off by the others.

Past Michelle Kibutsuji: I'm definitely sticking around to see them get told off.

Michelle and Lincoln headed back to the house as the video ended.

Nico: Oh man, you… you definitely are the daughter of Muzan Kibutsuji, you morphed your arm into a monster-like form and you consumed and absorbed the armies of thugs.

Michelle Kibutsuji: Thank goodness no one else saw it, only Lincoln.

Lincoln: And no one else saw me absorb and devour the spilled blood, so we were in the clear.

Me: Yeah, and as for Lori, Lynn, Lola, Lisa, and Luan, those five got grounded for twelve weeks for what they tried to do to Michelle and Lincoln, and Lincoln tossed those five into a padded room container Nicholette Torrington built and he also had them tied up in straitjackets.

We got a shower, and then, Lincoln, Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Melon Mint: Wow, so this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Melon Mint, and it's perfect for our first date. Shall we?

Lincoln, Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim, and they hugged the girls in their abnormally massive and powerful muscular arms, and Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim are now in your harem.

Twilight Sparkle: Wow, I always knew Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim had feelings for Lincoln.

Jenna: And Flip has some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Melon Mint, Crystal Lullaby, Diwata Aino, and Varsity Trim, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

---

In the simulator we were getting Nico, Laney, Larry and Layla Williams ready for an awesome Super Mario Galaxy adventure.

Nico: This time, I'm heading to Honeyhive Galaxy.

Me: Awesome!

Qin: Yeah!

Laney: We were there on one of our big day missions before from what I recall.

Xenia: That is true.

Lola: Yep.

Me: Okay ready guys?

Nico: Ready.

They went in.

I turned it on and then they were in HONEYHIVE GALAXY!

Nico: Wow! Honeyhive Galaxy.

Layla Williams: Let's go see the Queen.

Nico: You got it.

they got into launch stars.

Me: (On the radio) Nico Chan this is J.D. Knudson of Mission control you're clear for launch.

Nico: Nico to J.D. Copy that.

They launched.

WHOOSH!

Nico: WOOHOO!

They flew to the galaxy and arrived there. Then they landed and it was awesome. They then went over to the Queen.

Queen: Team Loud Phoenix Storm. Welcome!

Nico: Your majesty it's an honor to meet you.

Queen: Pleasure is mine Nico.

Layla Williams: We are glad to be here.

Laney: We came to help you deal with one of Mario's enemies here.

Queen: I am so honored that you're taking the time to visit my wonderful Galaxy and speak with me

Nico: We are too. We came here during one of our big day ambassador missions and we're sorry we trashed the place.

Queen: It's all right. We fixed up the damage you did.

Laney: That's good.

Larry: Yeah.

Layla Williams: Anyway, has there been any trouble?

Queen: Yes there is. Mandibug Stack is terrorizing the place.

Nico: Mandibug Stack. This will be good.

Layla Williams: Where were they spotted?

Queen: Up there.

She pointed to a castle tower tree.

Nico: Okay then.

Nicole: (On the radio) You guys got to kick the little one off the big one first and then smash the big one. Do that three times.

Nico: (gets out Amora and Baron Mordo's Ridewatches) It's magic time!

Nico activated them and fired energy and magic blasts and blasted the top bug off and then smashed the big bug with a stomp!

LOUD FART SOUND!

Nico: YEAH!

Several other Mandibug henchmen appeared.

Layla Williams: I think this one is learning from the mistakes of Kaliente and Dino Piranha!

Nico: Yep!

Layla formed a scythe and slashed the Mandibug henchmen and kicked them all over.

Laney and Larry kicked them all over.

Layla Williams: Come and get us!

Lurantis: (In a girls voice) YEAH! What she said!

Lurantis fired waves of energy and blasted the bug all over.

Nico: Whoa Flora Skyla!

Lurantis: Awesome to see you again Nico.

Qin: Awesome!

Layla Williams: One last stomp should do it!

Layla then jumped on the back of the bug and then it exploded!

Nico: YEAH!

Eli: Take that!

Flora Skyla reverted back and she was a girl with neon pink hair and had pink eyes and had pink clothes and had pink butterfly wings.

Flora Skyla: That was awesome!

They all high five!

A Power Star appeared.

Laney: Me and Layla will get it!

They went and got it!

YOU GOT A STAR!

Nico: YEAH!

Flora Skyla: YEAH!

Larry Loud: What's your favorite memory of Nico?

Flora Skyla: When me and Nico made awesome plants in our greenhouse and made amazing trees too.

Qin: That was an awesome greenhouse.

Nico and Flora hugged.

Nico: I've missed you.

Flora Skyla: Me too Nico. Me too.

---

The mascots were in the kitchen and they were making something awesome.

Rose: What are you guys making?

Poromon: It's a surprise for Nico and J.D.

Poliwag: Yep.

Rose: Awesome.

---

French Narrator: (French Accent) Later…

---

Me and Nico were watching TV.

Me: So far things have been quiet.

Nico: Yep.

Then Poromon and the mascots came out with HUGE WEDDING CAKE SIZE CAKES! One was chocolate with graham crackers and marshmallows and the other was orange and covered in vanilla frosting and orange flowers made of frosting.

Qin: WHOA!

Me: WHOA! These cakes look awesome!

Nico: They sure do!

Poromon: We made them for you guys. This one is S'mores.

Poliwag: And this one is Orange Cremesicle.

Me: Oh boy!

Nico: Our favorites!

Jake Long: Is there any beer in this?

Poromon: EW! No way!

Poliwag: Yeah we don't cook with beer unless it's in chili.

Horsea: Yeah that would be gross to put it in cake.

Me: Good point. Lets dig in!

We got to eating and it was awesome and delicious!

Nico: MMM! (Eating) Delicious!

Me: (Eating) Mmm! So good!

Blackout: This is delicious!

Nico: It sure is!

Qin: I'll say! (EATING ORANGE CREMESICLE CAKE)

Xenia: It's Awesome guys.

Manaphy: We're glad you like it!

Nico: Thanks guys!

Me: It's so awesome!

Xenia: Yeah!

Then a Shiinotic came in.

Shiinotic: (In a girls voice) Boy those cakes smell great!

Nico: Angel Amanita! Wow!

She reverted back and was a girl with purple hair and had green eyes and green angel wings and had the kanji for Mushroom in the middle of her forehead and she had purple clothes and her teeth were fangs.

Angel Amanita: May I have some cake too?

Me: Sure. Poromon and the mascots made huge cakes.

We gave her some.

Angel Amanita: (EATING) Yummy!

Searchlight: What's your favorite memory of Nico?

Angel Amanita: I have many of them. But my favorite is when me and Nico put mushrooms in a bully's chili and then he swelled up like a balloon in ugly hives because he was violently allergic to them. But a few minutes later he literally exploded.

Me: He exploded!?

Nico: Yep. Blood and guts splattered everywhere.

Qin: I remember that! Boy everyone was glad he was gone. Even his parents hated him.

Nico: Yep.

Me: Geez!

Qin: Yeah.

Nico and Angel hugged.

Nico: I've really missed you.

Angel Amanita: Me too Nico. Me too.

Toxica: That was good cake!

Me: Well we have more than enough for everyone again.

Qin: Yeah.

Xenia: Both those cakes were good.

Lola: Yeah.

Nico: Now it's time to get ready for our next mission.

Qin: Yep.

The previous group came.

Killer Croc: Can me, Amora the Enchantress, Black Manta, Touch & Go, Plastique, Firebrand, Girder, Iron Lung, The U-Foes Wrecking Crew and Dark Turtles go with you guys?

Ironclad: After we eat some cake?

Bulldozer: Just looking at them makes my mouth water!

Dark Mikey: Same with me!

Nico: The mascots made the cakes. Plenty for everyone.

Bulldozer: Awesome.

They ate some.

Nico: Also yes you can come with us.

Xenia: Awesome.

Camie: Yeah.

Barricade: Nico, which Gene Slammers do you think you'll meet next?

Mr. Touch: Two, right?

Dark Don: We've been following the pattern.

Nico: Yep 2 next. Salazzle and Bewear.

Eli: Ooh!

Me: Awesome. So without a doubt we'll go bash Team Skull members to kingdom come.

Qin: Yeah.

Lola: Yeah the Salazzle will come when we bash them all over.

Mr. Go: Now, let's not get hasty.

X Ray: Nico's next rescue might not be that.

Me: Well it just came to me because Team Skull had a bunch of Salazzle so that was the first thing that came to me.

X-Ray: Hm. That is a good point.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront: it was The Gorgon Sisters, three of Jake Long's old enemies and they've come back seeking revenge on him. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Jake Long and his friends?

Just then, Jake Long and his friends arrived.

Jake Long: You called, Lincoln? What's the emergency?

Lincoln: We got trouble, and you're not going to like it. I just had a vision and I saw who it was that we're going to face today: it's The

Gorgon Sisters, they've come back and they want revenge on you.

Jake Long and his friends gasped.

Jake Long: The Gorgon Sisters?! I thought I was rid of those three when I sent them packing long ago.

Rayman: Wait. Lincoln, did any of The Ghostrick Destroyers have anything to do with their return?

Lincoln: They did, Eloise Kieran opened up a portal using black magic, and she brought those three Gorgon Sisters here to get revenge on Jake Long.

We gasped.

Juniper Lee: Should've known they had a hand in this.

Tiana Masala: (Scottish Accent) Aye, those trouble-causing blood-drinking bats are really causing us a lot of trouble now. Eloise is so dead when we catch up to her.

Lincoln: But, first things first, we need to take care of The Gorgon Sisters.

Nico: Yeah, we're not letting those three get away with this, first, we take them down, and then, that delusional vampire's next.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Eloise Kieran, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Eloise Kieran, one of The Ghostrick Destroyers is heading here to kill you all.

Tiana Masala: (Scottish Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment as Ophelia Lazarus back in the castle of The Michigan Supernatural Defense Force.

Me: Just like yesterday, that's really awesome.

Victoria Kurenai: That's right, and Lincoln's bound to use Muzan Kibutsuji's Biokinesis to devour Eloise Kieran after they defeat her.

Nico: This should be good. Alright, gang, let's go, we're heading down to New York to destroy The Gorgon Sisters.

Lincoln: Those troublemaking Gorgons are so going to be blown to bits and sent to The Black Gates, just like what happened to Doug MacFarland, and once we get done destroying them, you're next, Eloise Kieran.

Tiana Masala: (Scottish Accent) You better be ready to die, Eloise Kieran, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon!

Lincoln: And you're going to be in for a lot worse, you human-despising vampire from Hell!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to New York to destroy The Gorgon Sisters, and once we get done destroying them, Lincoln and Tiana Masala are going to kill Eloise Kieran of The Ghostrick Destroyers and make her pay for her crimes.

We were off to New York City.

---

We arrived at New York City.

Xenia: New York City.

Nico: Awesome coming here.

Lola: Yeah.

Firebrand: Jake, this part of New York is yours.

Piledriver: Where do we go first?

Jake Long: Lets go to my house.

We went to his house.

Windsweeper: I was hoping to see a Thunderbird today.

Qin: So were we.

Iron Lung: You must be really happy to be home Jake.

Jake Long: Oh I sure am. It's awesome.

We arrived at Jake's house and went in.

Haley Kay Long: Hey bro!

Jake Long: Hey sis!

They hugged.

Haley Kay Long: I'm glad to see you.

Jake Long: Same here.

Vector: Hi there!

Vapor: You must be Haley!

WHOOSH!

She fired a blast of purple fire from her mouth and blasted Vector right in his face!

Me: WHOA!

Camie: Lethal.

Vector: (COUGHS) Whoa!

Haley Kay Long: Sorry. Got scared. But awesome to meet you guys. But yeah I'm Haley Kay Long.

Skalor: Are your parents home?

Susan Luong-Long: Right here.

Me: Hello Mrs. Long.

Susan Luong-Long: Awesome to meet you J.D.

Me: Same to you.

Susan Luong-Long: And Rose it's good to see you again.

Rose: You too Mrs. Long.

Jonathan Long: There's the family.

Jake Long: Hey dad.

Nico: Hello Mr. Long.

Qin: Awesome to meet you.

Jonathan Long: Same here to you Team Loud Phoenix Storm.

Haley: Jake, we barely see you these days.

Dark Leo: And for that, we're really sorry.

Dark Raph: On the bright side, he's kicked a lot of ass with us!

Me: Yeah sorry about that. But when he joined the team he has been going all over the universe with us. We go all over the world and all over the entire universe helping people in need on all kinds of planets and we do it all.

Xenia: Yeah it's a busy job.

Qin: And an eternal battle.

Camie: Jake not only has villains on Earth to deal with but also villains all over the universe too.

Haley: Wow!

Me: Yeah.

Haley: Aside from Rotwood and Brad, how many enemies of Jake have you taken down?

Gilda: Honestly, only 3

Me: Wow I really lost count. Who was it that we faced again?

Nico: Rotwood & Brad, Nix and Evil Jake.

Me: Oh right thanks. I forgot about all that.

Xenia: Yeah.

Qin: Boy I forgot about that.

Lola: Me too.

Wrecker: Today, we're going after the Gorgon Sisters.

Thunderball: They count as one.

Haley: Good! I hate those girls.

Me: We're going to seal them into the Book of Vile Darkness and have them put into the M.O.E.

Xenia: Yeah.

Rage Mage: What Thunderball means is that all 3 count as one villain.

Haley: I know that.

Xenia: Good.

Qin: Yeah.

Haley: Lets go find them then.

Eli: You got it.

Me: Yeah.

Girder: Haley, you sure you should be going with us?

Haley: I'm a big girl and I have awesome dragon powers too.

Me: Let her have a shot at this too. She's old enough.

Girder: Okay then.

Xenia: Yeah.

Mr. Boss: First, we need to decide on who can be their archenemies.

Me: Oh I already did that. Irina and Iona?

Irina Irukanji: We are their archenemies!

Iona Irukanji: Awesome! This will be awesome.

Lola: Yeah!

Nico: Sea Wasp VS Gorgon! Awesome idea.

Plastique: I'm cool with that.

Xenia: Awesome!

Haley: Yeah!

Lola: That is awesome.

Camie: Yep.

Nico: All right then lets head out.

Haley: I'll be okay mom and dad.

Susan Luong-Long: I know Haley. Go get them.

Dirge: I'll search from the air. (transforms into jet mode)

Nico: Go for it.

He did so.

Nico: Finding them in a city like this is like trying to find a needle in a haystack.

Lola: Yeah.

Dirge came back.

Black Manta: (to Dirge) Did you find them?

Dirge: Central park.

Nico: Lets go!

We were off.

We arrived and to our shock we saw a bunch of people turned into stone statues!

Xenia: Whoa! They are turned to stone!

We saw 3 girls and they were the Gorgon Sisters!

---

The Gorgon Sisters are a trio of antagonists from the Disney series American Dragon Jake Long (ADJL).

Fury was voiced by Tara Strong, Euryale was voiced by Hynden Walch, and Medusa was voiced by Kari Wahlgren.

According to legend, the Gorgons could turn anyone or anything to stone or hypnotize them by looking at them and were defeated and turned to stone themselves by the Greek warrior Persus.

In their debut episode "Bring it On", the first and leader of the trio Fury is released from her stone prison and searches for her two sisters having already contracted minions. After a conflict with Jake, Fury frees her first sister, Euryale and they to go find the third sister Medusa.

Later one night at the docks, the two sisters along with their minions capture Trixie, one of Jake's friends and make her a minion as well. Soon Jake, another friend of his Spud, Jake's grandfather and dog find the gorgons who have just found Medusa and freed her as well. Jake, his grandfather Lao Shi and Fu Dog are turned into stone but Trixie having just been freed from Fury's spell manages to trick the three sisters into fighting and turning each other into stone and fall into the sea.

In the episode "Furious Jealousy", Fury is freed from her stone prison again and surfaces to find another bracelet after her's broke. Upon arriving at the magic shop, she is unlucky until Spud comes in looking for a magic spell remover after Nigel casted a spell on Spud's love interest Stacy. Fury manages to trick Spud into obtaining a bracelet from Jake and gives it to Fury who is restored to power and later manages to free Euryale and Medusa. The trio later petrify and and take Jake who has gotten fat due to eating and attempt to dunk him in the sea as they were. However they are stopped by a recently freed Jake, Spud, Nigel and Trixie.

---

Me: There they are.

Overbite: Entrance time!

Nico: Lets go.

We went at them.

Fury: This is so fun.

Euryale: It sure is.

Medusa: I agree.

But then the spirits of the myths came and they swirled around them and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and we came out.

Me: Nice night we're having huh girls?

Fury: Team Loud Phoenix Storm!

Abigail Athena: Long time no see ladies.

Fury: Lady Abigail! We haven't seen you in a while.

Abigail Athena: Mother has been keeping me posted about your activities. But now the time has come to stop you all.

Medusa: We'll see how you'll go up against us when you're turned to stone!

Amora: Allow me to handle this.

Amora fired a beam of magic and blinded them.

Eli: And this!

He fired a wave of Force Lightning and electrocuted them.

Xenia: And this!

She fired an arrow and blasted them down.

Nico: (to Abigail Athena) Wait. You didn't tell us you knew them!

Abigail Athena: The gods and their children all have connections and experiences with the creatures and legends of Greek Lore.

Nico: That is amazing.

Me: Yeah it's true.

Nico: Wow!

Medusa tried to turn Nico to stone but was only able to do it to his hand.

Medusa: It appears your powers prevent you from being turned to stone completely

I felt it and it was really rock solid.

Me: Wow! Thing you would make a great partner for Nico with a Rock Solid hand.

Thing: (LAUGHS) I sure would.

Nico: Like this?

KRASMASH!

He bashed Medusa in the face with the rock hand smashed her through 5 trees!

Qin: JUMPING SEA WASPS!

Nico: No kidding!

Me: Nico you want me to cut that hand off?

Nico: You could. But my powers will get it out in probably a few minutes.

Then it started cracking and the rock fell off and his hand was back to normal.

Me: Wow!

Nico: Much better.

Me: But your stone fist sent Medusa crashing through 5 trees.

Nico: GEEZ!

Medusa: (Dazed and stupid talk) Mommy read me the story of the bunny and the jellybean.

Fury: We won't be hit with that again!

Me: No but how about this!

My eyes glowed red and Fury screamed and then she was turned into a stone statue!

Nico: WHOA! J.D. you petrified her!

Me: Wow! I didn't know I can do that!

Nico: That's one down!

Me: And 2 to go.

Shannon: Wait we still have the usual battles to do. So this will keep them frozen till then.

She summoned the Amulet of Medusa! She chant an incantation and turned the rest of them to stone.

Xenia: Whoa!

Me: Where did you get that Shannon?

Shannon: Oh Felix Faust gave it to me. The Amulet of Medusa will keep them in place till after we finish up the battles.

Nico: Clever!

Me: That was awesome.

Lola: Yep.

Then Crimson Dynamo, Turtle, Dr. Polaris, Skalamander, Screamer, Spot, Mumbo Jumbo, Knightbrace, Electrocutioner, Fixer and Biiowulf came.

Nico: Crimson Dynamo, Turtle, Dr. Polaris, Skalamander, Screamer, Spot, Mumbo Jumbo, Knightbrace, Electrocutioner, Fixer and

Biowulf.

Crimson Dynamo: (to Haley) (Russian Accent) You sure your parents are ok with you being here?

Haley: They already approved.

Turtle: Good.

Dr. Polaris: Just wanted to be sure.

Turtle: Boy you guys haven't gone after one of Jake's enemies in a long time.

Me: I know. Feels like forever.

Skalamander: (to Nico) We heard you went to the mall.

Nico: We sure did.

Spot: Buy anything good?

Nico: All sorts of things. Comics, books, rugs, everything.

Spot: Cool.

?: That is awesome.

A figure came out and it was CELL PHONE ORG from episode 7 of Wild Force!

---

As the result of an Org Spirit acquiring a cell phone, the Cell Phone Org was one of the ancient Orgs who came to work for Master Org.

He scrambles signals on cell phones to cause incredible pain in the owners' ears before eating them.

After attacking several businessmen and women in a plaza by causing the pitch in their cellphones to hurt their ears, Taylor came and try to battle the Org, but he let out a sonic screech to morph Taylor out of her Ranger form and made a beatdown on her.

He then joined Jindrax and Toxica and created a jamming field over the entire city that did not permit the Rangers to morph, and battled Cole, Alyssa, Danny and Max, swiftly gaining the upper hand and forcing the Rangers to retreat.

Max eventually lured Cell Phone Org to an area where Cole was able to knock the Org down, Danny keeping him pinned until Alyssa could damage Cell Phone Org's antenna, allowing them to morph again. Cell Phone Org was still more than a match for the Rangers until Taylor showed up. They eventually destroyed the monster with the Jungle Sword, but Toxica made him grow large and the Rangers summoned the Wildzords to form the Wild Force Megazord to battle the Org.

However, the Org was too powerful and soon had the upper hand, until two boys that Taylor had saved earlier revealed their true identities as the Black and Polar Bear Wildzords. Linking with the Megazord, they formed the Wild Force Megazord's new Double Knuckle Mode. Cell Phone Org was no match for this new Megazord combination and was ultimately destroyed by the Double Knuckle Bear Blaster.

---

Taylor: Cell Phone Org!

Cell Phone Org: Been a while rangers!

Me: I remember you! You were sent to scramble signals in cell phones and make them feel incredible pain before eating them! Also that was when the Bear Brothers made their first appearance.

Cell Phone Org: That's right. Good memory.

Lori: I hope you're literally not thinking on using your powers on my phone.

Cell Phone Org: Dammit, that was gonna be my first choice!

Me: (LAUGHS) He is not called the Cell Phone Org for show. And nothing hurts worse than cell phone feedback.

Xenia: Yeah.

Laney: That is such a painful sound.

Camie: No kidding.

We got the battles underway.

Chris Taylor: She's the daughter of Athena the Goddess of Wisdom and Warfare and is one of Lincoln's amazing guardian angels.

Skalamander: That is cool! Is she by any chance related to

Annabeth Chase?

Chris Taylor: We don't really know the full extent of the family of the Gods of Olympus and their children but it is highly possible.

Miku Hatsume: But that would be so cool if they were half siblings.

Sheriff Skyfire: It sure would be awesome.

Universe 666 Midnight Sour Sweet: That would be so cool.

Agent of Miracles - Jupiter: I agree there too.

Master Hyperion: And her story is really amazing too.

Captain America: It sure is.

---

Nico: Yep. So, Abigail, Michelle, what are the stories you all have on how you took down Lori, Lynn, Lola, Lisa, and Luan?

Abigail Athena: Let me go first.

Abigail Athena pulled up a video and it played on the screen, and it showed Abigail and Lincoln were enjoying a day in the park.

Past Abigail Athena: It's always nice coming here to the park.

Past Lincoln: Yeah, it's really peaceful.

BBBBBBBBBBBBBBBBBBBBUUUUUUUUUUUUUUUUUUUUUUURRRRR

Past Abigail Athena: What was that?! (Sniffs) Ugh, and why does it smell like chum and limburger cheese along with rancid feet and B.O.?!

Past Lincoln: Oh no! Dang it, Lynn!

Past Abigail Athena: That wild animal's at it yet again?!

Suddenly, they saw something heading for them on all fours: it was Lynn, and she was in Full Beast Mode, and she was out for blood.

Past Lynn: (ROARS LIKE AN ANIMAL)

Past Lincoln: Every single time whenever I wanted to enjoy my day and be with my Guardian Angels, every time, you show up to ruin it, Lynn! That's it, I've had it up to hear with you!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer and his claws grew sharper. But, then, Lincoln's massive upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON MY GUARDIAN ANGELS, YOU FILTHY ANIMAL! (WOLF ROAR)

Nico: Oh… Shit!

Me: Lynn was so dead meat on a stick that day!

Lincoln let the beast out in him and Lynn charged at Lincoln, but Lincoln grabbed her by the collar of her jersey and lifted Lynn up off the ground with such superhuman strength and he threw her into a tree, and he attacked her with a dangerous ferocity, and he and Abigail blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that hard-headed moron up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn tried to do to him and Abigail, they were really furious, and when they also found out Lori, Lola, Lisa, and Luan also conspired to do Lincoln and Abigail in, they were quickly apprehended.

Past Abigail Athena: So, Lori, Lola, Lisa, and Luan were also in this as well?! Those five have really crossed the line!

Past Lincoln: They sure have. Now, to get that animal back home!

Then, Lincoln and Abigail dragged Lynn back to The Loud House, and as a result, Lori, Lynn, Lola, Lisa, and Luan were grounded for fourteen weeks for their attempted murder of Lincoln and Abigail, and they got thrown in a padded cell container and wrapped in straitjackets.

Past Lynn: (ROARS IN RAGE AND POUNDED ON THE DOOR TRYING TO GET OUT)

Past Abigail Athena: I'm only going to say this once, if you ever come after Lincoln again or if I see so much as one knife wound or bruise on his body, I will come after you and I will kill you. I don't know why you, Lori, Lola, Lisa, and Luan always do this, Lynn, you were supposed to be his protectors, you had that bond with him with he was born, but instead, you became his tormentors and bullies, and don't think I don't know about every single stupid stunt you five have pulled out of your butts.

This was making Lori, Lynn, Lola, Lisa, and Luan really angry. But, what Abigail said next really drove Lori, Lynn, Lola, Lisa, and Luan mad with animalistic rage.

Past Abigail Athena: You five think you can get away with doing whatever you want to Lincoln, but no, you should've realized that there are consequences when you do these sorts of stupid stunts, yet you never learn your lesson. Lincoln and Laney have tried to mediate the arguments that you five always start, but you never listen. You know what, next time you five get into an argument, I'll enjoy seeing you five rip each other apart, I'm done trying to reason with a pack of rabid animals like you!

Then, Abigail gave Lori, Lynn, Lola, Lisa, and Luan the finger through the window, and that made Lori, Lola, Lisa, and Luan scream and screech with anger and caused Lynn to roar in anger yet again and beat her chest like a gorilla as the video ends.

Nico: Damn, now that really really stung!

Lincoln: Abigail was right though, she was done trying to reason with Lori, Lynn, Lola, Lisa, and Luan.

Luna: They were always so hard-headed and stubborn, and they refused to let up on trying to kill you, bro.

FLASHBACK ENDS

Skalamander: GEEZ! That Lynn was REALLY ASKING for trouble all the time!

Nico: Whoa, now that's what I call a gaze of death. Lincoln, was that a new technique you've been working on?

Lincoln: Yep, it's known as Gorgon's Gaze, it has the same function as Aegis' Gaze, but this works on creatures like The Gorgon Sisters.

Me: Nice one.

Tiana Masala: (Scottish Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Eloise Kieran, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Eloise Kieran, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Tiana Masala: (Scottish Accent) Eloise Kieran, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years

ago.

Eloise Kieran: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Eloise, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Tiana Masala: (Scottish Accent) Indeed, and now, it's high-time we bring this delusional vampire down for good.

Suddenly, Tiana Masala's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, darkness, light, Celtic Symbols, fairies, and angels, she unholstered her massive Ghostrick Fairy of Mischief's Celtic Darkness Light Fairy Archangel Greatsword of Celtic Darkness Fairy Angel Justice from her back, and as she approached Eloise Kieran, she left black and red energy, stars, darkness, light, Celtic Symbols, fairies, and angels with every step.

Tiana Masala: (Scottish Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from the land of Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. And don't think we haven't forgotten of what you did in using your black magic to bring The Gorgon Sisters back to New York, that's yet another line you've seriously crossed, Eloise Kieran, and for that, you shall pay the price for your misdeeds with your own blood.

Suddenly, Tiana Masala was surrounded by a massive vortex of black and red energy with stars, light, darkness, and Celtic symbols surrounding the vortex, there are fairies, angels, and Ghostrick Fairy flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Eloise Kieran: the red eyes of eternal death. Then, as the vortex faded, Tiana Masala emerged, but she was changed forever.

CELTIC MUSIC PLAYS

Tiana Masala grew from 6'5" to 7'5" in height, she has the body of a goddess, she has red highlights in the bangs of her shore black hair, she has neon red eyes and a black and red energy aura with stars, darkness, light, fairies, Celtic Symbols, and angels surrounding her, she has the Dark Kanji in the hands of Ghostrick Fairy emblazoned on her forehead and Third Eye with red iris, she has on fairy earrings with pink gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Ghostrick Fairy with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red fairy-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Tiana Masala has on a sleeveless black open vest, sleeveless black crop top, long frilly midnight black skirt with jewels around the waist, black lace stockings, black heeled sneakers, black fingerless gloves, and long white sleeveless trenchcoat with stars, Celtic symbols, darkness, light, fairies, and angels on the coattails, and on the back is Ghostrick Fairy and a fairy surrounded by Celtic symbols, stars, light, and darkness. Suddenly, Tiana Masala felt a sharp pain on her back, and then, her massive black angel wings with red tips on the large black feathers grew much bigger for her new body and she now has eleven massive and long black wolf tails with red tips and red markings, she has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in

the back of her left hand.

Suddenly, Tiana Masala's massive Ghostrick Fairy's Celtic Darkness Light Fairy Archangel Greatsword of Celtic Darkness Fairy Angel Justice and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, stars, Celtic symbols, darkness, light, fairies, and angels, and when it emerged, it was transformed into Tiana Masala's Ghostrick Fairy Celtic Darkness Light Fairy Angel Greatsword of Celtic Darkness Fairy Angel Justice, it's a brand-new massive greatsword with embedded red gems and Ghostrick Fairy etched on the 7'4" massive, wide, double-edged black blade, large red fairy heads for the crossguard, large white angelic faces built into both sides of the hilt with large red gems embedded in their foreheads, longer midnight black handle, four large red fairy heads and below the red fairy heads is a large white angel head with red gems for eyes and a red gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Fairy's heads with red gems for eyes and a large red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a red kanji below Ghostrick Fairy and the Fairy that said, "Tiana Masala, Gene-Slammer of Ghostrick Fairy, Scotland's Fairy Angel of Darkness and Light, Friend of Ursula Truaigheaingeal, Powerful Member of The Ghostrick Gene-Slammers, Powerful Master of Darkness and Light, Friend of Many, Defender of Scotland's Long Proud History, Powerful Master of Magic and Summoner of Elemental Fairies, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lola, Archenemy of The Haunted Mask, Destroyer of Eloise Kieran of The Ghostrick Destroyers, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Light, Fairies, and Angels"

ティアナ・マサラ、ゴーストリック・フェアリーのジーン・スラマー、スコットランドの闇と光の妖精天使、ウルスラ・トゥアイギハインジールの友人、ゴーストリック・ジーン・スラマーズの強力なメンバー、闇と光の強力なマスター、多くの友人、スコットランドの長く誇り高い歴史の擁護者、強力な魔法のマスターでありエレメンタル妖精の召喚者、愛情深い守護天使でありリンカーン・ラウドの将来の妻、ダーク・ローラの粉砕者、ホーンテッド・マスクの大敵、ゴーストリック・デストロイヤーズのエロイーズ・キーランの破壊者、破壊者であり悪の破壊者、狂った、殺人者、無慈悲でサディスティックなろくでなし、素晴らしく強力な教師の素晴らしく強力な生徒、そして闇、光、妖精、天使のマスター

Tiana Masala transformed into SUPER ANGEL-GHOSTRICK FAIRY-FAIRY-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA CELTIC FAIRY DARKNESS LIGHT GHOSTRICK FAIRY ANGEL OF DIVINE CELTIC DARKNESS LIGHT CELTIC FAIRY ANGEL JUSTICE AND DIVINE CELTIC DARKNESS LIGHT CELTIC FAIRY LOVE!

We were amazed by Tiana Masala's Super Angel-Ghostrick Fairy-Fairy-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Eloise Kieran saw it, she fell into an even more darker and more insane rage and ran at Tiana Masala with a knife to stab her in the heart to kill her, but Tiana Masala fired a powerful barrage of black and red energy blasts, stars, Celtic symbols, darkness, light, fairies, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Morrigan Aensland: (Scottish Accent) This is truly amazing, lads, now Tiana's transformed into her Universal Eternal Celestial Xelnaga form.

Lincoln: Indeed she has, Morrigan. Now, we're ready to take the fight to that delusional vampire.

Tiana Masala:(Divine Echoing Cosmic Voice of The Celtic Darkness Light Celtic Fairy Angel Ghostrick Fairy Angel and Divine Celtic Darkness Light Celtic Fairy Angel Ghostrick Fairy Angel Love)

(Scottish Accent) That's right. Now, let's rip her to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Tiana Masala.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Eloise, now it's time we put you down for good!

Tiana Masala and Lincoln went after Eloise Kieran, and they fired extremely powerful blasts of rainbow energy, black and red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels,

Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Eloise Kieran and they exploded with incredible power as they hit her.

Then, they attacked him with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Ursula Truaigheaingeal also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Eloise Kieran mad.

Eloise Kieran: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Eloise Kieran's vampiric nature came out, and now, she was out for blood. Eloise Kieran ran at Lincoln and Tiana Masala, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Eloise Kieran's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln morphed his left arm into a monstrous form with demonic eyes and mouths with fangs and he sent it at Eloise Kieran and it devoured and consumed her as it swallowed her and Lincoln absorbed her into his body, and the monstrous arm morphed back to normal, and an energy card with her soul imprisoned inside appeared in Lincoln's left hand. We cheered wildly for what Tiana Masala and Lincoln did as they holstered their weapons and powered down, and Tiana Masala's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Tiana Masala: (Scottish Accent) That's one down and twenty of these monsters to go, and we're now pissing them off greatly. Thank you for helping me get rid of that religious fanatic and zealous heretical vampire, Linky.

Lincoln: (Smiles Warmly) You're welcome, Tiana.

Suddenly, Tiana Masala wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Tiana Masala's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Fairy flying in the air, and we saw a herd of Buffalo and many animals running across the field, and the sound of Celtic Music played behind them and we cheered wildly. Then, Lincoln and Tiana Masala absorbed the elemental forces and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome and incredible fight of Angel and Ghostrick Fairy VS. Delusional Human-Despising Vampire, Lincoln, Tiana, you really showed that delusional vampire absolutely no mercy.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used Muzan's Biokinesis on her, the same way Michelle used it on those thugs in the video. Now, you have another way of absorbing evil villains into you.

Lincoln: Yep.

Lincoln sent the soul of Eloise Kieran in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Eloise Kieran's life energy was being sucked out of her again: she was condemned to that punishment for the rest of eternity, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: They're actually living beings who happen to be our sentinels and trusted allies, sorry we didn't mention that one yesterday.

Nico: That's okay, but that's still so cool, Vespera really is one awesome architect and she built one awesome gothic Vampire's Castle for you guys. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, her name is Hailey Helios, Daughter of Helios, Greek God of The Sun.

Me: Whoa, The Daughter of The Greek God of The Sun, now that's really awesome.

Selene Emperyous: You got that right. Hailey Helios is Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of The Sun, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Luan surprisingly, and Hailey and Lincoln helped Luan with her birthday parties, and Hailey helped in teaching Lincoln everything she knows about using the powers of the sun and she really helped out Luan with her training when she got her powers from Sulis. Lincoln made Hailey a beautiful necklace with yellow gem for the pendant, along with a white short-sleeved blouse, golden yellow sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Hailey kissed Lincoln on the lips as sunlight shined down on them, and it was truly beautiful, and she really hates Lewis Travolta with a bloody passion, because that jerk absolutely hated Hailey for always defending Lincoln whenever he along with Lori, Lola, Lisa, Lynn, along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Hailey everything about what that lardass has done, and one time when Lincoln and Hailey were enjoying a day in the beach, Lewis Travolta showed up and tried to kill Lincoln again, that was until Lincoln let loose the beast inside him and he viciously attacked that lardass with a dangerous ferocity, and he and Hailey blasted her with energy blasts and they also pounced on and kicked the tar out of him, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Lewis Travolta tried to do to him and Hailey, they were really furious, and Lincoln called the cops and they picked up Lewis Travolta and took him to jail.

Nico: What a dumbass jerk!

Lincoln: That's putting it mildly, and tomorrow, we'll be taking on Maeve Kearne, the next member of The Ghostrick Destroyers.

Ramona Alucard: (Romanian Accent) Yes, and that'll be left up to me and you, Lincoln.

Lincoln: Right, Ramona.

Adriana Ardelean Dracula: (Romanian Accent) Of course, I'll also be joining in as well, I can't let my little sister have all the fun.

Me: This is bound to piss of Maeve Kearne badly, after all, you two were from Transylvania and are the blood descendants of Vlad Dracula.

Lincoln: She'll say they're disgraces to Vlad Dracula's legacy, but those are just the words of a really delusional vampire who's about to become my next snack tomorrow.

Mumbo Jumbo: That's another of Jake's enemies taken down.

Knightbrace: We should go after them more often.

Me: I agree there and man we have really been slacking off.

Qin: Yeah.

Electrocutioner: You're right about that.

Fixer: The other most important thing is that we have more recruits.

Biowulf: (to Jake) I hope your parents don't mind meeting me during the victory celebration.

Jake: Not at all and it will be fun.

Nico: It sure will. We did awesome today. Great job today everyone.

Xenia: Yeah!

Jake Long: (To the Viewers) This was an awesome adventure. It will be even more fun with all the family with us.

Me: It sure will.

Nico: Yep.

We went back home and celebrated and then enjoyed the rest of the day and went to sleep.

THE END

Xenia: This is so fun.

Lola: It sure is.

Camie: It's awesome.

Misty Tredwell: Boy it sure is peaceful.

Lincoln: I think it's so cool that you have powers like that.

Me: Cooper Daniels has learned so much from you on them.

Ets: He sure has.

Varie: I'll say.

Me: Boy yesterday's mission was awesome.

Nico: It's not every day we fight one of Jake's enemies

Eli: No kidding. It has been a while.

Camie: I know.

Me: No kidding on that. Now the Gorgon Sisters are with the M.O.E.

Lola: They sure are.

Applejack: I think it's a great addition to them.

Laney: I agree there too.

Maria: Keep an eye out. Team Skull could be anywhere.

Me: Okay. The Alarm will tell us if they are coming.

Nico: Here they come.

Xenia: Yep.

Lola: This will be good.

Varie: Yep.

Nico: Time to smash some skulls.

Maria: Time to call for backup!

She called in Amora, Evil Drill Man, Powerpunk Girls, Mouse Shot Lion, Jinxer and the Mummy Legendorga.

Qin: Oh yeah!

Nico: Yeah! This will be fun.

Me: Nico here they come!

We saw TEAM SKULL!

Camie: Oh boy.

Nico: Let's get em!

Me: CHARGE!

We went at them and bashed and pulverized them all over into pulp.

I punched a member.

Me: Nico the Boo Box!

Nico: Oh I get it!

Skull member: (IN FEAR!) NOT THAT! NOT THE BOO BOX!

Me: The Boo Box!

Skull Member: NOOOOOOOO!

Me and Eli grabbed the member as he was screaming and then Nico opened the box and then we shoved him in there and closed it and Nicole put a genjutsu on it and scared the living shit out of him!

Nico: It never gets old!

Qin: Yeah! Neither is this!

Qin opened the hatch on the top and then put her butt on it and then…

LOUD FIERY SUPER FART!

She farted a flamethrower blast from her butt and burned the Skull Member!

OUCH!

Nico: (LAUGHS) NICE ONE!

Qin: Thanks!

Eli fired waves of Force Lightning and electrocuted the Skull members all over.

Fluttershy then whistled and then a bunch of badgers swooped in from out of nowhere and mauled a bunch of members of Team Skull.

Nico: Nice!

Brittney: Time for some fear! NIGHTMARE STYLE NINJA ART: FEAR OF THE NIGHTMARE SHARK!

She fired waves of darkness and they enveloped the Skull members and a NIGHTMARE SHARK ATE THEM!

Camie: OH YEAH

Lola: Nice!

Maria fired water at them.

She drenched them. But then lightning struck them from out of nowhere!

ZAAAAAAAAAAPPPPPPPP!

Nico: WHOA!

Eli: That was awesome!

Me: Nice one Lincoln.

Lincoln: That wasn't me. It was from her!

We saw an Electric Eel Gene-Slammer Girl!

Me: An Electric Eel Gene-slammer!

May: Thanks!

Electric Eel: Thanks!

Nico: Nikko Malkovich! Wow!

Qin: Whoa! Lightning Queen Nikko! That is awesome!

Nikko Malkovich: It sure is.

Nico: Kinda weird for you not to have legs, huh?

Nikko Malkovich: You're not kidding there.

Camie: Yeah.

Nikko then fired waves of lightning and electrocuted the rest of the Team Skull members and they were burned all over and then arrested.

Qin: Take that.

Camie: Yep.

Nico: What were you doing before getting Gene Slammed?

Nikko Malkovich: Working in the hydroelectric power plant and then I got turned into this.

Nico: Whoa.

Me: Lets revert you back.

I put my blind man glasses on and the boys covered their eyes.

Me: Just so you know this is going to hurt really bad.

Nikko Malkovich: I'm ready.

Me: Okay here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain as she was changing back!

Her tail unmerged back into legs.

She was back to normal and was a girl with neon green hair and had blue eyes and had the kanji for eel in the middle of her forehead. She got up and was naked.

Nikko Malkovich: Oh wow I'm normal. It's okay Nico you can look at me naked. I don't mind. I like it.

Nico: Not if you want Nicole to kill me!

Nikko Malkovich: I'm also Nico's friend from science class.

Me: Wow!

Nikko Malkovich: I specialized in lightning.

Eli: Neat.

Rarity: Don't worry darling we can fix this.

Rarity and the fashion brigade gave her new clothes. She had neon green clothes.

Nikko Malkovich: Nice outfit!

Qin: It sure is.

Nikko took one step… and fell to the floor.

Nico caught her.

Nikko Malkovich: WHOA! I need to get used to having legs again.

Nico: It will take a while but you can do it.

Eli: And I found the anothers. We have Another Amaterasu (Fire Force), Abyss (SoulCalibur), Universe 666 Ansem, Argosax, Aisrehdar (Chrono Ruler), Lillith and Enchantress.

Me: Whoa!

Ets: This will be good.

Nico: Who do we call?

Me: Let me see.

JEOPARDY THINK THEME PLAYS

Me: I got an idea. I summon Witch of the Black Forest, Ruin Queen of Oblivion, Fire Sorcerer, Kanan the Swordmistress and Lady of the Lake!

I summoned said monsters.

Fire Sorcerer: You rang?

Me: Yep. Your archenemies are Amaterasu (Fire Force), Abyss (SoulCalibur), Universe 666 Ansem, Argosax, and Aisrehdar (Chrono Ruler).

Nico: Nice!

Qin: Yeah!

Me: And Maria call in Felicia Terrington the gene-slammer of Arcana Force XXI - The World.

Maria: Right.

She did so and she appeared in a planet Earth.

Felicia Terrington: I'm ready guys.

Nico: There they are!

Out came 7 figures and they were Another Amaterasu (Fire Force), Abyss (SoulCalibur), Universe 666 Ansem, Argosax, Aisrehdar (Chrono Ruler) and Lillith!

Ets: Whoa!

Qin: This is gonna be good.

Lola: Yeah!

Another Amaterasu: But this will be so fun.

Me: That voice!

The 7 of them all merged together and she reverted back and was a girl with purple hair and had a rainbow dress on and had rainbow angel wings. And she had a rainbow sword in her hand.

Me: (GASP) Miranda Connors!

Miranda Connors: Awesome to see you again J.D.

Me: Same here. Miranda is also the gene-slammer of the Neos Elemental Heros.

Jaden: Whoa! That is awesome.

Me: It sure is.

Miranda Connors: Yep. And I'm also one of Lincoln's Guardian Angels.

Lincoln: That's right and I haven't seen you since you were 17.

Miranda Connors: I know and WOW! You changed so much from that little boy I remember.

Lincoln: I know. Miranda is also Emilia and Melanie Connors' little sister.

Qin: Wow!

Miranda Connors: I heard you guys were destroying Queen Bee mean girls. Well done.

Me: Thanks. Is the Another Enchantress friendly or hostile?

Miranda Connors: Friendly. And she is a masterful enchantress.

Ets: Let's do this!

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the 7 Anothers!

They fired waves of energy and element and blasted the Anothers down and I caught the Wonder Ride Books!

Qin: Oh yeah!

Camie: Take that!

Nico: Now for Another Enchantress.

Ilana: This will be awesome and fun.

Xenia: It sure will.

Qin: Yep.

Me: Clever.

Ilana: Sorry we have to fight like this.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Xenia: YEAH

Juniper turned into Another Enchantress.

Qin: Yeah! This will be good.

Nico: (gets out DC Enchantress' Ridewatch): You're not the only one who can do magic!

Nico activated it and fired a wave of magic and blasted her down.

Nico: Now this one. (Activates Lillith's ridewatch)

Nico fired waves of darkness and smashed her down.

Nico: Nice team, Abra Kadabra!

Abra Kadabra: Thanks. And rest assured that Praxina is being well behaved.

Lola: Awesome.

Me: Just as long as she doesn't hurt Vypra.

Praxina: I can assure you that me and Vypra are slowly repairing our relationship. (laughs) Now if only she and Dark can get married already!

Me: (LAUGHS) Awesome.

Xenia: Yeah.

Me: Great.

Maria: Where's the next Gene Slammer?

?: Right here you ugly bitch!

We saw a Salazzle!

Me: Whoa a Salazzle!

Xenia: Uh oh.

Salazzle: (In a girls voice) That's right you fuckers! I'm here! You got a fucking problem with that!?

Nico: Gabby Orion! Whoa!

Qin: Not her!

She reverted back and was a girl with black hair and had black hardcore clothes.

Nico: She's a bully I saved from herself.

Qin: I remember that.

Salazzle: I got this.

She fired waves of darkness and smashed down Another Enchantress and I caught the Ridewatch and purified it and I brought Juniper.

Xenia: Awesome!

Ets: What's your favorite memory of Nico?

Gabby Orion: When Nico saved me from myself. Also me and Nico went after Karen people.

Camie: A Karen?

Me: It's a slang term for someone that is a total psychopath. They think they are so much better than everyone that they can get away with anything.

Lola: Yeah.

Xenia: Yikes.

Camie: Yeah.

Nico: Yep. We teamed up and became the Karen-Wranglers.

Xenia: Nice.

Nico and Gabby hugged.

Nico: I've missed you.

Gabby Orion: Me too Nico.

We went back home.

Lincoln: Whoa, we're here in Fairy World, and I know what we're going to do here, not only am I going to rescue the three girls here, but we got a huge and wild battle waiting for us: The Babysitters Raging Against Twerps have come back from the dead, and they want revenge on us for killing them, but we're going to destroy those demonic babysitters, and what's even more huge: not only are we going to broadcast it to Icky Vicky so she can see her friends be wiped out one by one.

Timmy Turner: But, I'm also going to transform, and it's going to be more explosive than when I blew up at Norm when we went to Ji Province.

Nico: I always knew we'd be facing those demonic babysitters again, but unlike with Icky Vicky, they aren't getting off easy.

Me: No, we can deal with humiliating Icky Vicky, but them, uh uh, they're getting The Black Gates for good.

Wanda: That's for sure.

Suddenly, we saw a very beautiful and super sexy girl with long golden yellow hair and golden yellow hairband, yellow eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful golden angel wings, she's dressed in a white short-sleeved blouse, sleeveless golden yellow top, necklace with pearls and blue gem for the pendant, long ankle-length white skirt, white bridal gloves, yellow knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with horses, roosters, wolves, cattle, and angels on the coattails and on the back is Helios, and holstered on her back is a massive Helios-themed greatsword with embedded yellow gems and Athena etched on the 7'0" massive, wide, double-edged golden yellow blade, large yellow wolf heads for the crossguard, large white angelic faces embedded on both sides of the hilt with yellow gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large yellow gem on the bottom of the large white angel heads for the pommel.

Selene Arcangela: (Gasps) The horse, rooster, wolf, and cattle motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Golden Yellow-Haired Girl: That's right, and I got the girls away from those demonic babysitters, they had flamethrowers, chainsaws, grenades, knives, and all sorts of weapons, and they were cackling like demons.

Lincoln: (Gasps) That voice, Hailey Helios, Daughter of Helios, I knew it was you.

?: (SUPER ENRAGED DEMONIC AND SUPER PISSED OFF SCREECH OF PURE RAGE AND INSANITY) TTTTTTTTTTTTTTWWWWWWWWWWWEEEEEERRRRPPPPSSSSS!

We then saw our targets heading our way: The Babysitters Raging Against Twerps, and they have flamethrowers, chainsaws, grenades, knives, and all sorts of weapons, and they were cackling like demons and were extremely super pissed off now.

Nico: Here they come!

Suddenly, something in Timmy Turner's mind absolutely snapped as memories of Norm's crooked and evil tricks rushed through him along with the memory of him making The 20 Days of Darkness even more darker, and his sapphire blue eyes turned neon sapphire blue and he was surrounded by a pink and white energy aura with magic, stars, fairy crowns, elemental forces, wolves, fairies, and angels, and he gripped his Lupus' Celestial Fairy Wolf Moon Mage's Staff of Elemental Magic Justice and his Eye of Lupus orb was glowing even more, and as he approached The Babysitters Raging Against Twerps, he left pink and white energy, magic, stars, fairy crowns, elemental forces, wolves, fairies, and angels with every step.

Timmy Turner: You know what, you absolutely make me sick to no end, you've already proven that you all are nothing more than a bunch of monsters and demons who sought to kill every last kid in Dimmsdale and the entire world and watch the world burn, and for what: to slake your endless thirst for blood and destruction. (SUDDENLY GETTING EXTREMELY PISSED OFF AND SUPER ENRAGED) But, you know what, I've had it up to hear with every last one of you losers, you've already proven to all of us that you're nothing more than a bunch of monsters unworthy of redemption and unworthy to even live in society at all! (Suddenly, his canine teeth grew into fangs)… , AND NOW, YOU'VE JUST SEALED YOUR FATE, YOU DEMONIC, WRETCHED, WORTHLESS, HEARTLESS, GOOD-FOR-NOTHING GODFORSAKEN PIECES OF TRASH FROM THE DARKEST DEPTHS OF HELL, AND NOW, I WILL MAKE ABSOLUTELY SURE NONE OF YOU WILL NEVER LEAVE HERE ALIVE AND I WILL KILL EVERY LAST ONE OF YOU UNTIL NOTHING IS LEFT OF YOU! (WOLF ROAR)

We gasped at the sudden extent of Timmy Turner's rage, and when we heard a wolf roar escape from his throat and his canine teeth turn into fangs, we knew The Babysitters Raging Against Twerps just fucked up big time, and now, Timmy's going to make them all pay.

Nico: HOLY CRAP! Timmy's really exploded with anger now!

Lincoln: This is way more explosive than when he exploded like that at Norm during my rescue at Ji Province. STAND YOUR GROUND, GANG, TIMMY'S GOING TO EXPLODE!

We stood our ground as Timmy Turner screamed like a madman and roared like a really enraged wolf as he was surrounded by a massive vortex of pink and white energy with stars, magic, fairy crowns, and elemental forces surrounding it, there's a fairy, angel, and wolf flying and running around the vortex, and in the vortex is a gold phoenix with red eyes glaring at The Babysitters Raging Against Twerps: the red eyes of eternal death. Then, as the vortex faded, Timmy Turner emerged, but he was changed forever.

Timmy Turner grew from 7'5" to 8'3" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger for his new body and he still retains his eight-pack abs and he now has eleven large colored orbs orbiting around his legs, he has blue highlights in the bangs of his long chocolate brown hair that reached the bottom of his neck and a blue tip on one strand of his hair, he has neon sapphire blue eyes and a pink and white energy aura with magic, stars, elemental forces, fairy crowns, wolves, fairies surrounding him, he has an angel and wolf holding the Element Kanji and was accompanied by two fairies emblazoned on his forehead and Third Eye with pink iris, he has on wolf earrings with pink gems for the eyes and with the Elemental, Magic, and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with pink gems on the gold star links and pink and green crystals for the links and a blue fairy-shaped Element of Harmony and below the Element of Harmony is a wolf head with pink gems for eyes and the Elemental, Magic, and Eternity Kanji on its head for the pendant. Timmy Turner has on a pink shirt with sapphire blue jewel on his neck, a long white long-sleeved jacket with golden embroideries in the shape of arrows pointing left and right and blue buttons, white gloves with silver claw rings, black pants with blue flames, black knee-high boots, and long long-sleeved white coat with golden embroideries on the long sleeves and pink-furred cuffs and pink fur lining on the coattails and pink wolf draped around for the collar, and on the back is a fairy crown with a fairy, angel, and wolf, and on the back of his neck is the constellation of Lupus the Wolf. Suddenly, Timmy felt a sharp pain on his wider and more muscular back, and then, his massive white angel wings with yellow tips on the large white feathers grew much bigger for his new body, and he now has fangs like a wolf, he has on his Ring of The Phoenix with large pink gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand, and he has his Wolf Familiar, Lupin, and Fairy Familiar, Tiana with him.

Suddenly, Timmy Turner's Lupus' Celestial Fairy Wolf Moon Mage's Staff of Elemental Magic Justice and Eye of Lupus and all the other greatswords and swords he'd gotten in the treasure battles began merging together, and they were surrounded by a kaleidoscope of pink and white energy, stars, magic, elemental forces, fairies, wolves, and angels, and when it finally emerged, it was transformed into Timmy Turner's Lupus the Wolf's Celestial Elemental Harmonious Fairy Wolf Moon Mage's Staff of Elemental Magic Justice, it's a brand-new Mage's Staff measuring at 8'5" in length with a massive pink orb mounted on top of four large gold raven heads with blue gems for eyes and below them is a large blue gem surrounded by a gold ring with small chain made of three pink gems and a wolf head for the pendant and a gold dragon coiled around one end of the long black handle and on the other end of the long midnight black handle is a white Alicorn head with its wings spread out and a golden heart and on the bottom of the Alicorn head are four smaller gold raven heads with pink gems for the eyes and on top of a large gold ring and on the bottom of the raven heads is a large midnight black crescent moon weight with a pink gem on it and his Eye of Lupus orb also now has gold designs on it, he has on his new large gold cuff Bracers of the Champions of The Universe with pink gems on his wrists and Dragon Ball Bracelet on the large gold cuff left Bracer, large gold Belt of Elemental Bravery with a large gold wolf head with blue gems for eyes and a large pink gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Fairy World Compendium, purple spellbook he got for his 18th birthday, Talisman Cards of The Universe, Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a gold kanji below the fairy crown that said, "Timmy Turner, Chosen One and Defender of Dimmsdale and Fairy World, Loving Fairy God Child of Cosmo and Wanda, Loving Fairy Godbrother of Poof, Loving Son of Mr. and Mrs. Turner, Destroyer of Denzel Crocker and Many of Fairy World's Dangerous Villains, Redeemer of The Darkness, Owner of The Fairy World Compendium, Loving Boyfriend of Trixie Tang, Loyal Friend to Many, Mysticon Pink Wolf Mage, Archenemy of Madame Masque, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Magic, Angels, Fairies, Wolves, and Elemental Forces"

We were amazed by Timmy Turner's Super Angel-Fairy-Wolf Moon-Mysticon Pink Wolf Mage-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Trixie Tang saw what what happened to him, she had an atomic red blush on her face and hearts in her eyes, but when the Babysitters Raging Against Twerps saw it, they went mad with rage and ran at him to kill him with their chainsaws, but Timmy Turner fired a powerful barrage of pink and white energy blasts, stars, magic, elemental forces, fairies, wolves, and angels, along with firing pink energy blasts from his new Mage's Staff and firing pink Eye of Lupus orbs at them which exploded with incredible power as they hit them, and this absolutely pissed them all off now.

We cheered wildly as we holster our weapons and powered down, and Timmy Turner's new body, clothes, weapons, jewelry, Third Eye, massive white angel wings, and eleven large colored orbs orbiting around his legs are permanent.

Nico: Alright, we did it, we're finally rid of The Babysitters Raging Against Twerps, those bitches are gone for good!

Suddenly, we heard Icky Vicky roar and screech with extremely nasty rage: she found out about what we just did to her friends.

Timmy Turner: Sounds like Bubble Butt has found out about what we did in getting rid of her friends, and she's not taking it well.

Zachary Moonglow: (Through Timmy's emblazoned Fairy and Wolf and Third Eye) Indeed, but this is the price her friends deserved to pay.

Lincoln: And many more for their desire to kill kids and watch the world burn. (To Hailey Helios) And it's so good to see you again, Hailey.

Hailey Helios: You too, Linky, it's been a long time.

Lincoln went up to Hailey Helios and he hugged her, and Hailey Helios is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Hailey Helios: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Hailey Helios, and no, this isn't to be confused with the Gene-Slammer of Helios Trice Megistus, this is the Daughter of Helios, Greek God of The Sun, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of The Sun, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy.

Nico: Nice warning, sheesh, we almost got confused on that one.

Selene Emperyous: Yeah, thank goodness. Anyways, when she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Luan surprisingly, and Hailey and Lincoln helped Luan with her birthday parties, and Hailey helped in teaching Lincoln everything she knows about using the powers of the sun and she really helped out Luan with her training when she got her powers from Sulis. Lincoln made Hailey a beautiful necklace with yellow gem for the pendant, along with a white short-sleeved blouse, golden yellow sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Hailey kissed Lincoln on the lips as sunlight shined down on them, and it was truly beautiful, and she really hates Lewis Travolta with a bloody passion, because that jerk absolutely hated Hailey for always defending Lincoln whenever he along with Lori, Lola, Lisa, Lynn, along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Hailey everything about what that lardass has done, and one time when Lincoln and Hailey were enjoying a day in the beach, Lewis Travolta showed up and tried to kill Lincoln again, that was until Lincoln let loose the beast inside him and he viciously attacked that lardass with a dangerous ferocity, and he and Hailey blasted her with energy blasts and they also pounced on and kicked the tar out of him, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Lewis Travolta tried to do to him and Hailey, they were really furious, and Lincoln called the cops and they picked up Lewis Travolta and took him to jail.

Nico summoned a bomb and hurled it through a portal that led to Lynn's Table and it was aimed at Lewis Travolta.

Nico: HEADS UP, LARDASS!

Then, the bomb hit Lewis Travolta and exploded and more jewels, coins, gems, and currencies had exploded out of him, and he screamed in anger at us.

Me: Yeah, fuck you too, lardass!

Lincoln: That'll teach that jerk not to mess with us, but knowing him, he won't quit. And now that you're here, Hailey.

Lincoln went up to and hugged Hailey Helios in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Hailey Helios: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Elemental Thunderbird Necklace of Eternal Love appeared on Hailey Helios' neck with golden yellow gems on the gold lightning bolts and golden yellow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Hailey Helios: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Hailey Helios.

Hailey Helios had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the three girls, and when Lincoln saw who they were, he immediately recognized them. The three girls are Sanae Aikawa, Saki Kitahara, and Miyuki Nishida from Big Sis Hunters.

Lincoln: Oh wow, it's Sanae Aikawa, Saki Kitahara, and Miyuki Nishida from Big Sis Hunters.

Nicole: Whoa, looks like you've rescued three voluptuous beauties from those demonic babysitters from Hell.

Lincoln: Are you girls okay?

Sanae Aikawa: Yes, we're okay, thanks to you.

Then, when Sanae Aikawa and the other two girls saw who it was that saved them from The Babysitters Raging Against Twerps, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of

Sanae Aikawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Sanae Aikawa: (Seductively and rubs her right hand on Lincoln's

massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sanae Aikawa, Saki Kitahara, and Miyuki Nishida with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after went after were The Babysitters Raging Against Twerps who came back from the dead and wanted revenge on us for killing them long ago.

But, when Lincoln showed what happened such as Timmy Turner transforming into his United Friendship Universal Eternal Celestial Xelnaga form and he blasted a few of them and really pissed them off and then all of us piling on and really beating the crap out of them, and Timmy finishing them off by blasting them with a barrage of energy blasts and blasts from his new Mage's Staff which destroyed them and sent them to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Hailey Helios have a lot of catching up to do, now that they're back in town.

Maria: Those good-for-nothing demonic babysitters had some nerve coming back from the dead!

Lincoln: Yeah, but we destroyed them and pissed off Icky Vicky even more.

William: One day, someone should rip out her vocal chords so we won't have to hear that screeching voice again!

Maria: Nah, too easy, babe. Besides, it's so much more fun hearing her lose it big time and scream and roar like a rabid animal.

Me: And now that her group of friends are gone forever, now she truly has no one left.

---

After finally getting rid of The Babysitters Raging Against Twerps and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Hailey Helios saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Hailey Helios: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hailey, and I can still defend

myself, and in addition to getting stronger, I've also gotten smarter as well.

Hailey Helios: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Hailey Helios: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Hailey, what's the story on how you and Lincoln took down that lardass, Lewis Travolta?

Hailey Helios: Now, that's a story I've never forgotten.

Hailey Helios pulled up a video and it played on the screen, and it showed Hailey and Lincoln were enjoying a day in the park.

Past Hailey Helios: It's always nice coming here to the park.

Past Lincoln: Yeah, it's really peaceful, Hailey.

Suddenly, Lincoln picked up the sound of heavy footsteps running towards them in a furious rage, and he saw who it was: it was Lewis Travolta, Royal Woods' food-binging glutton and jerk. They dodged an incoming attack from that lardass who was out for blood.

Past Lincoln: Every single time whenever I wanted to enjoy my day and be with my Guardian Angels, every time, you show up to ruin it! That's it, I've had it up to hear with you, you bloated sack!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer, his claws grew sharper, and then, his abnormally massive upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON MY GUARDIAN ANGELS, YOU BLOATED SACK! (WOLF ROAR)

Nico: Oh… Shit!

Me: That lardass was dead meat on a stick that day!

Lincoln let the beast out in him and Lewis Travolta charged at Lincoln, but Lincoln punched him hard in his big fat gut and he lifted Lewis Travolta up off the ground with his really immense and powerful superhuman strength and he threw him into a tree, and he attacked him with a dangerous ferocity, and he and Hailey blasted him with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that lardass up in a red energy straitjacket, and when he alerted the rest of his family of what Lewis Travolta tried to do to him and Hailey, they were really furious, and then, Lincoln called the cops as they loaded that lardass in the wagon and took him straight to jail as the video ended.

Nico: That lardass had some nerve trying to attack you guys again!

Me: Honestly, he has a one-track mind: and all he's focused on is revenge and being a jerk.

Lincoln: He deserved all those thrashings we give him, and he still doesn't know when to quit. So, he needed to be taken down for good and become humiliation fodder.

Eli: Even though there are some of us who would rather see him dead after all the crap he pulled.

And he was right: some of Lincoln's Guardian Angels had sharpened axes and knives and even a dart board with Lewis Travolta's picture on it and it was stabbed and slashed all over until it was mangled to pieces.

Nico: (Winces) Yikes, I knew that many of Lincoln's Guardian Angels hated that lardass, but it got to the point where they don't want him to suffer, they want him to die.

Me: (Shudders) And that lardass has pulled one too many stunts in trying to kill Lincoln same went with Flip and Scoots.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to DoSolfachord Coolia, DoSolfachord CutiaFa, Solfachord Fancia, GranSolfachord Coolia, GranSolfachord Musecia, LaSolfachord Angelia, MiSolfachord Eliteia, ReSolfachord Dreamia, SolSolfachord Gracia, and TiSolfachord Beautia, and they hugged the girls in their abnormally massive and powerful muscular arms, and DoSolfachord Coolia, DoSolfachord CutiaFa, Solfachord Fancia, GranSolfachord Coolia, GranSolfachord Musecia, LaSolfachord Angelia, MiSolfachord Eliteia, ReSolfachord Dreamia, SolSolfachord Gracia, and TiSolfachord Beautia placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Nico: Whoa, looks like someone really had an awesome time at

Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of DoSolfachord Coolia, DoSolfachord CutiaFa, Solfachord Fancia, GranSolfachord Coolia, GranSolfachord Musecia, LaSolfachord Angelia, MiSolfachord Eliteia, ReSolfachord Dreamia, SolSolfachord Gracia, and TiSolfachord Beautia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Jenna: And Flip has some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill DoSolfachord Coolia, DoSolfachord CutiaFa, Solfachord Fancia, GranSolfachord Coolia, GranSolfachord Musecia, LaSolfachord Angelia, MiSolfachord Eliteia, ReSolfachord Dreamia, SolSolfachord Gracia, and TiSolfachord Beautia, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The

Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Maeve Kearne, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Maeve Kearne, one of The Ghostrick Destroyers is heading here to kill you all.

Ramona Alucard: (Romanian Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment back in the castle of The Michigan Supernatural Defense Force.

Me: Nice, and your sister's also going to join in as well.

Adriana Ardelean Dracula: (Romanian Accent) That's right. Our parents may have been murdered by that monstrous werewolf, but those human-despising sadistic blood-crazed vampires were the ones who orchestrated the nightmare, we've had to deal with the aftermath of those blood-crazed maniacs from Transylvania, and now, they will suffer our vengeance!

Victoria Kurenai: That they will, Adriana, well only Maeve Kearne will, and also, Lincoln's bound to use the Pillar Men's absorption technique on her after you all defeat her.

Nico: This should be good. Alright, gang, let's go, we may not have a mission today, but let's head to the park and kill Maeve Kearne.

Lincoln: Yeah, we can't let that delusional blood-crazed religious fanatic and zealous vampire hunter and murderous heretical vampire run free any longer, she must die here and now.

Ramona Alucard: (Romanian Accent) And that she will. Maeve Kearne, you better be ready to die, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon!

Adriana Ardelean Dracula: (Romanian Accent) After everything that you did in trying to kill my little sister and the rest of her friends seven years ago, not to mention what you did in sending that monstrous werewolf to murder our parents, that is an act that can never be forgiven! Now, you will suffer our vengeance: the vengeance of Vlad Tepes Dracula!

Lincoln: And you're going to be in for a lot worse, you human-despising vampire from Hell!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to the Park to destroy Maeve Kearne of The Ghostrick Destroyers and make her pay for her crimes.

We arrived at the park in search of our next target: Maeve Kearne of The Ghostrick Destroyers.

Me: We've made it to the park, now where the hell is Maeve Kearne?

Lincoln: She's here, I can smell her blood from a mile away.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Ramona Alucard: (Romanian Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Maeve Kearne, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Maeve Kearne, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Ramona Alucard: (Romanian Accent) Maeve Kearne, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Maeve Kearne: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Maeve, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Ramona Alucard: (Romanian Accent) Indeed, and now, it's high-time we bring this delusional vampire down for good.

Suddenly, Ramona Alucard's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, darkness, light, shadows, vampire bats, and angels, she unholstered her massive Ghostrick Alucard's Transylvanian Darkness Archangel Greatsword of Transylvanian Darkness Vampire Angel Justice from her back, and as she approached Maeve Kearne, she left black and red energy, stars, darkness, light, shadows, vampire bats, and angels with every step.

Ramona Alucard: (Romanian Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Maeve Kearne, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Ramona Alucard was surrounded by a massive vortex of black and red energy with stars, light, darkness, and shadows surrounding the vortex, there are vampire bats, angels, and Ghostrick Alucard flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Maeve Kearne: the red eyes of eternal death. Then, as the vortex faded, Ramona Alucard emerged, but she was changed forever.

We were amazed by Ramona Alucard's Super Angel-Ghostrick Alucard-Vampire-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Maeve Kearne saw it, she fell into an even more darker and more insane rage and ran at Ramona Alucard with a knife to stab her in the heart to kill her, but Ramona Alucard fired a powerful barrage of black and red energy blasts, stars, darkness, light, vampire bats, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Me: Whoa, Ramona's transformed!

Nico: Now, she looks like a true Vampire Angel of The Night.

Suddenly, Adriana Ardelean Dracula's blood red eyes turned neon blood red, and she was surrounded by a black and blood red energy aura with stars, darkness, shadows, drops of blood, and vampire bats, she unholstered her massive Vampire Lady's Gothic Bloody Greatsword of Vampiric Justice from her back, and as she approached Maeve Kearne, she left black and blood red energy, stars, darkness, shadows, drops of blood, and vampire bats with every step.

Adriana Ardelean Dracula: (Romanian Accent) You've been nothing more than a nightmare to both Transylvania and all of Romania for centuries, Maeve Kearne, you and the rest of those Ghostrick Destroyers, you claimed to be doing the work of God, but even I know that was a lie, you all despised God with all your black hearts and you sought nothing more than destroy mankind. You shouldn't have come back even after Lincoln drove you pathetic vampires out of Royal Woods seven years ago, and since you refused to learn your lesson the first time, now you have left us no other choice but to end your life once and for all.

Adriana Ardelean Dracula: (Divine Godly Cosmic Voice of The Transylvanian Darkness Light Blood-Soaked Transylvanian Vampire Lady Angel and Divine Transylvanian Darkness Light Blood-Soaked Transylvanian Vampire Lady Angel Love) (Romanian Accent) On the vampire who caused trouble for all of humanity for centuries. Now, let's rip her to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship

Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Ramona Alucard and Adriana Ardelean Dracula.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Maeve Kearne, now it's time we put you down for good!

Ramona Alucard, Adriana Ardelean Dracula, and Lincoln went after Maeve Kearne, and they fired extremely powerful blasts of rainbow energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and

Mermaids at Maeve Kearne and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Ramona Alucard, and Adriana Ardelean Dracula also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Maeve Kearne mad.

Maeve Kearne: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Maeve Kearne's vampiric nature came out, and now, she was out for blood. Maeve Kearne ran at Lincoln, Ramona Alucard, and Adriana Ardelean Dracula, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Maeve Kearne's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Maeve Kearne in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells, and then, he drained Maeve Kearne's life energy as we then saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Maeve Kearne into his body and then draining her soul of her life energy, an energy card with Maeve Kearne's drained soul appeared in his left hand. We cheered wildly for what Ramona Alucard, Adriana Ardelean Dracula, and Lincoln did as they holstered their weapons and powered down, and Ramona Alucard's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent, and Adriana Ardelean Dracula's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Ramona Alucard: (Romanian Accent) That's one down and twenty of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky.

Lincoln: (Smiles Warmly) You're welcome, Ramona and Adriana.

Adriana Ardelean Dracula: (Romanian Accent) And we both know how to give you your reward.

Suddenly, Adriana Ardelean Dracula and Ramona Alucard wrapped their arms around Lincoln's wider and muscular back, as their chests pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around their waists, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to the faces of Ramona Alucard and Adriana Ardelean Dracula, they kissed passionately as they moved their left and right arms and placed their left and right hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Ghostrick Alucard, and Vampire Lady flying in the air, and we saw a herd of Buffalo and many animals running across the field and vampire bats flying behind them with blood raining down on them and we cheered wildly. Then, Lincoln, Ramona Alucard, and Adriana Ardelean Dracula absorbed the elemental forces and raining blood and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a four-way battle of Vampire Hunters and Angels of The Night VS. Delusional Human-Despising Vampire, Lincoln, Ramona, Adriana, you three really showed that vampire no mercy whatsoever, and you really delivered the vengeance of Vlad Dracula upon her head.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Maeve Kearne in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Maeve Kearne's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, her name is Allison Artemis, Daughter of Artemis, Greek Goddess of The Hunt.

Me: Ooh, now that's a good one.

Selene Emperyous: You got that right. Allison Artemis is Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of The Hunt, and she has all her mother's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lynn surprisingly, and Allison and Lincoln helped Lynn with her training, and Allison helped in teaching Lincoln everything she knows about using the powers of the moon and she even had Lynn make up with Lincoln and they hugged.

Eli: Really?

Selene Emperyous took out the picture of Lincoln and Lynn hugging and burying the past differences she had with him.

Nico: And this was after Dark Lynn was removed from Lynn for good.

Selene Emperyous: And Lincoln made Allison a beautiful necklace with midnight blue gem for the pendant, along with a white short-sleeved blouse, midnight blue sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Allison kissed Lincoln on the lips at night as the moonlight shined down on them, and it was truly beautiful, and she really hates Flip with a bloody passion, because that mutant cheapskate absolutely hated Allison for always defending Lincoln whenever he along with Lori, Lola, Lisa, along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Allison everything about what that mutant has done, and one time when Lincoln, Allison, and Lynn were doing some training, Flip showed up and tried to kill Lincoln again along with Lynn and Allison, that was until Lincoln let loose the beast inside him and he viciously attacked that three butt-cheeked mutant with a dangerous ferocity, and he, Allison, and Lynn blasted him with energy blasts and they also pounced on and kicked the tar out of him, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Flip tried to do to him, Allison, and Lynn, they were really furious, and Lincoln called the cops and they picked up Flip and took him to jail.

Nico: (GROWLS) That fat, hairy, three butt-cheeked mutant cheapskate is really making me mad!

Lynn: He really crossed it that time years ago, we should've killed him, but now, it's best that he is now humiliation fodder forever.

Lincoln: Well said, Lynn, and tomorrow, we'll be taking on Aurelia Karayan, the next member of The Ghostrick Destroyers.

Princess Cadence: Which means I'll be joining you and Claire Allaire in this fight.

Claire Allaire: (French Accent) That's right, we'll show her that love always wins against hatred.

Lincoln: That we will, Claire.

---

Lola came and found something.

Lola: Huh?

Lola found a present nearby and opened it to reveal milk.

Lola: Milk? Did someone order this from the milkman?

Me: Not me.

Nico: Weird.

I opened a bottle and smelled it and it smelled horrible!

Me: EW! This milk smells really bad.

I went to the sink and it was really gunky and smelled horrible.

Me: What the fuck? This milk looks like its over 6 months old.

Nico: Who in their fucked up mind would do this?

Me: This sounds like something Flip would do. He always gave people expired milk like this. Fucking cheapskate.

Qin: Yeah. Did he escape again?

Anna Anyanova checked and it showed that he was still tied up to his post.

Anna Anyanova: Nope he is still tied up to his post at Lynn's Table.

Me: Good. Lincoln's new security measures are still holding.

Lynn saw cookies on the table.

Lynn: Look! Cookies!

Lynn took a bite of one but it was hard as a rock!

Lynn: OUCH! These are REALLY Stale!

Lynn had a tooth fall out.

Me: Hmm. These cookies are REALLY Stale.

Nico: Weird.

Me: Odd. Lola got a package full of 6 month old expired milk. Smelled like shit and was gunky.

Xenia: Yuck.

Lynn: BLECH!

Lori: Is that a bagel?

Me: Yep but it's moldy.

Lana: Awesome!

Lana ate it!

Me: Lana!

Xenia: Yuck.

Me: Oh that's Lana for you. But who in their fucked up delusional mind is sending moldy cookies and expired milk?

Nico: No idea.

Qin: Yeah.

Poromon: Is that an empty popcorn bucket?

Me: Hmm.

Nico: Yep it sure is.

Me: All there is left is a few Popcorn seeds.

Xenia: If this is some kind of joke I'm not laughing.

Eli: Me neither.

Me: I have a feeling it might be a Hitotsuki behind this. Something is seriously up.

Taro: J.D., I know who's doing this

Me: You do Taro?

Taro: I sure do. Santa Claus!

We gasped!

Me: But that can't be right! It's the middle of May! Almost Summer. He isn't supposed to come for 7 more months.

Nico: YEAH How can that be?

Taro: I know. But this is his handiwork. No doubt about it.

Me: Lets see here. But I definitely remember this one.

I pulled up his info and he is also the Maskman Hitotsuki, HIKARIKI from Episode 41 of Donbrothers, the Christmas Special for that one.

---

In part of the city, Hikariki uses an invisible door to enter people's homes and give them rotten gifts. He returns to a waste facility to wrap more "gifts", including a moldy bagel and an empty popcorn bucket, when a heartbroken Aki, the Noto and Donbrothers see Santa has become a grouchy homeless person. Taro realizes it is Santa upon getting a closer look and Sonoza says that Kaito sent them to check on him. Santa remembers Kaito, saying he has always been on the Nice list and that they promised to be eternal heroes together. Haruka asks him if that is true, why did he become a Hitotsuki?

Santa says he misses the old days when everyone loved him and accepted his gifts, but times change and so did the children of the world. He remembers during a visit to Japan that spoiled brats threw his handmade toys such as a kendama into the garbage because it wasn't what they wanted. He tried to keep up with the times by observing what kids actually wanted for Christmas but they got greedier as time went on and wanted high end electronics like video games.

Eventually, he could not keep up with trends and children started asking for things he couldn't give like a brother for a boy who originally wanted a game. So he made the not so wise decision to go to the boy's house and claim to be his older brother to cheer him up, which resulted in the boy's mother calling the police and Santa getting arrested and put in jail. Taro bluntly admits that was an expected natural outcome.

Santa said that the humiliation of being arrested and the bitter resentment he has for the children of the world for being so spoiled turned him into a Hitotsuki. Now he desires revenge against the people of the world for their greed and plans on ruining Christmas for everyone. This upsets Aki, who now doesn't believe in Santa after seeing how disgruntled and mean he has become. Shinichi says that she shouldn't give up and that she might be the key to fixing this, Haruka agrees as Aki's innocence could encourage Santa to be his old self again.

Aki tries to say to Santa that she still believes in him because he gave the children of the world something to dream for and the Noto also try to get Santa to return to his duties so that they can be his apprentices. This doesn't work as Santa angrily says young people don't understand what he is going through and becomes Hikariki again and runs away. Taro pulls out his DonBlaster and decides that they need to help Santa "the hard way", summoning the Lupinranger and Patranger Alters to chase him down.

Eventually, the Alters find Hikariki and blast him to slow him down long enough for Taro in his Don Momotaro Alter form to combine the Lupinranger and Patranger Alters into a mini cannon to knock down Hikariki. Shinichi arrives carrying Taro's body, who upon returning to it criticizes how Shinichi handled him as the others catch up and engage Hikariki together.

As the Donbrothers continue to fight Hikariki, the demon possessed Santa says they will never understand how he feels and uses Maskman's Aura Power to blast them and float in the air using meditation. Taro equips his GolDon armor, while Jiro rushes to meet up with them and is upset that they started without him. Tsubasa arrives and Avatar Changes into NinjaBlack, using different elemental Ninpo techniques to knock Hikariki down and calling Murasame to help him weaken the Hitotsuki. Taro, not willing to be upstaged, gives Tsubasa 32 points and pushes him aside for the finisher. Jiro, not wanting to be left out, quickly powers up his Ryukonogeki and both purify Hikariki with the Festival End/Lightning Dragon Flash combo and Santa is purified.

Santa is standing alone depressed and about to walk away until Taro arrives with his sack. He reminds him of his visit to his home on that Christmas long ago when he was a child. A flashback shows that Santa had run low on gifts to bring to the kids and asked little Taro for help by donating some of his. Taro agreed and as a thank you, Santa stayed with him for a bit to be his friend and played with him. Taro never forgot about that and ever since, he set money aside to buy gifts for children at Christmas to give to Santa if he ever needed help with his deliveries again. Taro hands Santa his sack filled with gifts he bought and says that the world needs a Santa Claus.

Santa is reluctant, as time has moved on without him, but Taro says that Santa is born to be who he is and he will only become a Hitotsuki again if he lets the world get him down. Santa remembers the beating he took from Inu Brother and upon seeing the beautiful Christmas lights, he decides to try getting back to his work again. He puts his magic sack on his shoulder and transforms into his iconic red suit. Taro tells Santa he looks better that way and the jolly gift giver thanks the young lad for believing in him and never giving up on him, patting Taro's head.

At Cafe Donbura, Haruka walks outside upon hearing the bells and is stunned to see Santa Claus flying in his sleigh, who wishes her and all of Japan a Merry Christmas

---

We gasped!

Me: The Maskman Hitotsuki! I remember that one! Santa was turned into that one because he was pissed off that he had to see people go through all these times and all the selfishness and spoiled rotten attitudes of the children made him resent all the kids!

Nico: That is insane! His Hitotsuki form made him believe that.

Xenia: We got to find him.

Me: DAMN those Noto Council members! They turned Christmas against us!

Qin: I wish we could have just given those monsters the Black

Gates!

Lola: Yeah!

Nico: Believe me as much as they deserve it they still are worthy of the Masters of Evil to be kept under the watch of Vypra.

Maria: (to the Noto Trio) I also remember that you guys had to fulfill an annual duty to be Santa.

Sonoza: Yep. And we're not ashamed!

Me: That is cool!

Sonoza: I remember that.

Qin: Yep.

Me: Me too. That was awesome.

Camie: Yep.

Nico: Well we got to find Santa and quick.

We went down to the surface of the planet.

Me: Okay we got to find Santa.

We went into the city.

Me: Okay here we go.

Poromon: Santa! Where are you?!

Manaphy: YEAH!

Me: He has to be here.

Nico: Wait look!

We saw a man on a bench in the park and it was Santa Claus!

Me: Santa!

We went up to him.

Me: Santa?

Santa Claus: J.D. Knudson and Team Loud Phoenix Storm.

Me: Awesome to see you again Santa. But it's the middle of Spring. Shouldn't you be back at the North Pole?

Santa Claus: Did you enjoy the gifts I got you guys today?

Takeru (Maskman): Gifts isn't the word I would use.

Me: Santa you are not well. You have a Hitotsuki in you.

Santa Claus: Oh no.

Me: I'm afraid so Santa. It is making you do this. We have to help you. The Jolly Man in the Red Suit that we know would never leave gifts like that. It's the Hitotsuki that is in you.

Nico: Yeah.

Me: Don't you remember how we saved you and Christmas 9 times before?

Santa Claus: I do J.D. and I'm forever grateful to you for it.

Me: At least let us save you again from this monster you are about to be turned into.

Nico: And besides we love you as much as any holiday. Don't let this Hitotsuki tell you otherwise.

Takeru (Maskman): Santa, for the record, we're not part of the people who are selfish and spoiled about their gifts.

Santa Claus: I know. But I can never forget the children who are selfish. So why not punish them by giving them gifts like these?!

Me: Here it comes!

With that, he was surrounded by an energy circle with the Maskman

Logo and turned into Hikariki from episode 41 of Donbrothers!

WE GASPED!

Qin: Hikariki!

Nico: Yeah!

Me: Sorry to do this to you Santa!

Fiona Hernandez: Maybe we can separate him from it!

Marie Hernandez: Lets do it!

The Hernandez sisters got into a star formation around him.

Hernandez Sisters:

Our Father, who art thou in heaven,

hallowed be thy name;

thy kingdom come,

thy will be done

on earth as it is in heaven.

Give us this day our daily bread,

and forgive us our trespasses,

as we forgive those who trespass against us;

and lead us not into temptation,

but deliver us from evil.

Most Protestants conclude with the doxology:

For thine is the kingdom,

and the power, and the glory,

for ever and ever.

For thine kingdom,

the power and the glory are yours,

now and for ever.

AMEN!

Then they glowed in auras of their colors and a star formed and then they separated Santa from the hitotsuki!

Qin: WHOA!

Xenia: YEAH!

Me: Awesome job girls!

Nico: YEAH!

Santa: (Groans) What happened?

Me: You turned back into that Santa!

He saw Hikariki!

Santa: Not again!

Nico: Lets make sure this monster never torments you again!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind us and we were ready!

Nico: YEAH!

Me: This guy gives Christmas a REALLY BAD NAME! No one makes Santa give rotten food to kids and gets away with it!

Eli: DARN TOOTIN!

Hikariki: (gives Nico present) Here!

Nico: (opens it) What is it?

Nico saw it was a bomb.

Nico gasped and threw it and it hit Hikariki and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down!

Me: Close one!

Nico: No kidding!

Hikariki: That hurt!

Me: Not as much as this will! (Echoing) PARADISE LOST PUNCH!

I flew over and punched Hikariki all over the place with a massive ballistic furious barrage of fisticuffs and pulverized the living shit out of him.

I kicked him down and smashed him into the ground!

Me: There's a lot more where that came from Holiday Wrecker!

Hikariki floated in the air with meditation.

Me: Oh so you want an air battle eh?

I flew after him.

Me: You aren't the only one that knows how to fly you know.

Hikariki: This will really hurt.

BANG! BANG BANG!

Santa blasted Hikariki with Christmas Trees firing from a chimney cannon!

Me: Okay you buttlicking turd! Come get this!

Stan Smith: Take this you Christmas fiend!

The Smiths fired Machine Guns and Molotov Cocktails at Hikariki!

Hikariki: Aura Power!

Hikariki charged at Takeru with Aura Power.

Takeru: Two can play at that game!

Takeru flared up a red aura and flew at him and smashed him into the airl

Fluttershy: Try and take these on. (WHISTLES)

She summoned MRS. CLAUS AND ALL OF SANTA'S ELVES!

The Elves, Reindeer and Mrs. Claus blasted Hikariki all over!

Nico: YEAH!

Evelyn Nicholas: NO ONE TRIES TO RUIN MY FATHER'S HOLIDAY!

She fired waves of red and green energy and blasted him all over.

The elves, reindeer and Mrs. Claus blasted Hikariki all over the place!

Me: YEAH! Boy this would make an awesome Christmas Day mission in 7 months.

Hikariki began to use aura again.

Mordecai: What's he doing? (sees a meteor heading for us) Oh.

I fired a Kamehameha Wave and it hit the meteor and sent it back and it hit Hikariki and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

He was blasted down!

Xenia: WHOA!

Nico: That was powerful!

Me: Yeah!

Hikariki ran at us with enhanced speed!

I ran at him with my own super speed and we smashed into each other with devastating force in a powerful explosion and I bashed him down with incredible force!

Nico: Take that!

Eli: YEAH!

SMASH SMASH SMASH!

3 Molotov Cocktails hit Hikariki and he exploded into flames!

Qin: YEAH!

Me: Boy Stan this brings back memories doesn't it!?

Stan Smith: It sure does! Makes me feel like we're battling an evil Santa again.

Han Loud: You got that right! Right Hayley?

Hayley Smith: It sure is awesome!

Lola: This monster deserves to get the black gates for making Christmas look bad!

Nico: Oh, he's not going to the Black Gates. But we're still kicking his ass!

Qin: And it's going to hurt really bad!

Then a Bewear came!

Me: Hey a Bewear!

Lola: Aww so adorable!

Bewear: (In a girls voice) I may be cute but I have a buttkicking personality!

She smashed and pulverized Hikariki all over!

Nico: Lolalil Nikkolai!

Qin: Cool!

Me: Time for some rock action! (ACTIVATES HARDCORE TERMITE ROCK BAND'S RIDEWATCH) (HARDCORE SINGING) YOU DON'T UNDERSTAND ME, YOU THINK THAT I'M A FREAK! AND WHEN I STAND UP FOR MYSELF YOU SAY THAT I'M A GEEK!

I blasted him down with a massively powerful blast of music!

Xenia: TAKE THAT!

Camie: YEAH!

Taro: Avatar Change!

He turned into Wild Force Red!

We blasted him!

Lola: Lets finish this Holiday Wrecker!

Nico: YEAH!

Poromon: Let's do a Christmas finisher!

Me: Then this calls for some Red, Green and Silver power. (ACTIVATES UNIVERSE 666 KRAMPUS' RIDEWATCH)

(HALLELUJAH BY BON JOVI PLAYS)

Me: (SINGING DIVINELY AS RED, GREEN AND SILVER ENERGY SWIRLED AROUND ME)

Well, I heard there was a secret chord

That David played to please the Lord

But you don't really care for music, do you?

Well, it goes like this the fourth, the fifth

The minor fall and the major lift

The baffled king composing Hallelujah

Hallelujah, Hallelujah

Hallelujah, Hallelujah

Well, your faith was strong but you needed proof

You saw her bathing on the roof

Her beauty and the moonlight overthrew you

And she tied you to her kitchen chair

She broke your throne and she cut your hair

And from the lips she drew the Hallelujah

Hallelujah, Hallelujah

Hallelujah, Hallelujah

Yeah, baby, I've been here before

I've seen this room and I've walked this floor

I used to live alone before I knew you

And I've seen your flag on that marble arch

Your love is not a victory march

It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah

Hallelujah, Hallelujah

Well, there was a time when you let me know

What was going on below

Now you don't never show that to me, do you?

But remember when I moved in you

And the holy dove was moving too

And every breath we drew was Hallelujah

Hallelujah, Hallelujah

Hallelujah, Hallelujah

Well, now maybe there's a God above

But all I've ever learned from love

Was how to shoot somebody who outdrew you

And it's not your cry that I hear at night, no

It's not someone who's seen the light

It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah

Hallelujah, Hallelujah

Hallelujah, Hallelujah

Hallelujah, Hallelujah

Hallelujah, Hallelujah

Hallelujah

Me and the Donbrothers and the rangers and Santa fired waves of energy and blasted the Hitotsuki and then he EXPLODED!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and I caught the gear!

Me: OH YEAH! Hikariki you have failed this city and Christmas!

Donbrothers: Demon Elimination Complete! All's Well that Ends Well!

Nico: YEAH!

Santa: Ho ho ho! Thank you so much for saving me everyone.

Me: It was our pleasure Santa. I guess that makes 10 times we saved you and Christmas.

Lolalil reverted back and she was a girl with pink hair and pink eyes and pink clothes.

Lolalil: That was so fun!

Taro: What's your favorite memory of Nico?

Lolalil: When me and Nico went to the Teddy Bear factory and we made numerous teddy bears for the homeless.

Lola: That is so awesome!

Xenia: Very charitable.

Me: It sure is.

Nico and Lolalil hugged.

Nico: I've missed you.

Lolalil: Me too Nico.

Santa was taken back to the north pole.

---

Later Horsea was walking back home by herself in the dark from the arcade.

Horsea: I have to thank Maria for letting me walk by myself.

She was humming to herself.

Horsea: Such a beautiful day.

But then a car came.

Horsea: Oh here comes a car.

Horsea watched as the car drove by.

But as she saw who was in it she saw NO ONE! THE CAR WAS DRIVING ITSELF! BUT IT WAS A SCARY CAR! IT WAS HAUNTED!

Horsea gasped in fright and was scared out of her wits!

The car suddenly stopped.

Horsea: Huh?

She went over.

The car looked like an old 1938 Hearse.

The car opened.

Horsea: Zoinks!

Horsea looked in.

Horsea: Hello?

She looked in.

Horsea: Anyone there?

She then heard the car roar to life.

Horsea ran away!

SHE RAN FAST!

ZOOM!

She went into the estate!

We were watching TV and then Horsea came in and hid under my sofa cushion and I fell back and crashed onto the floor!

CRASH!

Me: OUCH!

Maria: Horsea!?

Maria lifted up the cushion and saw Horsea shaking like a leaf.

Maria: Geez Horsea you look like you saw a ghost!

Horsea: There's a demon car after me!

Maria: Say what now?

Horsea grabs the speaker that's attached to the radio and speaks into it.

Horsea: (slowly and loudly) THERE'S A DEMON CAR AFTER ME!

Shaggy: A DEMON CAR!? ZOINKS!

Scooby Doo: RIKES!

Me: A Demon Car!?

Nico: Is it the Demon Car From Goosebumps!?

Horsea: No! It looked like a 1938 Hearse.

Manaphy: Don't be ridiculous. If the Haunted Car isn't back, there's no other car like it.

Poromon looking through the telescope sees the car driving around

Poromon: Actually, Horsea may be onto something. That car's gone loco.

Manaphy: (angry) But that's impossible.

Poromon stops looking through the telescope and turns to us.

Poromon: It's worse than that. It's unauthorized. And that doesn't fly here.

Me: Boy it's like dealing with the Monster House all over again.

Qin: Yeah.

Xenia: Yeah.

Me: There has to be an explaination. Why would a car like this be after Horsea or anyone.

Horsea: (crying) The car won't stop until I'm dead!

Maria: Oh Horsea.

She picked up Horsea.

Me: We got to find out why this car is like this.

Brittney: I agree. We need to speak to it and get it to talk.

Nico: Lets go do a seance.

Xenia: I agree.

Poliwag: We're past the point of talking. We're going out there to blow it the fuck up!

Nico: Poliwag! Lets just do the seance and then see where it goes from there.

Me: I agree.

Qin: Yeah.

Nico: Lets go.

Shaggy: Like go face that car! (COWARDLY WHIMPERING) Like not on your life! NO WAY!

Scooby Doo: REAH! RO WAY!

Nico: Come on you two!

Shaggy: UH UH! UH UH! NO WAY! We're not going! We'll stay here and eat! We're not going!

Scooby Doo: And you can't make us!

Erica Haddock then grabbed them and lifted them up.

Erica Haddock: No but I can.

Shaggy: Like Crow your girlfriend is one crazy girl!

Erica Haddock: Thanks!

Nico: Lets go you guys.

Horsea: (crying) I know how you two feel! THE CAR WON'T STOP UNTIL I'M DEAD!

Maria: It'll be okay Horsea. You're with me.

We went down to the surface. We got out and looked out and Then lightning struck all over and a WOLF HOWL was heard and Owls were hooting. BATS flew everywhere.

Fluttershy screamed and Lincoln comforted her.

Camie: Macabre sight huh?

Me: Yeah. Look!

We saw a car and it had MALEVOLENT RED EYES AND A SCARY MONSTER TEETH GRATE!

Me: HOLY FUCKING SHIT! That car is haunted!

Nico: Whoa man! That is a haunted Hearse!

Horsea jumps over the car and starts running towards the other mascots

Poromon: (shouts) Distraction scenario! Go!

Poliwag: Yo hoo! Demon car!

The car spins Poliwag around, which makes him fall to the ground, as it passes by him, still chasing Horsea.

Poromon: You don't have the guts to take me on.

Horsea passes Poromon, and the car goes around Poromon quickly, leaving Poromon shocked.

Manaphy: Though I know you can't understand me, I'm talking to you anyway.

Horsea passes Manaphy and then the car passes her, spinning her around in the air and then falls to the ground.

Me: Boy that car is evil!

Eli: I got this!

Eli held the car in place with the Force!

Brittney: Now lets see who is behind this.

Brittney went over to the car.

Brittney: Spirit inhabiting this vessel, reveal thyself to us and tell us your plight to see why you are haunting this night.

The car glowed and then a figure came out and it was a British Butler man and he had black clothes and a monocle and a Victorian Era hat and all that.

Lord Carrington: (British Accent) I am Lord Carrington Morbucks and I am the owner of this hearse and the previous original owner of the Morbucks estate.

Me: Lord Carrington Morbucks? Wait weren't you the richest man in all of Royal Woods long ago?

Lord Carrington: That is correct.

Horsea: (crying) THE CAR WON'T STOP UNTIL I'M DEAD!

Maria: Horsea calm down. Why were your chasing my friend Horsea?

Lord Carrington: Oh I dreadfully apologize. I was going after my enemy Lord Archibald Tetherby but I mistook Horsea for him.

Chandler: Lord Archibald Tetherby? That was my great great grandfather.

Lola: That was back over 100 years ago.

Poliwag: Horsea looks nothing like him!

Me: I know. But why are you after Chandler's great grandfather?

Lord Carrington: He promised me something a long time ago and it was this.

He showed us a picture of an ancient locket.

Lord Carrington: This locket holds a picture of my beloved wife and daughter. He gambled and won it off me in a crooked card game over 95 years ago and I lost it and I was looking for it.

Me: Really!?

Chandler: Is this it?

Chandler pulled out the locket.

Chandler: I had no idea this belonged to you.

Lord Carrington: Why yes it is.

Chandler: I had no idea that my great great grandfather stole this from you. I'm sorry.

Horsea: Now I know why you were after me.

Lord Carrington: Yes and I do apologize for that. It was a case of mistaken identity.

Chandler gave the locket back to Lord Carrington.

Lord Carrington: Now I can go to Heaven after all these years.

Then the light of heaven drew him up.

Lord Carrington: Thank you all. Thank you.

Me: Rest in peace Lord Carrington.

He went up to Heaven.

Nico: That was amazing.

Maria: Horsea are you okay?

Horsea: I will be.

But then the car disintegrated into dust.

Nico: Whoa! That car is dust.

Horsea: Oh, I forgot. Nico, which Gene Slammers do you think you'll meet next?

Nico: Oops sorry. Tsareena, Comfey and Oranguru & Passimian.

Me: Neat!

Qin: Yeah!

Princess Cadance: Now we have to get ready for dealing with HIM Z tomorrow.

Me: Yep.

Nico: This is gonna be so awesome and fun.

Lola: Yeah.

Poliwag: I'm glad you're okay, Horsea.

Horsea: Same here. But this was an awesome mystery.

Lola: It sure was.

Nico: Yep. Lets hit the sack guys.

We went to bed and got ready for sleep. It was a big day for Princess Cadance.

---

Meanwhile in the city of Neo Townsville, the girls were getting ready for our arrival and it will be so awesome to help them destroy HIM Z.

Blossom Z: I'm so excited to have everyone come to help us out.

Bubbles Z: Me too Blossom.

Buttercup Z: It sure will be awesome.

Bunny Z: It will be awesome and soon we'll be done with HIM forever.

Blossom Z: Yep. Lets go girls!

They transformed!

Blossom Z: BLOSSOM!

Bubbles Z: BUBBLES!

Buttercup Z: BUTTERCUP!

Bunny Z: BUNNY!

They transformed!

Powerpuff Girls Z: POWERPUFF GIRLS Z!

They flew at the screen and it froze!

TO BE CONTINUED!

Another awesome chapter done.

This was a great mystery for us and the mascots. This chapter was an Original chapter that sounded like something out of the 1971 movie The Car.

The next match-up in the saga is Claire Allaire, Gene-Slammer of Ghostrick Doll, Princess Cadence, and Lincoln VS. Aurelia Karayan

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Bucharest, Romania, and we got word of a massive army of vampires that were riled into causing havoc by Audrey Blade and the rest of The Ghostrick Destroyers, but Lincoln's going to put an end to this latest act of revenge by going on a massive feeding frenzy and he's going to absorb and feed on that army of vampires there and that'll get Audrey Blade and the rest of those delusional vampires really pissed off big time. And we're going to meet the next Daughter of The Olympian Gods and Goddesses, her name is Allison Artemis, Daughter of Artemis, Greek Goddess of The Hunt, she's Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of The Hunt, and she has all her mother's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lynn surprisingly, and Allison and Lincoln helped Lynn with her training, and Allison helped in teaching Lincoln everything she knows about using the powers of the moon and she even had Lynn make up with Lincoln and they hugged, and this was after Dark Lynn was removed from Lynn for good. Lincoln made Allison a beautiful necklace with midnight blue gem for the pendant, along with a white short-sleeved blouse, midnight blue sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Allison kissed Lincoln on the lips at night as the moonlight shined down on them, and it was truly beautiful, and she really hates Flip with a bloody passion, because that mutant cheapskate absolutely hated Allison for always defending Lincoln whenever he along with Lori, Lola, Lisa, along with the rest of Lincoln's enemies who plotted to kill him, and Selene Arcangela told Allison everything about what that mutant has done, and one time when Lincoln, Allison, and Lynn were doing some training, Flip showed up and tried to kill Lincoln again along with Lynn and Allison, that was until Lincoln let loose the beast inside him and he viciously attacked that three butt-cheeked mutant with a dangerous ferocity, and he, Allison, and Lynn blasted him with energy blasts and they also pounced on and kicked the tar out of him, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Flip tried to do to him, Allison, and Lynn, they were really furious, and Lincoln called the cops and they picked up Flip and took him to jail.

Get ready for a battle of Powerpuff Proportions and we're going to the world of Powerpuff Girls Z and we're going to battle HIM in that world and we're going to make that Chaotic Evil fiend pay for all his crimes and it will be excruciatingly painful as we banish him to the Black Gates forever.

see you next time.

Qin: Boy this is fitting that we're in the Townsville sector. Because we get to face HIM Z later today.

Nico: It sure is.

Qin: Yeah.

Lola: I'm really excited to kick his butt.

Lana: Me too!

Camie: This will be so fun and awesome.

Xenia: You got that right.

Varie: We're going to sock it to that crab-clawed abomination.

Hawkeye: That will be awesome.

Nico: Hawkeye, I want to thank you, Abra Kadabra, and your teams for coming

Hawkeye: No problem Nico.

Kevin: I'm really excited for this one.

Blazewing Butterfly: We all are excited for this as well.

Lola: Same here.

Kevin: Yeah!

Nico: Kevin, remember when you met the SwordFish Zord?

Kevin: I sure do. That was awesome.

Me: I remember that.

Eli: Me too. That was really cool.

Kevin: Yeah that was with Yamiror.

Xenia: Yeah.

Me: I remember Yamiror. That was awesome and epic.

Nico: Fitting since water's your element.

Kevin: It sure is.

Nico: Yep.

(A huge, one-eyed octopus rears up and roars.)

Me: Looks like the Girls are fighting a huge octopus monster.

Qin: Yep. Should we help them?

(Buttercup charges in and punches the beast; her sisters fly in low behind her and dodge the tentacles it slams down to try to crush them. Blossom grabs one and stretches it out, and Bubbles chops it off. The octopus looks at the stump in surprise before taking a double hit from Bubbles and Buttercup. Now Blossom moves in, carrying the severed tentacle. She swings and connects hard enough to knock the enemy into a spin, its tentacles tangling up underneath. It has had enough and starts to keel over, unwinding as it does so.)

Me: Nope I think they got that one under control.

Xenia: Yep.

Me: Yesterday was one helluva ghost mystery for the mascots and us.

Brittney: It sure was dad.

Camie: Yeah. I didn't know the ghost was that of Princess Morbucks great great grandfather.

Abra Kadabra: Yeah I've heard a lot about Princess's great great grandfather. He was a nice guy and he had a very fierce rivalry with the Tetherby family.

Xenia: That was a shocker!

Maria: Poor Horsea was scared out of her mind.

Me: Boy no kidding! Poor Horsea.

Nico: Yeah no kidding.

Me: That car reminded me of the car from the 1971 movie The Car as well as Christine from the 80s.

Xenia: Those were frightening movies.

Lola: Yeah they sure were.

Camie: Yeah.

Me: It also reminded me of the Haunted Car that we faced from one of the Goosebumps books.

Nico: Yeah that was creepy.

Maria: She kept saying the car wouldn't stop until she was dead.

Me: I know. That was awful.

Camie: What kind of cars were from both those movies?

Me: The one from 1971 was a 1971 Lincoln Continental Mark III and the one from Christine was a 1958 Plymouth Fury hardtop. That's one of my dad's favorites.

Eli: That is cool!

Nico: Yeah!

Camie: And what kind of car was the one from the Goosebumps book?

Me: That one was a 1986 Sports Corvette.

Camie: Wow!

Maria: The way she was crying broke my heart.

Me: Poor Horsea. She was really frightened.

Xenia: Yeah no kidding.

Me: And this car that was possessed was an old 1938 Hearse.

Brittney: I know!

Lucy Loud: And I like those kinds of cars.

Nico: Yeah no kidding.

Me: Wait look!

(Cut to Blossom and Buttercup in midair.)

Blossom, Buttercup: Bubbles, look out!

(On the ground, she is hunched over a flower bed and trying to shoo away a group of ladybugs.)

Bubbles: Go away, ladybugs! Go away!… Huh?

(She looks up and sees the octopus falling toward her.)

Bubbles: (frantically) Go away, ladybugs! Fly! Fly away!

(With the monster's shadow now falling over her, she sucks in a lungful of air and blows the ladybugs to safety. She looks up again and realizes it's too late for her to flee as well.)

Me: BUBBLES LOOK OUT!

We went over!

Bubbles: (softly) Uh-oh.

(The octopus lands on her, face up. Blossom and Buttercup gasp in fear and dash in to save her. They land next to the eye, which starts to bulge out. It bursts after a moment, releasing a gush of green fluid. Bubbles follows this out and lands next to the others, slime all over her.)

Blossom: Bubbles, are you okay?

Bubbles: I think so.

We went over.

Me: OH SICK!

Qin: That is gross!

Xenia: Geez Bubbles!

Bubbles: I'll be okay.

Brick: (from o.c.) Why don't you guys pick on someone your own size?

(The girls look o.c. right, gasping in shock. The boys are a distance down the street from them. Close-up of each boy in turn, then zoom in on them rapidly.)

Me: UH OH!

Brick: We're the Rowdyruff Boys, and we wanna fight!

BAM SMASH WHAM!

(The boys promptly lay into the girls, knocking them flying into a building. Cut to Bubbles and Buttercup, dazed on the sidewalk next to a large hole in the wall. Blossom climbs out of this after a moment.)

Me: WHY YOU SONS OF BITCHES!

I went over and punched all three of the boys down at the same time!

Eli: Those three bully jerks!

Nico: This is gonna get ugly!

Hawkeye: Good thing I got some Antidote X arrows for this.

Nico: Good thinking.

Blossom: What's up with those guys?!

Buttercup: (sitting up) I think they're asking for a hiney-whooping! (She zips away.)

(Down the street, the boys are laughing over their victory. Brick is whisked off his feet, leaving the others wondering what happened in total puzzlement. Buttercup slams him up against a dumpster and starts pounding on him, but Boomer and Butch dive in to save their brother and knock her off her feet. Now they start punching and kicking her where she lies. Her sisters flash in and end the beating. Boomer and Butch wind up sliding across the pavement to Brick's spot by the dumpster.)

Brick: Hey! What's wrong with you girls?! You're supposed to start crying when we hit you!

Boomer: Yeah!

Me: You're the ones that should be crying! Didn't your mothers ever teach you that it's wrong to beat up girls!?

Eli: Yeah don't you have any chivalry!?

(Bubbles helps Buttercup to her feet while Blossom looks on.)

Blossom: What are you guys, new?

Bubbles: Yeah! We're the Powerpuff Girls!

Buttercup: And it takes a lot more than a couple of cheap shots to make us cry.

Me: And the only ones that should be crying are you three when we splatter your brains out all over the streets and Rip out your beating hearts and us eating them!

Nico: YEAH!

Brick: Well, then. I guess we'll just have to serve it up!

Me: Bring it on! (CRACKS KNUCKLES)

(The boys smile at each other and explode into action. Brick socks Blossom, but she catches him with a high kick. Boomer has hold of Bubbles and slams her into the ground, but she throws him off and over her shoulders to smash into a building. Blossom and Brick start trading blows again. Now Butch lays into Buttercup. She then grabs his arm and spins him around to throw him against a wall. Again Blossom and Brick square off, but she wins this round by landing a punch that sends him crashing against the masonry.)

I fired a wave of energy and blasted the three boys all over!

Eli fired waves of lightning and electrocuted them and Varie and Maria kicked them through 3 more buildings!

(When the dust clears, Brick looks as if he is about to blow every gasket in his head. After a long moment of seething, he snaps.)

Brick: Ballistic barrage!

(The boys jump down to ground level and rush toward the girls with their feet pounding like jackhammers as they advance. They leap from building to building, zigzagging down the street, and fly high before dive-bombing their targets. All three girls are subjected to a merciless battering, which does not end until they have been drilled into the pavement. The boys jump out of the way. When the dust clears, we see three very angry girls, ready to return the favor.)

Blossom: (jumping up) Acrobattack!

(Closing their eyes, the girls begin doing high-speed cartwheels down the street, looking like three pastel-colored pinballs on speed as they do so. When each one reaches her counterpart, she does a handstand to kick him into the air. Boomer is the first to be hit, then Brick and Butch. The girls open their eyes again and go up after them and catch them by the feet. Each one is spun through 360 degrees and kicked toward the ground- the same sequence as before. Now it is the boys' turn to carve the pavement when they hit.)

Me: Nice ones!

Varie: Yeah!

Me: Had enough you three bozos!?

Hawkeye fired some Antidote X arrows

But they missed!? What the!

(The trios charge at each other, screaming in rage. And then they collided!)

MASSIVE AND POWERFUL FIERY EXPLOSION!

(Now it is a full-scale brawl, with punches, kicks, choke holds, and eye lasers, energy blasts, ice blasts and more coming fast and furious up and down the block. Blossom breaks loose and goes after Brick, but he dodges her attack, catches her by the hair, and swings her around by it. He throws her down the street and into a building, causing it to shake.)

I blasted the Rowdyruff Boys left and right.

(Boomer catches Bubbles with a kick to the gut. She is propelled through the front window of Cooper's Market. Inside, she lands on the checkout counter and hits her head against the cash register as the old shopkeeper watches.)

Shopkeeper: Bubbles! Are you all right?!

Bubbles: Yeah, I'm okay. Sorry about your window, Mr. Looper. (She returns to the fight.)

Shopkeeper: (calling after her) It's Cooper! Cooper!

(Buttercup, meanwhile, is after Butch, but he lands a punch that knocks her clean through two buildings. She comes to rest on a couch in the third building she hits- in a family's living room. Butch jumps in through the hole in the wall. She picks up the couch and knocks him back out, creating a new hole in the process.)

(In the street, a man and a woman stand by a sports car. Blossom falls on the front end, and Brick jumps onto the rear a moment later to launch her as if from a seesaw and then goes up after her. Bubbles dashes past a hot dog cart, which is promptly destroyed by a laser blast from o.c. Buttercup and Butch go soaring across the street in front of a car with two people in it. Now Blossom and Brick carry their fight past a street corner where a woman is standing. Blossom flies low and passes her. Brick flies between her legs, causing her dress to billow up and show a flash of her garter belt.)

EVERYTHING WAS REALLY GETTING TORN APART!

(Close-up of him hitting Blossom, then cut to the Mayor's office. He is at the window.)

Mayor: And furthermore, every Wednesday will be Pretzel Day.

(The girls slam into the window face first and slide down out of sight. The next line is delivered in rhythm accordingly.)

Mayor: Hello, Blossom!… Uh, goodbye, Blossom… Hello, Bubbles!… Uh, goodbye, Bubbles… Hello, Buttercup!… Uh, goodbye, Buttercup. (turning from the window) What kind of pretzels do you think the girls like, the Bavarian or the tiny twists?

(During this last, Ms. Bellum steps into view. As she speaks, the boys fly past, one by one.)

Ms. Bellum: Sir, I think the girls may be in trouble.

Mayor: Whatever makes you say that?

(A crash shakes the building. Outside, the girls are lying in a very new and very deep hole in the front steps of Townsville Hall. They appear very disoriented. Zoom in slowly.)

Buttercup: Wh… wh… where'd they go now?

Blossom: (coming around) I don't know. But if we keep smashing up Townsville like this, I-

(Pull back to show the Talking Dog on the sidewalk nearby. He cries out in terror.)

Talking Dog: Powerpuff Girls, look out!

(Boomer flies in, carrying a school bus full of shrieking children, and throws it. Brick is next. He has a plane with its wing torn off and a full load of passengers, and he lets this fly. Finally Butch comes up with a loaded ocean liner, which he hurls. Overhead view of the girls, looking up.)

Girls: (softly) Uh-oh.

(The three vehicles descend toward the girls, who take off when the shadows fall over them. Each goes after the one thrown by her counterpart. Bubbles skids to a stop with the bus, Blossom brings the plane to a halt just above the ground, and the momentum of the ship causes Buttercup to cut a furrow in the street while trying to stop it. She finally does so and sets it down inches from the Talking Dog.)

Passengers: Hooray for the Powerpuff Girls! We're saved! Hooray! Hooray! (Back to the girls and the Talking Dog.)

Blossom: No problem, good citizens. We were happy to- (They are plowed away by the boys. The Talking Dog reacts in disgust at the cheap shot while the Girls were soaking up the praise and gratitude.)

Talking Dog: Oh!

(The boys start up a raucous victory celebration of their own. Cut to the girls, off to one side and with a cloud of dust clearing away from in front of them-the boys have pushed them hard enough to knock a hole in yet another wall. Their bragging fades into the background.)

Blossom: These guys aren't playing fair!

Buttercup: They're really out to get us!

Bubbles: And they don't care who gets in their way!

Me: Then this will get them.

I pulled out a bow and took Hawkeye's arrows that he missed with and then I fired them and they hit the 3 boys in their butts!

POINK POINK POINK!

Nico: BULLSEYE!

Brick: WHY YOU LITTLE!

They went at us and Brick punched me in my leg and it broke his arm!

Boomer punched Nico in the stomach and it shattered his entire arm.

Butch kicked me in the face and it shattered his leg! They were as weak as toothpicks!

Hawkeye: Okay, next time, I'll make a habit not to miss!

Me: No worries. Besides these 3 bullshiters were too busy to even notice us. (Gets an idea) HEY girls I got an idea!

Blossom: What is it?

I beckoned them and whispered into their ears.

Blossom: I get it!

Buttercup: Ewww, gross.

Me: Trust me on this. (WINKS)

(The girls are in front of them, wearing long eyelashes and eyeshadows of purple and looking as pretty as can be, with dreamy expressions. Sentimental music plays revealing a sparkling view of the girls. They have their heads slightly bowed. Bubbles and

Blossom have their hands clasped behind them, the picture of demureness. Buttercup looks a little odd with her arms folded across her chest, her expression is sassier as a tomboy can get. All three have their eyes closed at first, but slowly open them part way and raise their faces to the camera. Close-up of Bubbles, panning across from her to Blossom and Buttercup.)

Nico: Oh I get it.

Me: Shh. Watch.

(Blossom floats slowly to Brick, eyes closed again and hands folded in front, and kisses him on the cheek. Fear and disgust write themselves all over his face when she does so, little hearts appear during the kiss. Bubbles follows suit with Boomer. Buttercup, not smiling at first, floats to Butch with her arms still crossed but unbends enough to kiss him as well. That does the trick as the boys can't stand the thought of being infected with cooties. The boys glow brightly, screaming in terrified horror and panic, and explode in a cloud of black smoke.

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were dead!

(When it clears, the components that went into their making fall to the ground. The Rowdyruff Boys are no more. Mojo's ultimate plan to take down the Girls has been defeated thanks to playing off the Boys' worst fears.)

Me: YEAH!

Nico: Rowdyruff Boys you have failed this world!

Camie: Yeah they have!

Mojo: Curse you again, Powerpuff Girls! I'll be back, but next time I will not be defeated!

(The doors of a paddy wagon are swung shut on him and he grabs the bars as he continues his rant.)

Mojo: It is you who will be defeated, and when you're defeated, it is you who will have lost! (The wagon drives off.)

PPG Narrator: Oh, Mojo, shut up!

Me: YEAH YOU'RE GIVING US A HEADACHE SO SHUT UP!

(Pan to Blossom and Bubbles at the side of the road; their makeup and long eyelashes gone.)

Blossom: I kinda liked kissing.

Bubbles: (giggling) Yeah! (Both giggling.)

Me: You girls did great.

Blossom: How about you, Buttercup? (Pulls back to bring her into view, she too has taken off her makeup.)

Buttercup: Bleah! (She spits several times. The others giggle and she throws them an angry look.)

Nico: That was awesome.

Buttercup: We never speak about this to anyone.

Nico: (laughs) Don't deny that you liked it!

Maria: (LAUGHS) Believe me I didn't like my first kiss either. It was a boy I liked before William. Long story.

May: (LAUGHS)

Qin: Besides you girls did great.

May: How about you tell us about your first kiss, Maria?

Maria: It was a long time ago. Before I was cured and I was still Aquamaria. My first kiss was with Francis.

Nico: Oh that's right you were Aquamaria back then and he was Hotstreak.

Me: Boy Fire and Water on a date.

Nico: Yep.

Lola: Yeah.

Carol: That's amazing though Maria.

Maria: And looking back even though I was made of pure water back then I was really stupid.

Me: Steam didn't come out of your mouth did it?

Maria: (LAUGHS) That was funny. Yes it did.

Me: Wow.

Nico: Good thing you two decided to just remain friends.

Maria: I know. That was good.

Varie: Yeah.

Blossom: Wow! But guys we're really looking forward to Cadance's mission later today.

Twilight Sparkle: All of us are Blossom. My sister-in-law is really excited for this.

Lola: We all are.

Nico: Yep.

We picked up the components of the Rowdyruff Boys and they were snips and snails and a puppy dog tails.

Me: Just like the myth what are little boys made of.

Xenia: Yep.

Me: Maybe we can make our own Rowdyruff Boys and make them good.

Bubbles: Who's that over there?

Nico: Wait a second.

We saw that it was a SQUID GENE-SLAMMER!

Me: Whoa it's a female squid gene-slammer.

Lola: Wow!

Nico: Just like the one we had for dinner when we battled Paradigm.

Me: Yep. I don't know about you guys but I'm in the mood for calamari for lunch.

We went over.

Me: Hello there.

Squid: I saw the whole fight guys! That was awesome.

Nico: (GASP) Callie Architeuthis!

Qin: Oh my god! Callie!

Callie Architeuthis: Awesome to see you again Qin and Nico.

Lola: Wow! You look amazing as a Squid.

Callie Architeuthis: I don't like it one bit.

Nico: Paradigm did this to you.

Qin: Yeah.

Nico: What do you think of the extra arms?

Callie Architeuthis: I love the extra arms. I get so much done with them.

Lincoln: Multitasking to the extreme.

Callie Architeuthis: That that's right.

Me: What were you doing when you first got slammed?

Callie Architeuthis: I was working at the fish market. I brought in a fresh shipment of fresh fish for them from the river. It's good money.

Nico: That's cool.

Me: Catch of the day.

We laughed!

Qin: (LAUGHS) Good one.

Callie Architeuthis: (LAUGHS) That was funny!

Nico: Yep.

Camie: It sure was.

Nico: Do you feel your human self slipping away?

Callie Architeuthis: No way. I want to be human again.

Qin: We can definitely make that happen.

Nico: Yep.

Me: (Puts on blind man glasses) But just so you know this is gonna hurt really bad.

Nico: Yeah.

The boys covered their eyes.

Nicole: Peak and I will kill you!

The citizens turned away.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain as she was reverting back!

Her extra arms vanished and turned back to human.

She reverted back and was a girl with green hair and blue eyes and had the kanji for Squid in the middle of her forehead and she had 10 squid tentacles coming out of her butt and she was back to normal but she was naked.

Callie Architeuthis: (GROANS) That really hurt.

She got up.

Callie Architeuthis: (Looks at herself) I'm human again! But I'm naked! (COVERS HERSELF)

She found a blanket in an ally and used her tentacles to grab it and wrap herself in it.

Callie Architeuthis: Boy I really need some clothes.

Rarity: Don't worry darling we can fix this.

The Fashion Brigade moved in and gave her new clothes. She got a purple shirt and skirt and pants and shoes and she looked great.

Callie Architeuthis: Wow!

Varie showed her a mirror.

Callie Architeuthis: Wow! I look amazing! Thanks guys.

Nico: You're welcome.

Eli: Also I found more of Swartz's creations. We have Another Dark Necrofear, Wall Shadow, Wicked Avatar, Tragoedia, Light and Darkness Dragon, Brain Dragon, Queen of The Black Puddle and Abra Kadabra.

Me: Whoa!

Lola: This will be interesting.

Maria: Who do we call in for those?

Me: Kameo. She and the Elemental Warriors for them.

Eli: Yep. Also The Another Dark Necrofear, Wall Shadow, Wicked Avatar, Tragoedia, Light and Darkness Dragon, Brain Dragon, Queen of The Black Puddle are all one person.

Me: Really? Whoa!

Eli: Yep and it's one of Lincoln's Guardian Angels.

Xenia: Cool!

Blossom: This will be awesome to see who it is.

Kameo flew in.

Kameo: Hey, guys!

Me: Awesome Kameo. You are your Elemental Warriors will be perfect for this.

Kameo: This will be fun.

Qin: Yep.

Me: Here they come!

We saw THE ANOTHERS! They were Another Dark Necrofear, Wall Shadow, Wicked Avatar, Tragoedia, Light and Darkness Dragon, Brain Dragon and Queen of The Black Puddle!

Me: Whoa! Another Dark Necrofear, Wall Shadow, Wicked Avatar, Tragoedia, Light and Darkness Dragon, Brain Dragon and Queen of The Black Puddle.

Lana: Boy this will be awesome.

Kevin: And who might you be?

Another Dark Necrofear: (In a girls voice) You are going to be in for a surprise.

They merged and reverted back and it was a girl with black hair and had blue eyes and had green clothes and had blue butterfly wings and she had the kanji for Element in the middle of her forehead.

Lincoln: (GASP) Kallie Kameo!

Kallie Kameo: Wow! Lincoln its been a while and you look awesome!

Lincoln: Same here. Kallie is one of my guardian angels and Kameo you are going to like this. She is the gene-slammer of you and your elemental warriors.

Kameo: WHOA! That is so cool!

Me: Whoa! I did not expect that!

Nico: Wow! The gene-slammer of Kameo and her Elemental powers? That is amazing!

Kameo: Boy it sure is so that makes us powerful partners in a way.

Kallie Kameo: It sure does.

Nico: Yeah.

Me: By the way is the Another Abra Kadabra friendly or hostile?

Kallie Kameo: Friendly and she is a special one.

Qin: How so?

Kallie Kameo: You're going to be surprised and amazed about her.

Nico: Okay.

Kameo: Time for some Shadow Clones!

She formed clones and they each turned into all 10 of the Elemental Warriors.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the 7 Anothers!

Nico: Yeah!

Kameo: Lets get them!

Kevin: GO GO SAMURAI!

He turned into the Samurai Blue Ranger!

Qin: YEAH!

Hitoshi: HENSHIN!

He turned into Hibiki!

They fired waves of energy and elements and blasted the Anothers down and I caught the Wonder Ride Books!

Me: Cool!

Lola: Now for Abra Kadabra.

Maria: Time for backup! (TURNS DIAL) MORDO MAGIC 6!

She summoned Baron Mordo, Evil Cut Man, Hot Dog Monster (OC), Zombie Chicken, Resshaki and Yokai (Big Hero 6)!

Qin: Yeah!

Me: This will be good.

Lola: Yep.

Camie: It will be awesome.

Nico: And now, we wait.

But then…

POOF!

Out came Another Abra Kadabra!

Me: WHOA!

Qin: What an entrance.

Another Abra Kadabra: (In a girls voice) That sure was fun though.

Me: (GASP) That voice.

She reverted back and she was a girl with blue hair and she had blue eyes with green sclera and had the kanji for future in the middle of her forehead and had blue clothes and futuristic laser blasters on her hips and a lightsaber too and she had blue angel wings.

Me: (GASP) Stella Ravenfire!

Nico: Whoa!

Stella Ravenfire: Awesome to see you again J.D.

Me: Same here. Stella is a girl from the distant future and yes she has half Tamaranean.

Nico: Hence why she has green sclera.

Me: Yep.

Stella Ravenfire: Also I came from the really distant future. I'm from the year 77,232,124,321.

All of us: WOW!

Laney: That's REALLY far in the future!

Lola: Holy fireballs!

Lisa Loud: That is absolutely amazing!

Xenia: It sure is.

Stella Ravenfire: It sure is. Also I am a notorious jewel thief that steals from alien criminals. And I am a magic master.

Eli: That is amazing!

Laney: What is it like in the distant future where you are from?

Stella Ravenfire: Well Earth is now a Traveling Planet Colony. The sun turned into a red giant and died out 5 billion years from this time.

Me: Right we actually knew that was going to happen to the Sun.

Nico: Yep.

Stella Ravenfire: And the Andromeda and Milky Way Galaxies merged into one in 4 and a half billion years.

Me: We also knew that was going to happen as well.

Stella Ravenfire: Yep. Also what you guys didn't know is that in 77 billion years, all the galaxies in the entire Virgo Supercluster are going to merge into one.

We gasped!

Me: WHOA!

Nico: You got to be kidding me!

Xenia: All the galaxies of the Virgo Supercluster merging together!? That's amazing!

Laney: But that is a really long time from now.

Nico: No kidding.

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything

Zocks: (gets out Jetman gear) Because we can grant it instead.

Kaito got a Mighty Morphin sword and Zocks got a Jetman Sword.

Stella Ravenfire: Just to get back home to my home time. My time machine was destroyed years ago when I got here and the mineral that powers it doesn't exist yet.

Me: That's gonna be a bit of a problem. Since this mineral doesn't exist yet we don't know what it is or what it looks like. So you're stuck here.

Stella Ravenfire: I know. But I'm okay with it.

Nico: Okay then.

Me: Sorry we have to fight like this though.

Stella Ravenfire: No worries.

Sougo: (gets out Mighty Morphin Ridewatch) Swartz was a Time Jacker. So, it's possible that he could've gotten you back to your time.

Geiz: (gets out Jetman Ridewatch) But our Time Squad friends are much more trustworthy then him.

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor.

Stella Ravenfire: That does make sense. But I'm cool being with you guys. It's going to be awesome.

Me: Well okay then.

She turned into Another Abra Kadabra!

Nico: Your future is really awesome. (ACTIVATES ABRA KADABRA'S RIDEWATCH)

He fired waves of magic and smashed her down.

Nico: Time for some sea power! (ACTIVATES QUEEN OF THE BLACK PUDDLE'S RIDEWATCH)

He threw sea creatures and splattered them all over her.

May: I hope you and Vypra are back together as sisters Praxina.

Praxina: We're mending it back together.

May: Good. (ACTIVATES PRAXINA'S RIDEWATCH)

She fired waves of darkness and smashed her down.

May: Time for sleep! (ACTIVATES PPG SANDMAN'S RIDEWATCH)

May fired waves of sand and Another Abra Kadabra was asleep.

Nico: HEY HEY HEY! Sleep time is over! Battle time is now!

She got up.

May: I'll have to use that on people that have sleeping problems.

Maria: (gets out Mizugeiko's Ridewatch) My turn! (ACTIVATES IT) SUPER SAMURAI SPRAY!

She fired waves of ink and drenched her.

Me: YUCK!

Maria: And this too! (ACTIVATES UVULA THE SEA HAG'S RIDEWATCH)

She grew octopus tentacles made of water and smashed her all over with them.

Kevin: Nice one! Now for me. (ACTIVATES QUEEN OF THE BLACK PUDDLE'S RIDEWATCH)

He fired clams and they latched onto her and she yelped in pain!

Me: Nice one!

Then Man Boy, Country Boy, Piranha Jones, Universe 666 Cain Knightlord, Universe 666 Anubis and Angry Roast Chicken came.

Nico: Nico team Man Boy.

Man Boy: Thanks Nico.

Qin: Awesome!

Lola: Yeah!

?: I'll say!

Then we saw a Tsareena!

Me: Cool a Tsareena!

Xenia: Mallow would love this one.

Tsareena: (In a girls voice) I'm sure she would.

Nico: Melody Eucalyptus! Wow!

She reverted back and was a girl with green hair and pink eyes and had green and pink clothes and she had green angel wings. She had the kanji for Nature in the middle of her forehead.

Melody Eucalyptus: I got this one.

She fired waves of leaves and flowers and blasted her down and I caught the ridewatch and purified it and I brought Stella Ravenfire over.

Nico: YEAH!

Melody Eucalyptus: Awesome!

Kevin: What's your favorite memory of Nico?

Melody Eucalyptus: When me and Nico were in my family's massive garden and we turned it into an enormously beautiful place.

Qin: I remember seeing her garden and it was as beautiful as the Amazon, Borneo and all the rainforests combined. So many plants and more.

Lola: That is cool!

Xenia: I'll say!

Varie: Yeah.

Me: I'll have to see it to believe it.

Nico: You will love it J.D.

Nico and Melody hugged.

Nico: I've missed you.

Melody Eucalyptus: Me too Nico. Me too.

Qin: So awesome.

We went back home.

Lincoln: Whoa, we're here in Bucharest, Romania, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word of a massive army of vampires that were riled into causing havoc by Audrey Blade and the rest of The Ghostrick Destroyers, but I'm going to put an end to this latest act of revenge by going on a massive feeding frenzy and I'm going to absorb and feed on the army of vampires.

Raven Ghostrick: That's perfect, that'll get Audrey Blade and the rest of those delusional vampires really pissed off big time.

Nico: Sheesh, so they still have some contacts in Transylvania.

Lincoln: Yep, and they're still loyal to Audrey Blade and want us dead, so they decided to join that crazy vampire's desire for revenge.

Me: Their latest act is about to be foiled.

Green Arrow: Handling a massive army of undead bloodsucking vampires out for revenge on us, I've got a few arrows dipped in silver with their names on them.

Lincoln: Have them ready, Ollie, those vampires aren't going down without a fight.

Suddenly, we saw a very beautiful and super sexy girl with long midnight blue hair and midnight blue hairband, midnight blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful midnight blue angel wings, she's dressed in a white short-sleeved blouse, sleeveless midnight blue top, necklace with pearls and midnight blue gem for the pendant, long ankle-length white skirt, white bridal gloves, midnight blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with deer, dogs, bears, and angels on the coattails and on the back is Artemis, and holstered on her back is a massive Artemis-themed greatsword with embedded blue gems and Artemis etched on the 7'0" massive, wide, double-edged golden midnight blue blade, large midnight blue deer heads for the crossguard, large white angelic faces embedded on both sides of the hilt with midnight blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large midnight blue gem on the bottom of the large white angel heads for the pommel.

Selene Arcangela: (Gasps) The deer, dogs, and bear motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Midnight Blue-Haired Girl: That's right, and I got the girls away from those monstrous vampires out for blood

Lincoln: (Gasps) That voice, Allison Artemis, I knew it was you.

Suddenly, we heard loud vampiric shrieks in the air, and we saw them: the massive army of vampires out to kill us and were whipped up into a fury thanks to Audrey Blade.

Sylvester: Oh great, here they come now!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: Yep. Time to engage Vampire Blood Rage mode and start the feeding frenzy!

Suddenly, Lincoln's deep sapphire blue eyes turned deep blood red and the pupils turned into cat-like pupils, his claws had gotten sharper, the tips of his eleven massive and long white wolf tails turned into Cell's stingers, and then, his abnormally massive upper and lower body muscles suddenly grew much bigger, and he let out a loud animalistic roar: Lincoln has entered into VAMPIRE BLOOD RAGE MODE!

Lucy Loud: Gasp, Lincoln's entered into Vampire Blood Rage Mode.

Nico: Just like what happened in the videos, whoa!

Me: But, now you're seeing it for the first time, and when he enters into Vampire Blood Rage Mode, you better duck and cover 'cause Lincoln Loud's on the rampage!

Timmy Turner: Should we also join in as well?

Wanda: Are you kidding, it'd be a bad idea to get in a vampire's way when it's feeding time!

Adriana Ardelean Dracula: (Romanian Accent) Ain't that the truth. Let's just sit back and watch the blood engorged mayhem ensue.

Lincoln went after the massive armies of vampires, and he really showed no mercy as he was literally tearing into them and spilling their blood with his claws and massive greatsword. Eleven of them tried to pounce on Lincoln only to get stabbed in their chests with the eleven stingers and Lincoln absorbed them until nothing was left except for their clothes, and he also bearhugged a couple of them and he absorbed them into his body, and this went on for hours as we heard the death shrieks echoing in the air of Bucharest. Then, as soon as Lincoln was done absorbing the armies of vampires, all that's left of them were their clothing and a massive pool of blood.

Nico: Holy… !

Me: Crud! It's just like what happened that day when Lincoln went on that blood frenzy rage thanks to Lori, Lynn, Lola, Lisa, and Luan.

Luna: But, this is on a massive scale, and with vampires, dude!

Then, Lincoln used his blood powers and forced the blood to him and he devoured the massive pool of blood, and then, his deep blood red eyes changed back to deep sapphire blue, and he reverted back to normal.

Lincoln: Now, that was quite a delicious buffet.

MASSIVE LOUD BELCH!

Lana: And I thought Lynn going through her meatball subs like crazy was mega crazy!

Nico: Damn, now I know why we had to stay back: Lincoln made a meal out of all those vampires!

Me: Wait 'til everyone at home sees this!

We had video cameras recording the whole thing!

Vampirella: I've never seen that kind of wild side to you when you go into Vampire Blood Rage Mode, Linky. (Seductively) I really love seeing that wild side to you.

Lincoln's face turned red, and we had a laugh.

Lincoln: All that aside, at least we got rid of those vampires before anyone got seriously hurt. (To Allison Artemis) And it's so good to see you again, Allison Artemis.

Allison Artemis: You too, Linky, it's been a long time.

Lincoln went up to Allison Artemis and he hugged her, and Allison Artemis is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Allison Artemis: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met

your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Allison Artemis, Daughter of Artemis, Greek Goddess of The Hunt, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of The Hunt, and she has all her mother's powers, she's immortal, and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do me harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, my enemies, and she also swore to protect me from Lori, Lynn, Lola, Lisa, and Luan.

Nicholette Torrington: And she's also the half-sister of Annabeth Chase.

We gasped.

Me: Whoa!

Nico: That's so cool!

Selene Emperyous: It sure is, and surprisingly, she's friends with Lynn, and Allison and Lincoln helped Lynn with her training, and Allison helped in teaching Lincoln everything she knows about using the powers of the moon and she even had Lynn make up with Lincoln and they hugged, and this was after Dark Lynn was removed from Lynn for good.

Nico: I remembered that day all too well.

Me: Same here.

Selene Emperyous: Me too, and Lincoln made Allison a beautiful necklace with midnight blue gem for the pendant, along with a white short-sleeved blouse, midnight blue sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Allison kissed Lincoln on the lips at night as the moonlight shined down on them, and it was truly beautiful, and she really hates Flip with a bloody passion, because that mutant cheapskate absolutely hated Allison for always defending Lincoln whenever he along with Lori, Lola, Lisa, along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Allison everything about what that mutant has done, and one time when Lincoln, Allison, and Lynn were doing some training, Flip showed up and tried to kill Lincoln again along with Lynn and Allison, that was until Lincoln let loose the beast inside him and he viciously attacked that three butt-cheeked mutant with a dangerous ferocity, and he, Allison, and Lynn blasted him with energy blasts and they also pounced on and kicked the tar out of him, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Flip tried to do to him, Allison, and Lynn, they were really furious, and Lincoln called the cops and they picked up Flip and took him to jail.

Nico summoned a bomb and hurled it through a portal that led to Lynn's Table and it was aimed at Flip.

Nico: HEADS UP, YOU FILTHY MUTANT!

Then, the bomb hit Flip and exploded and more jewels, coins, gems, and currencies had exploded out of him, and he screamed and bellowed in anger at us.

Me: Yeah, fuck you too, you filthy mutant cheapskate!

Lincoln: Knowing him, he won't quit. And now that you're here, Allison.

Lincoln went up to and hugged Allison Artemis in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Allison Artemis: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Elemental Thunderbird Necklace of Eternal Love appeared on Allison Artemis' neck with midnight blue gems on the gold lightning bolts and midnight blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Allison Artemis: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Allison Artemis.

Allison Artemis had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Maki Takahana and Youko Aoi from Chikankyou, Megumi Kousaka and Yukine Maikawa from Chikankyou 2, and Akari Ooguro and Miho Amai from Chikankyou 3.

Lincoln: Oh wow, it's Maki Takahana and Youko Aoi from Chikankyou, Megumi Kousaka and Yukine Maikawa from Chikankyou 2, and Akari Ooguro and Miho Amai from Chikankyou 3.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Maki Takahana: Yes, we're okay, thanks to you.

Then, when Maki Takahana and the other five girls saw who it was that saved them from the armies of vampires riled up by Audrey Blade, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of

Maki Takahana: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Maki Takahana: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maki Takahana, Youko Aoi, Megumi Kousaka, Yukine Maikawa, Akari Ooguro, and Miho Amai with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after went after were a massive army of vampires that were riled into causing havoc by Audrey Blade and the rest of The Ghostrick Destroyers in an attempt at revenge on us.

But, when Lincoln and all of us showed what happened with Lincoln going into Vampire Blood Rage Mode and laying waste to all the vampires and absorbing them and devouring the blood he'd spilled during his ferocious attack and slaughter of them, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Allison Artemis have a lot of catching up to do, now that they're back in town.

Maria: (Whistles) Damn, now that's what I call a really bloody massacre, you left nothing of them in your wake.

May: And he absorbed them and devoured the blood he'd spilled, he really went on a feeding frenzy of epic proportions.

Lincoln: Yep, and I also sent their spirits to The Black Gates for good, that'll teach Audrey Blade not to mess with us.

Me: Now, she's lost all her contacts in Bucharest, Romania.

Nico: Maybe so, but there's bound to be more vampires in Transylvania who are still loyal to that evil delusional vampire, so we need to keep our heads up.

Lincoln: That's right.

---

After Lincoln's feeding frenzy on the massive army of Audrey Blade's vampire minions in Bucharest, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Allison Artemis saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Allison Artemis: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Allison, and I can still defend

myself, and in addition to getting stronger, I've also gotten smarter as well.

Allison Artemis: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Allison Artemis: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Allison, what's the story on how you, Lynn, and Lincoln took down that fat mutant cheapskate, Flip?

Allison Artemis: Now, that's a story I've never forgotten.

Allison Artemis pulled up a video and it played on the screen, and it showed Lincoln, Allison, and Lynn were doing some training in the park.

Past Allison Artemis: It's always nice coming here to the park.

Past Lincoln: Yeah, it sure is, Allison.

Past Lynn: And it's also a good place to do some training.

Suddenly, Lincoln picked up on the stench of someone who hadn't heard of a shower and he saw who it was barreling towards them bellowing with so much murderous rage, and he saw who it was: it was Flip, Royal Woods' fat hairy mutant cheapskate and convicted criminal who escaped from prison once again. They dodged an incoming attack from that moron who was out for blood.

Past Lincoln: Every single time whenever I wanted to enjoy my day and be with my Guardian Angels, every time, you show up to ruin it! That's it, I've had it up to hear with you, you fat mutant!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer, his claws grew sharper, and then, his abnormally massive upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON MY GUARDIAN ANGELS OR MY FAMILY, YOU THREE BUTT-CHEEKED PIECE OF GARBAGE! (WOLF ROAR)

Nico: Oh… Shit!

Me: That fat mutant cheapskate was dead meat on a stick that day!

Lincoln let the beast out in him and Flip bellowed with rage and then charged at Lincoln, but Lincoln punched him hard in his fat hairy gut and he grabbed Flip by the collar of his jumpsuit and lifted him up off the ground with his really immense and powerful superhuman strength and he threw him into a tree, and he attacked him with a dangerous ferocity, and he, Lynn, and Allison blasted him with energy blasts and they also pounced on and kicked the tar out of him, and Lincoln fired red energy waves from his massive white angel wings and tied that mutant up in a red energy straitjacket, and when he alerted the rest of his family of what Flip tried to do to him, Lynn, and Allison, they were really furious, and then, Lincoln called the cops as they grabbed that fat mutant cheapskate.

Cop: We're already getting sick and tired of you always escaping, Flip. Come on, you, it's right back to prison for you.

Flip was then loaded into the wagon and he bellowed with rage once again as they took him straight back to prison as the video ended.

Nico: That mutant cheapskate had some nerve trying to attack you guys again!

Me: Honestly, he has a one-track mind: and all he's focused on is revenge on us, ripping people off, and being a gross mutant jerk.

Lincoln: He deserved all those thrashings we give him, and he still doesn't know when to quit. So, he needed to be taken down for good and become humiliation fodder.

Eli: Even though there are some of us who would rather see him dead after all the crap he pulled.

And he was right: some of Lincoln's Guardian Angels had sharpened axes and knives and even a dart board with Flip's picture on it and it was stabbed and slashed all over until it was mangled to pieces.

Nico: (Winces) Yikes, I knew that many of Lincoln's Guardian Angels hated that mutant cheapskate, but it got to the point where they don't want him to suffer, they want him to die.

Me: (Shudders) And that moron has pulled one too many stunts in trying to kill Lincoln and all of us.

We got a shower, and then, Lincoln, Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of Blossoms are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of Blossoms are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of Blossoms had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Periallis, Empress of Blossoms: Wow, so this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Periallis, and it's perfect for our first date before Princess Cadence's big mission today. Shall we?

Lincoln, Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of Blossoms dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of Blossoms got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of Blossoms, and they hugged the girls in their abnormally massive and powerful muscular arms, and Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of

Blossoms placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of Blossoms with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of Blossoms are now in your harem.

Vinyl Scratch: Wow, I always knew Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of Blossoms had feelings for Lincoln.

Jenna: And Flip has some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Boscha, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, and Periallis, Empress of Blossoms, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

* * *

Later Nico, Lori and Loki were in the simulator and they were getting ready for an awesome Super Mario Galaxy adventure.

Nico: Next, I'm going back to Honeyhive Galaxy to fight Bugaboom.

Loki: Ooh! This is literally going to be fun!

Lori: I was literally going to say the same thing.

Me: You guys are gonna have fun.

Xenia: Yep.

Nico: Yeah we always do.

Me: Good luck guys.

Nico: Thanks. Lets go guys.

They went in and we activated it and they were at HONEYHIVE GALAXY!

Nico: Honeyhive Galaxy.

Lori: Literally so awesome.

Nico: Shall we go visit the Queen again?

Lori: We literally shall.

They got into launch stars.

Me: (On the radio) Nico this is Star Ranger you are clear for launch. Over.

Nico: Copy that Star Ranger. Over.

Then…

WHOOSH!

Lori: WEEEEEEEE!

Loki: AWESOME!

They landed and went and stood before the Queen.

Nico: Greetings, your majesty!

Queen Bee: Greetings Team Loud Phoenix Storm and welcome.

They knelt before her.

Nico: Are there anymore of this worlds enemies running amok?

Queen Bee: Yes there are. Bugaboom. He is right there.

They saw him crawling around a big tree.

Nicole: (On the radio) Okay in order for you to beat him you have to smash that star bullseye mark on his shell three times.

Nico: Right. We're on it.

They were on their way.

Nico: Did I mention Bugaboom's one of my favorite bosses?

Loki: No you didn't. That is amazing.

Lori: It literally is.

They arrived and they faced BUGABOOM!

Timon: Boy that looks like one delicious looking bug.

Pumbaa: I would want to eat that bug too.

Xenia: Yuck.

Lana: I would eat it.

Nico: Lets squish this bug.

Bugaboom saw them.

He roared.

Nico: Somebody get me a can of bug spray!

Lori: Me too!

It went at them!

Nico fired a beam of energy and blasted it and then jumped and smashed him on the back of his shell!

SMASH!

Nico: HA!

Me: Take that!

Nicole: Awesome! 2 more times for that.

Bugaboom got mad, took flight and flew around in circles.

Lori: He can fly. Big whoop.

Lori jumped and flew and fired waves of wind and blasted him all over and then she smashed onto his back and bashed him down.

Nico: OH YEAH!

Nicole: YEAH! 1 more time left!

Bugaboom turned red with rage and started to fly faster. It also turned on its side and fired bombs at the ground

Nicole: WHOA! Now he is mad!

Me: Yep and he is pissed!

Eli: Yep.

Loki: Now he wants to be hit from the side.

Nico: (gets out Abra Kadabra and DC Enchantress' Ridewatches) Time for some magic!

He activated them and fired a wave of magic and blasted him all over.

Then an Oranguru & Passimian came!

Me: Hey an Oranguru & Passimian!

Camie: Cool!

Oranguru: (In a girls voice) (Chinese Accent) We got this one Nico!

Passimian: (In a girls voice) (Chinese Accent) It will be like old times!

Nico: Ni and Xi Chen!? Whoa!

Qin: Cool!

They fired waves of energy and blasted Bugaboom all over!

Loki: Now it's literally my turn!

Loki fired a wave of wind and Bugaboom was turned by the wind and then he smashed him on his back and then he roared and then…

BOOOOM!

He exploded!

Nico: YEAH!

The Oranguru & Passimian reverted back and they were twin girls with black hair and purple eyes and had orange and blue clothes.

Ni Chen: Take that!

Xi Chen: YEAH!

They high five.

A Power Star appeared

Lori: There's the star!

Nico: Go get it Lori.

Lori and Loki went and got it!

YOU GOT A STAR!

Me: YEAH!

Lori: That was literally so much fun!

Loki: It sure was!

Lori: (To the Chen Twins) What are your favorite memories of Nico?

Ni Chen: When we learned under Nico and he taught us Elemental Kamehameha Waves. I learned a Crystal Kamehameha.

Xi Chen: I learned a wind and flower Kamehemeha.

Lori: Wow that is literally amazing!

Loki: It literally is!

Xenia: That is cool!

Me: I'll say.

Nico hugged them both.

Nico: I missed you girls.

Ni and Xi: We did too Nico.

* * *

Later we were watching TV and then the Animorphs came in.

Buttercup: Hey, Rachel. What's on your mind?

Rachel (Animorphs): Well Syd Chang, Fluttershy, Laney and May want to get the powers of the Animorphs.

Me: Whoa that will be interesting!

Nico: May are you okay with this?

May: I sure am.

Fluttershy: I want to try it out and see what this is like.

Me: Well okay. Ax what do you think?

Ax: It will be a great idea.

Nico: Okay.

Ax: They get them with this.

He held up a glowing cube. It was a cosmic power replicator. Ax's powers will be copied to Syd, Fluttershy, Laney and May. They put their hands on it and they got the powers of the Animorphs.

Syd Chang: Did it work?

Me: Well lets go find out.

Rachel: I got an idea. Let's go to the Aquarium first.

Me: And then the zoo.

Fluttershy: Good idea.

We went to the aquarium.

We arrived.

Me: Okay which animal will be perfect to try out?

May: I call dibs on the Whale Shark! Like always.

WE LAUGHED!

Me: All right then.

I did a call and the whale shark came.

Me: Okay give it a shot May.

She pet it and then she felt something.

Me: Feel anything?

May: Something.

Rachel: Now concentrate May.

May: Here goes.

She concentrated and then she turned into a WHALE SHARK!

But her clothes ripped as she turned into a Whale Shark and she was in the tank!

Me: WHOA! It worked!

Xenia: That is amazing!

Qin: Yeah!

Nico: May how do you feel?

May: I feel amazing guys. It's awesome being a whale shark!

Camie: That is amazing! You look great as a whale shark May.

Coup Bolton: Boy I'll say! That is jawsome!

Rachel: I'll morph a Killer Whale.

Rachel dove in and turned into a Killer whale.

Nico: Whoa!

Qin: YEAH!

Me: But May's clothes ripped off.

Nico: Oops.

Rachel: Yeah that happened to me once. It takes a while for the power to integrate clothes.

Cassie: I'll morph a Manta Ray

She dove in and turned into a manta ray!

Qin: Whoa!

Lola: Boy that is so cool!

Heidi: It sure is! I think that is so cool.

Me: Lets see. I know!

I whistled and a bluejay came.

Me: Good thing we're at an outdoor aquarium. Try turning into a bluejay Syd.

Syd: Okay.

She touched it and then felt something.

Nico: Felt something Syd?

Syd: I sure did.

Marco: Okay now concentrate.

Syd: Okay.

She did so and shrank and turned into a bluejay! Her clothes fell off and she was now a bluejay!

Nico: Awesome!

She flew and landed on my shoulder.

Me: Syd you look really cute as a bluejay.

Syd: Wow I sure do!

Clyde: She sure does.

Cadance: Laney, you can choose to either morph a Great White Shark, Hammerhead Shark, or Tiger Shark.

Laney: Actually I have something else in mind. I don't want my hands to get bit off. Ben can you turn into Wildvine?

Ben: Sure.

He did so.

Ben: WILDVINE!

Laney went over and touched Wildvine.

Laney: Wow. Here we go.

She concentrated and then turned into A FLORAUNA!

Laney: Wow! Look at me! I'm a Florauna!

Xenia: That is cool!

But her clothes ripped too.

Thunderblast: Well, since the shark morphs are optional now, what can Fluttershy morph?

Me: I have a good idea to start her off.

Fluttershy: Really?

I looked at Ariel.

Ariel: She would like to turn into a mermaid?

Eli: That would be cool!

Fluttershy: I think it would be magical.

Me: Go for it.

Lincoln: Yeah Flutters. If you were a seapony before when the Storm King was after you then you can turn into a mermaid too.

Lola: Good idea.

Ariel dove into the tank and turned into her mermaid form.

Ariel reached out her hand and Fluttershy touched it and she then acquired Mermaid DNA.

Fluttershy: Here we go.

She concentrated and then turned into a mermaid!

Nico: WHOA!

Fluttershy: WOW! I look amazing.

Nico: You sure do.

Lincoln carried her to the tank and dropped her in and she was swimming like a mermaid!

Ariel: Wow! Fluttershy you look awesome as a mermaid!

Fluttershy: Thanks Ariel!

Nico: Just her boots ripped. Oops.

Qin: Nothing we can't fix.

May: Again, Rachel, I'm really sorry I got jealous when Nico was talking to you shortly after you and your friends joined us.

Rachel: Ah that's all water under the bridge.

Nico: Yeah that was a long time ago.

May: You're right.

Me: So how does it feel to be Animorphs girls?

Fluttershy: It feels really amazing.

Laney: It sure does.

Syd: Yeah this is amazing.

Marco: It sure is.

Beast Boy: Welcome to the animal power club.

Nico: Yep.

Then a Comfey came and landed on Nico's head.

May: Nice flower ring Nico.

Me: That's not a flower ring that's a Comfey.

Xenia: Cool.

May: Still looks cute on you.

Horsea: Hello there!

Comfey: (In a girls voice) Hello there. Sorry about all this.

Nico: Wait Jackie Stanley? Wow!

Comfey: Awesome to see you again Nico and it's awesome that some of you guys are Animorphs.

She jumped down and reverted back and was a girl with pink hair, blue eyes and had red and pink clothes on.

Jackie Stanley: But it's awesome to see you again Nico.

Nico: Same here.

Wideload: What's your favorite memory of Nico?

Jackie Stanley: When me and Nico made flower headbands for everyone in school for Spirit Week. We had a 1960s Flower Band day back then.

Qin: That was one groovy and awesome day for us.

Nico: It sure was.

Nico and Jackie hugged.

Nico: I've missed you.

Jackie Stanley: Me too Nico. Me too.

May: Time to revert back.

Me: Okay.

I put on my blind man glasses and the boys covered their eyes and they got out and reverted back. But Syd, Laney and May were naked and Fluttershy just only was in her bare feet and no underwear.

Syd: Whoa we really lost our clothes.

Laney: (COVERS HERSELF) No kidding!

Fluttershy was blushing red as a tomato.

May: (COVERS HERSELF) How embarrassing.

Rarity: Don't worry darlings we got this.

They went and got them new clothes and Clyde gave Syd back her clothes and they put them on.

May rubbed her back.

May: Ow that feels weird. But it was awesome.

Rachel: It takes a while to get used to May.

Cassie: Yeah but it was fun.

Camie: Yeah.

Me: I have some ideas for you girls.

I snapped my fingers and gave them the power to turn into the aliens of The Thing, Ben's Aliens and the aliens that Agent Alpha integrated himself with as well as all the animals of the animal kingdom.

We later went back to the estate and got ready for Cadance's big day mission.

Back at the estate we were getting ready. The Dragon Knight Team came.

Dreamcatcher: (to the Dragon Knight team) Thanks for coming, guys

Kit: Glad we could make it.

Len: This will be awesome.

Nico: Yep it sure will.

Camie: It will be fun.

Lola: Oh yeah!

The previous group came.

Electrocutioner: Can me, Crimson Dynamo, Turtle, Dr. Polaris, Skalamander, Spot, Mumbo Jumbo, Knightbrace, Fixer and Biiowulf go with you guys?

Nico: You sure can and it will be awesome.

Qin: This will be so fun.

Cadance: It sure will.

Lola: Yeah!

Teen Titans Thunder: Nico, which Gene Slammers do you think you'll meet next?

Nico: This one will be worthy of the beach. Golisopod and Palossand next.

Qin: Awesome! So the next rescue might be a beach going one for Palossand.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Aurelia Karayan, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln,

everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Aurelia Karayan, one of The Ghostrick Destroyers is heading here to kill you all.

Claire Allaire: (French Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment back in the castle of The Michigan Supernatural Defense Force after Princess Cadence gets done with her special mission today.

Princess Cadence: That's right, after we get done destroying HIM from the Powerpuff Girls Z's world, we'll take down and destroy Aurelia Karayan.

Lincoln: And after my stunt in killing Audrey Blade's vampire minions in Bucharest, Romania, now she and the rest of her crew are so going to be out for revenge.

Me: We're not letting that blood-crazed delusional vampire or her undead crew hurt you, Lincoln.

Nico: Yeah, the only thing those vampires are going to get is a stake driven into their black hearts and turned to ash.

Lincoln: Or in my case, devoured and absorbed by me.

Me: Right.

Nico: Even after your feeding frenzy in Bucharest, you're hungry for another vampire to absorb? You've got a black hole for a stomach to be ready for more, Lincoln. Alright, gang, let's go, we're heading to The Powerpuff Girls Z's world.

Me: Right!

Lincoln: And destroy their world's version of HIM, and if we run into our world's HIM, he's also going too, and once we get done destroying those two Kings of Evil for good, you're next, Aurelia Karayan.

Claire Allaire: (French Accent) You better be ready to die, Aurelia

Karayan, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon!

Princess Cadence: Blossom, Bubbles, Buttercup, Bunny, hang in there, we're coming.

Nico: Lets roll!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to the Powerpuff Girls Z's world to destroy their world's HIM and if our world's HIM is there as well, he's also going too, and once we get done destroying the two Kings of Evil, Claire Allaire, Lincoln, and Princess Cadence are going to destroy Aurelia Karayan of The Ghostrick Destroyers and make her pay for her crimes.

We opened the portal and we were off to the world of New Townsville.

---

We arrived in New Townsville.

PPG Narrator: THE CITY OF NEW-TOWNSVILLE!

Turtle: Here we are in the City of New Townsville!

Nico: So awesome.

Qin: Yep.

Cadance: Boy it's great to see this place again.

Blossom: Boy it sure is.

Bubbles: I can't wait to see what has changed.

The RowdyRuff Boys came.

Butch: Did we miss anything?

Me: Nope you made it just in time.

Lola: Yep.

Varie: It's so awesome.

Then we saw the girls fighting a dancing villain! It was FEVER MASTER!

Me: Whoa! That's Fever Master!

Deadpool: You know I told you about him right?

Me: You sure did Wade.

Nico: Time to dance!

EVERYBODY DANCE NOW!

I jumped and landed in front of Fever Master!

We appeared.

Blossom Z: Hey guys! You made it!

Me: Like we would miss this!

Fever Master: Team Loud Phoenix Storm!

Me: That's right! Lets dance bub!

I got to dancing and was beating him at his own game!

I danced breakdancing, Riverdance, Russian Music, Hip Hop and more.

Starlight Glimmer: Uh oh. Looks like Poochie got hit by his spell.

Poromon: I'm on it!

Poromon grabbed Poochie by the face

Poromon: Poochie, snap out of it! You've been brainwashed.

Pochie: I've been… brainwashed?

Poromon: (Hypnotically) Yes, you've been brainwashed.

Poochie: (Hypnotized) Brainwashed.

Poromon: (Hypnotically) You don't want your brain washed.

Poochie: (Still hypnotized) I don't want my brain washed.

Lincoln: Let me get in on that!

Lincoln and Ronnie Anne danced and punched and pulverized Dance Fever all over and I used Russian dance music and pulverized him all over!

Me: HEY!

Varie: YEAH!

Bubbles Z: Wow! Great dancing!

Me: Thanks!

Cadance fired love blasts and blasted Fever Master down and we tied him up and I snapped my fingers and broke Poochie out of the spell.

Poochie: Huh? What happened?

Poromon: Like I said, you were brainwashed.

Poochie: I have a tremendous headache.

Me: But I beat Fever Master at his own game.

Fever Master: Boy J.D. you are an amazing dancer! How did you do all that?

Me: Travelled all over the world and mastered all kinds of dances in many countries and even ones on other planets.

Nico: He's right.

Me: How about a proposition for you Fever Master?

Fever Master: What is it?

Me: Want to join our frenemies in the M.O.E.?

Fever Master: Better than working for HIM. Okay.

Me: Excellent decision.

Poliwag: By the way, spread the offer to all your fellow monsters.

Fever Master: Will do.

We untied him and he did so.

Bunny Z: Thanks guys!

Blossom Z: Yeah that was awesome.

Nico: Looks like we got here just in time.

Bubbles Z: You sure did.

Buttercup Z: Yeah that was awesome.

Nico: Lets head to the lab and talk.

Blossom Z: Okay.

We went to Professor Utonium Z's lab.

Spot: So, you girls have super stength, right?

Buttercup Z: Of course I do. One time, I even lifted a car.

Nico: Really?

Buttercup Z: (smirks) With one hand!

Me: That's nothing. I lifted up an entire mountain with one hand tied behind my back.

Nico: Whoa! Really?

Me: Yep. It's true.

Sakura Knudson: Bro is incredibly strong and powerful. I saw him do it years ago.

Me: Yep.

Blossom Z: By the way, good job killing Burns and Crocker

Cynder: You saw it on the news, right?

Blossom Z: We sure did. Word spread really fast all over the universe and to here.

Me: Boy news about that sure spread like wildfire.

Bubbles Z: No kidding there.

Bunny Z: That was so awesome.

Nico: Yeah.

We arrived.

Nico: Wow.

Professor Utonium Z: Hey guys! You made it.

Me: Awesome to see you again professor.

Nico: Same here.

Kenny Z: We're glad you're here.

Me: Like we would miss this for anything.

Morbucks 2016, Gangreen Gang, Amoeba Boys, Mojo Jojo, Universe 666 HIM, and all the girls enemies in the M.O.E. Came.

Mojo Jojo: Looks like we got here in time.

Boss Amoeba: We sure did.

Ace: Yeah.

Mumbo: Oh, and you guys don't have to worry about Dark Eddy.

Blossom Z: Why?

Eddy: I killed him. Without using the Lethal Weapon line!

Me: Yep thanks to Eddy we never have to see that Jerkface again. Nico's curse did him in.

Blossom Z: About time!

Qin: I know! We are finally free!

Me: Moondancer's first mission to Natalia's first mission.

Moondancer: That was crazy.

Lola: Yeah it sure was.

Blossom Z: What line did Eddy use?

Me: (Puts on sunglasses) (Imitating Arnold Schwarzenegger) Hasta la vista baby.

Professor Utonium Z: Wow! Using the Terminator line! Awesome!

Qin: Yeah that was great!

Me: Eddy blasted a hole through his chest through his black heart and blew his entire head off.

Blossom Z: Awesome!

Camie: Yeah that was great!

Nico: We want to thank you girls for holding off Shiro Mizuki.

Me: We owe you girls big time for that.

Blossom Z: It was no problem.

Bubbles Z: Yeah that was so fun.

Lola: Glad you liked it.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 3 bottles of beer.

Poromon: (to the Powerpuff Girls Z) Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Sunny Tennyson: (laughs) I never get tired of this part!

Bubbles Z: Aww Poromon looks so cute!

Nico: He sure does.

Blossom Z: But Poromon we aren't allowed to drink beer yet.

Me: But I do have an alternative.

I pulled out my cooler and gave them root beer.

Buttercup Z: All right root beer!

Qin: Yep.

Poromon did puppy eyes.

Biowulf: Are you seriously doing puppy eyes to get them to drink the beer?

Nico: (LAUGHS)

Me: Poromon you know that trick is not going to work.

Camie: Yeah.

Blossom Z: Nice try Poromon.

Bubbles Z: Yeah I may like all things cute but the Puppy eyes are not going to work on me.

Buttercup Z: Me neither.

Bunny Z: Same here.

Qin: I think it's cute.

Lola: Yeah.

Ted: I'll drink some beer.

Poromon: Aww thanks Ted.

Blossom Z: What's your version of Townsville like?

Blossom: Almost the same as yours.

James (Pokemon): But it and Gotham Royal York feature lots of great stuff.

Me: And you girls all saw the massive tree we live in. It's awesome.

Nico: Gotham Royal York has awesome great stuff.

Poliwag: And some not so great stuff. LIKE THE BLOOD AND HONEY MOVIE! (shows trailer close to Blossom Z's face) LOOK AT IT! IT'S UGLY, ISN'T IT?!

Blossom Z: THAT IS A HORRIBLE MOVIE!

Poromon: (shows trailer close to Professor Utonium Z's face) YOU LOOK AT IT!

Professor Utonium Z: WHAT IS THAT MONSTROSITY!

Manaphy: (shows trailer close to Bunny Z's face) YOU LOOK AT IT!

Bunny Z: WHAT A NIGHTMARE!

Mevya: (shows trailer close to Kenny's face) LOOK AT IT!

Kenny Z: HORRIBLE!

Horsea: (shows trailer close to Bubbles Z's face) LOOK AT IT!

Bubbles Z: (JETS OF TEARS EXPLODE OUT AS SHE WAILED AND CRIED)

I had an umbrella open and blocked the tears.

Jirachi: (shows trailer close to Poochie's face) LOOK AT IT!

Poochie: WHAT A HORRIBLE NIGHTMARE!

Tentacool: (shows trailer close to Buttercup Z's face) LOOK AT IT!

Buttercup Z: HORRIBLE AND BLOODY!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT YOU ALL… TO FUCKING LOOK AT IT!

They screamed in horrible!

Fixer: We apologize for this.

Me: Oh for fucks sake! (SPINS MAGISWORD BRACELET)

UGH! ROUNDY SPINNY THING MAGISWORD

I calmed the mascots down with it.

Blossom Z: Is that really Pooh and Piglett?!

Me: Yeah it was. That movie is a dark version of Winnie the Pooh and it's about how they turned feral and went on a horrible killing spree.

Nico: And we swore to never watch that movie even if you held a gun to our heads and threatened to blow our brains out.

Bubbles Z: (WAILING AND CRYING)

Me: Bubbles calm down. Enough with the waterworks.

I twisted her pigtail and it squeaked like a faucet and she stopped crying.

Me: There we go. But yeah we blacklisted that movie and we are never going to watch it.

Lola: You don't want to know what happened to all of the Hundred Acre Wood.

Maria: I'm not even sure what happened to the others except for Eeyore.

Me: His fate made Ellie and Princess Luna hurl their guts out.

Qin: Yeah.

Blossom Z: What happened?

Me: They cannibalized him.

Then Blossom Z's face turned green.

Bubbles Z: How can anyone make Pooh and Piglet hideous like that?!

Knightbrace: You're asking the wrong people!

Buttercup Z: You guys need to use the Black Gates on whoever made this!

Poromon: That's what me and the others said!

Me: Whoa whoa whoa whoa! We will not do anything of the sort!

Blossom Z, Princess Luna and Ellie Martin went to the garbage cans and a toilet and threw up.

LOUD VOMITING.

Lola: Yuck.

Bubbles Z: But why!?

Me: Because they are innocent people! And that was just a movie. It's not real. Also those were innocent people and you guys should know that our code strictly prohibits us from killing the innocent as well as children when they did it at the time of the crime.

Nico: That's right.

Me: Believe me girls as much as we want to give the people in that movie the Black Gates for making such a horrible movie that we all hate we will never give them the Black Gates because they are innocent people. No exceptions. No ifs, ands or buts about it.

Buttercup Z: You're right.

Ransik: There's no New Citiesville, is there?

Bubbles Z: No there isn't.

Ransik: Oh good.

Me: The Citiesville that we saw in our universe was a nasty and horrible place.

I told them all about everything and it was awful.

Blossom Z: Oh man!

Bubbles Z: That is crazy!

Kenny Z: But I'm glad you guys destroyed it.

Me: Tell me about it. We are glad too. Now it's nothing but a radioactive crater. All the parents are in prison, their children are undergoing intense rehab and more.

Blossom Z: But actually our version of Citiesville is called Cityville. It's our rival in our school sports teams.

Me: They aren't like the one we know right?

Blossom Z: No thank goodness.

Me: Oh good.

Grinnade beeped happily at that.

Blossom Z: Uhh what did he say?

Sunset Shimmer: Grinnade said that he agreed with J.D. and that he is happy that it is gone.

Blossom Z: Oh.

Nico: Yeah.

Skalamander: It's a good thing Him of this world hasn't caused an Apocalyptic event.

Me: No shit on that.

Blossom Z: That must've been an awful world.

Me: It was. It looked like a nasty nightmare.

I told them all about how the 20 Days of Darkness being stopped in an alternate time would turn the world into a hellhole and it was awful.

When I was done they were shocked. Including those that hadn't heard about it.

Nico: Thank goodness that didn't happen to us in our universe for real.

Me: Yeah.

Bruiser Cruiser: The only different thing is that this version of HIM is a hair stylist.

Blossom Z: That's right.

She went and got a style magazine and we saw his hair styles.

Blossom Z: He was in disguise as Gigi and these are the styles he did.

He did all kinds of crazy hair styles in so many shapes and more.

Me: (Whistles) These are some really kooky hairstyles.

Pipp Petals: YUCK! NO NO! EW EW EW EW EW EW! I would never have hairstyles like that!

Nico: Me neither!

Me: I don't blame you. If I saw myself in one of these styles I would have to kick my own ass.

Xenia: Me too.

Dr. Polaris: The only cut we'll give him is in half!

Me: More like we'll slice, dice and obliterate him and banish him to the black gates.

Nico: That's what we said earlier. He is our main target.

Xenia: Yep.

Taro: That's for sure.

The Dragon Knight team came in

Kit: Hey, guys. Did we miss anything?

8m agoThe Dragon Knight team came in

Kit: Hey, guys. Did we miss anything?

Me: Just going over some stuff.

Nico: Yeah.

Qin: Yep.

Maria: How about we have the usual battles now? The Rowdyruff Boys on this world will participate to make up for the Juto interrupting

Me: That's right and we just blew the Rowdyruff Boys to dust earlier. Long story.

Qin: Yeah.

Nico: But it was fun.

Lola: Yep.

Me: But it will be fun to beat the RowdyRuff Boys here. We have to catch up on.

Qin: And this time the Juto won't come to rudely interrupt our fun.

Blossom Z: (to Taro) The Juto were from your world?

Taro: They sure were but they were from another dimension. And I warned them that if they did something like that again that there would be no mercy.

Me: I banished them to the Black Gates as a result after I saved their prisoners. I destroyed them all in one fell swoop.

Nico: He sure did.

Blossom Z: Whoa! That is amazing.

Me: Yep.

Nico: Blossom, you can participate in the battles today.

Blossom Z: I would be honored.

Qin: Awesome!

Nico: Cool. Maria call it in.

Maria: Got it.

She called it in.

Nico: The others can participate if they want.

Mojo Jojo: No it's not our turn yet. We're just here to help out because these are our counterparts.

Nico: Okay then.

Qin: But thanks guys.

Ace: Anytime.

Snake: (Hissing) Yesss.

Grubber raspberried.

Nico: I meant the other Powerpuff Girls Z

Bubbles Z: We're okay.

Buttercup Z: We just want to enjoy the show.

Bunny Z: Yeah. It will be awesome.

Nico: Okay then.

Then Brain Freezer, Man Boy, Zexion, Riddler, Chalmers, Toiletnator, Diabolico, Billy Numerous, Captain Boomerang and Mr. Fizz came.

Nico: Brain Freezer, Man Boy, Zexion, Riddler, Chalmers, Toiletnator, Diabolico, Billy Numerous, Captain Boomerang and Mr. Fizz.

Brain Freezer: The Rowdyruff Boys from this world are on their way.

Man Boy: They want to finish up their battle with J.D.

Diabolico: With no Juto to interrupt.

Me: Great! We have unfinished business to take care of.

Chalmers: (to Nico) Speaking of whom, we heard you face the main ones from their first appearance.

Nico: We sure did.

Riddler: Riddle me this: How did it go?

Nico: We beet the living shit out of them and then the Powerpuff Girls gave them kisses and then they exploded.

Me: Yep. It was all my idea. They used what boys feared the most and that was cooties! Even though that disease never existed it really worked.

Nico: It sure did.

?: That is cool!

A figure came out and it was HIPHOPPER from episodes 16, 17 and 18 of Ninja Storm!

Shane Clarke: Hiphopper!

Hiphopper: Been a while rangers!

Me: I remember you! You were sent with an army of monsters to destroy the rangers and everything.

Hiphopper: I sure was. Good memory.

Me: Yep.

William: Too bad you didn't have your own episode.

Hiphopper: I know!

Me: Man what a ripoff!

Nico: I know!

The Rowdyruff Boys Z came.

Me: Well there's the resident troublemakers of terror.

Brick Z: I know.

Boomer Z: Now we can face you without interruptions.

Me: Good. Because we never got to finish our fight the last time. And I got a bunch of stinky new tricks up my sleeve with your names on them. (SINISTER LAUGH)

We got the usual battles underway.

Brain Freezer was First.

Brain Freezer: (to Bloom) Nico's rescue in the Alola Region yesterday. His rescue today was beating up the Rowdyruff Boys when they first appeared.

Bloom: Yeah those were really awesome. Just like J.D. said we went to the Alola Region and took down Team Skull and met a Salazzle Gene-slammer. Also we took down the RowdyRuff Boys and they were BRUTAL!

Tigra: Those boys were total douchebags! They wanted to beat the living shit out of the Powerpuff Girls and rip them to shreds!

Simba: Yeah they sure did.

Kovu: But the cool part was the girls kissing the Rowdyruff Boys and then BOOM! They exploded!

Brain Freezer: They exploded!? How?

Simba: The boys did not like their kissing.

Timon: Boy those mooks had it coming for being bad kids.

Pumbaa: That is for sure Timon. But they will be rehabilitated by being reborn as good boys.

Nala: They sure will.

Yost Reed: Boy those rescues were still awesome though.

Yost Susan: They sure will.

Sunset Shimmer: Yeah no kidding there. That was still fun though.

Pipsqueak: (British Accent) It sure was a good one.

Sunburn: Yeah it sure was.

Brain Freezer: Yeah that was awesome! Lets do it!

Bloom: MAGICAL SOURCE! MYSTIC FORCE!

GALWIT MYSTO RANGER!

She turned into a Black Yodonheim themed ranger!

Bloom: The Darkness of Yodonheim's Shadow! NIGHT MYSTIC RANGER!

She was a black and blue and purple ranger with dark blue angel wings and had a Yodonheim Helmet on.

Brain Freezer: WHOA! That one is cool!

Bloom: Yep it's for Yodonna. I thought it was awesome!

Bloom summoned her Keyblade and it was called THE DRAGON FLAME OF DOMINO! They fired waves of fire and darkness and smashed them down.

Sailor Glaren: You aren't kidding there. That was awesome.

Aurora Gettysburg: Going to the beach and bashing the brains out of Team Skull was fun and cool and we shoved a member of Team Skull into the Boo Box.

Aruto: (LAUGHS) That never got old Nico said.

Fluttershy: (Giggles) It sure didn't.

Man Boy: Boy that is funny. I heard that Horsea was scared out of her mind because of a haunted car.

Tornado Bolt: Boy she sure was! She was scared really bad! That car was really haunted by the ghost of Princess Morbucks' great great grandfather Lord Carrington Morbucks. He just wanted the locket he lost back.

Seabreeze: (Swedish Accent) Ja Chandler's great great grandfather won that locket off him in a crooked card came years ago.

Stealth Elf: Yeah that was crazy!

Man Boy: Boy no kidding! I heard all about Princess Morbucks' great great grandfather but I did not expect his ghost to come and haunt poor Horsea!

Flora: Yeah that was crazy!

Man Boy: Poor Horsea. I hope she's all right. Lets do it!

Flora: ACTIVATE BEAST POWER!

She turned into a pink ranger for the woodpecker!

Flora: Unleash the beast!

She flew over to him.

Flora: (Imitating Woody Woodpecker) HAHAHAHAHA HAHAHAHAHA HAHAHAHAHA (PECKS HIS HEAD) HEHEHEHEHEHEHEHE!

Man Boy: OW OWOWOWOWOWOWOWOWOWOWW!

Flora then summoned her Keyblade and it was a flower Keyblade. It was called THE FLOWERS OF LINPHEA! They fired waves of leaves, grass, flowers, fruit and energy and smashed them down.

Diabolico: (to Musa) Lincoln's Rescue in Fairy World involved Battling and killing B.R.A.T. Yesterday. His rescue in Romania was killing vampires.

Musa: Yeah they both were fun! We killed all of Icky Vicky's friends in Fairy World with her watching all of it and it was awesome! And we killed all sorts of vampires in Romania.

Erina: They don't call Romania the Capital of Vampires for nothing. It is where Dracula came from.

Touma: That is true but it was fun.

Umika: It sure was.

Noel: Yeah everyone had a great time there.

Levi: The best victory of those was killing Icky Vicky's friends and that was great!

Sunny Bridges: It sure was and it was awesome.

Tecna, Merida, Nadine Tyrannus, 2018 Dark Phoenix, Helena Helios, Sophia Kitka, Herbie, Maggie Peyton, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Chompy Mage and Cynder VS Riddler, Yzma, Homer Clones, Buccarat, Thraxx, and Magmar (Secret of Evermore) - Meeting Allison Artemis and Hailey Helios

---

Riddler was next.

Riddler: (to Tecna) I heard you guys met Allison Artemis and Hailey Helios. Riddle me this: What are they like?

Tecna: (British accent) Well Allison Artemis is the daughter of Artemis the Goddess of The Hunt and she is a really amazing and powerful hunter. And Hailey Helios, not to be confused with Hailey Helios the Helios Trice Megistus Gene-slammer is the daughter of Helios the God of the Sun.

Merida: (Scottish Accent) Ach they are both amazing and have great powers too.

Helena Helios: And no confusion with me. Me and both Hailey's are not related in any way. I am the gene-slammer of Helios on the planet Elysia. Lisa ran a DNA test earlier and we are nowhere near biologically related.

2018 Dark Phoenix: Yeah that is for sure.

Sophia Kitka: But that is awesome that we have 2 Hailey Helios with us too.

Herbie: Boy we sure do and both their stories are awesome too.

Maggie Peyton: They sure are.

---

---

YESTERDAY

Nico: Yep. So, Hailey, what's the story on how you and Lincoln took down that lardass, Lewis Travolta?

Hailey Helios: Now, that's a story I've never forgotten.

Hailey Helios pulled up a video and it played on the screen, and it showed Hailey and Lincoln were enjoying a day in the park.

Past Hailey Helios: It's always nice coming here to the park.

Past Lincoln: Yeah, it's really peaceful, Hailey.

Suddenly, Lincoln picked up the sound of heavy footsteps running towards them in a furious rage, and he saw who it was: it was Lewis Travolta, Royal Woods' food-binging glutton and jerk. They dodged an incoming attack from that lardass who was out for blood.

Past Lincoln: Every single time whenever I wanted to enjoy my day and be with my Guardian Angels, every time, you show up to ruin it! That's it, I've had it up to hear with you, you bloated sack!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer, his claws grew sharper, and then, his abnormally massive upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON MY GUARDIAN ANGELS, YOU BLOATED SACK! (WOLF ROAR)

Nico: Oh… Shit!

Me: That lardass was dead meat on a stick that day!

Lincoln let the beast out in him and Lewis Travolta charged at Lincoln, but Lincoln punched him hard in his big fat gut and he lifted Lewis Travolta up off the ground with his really immense and powerful superhuman strength and he threw him into a tree, and he attacked him with a dangerous ferocity, and he and Hailey blasted him with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that lardass up in a red energy straitjacket, and when he alerted the rest of his family of what Lewis Travolta tried to do to him and Hailey, they were really furious, and then, Lincoln called the cops as they loaded that lardass in the wagon and took him straight to jail as the video ended.

Nico: That lardass had some nerve trying to attack you guys again!

Me: Honestly, he has a one-track mind: and all he's focused on is revenge and being a jerk.

Lincoln: He deserved all those thrashings we give him, and he still doesn't know when to quit. So, he needed to be taken down for good and become humiliation fodder.

Eli: Even though there are some of us who would rather see him dead after all the crap he pulled.

And he was right: some of Lincoln's Guardian Angels had sharpened axes and knives and even a dart board with Lewis Travolta's picture on it and it was stabbed and slashed all over until it was mangled to pieces.

Nico: (Winces) Yikes, I knew that many of Lincoln's Guardian Angels hated that lardass, but it got to the point where they don't want him to suffer, they want him to die.

Me: (Shudders) And that lardass has pulled one too many stunts in trying to kill Lincoln same went with Flip and Scoots.

TODAY

Nico: Yep. So, Allison, what's the story on how you, Lynn, and Lincoln took down that fat mutant cheapskate, Flip?

Allison Artemis: Now, that's a story I've never forgotten.

Allison Artemis pulled up a video and it played on the screen, and it showed Lincoln, Allison, and Lynn were doing some training in the park.

Past Allison Artemis: It's always nice coming here to the park.

Past Lincoln: Yeah, it sure is, Allison.

Past Lynn: And it's also a good place to do some training.

Suddenly, Lincoln picked up on the stench of someone who hadn't heard of a shower and he saw who it was barreling towards them bellowing with so much murderous rage, and he saw who it was: it was Flip, Royal Woods' fat hairy mutant cheapskate and convicted criminal who escaped from prison once again. They dodged an incoming attack from that moron who was out for blood.

Past Lincoln: Every single time whenever I wanted to enjoy my day and be with my Guardian Angels, every time, you show up to ruin it! That's it, I've had it up to hear with you, you fat mutant!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer, his claws grew sharper, and then, his abnormally massive upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON MY GUARDIAN ANGELS OR MY FAMILY, YOU THREE BUTT-CHEEKED PIECE OF GARBAGE! (WOLF ROAR)

Nico: Oh… Shit!

Me: That fat mutant cheapskate was dead meat on a stick that day!

Lincoln let the beast out in him and Flip bellowed with rage and then charged at Lincoln, but Lincoln punched him hard in his fat hairy gut and he grabbed Flip by the collar of his jumpsuit and lifted him up off the ground with his really immense and powerful superhuman strength and he threw him into a tree, and he attacked him with a dangerous ferocity, and he, Lynn, and Allison blasted him with energy blasts and they also pounced on and kicked the tar out of him, and Lincoln fired red energy waves from his massive white angel wings and tied that mutant up in a red energy straitjacket, and when he alerted the rest of his family of what Flip tried to do to him, Lynn, and Allison, they were really furious, and then, Lincoln called the cops as they grabbed that fat mutant cheapskate.

Cop: We're already getting sick and tired of you always escaping, Flip. Come on, you, it's right back to prison for you.

Flip was then loaded into the wagon and he bellowed with rage once again as they took him straight back to prison as the video ended.

Nico: That mutant cheapskate had some nerve trying to attack you guys again!

Me: Honestly, he has a one-track mind: and all he's focused on is revenge on us, ripping people off, and being a gross mutant jerk.

Lincoln: He deserved all those thrashings we give him, and he still doesn't know when to quit. So, he needed to be taken down for good and become humiliation fodder.

Eli: Even though there are some of us who would rather see him dead after all the crap he pulled.

And he was right: some of Lincoln's Guardian Angels had sharpened axes and knives and even a dart board with Flip's picture on it and it was stabbed and slashed all over until it was mangled to pieces.

Nico: (Winces) Yikes, I knew that many of Lincoln's Guardian Angels hated that mutant cheapskate, but it got to the point where they don't want him to suffer, they want him to die.

Me: (Shudders) And that moron has pulled one too many stunts in trying to kill Lincoln and all of us.

Varie: I agree there and it's so cool and awesome.

Camie: It sure is and they battled their own versions of their prime universe counterparts enemies.

Celica: That is so cool and just like in the prime universe their Fuzzy Lumpkins was lonely and needed friends too.

Zarya: Yeah poor guy. But the Rowdyruff Boys here are not NEARLY as brutal as the ones we know.

Karla: Yeah and their version of the Gangreen Gang has a girl version of Snake.

Himiko: And their version of Sedusa is a girl that can turn into her under great emotional stress.

Adagio Dazzle: And their version of Princess is nicer too than the prime universe that's in the Limburger Cheese mines.

Miia: And we heard that the Amoeba Boys here have a girl member. So that technically makes them The Amoeba Gang.

Hiphopper: That is a bunch of differences. Lets do it!

I teleported and opened his safe and in it was a bunch of weapons for us called the Destroyers of HIM Z, they're a massive collection of massive greatswords with embedded colored gems and the symbol of The Powerpuff Girls Z etched on the 7'5" massive, wide, double-edged gold blades, large gold wolf heads for the crossguards, large white angelic faces built into both sides of the hilts with large colored gems embedded in the foreheads, longer midnight black handles, four large wolf heads with colored gems for eyes and on the bottom of the four large wolf heads are large gold wolf heads with colored gems in their mouths for the pommels. Once in hand, we will gain a massive power and energy increase.

Qin: That is for sure!

Camie: Yeah!

Me: Now we're ready.

Krankcase: Let's pay HIM a visit!

Nico: You read my mind doctor.

Crimson Dynamo: (Russian Accent) Where is he right now?

Eli: (Concentrates) At that mansion there.

He pointed to a mansion over by a volcano.

Me: That must be his hideout.

Blossom Z: Yep that's it.

Me: All right then.

Nico: Okay HIM now it's just you and us. (EYES GLOW RED) You will pay for your crimes in this universe and for the ones you did in our universe.

We were off.

* * *

We arrived at the mansion.

Nico: This sure is a creepy place.

Qin: Yeah.

We got to the door and we saw THE AMOEBA BOYS Z!

Me: The Amoeba Boys!

Qin: Oh brother.

Top Hat: If you want HIM, you have to go through us!

Buttercup Z: Seriously? I guess this won't take long!

Me: We'll just walk by you and step on you.

?: Flareon, Flamethrower!

Then a blast of fire hit the Amoeba Boys and burned them and then Michael and his Flareon came!

Me: Michael!

Qin: And Flareon!

Michael: You guys take care of HIM. We got this.

Flurry Heart: Let me help you guys!

Me: Go get them. But leave them alive. They are M.O.E. Worthy after all.

Flurry Heart: Okay.

We went in.

Cupid came.

Nico: Thanks for coming, Cupid.

Fairly Oddparents Cupid: Anytime. This will be fun and cool.

Nico: Yep.

We went into the basement and sitting on a sofa watching TV was HIM Z!

Cupid came and stood before him!

Cupid: Hello HIM.

Him Z: A fairy is going to beat me! How cute?!

Fairly Odd Parents Cupid: I might be about love. But there's nothing to love about you!

HIM Z: So I see.

But then the spirits of the Powerpuff Girls appeared and then the hey swirled around him and then the area turned into the planet Glaren and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard!

Then we came out.

Me: HIM! You are going to pay for everything you did!

HIM Z: Team Loud Phoenix Storm!?

Me: That's right! Just like your alternate self, you will pay for everything you did to this world and to so many!

Him Z: My counterpart's alternate self conquered a version of your world, didn't he? Well, after I kill you all, I think I'll recreate what he did. Only this time, I'll make sure to rule over the ENTIRE multiverse!

Nico: You think you're gonna do that? Then you're living in a dream world!

Me: If you think we're going to let you do that then you got another thing coming!

HIM Z: Swabbies!

An army of Swabbies appeared.

Me: Swabbies! Now we're talking!

Nico: This will be good!

I fired waves of lightning and blasted them all over.

Xenia fired waves of arrows and blasted them all over the place.

But then the Swabbies jumped the girls.

The Powerpuff Girls Z lay defeated at the hands of the Swabbies.

HIM Z: I think before I start my rise to power, you brats will be the first to die.

Buttercup Z: You haven't killed us yet, HIM!

Him Z: (laughs evilly) That's no way to talk to the new ruler of the Multiverse!

Yost Thing: (punches a Swabby) Pal, you're the ruler of squat!

I teleported and bashed HIM all over and kicked him down.

Me: You are ruler of nothing!

Blossom: (uses freeze breath on a Swabby) Our counterparts need our help!

Cadance got an idea.

Cadance: (to everyone watching) Everyone out there! Lend the Powerpuff Girls Z your strength! They get stronger with your support! When I give the signal, share your energy with the Powerpuff Girls Z! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Powerpuff Girls Z. And soon, Blossom Z found the strength to get up.

Blossom Z: Like Buttercup said, you haven't beaten us yet!

Blossom Z threw her Yo Yo at a SWabby, knocking it down!

HIM Z: WHAT!?

Bubbles Z: Sorry HIM But we're not going down without a fight!

Blossom Z: Thanks for the help, everyone.

Bubbles Z: I'm so glad everyone's cheering for us!

Buttercup Z: Well, I'm not really complaining.

Utonium Z: I just want to say that I'm very proud of you girls for how far you've come.

Ken: Me too.

Poochie: That's enough talking, guys. We got a bad guy to take out!

Nico: What he said.

Camie: Lets get moving.

Cadancel: Let me transform with you guys.

Leo: Sure thing, Cadance.

Lost Galaxy Rangers: Go! Galactic!

Mike: Magna Power!

They transformed!

Eiji pulls out a belt with a black and blue device with silver accents and three slots on the front and places it on his waist before removing three medal resembling items, one red with a hawk on it, one yellow with a tiger on it, and the last green with a grasshopper on it. Eiji then places the red and green medals into the end slots of his belt before placing the yellow one into the center slot, causing the item to become offset on a diagonal, before pulling a separate black and gold device from the side of his belt)

Eiji: Henshin!

With his battle cry known, Eiji runs the black and gold device over the three medals in his belt, causing three red lights to appear on it as images of medals start swirling around him

OOO Driver: Taka! Tora! Batta! Ta-To-Ba! Tatoba! Ta-To-Ba!

While this pronouncement is made, the swirling medals settle on the three Eiji placed into the OOO Driver, merge into one with their emblems combined and place themselves on Eiji's's chest, from which black armor spreads before adding details from the three medals: a red feather patterned head with green eyes, a yellow torso with claws folded back on the arms, and green patterned legs.

Aqua: (Slinging a silver and blue belt resembling a turbine onto his waist) Henshin!

With his battle cry, the turbine starts spinning, pulling water from the atmosphere and forming a nice aquamarine and silver armor with black accents, a silver mask-like piece and yellow eyes.

Shintaro: (slinging on his belt) Henshin!

Shintaro places the silver coin into a slot on the side opposing the golden knob, which he then twists twice, causing the white and green orb to split open. As it does, nine smaller similar orbs exit in a burst of energy before opening themselves into armor forming on Shintaro, creating a black suit with silver and green accents including the very orbs that formed it, while unseen parts of the armor itself form over Shintaro's head, creating a helmet similar to the orbs with a silver and gold mouthpiece and a black half circle visor, which briefly glows red as the transformation finishes, with Shintaro brandishing his familiar weapon.

Lola: It sure will!

Princess Cadance: Alright, that's it, I've had it up to hear with you to last an eternity, HIM.

Suddenly, Princess Cadance's light purple eyes turned neon light purple and she was surrounded by a moderate violet, moderate rose and pale gold energy aura with hearts, crystals, crystal hearts, magic, and Alicorns, she unholstered her massive Princess Cadance's Crystal Heart Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice from her back, and as she approached HIM from the Powerpuff Girls Z's world, she left moderate violet, moderate rose and pale gold energy, hearts, crystals, crystal hearts, magic, and Alicorns with every step.

Princess Cadance: I will never ever forgive you, HIM, you enjoyed causing nothing more than pain and suffering to too many innocent people and all for your own hatred and sick twisted amusement, you are just as bad as that monster, King Sombra: black-hearted, evil, remorseless, and with an indifference to all life on Earth. And that is inexcusable, as The Princess of Love and Co-Ruler of The Crystal Empire, I hereby sentence you to death.

Suddenly, Princess Cadance was surrounded by a massive vortex of moderate violet, moderate rose and pale gold energy with hearts, crystals, crystal hearts, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a crystal blue phoenix with red eyes glaring at HIM: the red eyes of eternal death. Then, as the vortex faded, Princess Cadence emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Princess Cadance grew to 7'4" in height, she has the body of a goddess, she has purple highlights in the bangs of her long flowing moderate violet, moderate rose and pale gold hair and her gold tiara, she has neon light purple eyes and a moderate violet, moderate rose and pale gold energy aura with hearts, crystals, crystal hearts, magic, and Alicorns surrounding her, Princess Cadance has an Alicorn with the Crystal Heart on its horn emblazoned on her forehead and Third Eye with purple iris, she has on Alicorn earrings with pink gems for eyes and the Crystal, Heart, and Eternity Kanjis in its hooves on her ears, she has on her Crystal Necklace of the Buddha with light purple gems embedded on the gold heart links and pink crystals and her Element of Harmony in the center and on the bottom of the Element of Harmony is an Alicorn with pink gems for eyes and holding the Crystal, Heart, and Eternity Kanjis in its hooves for the pendant. Princess Cadance has on a long sleeveless sapphire blue and gold-laced dress with her cutie mark on it and pink phoenix on it, gold high-heeled shoes with her cutie mark for shoe buckles, and sleeveless long white trenchcoat with crystals on the coattails, and on the back is an Alicorn surrounded by crystals and right on top of its horn is the Crystal Heart. Suddenly, Princess Cadance felt a sharp pain on her back, and then, her massive pale, light grayish cerise angel wings with purple tips on the large feathers grew much bigger for her new body and her moderate violet, moderate rose and pale gold curled tail also grew longer. Princess Cadance has on her Ring of the Phoenix with large light purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

Suddenly, Princess Cadance's massive Princess Cadance's Crystal Heart Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice and all the greatswords and swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of moderate violet, moderate rose and pale gold energy, hearts, crystals, crystal hearts, magic, and Alicorns, and when it emerged, it's transformed into Princess Cadance's Crystal Heart Empire Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice, it's a brand-new large greatsword with embedded light purple gems and her cutie mark and the Crystal Heart etched on the 7'4" massive, wide, double-edged golden blade, large white Alicorn heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large white Alicorn heads with golden yellow gems for eyes and a large purple gem on the bottom of the white Alicorn heads for the pommel, she has on her new large gold cuff Bracelets of The Champions of The Universe with purple gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and white gems for the eyes and a large purple gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Princess Cadance, Alicorn Princess of Love, Ruler of The Crystal Empire, Loving Daughter of Princess Amore, Loving Niece of Princess Celestia and Princess Luna, Loving Wife of Shining Armor, Loving Mother of Flurry Heart, Amazing and Loving Sister of Twilight Sparkle and Lincoln Loud, Archenemy of Cupid, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, Loving Sister of the Powerpuff Girls, and Master of The Crystal Heart, Crystal Magic, and Love"

We were amazed by Princess Cadance's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Shining Heart saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when HIM saw it, he fell into a demonic rage and fired a blast of darkness at her to kill her, but Princess Cadance fired a magic blast from her horn and it destroyed the dark energy blast, and she fired a powerful barrage of moderate violet, moderate rose and pale gold energy blast, hearts, crystals, crystal hearts, magic, and Alicorns at HIM, and they exploded with incredible power as it hit him, and the positive energy burned HIM badly, and this really pissed the King of Evil off now.

Blossom Z: Whoa, so that is…?!

Princess Cadance: (Divine Echoing Cosmic Voice of The Loving Crystal Heart Alicorn Angel and Divine Equestrian Crystal Heart Eternal Love Alicorn Justice) This is my Phase 1 transformation, Blossom, to defeat him. My Phase 2 transformation is coming up soon, and against an old enemy of The Ghostrick Gene-Slammers.

Lincoln explained to them about The Ghostrick Destroyers and they were horrified by their crimes.

Blossom Z: That's just awful.

Me: And they're also twenty-two of the most vicious, evil, and sadistic vampires from Transylvania.

Nico: They hate all humans and want nothing more than to destroy them all, along with The Ghostrick Gene-Slammers, they say they're doing this in the name of God.

Lincoln: When in reality, they're merely being driven by bloodlust and a desire for destruction, plus, they've committed too many blasphemies against God, so there was only one punishment for them: death.

Raven Ghostrick: So far, we've killed Ophelia Lazarus, Eloise Kieran, and Maeve Kearne, now, Princess Cadance, Claire, and Lincoln are going to kill the next member of The Ghostrick Destroyers: Aurelia Karayan.

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

OOO Driver: Ptera! Tricera! Tyranno! Pu-To-Tyrannosaurus!

As the battle cry is announced, we see Eiji's usually black armor has turned silver and violet, with armored shoulder pads topped in golden spikes, clawed leg armor with armored portions on the thighs, a wing-like cape down his back, and a violet armored and green eyed helmet.

Shintaro: (Pulling out six silver coins) Better get on the same level.

With that, Shintaro one by one deposits the coins into the slot on his belt, turning the handle twice each time

Birth Driver: (As each coin is scanned) Shovel Arm! Drill Arm! Cutter Wing! Caterpillar Legs! Crane Arm! Breast Cannon!

As each pronouncement is made, extra armor materializes over certain parts of Shintaro's armor forming wings on his back, treads on his legs, a crane bucket on his left arm, a drill attached to an extending arm on his right arm, and a giant cannon on his chest

We fired waves of energy and elements and blasted HIM Z all over.

Claire Allaire: (French Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Aurelia Karayan, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Aurelia Karayan, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Claire Allaire: (French Accent) Aurelia Karayan, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Aurelia Karayan: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Aurelia, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Claire Allaire: (French Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Princess Cadance's light purple eyes turned neon light purple and she was surrounded by a moderate violet, moderate rose and pale gold energy aura with hearts, crystals, crystal hearts, magic, and Alicorns, she unholstered her massive Princess Cadance's Crystal Heart Empire Alicorn Greatsword of Magical Equestrian Love and Crystal Heart Justice from her back, and as she approached Aurelia Karayan, she left moderate violet, moderate rose and pale gold energy, hearts, crystals, crystal hearts, magic, and Alicorns with every step.

Princess Cadance: You are indeed everything Raven, The Ghostrick Gene-Slammers, and Lincoln have said you are: irredeemable, unrepentant, remorseless, sadistic, and having a disregard for the lives of humanity. You claim that you were doing this in the name of God, but even I can sense a lie when I see it, you weren't doing this in the name of God, you were doing this because of your hatred for all of humanity, and that is an inexcusable crime that I cannot overlook. Aurelia Karayan, your crimes against mankind and the world can never be forgiven, and as The Princess of Love and Co-Ruler of The Crystal Empire, I hereby sentence you to death.

Suddenly, Princess Cadance was surrounded by a massive vortex of moderate violet, moderate rose and pale gold energy with hearts, crystals, crystal hearts, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a crystal blue phoenix with red eyes glaring at Aurelia Karayan: the red eyes of eternal death. We were amazed by Princess Cadance's Super Angel-Crystal Heart Princess-Alicorn-Harmony Universal Eternal Celestial Xelnaga transformation, and when Shining Heart saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Aurelia Karayan saw it, she fell into a demonic rage and ran at her with a knife to kill her, but Princess Cadance fired a magic blast from her horn and blocked her attack, and she fired a powerful barrage of moderate violet, moderate rose and pale gold energy blast, hearts, crystals, crystal hearts, magic, and Alicorns at Aurelia Karayan, and they exploded with incredible power as it hit her, and the positive energy burned that delusional vampire badly, and this really pissed her off now as we saw her red eyes turn blood red and her fangs grew longer.

Blossom Z: Whoa, so that is…?!

Princess Cadance: (Divine Godly Cosmic Voice of The Loving Crystal Heart Alicorn Angel and Divine Equestrian Crystal Heart Eternal Love Alicorn Justice) Yes, this is my Phase 2 transformation, Blossom, to defeat him. And now, it's your turn to transform, Claire.

Claire Allaire: (French Accent) Indeed. This time, you're not getting out of this, Aurelia, today's the day you die here and now!

Suddenly, Claire Allaire's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, darkness, light, shadows, bisque dolls, and angels, she unholstered her massive Ghostrick Doll's French Bisque Doll Darkness Archangel Greatsword of French Darkness Bisque Doll Angel Justice from her back, and as she approached Aurelia Karayan, she left black and red energy, stars, darkness, light, shadows, bisque dolls, and angels with every step.

Claire Allaire: (French Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Aurelia Karayan, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Claire Allaire was surrounded by a massive vortex of black and red energy with stars, light, darkness, and shadows surrounding the vortex, there are bisque dolls, angels, and Ghostrick Doll flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at Aurelia Karayan: the red eyes of eternal death. Then, as the vortex faded, Aurelia Karayan emerged, but she was changed forever.

Claire Allaire grew from 6'5" to 7'5" in height, she has the body of a goddess, she has black highlights in the bangs of her long blood red hair, she has neon red eyes and a black and red energy aura with stars, darkness, light, shadows, bisque dolls, and angels surrounding her, she has the Dark Kanji in the hands of Ghostrick Doll emblazoned on her forehead and Third Eye with red iris, she has on bisque doll earrings with blood red gems for eyes and holding the Light, Dark, and Eternity Kanjis in her hands, she also has Ghostrick Doll with blood red gems for eyes and holding the Light, Dark, and Eternity Kanjis in her hands on the bottom of her blood red bisque doll-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of

Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Claire Allaire has on a short-sleeved blouse, sleeveless black crop top, long midnight black frilly skirt with jewels around the waist, black knee-high high heels, black fingerless gloves, and long white sleeveless trenchcoat with stars, darkness, light, shadows, bisque dolls, and angels on the coattails, and on the back is Ghostrick Doll and a bisque doll surrounded by stars, light, and darkness. Suddenly, Claire Allaire felt a sharp pain on her back, and then, her massive blood red angel wings with black tips on the large blood red feathers grew much bigger for her new body and she now has eleven massive and long blood red wolf tails with black tips and black markings, she has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Claire Allaire's massive Ghostrick Doll's French Bisque Doll Darkness Archangel Greatsword of French Darkness Bisque Doll Angel Justice and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, stars, darkness, light, shadows, bisque dolls, and angels, and when it emerged, it was transformed into Claire Allaire's Ghostrick Doll French Bisque Doll Darkness Archangel Greatsword of French Darkness Bisque Doll Angel Justice, it's a brand-new massive greatsword with embedded blood red gems and Ghostrick Doll etched on the 7'4" massive, wide, double-edged black blade, large bisque doll heads for the crossguard, large white angelic faces built into both sides of the hilt with large blood red gems embedded in their foreheads, longer midnight black handle, four large bisque doll heads and below the bisque doll heads is a large white angel head with red gems for eyes and a red gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with blood red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Alucard's heads with red gems for eyes and a large red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a blood red kanji below Ghostrick Doll and the bisque doll that said, "Claire Allaire, Gene-Slammer of Ghostrick Doll, Younger Sister of Selene Rosesanglante, Friend of Ursula Truaigheaingeal, Powerful Member of The Ghostrick Gene-Slammers, Powerful Master of Darkness and Light, Friend of Many, Famous International Supermodel, Master of Darkness, The Dark Arts, Necromancy, Satanic Black Magic, The Undead, and Blood Magic, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Scoots, Archenemy of Universe 666 Cyclonis, Destroyer of Aurelia Karayan of The Ghostrick Destroyers, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Light, Bisque Dolls, and Angels"

We were amazed by Claire Allaire's Super Angel-Ghostrick Doll-Bisque Doll-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Aurelia Karayan saw it, she fell into an even more darker and more insane rage and ran at Claire Allaire with a knife, this time to stab her in the heart to kill her, but Claire Allaire fired a powerful barrage of black and blood red energy blasts, stars, darkness, light, bisque doll, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Selene Rosesanglante: (French Accent) Incredible, my sister's transformed.

Nico: Really awesome, she looks like a true French Angel of The Darkness.

Lincoln: That she has, and Aurelia Karayan was warned numerous times about trying to come after the Ghostrick Guardian Angels, but that delusional vampire never learned her lesson.

Claire Allaire: (Divine Godly Cosmic Voice of The French Darkness Light French Bisque Doll Angel Ghostrick Doll Angel and Divine French Darkness Light French Bisque Doll Angel Ghostrick Doll Angel Angel Love) (French Accent) And now, she's about to pay the price for her crimes. Now, let's rip her to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Claire Allaire and Princess Cadance.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Aurelia Karayan, now it's time we put you down for good!

Claire Allaire, Lincoln, and Princess Cadance went after Aurelia Karayan, and they fired extremely powerful blasts of rainbow energy, black and blood red energy, moderate violet, moderate rose and pale gold energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Aurelia Karayan and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Claire Allaire, and Princess Cadance also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Aurelia Karayan mad.

Aurelia Karayan: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Aurelia Karayan's vampiric nature came out, and now, she was out for blood. Aurelia Karayan ran at Lincoln, Claire Allaire, and Princess Cadance, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Aurelia Karayan's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Aurelia Karayan in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Aurelia Karayan's life energy as we then saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Aurelia Karayan into his body and then draining her soul of her life energy, an energy card with Aurelia Karayan's drained soul appeared in his left hand. We cheered wildly for what Claire Allaire, Princess Cadance, and Lincoln did as they holstered their weapons and powered down, and Claire Allaire's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blood red wolf tails, and massive blood red angel wings are permanent, and Princess Cadance's new body, clothes, weapons, jewelry, Third Eye, longer moderate violet, moderate rose and pale gold curled tail, and massive pale, light grayish cerise angel wings with purple tips are permanent.

Claire Allaire: (French Accent) That's one down and nineteen of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Princess Cadance.

Lincoln: (Smiles Warmly) You're welcome, Claire.

Princess Cadance: You're welcome, Claire.

Princess Cadance came back to us, and suddenly, Claire Allaire wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Claire Allaire's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Doll flying in the air, and we saw a herd of Buffalo and many animals running across the field and dolls flying behind them with French Music playing behind them and we cheered wildly. Then, Lincoln and Claire Allaire absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a four-way battle of epic proportions, Lincoln, Claire, Princess Cadance, you three really showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Aurelia Karayan in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Maeve Kearne's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, her name is Diana Dionysus, Daughter of Dionysus, Greek God of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre.

Me: WHOA!

Nico: Uh oh.

Selene Emperyous: But, don't worry, she'll keep the Mascots from getting into the wine, but you're going to love meeting her. Diana Dionysus is Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lynn Sr., and Diana and Lincoln helped Lynn Sr. in the restaurant, and Diana even helped in teaching Lincoln and his dad everything she knows about using the powers of wine.

Lynn Sr.: She knew I got my powers from Bacchus, her father's Roman counterpart, and she had a lot to teach me, and she even knew how to make a wine to make the jerks so drunk, they confess and blab out their crimes to the public.

We gasped.

Nico: A wine that can do that?! That's so awesome!

Me: And no man can resist drinking a glass of alcohol.

Selene Emperyous: And Lincoln made Diana a beautiful necklace with green gem for the pendant, along with a white short-sleeved blouse, purple sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Diana kissed Lincoln on the lips as wine fountains had erupted behind them, and it was truly beautiful, and she really hates Bradley Uppercrust III with a bloody passion, because he absolutely hated Diana for always defending Lincoln whenever he along with Lori, Lynn, Lola, Lisa, Luan along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Diana everything about what that bastard has done, and one time when Lincoln, Diana, and Lynn Sr. were at the restaurant, that jerk showed up and tried to kill Lincoln along with Lynn Sr. and Diana as revenge for ratting him out at The College X-Games, that was until Lincoln let loose the beast inside him and he viciously attacked that glory hog with a dangerous ferocity, and he, Diana, and Lynn Sr. blasted him with energy blasts and they also pounced on and kicked the tar out of him, and she fired a blast of her special wine that made Brad so drunk, he confessed to why he broke out and he passed out, and

Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Brad tried to do to him, Diana, and Lynn Sr., they were really furious, and Lincoln called the cops and they picked up Brad and took him back to jail.

Nico: (GROWLS) Why, that two-faced, no-good, glory-hogging prick!

Max Goof: Easy, Nico. But, Brad got what he deserved, along with getting a nasty hangover from the wine.

Lincoln: (Snickers) He suffered a lot worse than just a hangover from being drunk after he drank the wine, Max and tomorrow, we'll be taking on Scottie Ingrumangel, the next member of The Ghostrick Destroyers.

Sarah Dullahan: (Scottish Accent) Which means, we'll be reaping her soul and tearing her body to shreds tomorrow, Linky.

Lincoln: That we will, Sarah.

Michael's Muk charged at the Amoeba Gang and Flurry Heart blasted and smashed them and then his Muk bashed them down.

Flurry Heart: That takes care of them.

Flurry Heart put them in jars.

Flurry Heart: Yeah!

Michael: Nice job!

Flurry Heart: What do you guys want to do now?

Then we came back.

Qin: That was awesome!

Xenia: YEAH!

Chalmers: (to the PPGZ villains) As of today, you're all in the Masters of Evil.

Princess Morbucks Z: Count me in!

Duchess: Where sis goes, I follow!

Sedusa Z: I'm in.

Mojo Jojo Z: Perfect! I have a lot of new inventions to show you all!

Me: We can't wait to see them.

Ace Z: Oh, what the Hell? Sign me and my crew up!

Fuzzy Z: I'm in as well. Long as no one touches my property!

Me: Don't worry we won't touch anything.

Brick Z: Count us in too!

Boomer Z: (to the Powerpuff Girls Z) You girls wanna know something? You were right about Him. Never should've signed on with him.

Buttercup Z: That's all right. But we're glad you saw the error of your ways on that.

Me: Yep.

Toiletnator: Looks like this world's HIM is gone for good!

Me: Good riddance.

Diabolico: Now, he'll never try to create an apocalyptic future.

Billy Numerous: (to Michael and his friends) You guys helped too.

Michael: We sure did.

Ash: We owe you big time Michael.

Michael: Glad we could help.

Blossom Z: We'll see you guys after Nico's birthday.

Me: SHH!

Blossom Z: Oops sorry.

Michael: I'll be waiting!

Michael and Blossom Z shook hands, with Michael patting her on the shoulder. Flareon then cuddled up to Blossom Z.

Captain Boomerang: Aww! I think Flareon likes you already!

Blossom Z: She sure does.

Utonium Z: Let's celebrate back at the lab.

Mr. Fizz: I'll get the soda ready!

Me: I'll get our food too.

Nico: But this was epic! Great job today everyone!

Camie: YEAH!

Eli: Boy this was an awesome example of power and teamwork against the most evil bad guys.

Nico: Yep.

Me: (To the viewers) If you mess with chemicals like Chemical Z or Chemical X, make sure no accidents happen and be careful and make sure to check the assistants you have so that accidents don't happen.

Nico: Ain't that the truth.

We went back to the lab and had a great party and then we merged the world of PPGZ with ours and also New Townsville merged with the Townsville Sector and it was amazing. Then we enjoyed the rest of the day and went to sleep.

THE END

For Lincoln's rescue tomorrow, Lincoln and his group are heading down to Montana, specifically to The M.O.E.'s HQ, and Vypra called us here for a reason: she has recruited the Universe 666 counterpart of Peter Griffin who has some traits of his prime universe counterpart but has a sense of high morale and is not abusive, and she also recruited Universe 666 Chris Griffin into The Masters of Evil since Prime Universe Chris Griffin is gone and sent to The Black Gates. Plus, we also got some bad news from Vypra that we're not going to like: Peter Griffin from the Prime Universe has gone rogue and made a deal with Audrey Blade and The Ghostrick Destroyers since he still harbors hatred for us for what we did to him and to Chris, and he still wants revenge on us and his former friends. This time, we are no longer going to keep that drunk, low morale, abusive asshole alive any longer, we're going to hunt him down and after Vypra strips him of his membership of the Masters Of Evil, we're going to enjoy banishing his fat ass to The Black Gates forever. And we're going to meet the next Daughter of The Olympian Gods and Goddesses, her name is Diana Dionysus,, Daughter of Dionysus, Greek God of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, she's Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lynn Sr., and Diana and Lincoln helped Lynn Sr. in the restaurant, and Diana even helped in teaching Lincoln and his dad everything she knows about using the powers of wine, since she knew Lynn Sr. got his powers from Bacchus, her father's Roman counterpart, and she had a lot to teach him, and she even knew how to make a wine to make the jerks so drunk, they confess and blab out their crimes to the public. Lincoln made Diana a beautiful necklace with green gem for the pendant, along with a white short-sleeved blouse, purple sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Diana kissed Lincoln on the lips as wine fountains had erupted behind them, and it was truly beautiful, and she really hates Bradley Uppercrust III with a bloody passion, because he absolutely hated Diana for always defending Lincoln whenever he along with Lori, Lynn, Lola, Lisa, Luan along with the rest of Lincoln's enemies who plotted to kill him, and Selene Arcangela told Diana everything about what that bastard has done, and one time when Lincoln, Diana, and Lynn Sr. were at the restaurant, that jerk showed up and tried to kill Lincoln along with Lynn Sr. and Diana as revenge for ratting him out at The College X-Games, that was until Lincoln let loose the beast inside him and he viciously attacked that glory hog with a dangerous ferocity, and he, Diana, and Lynn Sr. blasted him with energy blasts and they also pounced on and kicked the tar out of him, and she fired a blast of her special wine that made

Brad so drunk, he confessed to why he broke out and he passed out, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Brad tried to do to him, Diana, and Lynn Sr., they were really furious, and Lincoln called the cops and they picked up Brad and took him back to jail.

TRAKEENA IS BACK AND SHE IS OUT FOR REVENGE! Now we're going to destroy that monster once and for all and banish her to the Black Gates for all eternity.

see you next time.

Me: Ahh this is the life!

Qin: Boy you said it.

Nico: Yeah this is awesome.

We were having an awesome and fun time. We were building sandcastles, surfing, sunbathing, digging for buried treasure, having a great barbecue, showing awesome swimsuits and more.

Nico: Boy this is so awesome.

Laney: After an awesome long mission we earned this.

Xenia: Yeah no kidding.

Lana: This is so cool and fun.

Varie: It sure is.

Nico: Flora, I want to thank you, Man Boy, and your teams for coming.

Flora: No problem Nico and it's so fun to go on a rescue.

Aruto: Awesome having you with us sis.

Flora: It sure is.

Yuki Yuna: It's so awesome out here.

Nico: Yuki, what do you like to do in your free time?

Yuki Yuna: I like to write books. I'm writing a book series chronicling all the adventures we did.

Nico: That's an awesome idea.

Lola: It sure is.

Xenia: I'll say.

Maria: It sure is awesome.

Nico: So, you're basically an author?

Yuki Yuna: That's right and it's fun.

Lincoln: It sure is. I write comic books and manga myself and it's awesome.

Lola: That is for sure.

Anna Anyanova: Lincoln's manga and comics are so awesome and cool.

Me: They sure are and Lincoln is making a boatload of money from it.

Nico: Yep.

Lincoln: It's great.

Me: Yep. Boy yesterday's mission was one of the best ever. Twilight are you proud of your sister in law for doing awesome?

Twilight Sparkle: I sure am and it was so fun.

Nico: We're proud of her too.

Twilight Sparkle: Thanks guys.

Me: Now it's Flurry Heart's turn. Your Niece will do great. We know she will do great.

Twilight Sparkle: I do too. But that was so fun. The Powerpuff Girls Z are now officially part of the team.

Xenia: They sure are and so are all their enemies.

Nico: Yep and J.D. that was so funny how you trounced the RowdyRuff Boyz Z and beat them at their own game with their filth. I've never seen the girls laugh so hard before!

Me: (LAUGHS) That was so funny!

Qin: Yeah!

Nico: And we got rid of their version of HIM.

Me: That is for sure. Now the Terror of the evil of HIM is now a forgotten memory.

Xenia: That is for sure. We will never have to see that kind of apocalyptic future ever again.

Camie: No kidding.

Varie: That was horrible.

Lola: Yeah it sure was.

Maria: I'm glad we won't ever see that.

Nico: Of course, we still have our version to deal with.

Me: We already did that Nico remember? We got rid of HIM in the Prime Universe when we destroyed HIM Z. And then we have the Universe 666 version of HIM in the M.O.E.

Nico: Oh yeah I forgot about that. But I'm just glad he is gone.

Varie: Yeah.

Rita: Come and get it guys!

Rita had burgers, hot dogs, steaks and chicken wings prepared on the grill.

We got to eating.

Me: (Eating burgers) Mmm! Yummy!

Nico: (Eating Chicken Wings and Steaks) Delicious!

May: (Eating steaks) Yummy!

Eli: (Eating burgers and hot dogs) Yum!

Lola: Awesome job mom!

Rita: Oh thank you sweetie.

Nico: This is an awesome beach trip.

Applejack: It sure is. I think it's great.

Sunset Shimmer: I agree there. It's so fun.

Nico burped.

Nico: Oh pardon me.

May: (LAUGHS) No worries.

Me: You know what I like about the beach? That you can do all sorts of awesome fun.

Zuria: You got that right. It's so fun.

Tsuyu: It sure is awesome.

Sirius: I love the beach.

Nico: Me too.

Varie: Yeah. (Sees something) Hey look

We saw something by the garbage cans and it was a strange hill that wasn't there before.

Me: What's that?

I went over and stood on it.

Me: Feels like a rock.

Nico: Is it really that unusual?

Me: No id… (Felt a rumble) What the?

I saw the rock rise up.

Me: What the!?

?: HEY! Get off of me!

Me: What the!?

I jumped off and saw that it wasn't a rock! It was a GIANT CLAM!

Me: WHOA! That is a big clam!

Xenia: YIKES!

I knocked on the shell and it opened.

Giant Clam: Meeeyes?

Me: Are you the next gene-slammer?

Giant Clam: I sure am.

Nico: Neela Rose!? Whoa!

Neela Nose: Nico!? Whoa I didn't know you were here.

Juran: Okay. So, it's a giant clam. Doesn't mean she's a Gene Slammer.

Nico: Actually she IS the gene-slammer we're looking for.

Neela Rose: Yeah I sure am. I was working in my family's oyster restaurant and then I got hit by something sharp. I thought it was nothing. But then I got sick. I went home and took a nap and then I woke up like this.

Nico: Geez!

Lola: I like oysters.

Nico: Me too.

Qin: Yeah.

Maria: Same here.

Juran: Where are your arms and legs then?

Neela Rose: They merged with me when I turned into this. I'm technically a full fledge giant clam.

Juran: Jeez.

Neela Rose: It's not all that bad though. I give people these.

She spit out a huge giant pearl as big as a huge basketball.

Me: Boy this pearl is massive!

Qin: No kidding!

Rarity: Oh that is an absolutely amazing pearl darlings.

Nico: No kidding.

Zocks: Ripster told us that the original Clam Gene Slammer still had his arms and legs.

Neela Rose: Guess I'm the exception for that.

Maria: Lets revert you back to normal first.

Lola: And get you to come out of your shell.

Xenia: I agree there.

Varie: Yeah.

Lola: And I mean literally.

Me: Just so you know (Puts on blind man glasses) This is going to hurt really bad.

Neela Rose: I'm ready.

Me: Okay.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and then she was in excruciating pain as she was reverting back!

She regained her arms and legs.

And then her shell shattered and then her magenta hair came back and she had magenta eyes and had the kanji for clam in the middle of her forehead.

She got up.

Neela Rose: (Groans) That was awful.

She saw her hands and feet and she was glad to be back to normal. But then she saw that she was naked!

Neela Rose: GAH! (Covers herself) EYES TO YOURSELVES PERVERTS!

Rarity: Done worry darling we can fix this.

The fashion brigade moved in and gave Neela new clothes and she had magenta clothes and had her hair in a ponytail and she had a Clam Clamp Magisword.

Varie: There.

She formed a mirror.

Neela Rose: Wow! I look awesome!

Varie: You sure do.

Neela Rose: Wow.

Eli: Oh Nico I found the Anothers. They are Another Dark Valkyria, Dark Horus, Dark Nephthys, Dark Simorgh, Dark Creator, Dark Voltanis, Darklord Zerato, Dark Angel, The First Darklord, Dark Honest, Dark Grepher, Rainbow Dark Neos, Country Boy and Another Man Boy. All of them minus Another Man Boy are all one person and she is a gene-slammer too.

Nico: Whoa!

Eli: And she is one of Lincoln's Guardian Angels.

Qin: Wow!

Maria: Time to call in the calvary.

Me: Yep. They are the archenemies of Elantra Laval, Siobhan Gusto, Hannah MacKenzie, Celine Constellar, Sakura Gojira, Amelia Hyotora, Tina Toxica, Melanie Magica, Ariana Hernandez, Kona Exxerious, Galena Sigurðardóttir and Lillian Saikou.

Nico: Wow!

Qin: I know.

Lincoln: Wow! This is gonna be an awesome battle for my Guardian Angels.

Anna Anyanova: It sure is.

Ariana Hernandez: And I'm already here with you guys.

Lana: You sure are.

Camie: Yep.

Maria: I'll call them in.

Maria did so and in swirls of the elements came Elantra Laval, Siobhan Gusto, Hannah MacKenzie, Celine Constellar, Sakura Gojira, Amelia Hyotora, Tina Toxica, Melanie Magica, Ariana

Hernandez, Kona Exxerious, Galena Sigurðardóttir and Lillian Saikou.

Elantra Laval: We're ready guys.

Neela tried to walk only to fall.

Neela Rose: WHOA!

She fell into the sand.

Neela Rose: Man I need to get used to walking again.

Hannah MacKenzie and Ariana Hernandez helped her up.

Ariana Hernandez: She was the gene-slammer of a giant clam. Her arms and legs merged into her.

Hannah MacKenzie: Oh she needs to get readjusted to walking.

Ariana Hernandez: Yeah.

Nico went over and he picked her up and carried her bridal style.

Neela Rose: Whoa. Thanks Nico. It's going to take some time.

Nico: I know.

Qin: Here they come!

In a vortex of darkness came Another Dark Valkyria, Dark Horus, Dark Nephthys, Dark Simorgh, Dark Creator, Dark Voltanus, Darklord Zerato, Dark Angel, The First Darklord, Dark Honest, Dark Grepher, Rainbow Dark Neos and Country Boy!

Me: WHOA!

Qin: This is gonna be dark and potent.

Xenia: Yep.

Nico: Be ready.

Another Dark Valkyria: This will be fun though.

Lincoln: That voice!

She reverted back and it was a girl with black hair, red eyes and had the triple goddess goth symbol in the middle of her forehead and had pitch black angel wings and she had black clothes and also had a scary scythe in her hands.

Lincoln: Siline Cornett! Wow I haven't seen you since you were 17.

Siline Cornett: I know. Its been a long time Lincoln. And also I am now the gene-slammer of the Darklord monsters.

Qin: Wow! That is awesome!

Siobhan Gusto: That is amazing.

Elandra Laval: I agree there. The Darklords are perfect for you.

Siline Cornett: They sure are.

Me: Is the Another Man Boy friendly or hostile?

Silina Cornett: Friendly and you will like her. She is a strong one.

Me: Nice.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the 13 Anothers!

Silina Cornett: Whoa! That was awesome!

Elandra Laval: Yeah it was! Lets get them!

They fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Nico: All right!

Qin: 13 down 1 left.

Maria: Time for backup! (TURNS DIAL) ENCHANTRESS FORCE 6!

She summoned Enchantress, Lillith Aensland, Defender, Symbiote Bonded Black Widow, Mentok the Mindtaker and Karate Kong.

Enchantress: We're ready guys.

Lola: This will be fun.

Nico: I see Another Man Boy?

Me: Yep.

We saw a dark version of Man Boy. It was ANOTHER MAN BOY!

Nico: Whoa!

Me: This is gonna be a strong one.

Another Man Boy: (In a girls voice) It sure will be awesome.

Me: (GASP) That voice.

She reverted back and it was a gitl with red hair and red sports clothes and had a strong physique.

Me: (GASP) Emilie Jordan!

Nico: Wait the famous weightlifting champion?

Emilie Jordan: That's right. Awesome to see you again J.D.

Me: Same here.

Qin: That is awesome that you know her J.D.

Me: Yep. She is the strongest girl I know and she is a really strong one.

Man Boy: I like her style! She is as strong as an ox and a man!

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

Kaito got an In Space Blaster and Zocks got a Quasar Saber.

Emilie Jordan: No he didn't. I bashed him on his head with a weight I found and left.

Sakura Knudson: That explains why he had a nasty lump on his head.

Nico: Ouch!

Qin: Yikes!

Nico: But Swartz was given the Black Gates for his crimes.

Lola: Yep.

Sougo: (gets out In Space Ridewatch) You might be strong.

Geiz: (Gets out Lost Galaxy Ridewatch) But I bet you're not as strong as the Hulk.

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor

Emilie Jordan: We'll see about that.

She turned into Another Man Boy!

Nico: Time to man up! (ACTIVATES MAN BOY'S RIDEWATCH)

He grew an awesome beard and flexed it and then bashed her all over with it.

Man Boy: That is MANLY!

Nico: So is this! (ACTIVATES COUNTRY BOY'S RIDEWATCH)

He fired waves of energy and blasted her down.

May: Time for some gnawing! (ACTIVATES PIRANHA JONES RIDEWATCH)

She fired waves of energy and smashed her down.

May: This will be a shock to you! (ACTIVATES UNIVERSE 666 CAIN KNIGHTLORD'S RIDEWATCH)

She grew white wings and had a spear of blood and she fired a powerful red lightning blast and smashed her down.

Maria: Feel the darkness of the Pyramid of Light! (ACTIVATES UNIVERSE 666 ANUBIS' RIDEWATCH) I SUMMON ANDRO SPHINX AND SPHINX TELEIA!

They appeared and roared and she had them attack and slashed her all over.

Maria: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! (ACTIVATES ANGRY ROAST CHICKEN'S RIDEWATCH)

She fired waves of roast chickens and blasted her down.

We laughed!

Eddy: (LAUGHS) Lumpy is rubbing off on you!

Yuki Yuma: And here is this! (ACTIVATES COUNTRY BOY'S RIDEWATCH)

She fired waves of energy ands and smashed her down.

Then Man Ray, Swamp Witch, Mog, Prawn, Atomic Woman and Trick Shot came!

Nico: Nice team Man Ray!

Man Ray: Thanks!

Me: Awesome!

Laney: Oh yeah!

Qin: Yep.

Maria: Where's the next Gene Slammer?

But then…

SLURP!

Maria was sucked down to her waist in the sand and she saw a Palossand looming behind her.

Maria: What the!?

Nico: WHOA!

Me: Hey a Palossand!

Xenia: Cool and awesome.

Me: Yep.

Palossand: (In a girls voice) Sorry about that. I like to make an entrance.

Nico: Cleo Melody!? Whoa!

Qin: Smoking hot mamma Cleo!

Me: The famous swimsuit model!? Whoa!

She reverted back and she was a girl with orange hair and had purple eyes and was in a smoking hot orange bikini and beach skirt.

Cleo Melody: That was fun. I got this.

She fired a wave of energy and smashed down Another Man Boy and I caught the ridewatch and purified it and I brought over Emilie.

Me: YEAH!

Maria: That was awesome. Now do me a favor. GET ME OUT OF HERE!

May: I thought you were Sandman for a minute

Cleo Melody: I know.

May and Nico helped pull Maria out.

POP!

Maria: Thanks.

May: No problem.

Yuki Yuma: What's your favorite memory of Nico.

Cleo Melody: When me and Nico made awesome jeweled sexy swimsuits.

She showed us photos of them.

Me: Hubba hubba!

Qin: WHOA! Those are dazzling.

Camie: They sure are. I would look good in the yellow one.

Nico: Yep.

Nico and Cleo hugged.

Nico: I've really missed you.

Cleo Melody: Me too Nico. Me too.

The reason is: she has recruited the Universe 666 counterpart of Peter Griffin who has some traits of his prime universe counterpart but has a sense of high morals and he's also not abusive, and she also recruited Universe 666 Chris Griffin into The Masters of Evil since Prime Universe Chris Griffin is gone and sent to The Black Gates. Plus, we also got some bad news from Vypra that we're not going to like in the slightest: our universe's Peter Griffin has gone rogue and made a deal with Audrey Blade and The Ghostrick Destroyers since he still harbors hatred for us for what we did to him and to Chris, and he still wants revenge on us and his former friends. This time, we are no longer going to keep that drunk, low moral, abusive asshole alive any longer, we're going to hunt him down and after Vypra strips him of his membership of the Masters Of Evil, we're going to enjoy banishing his fat ass to The Black Gates forever.

Lincoln: Whoa, we're here in Montana, and right near the Masters of Evil's HQ, and I know what we're going to do here, not only am I going to rescue the nine girls here and Ets is going to rescue the eight girls here, but Vypra called us here for a reason.

Nico: I wonder what it is?

Me: Only one way to find out.

We arrived at The Masters of Evil's HQ, and we were greeted by Vypra and we headed inside.

Vypra: I'm glad you guys made it, now, we have a surprise in store for you all: we went to Universe 666 Earth yesterday, and we recruited two new members that I think you'll be surprised to meet. Okay, you can come in.

Then, two figures came in, and we saw who they were: they were Universe 666 Peter Griffin and Universe 666 Chris Griffin. We were stunned.

Eli: What the?!

Lincoln: Oh, I get it, you're the Universe 666 versions of Peter Griffin and Chris Griffin.

Universe 666 Peter Griffin: That's right, although I share very similar traits to my Prime Universe counterpart, unlike him, I have a sense of high morals and I'm also not abusive, and my son isn't like his prime universe counterpart at all.

Universe 666 Chris Griffin: Vypra told us about him, and I was shocked: he was a psychopath to the core.

Nico: You got that right, and it's so awesome that you both have been recruited, we'll find you guys some archenemies soon.

Vypra: Actually, there's also another reason why we also called you all here, we got bad news that no one is going to like in the slightest: Peter Griffin has gone rogue.

We gasped in shock.

Me: What?! What did he do this time?

Lord Drakkon: He's gone and made a deal with Audrey Blade and The Ghostrick Destroyers since he still harbors hatred for us for what we did to him and to Chris, and he still wants revenge on us and his former friends. Take a look at this.

Lord Drakkon pulled up the footage, and it indeed showed Peter Griffin has gone rogue and made a deal with Audrey Blade and The Ghostrick Destroyers since he still harbors hatred for us for what we did to him and to Chris, and he still wants revenge on us and his former friends. Then, he took a Dark Orb from The Masters of Evil's HQ and he escaped. PETER GRIFFIN HAS COMMITTED TREACHERY OF THE HIGHEST ORDER: HE'S GONE ROGUE AND MADE A DEAL WITH AUDREY BLADE AND THE REST OF THOSE DELUSIONAL VAMPIRES AND HE STILL WANTS TO KILL US AND GET REVENGE ON US YET AGAIN! WE WERE NOW ABSOLUTELY PISSED OFF AT THAT FATASS BIG TIME!

Me: (GROWLS ANGRILY) Why, that drunk, low moral, selfish, abusive asshole!

Nico: That good-for-nothing drunk! I knew we should've killed him, but no, I had to put him in The Masters of Evil, damn it!

Lincoln: It's okay, Nico. But, this will not stand at all!

Vypra: Indeed. This time, we're no longer going to keep that drunk, low moral, abusive asshole alive any longer, now, we're going to hunt him down and after I strip him of his membership in the Masters Of Evil, we're going to enjoy banishing him to The Black Gates forever.

Gabriel Agreste: Looks like I'll be getting Universe 666 Peter Griffin as my new archenemy.

Marinette: Say, maybe we can use the nut shot moments from Total Drama on him.

Nico: Nice idea, I like it!

Me: (Smirks) I've been saving this in case that drunk moron does go rogue one day!

I snapped my fingers and a rack full of medieval weapons appeared from nowhere.

Lincoln: (Smirks) And we also need these as well!

Lincoln snapped his fingers, and a massive collection of 12-gauge shotguns appeared fully loaded and ready to fire.

Eli: Nice. Now, we're ready.

Lincoln: Alright, everyone.

Me, Nico, and Lincoln: Let's go hunt down that bastard and banish his lard butt to The Black Gates once and for all!

We left The Masters of Evil's HQ to hunt down Peter Griffin and give him his punishment, and send the last stain from Quahog to The Black Gates forever.

Suddenly, we saw a very beautiful and super sexy girl with long dark purple hair and purple hairband, dark purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful golden angel wings, she's dressed in a white short-sleeved blouse, sleeveless purple top, necklace with pearls and purple gem for the pendant, long ankle-length white skirt, white bridal gloves, dark purple knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with dolphins, serpents, tigers, donkeys, and angels on the coattails and on the back is Dionysus, and holstered on her back is a massive Dionysus-themed greatsword with embedded purple gems and Dionysus etched on the 7'0" massive, wide, double-edged dark purple blade, large dark purple dolphin heads for the crossguard, large white angelic faces embedded on both sides of the hilt with dark purple gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large dark purple gem on the bottom of the large white angel heads for the pommel, and with her are the nine girls.

Selene Arcangela: (Gasps) The dolphins, serpents, tigers, and donkeys motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Dark Purple-Haired Girl: That's right, and I got the girls away from that fatass who was about to kill them, and he's really pissed off now!

Lincoln: (Gasps) That voice, Diana Dionysus, I knew it was you!

?: YOU STUPID HEROES ARE GOING TO PAY FOR WHAT YOU DID TO QUAHOG, MY SON, AND FOR HUMILIATING AND KILLING ME!

We then saw our target, Peter Griffin, and boy was he mega pissed off now!

Sylvester: There he is, and now, no one shall say a kind word at your funeral!

Then, the members of Team Miraculous took turns and made Peter Griffin suffer nut shot after nut shot as they did the same nut shots that several members of Total Drama suffered, and it was really painful. Then, Gabriel Agreste began beating the crap out of Peter Griffin and it was brutal.

Gabriel Agreste: You know the difference between you and me is. One, even back when I was causing trouble in Paris as Hawk Moth, I loved Adrien and Emile with all my heart and I would never hurt any of them, and two, unlike you, I have high morals which you never learned in childhood. You were never a good father or husband, you hurt a lot of people in your path, and that's something no one is ever going to forget, and you don't deserve any mercy nor forgiveness.

Then, Lincoln tied Peter Griffin in a red energy straitjacket.

Vypra: Peter Griffin, you have committed treachery of the highest quality: not only did you still harbor hatred for Team Loud Phoenix Storm and all of us, but you made a deal with Audrey Blade and The

Ghostrick Destroyers in a pathetic attempt to still get revenge on us. There can definitely be no such forgiveness for your actions. You are hereby stripped of your membership and you are no longer a member of The Masters of Evil, that'll go to your Universe 666 counterpart and his son. Plus, we're also going to do to you what should've been done a year ago.

Then, we all tied him down and we destroyed The Dark Orb he took out of the HQ and we gained a massive power boost and thanks to our auras protecting us, we weren't infected by the shards, as they also got destroyed as well.

Lincoln went up to Peter Griffin and drew the Judgement Kanji on his forehead, then, he was seized by the spirits of all those he's hurt and killed, and he then was found guilty, and he was then erased forever by The Black Gates. We cheered as we holster our weapons and powered down.

Me: Good riddance forever, you pig!

Nico: We should've done that to Peter Griffin when he and the others came back from the dead a year ago, but this has been a long time coming.

Lincoln: You got that right, now the last stain from Quahog is erased forever. (To Diana Dionysus) And it's so good to see you again, Diana Dionysus.

Diana Dionysus: You too, Linky, it's been a long time.

Lincoln went up to Diana Dionysus and he hugged her, and Diana Dionysus is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Diana Dionysus: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Diana Dionysus, Daughter of Dionysus, Greek God of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy.

Nico: Oh no.

Me: Don't worry, she won't make any wine for the Mascots to try out.

Selene Emperyous: You got that right, we already have enough of that when they're drinking beer, and when she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lynn Sr., and Diana and Lincoln helped Lynn Sr. in the restaurant, and Diana even helped in teaching Lincoln and his dad everything she knows about using the powers of wine, since she knew Lynn Sr. got his powers from Bacchus, her father's Roman counterpart, and she had a lot to teach him, and she even knew how to make a wine to make the jerks so drunk, they confess and blab out their crimes to the public.

Nico: Imagine what'd happen if someone used that on some of the most hardened criminals in the country and around the world.

Me: It'd lead to a mountain of arrests!

Selene Emperyous: Which is why Diana saves it for a major crime-busting spree. Lincoln made Diana a beautiful necklace with green gem for the pendant, along with a white short-sleeved blouse, purple sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Diana kissed Lincoln on the lips as wine fountains erupted behind them, and it was truly beautiful, and she really hates Bradley Uppercrust III with a bloody passion, because he absolutely hated Diana for always defending Lincoln whenever he along with Lori, Lynn, Lola, Lisa, Luan along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: and Selene Arcangela told Diana everything about what that bastard has done, and one time when Lincoln, Diana, and Lynn Sr. were at the restaurant, that jerk showed up and tried to kill Lincoln along with Lynn Sr. and Diana as revenge for ratting him out at The College X-Games, that was until Lincoln let loose the beast inside him and he viciously attacked that glory hog with a dangerous ferocity, and he, Diana, and Lynn Sr. blasted him with energy blasts and they also pounced on and kicked the tar out of him, and she fired a blast of her special wine that made Brad so drunk, he confessed to why he broke out and he passed out, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Brad tried to do to him, Diana, and Lynn Sr., they were really furious, and Lincoln called the cops and they picked up Brad and took him back to jail.

Nico summoned a bomb and hurled it through a portal that led to Lynn's Table and it was aimed at Bradley Uppercrust III.

Nico: HEADS UP, YOU FUCKING PRICK!

Then, the bomb hit Bradley Uppercrust III and exploded and more jewels, coins, gems, and currencies had exploded out of him, and he screamed and bellowed in anger at us.

Me: Yeah, fuck you too, you prick!

Lincoln: Knowing him, he won't quit. And now that you're here, Diana.

Lincoln went up to and hugged Diana Dionysus in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Diana Dionysus: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Elemental Thunderbird Necklace of Eternal Love appeared on Diana Dionysus' neck with dark purple gems on the gold lightning bolts and dark purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Diana Dionysus: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Diana Dionysus.

Diana Dionysus had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the seventeen girls, and when Lincoln and Ets saw who they were, they immediately recognized them. The eight girls Lincoln set out to rescue are Maegami-Chan from Tawawa on Monday, Purah and Paya from Tears of the Kingdom, and Kana Aotsuki, Sakuya Aotsuki, Yuzune Aotsuki, Shuri Nanatsuki, and Kotori Suzusaki from Chu x Pet, and the nine girls Ets set out to rescue are the Mimi Sentry Girls from Team Fortress 2.

Lincoln: Oh wow, it's Maegami-Chan from Tawawa on Monday, Purah and Paya from Tears of the Kingdom, and Kana Aotsuki, Sakuya Aotsuki, Yuzune Aotsuki, Shuri Nanatsuki, and Kotori Suzusaki from Chu x Pet.

Ets: And the Mimi Sentry Girls from Team Fortress 2.

Just then, the Mimi Sentry Girls pounced on Ets and they kissed him all over the place as thanks for saving them from Peter Griffin.

Lincoln: Looks like they gave you their reward for saving them from Peter Griffin, Ets. Are you girls okay?

Maegami-Chan: Yes, we're okay, thanks to you.

Then, when Maegami-Chan and the other seven girls saw who it was that saved them from Peter Griffin, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil,

Maegami-Chan: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Maegami-Chan: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maegami-Chan, Purah, Paya, Kana Aotsuki, Sakuya Aotsuki, Yuzune Aotsuki, Shuri Nanatsuki, and Kotori Suzusaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and Maria, William, and the rest came up to us and hugged us.

Maria: I just got off the phone with Vypra, she told us what happened. I can't believe that fatass, Peter Griffin, committed high treason and backstabbed The Masters of Evil, and even worse, he also made a deal with Audrey Blade and The Ghostrick Destroyers in an attempt to still get revenge on us.

Lincoln: I know, we were really pissed off when we saw the footage.

Raven Ghostrick: I was even more pissed off, along with the rest of The Ghostrick Gene-Slammers, but we just ruined Audrey Blade's attempt at revenge on us, and got rid of Peter Griffin for good.

Maria: But, now we have his Universe 666 counterpart and his son in The Masters of Evil, so that's a good thing.

Nico: It sure is.

---

After getting rid of Peter Griffin and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Diana Dionysus saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Diana Dionysus: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Diana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Diana Dionysus: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Diana Dionysus: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Diana, what's the story on how you, Mr. Lynn, and Lincoln took down that prick, Bradley Uppercrust III?

Diana Dionysus: Oh, now that's a story I've never forgotten.

Diana Dionysus pulled up a video and it played on the screen, and it showed Lincoln, Diana, and Lynn Sr. working in Lynn's Table.

Past Lincoln: Whoa, Dad's restaurant is really booming with success! Look at all the customers we're getting.

Past Diana Dionysus: You got that right.

Past Lynn Sr.: This really is amazing, I can't believe how much my business has gone up.

?: Well, enjoy it while you can, because I will destroy you all if it's the last thing I ever do!

Then, the doors to the restaurant burst open, and there standing with anger and malice in his eyes was Bradley Uppercrust III.

Past Lincoln: Brad, I should've known it was you. That's it, I've had it up to hear with you, you good-for-nothing prick!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer, his claws grew sharper, and then, his abnormally massive upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON MY GUARDIAN ANGELS OR MY FAMILY, YOU GOOD-FOR-NOTHING PRICK! (WOLF ROAR)

Nico: Oh… Shit!

Me: That prick was dead meat on a stick that day!

Lincoln let the beast out in him and Brad screamed with rage and then charged at Lincoln, but Lincoln punched him hard in his stomach and he grabbed Brad by the collar of his jumpsuit and lifted him up off the ground with his really immense and powerful superhuman strength and he threw him into a tree, and he attacked him with a dangerous ferocity, and he, Lynn Sr., and Diana blasted him with energy blasts and they also pounced on and kicked the tar out of him. Then, Diana forced him to drink her special wine, and he blabbed out that he broke out of prison with help from some of the guards who wanted us dead, and he passed out. Then, Lincoln fired red energy waves from his massive white angel wings and tied that prick up in a red energy straitjacket, and when he alerted the rest of his family of what Brad tried to do to him, Lynn Sr., and Diana, they were really furious, and then, Lincoln called the cops as they grabbed that prick.

Cop: And don't worry, we fired the guards who helped Brad escape, and we had them thrown in their own prison cells. Come on, Brad, it's back to jail for you.

Brad was then loaded into the wagon and they took him straight back to prison as the video ended.

Nico: Hey, I remembered that day all too well, I can't believe that fucking prick, Brad, escaped and tried to get revenge on us!

Me: Honestly, he has a one-track mind: and all he's focused on is revenge on us, killing Max and his friends, and being a flat-out jerk and prick.

Lincoln: He deserved all those thrashings we give him, and he still doesn't know when to quit. So, he needed to be taken down for good and become humiliation fodder.

Eli: Even though there are some of us who would rather see him dead after all the crap he pulled.

And he was right: some of Lincoln's Guardian Angels had sharpened axes and knives and even a dart board with Brad's picture on it and it was stabbed and slashed all over until it was mangled to pieces.

Nico: (Winces) Yikes, I knew that some of Lincoln's Guardian Angels hated that prick, but it got to the point where they don't want him to suffer, they want him to die.

Me: (Shudders) And that prick hadn't pulled that many stunts in trying to kill Lincoln and all of us, that's usually the territory of the other jerks like Flip, Lewis Travolta, Icky Vicky, Amy, Billy McLean, Pablo, Anderson, Trina Riffins, and Bubble Bass.

We got a shower, and then, Lincoln, Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen are heading to Gelato Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Harpie Queen: Wow, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Harpie Queen, and it's perfect for our first date. Shall we?

Lincoln, Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen, and they hugged the girls in their abnormally massive and powerful muscular arms, and Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen are now in your harem.

Vinyl Scratch: Wow, I always knew Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen had feelings for Lincoln.

Jenna: And Flip has some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Harpie Channeler, Harpie Conductor, Harpie Dancer, Harpie Girl, Harpie Harpist, Harpie Oracle, Harpie Perfurmer, and Harpie Queen, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still

refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

---

Later Princess Luna just got back and so did Princess Celestia.

Princess Luna: With everyone else out shopping, I'm glad we're the first ones back.

But when Princess Luna opened the door, she saw Maria dressed weird.

Princess Luna: Maria?

Maria: Little bro! You got a visitor!

Nico: Who is it?

Maria: Princess Luna. (Whispers) Princess it's me Maria. It's part of a plan that Nico concocted. He'll explain everything to you.

Princess Luna: (Whispering) Okay.

She went in.

Nico: Princess Luna glad you made it.

May: Hi there. You must be Princess Celestia!

Princess Celestia: May, you know it's me. What are you talking about?

May: (Whispering) Princess yes it's me. But it's part of a plan that Nico has.

Princess Celestia: (Whispering) Oh I get it. What is the plan?

May: He'll explain.

Nico came in.

Nico: (Whispering) Oh you're here.

He beckoned them and told them what has been happening.

Nico: Taro informed me that there's a con artist that he and his team dealt with before.

Princess Celestia: Really? Who is it?

Me: This is him.

I pulled out a file on him.

Me: His name is Tsutomu Kameda from episode 42 of Donbrothers who is also the Gorenger Hitotsuki, Himitsuki.

---

Tsutomu is a con man who has ripped off several people by infiltrating the homes of hapless victims and taking advantage of them. His thefts are so severe that they wipe out all of their money and even destroys the happiness and stability of families. He first encountered Shinichi in by claiming to be trying to exorcise his home of evil spiritual energy. Tsutomu gave Shinichi his business card and after recognizing the name, Shinichi remembers a client who asked for help about her encounter with the con man and then afterward asked Haruka and Tsuyoshi to aid him in exposing the criminal in an undercover operation. The plan is to bait Tsutomu with an innocent looking family and then slowly learn how he operates up close to catch him in the act and then turn him over to the police.

Later on, Tsutomu enter the cafe and they all quickly make up an excuse to why they left the house, to go shopping. Tsubasa walks in and almost blows their cover by questioning why Tsuyoshi is wearing women's clothing, but the group improvises as Haruka says that Tsubasa is her boyfriend. Shinichi drags him outside and explains the situation, with Tsubasa eager to help them take down Tsutomu by using his skills as a stage actor to play the boyfriend role.

Outside Shinichi's house, Tsutomu is doing another fake purification ritual and says he needs more time to finish purging the evil spirits from the house when asked if he was finished by Shinichi. Jiro arrives with a box of Rumi's homegrown vegetables and nearly blows their cover, with Haruka fumbling that Jiro is her other boyfriend. Shinichi drags him away and explains the situation with Jiro, asking for his help.

Inside the house, they explain to Tsutomu that Haruka is popular with the boys and has two boyfriends competing in a friendly rivalry for her affection. Tsubasa plays along, but oddly feels hurt that he is being two-timed by Jiro of all people.

Tsutomu then does fake psychic readings of each of them; guessing that Haruka has an evil animal spirit haunting her and she owned a cat. Haruka confesses she did have a cat named Stroganoff and she put socks on his head as a child, begging the spirit of her kitty for forgiveness.

Tsuyoshi has a dark and foreboding aura, which offends "Mom" and he breaks character by speaking incorrect gender pronouns and mentions Miho. Shinichi tries to keep the situation under control by saying Miho was his late older sister and "Mom" thinks of her regularly. Tsuyoshi gets angry and yells at Shinichi for "killing off" Miho, which frustrates Shinichi because of how Tsuyoshi gets triggered by the very mention of his wife.

Tsutomu reads Tsubasa next, sensing a spirit of a dog, with Tsubasa faking a story saying he had a dog named Shuriken and "buys into" the reading. Jiro doesn't get a reading as Tsutomu finds him annoying and tries to ignore him. Shinichi is haunted by a scarecrow, with everyone else commenting that Shinichi does kind of look like one. Shinichi gets offended by this, but Taro shows up offering a box of meat that his boss gave him to share with his companions.

The group frantically try to keep their ruse going despite his presence by lying to him and asking Taro to leave but he refuses as he wants some meat. He is still struggling to process what is going on and that struggle causes Taro to yet again get hiccups, with Tsutomu suggesting the holding of one's breath and drinking water remedy to stop the hiccups. It doesn't work and Haruka understands what Taro is thinking and feels guilty about lying to him.

The meat is cooked in a hotpot and Tsutomu offers to exorcise their personal evil spirits by letting go of their most prized possessions in exchange. He soon learns that the family has sentimental memories as treasures and nothing that he can steal and resell for cash. Jiro and Tsubasa fight over who gets the last piece of meat and Taro goes into the kitchen to get more to stop their squabbling. Haruka decides to tell Taro the truth in the kitchen and he takes it well, even offering to help and stating he has grown so they don't have to worry about him. Haruka says that he can be the eldest brother of the siblings and he agrees. Shinichi frets when Taro is let into the plan while Tsutomu fake reads Taro, saying that he is haunted by a monster or a yokai. Taro just accepts that as a part of who he is, which Tsutomu is taking aback by as if he was talking to a wall. The con man thinks that stealing from this family might be a bust and excuses himself to leave.

Later that night, Tsutomu is in his burglar outfit and slips into Shinichi's home through the unlatched window. He rummages through the house for valuables, but finds nothing.

He then goes towards "Mom's" room, only to hear Tsuyoshi on the phone with Miho explaining that he is going to be late coming home. Tsutomu thinks that "Mom" is crazy and talking to her dead daughter on the phone. He then sneaks into Tsubasa's room, only to recognize him from the wanted posters of his Juto duplicate as a dangerous criminal and quickly leaves the room. Tsutomu then enters Haruka's room, who is dreaming about fighting Hitotsuki and sleep morphs into Oni Sister.

This freaks out Tsutomu who thinks she is an actual demon or monster, which wakes Jiro, who is in his Dangerous persona and he threatens to beat the robber up. Tsutomu thinks Jiro is some kind of criminal delinquent and screams in fear, running into Taro. Tsutomu asks him what is wrong with his family and when Taro tries to tell a lie, he falls over dead which freaks him out even more. Shinichi appears and says that the thief's plans have been fully exposed and he will face justice. Tsutomu sees Taro rise from the dead and runs out of the house screaming, he swears off robbing Shinichi's house and desires someone to help him get away from the creepy family he just witnessed. This desire turns Tsutomu into the Goranger Hitotsuki, Himitsuki.

Still fleeing in terror, Himitsuki goes into a parking garage and the Donbrothers teleport to his location, though some of them need to be stirred awake to fight. Himitsuki uses jumbo sized versions of Momorenger's Heart Earring Bombs and Midorenger's Midomerang to fight the Donbrothers and hits them with Aorenger's Blue Cherry and Blue Arrows. Taro manages to sneak up behind Himitsuki by equipping his GolDon armor offscreen and becoming GolDon AkaNinger to use camouflage. Himitsuki uses Akarenger's Red Bute to land several hits on Taro, but it turned out to be a shadow clone as the real Taro dives down from the ceiling and lands a powerful flurry of sword strikes with the Ninja Ichibantou to weaken the Hitotsuki. Don Torabolt won't let Taro have all the glory and both execute a Festival End/Thunder God Prowling White Tiger combination attack to defeat Himitsuki.

Himitsuki evolves into Himitsuking and the five Rangers become Don Onitaijin, with Himitsuking splitting into five and doing his own version of the Gorenger Hurricane, which confuses the team and the ball turns into a giant broom and dustpan which hits them. The Himitsuking team attempts another Hurricane while Shinichi and Tsuyoshi figure out how it works and Jiro as Toradoragonjin knocks the ball away. Taro decides that they should try the technique and both robos do their own Donbrothers version of the Gorenger Hurricane, which turns the ball into an exploding vacuum cleaner. This weakens Himitsuking and his duplicates disappear, Taro then calls the Omikoshi Phoenix and they become Toradora Onitaijin Kiwami to purify Himitsuking with the DonBros Fantasia Supreme.

Eventually, Tsutomu was arrested offscreen for good.

Princess Celestia: Oh wow.

Me: Yep. I remember this guy. We're in disguise as part of a plan made by Nico.

May: We're going to catch him red handed as part of a trap.

Nico: So, yeah. Like what Taro did, me and 5 of us are gonna pose as a fake family.

Me: And then we're going to catch him in the act and beat him up and send him to prison.

Qin: That is a very clever plan.

Me: Yep.

Princess Luna: That is a very genius plan.

Me: Taro said it really worked. So we're going to pull off what Taro and the Donbrothers did.

Princess Celestia: That is genius.

Nico: I'll be the younger brother, Maria will be the older sister, Tsuyoshi Kaijo will be the father, May will be the mother, William will be Maria's boyfriend, and Eddy will be Maria's other boyfriend, claiming to be rivals with William while actually getting along with him.

Me: Awesome. What part can I play if you want?

Nico: You can be my younger brother.

Me: I like it.

Xenia: Will this plan work?

Nico: It sure will. Sheila and Tom are going to catch him after we beat him.

Varie: I like it.

Taro: It's good that you're including J.D. in the plan. Otherwise, he would've felt left out.

Nico: Thanks Taro. Now come on guys. We got a con man to bust.

Eli: I'll sense for him and we'll communicate telepathically.

Me: Okay.

We went down to the planet and looked around and then we found him.

Me: (Telepathically to Nico) Target sighted Nico. He's coming this way.

Nico: (Telepathically to me) I see him.

We got ready and stood there and acted innocently.

Tsutomu Kameda then came up to us.

Nico: Hi there! You must be Tsutomu Kameda.

Tsutomu Kameda: Ah yes I sure am it's a pleasure.

Eddy: We were just about to have lunch.

May: We sure were.

Me: Care to join us?

Tsutomu Kameda: Oh why thank you.

William: Oh, we hope you like the lunch.

Tsutomu Kameda: What is it?

Eddy: Well, it includes buttered toast and gravy!

Tsutomu Kameda: Ah exquisite.

Me: And we're having bouillabaisse with biscuits.

Tsutomu Kameda: Exquisite.

Everyone was hiding in the shadows watching him.

Tsutomu Kameda ate the gravy… and had a look of disgust on his face

Me: Is something wrong?

Tsutomu Kameda: It tastes too meaty.

Maria: Perhaps you care to partake of the Bouillabaisse.

He did so.

He liked that less.

Tsutomu Kameda: Oh it doesn't suit me. Please excuse me.

He got up to wash his hands. But what we saw next was enough. We saw him swipe wallets, jewelry and more when people weren't looking.

Eli: (In his head) Busted.

Triggerhappy: Guess he also doesn't like the food.

Anna Anyanova: Shh.

Triggerhappy: Sorry.

Anna Anyanova: Nope he doesn't. But we got him.

Lola: We sure do.

William: Say the word on when we bust him.

Nico: We do so now.

Me: Pull.

Eddy pulled a string and then…

AIR HORN HONK! ALARM BELLS! SIRENS!

Me: AHA! You are busted Tsutomu!

The Gotham Royal York PD Came.

Sheila Castille: ATTENTION! TSUTOMU KAMEDA! THIS IS THE GOTHAM ROYAL YORK POLICE DEPARTMENT! WE HAVE YOU SURROUNDED! COME OUT WITH YOUR HANDS UP!

Tsutomu Kameda: What's going on?!

Taro: (comes out of hiding) We meet again!

We took off our disguises.

Me: You fell for it!

Me and Nico grabbed him and shook him and lots of jewelry and all that fell out of him.

Man: HEY My wallet!

Woman: My jewelry!

Man 2: My watch!

Woman: My purse!

Man 3: That man is a thief!

Tsutomu Kameda: You'll all pay for this! (to Taro) And I remember you too! This time, you're not going to be playing dead!

With that, he was surrounded by an energy circle with the Gorenger symbol and turning into Himitsuki!

We gasped!

(FIREWORKS GO OFF)

Taro: HAHAHAHAHA! Avataro Sentai!

All: Donbrothers!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind us and we were ready!

Me: Time to dish out 46+ Years of rangers on this clod!

Tsuyoshi Kaijo: Go!

He jumped into the air and turned into Akarenger

He was ready for battle!

HIYAH!

Me: Here's some Changeman power! MANTICORE POWER!

I flared up a neon green aura and it was in the shape of a manticore and I fired waves of fire and blasted him down.

Lola: OH YEAH!

Lola fired waves of fire and blasted him all over!

Eli fired Force Lightning blasts and electrocuted him.

Himitsuki got out a pole and tried striking Nico with it. But he grabbed the pole and yanked it out of Himitsuki's hands and spun it and bashed him all over with it.

Nico: Take that you buttkissing turdlicker!

Himitsuki: WHAT THE FUCK DID YOU CALL ME!?

Sheila: FIRE!

They fired their guns and blasted Himitsuki all over the place!

Qin: I don't think bullets will affect him.

He tried striking Tsuyoshi Kaijo with a whip.

But Tsuyoshi dodged it and fired red energy waves and blasted him all over.

Qin: Take this!

She fired waves of fire and blasted him.

Lana: And this!

She fired a wave of ice and froze him to the street.

Nico: NICE!

He used a bow to fire at Eddy.

He grabbed the arrow and threw it at me and I formed my bow and channeled Explosion Style chakra into the arrow and then I fired it and it hit Himitsuki and then…

MASSIVE AND POWERFUL FIERY EXPLOSION!

Qin: YEAH!

Lola: Take that!

He threw a green boomerang blade at William.

Ty countered with his own Boomerang and it hit the Green Boomerang and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded and the second boomerang he threw hit Himitsuki and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded!

Qin: Take that!

Ty: (Australian Accent) Yeah take that you bloke!

He made duplicates of himself.

Me: Oh duplicates huh? SHADOW CLONES!

I made 20 clones!

We fired waves of energy and blasted them all over.

Qin: YEAH!

Only 5 of him remained. And that's when they summoned finned, multicolored football grenades the size and shape of an American-style football.

Poromon: What are they doing?

After being tossed around by the 5 of them, the rainbow grenade changes into a broom and dustpan and detonates at Maria!

KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMM!

But Maria was substituted at the last possible second with Himitsuki and he was hit by his own grenade.

Now, there were only 4 of him

Me: Take this!

I fired waves of red and yellow energy and blasted the remaining clones till there was one left.

Qin: And then there was one.

Then a Golisopod came!

Nico: Whoa!

Me: Cool a Golisopod!

Golisopod: (In a girls voice) You are a two bit conman! GIVE ME BACK MY SWORD YOU JERK!

KRASMASH! KRASMASH! KRASMASH!

She smashed him into pulp!

Nico: Whoa! Miles Rockter!? Cool!

Qin: Awesome!

Edzilla: ED SMASH THIEF!

He smashed Himitsuki all over!

Edzilla: ED SMASH GRAVY HATER!

KRASMASH KRASMASH KRASMASH KRASMASH KRASMASH!

Eddy: YEAH! Get him Lumpy!

Qin: YEAH!

Me: Hey Nico I have a really fitting and fun punishment for him after we bring him in.

Nico: Later it on me?

Me: You'll see after the finisher.

Nico: Okay. Lets get him!

Eddy: And thanks for lending us the buttered toast and gravy.

Qin: Yeah we loved it!

Me: Time for the finisher!

I pulled out the Zenkai Cannon.

Me: Boy we haven't used this in a while.

Kaito: Go get him J.D.!

Me: With pleasure!

I charged it up and fired!

I fired 45 Red Helmet blasts that merged into one and it formed the Zenkaiger helmet and then it hit Himitsuki and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down and I caught the gear!

Me: OH YEAH! Himitsuki you have failed this city!

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL

THAT ENDS WELL!

Me: Yep! Ed you are going to be thanking me forever. (ACTIVATES CRANKY WIZARD'S RIDEWATCH)

I fired a wave of red magic and it hit Tsutomu and enveloped him and then when the dust cleared he was turned into a chicken!

Tsutomu: (CLUCKING)

Me: All yours Ed.

Ed: CHICKEN! (GRABS TSUTOMU) HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

He was petting him all over and numerous jewels and more and even Miles sword fell out.

Poliwag: Do we still arrest him?

Me: Being Ed's pet will make him the perfect prisoner for us.

Eddy: (LAUGHS) That is perfect for Lumpy!

Me: And he will stop going after Rolf's chickens.

Xenia: Yep.

Miles reverted back and she was a girl with purple hair and had blue eyes and had purple clothes and had blue angel wings. She picked up her sword.

Miles Rockter: That was so fun.

Eddy: (LAUGHS) That was funny!

Luan: Seems to be his Un-Clucky Day! (LAUGHS) Get it?

We laughed at Luan's joke!

Me: (LAUGHS) That was a good one!

Eddy: (LAUGHS) Good one!

Blossom Z: (LAUGHS) That was funny!

Miles Rockter: (LAUGHS) I get it!

Sureshot: What's your favorite memory of Nico?

Miles Rockter: My favorite is when me and Nico found an awesome fossil graveyard in our backyard. We found mammoths, dire wolves, smilodons and more right in our backyard.

Nicole: WHOA! That is amazing! Boy you were sitting on an ancient Pleistocene graveyard!

Miles Rockter: That's right. We donated all those skeletons to the museum. They loved it.

Me: That is so cool!

Nico: It sure was.

Nico and Miles hugged.

Nico: I've missed you.

Miles Rockter: Me too Nico. Me too.

Vice: J.D., be honest. When you heard Nico already came up with this plan, did you feel left out?

Taro: If so, I feel your pain.

Me: A little bit but I thought it was really genius. Nico's plan was completely and utterly foolproof. Tsutomu never suspected a thing.

Sly Cooper: And we just finished swiping all the loot he stole over the years.

Me: Awesome Sly.

Xenia: It sure was.

Camie: Yeah.

Varie: That was awesome.

We went back to the estate and got ready for the next mission.

---

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront: it was the Lost Galaxy's old enemy, Trakeena, and she's come back from the dead once again still wanting revenge on us. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Leo and the rest of The Lost Galaxy Rangers? We got an emergency!

Just then, Leo Corbett and the Lost Galaxy Rangers showed up.

Leo Corbett: You called, Lincoln? What's the emergency?

Lincoln: We got trouble, Leo, and you're not going to like it, neither are all of us. I just had a vision and I saw who it was that we're going to face today: it's our old enemy, Trakeena, and she's come back from the dead once again and she still wants revenge on us.

We gasped.

Me: So, that bug bitch is back from the dead once again?! Doesn't she know when to fucking quit?!

Nico and Lincoln: Clearly not.

Sebastian Mendez: Lord Zedd, you're really starting to piss us off, and I'm almost that close to calling upon the powers of darkness to drag your wretched soul into the black abyss!

We gulped in fright.

Nico: I already know that Zedd's pushing all of our buttons, and now, he's getting you that close to calling upon the powers of darkness to drag his soul into the abyss, yeesh. But, take that frustration and aim it right at Trakeena, Sebastian.

Lincoln: Yeah, she deserves a lot of pain and suffering, and you want to give her what she deserves: death, along with pain and suffering eternal.

Me: We all want to. Alright, we should head out and take care of that bug bitch!

Nico: Along with her minions!

Sebastian Mendez: Leave that one to me.

Leo Corbett: However, we're not going to go to anywhere on Earth for this.

Man Boy: Where are we going then?

Leo Corbett: To the planet Mirinoi. That's where I battled Trakeena before.

Qin: Wow!

Me: I remember that! And it will be awesome to see what that planet is like.

Maya: It will be amazing guys. Mirinoi is my home and you will love it.

Me: That's also where the Galactabeasts all come from. I remember that. And that's also where you guys found the Quasar Sabers.

Leo Corbett: Yep.

Suddenly, Sebastian Mendez's eyes turned from midnight blue to blood red as he chanted a dark and ancient incantation, which hit Furio and Barbarax with a dark and demonic curse.

Lucy Loud: Did he just…?!

Brittney: Oh, no he didn't.

Melanie Nyx: (Gulps) He did, he hit them with a demonic curse only my mother knows: it's known as The Demonic Hand of Betrayal, an ancient and demonic curse which'll turn Furio and Barbarax against Trakeena and cause them to attack her.

We gasped in shock.

Lincoln: Wait, I remembered you telling me about that curse, Melanie, that curse can only affect the persons loyal to someone who has a black heart of evil.

Nico: Looks like you just drew first blood with that curse of yours, Sebastian. Alright, gang, let's head out to Miranoi and kill Trakeena.

Me: It's payback time, you ugly bug bitch!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Scottie Ingrumangel, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Aurelia Karayan, one of The Ghostrick Destroyers is heading here to kill you all.

Sarah Dullahan: (Scottish Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment back in the castle of The Michigan Supernatural Defense Force after we get done killing Trakeena.

Nico: And Sebastian's dark curse also takes out Furio and Barbarax after they get done brutalizing that bug bitch. Alright, gang, let's go, we're heading to Mirinoi to finally get rid of Trakeena once and for all!

Me: I've had enough of that goddamn bug to last a fucking eternity.

Lincoln: Trakeena's caused us enough trouble to last an eternity, we'll finally be rid of her and her two minions, Furio and Barbarax, and once we get done squashing those ugly bugs, you're next, Scottie Ingrumangel.

Sarah Dullahan: (Scottish Accent) You better be ready to die, Scottie Ingrumangel, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon! I will make sure you die horribly right after we deal with Trakeena, Furio, and Barbarax.

We went to the ship and we were off and Lincoln put up a rainbow energy field around The World Tree Estate and we headed to Mirinoi to destroy Trakeena, Furio, and Barbarax, and once we get done destroying those filthy bugs, Lincoln and Sarah Dullahan are going to destroy Scottie Ingrumangel of The Ghostrick Destroyers and make her pay for her crimes.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 8001.3: The U.S.S. Valorous Phoenix is en route the distant planet of Mirinoi, the home planet of Maya of the Lost Galaxy Power Rangers. Our old enemy and the mercilessly evil enemy of the Lost Galaxy Rangers, Trakeena is back from the dead to get revenge on us for killing her. Our mission is to deliver some sweet and merciless payback on her and destroy her once and for all and banish her and her minions to the Black Gates.

Camie: So J.D. what can you tell us about Trakeena?

Me: She is someone that really hates my guts. But she is also someone that tried to destroy everything.

I went over her history.

---

Trakeena is the primary antagonist of Power Rangers Lost Galaxy, she is the daughter of Scorpius and the current leader of her army against the Galaxy Rangers.

During the events of Power Rangers Lightspeed Rescue, Trakeena survived and she makes an allliance with the Demon Triskull, unfortunately she is destroyed by the Orion Omega Megazord.

Trakeena was the daughter of the galactic ruler and warlord Scorpius and an unknown female, though her mother may have been a humanoid, as she speaks highly of her human beauty in spite of her insectoid features. Scorpius considered Trakeena to be the evil princess of his alien army and spared no expense to spoil and protect her, but she did not like being treated as a child as she became older. During her teenage years, while she still enjoyed being spoiled, she wanted to become a warrior to prepare herself as ruler of her father's army when she would have to succeed him and would frequently sneak away with her father's generals in efforts to prove herself as a warrior despite his disapproval.

In one such case, the general Treacheron had allowed Trakeena to come with him, but when confronted by Scorpius, he claimed that Trakeena had followed him to battle just to save his own neck. Upset at being sold out, and with help from Impostra, Trakeena convinced Scorpius that Treacheron was a traitor and had him locked up. Their feud continued as Treacheron tricked Trakeena into searching for a silver goblet just so he could ambush her once he was free from his cell. She was saved only thanks to the intervention of the Galaxy Rangers.

Eventually, Trakeena learned that Scorpius wished for her to enter the cocoon and become an insect with great powers like him. Not wanting to lose her mortal beauty the transformation would cause, Trakeena fled to the planet Onyx when he tried to force her. As she wandered into the tavern and found that her prestige did her no good in facing the ruthless patrons, Trakeena met Villamax and his aide Kegler. Villamax offered to train her to be a great warrior and taught her swordplay and martial arts. In time, Trakeena became a truly incredible fighter, and later introduced her newfound strength to the tavern when they tried to give her trouble again.

Trakeena's personal victory became dashed when word reached her that Scorpius was dying, for he had been manipulated by his new general Deviot to attack the Galaxy Rangers and had been gravely wounded in the battle. She returned to the Scorpion Stinger to be with her father in his last moments and to apologize for running away. As Scorpius died, he willed that everything he had was now in Trakeena's hands, and his remaining power was sealed in an ornate staff for her own use. As to the cocoon, Trakeena puts it in storage as she felt she didn't need it, but also wanted to keep it around just in case.

Now with all of her father's resources at her command, Trakeena began focusing her vengeance on Terra Venture and the Galaxy Rangers. Deviot told her that Scorpius was destroyed by Leo Corbett, the Red Galaxy Ranger. She would later capture and face off against him in a one-on-one sword duel, but would lose the chance to exact her vengeance when they were both attacked by Deviot's assassins Teksa and Kubak. Trakeena destroyed Teksa with ease and left Kubak to the Rangers, promising to destroy them for the death of her father.

She would continue to attack Terra Venture multiple times, and at one point had the Psycho Rangers restored only for them to be destroyed by the combined might of the Galaxy and Space Rangers. After Kendrix's sacrifice on destroying the Savage Sword used by Psycho Pink, Trakeena was able to expose Karone's identity immediately due to her full knowledge of the former Astronema's involvement on the Zordon Wave, but unable to steal the Pink Quasar Saber when Kendrix's spirit saved Karone and chose her as the second Pink Ranger.

When Terra Venture was pulled into the Lost Galaxy by Deviot, Trakeena was unwilling to follow, fearful of being unable to escape. When the colony emerged some time later, Trakeena destroyed the ship of Captain Mutiny, who was pursuing it as a show of her power over the galaxy.

When Deviot returned to Trakeena (having escaped the destruction of the castle) and claimed to have been forced into slavery by Captain Mutiny, she refused to believe him as she now knew he was plotting against her. Fleeing for his life, Deviot attempted to enter the cocoon but didn't make it before Villamax caught up. In desperation, he grabbed Trakeena and dragged her into the cocoon with him, causing them to fuse into a single being. Trakeena would emerge alone, her body now bearing some of Deviot's armor, but the fusion also made her as ruthless and evil as he had been.

Trakeena launched a full-scale assault on Terra Venture by arming her Stingwingers with suicide bombs to destroy the colony. Though she succeeded in bringing Terra Venture down and destroyed the Stratoforce and Centaurus Megazords at the cost of her entire army, this wasn't enough as she wanted the entire population of Terra Venture to suffer. This didn't sit well with Villamax, who had simply sworn to help her destroy the Power Rangers, and things came to a head when she was ready to destroy the escape shuttles carrying Terra Venture's population. When Villamax refused to destroy the shuttles and laid down his sword, Trakeena mercilessly killed him.

However, this had bought enough time for the Astro Megaship to catch up and protect the shuttles. Trakeena used the Scorpion Stinger's pincers to attack the Astro Megaship, forcing the Rangers to self-destruct it. As a result, the Scorpion Stinger was sent crashing down to the nearby Moon where it was destroyed, and Trakeena was badly injured. With her father's words echoing through her mind, she entered the cocoon and mutated into a green, humanoid muscular insect with immense powers. She powered up Terra Venture's remains and attempted to drop the wreckage on the colonized planet, and at the same time was able to fight off all five Galaxy Rangers. In the end, Trakeena was seemingly destroyed by Leo's Battlizer when he fired his weapon at point-blank range.

One year later, it was revealed that she had survived and managed to return to her human form. However, the kamikaze attack from the Battilzer had left Trakeena horribly scarred; donning a mask, she vowed to make the Galaxy Rangers pay for taking her mortal beauty. Deciding to destroy their homeworld as payback, Trakeena headed to Earth.

Keeping herself in secret, she employed the double agent demon Triskull to capture humans from Mariner Bay, intending to use their life energy to restore her back into her insectoid form so she could regain her great powers. Triskull claimed to the demons of Skull

Cavern that he would give the energy to them so they could restore the body of their leader, Queen Bansheera, to its proper form. Trakeena wasn't concerned by the demons, knowing that at full power, she could easily destroy Olympius and Queen Bansheera.

Things proceeded well, with Trakeena hiding in secret on thirteenth floor of an office building, while Triskull captured humans for her purpose. Unfortunately, her actions soon caught the attention of Lightspeed Rescue, who teamed up with the Galaxy Rangers to foil her.

Leo and Carter Grayson appear in Trakeena's lab, they are joined by the two final Galaxy Rangers, Kendrix Morgan and Damon Henderson. Trakeena shows up and blasts them all out of the high rise building.

Making matters worse, Olympius, aware of Triskull's betrayal, decided to destroy both him and Trakeena along with the Rangers. To do so, he created a dagger covered with poison stronger than that of ten taipans. As Olympius and his forces battled the Lightspeed Rangers and Galaxy Rangers, he thought that it would be more efficient to let Trakeena destroy them than himself.

Taking advantage of having both sides fighting, Trakeena strapped herself into the machine and began siphoning the life energy to return to her insectoid form. However, Olympius decided to "let Trakeena have her wish" to mutate, tossing the dagger into the room. It tainted the life energy, causing Trakeena to lose control of the mutation process; becoming energy, she flew into the city and became a giant purple monstrosity. Olympius left satisfied, knowing that one of his enemies would be destroyed, if not both. The Galaxy and Lightspeed Rangers teamed up to battle her. Despite the help of the Galactabeasts, the Galaxy and Lightspeed Rangers were unable to stop her until the Omega Megazord became infused with the Lights of Orion. Trakeena was then destroyed forever, as she exploded, she screamed in utter horror before she was explosively ripped apart.

* * *

When I was done everyone that hadn't heard about it was shocked and horrified!

Camie: She is a monster!

Me: Monster is not the best word to describe her.

Nico: Yep.

Me: Trakeena beat me up twice. That's why I'm going to destroy her. It's payback time.

Leo Corbett: First, let's make a stop at Terra Venture.

Luxord: Ah, yes. I remember that one.

Me: Same here. It'll be awesome to see it again.

Lola: Yep.

Nico: Yeah.

Camie: What about Scorpius?

Me: That's the reason why she wants to destroy me. I killed him. Scorpius is Trakeena's father. I killed him.

I went over his history.

---

Scorpius is an alien warlord and the main antagonist of the first half and a posthumous antagonist of the second half of Power Rangers Lost Galaxy.

He was voiced by Kim Strauss who also voiced/portrayed Jinxer in Power Rangers Lightspeed Rescue.

3000 years ago, Scorpius attacked the Magna Defender's homeworld and killed his son, Zika. He began searching the universe for sources of power and eventually sent his general, Furio, to get the Quasar Sabers. However, this quest resulted in the creation of Scorpius' greatest enemy, the Galaxy Power Rangers. He later began sending his forces to Terra Venture to try and find the powerful Lights of Orion. However, the Magna Defender appeared and began battling Scorpius as well, with the Lights eventually ending up with the Rangers, making them even more powerful than before. His daughter,Trakeena, often tried to participate in her father's quest, but he tried to keep her out of battle as much as possible.

Scorpius eventually created a cocoon for his daughter that would transform her into a more insect-like creature like him and increase her power greatly. Trakeena refused to enter it since she didn't want to lose her mortal beauty and when Scorpius attempted to force her, she ran away. Soon after, Deviot came aboard the Scorpion Stinger and he was appointed as the overlord's new general. However, he actually wanted to enter the cocoon in order to gain its power and plotted against his new master. Scorpius was eventually tricked by Deviot into believing that the Power Rangers were holding Trakeena hostage and he ambushed the rangers with an army of Stingwingers. Scorpius proved to be a challenging opponent, but the rangers eventually managed to grab his tentacles to hold him in place, allowing Leo to deliver the final blow. Now on the verge of death, Scorpius was about to give Deviot his place and have him enter the cocoon when Trakeena returned. After reconciling with his daughter, the insect overlord died giving her his powers by forming his remaining tentacle into a new staff for her.

When I was done everyone that hadn't heard about it was shocked.

Camie: That monster!

Me: Yep. I blew his entire ship up and blew it to smithereens.

Camie: Whoa.

Me: Yep.

Camie: What did he look like?

Shanan: He looked like this.

Shanan showed a hologram of him and he was UGLY!

Camie: Whoa he is UGLY!

Nico: Yeah he sure is.

Leo Corbett: And I'm glad I killed him the first time.

Xenia: Thank goodness.

Diabolico: I remember that Olympius did business with Trakeena before.

Me: I remember that. That was so epic. That was one of my favorite teamups with the rangers.

Nico: Lost Galaxy and Lightspeed Rescue was so amazing and awesome.

Stardust Trails: But that was so awesome how she turned into my archenemy in the end of that one.

Me: That was horrifying. She turned into the Inferno Monster.

Camie: Yeah that was awesome though.

Lola: It sure was.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the Terra Venture colony.

Totally Spies Alice: So this is Terra Venture, huh?

Leo Corbett: Yep this is it.

Kendrix: Home. I missed this place.

Me: Boy this is where we first met you guys. That was so awesome.

Damon: It sure was.

Nico: Hailing frequencies.

Lola: Aye sir.

She opened a channel.

Nico: Commander Stanton this is the starship U.S.S. Valorous Phoenix, Captain Nico Chan, leader of Team Loud Phoenix Storm commanding.

Commander Stanton: Good to see you again Team Loud Phoenix Storm and Leo and everyone it's great to see you all again.

Leo Corbett: Commander Stanton it's good to see you again sir.

Me: How have things been?

Commander Stanton: We have been thinking about you all every day.

Leo Corbett: We're glad.

Nico: We would like to come aboard if we could please and take a look around. We have a lot to talk about.

Commander Stanton: Granted Nico.

We went onto the colony and we were amazed that it was thriving more so than ever.

Me: WOW!

Qin: Amazing!

Camie: Wow so this is Terra Venture! Amazing!

Me: We were amazed ourselves when we first came here.

Nico: Yep.

Commander Stanton: Glad you could come Nico and my goodness you all have grown in numbers since we last saw each other.

Nico: I know. We have grown a lot over the years in not just numbers but in strength and power.

Me: Also Nico got promoted to leader. I gave him the position after Nico displayed tremendously awesome leadership skills 2 years ago in one of our major battles.

Commander Stanton: That is amazing.

Riddler: Riddle me this: Have you heard about recent news?

Commander Stanton: What news?

Me: Trakeena is back and she wants revenge.

He gasped.

Commander Stanton: But that's impossible! You guys killed her right?

Me: I killed her twice. After she beat the living shit out of me. But I'm not going to let her beat me up a third time. This time it's personal.

Leo Corbett: And it's personal for me too. She killed Kendrix before and I will never forgive her for it.

Adrien: Dad, even though I was there, you did good giving Peter Griffin a verbal beatdown.

Gabriel: Thank you, Adrien. I admit that even during my not so good moments as Hawk Moth, I would never do what Peter Griffin has done. Heck, I'd never even fart in your face.

Meg: Good. That's gross!

Me: You can always fart in bad guys faces.

Meg: That works.

Xenia: Yeah.

Lola: Yeah.

Diabolico: I never really got along great with Griffin. He was always going into our beer storage and drinking it all under our drunk members noses.

Qin: Yikes.

Nico: Again, J.D., I'm very sorry that I didn't tell you about the plan earlier. But the reason was because you're not a good liar. No offense.

Me: Oh none taken but yeah you do make a good point. I practically almost can never tell a lie.

Sakura Knudson: That's right. And that's my bro for you. He is never a good liar.

Me: Honest Abe would be proud.

Qin: That's true.

Applejack: (LAUGHS) That is true. And so would I. Even though I wasn't always honest myself back then I am glad I am now.

Nico: You weren't honest yourself Applejack?

Applejack: It's a long story.

Me: I remember hearing about it when I was helping Applejack out on her farm.

Xenia: Wow.

Me: I only lie when I have to. It's only to get under our enemies skins. I make my enemies mad and enraged by lying but never against you guys or anyone else.

Nico: That is good.

Qin: Very clever.

Nico: You have a true heart.

Me: Yep.

Knight Man: Anyway, we're heading to Mirinoi to fight Trakeena. She'll be given the Black Gates. But Furio and Barbarax will be put in the Masters of Evil.

Commander Stanton: Okay. Well, best of luck fighting her. And give her a good stab in the chest for me!

Knight Man: That you can count on.

Nico: Lets roll.

We went back to the ship and off to Mirinoi.

We arrived at Mirinoi.

Toiletnator: Is this the place?

Leo Corbett: Yep this is it.

Qin: Wow! So that's Mirinoi.

Xenia: Amazing.

Lola: Incredible.

Nico: Lets land.

We got to landing and we got out and we saw that it was a jungle planet.

Qin: Wow!

Me: So this is Mirinoi!

Xenia: Wow! It's beautiful.

Lola: It sure is.

Camie: It's a jungle world.

Maya: But it's home. I missed this place.

Me: Boy I can tell.

Twilight Sparkle: Boy it's amazing. The jungle goes on forever.

Xenia: It sure does.

Qin: Wow.

Qin flew up and saw that the planet is really a massive jungle planet that has trees covering EVERY square inch of the planet.

Qin: WOW! The jungle just goes on forever!

Nico: It sure does.

Headstrong: Is that a Galactabeast that looks like a Lion?!

Leo Corbett: That's it. That's what I have and that's the Lion Galactabeast.

Me: That's so awesome and you are for Fire.

Leo Corbett: That's right.

Chalmers: In all the times we've used the Lost Galaxy Megazord, I never thought we'd see the Lion Galactabeast up close.

Me: It's amazing.

Qin: It sure is.

Me: Especially the Gorilla, Condor, Wildcat and the Wolf.

Qin: The Phoenix, Bull and Rhino Galactabeasts as well.

Nico: Yep.

Lola: That is awesome.

Nico: It sure is.

Brimstone: (to Lion Galactabeast) Hey, boy. You remember us? You helped us yestereday against Him Z.

The Lion Galactabeast roared in remembrance.

Leo Corbett: He does remember that.

Qin: That is awesome.

Lola: Yep.

Nico: We got to find Trakeena now.

Eli: I sense her. She's 50 klicks to the north.

Qin: Then lets head there.

Me: Great. (CRACKS KNUCKLES) It's time to finish that monster once and for all.

The Galactabeasts roared.

Zexion: (to the Galactabeasts) That's right. Trakeena's back.

Leo Corbett: We could use your help.

They agreed.

Nico: Lets go guys.

Xenia: You got it.

Me: First lets have the rangers transform.

Leo: Right.

Divebomb: (to the Galactabeasts) Now, we're not forcing you guys to help us in this fight. It's completely up to you

Leo: They said they agreed.

Qin: Yeah.

Divebomb: Oh.

Billy Numerous: I'm gonna make an army for this!

He made 5,100 clones!

Qin: Nice!

Lost Galaxy Rangers: GO! GALACTIC!

Mike Corbett: MAGNA POWER!

They transformed!

Leo: "Red Galaxy Ranger!"

Damon: "Green Galaxy Ranger!"

Kai Chen: "Blue Galaxy Ranger!"

Maya: "Yellow Galaxy Ranger!"

Kendrix: "Pink Galaxy Ranger!"

Karone: "Purple Galaxy Ranger!"

Mike: "Magna Defender!"

All: "Power Rangers Lost Galaxy!"

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready!

Buzzsaw: I never get tired of that!

Me: Me neither! Lets call in Villamax too.

Qin: Good idea.

Villamax came.

Villamax: I'm ready guys. I can't wait for some payback.

Me: Awesome.

Nico: Lets go.

We were off.

Captain Boomerang: (Australian Accent) Glad you can make it, mate.

Villamax: Like I wouldn't miss this for anything.

Qin: Great.

Xenia: Yeah.

I looked up ahead and in a clearing was TRAKEENA! She was heading towards Maya's old village. But she was dripping green blood.

Me: Target sighted. The wounds we inflicted on her are still dripping blood.

Nico: Good. Entrance time guys!

We flew at her.

Trakeena: (GROWLS) THOSE RANGERS AND THAT ACCURSED TEAM LOUD PHOENIX STORM! THEY WILL PAY FOR THIS! I'VE NEVER BEEN HUMILIATED THIS MUCH!

But it was just going to get worse! Then the spirits of the Lost Galaxy Rangers flew in and swirled around her and then they converged and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard and then we came out and landed in front of her!

Me: Trakeena you will pay for everything you did! We have an old score to settle.

Me and Trakeena were looking at each other with extreme hatred and fury! Trakeena's eyes had revenge and burning intense hatred in them and I had payback in my eyes.

Trakeena: You have completely humiliated me for the last time J.D.!

Me: You brought that all on yourself bitch!

Barbossa: Time for ye to walk the plank!

Nico: (gets out coin) I'm going to flip this coin. When it lands on the ground, J.D. and Leo will start this final battle against you. (flips coin)

TING!

It was spinning and then it landed.

I teleported and punched Trakeena hard in the stomach and kneed her in her face and kicked her in her face and sent her crashing into a rock! She got up and went at me and Leo punched her hard in her face and I teleported and kicked her in the back of her head! She got up.

Trakeena: You've gotten faster and stronger!

Me: Can't say the same for you. But I've gotten infinitely more powerful since we last fought!

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Trakeena: What the!?

Me: (DIVINE ECHOING GODLY VOICE) **My power has grown tremendously! I will not let you get away with everything that you did! (FLARES UP POWER TO THE EXTREME) I WILL NEVER FORGIVE YOU FOR YOUR CRIMES! (ROARS IN FURY!)**

I released the ultimate extent of my ultimate power to the extreme! I VOWED THAT I WOULD MAKE TRAKEENA SUFFER!

I then went at Trakeena with extreme force and punched her all over the place with extreme savagery!

I kicked her in her face and headbutt her and then punched her in her stomach hard and kneed her in the neck!

I kicked Trakeena in her face and teleported and punched her in her back and teleported and punched her in her face and kicked her in her eyes and I kneed her in her mouth and knocked out some of her teeth! Leo jumped and slashed at Trakeena with his Quasar Saber and slashed her all over

Trakeena: When I'm done with you this time, there will be nothing left of you to regenerate from!

Me: **We'll see about that!**

I teleported and punched her hard in her face and knocked her down! She tried to do the same ferocious moves on me like she did before but I expected this and dodged them all and I kicked her in her face and leg swept her and kicked her in her back and Leo slashed her across her stomach.

I fired a massive energy blast and it hit her and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was getting intense!

Mr. Fizz: (to the rest of us) So, who wants soda while watching?

Nico: Sure.

He gave everyone some soda.

Then Trakeena went into her green insect form!

Me: **You are just as ugly in this form as you were before!**

Trakeena: HOW DARE YOU!

She went at me and I punched her hard in her face and she went flying and crashed into a rock!

Trakeena: WHY YOU!

She summoned MORE FOOTSOLDIERS!

Trakeena: KILL THE REST OF THEM! TAKE NO PRISONERS!

Nico: Lets get them!

The rest of the team went at the footsoldiers and slashed and blasted and pulverized them! Erica was doing really well against them!

Erica Haddock: HEEYAH!

KROW!

She smashed numerous footsoldiers all over like they were nothing!

Maria: Time for backup! (TURNS DIAL) 61ST CENTURY FURY 6!

She summoned Abra Kadabra, Queen of The Black Puddle, Praxina, PPG Sandman, Mizugeiko and Uvula the Sea Hag!

Abra Kadabra: Lets get them!

They went at the footsoldiers and blasted and smashed them.

POW! SMASH WHAM!

I punched Trakeena all over the place with indiscriminate fury!

Leo fired a blast of fire and blasted Trakeena all over!

Eli: Wow! Amazing! Trakeena's more monstrous than ever but bro and Leo are really completely overwhelming her!

POW!

I smashed Trakeena in her face and sent her crashing into a rock!

Me: **You make me fucking sick Trakeena. You don't care who lives and who dies. You just only want nothing more than to see people suffer. You would rather see people die.**

Trakeena: Only the strong live and the weak die!

Me: **No. YOU are the one that deserves to die! Just like when I killed your wretched father!**

THAT SET TRAKEENA OFF!

She went at me some more and I dodged all her punches and attacks!

The team was really tearing the footsoldiers apart.

Maria: Did you think we wouldn't be prepared for your flunkies?

Maria blasted them down with intense water!

Laney slashed them all over and Kendrix slashed them and blasted them all over.

Qin fired waves of fire and blasted the Footsoldiers all over.

Lincoln fired waves of lightning and electrocuted the footsoldiers.

Trakeena was kicked into the back and bashed down.

The team blasted the rest of the footsoldiers!

May: There! That should be all of them!

Nico: It is.

POW!

I punched Trakeena into another rock.

Me: **How does it feel to be on the opposite end of the whooping stick?**

Trakeena got up and she was really mangled up.

Me: **Just as pathetic as your father was.**

Leo Corbett: When he shows up again, he's ours. But you? You're dying today!

Me: **That's right!**

Villamax: And I got some payback of my own!

KROW!

He smashed her in her face and sent her crashing into a rock!

Villamax: That felt good.

Trakeena: Villamax you traitor!

Villamax: No it's the opposite! YOU betrayed me so I'm returning the favor!

Wes: That wasn't cool!

Nico: That was not cool at all!

Me: **Because you will always be weak! You completely underestimated our power. Also I will not be beaten up a third time by you again. I learned from my mistakes and now I know there is only one way I know to deal with your kind.**

I teleported and kneed her in the stomach and sent her flying high and Leo jumped and slashed her.

---

Pollinator was created by Mesogog and sent with Zeltrax and Elsa and a big squad of Tyrannodrones to stop the Rangers from going through the portal and entering his lair to save Tommy. But their first encounter failed.

Later Pollinator was drawn in with Elsa and Zeltrax to stop the Rangers from rescuing Tommy. But the Rangers defeated the villains and saved Tommy and even took the Black Dino Gem.

Seconds after they came to Reefside, Pollinator came to the city with the other two and an army of Tyrannodrones to stop them from getting the Black Dino Gem back to the Dino Lab. While Tommy fought with Zeltrax and Conner fought with Elsa, Pollinator fought with Ethan and Kira. He became invisible and nearly defeated them, but they finally defeated him. Then Conner arrived and the Rangers formed the Z-Rex Blaster.

Pollinator was destroyed by the Z-Rex Blaster, but Mesogog revived and enlarged him with the Hydro Regenerator. In the giant battle, Pollinator nearly defeated the Thundersaurus Megazord with his tentacles but Hayley gave Tommy the Cephala Zord. It pounded him down before combining with the Megazord. Pollinator was bashed into the skies by the Thundersaurus Megazord's Cephala Power Punch before detonating.

Motor Ed was next.

Motor Ed: (to Yang) Heard you dudes met Diana Dionysus. What's the dudette like?

Yang: She is the daughter of Dionysus the God of Winemaking and Fruit and she made a wine that is so potent that she got Brad Uppercrust III drunk like a loon and it was funny.

Zipp Storm: That was so awesome and funny and we laughed a lot at that.

J.P.: We sure did and it was funny.

The dragons all agreed.

Rainbow Dash: Her story is awesome too.

Coup: Yeah it sure was awesome.

Jaime: I'll say!

---

Nico: Yep. So, Diana, what's the story on how you, Mr. Lynn, and Lincoln took down that prick, Bradley Uppercrust III?

Diana Dionysus: Oh, now that's a story I've never forgotten.

Diana Dionysus pulled up a video and it played on the screen, and it showed Lincoln, Diana, and Lynn Sr. working in Lynn's Table.

Past Lincoln: Whoa, Dad's restaurant is really booming with success! Look at all the customers we're getting.

Past Diana Dionysus: You got that right.

Past Lynn Sr.: This really is amazing, I can't believe how much my business has gone up.

?: Well, enjoy it while you can, because I will destroy you all if it's the last thing I ever do!

Then, the doors to the restaurant burst open, and there standing with anger and malice in his eyes was Bradley Uppercrust III.

Past Lincoln: Brad, I should've known it was you. That's it, I've had it up to hear with you, you good-for-nothing prick!

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer, his claws grew sharper, and then, his abnormally massive upper and lower body muscles suddenly grew much bigger as he let his rage loose.

Past Lincoln: I WILL NOT LET YOU LAY ONE FILTHY HAND ON MY GUARDIAN ANGELS OR MY FAMILY, YOU GOOD-FOR-NOTHING PRICK! (WOLF ROAR)

Nico: Oh… Shit!

Me: That prick was dead meat on a stick that day!

Lincoln let the beast out in him and Brad screamed with rage and then charged at Lincoln, but Lincoln punched him hard in his stomach and he grabbed Brad by the collar of his jumpsuit and lifted him up off the ground with his really immense and powerful superhuman strength and he threw him into a tree, and he attacked him with a dangerous ferocity, and he, Lynn Sr., and Diana blasted him with energy blasts and they also pounced on and kicked the tar out of him. Then, Diana forced him to drink her special wine, and he blabbed out that he broke out of prison with help from some of the guards who wanted us dead, and he passed out. Then, Lincoln fired red energy waves from his massive white angel wings and tied that prick up in a red energy straitjacket, and when he alerted the rest of his family of what Brad tried to do to him, Lynn Sr., and Diana, they were really furious, and then, Lincoln called the cops as they grabbed that prick.

Cop: And don't worry, we fired the guards who helped Brad escape, and we had them thrown in their own prison cells. Come on, Brad, it's back to jail for you.

Brad was then loaded into the wagon and they took him straight back to prison as the video ended.

Nico: Hey, I remembered that day all too well, I can't believe that fucking prick, Brad, escaped and tried to get revenge on us!

Me: Honestly, he has a one-track mind: and all he's focused on is revenge on us, killing Max and his friends, and being a flat-out jerk and prick.

Lincoln: He deserved all those thrashings we give him, and he still doesn't know when to quit. So, he needed to be taken down for good and become humiliation fodder.

Eli: Even though there are some of us who would rather see him dead after all the crap he pulled.

And he was right: some of Lincoln's Guardian Angels had sharpened axes and knives and even a dart board with Brad's picture on it and it was stabbed and slashed all over until it was mangled to pieces.

Nico: (Winces) Yikes, I knew that some of Lincoln's Guardian Angels hated that prick, but it got to the point where they don't want him to suffer, they want him to die.

Me: (Shudders) And that prick hadn't pulled that many stunts in trying to kill Lincoln and all of us, that's usually the territory of the other jerks like Flip, Lewis Travolta, Icky Vicky, Amy, Billy McLean, Pablo, Anderson, Trina Riffins, and Bubble Bass.

They fired waves of energy and elements and they formed into said Galactabeasts.

Lincoln and his harem: LOST GALAXY FINAL SMASH: LOST GALAXY BLAST!

They fired a barrage of ki blasts based on the Zords of Lost Galaxy at Trakeena which explodes on contact!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Sebastian Mendez: And now! (Midnight Blue Eyes Turn Blood Red) LET THE MADNESS BEGIN!

Suddenly, a black pentagram with the symbol of Nyx appeared on the necks of Furio and Barbarax and almost immediately, they fell under the control of The Demonic Black Hand of Betrayal, the demonic and dark curse of Nyx, Greek Goddess of The Night.

Trakeena: What are you fools doing?! Stand down now, that's an order!

Sebastian Mendez: Furio… , Barbarax… , kill Trakeena!

Furio and Barbarax: (Under Mind Control) Yes, Master.

Furio and Barbarax attacked the weakened Trakeena with unimaginable fury, and she was literally being ripped apart by her own minions.

Lincoln: I've seen Melanie use that curse on any of my enemies or on Lori, Lynn, Lola, Lisa, and Luan if she wants to cause more trouble on them, but to see it used on old enemies of The Power Rangers, that's really brutal.

Me: **Lady Nyx sure came up with quite a brutal curse.**

Sebastian Mendez: It won't last for long. Now, let's get rid of Trakeena

Nico: But Furio and Barbarax are going into the M.O.E.

Sebastian: Gotcha.

Me: **First this!**

I teleported and stabbed her right in her black heart!

Furio and Barbarax came back.

We fired massive black energy blasts which hit Trakeena and she exploded as the blasts hit her, and she was erased forever by The Black Gates.

Me, Nico, and Lincoln: Good riddance forever, Trakeena, and don't you ever come back, you butt-ugly bug!

Leo Corbett: You're done forever, Trakeena.

Nico: You got that right. Awesome job, gang, we're finally rid of Trakeena and her evil forever.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Scottie Ingrumangel of the Ghostrick Destroyers.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Sarah Dullahan: (Scottish Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Scottie Ingrumangel, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Scottie Ingrumangel, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Sarah Dullahan: (Scottish Accent) Scottie Ingrumangel, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Scottie Ingrumangel: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Scottie, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Sarah Dullahan: (Scottish Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Sarah Dullahan's emerald green eyes turned neon emerald green and she was surrounded by a red and green energy aura with stars, darkness, light, shadows, Dullahan, and angels, she unholstered her massive Ghostrick Dullahan's Scottish Dullahan Darkness Archangel Greatsword of Scottish Darkness Dullahan Angel Justice from her back along with The Scythe of Guilt, and as she approached Scottie Ingrumangel, she left red and green energy, stars, darkness, light, shadows, Dullahan, and angels with every step.

Sarah Dullahan: (Scottish Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Scottie Ingrumangel, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Sarah Dullahan was surrounded by a massive vortex of red and green energy with stars, light, darkness, and shadows surrounding the vortex, there are Dullahan, angels, and Ghostrick Dullahan flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Scottie Ingrumangel: the red eyes of eternal death. Then, as the vortex faded, Sarah Dullahan emerged, but she was changed forever.

SCOTTISH MUSIC PLAYS

Sarah Dullahan grew from 6'5" to 7'5" in height, she has the body of a goddess, she has green highlights in the bangs of her long blood red hair, she has neon green eyes and a red and green energy aura with stars, darkness, light, shadows, Dullahan, and angels surrounding her, she has the Dark Kanji in the hands of Ghostrick Dullahan emblazoned on her forehead and Third Eye with red iris, she has on Dullahan earrings with blood red gems for eyes and holding the Light, Dark, and Eternity Kanjis in her hands, she also has Ghostrick Dullahan with blood red gems for eyes and holding the Light, Dark, and Eternity Kanjis in her hands on the bottom of her blood red Dullahan-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Sarah Dullahan has on a sleeveless red crop top, green plaid skirt, red stockings, red knee-high boots with butterfly buckles, black fingerless gloves, and long white sleeveless trenchcoat with stars, darkness, light, shadows, Dullahan, and angels on the coattails, and on the back is Ghostrick Dullahan and a Dullahan surrounded by stars, light, and darkness. Suddenly, Sarah Dullahan felt a sharp pain on her back, and then, her massive blood red angel wings with green tips on the large blood red feathers grew much bigger for her new body and she now has eleven massive and long blood red wolf tails with green tips and green markings, she has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Sarah Dullahan's massive Ghostrick Dullahan's Scottish Dullahan Darkness Archangel Greatsword of Scottish Darkness Dullahan Angel Justice, The Scythe of Guilt, and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, stars, darkness, light, shadows, Dullahan, and angels, and when it emerged, it was transformed into Sarah Dullahan's Ghostrick Dullahan Scottish Darkness Archangel Greatsword of Scottish Darkness Dullahan Angel Justice, it's a brand-new massive greatsword with embedded green gems and Ghostrick Dullahan etched on the 7'4" massive, wide, double-edged blood red blade, large Dullahan heads for the crossguard, large white angelic faces built into both sides of the hilt with large blood red gems embedded in their foreheads, longer midnight black handle, four large Dullahan heads and below the Dullahan heads is a large white angel head with red gems for eyes and a red gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with blood red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Dullahan's heads with red gems for eyes and a large red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Sarah Dullahan has transformed into SUPER ANGEL-GHOSTRICK DULLAHAN-DULLAHAN-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA SCOTTISH DULLAHAN DARKNESS LIGHT GHOSTRICK DULLAHAN ANGEL OF DIVINE SCOTTISH DARKNESS LIGHT DULLAHAN ANGEL JUSTICE AND DIVINE

SCOTTISH DARKNESS LIGHT DULLAHAN ANGEL LOVE!

We were amazed by Sarah Dullahan's Super Angel-Ghostrick Dullahan-Dullahan-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Scottie Ingrumangel saw it, she fell into an even more darker and more insane rage and ran at Sarah Dullahan with a knife to stab her in the heart and kill her, but Sarah Dullahan fired a powerful barrage of blood red and green energy blasts, stars, darkness, light, Dullahan, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Me: Whoa!

Nico: Sarah Dullahan's transformed, and now, there's nowhere for that delusional vampire to hide.

Lincoln: No villain's ever been safe, not even from The Dullahan of Royal Woods, and now, Scottie's going to pay the price for her crimes.

Sarah Dullahan: (Divine Godly Cosmic Voice of The Scottish Darkness Light Scottish Dullahan Angel Ghostrick Dullahan Angel and Divine Scottish Darkness Light Scottish Dullahan Angel Ghostrick Dullahan Angel Love) (Scottish Accent) And pay, she will. Now, let's rip her to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Sarah Dullahan.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Scottie Ingrumangel, now it's time we put you down for good!

Sarah Dullahan and Lincoln went after Scottie Ingrumangel, and they fired extremely powerful blasts of rainbow energy, blood red and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Scottie Ingrumangel and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Sarah Dullahan also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Scottie Ingrumangel mad.

Scottie Ingrumangel: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Scottie Ingrumangel's vampiric nature came out, and now, she was out for blood. Scottie Ingrumangel ran at Lincoln and Sarah Dullahan, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Scottie Ingrumangel's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Scottie Ingrumangel in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Scottie Ingrumangel's life energy as we then saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Aurelia Karayan into his body and then draining her soul of her life energy, an energy card with Scottie Ingrumangel's drained soul appeared in his left hand. We cheered wildly for what Sarah Dullahan and Lincoln did as they holstered their weapons and powered down, and Sarah Dullahan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blood red wolf tails, and massive blood red angel wings are permanent.

Sarah Dullahan: (Scottish Accent) That's one down and nineteen of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sarah.

Suddenly, Sarah Dullahan wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sarah Dullahan's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Dullahan flying in the air, and we saw a herd of Buffalo and many animals running across the field and the Dullahan riding on his horse behind them with Scottish Music playing behind them and we cheered wildly. Then, Lincoln and Sarah Dullahan absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a truly frightening fight, Lincoln, Sarah, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Scottie Ingrumangel in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Scottie Ingrumangel's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, her name is Helena Hephaestus, Daughter of Hephaestus, Greek God of Blacksmiths, Metalworking, Carpenters, Craftsmen, Artisans, Sculptors, Metallurgy, Fire, and Volcanoes, and I'm also hoping to meet a Gene-Slammer for Vampire Hunter, and we'll also be meeting up with Marlene Connors, The Gene-Slammer of All The Elemental HEROS.

Me: Whoa, a three-for-one, awesome!

Nico: And since we're dealing with Audrey Blade and her minions, we'll be needing the help of a vampire hunter who's had run-ins with those bitches.

Selene Emperyous: Yeah, and you'll love meeting Helena tomorrow. Helena Hephaestus is Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Blacksmiths, Metalworking, Carpenters, Craftsmen, Artisans, Sculptors, Metallurgy, Fire, and Volcanoes, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lana, and Helena, Lincoln, and Lana helped her make a statue of Bobbie Fletcher out of marble as a present for her birthday, and she really loved it, and she also helped Lincoln very much in enhancing his skills in Metalworking and Blacksmithing along with helping to expand his talents as a skilled artist and with helping him master the powers over fire and volcanoes.

Nicholette Torrington: Lincoln made Helena a beautiful necklace with red gem for the pendant, along with a white short-sleeved blouse, red sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Helena kissed Lincoln on the lips as a volcano erupted and flames raged behind them, and it was truly beautiful, and she really hates Lola with a bloody passion, because she absolutely hated Helena for always defending Lincoln whenever he along with Lori, Lynn, Lisa, Luan along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Helena everything about what that pink-wearing pageant she-demon has done, and one time when Lincoln, Helena, and Lana were working on sculpting a statue for Royal Woods' founder, that rampaging little monster showed up and tried to kill Lincoln again, and she also wanted to kill Lana and Helena for always defending him, that was until Lincoln let loose the beast inside him and he viciously attacked that rampaging pageant she-demon with a dangerous ferocity, and he, Helena, and Lana blasted her with energy blasts and they also pounced on and kicked the tar out of him, and Lincoln fired red energy waves from his massive white angel wings and tied that little monster up in a red energy straitjacket, and when he alerted the rest of his family of what Lola tried to do to him, Helena, and Lana, they were really furious, and Lincoln called Luna to drag Lola's butt home where she got grounded for fifteen weeks and she got thrown in a cage.

Nico: Sheesh, Lola was a monster because of her dark side.

Lily: That's putting it mildly.

Me: Yeah, and who do you think is The Gene-Slammer for Vampire Hunter, Lincoln?

Lincoln: There's only one person I know who's a Gene-Slammer for Vampire Hunter, J.D.: Selene Valerious.

Sheena and Wendy gasped.

Wendy Valerious: Selene Valerious, we haven't seen her in a long time.

Nico: Wendy, you and Sheena never mentioned that to me before.

Sheena Valerious: Looks like we didn't.

Nicholette Torrington: And you're going to love meeting her. Selene Valerious is Lincoln's Guardian Angel from Transylvania, and just like Sheena and Wendy Valerious, Selene Valerious is a direct blood descendant of Valerious the Elder and she's also a member of The Knights of The Holy Order, the very order that Van Helsing belongs to. The Valerious Family of Transylvania has been widely known for hunting down vampires, especially the one vampire who has been a blight and plague to their entire family bloodline for over four centuries: Dracula. Her family has spent many centuries in trying to find the one thing that can kill Dracula for good, because her ancestor made a vow to God that he and his family would never rest nor enter the Gates of Heaven until they vanquished Dracula from their line, and send that evil monster to Hell where he belongs, but none succeeded and many died throughout the centuries, and Selene was aware of what would happen if all of them were killed before Dracula is killed, the nine generations of their family would never enter the Gates of St. Peter and they would slip into Purgatory doomed to wander in the realm between the living and the dead forever. But, when Dracula was vanquished, the solemn promise Valerious the Elder made centuries ago was finally fulfilled, and her family was finally freed from Dracula's evil grasp. She moved to Michigan, and she was aware of Lincoln's secret: that he's a powerful Alpha Vampire-Werewolf Hybrid, but she also saw that he's an expert vampire hunter, and they fought against some of the most dangerous vampires that dare to come to Michigan to slake their thirst for blood. She's also defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, and his many enemies, and though she hates them with a passion, there's only one person she hates with a very blazing hatred so bad that she wants to kill him and see him burn in the first light of dawn: his name is Felix Asmodeus, a dangerous and powerful vampire who was turned centuries ago by her family's hated enemy, Dracula, and Felix had wanted nothing more than to kill her, Wendy, and Sheena Valerious and have his revenge for the death of Dracula.

We gasped.

Sheena Valerious: Oh, we haven't forgotten Felix Asmodeus, that vampire who was turned centuries ago by our family's hated enemy, Dracula.

Wendy Valerious: How we wanted to put an end to Felix Asmodeus once and for all, but with Audrey and his undead minions running loose, Felix's desire for revenge was going to have to wait.

Lincoln: Yeah, Audrey Blade and her followers are a danger to everyone in their path, and they need to be destroyed for good.

Me: You got that right.

Private HIVE: Job well done, soldiers!

Eccentro: Got that right!

Gizmo: Sure, Scorpius might still appear. But we'll be waiting for that barfbrain.

Me: And when he shows up, He'll be squished.

Lana: As long as I eat him for dinner like Poromon did with Mr. Mind.

Me: EW! I don't think he would taste very good Lana. But go for it.

Radioactive Man: Let's celebrate at Terra Venture.

Po Kong: I wonder what food they have there.

Leo: It's really awesome.

Nergal: I'll make some pizza too.

Nico: Awesome. J.D., Leo you did amazingly well against Trakeena. That was amazing!

Me: Thanks Nico. It sure was.

Leo: I'll say.

Nico: Great job today everyone.

Twilight Sparkle: (To the viewers) This was an epic and action packed battle. Hope you all liked it.

Me: I know we all did.

Nico: Yep.

We went back to Terra Venture and had a great party and had awesome pizza and more. Later we went back to the estate and enjoyed the rest of the day and went to sleep.

---

But in the fiery depths of Hell, watching us was Scorpius and he saw Trakeena die by our hands.

Scorpius: TRAKEENA NO! My daughter! (ENRAGED) I WILL KILL YOU FOR THIS TEAM LOUD PHOENIX STORM! I WILL KILL YOU ALL! YOU ALL WILL PAY!

SCORPIUS VOWED TO GET HORRIBLE REVENGE ON US!

But that's for another time.

THE END

Another awesome fanfic done. And another of the Power Rangers many enemies done.

Trakeena was a dangerous and menacingly evil one.

Also we're going to meet a Minior Gene-slammer and that one is going to be an alien that Nico knows from Starfire's area. Her name is Re'Vington or she likes to be called Stellarfire and she is from the planet Sollarsta and she is a girl that was born there and raised on Earth and knows a lot about the planets and stars and more.

The next match-up scene for the saga is Aisha Arian, Gene-Slammer of Ghostrick Ghoul and Lincoln VS. Carla Gobara

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Saginaw, Michigan, and we got word that local notorious mob boss Daniel Wyatt and his gang are causing trouble again, and they're also out for blood because notorious drug dealer Ricky Accardo was a member of Daniel Wyatt's gang and Daniel hadn't forgotten what Lincoln did in his blood-crazed frenzy when he went after Lori, Lynn, Lola, Lisa, and Luan for their murderous attack years ago. Well, now we're going to kill Daniel Wyatt and his thugs, and Lincoln's going to do to them just like what he did to Ricky Accardo all those years ago. And we're in for a triple meeting, first, we'll be meeting the next Daughter of The Olympian Gods and Goddesses, her name is Helena Hephaestus, Daughter of Hephaestus, Greek God of Blacksmiths, Metalworking, Carpenters, Craftsmen, Artisans, Sculptors, Metallurgy, Fire, and Volcanoes, she's Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Blacksmiths, Metalworking, Carpenters, Craftsmen, Artisans, Sculptors, Metallurgy, Fire, and

Volcanoes, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lana, and Helena, Lincoln, and Lana helped her make a statue of Bobbie Fletcher out of marble as a present for her birthday, and she really loved it, and she also helped Lincoln very much in enhancing his skills in Metalworking and Blacksmithing along with helping to expand his talents as a skilled artist and with helping him master the powers over fire and volcanoes. Lincoln made Helena a beautiful necklace with red gem for the pendant, along with a white short-sleeved blouse, red sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Helena kissed Lincoln on the lips as a volcano erupted and flames raged behind them, and it was truly beautiful, and she really hates Lola with a bloody passion, because she absolutely hated Helena for always defending Lincoln whenever he along with Lori, Lynn, Lisa, Luan along with the rest of Lincoln's enemies who plotted to kill him, and Selene Arcangela told Helena everything about what that pink-wearing pageant she-demon has done, and one time when Lincoln, Helena, and Lana were working on sculpting a statue for Royal Woods' founder, that rampaging little monster showed up and tried to kill Lincoln again, and she also wanted to kill Lana and Helena for always defending him, that was until Lincoln let loose the beast inside him and he viciously attacked that rampaging pageant she-demon with a dangerous ferocity, and he, Helena, and Lana blasted her with energy blasts and they also pounced on and kicked the tar out of him, and Lincoln fired red energy waves from his massive white angel wings and tied that little monster up in a red energy straitjacket, and when he alerted the rest of his family of what Lola tried to do to him, Helena, and Lana, they were really furious, and Lincoln called Luna to drag Lola's butt home where she got grounded for fifteen weeks and she got thrown in a cage.

The second person we'll be meeting is Marlene Connors, Gene-Slammer of all The Elemental HEROS, she's Lincoln's Guardian

Angel and the older sister of Emilia Connors and Miranda Connors, but unlike Emilia Connors who got Gene-Slammed into all The Evil HEROS and Miranda Connors who got Gene-Slammed into The Elemental HERO Neos Monsters, Marlene Connors got Gene-Slammed into all The Elemental HEROS and she's also a powerful elemental master of light and powerful swordmaster. And like Emilia, Marlene has a very nasty and powerful hatred towards Flip, she hates him too with a vengeance, and Flip's last attempt to kill Lincoln ended with him getting not only his butt cheeks slashed off, but she also slashed off his moustache and she even shredded his clothes off leaving him in his boxers, and when she told everyone of what that mutant did, they immediately started chasing after him and his raccoon partner, Nacho, as they ran for their lives, and they also got pelted with rotten tomatoes, rotten eggs, stinking fish, and garbage.

And the third person we'll be meeting is Selene Valerious, Gene-Slammer of Vampire Hunter, she's Lincoln's Guardian Angel from Transylvania, and just like Sheena and Wendy Valerious, Selene is a direct blood descendant of Valerious the Elder and she's also a member of The Knights of The Holy Order, the very order that Gabriel Van Helsing belongs to. The Valerious Family of Transylvania has been widely known for hunting down vampires, especially the one vampire who has been a blight and plague to their entire family bloodline for over four centuries: Dracula. Her family has spent many centuries in trying to find ways to kill Dracula, because her ancestor made a vow to God that he and his family would never rest nor enter the Gates of Heaven until they vanquished Dracula from their line, and send that evil monster to Hell where he belongs, but none succeeded and many died throughout the centuries, and Selene was aware of what would happen if all of them were killed before Dracula is killed, the nine generations of their family would never enter the Gates of St. Peter and they would slip into Purgatory doomed to wander in the realm between the living and the dead forever. But, when Dracula was vanquished, the solemn promise Valerious the Elder made centuries ago was finally fulfilled, and her family was finally freed from Dracula's evil grasp. She moved to Michigan, and she was aware of Lincoln's secret: that he's a powerful Alpha Vampire-Werewolf Hybrid, but she also saw that he's an expert vampire hunter, and they fought against some of the most dangerous vampires that dare to come to Michigan to slake their thirst for blood. She's also defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, and his many enemies, and though she hates them with a passion, there's only one person she hates with a very blazing hatred so bad that she wants to kill him and see him burn in the first light of dawn: his name is Felix Asmodeus, a dangerous and powerful vampire who was turned centuries ago by her family's hated enemy, Dracula, and Felix had wanted nothing more than to kill her, Wendy, and Sheena Valerious and have his revenge for the death of Dracula.

Get ready for a battle with the small monster from the Powerpuff Girls episode Uh Oh Dynamo! It's the battle with the Blowfish monster. Not the big monster that lead to the city being destroyed but the small one.

See you next time.

# Return of The Giant Fish Balloon

Qin: I have a feeling this food planet is going to be a good one.

Wallflower Blush: I love the food planets. It's so awesome.

Xenia: They sure are.

Zipp Storm: Seeing all these planets is so amazing.

Carly Atlas: It sure is! I love the food planets.

Maria: Me too.

Lola: They are so awesome.

Varie: Yep.

Nico: Gali, I want to thank you, Man Ray, and your teams for coming.

Gali: No problem Nico. This will be so fun and cool.

Sailor Saturn: It sure will. I'm always excited for this.

Me: Me too Hotaru.

Nico: Hotaru, are you the youngest of the Sailor Scouts?

Sailor Saturn: I sure am. I started out at 12 to 13 years old and then when the Tau Nebula was destroyed I was reborn and turned 5. So yes I am the youngest.

Nico: Wow that is amazing.

Me: But you are a really powerful force of good now Hotaru. And you have your father back. We saved him from himself.

Xenia: We sure did.

Lola: That was so cool.

Qin: It sure was.

Nico: Yep.

Sailor Saturn: It sure is awesome and dad is really proud of me.

Me: He sure is. I'm sorry you lost part of your body like that in that explosion.

Sailor Saturn: I know. That was awful. But it saved my life.

Juran: Which part of your body exactly?

Sailor Saturn: My arms and legs. But after I was reborn I was made fully human.

Juran: Wow! That is amazing.

Me: It sure was.

Qin: Yep.

Nico: But I'm glad you're back to normal like that.

Sailor Saturn: I am too.

Me: Yep.

Nico: Boy yesterday's mission was so awesome.

Eli: Boy it sure was! J.D. and Leo really ripped Trakeena to shreds.

Lana: They sure did!

Rainbow Dash: That was so awesome!

Lola: Yeah it was!

Nico: It was a long time coming.

Brittney: It sure was and the spirits of the underworld told me that Scorpius watched the whole thing unfold. He is really pissed off big time.

Qin: WHOA!

Xenia: That is amazing.

Lola: Boy he must really be steamed.

Brittney: Oh he is. And he vowed to get the most horrible revenge ever.

Xenia: Geez!

Nico: Let him try.

Lana: Soon he'll be lunch just like Mr. Mind was.

Lola: Yeah!

They high five.

Nico: I don't think he's small like Mr. Mind!

Lana: No Mr. Mind to Poromon was a perfect meal. For me, Scorpius will be a perfect feast for me.

Qin: (LAUGHS) That was funny how Poromon ate him.

Xenia: (LAUGHS) Yeah.

Lola: But Lana eating Scorpius will be great.

Nico: (LAUGHS) Yeah!

Shanan: I know. Also Scorpius is only about 3 feet tall.

Nico: And he is all mean.

Camie: And soon he will be Lana's feast.

We laughed!

Sailor Saturn: (LAUGHS) That will be awesome to see.

Varie: Yeah.

Vroon: Is he really that size?

Nico: I guess he was.

Lola: Yeah I don't know how tall he was for sure.

Lana: But from the way we saw it he might have been 3 feet tall.

Qin: Yeah.

Maria: But who cares? Lana is going to eat that monster.

Xenia: Yep she sure is.

We arrived at the planet.

Nico: We're here.

We saw that it was a dark red planet and it looked like a mountain planet.

Me: From up here it looks llike a mountain planet.

Xenia: It sure does.

Nico: Lets get closer.

We went down to the planet and we landed and saw that it was a planet made entirely out of RIBWICH SANDWICHES!

Me: WHOA!

Nico: A planet made of Ribwich Sandwiches!

Lola: Oh wow!

Nicole: This is so awesome.

I took one and ate it.

Me: (EATING) Mmm! I have eaten the ribs of God! (Season 12 Episode 14)

We laughed!

Nico: (LAUGHS) That is funny!

Laney: (EATING) Delicious!

Camie: (Eating) Yummy!

Nico: Let's call Homer and Krusty!

Nico did so and Homer and Krusty appeared.

Homer: WHOA! A Ribwich planet!

Krusty: Wow! This is amazing guys! And I thought there were no more ribwiches because the cow we used for them went extinct.

Nico: Well there's enough ribwiches here to last forever.

Homer ate one and he was IN RIBS HEAVEN!

Homer was drooling uncontrollably and got the Ribwich ditters!

May: Save some for us!

Qin: (LAUGHS) There's plenty for everyone.

Krusty: Boy this is so cool guys!

Qin: It sure is.

We got to eating.

Lana: (Eating) So delicious!

Tsuyu: (Eating) Boy no kidding!

Laney: Yeah!

Homer was eating 50 of them and drooling uncontrollably.

Eli: (Eating) So delicious!

Homer: I want more!

Me: Now Homer you can't eat this whole planet. You'll explode.

Homer: Oh right.

Qin: Lets bring some home to the mascots and everyone.

Camie: Good idea.

Twilight Sparkle: They will love that.

Xenia: I agree there.

Sunset Shimmer: Yeah that will be awesome.

Nico then saw something.

Nico: Who's that over there?

We saw a figure and it looked like a shrimp.

Me: Looks like a shrimp.

Nico: Lets go see.

We went over and saw that it was a SHRIMP GENE-SLAMMER GIRL!

Me: Whoa she's a Shrimp Gene-slammer!

Qin: Whoa! I would not want to put her in Shrimp Scampi.

Maria: Who are you?

Shrimp: Don't tell me you don't recognize me Nico.

Nico: (GASP) Caroline Reynolds!?

Me: Wait the world famous New Orleans Buffet Chef!? That girl that makes awesome feasts that eating champions would love?

Caroline Reynolds: That's right.

Nico: Wow! Awesome to see you again Caroline. But I didn't expect you to be a shrimp.

Xenia: Yeah.

Lola: What were you doing when you got slammed?

Caroline Reynolds: Making one of my most delicious meals and then I felt this poke and I got turned into this.

Xenia: Oh man.

Camie: That's awful.

Me: Yeah.

Maria: Lets revert you back.

Me: (Put on blind man glasses) But just so you know this is going to hurt really bad.

Caroline Reynolds: I'm ready.

The boys covered their eyes.

Me: Okay here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain as she was reverting back!

Xenia: Me neither.

Caroline: WHY?!

Me: It'll be over in a few seconds!

She reverted back and was a girl with red hair and green eyes and she had the kanji for shrimp in the middle of her forehead.

Caroline Reynolds: (Groans) That hurt.

She got up and she looked at herself and saw that she was human again but she was naked.

Caroline Reynolds: GAH! (Covers herself) Eyes to ourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade moved in and gave her awesome red clothes.

Caroline Reynolds: Whoa! I look awesome and cool.

Nico: You sure do.

Nico kissed her on the cheek

Caroline Reynolds: Aww thanks Nico.

Qin: We should have an awesome meal you make for our mission.

Caroline Reynolds: I would be honored to cook it. Just like my idol Mary Knudson.

Me: You idolize my daughter Mary? That is awesome.

Brittney: Boy our sister Mary is going to like hearing that.

Shanan: She sure is.

Nicole: I'll say.

Eli: Yeah. And Nico I found the Anothers. We have Another Dark General Freed, Dark Doriado, Dark Armed Dragon, Darknight Parshath and Paladin of Dark Dragon as well as Another Orichalcos Kyutora, Gigas, Malevolence, Mirror Knights, Shunoros and Divine Serpent Geh as well as Another Swamp Witch and Man Ray! (PANTS) WHEW! Someone get me some water!

Maria gave him some.

Nico: Whoa this will be awesome.

Me: Yeah.

Eli: Ahh! Thanks Maria. And these will be awesome. They are 2 of Lincoln's guardian Angels and they are also gene-slammers for the Dark Counterparts and the Orichalcos monsters.

We gasped!

Qin: WHOA!

Me: Whoa man!

Lola: This will be crazy awesome!

Nico: Who do we call for that?

Me: For the Orichalcos monsters we'll call in Persephone Hades, Michelle Aphrodite, Aurora Poseidon, Melanie Nyx, Cadence Iris and Anna Ares. For the Dark Counterparts we'll call in Marlene Connors, Odette Swan, Flora Skyla, Angel Amanita and Wendy Blood.

Nico: Nice!

Eli: Yep. And the Another Swamp Witch is with them. But she is also part of the Another Dark Counterparts.

Qin: Ooh! Okay.

Nico: Call them in.

Maria did so.

Then in swirls of elements and energy came in Persephone Hades, Michelle Aphrodite, Aurora Poseidon, Melanie Nyx, Cadence Iris and Anna Ares. For the Dark Counterparts we'll call in Marlene Connors, Odette Swan, Flora Skyla, Angel Amanita and Wendy Blood.

Melanie Nyx: Hey, guys!

Marlene Connors: WOW! A planet made of Ribwich's!

Odette Swan: This is so cool!

Aurora Poseidon: It sure is!

Cadence Iris: This is so awesome.

Qin: Yep.

Then we felt a massive and incredibly strong negative energy spike and it got our auras flared up with amazing force!

Me: Whoa! Massive Negative Energy spike!

Nico: They are close.

Then in came the Anothers!

Qin: Whoa!

Lola: This will be awesome!

Nico: Hi there!

Another Kyutora: (In a girls voice) Looks like the fun is about to start.

Another Dark Freed: (In a girls voice) This will be awesome.

Lincoln: Those voices!

They merged into two beings and the Another Dark World Monsters and Swamp Witch were a girl with purple hair and had black clothes and had pitch black angel wings and had the a powerful sword of darkness with her and the second girl was a girl with black hair and blue eyes that were glowing red with incredible hatred and rage and she had the Seal of Orichalcos glowing in the middle of her forehead and she had black clothes and had the seal on her skirt and she had a powerful sword.

Lincoln: (GASP) Diana Darkus and Dana Orichalcum!

Dana Orichalcum: Awesome to see you again Lincoln.

Diana Darkus: Same here.

Lincoln: Haven't seen you girls since you were 17.

Diana Darkus: I know and you grew into an amazing Young Man.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. The girl with the purple hair is Diana Darkus and she is the gene-slammer of all the Dark World monsters and she is a true master of dark magic and has the powers of all the Dark World Monsters. She also hates Billy McLean and Scoots and wants nothing more than to rip both their heads off and mount them on pikes.

Me: WHOA! What did they do?

Lincoln: You don't want to know.

Me: (GULPS) It must be bad.

Lincoln: It's horrible. The girl in all black is Dana Orichalcum and she is The gene-slammer of the Orichalcos monsters and is the fiercest member out of my guardian angels. She absolutely despises and loathes ALL of of my enemies and protects me with such incredibly fierce and utter sheer brutality and tears her enemies apart with no mercy. She even broke EVERY single bone in Scoots' body and even MASHED UP FLIP'S ORGANS to an incredible degree to the point where he pooped out blood.

We gasped!

Me: (GULPS AGAIN!) That is brutal!

Lincoln: Yep and she has all the powers of the Orichalcos and she instantly sends any bad guy that is completely irredeemable to the Black Gates. She cleaned out an entire supermax prison of all its inmates and killed ALL of them. No mercy, no remorse, no guilt. It's how she got the moniker: The Dark Angel of The Orichalcos.

We gasped!

Nico: Wait a second! I heard of you! You were responsible for killing all the inmates of America's most notorious prisons and sending them to the Black Gates.

Qin: That is amazing!

Dana Orichalcum: That's right. I cleaned out all the inmates of San Quentin and Sing Sing.

Qin: Whoa!

Nico: Although we were using the Black Gates first.

Dana Orichalcum: Actually I was using the Black Gates long before you guys were.

Nico: WHOA!

Qin: That is cool!

Dana Orichalcum: Yeah it''s a long story.

Me: Well Scoots is dead and given the Black Gates and Flip is being used as Humiliation Fodder at Lynn's Table.

Diana Darkus: That is good.

Dana Orichalcum: That is for sure. Good riddance to that scooter riding maniac.

Qin: Yeah no kidding.

Lola: She really was giving us headaches with her stupid heckling.

Dana Orichalcum: Tell me about it.

Me: By the way is the Another Man Ray friendly or hostile?

Diana Darkus: Friendly and you will like her.

Qin: Ooh. This will be awesome.

Nico: Sorry we have to do this.

Girl Jordan: First lets separate you girls.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

The 2 girls glowed and all the Anothers were separated from them!

Nico: YEAH!

Lola: Go get them!

The girls fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books,

Me: Wow! That was awesome.

Nico: Yeah!

Nico: And now, one to go!

Gali: Yep.

Lana: Huh? Muh-muh-muh-ma-muh-muh-ma-muh-ma…

Lola: What is it, trusted sidekick?

Lana: Muh-muh-muh-ma-muh-muh-ma-muh-ma! Muh-muh-muh-ma-muh-muh-ma-muh-ma!

Lana and Lola: Muh-muh-muh-ma-muh-muh-ma-muh-ma! Muh-muh-muh-ma-muh-muh-ma-muh-ma! Man Ray! [both scream]

We saw Another Man Ray!

Qin: Oh boy.

Lola: Here we go.

Camie: This will be awesome.

Another Man Ray: (In a girls voice) (Seadog Accent) Aye lads this will be good and fun.

Me: That voice!

She reverted back and she was a girl with orange hair and had red eyes and had a sailor cap on her head and she had red angel wings and had the kanji for sushi in the middle of her forehead and she had red and orange clothes and had a sextant tattoo one her right arm and on her skirt was a Sailor's Compass star.

Me: (GASP) Valerie Suship!

Nico: Whoa!

Valerie Suship: Aye good to see ye again J.D. Its been many moons since we saw each other.

Me: It has been a while. Valerie is a sailor on a fishing trawler and she is a sushi maker too. She is also the gene-slammer of the Suship monsters.

Nico: Nice!

Kaito: (gets out Gokaiger gear) Did Swartz promise you anything?

Zocks: (gets out Go Busters gear) Because we can grant it instead.

Kaito got a Super Megaforce Blaster and Sword and Zocks got a Beast X Blaster.

Valerie Suship: Just to be a great sushi maker.

Me: That we can easily do. Sly Cooper's ancestor Rioichi Cooper can give you some tips.

Lola: Yeah he is the inventor of Sushi.

Xenia: And we can give you lots of different kids for it.

Valerie Suship: Aye that would be good.

Me: Sorry we have to fight like this.

Valerie Suship: No worries. Come at me and don't hold back.

Me: Aye aye Admiral Suship!

She changed into Another Man Ray!

Sougo: (gets out Super Megaforce Ridewatch) We don't mean to sound harsh.

Geiz: (gets out Beast Morphers Ridewatch) But you're walking the plank!

Sougo got SuperMegaforceArmor while Geiz got RedBeastMorpherArmor

Me: And it will be fun.

Another Man Ray: Come get me lads!

Nico: You'll never get away with this Man Ray! (ACTIVATES MAN RAY'S RIDEWATCH)

Nico fired waves of energy and smashed her down.

Nico: Time for some witch power. (ACTIVATES SWAMP WITCH'S RIDEWATCH)

Nico fired waves of energy and smashed her down with magic.

May: Top this. (ACTIVATES MOG'S RIDEWATCH)

She fired waves of energy and blasted her down.

May: Hope you like shrimp! (ACTIVATES PRAWN'S RIDEWATCH)

She fired sonic blasts and smashed her down.

Maria: Time to get radioactive! (ACTIVATES ATOMIC WOMAN'S RIDEWATCH)

She fired Atomic Radiation blasts and smashed her down.

Maria: Top this. Off the tree and out of the bush and into your face. (ACTIVATES TRICK SHOT'S RIDEWATCH)

She fired a beam of energy and it did just that and smashed her down.

Sailor Saturn: Time for some fun. (ACTIVATES SWAMP WITCH'S RIDEWATCH)

She fired waves of magic and smashed them down.

We fired waves of energy and blasted her all over.

Then Leap Frog, Glue Man, Nosferata, Vanessa, Smitty and Evil Gulper came.

Nico: Nice team Leap Frog.

Leap Frog: Thanks Nico. This will be so fun!

Qin: It sure will be!

Nico: (to Evil Gulper) Want some soda?

Evil Gulper: Ooh! Gulper want soda!

Nico gave him some.

Maria: But where is the gene-slammer.

BOOM.

Me: Wait look!

Then we saw a meteor! It was heading right at Another Man Ray!

Me: Is that a Meteor!?

Nico: Whoa! No way!

We saw that it was a Minior!

Nico: It's a Minior!

Maria: And it's heading right at Another Man Ray!

Me: DUCK AND COVER!

We ducked and then it hit Another Man Ray and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

We got up and I caught the Ridewatch and purified it and we went over and saw Valerie in a crater with the Minior and I brought her over to us and then we went over to Minior.

Me: Whoa what a crater!

Minior: (In a girls voice) OUCH! That hurt!

Nico: (GASP) Stellarfire!

Me: Stellarfire?

She reverted back and was a girl and she had blond yellow hair and had blue eyes with yellow sclera and had Blue Tamaranean Style Clothes.

Shanan: Whoa! She's a Sollarstanean!

Stellarfire: That's right and I am from the planet Sollarsta.

Me: That is one of the planets of Starfire's home system isn't it?

Nico: Yep. Stellarfire was born there but she was raised on Earth.

Eli: Wow!

Nico: That's one way to end a battle

Me: Yeah no kidding. Minior is known as the Meteor Pokemon so it was coming.

Stellarfire: That was really awesome though.

Me: Starfire, Blackfire and Wildfire will be happy to see you.

Nico: Yep.

Sailor Saturn: What's your favorite memory of Nico?

Stellarfire: When me and Nico went after a huge gang of Gordanian Slave Traders and destroyed them all on the planet Golos Prime.

Me: Whoa!

Shanan: Wow that's a planet home to mermaids 42,000 light years from here! That's amazing.

Nico: Yep. That was fun.

Me: Awesome.

Nico and Stellarfire hugged.

Nico: I've missed you.

Stellarfire: Same here.

We gathered lots of Ribwiches and we later went home.

Well, now we're going to kill Daniel Wyatt and his thugs, and Lincoln's going to do to them just like what he did to Ricky Accardo all those years ago.

Lincoln: Ah, we're here in Saginaw, Michigan, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got word that local notorious mob boss, Daniel Wyatt, and his gang are causing trouble again.

Luna: That mob boss always causes trouble, little bro.

Lincoln: But not like this, Luna, do you guys remember the story of what I did to Ricky Accardo years ago?

Nico: Yeah?

Lincoln: Well, it turns out that Ricky Accardo also happens to be Daniel Wyatt's enforcer, and when he found out I was the one who killed Ricky Accardo all those years ago, he flew into a terrible rage, and he hadn't forgotten what I did in my blood-crazed frenzy when I went after Lori, Lynn, Lola, Lisa, and Luan for their murderous attack years ago.

We gasped.

Me: So, that mob boss is out for blood once again.

Nico: A mob boss hellbent on revenge for what you did in turning one of his top associates into food when you went on that blood-crazed frenzy, no thanks to Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan.

Ravenna Amaranth: Well, now it looks like we're going to kill Daniel Wyatt and his thugs, and you're going to do to them just like what you did to Ricky Accardo all those years ago.

Lincoln: It's not going to be easy though, Ravenna, Daniel Wyatt's got massive armies of armed thugs patrolling his mansion, and he's also got snipers on the rooftops. So, we'll need to go for stealth and I'll use Cell's absorption technique to absorb Daniel's massive army of armed thugs and his snipers.

Nokama: Right, so we need to hide in one of the bushes, and then, you start absorbing.

We hid in the bushes, and while we did that, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers. He snuck up on one of the thugs and he stabbed the stinger into the thug's chest as he screamed in pain and he screamed in agonizing pain as Lincoln absorbed him and he was getting stronger, and when he was done, all that was left of the thug were his clothes and machine gun. Lincoln took to the shadows, and he proceeded to do the same with the other thugs all over the mansion: sneaking up on the thugs and stabbing his stingers right into their chests and he absorbed them leaving nothing but their clothes and weapons and he was getting much stronger and stronger with each one of them he absorbs, and we saw the whole thing from the bushes.

Gohan: Jeez, and I thought Cell's rampage was this bad.

As soon as Lincoln was done with absorbing the massive army of thugs on the ground, he turned his attention to the snipers on the rooftops.

Goten: Okay, now he's turning his attention to the snipers on the rooftops, this is going to be much different than with the thugs on the ground.

We then saw Lincoln appear in the center without attracting attention to himself, and then, he sent his tails right at them, and as he stabbed them with the stingers, the snipers convulsed with pain as Lincoln began absorbing them and he was getting stronger in the process, and he left nothing but the clothes of the snipers, but that was only one group of them, he moved onto the next sets of thugs and he did the same thing: he appeared in the center without attracting attention to himself, and then, he sent his tails right at them, and as he stabbed them with the stingers, the snipers convulsed with pain as Lincoln began absorbing them and he was getting stronger in the process, and he left nothing but the clothes of the snipers.

Laney: He absorbed all of the snipers on the rooftops without attracting attention to himself, all that ninja training he went through is really paying off.

Me: It sure is, awesome. If we have an assassination mission, we'll be sending Lincoln in to do the job.

Nico: Now, that I'd like to see.

We then got out of the bushes as Lincoln came back to us.

Lincoln: Now, that was rather satisfying, now let's head inside the mansion and take care of our local mob boss.

We headed inside the mansion to hunt down Daniel Wyatt. Suddenly, we saw three girls appear before us: the first is a very beautiful and super sexy girl with long crimson red hair and orange hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she's dressed in a white short-sleeved blouse, sleeveless red top, necklace with pearls and red gem for the pendant, long ankle-length white skirt, white bridal gloves, red knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with donkeys, guard dogs, cranes, and angels on the coattails and on the back is Hephaestus, and holstered on her back is a massive Hephaestus-themed greatsword with embedded orange gems and Hephaestus etched on the 7'0" massive, wide, double-edged red blade, large red crane heads for the crossguard, large white angelic faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

The second is a very beautiful and super sexy girl with long crimson red hair and dark blue hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a white short-sleeved blouse, sleeveless light blue top, necklace with pearls and dark blue gem for the pendant, white skirt with the Elemental HERO symbol on it, white bridal gloves, blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with elemental forces and angels on the coattails and on the back are the Elemental HEROS, and holstered on her back is a massive Elemental HEROS-themed greatsword with embedded colored gems and the Elemental HEROS etched on the 7'0" massive, wide, double-edged rainbow blade, large angel heads for the crossguard, large white angelic faces embedded on both sides of the hilt with rainbow gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large rainbow gem on the bottom of the large white angel heads for the pommel.

And the third is a very beautiful and super sexy girl with long midnight black hair and red hairband, crimson red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful midnight black angel wings, she's dressed in a red coat with black fur collar and black cuffs, white shirt, white cravat, necklace with pearls and red gem for the pendant, black pants, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with darkness, vampire hunters, and angels on the coattails and on the back is Vampire Hunter, and holstered on her back is a massive Vampire Hunter-themed greatsword with embedded blood red gems and Vampire Hunter etched on the 7'0" massive, wide, double-edged black blade, large angel heads for the crossguard, large white angelic faces embedded on both sides of the hilt with blood red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blood red gem on the bottom of the large white angel heads for the pommel, and with them are the five girls.

Selene Arcangela: (Gasps) The donkey, guard dog, and crane motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Crimson Red-Haired Girl: That's right.

Red-Haired Girl: And we got the girls away from that mob boss.

Black-Haired Girl: (Transylvanian Accent) But, now he's really mad, and he's really out for blood now.

Lincoln: (Gasps) Those voices, Helena Hephaestus, Marlene Connors, and Selene Valerious, I knew it was you.

Emilia Connors: I knew we'd run into our sis here.

Miranda Connors: You got that right.

Wendy Valerious: Along with Selene Valerious, one of the many vampire hunters from Transylvania and member of our family.

?: (ENRAGED SCREAM) LINCOLN LOUD, YOU WHITE-HAIRED FREAKAZOID! YOU WILL PAY FOR WHAT YOU DID TO RICKY ACCARDO!

We then saw our target: a man with long black hair and dressed in the clothes of a mob boss, it was local Michigan mob boss, Daniel

Wyatt, and he was out for blood, and with him are his bodyguards, and those hulking muscled brutes were charging right at us.

Sylvester: There he is, and now, no one shall say a kind word at his funeral!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: You got that right. And I knew you'd send your gorillas after me again, Daniel.

Lincoln changed the stingers back into tips and as he charged at the beefy bodyguards, he drove his claws into their chests and he sucked out every last drop of blood, along with their muscle mass and virility, and as he pulled his claws out, Daniel Wyatt's bodyguards were now left as desiccated corpses drained of blood, muscle mass, and virility, and this pissed off the mob boss.

Lincoln: Now, you're all alone, Daniel, and with no one left to help. Pile on, everyone, let's put an end to this asshole.

Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln leapt up into the air with superhuman agility and pounced on Daniel Wyatt and pinned him to the ground with superhuman strength. The mob boss tried hard to fight back, but as soon as Lincoln had his mouth opened up, it was too late as Lincoln then reeled his head back and lunged forward and sank his fangs into his neck.

Daniel Wyatt: (SCREAMS)

We all saw what happened: Lincoln sank his fangs into Daniel Wyatt's neck and he was draining him dry of blood, but that wasn't the end, they also saw that his muscle mass and virility was also being sucked out of him, and when Lincoln was done, Daniel Wyatt was now a desiccated corpse drained of blood, muscle mass, and virility. Then, he drove a dagger into Daniel Wyatt's heart and destroyed him as he erupted into flames and his spirit along with the spirits of all his thugs were sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Well, that's it for Daniel Wyatt and his entire organization. (To Helena Hephaestus, Marlene Connors, and Selene Valerious) And it's so good to see you all again, Helena Hephaestus, Marlene Connors, and Selene Valerious.

Helena Hephaestus: You too, Linky, it's been a long time.

Marlene Connors: And it's also good to see you and Miranda again, Emilia.

Emilia Connors: You too, sis.

Selene Valerious: (Transylvanian Accent) Along with you and Wendy, Sheena.

Sheena Valerious: You too, Selene.

Lincoln went up to Helena Hephaestus, Marlene Connors, and Selene Valerious and he hugged them, and Helena Hephaestus, Marlene Connors, and Selene Valerious are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Helena Hephaestus: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness.

Marlene Connors: You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Selene Valerious: (Transylvanian Accent) Plus, we've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know these three sexy hot mama?

Lincoln: Indeed I do, J.D., the first girl is Helena Hephaestus, Daughter of Hephaestus, Greek God of Blacksmiths, Metalworking, Carpenters, Craftsmen, Artisans, Sculptors, Metallurgy, Fire, and Volcanoes, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Blacksmiths, Metalworking, Carpenters, Craftsmen, Artisans, Sculptors, Metallurgy, Fire, and Volcanoes, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect me from those who sought to do me harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect me from Lori, Lynn, Lola, Lisa, and Luan.

Selene Emperyous: She's also really good friends with Lana, and Helena, Lincoln, and Lana helped her make a statue of Bobbie Fletcher out of marble as a present for her birthday, and she really loved it, and she also helped Lincoln very much in enhancing his skills in Metalworking and Blacksmithing along with helping to expand his talents as a skilled artist and with helping him master the powers over fire and volcanoes. Lincoln made Helena a beautiful necklace with red gem for the pendant, along with a white short-sleeved blouse, red sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Helena kissed Lincoln on the lips as a volcano erupted and flames raged behind them, and it was truly beautiful, and she really hates Lola with a bloody passion, because she absolutely hated Helena for always defending Lincoln whenever he along with Lori, Lynn, Lisa, Luan along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela also told Helena everything about what that pink-wearing pageant she-demon has done, and this one time, when Lincoln, Helena, and Lana were working on sculpting a statue for Royal Woods' founder, that rampaging little monster showed up and tried to kill Lincoln again, and she also wanted to kill Lana and Helena for always defending him, that was until Lincoln let loose the beast inside him and he viciously attacked that rampaging pageant she-demon with a dangerous ferocity, and he, Helena, and Lana blasted her with energy blasts and they also pounced on and kicked the tar out of him, and Lincoln fired red energy waves from his massive white angel wings and tied that little monster up in a red energy straitjacket, and when he alerted the rest of his family of what Lola tried to do to him, Helena, and Lana, they were really furious, and Lincoln called Luna to drag Lola's butt home where she got grounded for fifteen weeks and she got thrown in a cage.

Nico: Jeez, Lola was on another rampage again.

Luna: Big time.

Emilia Connors: The second girl is Marlene Connors, Gene-Slammer of all The Elemental HEROS, she's Lincoln's Guardian Angel and the older sister of me and Miranda Connors, but unlike I who got Gene-Slammed into all The Evil HEROS and Miranda Connors who got Gene-Slammed into The Elemental HERO Neos Monsters, Marlene Connors got Gene-Slammed into all The Elemental HEROS and she's also a powerful elemental master of light and powerful swordmaster. And like me and Miranda, Marlene has a very nasty and powerful hatred towards Flip, she hates him too with a vengeance, and Flip's last attempt to kill Lincoln ended with him getting not only his butt cheeks slashed off, but she also slashed off his moustache and she even shredded his clothes off leaving him in his boxers, and when she told everyone of what that mutant did, they immediately started chasing after him and his raccoon partner, Nacho, as they ran for their lives, and they also got pelted with rotten tomatoes, rotten eggs, stinking fish, and garbage.

Lana: Charles, Cliff, Walt, and Geo also helped in chasing that racoon out after everyone started to go after Flip, it was awesome.

Nicholette Torrington: And the third girl is Selene Valerious, Gene-Slammer of Vampire Hunter, she's Lincoln's Guardian Angel from Transylvania, and just like Sheena and Wendy Valerious, Selene is a direct blood descendant of Valerious the Elder and she's also a member of The Knights of The Holy Order, the very order that Gabriel Van Helsing belongs to. The Valerious Family of Transylvania has been widely known for hunting down vampires, especially the one vampire who has been a blight and plague to their entire family bloodline for over four centuries: Dracula. Her family has spent many centuries in trying to find ways to kill Dracula, because her ancestor made a vow to God that he and his family would never rest nor enter the Gates of Heaven until they vanquished Dracula from their line, and send that evil monster to Hell where he belongs, but none had succeeded and many died throughout the centuries, and Selene was aware of what would happen if all of them were killed before Dracula was killed, the nine generations of their family would never enter the Gates of St. Peter and they would slip into Purgatory doomed to wander the realm between the living and the dead forever. But, when Dracula was vanquished, the solemn promise Valerious the Elder made centuries ago was finally fulfilled, and her family was finally freed from Dracula's evil grasp. She moved to Michigan, and she was aware of Lincoln's secret: that he's a powerful Alpha Vampire-Werewolf Hybrid, but she also saw that he's an expert vampire hunter, and they fought against some of the most dangerous vampires that dare to come to Michigan to slake their thirst for blood. She's also defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, and his many enemies, and though she hates them with a passion, there's only one person she hates with a very blazing hatred so bad that she wants to kill him and see him burn in the first light of dawn: his name is Felix Asmodeus, a dangerous and powerful vampire who was turned centuries ago by her family's hated enemy, Dracula, and Felix had wanted nothing more than to kill her, Wendy, and Sheena Valerious and have his revenge for the death of Dracula.

We gasped.

Eli: Whoa!

Lincoln: Yeah, Felix Asmodeus is one dangerous vampire who got turned by Dracula as part of some sort of contingency plan in case he got killed, and this proves Dracula was willing to go to extreme lengths to destroy the Valerious family. If we run into him in the future, he's lunch. And now that you three are here.

Lincoln went up to and hugged Helena Hephaestus in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Helena Hephaestus: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Helena Hephaestus, Marlene Connors, and Selene Valerious with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with three Elemental Thunderbird Chokers of Eternal Love on their necks.

Marlene Connors: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helena Hephaestus, Marlene Connors, and Selene Valerious.

Helena Hephaestus, Marlene Connors, and Selene Valerious had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leaned down to their faces and he kissed them passionately on the lips, and they also returned it, and we cheered for them, then, we went up to the five girls, and when Lincoln saw who they were, they immediately recognized them. The five girls are Kagefusa Manyū and Sakura from Manyū Hiken-chō and Mayuki Shiina, Miru, and Chihaya Enishi from And Love.

Lincoln: Oh wow, it's Kagefusa Manyū and Sakura from Manyū Hiken-chō and Mayuki Shiina, Miru, and Chihaya Enishi from And Love.

Nicole: Wow, awesome.

Lincoln: Are you girls okay?

Kagefusa Manyū: Yes, we're okay, thanks to you.

Sakura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Sakura: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kagefusa Manyū, Sakura, Mayuki Shiina, Miru, and Chihaya Enishi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal

Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was local Michigan mob boss, Daniel Wyatt, along with his gang who were causing trouble again, and they were out for Lincoln's blood because notorious drug dealer Ricky Accardo was also a member of Daniel Wyatt's gang and Daniel hadn't forgotten what Lincoln did in his blood-crazed frenzy when he went after Lori, Lynn, Lola, Lisa, and Luan for their murderous attack years ago.

But, when Lincoln showed what he did first by using Cell's absorption technique and he absorbed all the massive armies of thugs on the ground and the snipers on the rooftops of the mansion, and then, Lincoln sucking out the blood, muscle mass, and virility of Daniel's bodyguards who came after us and then, all of us giving him the beatdown of his life, and Lincoln killing him in the same way that he killed Ricky Accardo and finally sending them all to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln, Helena Hephaestus, Marlene Connors, and Selene Valerious have a lot of catching up to do, now that they're back in town.

Maria: Damn, now that was one wild feeding frenzy you went on, Lincoln.

Michelle Aphrodite: He sure did, he absorbed Daniel Wyatt's massive armies of thugs searching for us on the ground and his snipers on the rooftops, and what he also did in plunging his claws into the chests of his gorillas and sucking out their blood, muscle mass, and virility, and using the same move he used on Ricky Accardo to kill Daniel Wyatt: biting him on the neck and sucking out his blood, muscle mass, and virility.

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles had bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow, as he had gained a massive increase in muscle mass and virility.

Lincoln: Whoa, now that was really good.

Nico: What was that?

Becky Long: Whenever Lincoln sucks out the muscle mass and virility of a male thug, he also gains a massive increase in muscle mass along with his abnormally high virility levels.

Me: Wow, Lincoln, you are one manly Alpha Male!

Girl Jordan: (Seductively) And that definitely fits our man all too well.

After getting rid of Daniel Wyatt and his gang this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Helena Hephaestus, Marlene Connors, and Selene Valerious saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Helena Hephaestus: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Marlene Connors: He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of.

Selene Valerious: (Transylvanian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Helena Hephaestus: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Marlene Connors: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Marlene, what's the story on what you did in slashing off Flip's butt cheeks when his last attempt to kill Lincoln backfired?

Marlene Connors: Oh, now that I hadn't forgotten. One day, Lincoln and I were heading back home after our day in school and after I saved him from Lynn, Chandler, his goons, Pablo, and Anderson and sent them flying into a dumpster. Suddenly, Lincoln caught the stench of an unwashed mutant who hadn't heard of a bath, and Lincoln knew who it was: it was Flip and he came charging right at us to kill Lincoln again, but I got in the way and smashed his face in with one punch, and then, I did the same thing that Emilia did and slashed off his three butt cheeks and shredded his clothes off leaving him in his boxers, and then, I told the town of what that mutant tried to do, and they started chasing after him and his racoon partner, Nacho, as they ran for their lives and got pelted with rotten tomatoes, rotten eggs, stinking fish, and garbage.

Nico: Fucked-up mutant, he just doesn't know when to fucking quit!

Selene Valerious: (Transylvanian Accent) If you thought what Flip did was bad, you should hear of what Lori did was bad. One night, Lincoln and I were out on a date, but then, we got attacked by a vampire but we roughed him up, and we soon found out from that Lori hired him to kill us. Lincoln, in a fit of rage, grabbed the vampire and bit him hard in the neck and sucked out all his blood and his powers and threw him into the sun where he turned to ashes. He called and told the family of what Lori tried to do to us, and she got grounded for eight weeks and she got sent to Aunt Ruth's.

Eli: Making deals with vampires, is there no line the Dark Sides are willing to cross?!

2016 Chester Monroe: Okay, it's bad enough your Dark Sides have crossed a lot of lines in trying to kill Lincoln, but making deals with vampires?! That's like making deals with death!

2016 Harold Monroe: But, it was so fun to see an awesome vampire fight.

2016 Bunnicula: (Speaking in his Language)

Nico: I don't know what you just said, Bunnicula.

2016 Harold Monroe: Oh yeah, Bunnicula said the vampire Selene and Lincoln fought was a rogue vampire from New Orleans whom Lori hired to kill them, and Bunnicula scared him out of there.

Me: Lori, your Dark Side really is one mega Alpha Bitch to do something like that.

Helena Hephaestus: She sure is. Now, for my story, one day, Lincoln, Lana, and I were working on sculpting a statue for Royal Woods' founder and for the day that Royal Woods was founded, but then, we heard a shriek of rage in the air, and we saw who it was heading our way: it was Lola, and that rampaging little monster showed up and tried to kill Lincoln again, and she also wanted to kill Lana and I for always defending him, that was until Lincoln let loose the beast inside him and he viciously attacked that rampaging pageant she-demon with a dangerous ferocity, and we blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that little monster up in a red energy straitjacket, and when he alerted the rest of his family of what Lola tried to do to us, they were really furious, and Lincoln called Luna to drag Lola's butt home where she got grounded for fifteen weeks and she got thrown in a cage.

Laney: We were really furious with Lola that day as well, but we made sure she got her just desserts when Luna came home with her tied up.

Me: Everyone plain hated her guts that day, and it almost got ugly if Lincoln, Varie, and I hadn't held everyone back.

Nico: Wow.

We got a shower, and then, Lincoln, Giffany, Clubinet the Police Music Maiden, Flutomahawk, the Axe Music Maiden, Horn Wan Yue the Crescent Music Maiden, Nunchuclarinet the Whirling Music Maiden, Sax Knuckles, the Fist Music Maiden, and Trumpetonfa, the Assault Music Maiden are heading to Gelato Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Giffany, Clubinet the Police Music Maiden, Flutomahawk, the Axe Music Maiden, Horn Wan Yue the Crescent Music Maiden, Nunchuclarinet the Whirling Music Maiden, Sax Knuckles, the Fist Music Maiden, and Trumpetonfa, the Assault Music Maiden are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Giffany, Clubinet the Police Music Maiden, Flutomahawk, the Axe Music Maiden, Horn Wan Yue the Crescent Music Maiden, Nunchuclarinet the Whirling Music Maiden, Sax Knuckles, the Fist Music Maiden, and Trumpetonfa, the Assault Music Maiden had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them. Plus, Lincoln separated Giffany's dark counterpart and sent her to The Black Gates, so she wouldn't hurt the other girls in his harem.

Clubinet the Police Music Maiden: Wow, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Clubinet, and it's perfect for our first date. Shall we?

Lincoln, Giffany, Clubinet the Police Music Maiden, Flutomahawk, the Axe Music Maiden, Horn Wan Yue the Crescent Music Maiden, Nunchuclarinet the Whirling Music Maiden, Sax Knuckles, the Fist Music Maiden, and Trumpetonfa, the Assault Music Maiden dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Giffany, Clubinet the Police Music Maiden, Flutomahawk, the Axe Music Maiden, Horn Wan Yue the Crescent Music Maiden, Nunchuclarinet the Whirling Music Maiden, Sax Knuckles, the Fist Music Maiden, and Trumpetonfa, the Assault Music Maiden got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen

900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Giffany, Clubinet the Police Music Maiden, Flutomahawk, the Axe Music Maiden, Horn Wan Yue the Crescent Music Maiden, Nunchuclarinet the Whirling Music Maiden, Sax Knuckles, the Fist Music Maiden, and Trumpetonfa, the Assault Music Maiden placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Giffany, Clubinet the Police Music Maiden, Flutomahawk, the Axe Music Maiden, Horn Wan Yue the Crescent Music Maiden, Nunchuclarinet the Whirling Music Maiden, Sax Knuckles, the Fist Music Maiden, and Trumpetonfa, the Assault Music Maiden with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Giffany, Clubinet the Police Music Maiden, Flutomahawk, the Axe Music Maiden, Horn Wan Yue the Crescent Music Maiden, Nunchuclarinet the Whirling Music Maiden, Sax Knuckles, the Fist Music Maiden, and Trumpetonfa, the Assault Music Maiden are now in your harem.

Dipper Pines: And thank goodness you removed Giffany's dark counterpart, Soos told me that she can get really jealous.

Lincoln: Yeah, and I certainly did not want that dark counterpart to go hurting the other girls in my harem like that.

Jenna: And Flip has some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Giffany, Clubinet the Police Music Maiden, Flutomahawk, the Axe Music Maiden, Horn Wan Yue the Crescent Music Maiden, Nunchuclarinet the Whirling Music Maiden, Sax Knuckles, the Fist Music Maiden, and Trumpetonfa, the Assault Music Maiden, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

---

Later we were getting ready for the next Super Mario Galaxy mission.

Nico: I have just the Galaxy this time.

Me: What is it?

Nico: Loopdeeloop Galaxy.

Nicole: Ooh! That one is awesome. But there's no boss there. Just a race that involves surfing.

Nico: Yep. Who wants to come with?

Luna Loud: Me and Luke will.

Nico: Righteous!

Luke: Yeah!

They went into the simulator and then Nicole activated it and then they found themselves in the Loopdeeloop Galaxy! It was a water track surfing galaxy.

Nico: Wow! Here we are.

Luke: (sees something) I think we'll still be able to fight some bad guys before the race.

Luna: Why?

Luke: There are some Goombas up ahead!

Nico: Lets head to the galaxy then.

They got into a launch star.

Me: (On the radio) Nico this is mission control, your launch is a go.

Nico: Roger that mission control.

They launched.

WHOOSH!

Luna: WOOHOO!

They flew and landed at the galaxy.

Nico: Time for some surfing fun!

Luna: Yeah dudes!

Nico: (gets out Man Ray and Man Boy's Ridewatches) But first, let's clear out some Goombas!

Nico activated them and fired waves of water and blasted them down.

Luna Loud: Righteous!

Luke Loud: Yeah!

They then went surfing on the track!

Penguin: Welcome, Team Loud Phoenix Storm!

Nico: Glad to be here.

Penguin: Do you guys surf?

Nico: More than surf. We do it all.

Luke: Surfing is awesome.

Luna: It's rockin dudes!

Nico: Yeah it is!

Penguin: Excellent. Whoever wins this race among you 3 gets the prize!

Nico: Awesome! And if any enemies try and stop us we'll blast them.

Penguin: Go get them. Good luck.

Nico: This will be so fun.

Luke: You got that right.

Penguin: Oh, and there's another guest in the race.

Then a Pyukumuku came.

Nico: Cool a Pyukumuku!

Luna: Rockin!

Pyukumuku: (In a girls voice) This will be so fun and awesome.

Nico: Kiara Paina! Whoa!

Penguin: I see you know each other.

Nico: We sure do. She's my friend from Hawaii.

Pyukumuku: Yep.

Penguin: Nice.

Luna: Don't revert back yet, dude. The race is about to start!

Pyukumuku: Like I would revert back before the race is done.

Nico: All right then.

Penguin: You all ready?

Nico: Ready.

Penguin: ON YOUR MARKS, GET SET!

Then…

BANG!

Penguin: GOOOO!

They were off!

Nico: SURF'S UP DUDES!

They went over turns and curves of water.

Nico: YEAH!

Luna: Hey, Luke. I'm beating you!

Luke: In your dreams dudette!

They jumped over bumps and splashed down all over.

Nico: Ha! I'm beating the two of you!

Pyukumuku: In your dreams!

Then they all crossed the finish line and surprisingly they all tied for first!

Xenia: Whoa they tied!

Camie: What are the odds of that!?

Penguin: Well, I said whoever wins first place will get the Power Star. And that includes a tie.

Nico: Awesome!

Then Kiara reverted back and was a girl with blue hair and had pink clothes and had blue eyes.

Kiara Paina: That was so much fun!

They high five and then Luna and Luke got the star!

YOU GOT A STAR!

Luna: What's your favorite memory of Nico, dude?

Kiara Paina: When me and Nico had a pineapple eating contest and we both tied.

Luna: That is rockin dude!

Luke: It sure is!

Kiara Paina: It sure was.

Nico and Kiara hugged.

Nico: I've missed you.

Kiara Paina: Me too Nico. Me too.

That was a fun one.

---

In Australia we were heading to the house of Nico's friend Melody Eucalyptus. Nico was shaking like a leaf.

Murray: You okay, Nico?

Nico: I think I might wet my fucking pants!

Me: Uch! Nico must we go through this every time we go meet the parents of one of your friends.

Eli: Yeah Nico they wouldn't hurt you. They love you.

Lola: Yeah.

Lynn: Can you blame him? Most guys are afraid of this kind of thing.

Me: Yeah.

Lola: But Nico there is nothing to be afraid of.

Qin: Yeah Nico.

Camie: Yeah.

Bentley: What are your parents like?

Melody Eucalyptus: You will be amazed Bentley. My house is just beyond this hill.

Lola: Okay.

We got to the hill and went over it and then we saw an amazing sight! We saw a massive and amazing beautiful jungle with incredible plants, and animals were calling out all over and there were flowers and plants and and more all over. Also in the middle of the jungle was a huge tree that was over 200 feet tall and it had a huge tree mansion in it!

Me: WHOA!

Qin: Oh wow!

Lola: This is incredible!

Laney: When you said that you lived in an amazing beautiful garden you weren't kidding.

Melody Eucalyptus: Yep.

We walked through the beautiful jungle they had and the plants, trees and flowers were beautiful and the number of animals was really amazing.

Me: Wow! Melody your garden is absolutely breathtaking.

Melody Eucalyptus: Yeah my parents are amazing gardeners and they do all sorts of amazing things with plants.

Me: That is cool.

We got to the door of the tree.

Eddy: Allow me.

Eddy cleared his throat… and then hit the door repeatedly with a shovel

WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

DOORBELL RING DOORBELL RING DOORBELL RING

DOORBELL RING!

Then an elevator came down.

Me: Wow nice elevator.

Nico: Yep.

We got in and got into the house. We then saw Mr. & Mrs. Eucalyptus and they were dressed each like hippies from the Woodstock 1969 era.

Melody Eucalyptus: Hi mom and dad.

Mrs. Eucalyptus: Melody welcome home our darling coconut.

Mr. Eucalyptus: It's good to have you home princess.

Eddy: I rang your doorbell!

Mr. Eucalyptus: I know. We heard.

Mrs. Eucalyptus: But it's great having you all here.

Me: It's awesome to be here Mrs. Eucalyptus. Your garden and your mansion is absolutely incredible.

Eli: Boy it sure is.

Xenia: It's so amazing that you live in the middle of a beautiful jungle garden.

Fluttershy: And with so many adorable and amazingly cute animal friends.

Mrs. Eucalyptus: Thank you guys. It's so amazing isn't it.

Camie: It sure is.

they saw Nico cowering behind me.

Mr. Eucalyptus: Why Nico our little Fire Fruit. It's groovy to see you.

Misfire: Have fun killing him!

BLANG!

Armada Starscream bashed Misfire on his head and Alexis Thi Dang laughed.

Nico: (Sarcastically) Thanks for the help Misfire!

Mr. Eucalyptus: Why are you so scared Nico?

Me: We're here to talk to you about Nico having Melody into his harem and he is afraid that you guys are going to snap his neck or blow his head open.

Mrs. Eucalyptus: Oh my goodness no! Nico we would never do that to you. We love you like a member of the family and you helped our daughter.

Mr. Eucalyptus: Yeah you are a great gardener like us.

Nico: Oh, thank God!

Mr. Eucalyptus: Yeah sorry for the scare Nico.

Nico: No worries.

Mr. Eucalyptus: We should explain how we made this garden. Me and my wife here were both diagnosed with a terminal illness and in order to save our lives we were given a transfusion of plant DNA. As a result it not only saved our lives but gifted us with plant powers.

Me: Whoa. That is amazing. So you're now a family of Chlorokinetic Mystics in a sense.

Mrs. Eucalyptus: That's right.

Melody Eucalyptus: It's how I got my powers. I got my powers from my mom and dad.

Xenia: That is so amazing.

Laney: Wow! That is so cool that you can do all this with plants.

Fluttershy: I think it's absolutely amazing.

Nico: You could've asked J.D. to help you.

Me: I wasn't born back when they had that diagnosis.

Mr. Eucalyptus: J.D. is right. It was back when we were still in elementary school.

Nico: Oh never mind then.

Mr. Eucalyptus: It's how we became close and in love. We are both elementary school sweethearts.

Me: Aww Young Love.

Lola: So adorable.

Camie: Yeah that is so cool.

Allie Wilde: It sure is.

Then we saw a Silvally appear.

Me: Hey a Silvally.

Mrs. Eucalyptus: Oh yeah we found her in our garden.

Nico: Awesome.

Mr. Eucalyptus: And I believe that she knows you Nico.

Silvally: (In a girls voice) I sure do.

Melody Eucalyptus: Wow! Wendy Plutonium!

Nico: Wendy Plutonium? Whoa!

She reverted back and she was a girl with silver hair and had black and red clothes.

Wendy Plutonium: Awesome to see you again Melody and you too Nico.

We later arrived back home.

Broccoli Guy: Always good to meet parents of one of your girlfriends.

Kikyo Inuyasha: In the future, you should meet mine.

Nico gulped in fear.

Qin: Oh boy.

Xenia: Yeah.

Camie: Nico needs to man up instead of cowering in fear over the parents threatening to kill him.

Lola: Yeah.

Nico: I'll try. But right now lets get ready for our next mission.

The previous group came.

Mojo: Can me, Deker, Abis Mal, Nergal, Motor Ed, Po Kong, Radioactive Man, Gizmo, Private H.I.V.E., and Eccentro go with you guys? It would be good to visit good old Townsville again.

Nico: Yes you all can come with us.

Eli: This will be fun.

Qin: Yep.

Chill Bill: Nico, which Gene Slammers do you think you'll meet next?

Nico: For the next sea gene-slammer, I'm hoping for a Barracuda next.

Qin: Ooh!

Me: That is a really awesome kind of fish.

Xenia: Yep.

Nico: Also Komala and Turtonator.

Qin: Neat!

Xenia: This will be cool.

Me: We might meet the Komala in Australia.

Nico: We just might.

Deker: Shall we get going?

Me: Wait we don't know what we're going to do.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront: it was the small Blowfish Monster, and it was coming back to cause trouble. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Blossom, Bubbles, Buttercup, and Bunny? We got trouble.

Just then, Blossom, Bubbles, Buttercup, and Bunny came in.

Blossom: You called, Lincoln? What's the emergency?

Lincoln: We got trouble, and you're not going to like it. I just had a vision and I saw who it was that we're going to face today: it's the Blowfish Monster, and it was coming back to cause trouble.

The girls gasped.

Blossom: It's not that big monster that led to the city being destroyed, is it?

Lincoln: Don't worry, it's only the small Blowfish monster.

Bubbles: Phew, that's good.

Buttercup: Last time, that little pipsqueak called the big Blowfish

Monster and it led to the city being destroyed even when we used the Dynamo.

Lola: I remembered you girls telling me and Lana about that. (Sighs) I know the Professor wanted you girls to use the Dynamo, but not at the expense of the city being destroyed.

Blossom: Yeah, that was a bust. But, we should head down there and deal with that little shrimp.

Nico: Good idea, we can't let that little pipsqueak cause any trouble for anyone again.

Me: At least it's not that big one that caused all that.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Carla Gobara, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Carla Gobara, one of The Ghostrick Destroyers is heading here to kill you all.

Aisha Arian: (Arabian Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment back in the castle of The Michigan Supernatural Defense Force after we get done dealing with the Blowfish Monster.

Nico: Yep. Alright, gang, let's go, we're heading to Townsville to take care of the Blowfish Monster.

Lincoln: There's no way we're going to let that little pipsqueak get away with rising from the ocean to cause trouble again, and once we get done flattening him, you're next, Carla Gobara.

Aisha Arian: (Arabian Accent) You better be ready to die, Carla Gobara, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon! I will make sure you die horribly right after we deal with the Blowfish Monster.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to Townsville to destroy the small Blowfish Monster, and once we get done destroying that little runt, Lincoln and Aisha Arian are going to destroy Carla Gobara of The Ghostrick Destroyers and make her pay for her crimes.

We were off and we headed to the Townsville Sector.

---

Later we were in Tokyo Townsville Park and we were relaxing. We were having Soda, a nice barbecue and even Caroline Reynolds was cooking all of our favorite Louisiana foods.

Professor: Okay, girls, say…

Girls: Cheese! (The flashbulb pops.)

Professor: One more! (He shoots again.)

(Pan slowly along the shore. Blossom and Bubbles play with a beach ball while Buttercup works on a sand castle. Other kids splash and swim happily. A baby sitting on the shore cries. Camera turns around to show the parents-shutterbugs, each and every one of them.)

(We see shots of the following: one kid making bunny ears behind another's head while two more play behind them; a group of kids stacked up into a pyramid in the middle of the lake; the Professor hugging the girls with one arm, his other stretched toward the camera-he has pointed it at himself and them; a group of kids in a swimming race; a father and son fishing at the shore; Buttercup skating along a sheet of ice blown out by Blossom, with Bubbles floating behind them; Bubbles chowing down on a peanut butter and jelly sandwich and Buttercup drinking a bottled soda from a straw from the picnic basket as Blossom waves to the camera; a fat kid doing a cannonball dive and catching two other swimmers with the splash; and a kid floating in the middle of the lake and laughing.)

Me: (LAUGHS) Boy everyone is having so much fun.

Qin: Yeah.

Eye Five: What's she cooking?

Caroline Reynolds: Everything.

Homer was having his favorites. Cajun Crawfish, Lamb Tagine, Grilled Lamb Sausage, Zucchini Bisque, Crab Meat Po'boy, Duck Po'boy, Chicken Sausage Po'boy, Crawfish Sausage Po'boy, Cochon De Lait Po'boy, Turkey Giardiniera Po'boy, Roast Beef Po'boy, Alligator Po'boy, Catfish Amandine, Crawfish Amandine, Crawfish Étouffée, Boiled Crawfish, Cajun Shrimp and Duck Pasta, Fried Crab Cake, Pecan Catfish, Blackened Redfish, Seafood Mirliton Casserole, Fried Chicken, Fried Green Tomatoes, Stuffed Shrimp, Muffuletta, Barbecue Brisket Sandwich, Barbecue Chicken Sandwich, Smoky Bacon Greens, Seafood Au Gratin Seafood Gumbo, Chicken Gumbo, Jumbalaya, Spinach Artichocke, Creole Sweet Potato Pone, Red Beans and Rice with Sausage, Veggie Red Beans and Rice, Pralines in Cookies, Oyster Pralines, Oyster Shots, Oyster Patties, Bananas Foster, King Cake, Dixie Cake, Pecan Pie, Cajun Boudin, Boudin Balls, Crawfish Rémoulade, Shrimp and Lump Crabmeat Ravigote, Au Croissant Crawfish Po'boy, and Yaka Mein.

Caroline Reynolds: My goodness! Homer you eat just as much awesome and delicious food as Nico does.

Homer: (LAUGHS) Yeah I have a good appetite.

Qin: (LAUGHS) Yeah.

Nico: Boy the girls are having a great time too.

Xenia: They sure are.

Bubbles: Boy it sure is awesome.

Nergal: I'm making pizza too!

Me: Keep the food coming.

We had great food.

Nico: Yeah! So Blossom can you tell us how you defeated this giant fish monster before?

Blossom: I sure can.

She went over what happened when the girls used Powerpuff Dynamo for the first time and all that.

* * *

The City of Townsville is home to many landmarks and fun activities, except for Mount Rushmore. One of its most famous landmarks is Bonsai Gardens Park, a park in the Japanese-inspired district of Little Tokyo. There, the Utonium family is having a simple outing. However, all is not fun and games when the Giant Fish Balloon Monster interrupts their fun. The girls take on the monster, but when they take damage as the Professor watches, he starts to worry about their safety. Though the girls are successful at neutralizing the monster's threat, the professor expresses an extreme fear that he could have lost them in action. Buttercup tries to reassure him that they are okay, saying that they're supposed to fight crime and giant monsters.

That night, at the Utonium residence, a paternal instinct drives the Professor to draft and build a giant robot and show it to the girls. This enormous mechanical suit, built in the image of the girls themselves is what he refers to as a Dynamic Nanotechtronic Monobot; otherwise known as "Powerpuff Dynamo". He explains that it's equipped with state-of-the-art, internal teleoperated, intelligent protection, multi-layered titanium reflux-chambered shielding, a fully-loaded, defensive smart strategic combat arsenal, and an anti-aggressor exo-deflector array. As much as the girls think it's cool, Blossom explains that they don't have much use for a battle robot. The Professor explains that even though fighting criminals and kaiju are commonplace to the three of them, it doesn't change the fact that the girls are his family and will do whatever it takes to protect them if he can. So, he urges the girls to use it, and Blossom begrudgingly agrees, but only conditionally for really big emergencies.

The days go by, however, and a week of fighting crime, addressing fires, and taking down other monsters leaves the Dynamo almost out of commission. Then, on Saturday, as the family enjoys the evening paper boat race at Bonsai Gardens Park, the monster from before shows up, calling for its even bigger counterpart. The girls try to stop this giant fish, only to get injured and beat up. The already-big fish monster desperately sucks air to inflate itself and become even larger, before terrorizing nearby citizens and start attacking the city.

As the monster goes off destroying Tokyo Townsville, the Professor begs the girls to use the Dynamo. Albeit still weakened from that thrashing, Buttercup tries to tell him that they could still win this fight (even though they clearly got their butts handed to them by attacking this kaiju head on). Finally, the Professor has had enough of this negligence, and he threatens to ground the girls if they don't use Dynamo. Having no choice, the girls accept. The girls ready the Dynamo for the battle with the Professor following behind by way of helicopter.

The monster is still razing the district of Little Tokyo until the Dynamo shows up. The Dynamo tries to fight, but its protective safety shield activates unexpectedly. While the mech is in a defensive curl reminiscent of a hedgehog, the monster sends it smashing through numerous buildings. Blossom discovers that a safety switch had been activated by the Professor out of concern.

With its systems stabilized, the Dynamo continues to fight the monster, first by attempting to shoot missiles. However, the missiles all seem to miss the monster at point-blank range. The monster counters this by inflating itself so much that it launches the large pins on its body at high speed, hitting all in the area. Dynamo manages to deflect many of the dumb-fire spikes and attempts to cut it with its scissor-like bow. Though powerful enough to level some structures, the monster dulls the scissor-bow with a piece of debris. Knowing the monster's weakness, Dynamo grabs the sign from a bowling alley and grabs its three stars from the sign, throwing them like shurikens at the monster. The sharp stars hit the monster and, like how a pin pops a balloon, cause it to deflate and fly away uncontrollably to Mount Rushmore (to someone's surprise there, who says "Hey!" as the deflated monster falls above him). Despite all that had been razed in the immediate combat zone, with the monster defeated, the girls (and Dynamo) celebrate with a victory dance.

The Mayor thanks the girls for dispatching the large monster, but with the city burning among them, he also berates them for destroying the majority of Townsville with the Dynamo, and says that they shouldn't use the Dynamo again, denouncing it as a "Bot-strosity." The rest of the town's angry citizens agree. In their defense, the girls point to the Professor in the helicopter and tells the Mayor that it's his fault because he made them use it. The Professor, nervous, escapes on his chopper to avoid the angry citizens (and even the mayor and the girls).

As the Narrator says, the day is saved- more like "destroyed" by the girls, (which actually done by Utonium). The Narrator adds that just because the Professor's genius doesn't make him a smart guy (noting his lack of common sense).

---

When they were done we were shocked!

Me: Professor!

Nico: But wow! That is so cool! You girls piloted a huge Kaiju Size robot? That is amazing!

Blossom: It sure is.

Bunny: Wow!

Bubbles: Yeah that was a cool robot.

Me: I got to see that to believe it. It looks so awesome.

Gulper: I want soda! (In realization) Did my evil self say that already?

Me: Yeah he sure did.

Gulper: Oh.

Nico: But I got plenty of soda.

Gulper: Great!

Nico gave him some.

Me: But Professor we need to have a little chat.

Professor Utonium: About what?

Nico: About forcing the girls to use the Dynamo.

Me: I know you built that robot but you realize now that because of your actions you lead to the city of Townsville to become a flaming mess?

Professor Utonium: What's the point of having the Dynamo if it won't be used? It's basically the same as all our Megazords. And it could've given all the Townsville Villains including Mojo Jojo a run for their money.

Mojo:… you leave me out of this discussion.

Radioactive Man: Is it really that powerful?

Professor Utonium: Oh it sure is. Let me show you the specs on J.D.'s device.

He did so by downloading its specs into it and we saw what it looked like on a hologram. It looked like a robot modeled after the girls. It had Bubbles pigtails and Blossom's bow and Buttercup's fighting prowess.

---

The Powerpuff Dynamo is a gigantic fighter robot (modeled after the

Powerpuff Girls) created by Professor Utonium to help the the Powerpuff Girls fight overwhelmingly powerful enemies that they are unable to defeat on their own. Its power largely exceeds that of the Powerpuff Girls, who control it by piloting from the inside. Due to its extremely destructive power and the girls' disdain for using weapons to fight, it has only been used as a last resort.

The Dynamo's first appearance was in season one of the original Powerpuff Girls series in the episode Uh-Oh, Dynamo, after Professor Utonium suffered a fit of parental fear over the Powerpuff Girl's safety despite their incredible power. Although he slaved away to create the Dynamo, the girls rightfully regarded it as entirely unnecessary, and avoided using it much to Utonium's disappointment. It was not until the Giant Fishballoon appeared and overpowered the girls that Utonium, his patience exhausted, threatened to ground the Girls unless they used the Dynamo. Left with no other options, the girls used the Dynamo to its full effectiveness in battle, defeating the Fishballoon Monster. The victory was not without cost however, as the Dynamo's overpowered weapons ended up doing more damage than the Monster itself, utterly destroying all of Townsville. Outraged, the Mayor ordered that the Dynamo never be used again, with the girls quickly pointing out that it was the Professor who made them use it in the first place, causing a frightened Utonium to make a hasty exit.

With its use outlawed, the Dynamo was never seen again until Live & Let Dynamo, where the Girls discovered it relentlessly attacking Townsville. Knowing the Dynamo required a pilot, the girls mulled over who could have stolen it, considering Mojo Jojo, The Rowdyruff Boys, The Ganggreen Gang, The Amoeba Boys, Fuzzy Lumpkins and HIM. It was eventually discovered the Dynamo was acting on its own accord, as the Mayor, trapped inside the cockpit, had absentmindedly pushed its "Autopilot" button.

It had a massive plethora of weapons too. Lasers, missiles, energy rays, overwhelming strength and even a powerful titanium armor defense system and can curl into a ball for that.

* * *

Me: WHOA! That is an amazing robot.

Nico: Wow! Professor that is amazing.

Eli: (Whistles) That is an awesome robot.

Me: That is really amazing.

Camie: I'll say! Boy that robot would also give the giant monsters of the Rangers a run for their money too.

Jason Lee Scott: Wow! No kidding! That is a Powerpuff Megazord.

Blossom: Yep it sure is.

Swift Foot: How is it that it caused so much property damage and the Megazords didn't?!

Me: Lets find out.

I showed what happened during that time through a viewing window.

---

Opening shot: fade in to a billboard that shows the Talking Dog next to a bag of dog food. Above him are the words "Talking Dog Says…"; a word balloon from his mouth contains Japanese characters. We are in Little Tokyo again. The dog's mouth moves in time with a recording of its voice.)

Talking Dog billboard: It's good. It's good. It's good. It's good.

(The board is blasted by a beam from o.c. Other buildings are blown up next, followed by another billboard. The "fish balloon," as Blossom described it, stomps into view, shaking the camera with each step. It destroys a nearby tower by spitting a beam at it. A crowded section of the highway is stomped, and a swing of the tail knocks the top section off a skyscraper. People scream and run as the monster towers over them in the background.)

(Cut to a rooftop. An old woman stands at the corner, hitting the FB in the back with her purse.)

Old woman: (angrily) Back, you bad old giant fish balloon!

(It turns around, eyes her for a moment, then bites off the entire corner of the roof. Now it laughs over the burning buildings as the crowd in the street screams in fear. Cut to a close-up of the .Mo.'s face and pull back in steps as Blossom addresses the crowd. It towers over the street.)

Blossom: (amplified, from inside robot) ALL RIGHT, TOKYO TOWNSVILLE! ARE YOU READY?!

(The crowd cheers. Turn slowly up from them to the end of the street, where the FB pokes its head into view; it is chewing on part of a building, but stops in surprise and spits this out. It stomps its feet a few times and roars, then leaps into an empty street and strikes a fighting pose. The .Mo. jumps to the other end of the block and assumes its own stance, but in flexing its arms, it smashes a building on either side.)

(The view shifts to inside the control chamber, just behind the girls. The FB is visible through .Mo.'s eyes; it grunts, puzzled, then roars and charges at them. An alarm begins to sound, and the word "ALERT" flashes on a readout. Outside, the shields extend; inside, the girls are caught by surprise.)

Girls: What's going on?!

(The shields lock into place, and the monster finds itself staring at the robot in its curled-up state. It stands there for a moment, puzzled, then grins wickedly and pulls its tail back. It swings for the fences, and the .Mo. is knocked through a string of buildings. It plows through the museum and fetches up against Townsville Hall, destroying that structure as well. In the control chamber, the alarm is still going off, and the girls have been knocked halfway out of their seats. The Professor is again visible on the monitor.)

Buttercup: What the heck happened?!

Blossom: I don't know.

(Close-up of a keypad in front of the monitor, with a control marked "PROTECTIVE SAFETY SWITCH.")

Blossom: (from o.c., groaning) The Professor left the safety on!

(She reaches into view and flips the switch; turn up to the monitor.)

Girls: (Blossom in view, others o.c.) Professor!

Professor: (over radio, shrugging) I was worried.

(In the street, the FB is shaking a building back and forth. The screams of the crowd are heard once again. The .Mo. leaps in to go another round, and the missile launchers begin to open up from every conceivable location: arms, legs, body, hairline, hidden in the pigtails and under the skin. When the sequence is complete, pull back slowly to show the robot studded with dozens of small missiles, as well as a large one ready to fire from each hand. This is the monster-fighting equivalent of being loaded for bear.)

(The eyes of the monster in question go very wide, and it stops shaking the building. Now the missiles begin to fire, roaring toward it and trailing smoke down the street. One building after another is reduced to dust as The .Mo. fires salvo upon salvo and fills the night with exhaust fumes. Finally, the view is lost under a single monstrous explosion, which takes several seconds to clear. When it subsides, the entire area has been totally obliterated-but the FB is still standing and holding the top section of the building it was shaking before the assault began.)

(It looks around itself in surprise, then throws the piece down in anger. The .Mo., meanwhile, stands where it was, all its ammunition spent, and a sheepish grin on its face. The monster roars and inhales deeply, blowing itself up until it looks as if it may burst at any moment. The spikes on its head and back protrude farther from its skin and finally launches in all directions. Several of them ricochet off the .Mo.; cut to the flaming remains of the billboard from the opening shot.)

TD billboard: It's good. It's-

(A spike smashes into it, finally silencing it, and two others take out another board and an office building. More spikes fly in all directions; inside the control chamber, the girls look out through the .Mo.'s eyes, then back toward the camera, shielding their faces. Outside, the robot throws its arms up to protect itself as dozens of spikes bounce off it. One wipes out part of the highway; another smashes into a gasoline refinery, which promptly explodes. The Bagel Boy building is next to go, followed by Le Dunne King Donnet, and Mojo's observatory. The blimp that was seen floating above the stadium-now its sign can be read clearly: "TOWNSVILLE #1"-takes a hit and does a flaming nose-dive into the stands; the screams of the spectators echo through the night.)

(When the barrage ends, the .Mo. uncovers its face and grins wickedly-it has not been so much as scratched. Machinery is heard within, and the pigtails start to rotate. They pick up speed, whirling like propellers, and the hair bow begins to snap like a giant pair of scissors. The robot floats down the street head first; the pigtails, however, cut down the buildings on both sides. People on the ground cheer it on. The .Mo. continues its approach, pigtails whirling and hair bow snapping, and more buildings get chewed up.)

(It finally reaches the FB, which grabs the sign from Malph's Market and shoves it into the hair bow. The blades bend and warp when they close on the pole, and the weapon grinds to a halt. The crowd groans, and the monster laughs. The sound of booing and jeering floats up to it, making it angry. A stream of fire from its mouth turns the boos to screams of panic, and the screen begins to fill with smoke.)

(Cut to the train seen in the opening sequence, speeding along the track. The FB picks it up and swings it around itself like a set of nunchucks, shouting like a Japanese martial artist as it does so. The .Mo. lets off a battle cry and strikes a new pose of its own, and the monster lashes out with the train. The robot dodges the strikes and jumps aside, rolling away and crushing several buildings in the process. It grabs the sign from the Bowling Rink and holds it overhead; zoom in on this.)

(The monster's eyes go wide with shock, and it grunts, frightened to see a sharp object. Cut back to the sign and pull back slowly as the .Mo. brings it down and makes as if to swing it; this shot is repeated three times, pulling a little farther back each time until the robot's entire body is in view. Instead of swinging the sign, though, it picks the star signs off and throws them like shurikens. This action is seen three times, zooming in each time to an extreme close-up of the sign in the .Mo.'s hand.)

(The three stars spins toward the FB, which still stands there; then end up puncturing his lips. He grunts and after a while the stars pop loose, leaving three holes. He bursts with a puff of smoke and soar crazily through the sky. The air whistles loudly as he deflates, and then disappears from sight. Cut to Mount Rushmore, with only one person in front of it now. A shadow grows over Roosevelt's and Lincoln's statue, and after a moment, the deflated FB falls flat on top of those two heads, squeaking out its last bit of air and completely weakened

Sightseer: Hey!

(Back to Little Tokyo. The camera pans slowly across the devastation and stops on the .Mo.. As a 80s-style dance music is heard, the robot goes into a victory dance as if it has just scored a touchdown. It twirls and gyrates, spinning its head through 360 degrees, and ends by pointing at the ground-spiking the football, if it had one.)

(Cut to the Mayor, standing nearby and watching in shock. The Professor lands his chopper on the scene, radio in hand.)

Mayor: Professor!

Professor: Mayor!

(The .Mo.'s head leans into view, causing the Mayor to scream. The top half of the head opens up, revealing the girls in their seats. They have taken off their goggles.)

Mayor: (cheerfully) Oh, my! Powerpuff Girls! Thank you for destroying that evil giant fish balloon… (suddenly angry) BUT YOU ALSO DESTROYED MY BEAUTIFUL CITY! NEVER USE THAT… THAT… BOTSTROSITY AGAIN!

(As he is speaking, the Professor smiles with satisfaction, but when the Mayor erupts in fury over the destruction of Townsville, a very shocked and nervous look comes over the Professor's face as he realizes now and too late the consequences for forcing the Girls to use the .Mo. under the threat of punishment if they continued to refuse to use it at all. As the Mayor finishes, the Professor's expression changes to a look of uneasy dread knowing he's in deep trouble once the Girls confess to what he did.)

Crowd: YEAH!

Blossom: But… but it's the Professor's fault! (The girls point o.c. toward him.) He made us use it!

(With the Girls having passed the buck and revealed the real person responsible for the .Mo destroying Townsville, the Mayor glares furiously at the Professor, who can't find a good excuse for having made one of the worst decisions of his life all because of his paternal instincts getting the better of him.)

Professor: But… but, uh…

Crowd: PROFESSOR!

Professor: Well, um… eh… (He starts up the chopper.) Gotta go!

(He lifts off and makes good his escape before he can be punished for having created Townsville's destroyer in the first place. Behind him, a piece of a building falls apart and explodes, startling the Mayor while the Girls shield their eyes from the glare.)

---

When it was done we were shocked and amazed. Not only by the destruction and explosive battle from it the first time but by the amount of damage that was dealt.

Me: Whoa! That robot is considered overkill!

Nico: Boy what a mess!

Eli: No kidding!

Me: The amount of firepower the Dynamo carried was intense!

Xenia: No kidding!

Private HIVE: Professor, a soldier gets to choose the weapon they wield! They shouldn't be forced!

Me: I agree with Private HIVE. I know you were doing your best to look out for the girls but the Dynamo was considered a massive amount of overkill. Even though it got the job done it still destroyed everything.

Lola: Yeah.

Professor Utonium: You're right. The mayor outlawed it after that.

Xenia: So we heard.

Me: Yeah. But still it shouldn't be forced onto the girls no matter what.

Masker Mind: At least the Megazords aren't as destructive.

Nico: That's true.

Professor Utonium: That is true.

Blossom Z: But that was amazing seeing all that happen.

Me: Did the professor build a version of Dynamo in your World Blossom?

Blossom Z: He sure did. It's called Dynamo Z.

Qin: WHOA!

Eccentro: Why didn't we think of that one when we fought Him Z?

Bubbles Z: I guess we forgot about it.

Me: No sweat. We had our own megazords to back us up on that. But it was still fun.

Xenia: It sure was.

Princess Cadance: That was still so fun though.

Camie: It sure was.

Lola: Yeah.

Poromon: It sure was.

Varie: At least we never have to see HIM or HIM Z again.

Qin: That's for sure.

May: And later today I'm going to eat the Blowfish monster for dinner.

Me: EW! I don't think he would taste very good.

Slobber Trap: He'll be sent to the Book of Vile Dsrkness. He could make a good recruit.

Nico: I agree with Slobber Trap. He sure would.

Bridgette (Total Drama): I can show you how to make awesome blowfish sushi May. I know all about how to make it right.

Trent (Total Drama): Lindsay made blowfish for me and I ended up getting poisoned by it.

Me: I remember seeing that Trent. You were blue and foaming at the mouth and vomiting all over.

Nico: YUCK!

Qin: YUCK IS RIGHT!

Lola: No kidding!

May: I would like that though Bridgette.

Lindsay: And looking back I should have given that blowfish to Heather.

Xenia: That would have been cool.

Gizmo: Just don't eat the poisonous part.

Bridgette: Don't worry. I made Geoff blowfish sushi and I made it right.

Geoff: Yeah she sure did and it was great.

Nico: Cool.

Me: Bridgette made some for me too and she knew exactly what she was doing.

Nico: Awesome.

Laney: That is cool.

Stacy Bolton: FYI, sharks eat blowfish!

Volcana: We know.

Qin: Yep.

Mrs. Puff: That is interesting. And for me and Mr. Krabs, I eat crabs. As you all know because of the Feral Moon experience.

Sandy Cheeks: Oh yeah! I remember that.

Qin: Yeah that's right.

Lola: But that was cool seeing Neptune's Moon like that.

Xenia: Yep.

Me: Yeah. But still we got a blowfish monster to pop and cook.

Po Kong: I'm hungry for Blowfish now!

Me: You're always hungry Po Kong.

Po Kong: True.

Nico: But where is that little puffer nightmare?

Qin: Yeah.

Blossom: He hides in the lake.

Kevin Levin: Even if he's not giant size, we shouldn't underestimate him

Me: Point taken. He can inflate himself to twice our size.

Nico: Yep. But he is still full of hot air.

Xenia: Yep.

Camie: Yep.

Nico: Lets get ready for him. Blossom, Bubbles, Buttercup, Bunny, you 4 and the professor wait here for him and then we'll jump in.

Blossom: Right.

We went and hid.

(Then a kid waves and laughs. Behind him, an eyeball breaks the surface of the water. He looks back, and it blinks at him a couple of times. Now he screams and cries, terrified of what he just saw. The eye submerges. A patch of water begins to bubble and makes its way past the kid, ignoring as the kid continues his bawling. Camera follows this patch, which swells and resolves itself into an emerging fish creature of some sort. It looms out of the water and plants a foot on the shore. As the water drains away from it, camera turns slowly up from that foot to show it as a sort of mutant blowfish, with seven eyes and spikes all over its head and back.)

(It roars loudly. The adults panic and run, but the children do not seem as terrified. Some of them even point and smile. The Professor screams as well. Close-up of the girls, standing their ground at the shore. Buttercup leans in for a closer look at the o.c. enemy.)

Buttercup: You gotta be kidding!

(Pull back. The monster, standing in front of them, is only about half their height.)

Me: That's him? He's just a puny little guy.

Eli: He's not even half their height.

Nico: But looks are deceiving.

(However, it sucks in a huge breath and begins to swell until it stands at least twice as tall as the Professor.)

Me: Uh oh.

Motor Ed: Now it's bigger! Seriously!

Nico: Entrance time everyone!

We went at it.

Just as the fish monster was about to swat the girls and the professor, the spirits of the predators of fish came and they swirled around it and converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above it and then a phoenix cry was heard and we came out.

Me: Okay fish face! Come get some!

We went at it and bashed and punched and kicked it!

Qin fired waves of fire and blasted it all over!

Lola: Taste this!

WHAM SMASH BIFF KROW!

We were letting that monster have it!

Charmcaster: You're just full of hot air!

Charmcaster fired waves of magic and blasted it all over.

Kevin turned into a big sledgehammer and I grabbed him and smashed him on the creatures foot!

BLANG! CRUNCH!

The creature roared in pain!

Qin: OUCH!

I fired waves of fire and blasted him all over.

Lola: YEAH!

Abis Mal: Like that?!

Nico: How about some more?

BLANG SMASH WHAM BIFF KROW WHOMP!

Nico was punching it all over the place.

Ben: (Turns into Rath) RATH!

He was ready for it!

Rath: LEMME TELL YA SOMETHING BIG BAD FISH BALLOON! YOU WILL NEVER MESS WITH THIS CITY AS LONG AS RATH IS HERE!

Bender: YEAH! BITE HIS BIG FAT SCALY ASS!

Rath punched and pulverized it.

Mevya hopped over to it

Mevya: Take this!

He fired a blast of energy and blasted it.

Qin: Take that!

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted the monster!

Me: Take that!

Qin: Yeah.

Killer Shrike: (to Nico) We heard you went to a Ribwich planet.

Nico: We sure did.

Mummy: Did you eat any?

Nico: we sure did and Homer and Krusty had a great time on that planet.

Homer: (LAUGHS) We sure did.

Xenia: Yeah that was a really awesome planet.

Then Sinuku came.

Me: Back for another round I see Sinuku.

Sinuku: Yep I sure am.

Me: Cool cool.

Sinuku: You guys are right about the Dynamo being too powerful. The Megazords at least cause less damage.

Me: You're right on that too. Also we'll have to use the Dynamo on a place where there are no buildings present and as a last minute resort.

Nico: Good thinking there.

Sailor Glaren: Glaren is perfect for it.

Qin: I agree there.

Xenia: That works perfectly.

Nico: Yeah. Smart thinking there.

Me: Thanks.

We got the battles underway.

---

Nico: Yep. So, Marlene, what's the story on what you did in slashing off Flip's butt cheeks when his last attempt to kill Lincoln backfired?

Marlene Connors: Oh, now that I hadn't forgotten. One day, Lincoln and I were heading back home after our day in school and after I saved him from Lynn, Chandler, his goons, Pablo, and Anderson and sent them flying into a dumpster. Suddenly, Lincoln caught the stench of an unwashed mutant who hadn't heard of a bath, and Lincoln knew who it was: it was Flip and he came charging right at us to kill Lincoln again, but I got in the way and smashed his face in with one punch, and then, I did the same thing that Emilia did and slashed off his three butt cheeks and shredded his clothes off leaving him in his boxers, and then, I told the town of what that mutant tried to do, and they started chasing after him and his racoon partner, Nacho, as they ran for their lives and got pelted with rotten tomatoes, rotten eggs, stinking fish, and garbage.

Nico: Fucked-up mutant, he just doesn't know when to fucking quit!

Selene Valerious: (Transylvanian Accent) If you thought what Flip did was bad, you should hear of what Lori did was bad. One night, Lincoln and I were out on a date, but then, we got attacked by a vampire but we roughed him up, and we soon found out from that Lori hired him to kill us. Lincoln, in a fit of rage, grabbed the vampire and bit him hard in the neck and sucked out all his blood and his powers and threw him into the sun where he turned to ashes. He called and told the family of what Lori tried to do to us, and she got grounded for eight weeks and she got sent to Aunt Ruth's.

Eli: Making deals with vampires, is there no line the Dark Sides are willing to cross?!

2016 Chester Monroe: Okay, it's bad enough your Dark Sides have crossed a lot of lines in trying to kill Lincoln, but making deals with vampires?! That's like making deals with death!

2016 Harold Monroe: But, it was so fun to see an awesome vampire fight.

2016 Bunnicula: (Speaking in his Language)

Nico: I don't know what you just said, Bunnicula.

2016 Harold Monroe: Oh yeah, Bunnicula said the vampire Selene and Lincoln fought was a rogue vampire from New Orleans whom Lori hired to kill them, and Bunnicula scared him out of there.

Me: Lori, your Dark Side really is one mega Alpha Bitch to do something like that.

Helena Hephaestus: She sure is. Now, for my story, one day, Lincoln, Lana, and I were working on sculpting a statue for Royal Woods' founder and for the day that Royal Woods was founded, but then, we heard a shriek of rage in the air, and we saw who it was heading our way: it was Lola, and that rampaging little monster showed up and tried to kill Lincoln again, and she also wanted to kill Lana and I for always defending him, that was until Lincoln let loose the beast inside him and he viciously attacked that rampaging pageant she-demon with a dangerous ferocity, and we blasted her with energy blasts and they also pounced on and kicked the tar out of her, and Lincoln fired red energy waves from his massive white angel wings and tied that little monster up in a red energy straitjacket, and when he alerted the rest of his family of what Lola tried to do to us, they were really furious, and Lincoln called Luna to drag Lola's butt home where she got grounded for fifteen weeks and she got thrown in a cage.

Laney: We were really furious with Lola that day as well, but we made sure she got her just desserts when Luna came home with her tied up.

Me: Everyone plain hated her guts that day, and it almost got ugly if Lincoln, Varie, and I hadn't held everyone back.

Nico: Wow.

FLASHBACK ENDS

Killer Shrike: GEEZ! Those dark sides are willing to cross any line just to see Lincoln suffer!

Rice: You're not kidding there.

Then, his spirit appeared, and 2016 Bunnicula scared him by making his red eyes disappear, and then, green tentacles appeared from his mouth, eyes, and the back of his head, and it scared the small Blowfish Monster so bad, he got sent to The Book of Vile Darkness for good.

Me: That'll teach you, you little pipsqueak!

Lincoln: That little monster's no longer going to cause any trouble for Townsville nor for anyone ever again.

Nico: You got that right, and man, that Bunnicula sure knows how to scare someone.

Mina Monroe: Yep, that's my little vampire bunny alright.

Mina hugged Bunnicula.

Nico: Alright, awesome job, gang, we're rid of The Blowfish Monster.

Me: And he is in the M.O.E.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Carla Gobara of the Ghostrick Destroyers.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Aisha Arian: (Arabic Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Carla Gobara, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Carla Gobara, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Aisha Arian: (Arabic Accent) Carla Gobara, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Carla Gobara: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Carla, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Aisha Arian: (Arabic Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Aisha Arian's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, darkness, light, shadows, ghouls, and angels, she unholstered her massive Ghostrick Ghoul's Arabic Ghoul Darkness Archangel Greatsword of Arabic Darkness Ghoul Angel Justice from her back, and as she approached Carla Gobara, she left black and red energy, stars, darkness, light, shadows, ghouls, and angels with every step.

Aisha Arian: (Arabic Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Carla Gobara, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Aisha Arian was surrounded by a massive vortex of black and red energy with stars, light, darkness, and shadows surrounding the vortex, there are ghouls, angels, and Ghostrick Ghoul flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Carla Gobara: the red eyes of eternal death. Then, as the vortex faded, Aisha Arian emerged, but she was changed forever.

ARABIAN MUSIC PLAYS

Aisha Arian grew from 6'5" to 7'5" in height, she has the body of a goddess, she has red highlights in the bangs of her long black hair, she has neon red eyes and a black and red energy aura with stars, darkness, light, shadows, ghouls, and angels surrounding her, she has the Dark Kanji in the hands of Ghostrick Ghoul emblazoned on her forehead and Third Eye with red iris, she has on ghoul earrings with blood red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Ghostrick Ghoul with blood red gems for eyes and holding the Light, Dark, and Eternity Kanjis in his hands on the bottom of her blood red ghoul-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Aisha Arian has on a sleeveless black crop top, black skirt, black pants, black knee-high boots with butterfly buckles, black fingerless gloves, and long white sleeveless trenchcoat with stars, darkness, light, shadows, ghouls, and angels on the coattails, and on the back is Ghostrick Ghoul and a ghoul surrounded by stars, light, and darkness. Suddenly, Aisha Arian felt a sharp pain on her back, and then, her massive black angel wings with red tips on the large black feathers grew much bigger for her new body and she now has eleven massive and long black wolf tails with blood red tips and blood red markings, she has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Aisha Arian's massive Ghostrick Ghoul's Arabic Ghoul Darkness Archangel Greatsword of Arabic Darkness Ghoul Angel Justice and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, stars, darkness, light, shadows, ghouls, and angels, and when it emerged, it was transformed into Aisha Arian's Ghostrick Ghoul Arabic Darkness Archangel Greatsword of Arabic Darkness Ghoul Angel Justice, it's a brand-new massive greatsword with embedded blood red gems and Ghostrick Ghoul etched on the 7'4" massive, wide, double-edged black blade, large ghoul heads for the crossguard, large white angelic faces built into both sides of the hilt with large blood red gems embedded in their foreheads, longer midnight black handle, four large ghoul heads and below the ghoul heads is a large white angel head with red gems for eyes and a red gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with blood red gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Ghoul's heads with red gems for eyes and a large red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a blood red kanji below Ghostrick Ghoul and the ghoul that said, "Aisha Arian, Gene-Slammer of Ghostrick Ghoul, Arabia's Legendary Ghoul, Friend of Ursula Truaigheaingeal, Powerful Member of The Ghostrick Gene-Slammers, Powerful Master of Darkness and Light, Friend of Many, Master of Darkness, The Dark Arts, Necromancy, Satanic Black Magic, The Undead, and Blood Magic, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Pablo and Anderson, Archenemy of Eclipse Aquarius, Destroyer of Carla Gobara of The Ghostrick Destroyers, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Light, Ghouls, and Angels"

Aisha Arian has transformed into SUPER ANGEL-GHOSTRICK GHOUL-GHOUL-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA ARABIAN GHOUL DARKNESS LIGHT GHOSTRICK GHOUL ANGEL OF DIVINE ARABIAN DARKNESS LIGHT GHOUL ANGEL JUSTICE AND DIVINE ARABIAN DARKNESS LIGHT

GHOUL ANGEL LOVE!

We were amazed by Aisha Arian's Super Angel-Ghostrick Ghoul-Ghoul-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Carla Gobara saw it, she fell into an even more darker and more insane rage and ran at Aisha Arian with a knife to stab her in the heart and kill her, but Aisha Arian fired a powerful barrage of black and red energy blasts, stars, darkness, light, ghouls, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Me: Whoa!

Nico: Oh man, Aisha's transformed, and now, there's nowhere for that delusional vampire to hide.

Lincoln: No villain's ever been safe, not even from The Ghoul of Royal Woods, and now, Carla's going to pay the price for her crimes.

Aisha Arian: (Divine Godly Cosmic Voice of The Arabian Darkness Light Arabian Ghoul Angel Ghostrick Ghoul Angel and Divine Arabian Darkness Light Arabian Ghoul Angel Ghostrick Ghoul Angel Love) (Arabic Accent) And pay, she will. Now, let's rip her to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Aisha Arian.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Carla Gobara, now it's time we put you down for good!

Aisha Arian and Lincoln went after Carla Gobara, and they fired extremely powerful blasts of rainbow energy, black and red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Carla Gobara and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Aisha Arian also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Carla Gobara mad.

Carla Gobara: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Carla Gobara's vampiric nature came out, and now, she was out for blood. Carla Gobara ran at Lincoln and Aisha Arian, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Carla Gobara's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Carla Gobara in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Carla Gobara's life energy as we then saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Carla Gobara into his body and then draining her soul of her life energy, an energy card with Carla Gobara's drained soul appeared in his left hand. We cheered wildly for what Aisha Arian and Lincoln did as they holstered their weapons and powered down, and Aisha Arian's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Aisha Arian: (Arabic Accent) That's one down and eighteen of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky.

Lincoln: (Smiles Warmly) You're welcome, Aisha.

Suddenly, Aisha Arian wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aisha Arian's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Ghoul flying in the air, and we saw a herd of Buffalo and many animals running across the field and the ghouls rising from the desert behind them with Arabic Music playing behind them and we cheered wildly. Then, Lincoln and Aisha Arian absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a truly frightening fight, Lincoln, Aisha, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Carla Gobara in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Carla Gobara's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which of the daughters of The Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, her name is Beverly Bacchus, Daughter of Bacchus, Roman God of God of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, she's my Guardian Angel from Rome, and like her father, she's a Goddess of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy.

Me: Whoa, the Roman equivalent of Dionysus, and the same deity that your dad got his powers from.

Lincoln: Exactly, J.D.

Selene Emperyous: When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lynn Sr., and Beverly and Lincoln helped Lynn Sr. in the restaurant, and Beverly even helped in teaching Lincoln and his dad everything she knows about using the powers of wine, since she knew Lynn Sr. got his powers from her father, and she had a lot to teach him, and she, like Diana Dionysus, even knew how to make a potent and powerful wine to make criminals so drunk, they confess and blab out their crimes to the public. Lincoln made Beverly a beautiful necklace with green gem for the pendant, along with a white short-sleeved blouse, green sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Beverly kissed Lincoln on the lips as wine fountains had erupted behind them, and it was truly beautiful, and she really hates Flip with a bloody passion, because he absolutely hated Beverly for always defending Lincoln whenever he along with Lori, Lynn, Lola, Lisa, Luan along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Beverly everything about what that mutant has done, and one time when Lincoln, Beverly, and Lynn Sr. were at the restaurant, that mutant showed up after he broke out again and tried to kill Lincoln along with Lynn Sr. and Beverly as revenge for ruining his scams, that was until Lincoln let loose the beast inside him and he viciously attacked that hairy mutant cheapskate with a dangerous ferocity, and he, Beverly, and Lynn Sr. blasted him with energy blasts and they pounced on and kicked the tar out of him, and she fired a blast of her special wine that made Flip so drunk, he confessed to why he broke out and he passed out, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Flip tried to do to him, Beverly, and Lynn Sr., they were really furious, and Lincoln called the cops and they picked up Flip and took him back to jail.

Nico: Dumbass mutant.

Lincoln: Yeah, oh, and I've also got a Skylanders Gene-Slammer we're also going to want to meet tomorrow, her name is Catherine Augustine, Gene-Slammer of Kaos.

Crash Bandicoot: The Master of The Ten Skylanders Elements, we haven't seen her in seven years, and you guys are going to love meeting her, Catherine Augustine is Lincoln's Guardian Angel and Master of All Skylanders Magic and All The Powers of The Skylanders Elements, and she's among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders. As she grew, she discovered she's a master of all Skylanders Magic and all the powers of the Skylanders Elements, and she trained a lot under the tutelage of Master Eon and the Skylanders and she proved to be quite the master of all the elements.

Me: Just like Cassandra Kaos, awesome.

Crash Bandicoot: Yep, and like the other Skylanders Gene-Slammers, Catherine left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Catherine really hated that world-conquering warlord, and when Marie MacDougal formed and became the leader of The Skylanders Liberation Coalition formed for the one purpose: to free The Skylands and make Kaos pay for all his crimes against Skylands and against all The Skylanders, Catherine joined the coalition. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw that she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the elements of Fire, Earth, Air, Tech, Life, Water, Light, Dark, and Undead, and she also had the additional help from the Skylanders and Master Eon, who really helped Lincoln in advancing his training in mastering the Skylanders Elements, and over time, he really proved to be a master and at the same level as her.

Spyro: He became a master of all ten Elements in that amount of time, it was amazing.

Crash Bandicoot: And although she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Catherine hates with a passion ever since she came to Royal Woods: and that person is Lori, and like Marie MacDougal, Catherine has more than once used her skills in all the Skylanders Elements to put Lori in her place and cause elemental mayhem on that bossy, out-of-control, immature control freak witch, and she even told her off saying that Lori's a bossy demonic control freak, that she's as cuddly as a gargoyle, and even worse, Catherine also said that Lori has the fashion sense of a druid! That really set Lori off, and before she could kill her, Lincoln saved her by firing ten blasts of Fire, Earth, Air, Tech, Life, Water, Life, Dark, and Undead at Lori which knocked her down and she was put in a cage of bones, and Catherine went over to Lincoln and they kissed on the lips and right in front of Lori, who was really left seething with rage and wanting revenge, but Lori got busted by her parents who saw what she tried to do and she also got grounded big time.

Nico: Sheesh, Lori was really out for blood that day.

Crash Bandicoot: She should know better: piss off one of Lincoln's Guardian Angels and she was in for big trouble.

Lincoln: Yep, and for tomorrow, we'll be facing off against Alice Gaspare, you know what that means, Winter?

Winter Icyin: (British Accent) We'll turn her undead heart into ice and shatter it into a million pieces for what she tried to do to us seven years ago.

Nico: We've seen your icy wrath unleashed more than once, Winter, and now, we're about to see it head-on against another member of The Ghostrick Destroyers.

May was eating the blowfish sushi made by Bridgette.

May: (Eating) Mmm! Delicious.

Nico: Wow that must be awesome.

May: It sure is. Great job Bridgette.

Bridgette: Thanks May.

Nico: But we are rid of that blowfish.

Lola: Yep.

Nico: Great job today everyone and May got an awesome meal out of it.

Blossom: She sure did.

Rarity: Indeed she did darlings. (To the viewers) Hope you liked this one darlings. Just remember to avoid the poisonous parts when eating blowfish.

Nico: That is for sure.

We later went back home and enjoyed the rest of the day and went to sleep.

Lincoln and his group are heading to an alternate version of The Skylands: it's a world where Kaos has unleashed destruction and untold chaos, and it's war on a massive scale that was unheard of. And it's going to get really ugly because when Crash Bandicoot sees Alternate Master Eon get mortally wounded by Alternate Kaos and right in front of his eyes and in front of us, Crash Bandicoot is going to enter into a blood oath with Alternate Master Eon and solemnly swear to protect both the Skylands and The Skylanders along with the entire universe and realms from the forces of darkness, and then, HE'S GOING TO ABSOLUTELY LOSE IT BIG TIME AND HE'S GOING TO EXPLODE WITH SUCH UNIMAGINABLE FURY AND UNIMAGINABLE ANGER EVEN WORSE THAN WHEN HE EXPLODED A YEAR AGO WHEN MALEFOR SHOWED UP TO TAKE REVENGE DURING THE RIDONCULOUS RACE OF 2022, AND HE'S GOING TO TRANSFORM AND UNLEASH THE FULL EXTENT OF THE TEN ELEMENTS OF THE SKYLANDS UPON HIM AND MAKE HIM PAY FOR HIS TRANSGRESSIONS AGAINST THE SKYLANDS AND THE SKYLANDERS IN BLOOD! And we're going to meet the first of The Daughters of The Roman Gods and Goddesses, her name is Beverly Bacchus, Daughter of Bacchus, Roman God of God of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, she's Lincoln's Guardian Angel from Rome, and like her father, she's a Goddess of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lynn Sr., and Beverly and Lincoln helped Lynn Sr. in the restaurant, and Beverly even helped in teaching Lincoln and his dad everything she knows about using the powers of wine, since she knew Lynn Sr. got his powers from her father, and she had a lot to teach him, and she, like Diana Dionysus, even knew how to make a potent and powerful wine to make criminals so drunk, they confess and blab out their crimes to the public. Lincoln made Beverly a beautiful necklace with green gem for the pendant, along with a white short-sleeved blouse, green sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Beverly kissed Lincoln on the lips as wine fountains had erupted behind them, and it was truly beautiful, and she really hates Flip with a bloody passion, because he absolutely hated Beverly for always defending Lincoln whenever he along with Lori, Lynn, Lola, Lisa, Luan along with the rest of Lincoln's enemies who plotted to kill him, and Selene Arcangela told Beverly everything about what that mutant has done, and one time when Lincoln, Beverly, and Lynn Sr. were at the restaurant, that mutant showed up after he broke out again and tried to kill Lincoln along with Lynn Sr. and Beverly as revenge for ruining his scams, that was until Lincoln let loose the beast inside him and he viciously attacked that hairy mutant cheapskate with a dangerous ferocity, and he, Beverly, and Lynn Sr. blasted him with energy blasts and they pounced on and kicked the tar out of him, and she fired a blast of her special wine that made Flip so drunk, he confessed to why he broke out and he passed out, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Flip tried to do to him, Beverly, and Lynn Sr., they were really furious, and Lincoln called the cops and they picked up Flip and took him back to jail.

And we're also going to meet another Skylanders Gene-Slammer for Lincoln's side, her name is Catherine Augustine, Gene-Slammer of Kaos, she's Lincoln's Guardian Angel and Master of All Skylanders Magic and All The Powers of The Skylanders Elements, and she's among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders. As she grew, she discovered she's a master of all Skylanders Magic and all the powers of the Skylanders Elements, and she trained a lot under the tutelage of Master Eon and the Skylanders and she proved to be quite the master of all the elements. She left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Catherine really hated that world-conquering warlord, and when Marie MacDougal formed and became the leader of The Skylanders Liberation Coalition for the one purpose to free The Skylands and make Kaos pay for all his crimes against Skylands and The Skylanders, Catherine joined the coalition. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the elements of Fire, Earth, Air, Tech, Life, Water, Light, Dark, and Undead, and she also had the additional help from the Skylanders and Master Eon, who really helped Lincoln in advancing his training in mastering the Skylanders Elements, and over time, he really proved to be a master and at the same level as Catherine Augustine. Though she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Catherine hates with a passion ever since she came to Royal Woods: and that person is Lori, and like Marie MacDougal, Catherine has more than once used her skills in all the Skylanders Elements to put Lori in her place and cause elemental mayhem on that bossy, out-of-control, immature control freak witch, and she even told her off saying that Lori's a bossy demonic control freak, that she's as cuddly as a gargoyle, and even worse, Catherine also said that Lori has the fashion sense of a druid! That really set Lori off, and right before she could kill her, Lincoln saved her by firing ten blasts of Fire, Earth, Air, Tech, Life, Water, Life, Dark, and Undead at Lori which knocked her down and she was put in a cage of bones, and Catherine went over to Lincoln and they kissed on the lips and right in front of Lori, who was really left seething with rage and wanting revenge, but Lori got busted by her parents who saw what she tried to do and she also got grounded big time.

Get ready for an adventure that goes from color to black and white as we try and stop Mr. Mime, who is also Rainbow The Clown who lost his colors because he got splashed by bleach and we're going to stop him and restore his color after separating him from Mr. Mime.

See you next time.

# The Color-Draining Clown

This chapter is based on the Powerpuff Girls villain Mr. Mime from the episode Mime For A Change.

Nico: I know.

Sheila: (Australian Accent) Boy it feels good to be back home mates. I loved going to the beach since I was a wee nipper.

Camie: Who doesn't love going to the beach.

Varie: Yeah that is for sure.

Eli: I love the beach.

Amity Blight: Me too.

Lola: Yeah it's nice.

Nico: Lightning Dust, I want to thank you, Leap Frog, and your teams for coming

Lightning Dust: No problem Nico. This is gonna be so awesome and fun.

Rainbow Dash: You got that right. This will be so awesome.

Twilight Sparkle: It sure will be awesome.

Nico: Mika, what do you like to do in your free time?

Mika: Haven't really given it much thought. Just like to look at the stars and see new things out in space.

Camie: That's cool.

Nico: So you're an astronomer.

Mika: In a way. I think it's cool.

Cassidy: It sure is. All the stars and everything are all amazing.

Nico: They sure are.

Lola: I agree there.

Nicole: They sure are amazing. So many awesome things to see.

Nico: I bet you and Shanan get along great

Mika: We do.

Shanan: Yeah we sure do. It's awesome.

Camie: Cool.

Lola: Yeah.

May: Boy yesterday was so fun. That Blowfish monster was tasty as sushi.

Nico: (LAUGHS) It sure was.

Me: That was fun. And we thrashed that little pipsqueak into sushi.

Maria: Good thing he wasn't too big.

Me: No kidding.

Qin: But that was still fun.

Lola: It sure was.

Xenia: That was a great time at the park.

Nico: I admit the Dynamo is powerful. The problem is that it's TOO powerful.

Me: More powerful than all the Megazords combined.

Qin: Yeah no kidding.

Lola: But seeing that robot in action like that was so awesome.

Camie: It sure was.

Xenia: It was awesome.

Nico: Yep. No wonder the mayor forbade the girls from using that robot again.

Me: Yeah.

Lightning Dust: That robot destroyed everything.

Nico: That and the Dynamo Z will be used as a last resort

Me: That's right.

Qin: Yep.

Camie: That was amazing seeing the Dynamo in action though.

Lola: Yep.

We got the picnic on the beach set up.

Nico: (to Sheila) Ready for our date?

Sheila Arthur: I sure am mate.

They had an awesome picnic and it had all sorts of great food.

We were also there to relax and have fun on the beach as well.

Lola: This is so fun.

Lana: I'll say.

Camie: Nothing like a little fun at the beach.

Momo: Yeah this is so awesome.

Varie: Yeah.

Nico: (to Sheila) Sorry you had to rip out of your clothes when you first transformed.

Sheila Arthur: Aw that's alright Nico. But the important thing is that I'm alright and I can change at will now.

Nico: That is true.

Sheila Arthur: It sure is.

Nico: I hope no one saw you naked after you reverted back

Nicole: Don't worry I made sure that didn't they didn't look.

Nico: Good.

Sheila Arthur: That was for sure mates.

Eli: Yeah.

Sheila Arthur: But the first time, I temporarily lost my human mind

Nico: Really?

Sheila: Yeah it wasn't fun. But I held onto myself.

Eli: That's good

Sheila smirked and concentrated. Then. A fin began emerging from her back

Sheila Arthur: I now have full control over the changes now.

Qin: Cool!

Nico: That's great.

She had the fin go back into her back.

Eli: Hey look there!

We saw what looked like a bunch of Barracuda.

Nico: Look at the barracuda.

Me: Those are the toughest kinds of fish to catch and eat.

Lola: Yeah.

Camie: No kidding.

But then we saw a HUGE BARRACUDA jump out! But it was humanoid!

Me: WHOA! That's a Barracuda Gene-slammer!

Qin: She's half human half barracuda!

Varie: Whoa!

Nico: I think we found our next gene-slammer.

It came up to us and it was a gene-slammer that was a girl.

Me: Wow.

Barracuda: Sorry about that guys.

Nico: Admiral Natalie Troy!?

Me: Whoa the famous King Crab Fisherwoman?

Natalie Troy: That's right.

Nico: Were you swimming with your fellow Barracuda?

Natalie Troy: I was and it was fun.

Qin: That is awesome.

Lola: It sure is.

Me: What were you doing when you first got slammed?

Natalie Troy: Preparing my fishing boat for my next catch. It was heading to Monroe Point.

Me: That is located right next to Seattle. Known for having the largest spawning grounds for King Crab.

Natalie Troy: That's right. You sure know a lot about the ocean and it's mysteries.

Me: Not to toot my own horn but yeah.

Nico: Let's revert you back.

Me: Just so you know this is going to hurt really bad.

Natalie Troy: I'm ready for it.

I put on my blind man glasses and the boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and then she doubled over in excruciating pain.

She roared in pain.

Me: It'll be over in a few seconds!

She reverted back and was a girl with blue hair and had blue eyes and she had a blue anchor tattoo on her right arm and she had the kanji for Barracuda in the middle of her forehead..

Natalie Troy: (Groans) That hurt.

She saw herself and she was naked.

Natalie Troy: WHOA! (Covers herself) No perverts better be around.

Rarity: Don't worry darling we can fix this.

She and the fashion brigade gave her all new clothes and she had a sailor hat and she had blue clothes on and she had a sailor compass star on her skirt.

Natalie Troy: Wow I look great.

Me: And the final touch.

I gave her a bubble pipe.

Natalie Troy: Ahh a bubble pipe. Thanks.

Nico: You okay?

Natalie Troy: I sure am. And I am good to be back to normal.

Xenia: But you can change at will now.

Qin: Yep.

Eli: And Nico we have a lot of Anothers coming! I just sensed for them.

Qin: Jeez!

Lola: This is a lot of members.

Eli: Yep. And it's one of Lincoln's guardian angels.

Lincoln: Celestia Eatos! Whoa!

Celestia Eatos: Awesome to see you again Lincoln and my goodness you grew into an amazing young man.

Lincoln: I know. Celestia is the gene-slammer of the Guardian Monsters that Rafael has and she absolute burning hatred towards Amy, Heather and Eva as well as Flip and Scoots.

Nico: Whoa!

Qin: Wow!

Me: All the Guardian Monsters! Awesome!

Lola: Yeah.

Celestia Eatos: Yeah it's cool.

Nico: Only Amy and Flip are still alive.

Celestia Eatos: I know. I heard you guys killed the rest and that Flip and Amy are now Humiliation Fodder. Awesome.

Me: Yep. By the way is the Another Leap Frog friendly or hostile?

Celestia Eatos: Friendly. And she is quite the jumper.

Me: Nice.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and all the Anothers separated from her.

Celestia Eatos: Whoa I was all those!?

Me: Yep.

Gaara: Lets get them.

Theu fired waves of energy and elements and the blasts all hit the Anothers and they exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

I caught the Wonder Ride Books.

Nico: Awesome!

Maria: Time for backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) MANTA RAY FURY FORCE!

She summoned Man Ray, Swamp Witch, Mog, Prawn, Atomic Woman and Trick Shot!

Man Ray: This will be awesome!

Qin: Yeah!

Nico: Now, we wait.

Me: We don't have to wait long!

We saw a figure jump in and it was ANOTHER LEAP FROG!

Me: Another Leap Frog!

Xenia: Whoa! This one is a really strong jumper.

Me: Yep.

Another Leap Frog: (In a girls voice) But it's really amazing to jump like this.

Me: That voice.

She reverted back and was a girl green hair and red eyes and she had green clothes.

Me: Abigail Agalychnis!

Abigail Agalychnis: Awesome to see you J.D.

Lola: Wow! You know her J.D.?

Me: I sure do. Abigail is an awesome parkour master and she is also the gene-slammer of the Red-Eye Tree Frog.

Nico: That is cool!

Leap Frog: Wow no kidding!

Me: Also the Red-Eye Tree Frog is the mascot of the Rainforest Cafe.

Qin: Yep.

Xenia: Great restaurant.

Nico: Love the Rainforest Cafe.

Kaito: (gets out Shinkenger gear) Did Swartz promise you anything?

Zocks: (gets out Goseiger gear) Because we can grant instead.

Kaito got a Samurai Sword and Zocks got a Megaforce Sword.

Abigail Agalychnis: No he didn't. I shoved numerous flies down his throat and ran away.

Sakura Knudson: That explains why he was throwing up for three days straight from that.

Xenia: Oh yuck!

Me: Oh sick!

Lana: Awesome! That is great that he ate bugs like that.

Me: Yeah. Sorry we got to fight like this.

Abigail Agalychnis: No worries.

She turned into Another Leap Frog!

Sougo: (gets out Samurai Ridewatch) You feeling groggy?

Geiz: (gets out Megaforce Ridewatch) Then let's jump!

Sougo got SanuraiRedArmor while Geiz got MegaforceRedArmor

Nico: Lets get her!

Nico: Time to jump and smash! (ACTIVATES LEAP FROG'S RIDEWATCH)

BOING!

Nico jumped and smashed down Another Leap Frog.

Nico: This will be a sticky one! (ACTIVATES GLUE MAN'S RIDEWATCH)

He fired glue and stuck her to the ground.

May: This will be magical. (ACTIVATES NOSFERATA'S RIDESWATCH)

She fired waves of magic and smashed her down.

May: Time for more magic! (ACTIVATES VANESSA'S RIDEWATCH)

She fired waves of magic and smashed her down.

Maria: Time for this! (ACTIVATES SMITTY'S RIDEWATCH)

She fired waves of energy and smashed her all over.

Maria: I could use some soda! (ACTIVATES EVIL GULPER'S RIDEWATCH)

She drank some soda and fired waves of energy and smashed her down!

Mika: Time for some star power! (ACTIVATES GLUE MAN'S RIDEWATCH)

She fired glue and stuck her to the ground.

Then Toad, Evil Yamato Man, Cancer, Dwarfstar, Ojo Tango and the Gangreen Gang came.

Nico: Nice team Toad!

Toad: Thanks! It's cool!

Laney: Yeah!

Xenia: Yeah!

Maria: The next gene-slammer… WHOA!

She felt something on her back and looked and then she saw a Komala on her back.

Maria: Hey look here.

Me: There's a Komala on your back.

I went and got it off her.

Me: Aw you're a cute little one.

Komala: (In a girls voice) (Australian Accent) I sure am mate.

Nico: Abigail Rose!? Whoa.

Maria: At least you weren't in my shirt

Komala: I know.

She reverted back and was a girl with blue hair and had green eyes and had blue clothes and had the flag of Australia on her skirt.

Abigail Rose: I got this mates.

She fired a wave of energy and smashed her down and I caught the Ridewatch and purified it and brought Abigail Agalychnis over.

Abigail Rose: That was great mates!

Nico: Yeah!

Mika: What's your favorite memory of Nico?

Abigail Rose: When me and Nico went into the jungle of Australia and found a temple and we found the Book of Eingana.

Nicole: Wow that is cool! I've been trying to find that book for a long time.

Qin: That is awesome.

Me: Yeah!

Nico and Abigail Rose hugged.

Nico: I've missed you.

Abigail Rose: Me too mate.

We later went back home

And it's also going to get really ugly because when Crash Bandicoot sees Alternate Master Eon get mortally wounded by Alternate Kaos and right in front of his eyes and in front of us, Crash Bandicoot is going to enter into a blood oath with Alternate Master Eon and solemnly swear to protect both the Skylands and The Skylanders along with the entire universe and realms from the forces of darkness, and then, HE'S GOING TO ABSOLUTELY LOSE IT BIG TIME AND HE'S GOING TO EXPLODE WITH SUCH UNIMAGINABLE FURY AND UNIMAGINABLE ANGER EVEN WORSE THAN WHEN HE EXPLODED A YEAR AGO WHEN MALEFOR SHOWED UP TO TAKE REVENGE DURING THE RIDONCULOUS RACE OF 2022, AND HE'S GOING TO TRANSFORM AND UNLEASH THE FULL EXTENT OF THE TEN ELEMENTS OF THE SKYLANDS UPON HIM AND MAKE HIM PAY FOR HIS TRANSGRESSIONS AGAINST THE SKYLANDS AND THE SKYLANDERS IN BLOOD!

Lincoln: WHOA! What on Earth?!

Crash Bandicoot: This is an alternate version of The Skylands, but it's one where Kaos has unleashed destruction and untold chaos, and it's war on a massive scale that's unheard of.

Me: Damn, this is really really bad!

Lincoln: No kidding, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to destroy Alternate Kaos.

Nico: Let's head on over at once to Skylanders Academy, and meet up with the Alternate Skylanders and Alternate Master Eon.

We headed on over to the Alternate Skylanders Academy and we met up with Alternate Master Eon and the Alternate Skylanders.

Alternate Master Eon: We are so glad you all could come, thank goodness my parallel self got the message as fast as he could.

Lincoln: So, that call for help that Master Eon received this morning.

Me: It was from all of you asking for our help to deal with Alternate

Kaos.

Alternate Spyro: That's right, he's been causing untold destruction and mayhem, and he'd also gotten help from a girl that was sighted here earlier.

Spyro: Does this girl have on black clothes, black hair, blood red eyes, red hairband, and fangs?

Alternate Cynder: Yes, and she's also completely delusional and insane.

Cynder: (Gasps) Uh oh, there's only one person, or should we say vampire who could match that: Alice Gaspare of The Ghostrick Destroyers.

We gasped.

Lincoln: Why, that little… ! She is so dead when we get after her later on today.

Rainbow Dash: Yeah. Come on, let's head down there and take down Alternate Kaos once and for all.

We left the Alternate Skylanders Academy to hunt down Alternate Kaos, but then, we suddenly saw Alternate Kaos heading right for us, and then, he fired a bolt of dark magic which hit Alternate Master Eon in the chest, and even worse, it was a mortal wound.

Alternate Kaos: (LAUGHING MALEVOLENTLY) Now, you Sky-Losers have no chance against me, KAOS, without your precious "Master", Eon!

We were now pissed off big time, but none so than Crash Bandicoot.

Crash Bandicoot: You vile, little… !

Crash Bandicoot fired a blast of dark magic himself, which hit Alternate Kaos, and he got hurt badly. Then, he ran over to Alternate Master Eon.

Crash Bandicoot: Just hang on, Master Eon. Varie, get your First Aid

Kit, we need to help him.

But, Alternate Master Eon put his hand on Crash's right shoulder.

Alternate Master Eon: It's okay. I know… my time here is done, but I cannot leave the Skylanders to be left in terrible danger, not after what Kaos has done. (To Crash Bandicoot) But, you, you can do it, Crash.

Crash Bandicoot: Master Eon…? What do I need to do?

Alternate Master Eon: You must enter into a sacred blood oath with me, and I intend to pass on my will to you. Here, give me your hand.

Crash Bandicoot held out his right hand, and then, Alternate Master Eon grasped it with both hands. Suddenly, we saw Crash Bandicoot's rainbow energy aura with flames, water drops, ice, gears, wind gusts, lightning bolts, sparkles, lights, shadows, bones, rocks, lava, and leaves flare up at such an extreme level and he was suddenly gaining an astronomical power boost.

Back at the World Tree Estate, everyone else saw what happened thanks to a one-way window made by Master Eon.

Master Eon: I never imagined it, not ever that my Alternate self would be struck down by Alternate Kaos. But, what he said was true, he couldn't leave the Alternate Skylanders to face danger, and he decided to do the one thing to ensure the future of the Skylands wouldn't die: pass on his will and his powers to Crash Bandicoot.

Maria: That alternate little shrimp's going to get it big time, I hope Crash rips him apart in the same way he killed Malefor and Devil Jin!

William: Same here.

Jet Vac: (British Accent) That Alternate Kaos had committed the ultimate injustice, and now, there will be blood.

The Skylanders agreed on that.

Alternate Master Eon: It is done, my will has been passed down to you, Crash Bandicoot.

Crash Bandicoot knew that the blood oath has been forged.

Crash Bandicoot: And I swear to you, I will protect all of Skylands and The Skylanders along with the entire universe with everything I've got from Alternate Kaos and his army of villains.

Alternate Master Eon smiled warmly, and he knew that Crash would keep that oath forever.

Alternate Master Eon: Thank you, Crash Bandicoot.

Suddenly, Alternate Master Eon turned to pure light, and he faded away, we all saw it, and we really had tears in our eyes.

Crash Bandicoot: MASTER EON!

Rainbow Dash: I… I can't believe it, Alternate Master Eon, he's…

Lincoln hugged Rainbow Dash.

Lincoln: He's gone, but he will never be forgotten, nor his death go unavenged.

Alternate Kaos: (Growls Angrily) You stupid Sky-Losers, the Skylands would've been mine by now if Eon hadn't gotten in my way!

Crash Bandicoot now had a look of rage in his eyes as he stood up from the ground, and glared at Alternate Kaos with rage and anger.

Crash Bandicoot: Enough, Alternate Kaos! (Emerald green eyes shrank with rage) Never in a million years will I ever forgive you for what you've done!

We felt it for ourselves: Crash's anger and rage has been let loose and Alternate Kaos crossed a big line because of what he did.

Alternate Spyro: What the?

Spyro: This same level of rage Crash had, it was back when Malefor showed up to get revenge, but now, that rage has come back infinite-fold, and now, it's found its target in Alternate Kaos.

Aku-Aku: (Jamaican Accent) And now, that rage is about to be unleashed once more, and the blood oath he forged will be fulfilled.

Suddenly, something within Crash Bandicoot's mind had suddenly snapped as the memories of what Kaos had done and what Alternate Kaos did in mortally wounding Alternate Master Eon a few seconds ago rushed through his head as a primal rage was unleashed, and his emerald green eyes turned neon emerald green and he was surrounded by a rainbow energy aura with fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, light, darkness, bones, rocks, lava, leaves, fruit, dragons, and bandicoots surrounding him, he unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back, and as he angrily approached Alternate Kaos, he left rainbow energy, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, fruit, dragons, and bandicoots with every step.

Crash Bandicoot: No matter how many times we do this, it always ends with you getting your butt kicked, your plans foiled at every single turn, and your minions beaten to a pulp. (SUDDENLY NOW GETTING EXTREMELY AND DANGEROUSLY PISSED OFF AS HIS RAINBOW AURA WITH ELEMENTAL FORCES, BANDICOOTS, AND DRAGONS FLARES UP EXTREMELY AS MASSIVE UPPER AND LOWER BODY MUSCLES BULGE) But, what you've just done to Master Eon of this world in your one and final attempt to destroy The Skylanders and all of us, none of us will ever forget that, but for you to have no sense of remorse and be so black-hearted about that… , YOU HAVE ABSOLUTELY CROSSED ONE TOO MANY LINES FOR THE VERY LAST TIME, YOU MALIGNANT OVERCONFIDENT LITTLE BASTARD! TOO MANY LIVES HAVE BEEN RUINED BECAUSE OF YOUR CONSTANT ATTEMPTS TO TAKE OVER THE SKYLANDS AND ONE HAD TO SACRIFICE HIS LIFE FOR THOSE HE CARES DEEPLY ABOUT, AND FOR THAT, I SHALL HONOR MASTER EON'S FINAL WISHES AND PUT A PERMANENT END TO YOU ONCE AND FOR ALL!

WE ABSOLUTELY FELT IT BIG TIME: THE FULL EXTENT OF

CRASH BANDICOOT'S ANGER AND RAGE HAS BEEN UNLEASHED, AND ALTERNATE KAOS WAS NOW IN MAJOR-LEAGUE BIG TROUBLE!

Nico: OH MAN! He's lost it big time!

Me: The full extent of his anger and rage has finally been awakened and now that malignant little monster is about to pay for it.

Lincoln: Big time!

Suddenly, we saw two girls appear before us: the first is a very beautiful and super sexy girl with long emerald green hair and green hairband, emerald green eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful emerald green angel wings, she's dressed in a white short-sleeved blouse, sleeveless emerald green top, necklace with pearls and emerald gem for the pendant, long ankle-length white skirt, white bridal gloves, green high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with bulls, panthers, tigers, lions, goats, snakes, and angels on the coattails and on the back is Bacchus, and holstered on her back is a massive Bacchus-themed greatsword with embedded green gems and Bacchus etched on the 7'0" massive, wide, double-edged emerald green blade, large green bull heads for the crossguard, large white angelic faces embedded on both sides of the hilt with emerald green gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large emerald green gem on the bottom of the large white angel heads for the pommel.

And the second is a very beautiful and super sexy girl with long midnight black hair and dark blue hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a black short-sleeved blouse, sleeveless black top, necklace with pearls and red gem for the pendant, long black skirt going down to her ankles, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with elemental forces and angels on the coattails and on the back is Kaos surrounded by the Ten Elements of The Skylands and the Kaos Symbol, and holstered on her back is a massive Kaos-themed greatsword with embedded colored gems and the Ten Symbols of The Skylands and the Kaos Symbol etched on the 7'0" massive, wide, double-edged purple blade, large angel heads for the crossguard, large white angelic faces embedded on both sides of the hilt with purple gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large purple gem on the bottom of the large white angel heads for the pommel, and with them are the seven girls.

Green-Haired Girl: Hope we're not too late.

Black-Haired Girl: And we also got the girls away from that malignant little monster.

Lincoln: No, you're not too late, Beverly Bacchus and Catherine Augustine, in fact, the show is about to begin! STAND YOUR GROUND, HE'S GOING TO BLOW!

We immediately stood our ground as Crash Bandicoot screamed like an absolute madman to the infinite power, and then, a massive explosion erupted from within him as his energy exploded like crazy, and he was surrounded by a massive vortex of rainbow energy with fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, and fruit surrounding the vortex there are dragons and bandicoots running and flying around the vortex with the symbols of The Ten Skylanders Elements orbiting around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Alternate Kaos: the red eyes of eternal death, and the force of the vortex forced Alternate Kaos to the ground.

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA AND THE SKYLANDS GLOWED AND THEIR ENERGY FLOWED INTO CRASH BANDICOOT! THEN, AS SOON AS THE VORTEX FADED, CRASH BANDICOOT EMERGED FOREVER CHANGED!

Crash Bandicoot grew from 7'5" to 8'3" in height, his abnormally massive and powerful upper and lower body muscles grew bigger for his new body and he still retained his eight-pack abs, he has rainbow highlights in the bangs of his full head of long reddish-brown hair going down to his neck and reddish-brown stylized mohawk, he has neon emerald green eyes and a rainbow energy aura with fire, water, ice, gears, wind gusts, lightning bolts, magic, sparkles, light, darkness, bones, rocks, crystals, lava, leaves, bandicoots, and dragons surrounding him, he has a bandicoot and a dragon holding a 10-Sided Star with the 10 Skylander Elements in the 10 sides of the star emblazoned on his forehead and Third Eye with rainbow iris, he has on dragon earrings with rainbow gems for eyes and holding the Fire, Water, Life, Earth, Tech, Magic, Light, Dark, Undead, and Eternity Kanjis in its claws and he has on his Crystal Necklace of the Buddha with rainbow gems embedded in the gold symbols of the 10 Elements of the Skylanders and rainbow crystal links and rainbow bandicoot-shaped Element of Harmony and on the bottom of the Element of Harmony is a dragon and bandicoot with rainbow gems for eyes and holding the Fire, Water, Life, Earth, Tech, Magic, Light, Dark, Undead, and Eternity Kanjis in their hands for the pendant. Crash Bandicoot has on a white tank top with rainbow phoenix on it with Master Eon's sash, long black pants with the 10 Elemental Symbols of the Skylanders on the left leg, black knee-high combat boots, large black fingerless gloves with a rainbow phoenix surrounded by the Elements of The Skylanders on the backside of the gloves and four silver square on the knuckles, and long midnight black trenchcoat with flames, ocean waves, wind gusts, gears, magic, suns, moons, leaves, and bones on the coattails and on the back is a bandicoot and a dragon holding the 10-Sided Star with the 10 Elements of The Skylanders in the 10 sides of the star. Suddenly, Crash Bandicoot felt a sharp pain on his wider and more muscular back, and then, his massive orange angel wings with rainbow tips on the large orange feathers changed to massive reddish-brown angel wings with rainbow tips on the large reddish-brown feathers and they grew much bigger for his new body. Crash Bandicoot has on his Ring of The Phoenix with large rainbow gem and heart-shaped gem embedded in it on his right ring finger and Green Lantern corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery and all the greatswords and swords he'd gotten had began began merging together and they're surrounded by a kaleidoscope of rainbow energy, fire, water, ice, gears, wind gusts, lightning bolts, magic, sparkles, light, darkness, bones, rocks, lava, leaves, fruit, dragons, and bandicoots, and when it emerged, it was forever transformed into Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Skylands Justice and Ten Eternal Elemental Skylanders True Bravery, it's a brand-new massive greatsword with embedded colored gems representing Fire, Air, Water, Earth, Life, Light, Dark, Undead, Tech, and Magic and the symbols of Fire, Air, Water, Earth, Life, Light, Dark, Undead, Tech, and Magic etched in rows on the 7'5" massive, wide, double-edged venetian red blade, large venetian red wolf heads for the handguard, large white angelic faces built into both sides of the hilt and with large rainbow gems embedded in the foreheads, longer midnight black handle, four large venetian red wolf heads with rainbow gems for eyes and in their open mouths and below the wolf heads is a venetian red dragon head with rainbow gems for eyes and a rainbow gem in its mouth for the pommel, he has on his large gold Bracers of the Champions of The Universe with large rainbow gems on his wrists and Dragon Ball Bracelet on the large gold Bracer inside the long sleeves of his long midnight black trenchcoat, large gold Belt of Elemental Bravery with gold dragon head with rainbow gems for eyes and large rainbow gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip. There's a rainbow kanji below the bandicoot and dragon holding the 10-Sided Star that said, "Crash Bandicoot, Wild, Hilarious, Crazy, and Brave-Hearted Hero of Wumpa Island, Emissary and Defender of The Skylanders, Powerful Elemental Skylander Brawler and Elemental Skylander Knight, Loving Older Brother and Guardian of Coco Bandicoot and Aku-Aku, Archenemy of Nasty-Doo The Were-Doo, Destroyer of Doctor Nefarious Trophy and Malefor, Slayer of Alternate Kaos and His Minions, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Lifelong Friend of Spyro, Cynder, and The Skylanders, Perpetual Foiler of The Delusional Plans of The Mad Scientists, Defender of Nature and Every Living Thing in The World, Carrier of Alternate Master Eon's Legacy, True Immortal Hero, and Master of Fire, Water, Air, Earth, Tech, Magic, Life, Light, Dark, Undead, Dragons, Bandicoots, and Masks"

We were amazed by Crash Bandicoot's Super Angel-Bandicoot-Dragon-Elemental Skylander-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Alternate Kaos saw it, he flew into a rage and summoned Doom Sharks made of Earth to attack him, but Crash Bandicoot swung his new massive greatsword and fired bolts of lightning which obliterated the Doom Sharks, and then, he fired a powerful barrage of rainbow energy blasts, fire, water, ice, gears, wind gusts, lightning bolts, magic, sparkles, light, darkness, bones, rocks, lava, leaves, fruit, dragons, and bandicoots at Alternate Kaos, and the barrage hit him and exploded with incredible power, and this pissed off Alternate Kaos.

Spyro: Whoa, that's so awesome, Crash's transformed and he's really angered Alternate Kaos now.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel Bravery) That's for sure, and like I said, never in a million years will I ever forgive this monster for what he's done, and for what did to Alternate Master Eon, there's only one punishment for the likes of him.

Lincoln: Death.

Crash Bandicoot went after Alternate Kaos who continued firing blasts of dark magic at him, but he was immune to dark magic and all forms of magic, and he fired extremely powerful blasts of rainbow energy, fire, water, ice, earth, crystals, light, darkness, spectral lightning, wind, gears, blades, bones, magic, plants, dragons, and bandicoots at Alternate Kaos, and they exploded with incredible power as they hit him. Then, Crash Bandicoot attacked him with his massive greatsword leaving Alternate Kaos with scars, and he demonstrated the powers of Rainbow Dash by charging right at Alternate Kaos at superfast speed and punched him really hard in the gut with really immense superhuman strength demonstrating the powers of Applejack, then, he fired gems and jewels at Alternate Kaos as he had demonstrated the powers of Rarity, then, he made various bear roars and bears came and mauled Alternate Kaos demonstrating the powers of Fluttershy, then, he fired confetti bombs and balloon bombs at Alternate Kaos which exploded as they hit him demonstrating the powers of Pinkie Pie, then, he fired blasts of purifying magic which nullified the dark magic energy blasts Alternate Kaos fired demonstrating the powers of Twilight Sparkle, and he fired blasts of bones at Alternate Kaos which clubbed him on the head demonstrating the powers of Starlight Glimmer, then, he saw all of Alternate Kaos' crimes as he grabbed him and fired superhot fire blasts demonstrating the powers of Sunset Shimmer, then, he demonstrated the powers of Princesses Celestia and Luna by forming the cutie marks of the Two Sisters and they fired blasts of sunlight and moonlight at Alternate Kaos, and he was really beaten down badly.

Nico: SO INCREDIBLE!

And everyone back at the World Tree Estate saw it through Master

Eon's one-way window.

Maria: GET HIM, CRASH, KICK HIS ASS!

William: And just like with Lincoln and J.D., he demonstrated the powers of Twilight Sparkle, Pinkie Pie, Rainbow Dash, Fluttershy, Rarity, Applejack, Sunset Shimmer, Starlight Glimmer, Princess Luna, and Princess Celestia since they're the Princesses of the Ten Skylanders.

Master Eon: That's correct, William.

Lincoln: We also can't let Crash have all the fun. Come on, gang, let's end Alternate Kaos once and for all.

Then, Crash Bandicoot ran right at Alternate Kaos and he drove his massive greatsword into Alternate Kaos' stomach and he sucked out all his powers and magic and he made them his own.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel Bravery) Now, to use one of Lincoln's techniques and combine it with the power of The Undead Skylanders. UNDEAD LIFE DRAIN!

Suddenly, the embedded indigo purple gem and Undead Symbol etched on the 7'5" massive, wide, double-edged venetian red blade of his massive Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of True Ten Elemental Justice and Eternal Elemental Skylanders Bravery began glowing, and then, Crash Bandicoot began draining Alternate Kaos of all his dark magic and life energy, and when he was done and he removed his massive greatsword from his stomach, Alternate Kaos was now a desiccated corpse drained of magic and life energy, and as soon as his soul appears, Crash Bandicoot banished his evil soul to The Black Gates forever and he fired a blast of rainbow fire and incinerated Alternate Kaos' body. We cheered as we holstered our weapons and powered down and Crash Bandicoot's new body, clothes, jewelry, weapons, Third Eye, and massive reddish-brown angel wings are permanent.

Nico: WHOA! Crash, now that was impressive, and that move you used, you used Lincoln's Vampiric Life Drain technique, didn't you?

Crash Bandicoot: Yes, I did, but I combined it with the power of The Undead Skylanders, who have the power to drain the life out of something living.

Starlight Glimmer: That's true.

Cynder and Marianna Nightingale agreed with her.

Lincoln: Still, that was really awesome, and I wonder if you can also change into different Elemental forms like I can.

Crash Bandicoot: We'll have to see for ourselves, but I think you may be onto something, Lincoln, but for my elemental forms, they'll mainly focus on Fire, Water, Earth, Life, Magic, Tech, Light, Dark, and Undead.

Me: Yeah, it'll mainly focus on the ten Elements of The Skylands.

Nico: That's true.

Lincoln: But, either way, we've gotten rid of Alternate Kaos and Crash Bandicoot not only transformed and ascended after he forged his blood oath with Alternate Master Eon, but he also avenged his death and made Alternate Kaos pay with his life. (To Beverly Bacchus and Catherine Augustine) And it's so good to see you again, Beverly Bacchus and Catherine Augustine.

Beverly Bacchus: You too, Linky, it's been a long time.

Catherine Augustine: And it's also good to see you, Cynder, and Spyro again, Crash.

Crash Bandicoot: You too, Catherine.

Lincoln went up to Beverly Bacchus and Catherine Augustine and he hugged them, and Beverly Bacchus and Catherine Augustine are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Beverly Bacchus: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness.

Catherine Augustine: You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know these two sexy hot mamas?

Lincoln: Indeed I do, J.D., the first girl is Beverly Bacchus, Daughter of Bacchus, Roman God of God of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, she's my Guardian Angel from Rome, and like her father, she's a Goddess of Wine-Making, Orchards and Fruit, Vegetation, Fertility, Festivity, Insanity, Ritual Madness, Religious Ecstasy, and Theatre, and she has all her father's powers, she's immortal, and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect me from those who sought to do me harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect me from Lori, Lynn, Lola, Lisa, and Luan.

Selene Emperyous: She's also really good friends with Lynn Sr., and Beverly and Lincoln helped Lynn Sr. in the restaurant, and Beverly even helped in teaching Lincoln and his dad everything she knows about using the powers of wine, since she knew Lynn Sr. got his powers from her father, and she had a lot to teach him, and she, like Diana Dionysus, even knew how to make a potent and powerful wine to make criminals so drunk, they confess and blab out their crimes to the public. Lincoln made Beverly a beautiful necklace with green gem for the pendant, along with a white short-sleeved blouse, green sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Beverly kissed Lincoln on the lips as wine fountains had erupted behind them, and it was truly beautiful, and she really hates Flip with a bloody passion, because he absolutely hated Beverly for always defending Lincoln whenever he along with Lori, Lynn, Lola, Lisa, Luan along with the rest of Lincoln's enemies who plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Beverly everything about what that mutant has done, and one time when Lincoln, Beverly, and Lynn Sr. were at the restaurant, that mutant showed up after he broke out again and tried to kill Lincoln along with Lynn Sr. and Beverly as revenge for ruining his scams, that was until Lincoln let loose the beast inside him and he viciously attacked that hairy mutant cheapskate with a dangerous ferocity, and he, Beverly, and Lynn Sr. blasted him with energy blasts and they pounced on and kicked the tar out of him, and she fired a blast of her special wine that made Flip so drunk, he confessed to why he broke out and he passed out, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Flip tried to do to him, Beverly, and Lynn Sr., they were really furious, and Lincoln called the cops and they picked up Flip and took him back to jail.

Nico: That fucked-up mutant, he's crossing more lines yet again and pissing us off even more.

Crash Bandicoot: Because he's way too stupid to learn his lesson. And the second girl is Catherine Augustine, Gene-Slammer of Kaos, she's Lincoln's Guardian Angel and Master of All Skylanders Magic and All The Powers of The Skylanders Elements, and she's among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders. As she grew, she discovered she's a master of all Skylanders Magic and all the powers of the Skylanders Elements, and she trained a lot under the tutelage of Master Eon and the Skylanders and she proved to be quite the master of all the elements.

Cassandra Kaos: Just like me, that's really awesome.

Crash Bandicoot: Yep, and she left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark

Portal Master, launched his hostile takeover of The Skylands. Catherine really hated that world-conquering warlord, and when Marie MacDougal formed and became the leader of The Skylanders Liberation Coalition for the one purpose to free The Skylands and make Kaos pay for all his crimes against Skylands and The Skylanders, Catherine joined the coalition. After we freed The Skylands from Kaos and The Skylands merged with our world seven years ago, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the elements of Fire, Earth, Air, Tech, Life, Water, Light, Dark, and Undead, and she also had the additional help from the Skylanders and Master Eon, who really helped Lincoln in advancing his training in mastering the Skylanders Elements, and over time, he really proved to be a master and at the same level as Catherine Augustine. Though she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Catherine hates with a passion ever since she came to Royal Woods: and that person is Lori, and like Marie MacDougal, Catherine has more than once used her skills in all the Skylanders Elements to put Lori in her place and cause elemental mayhem on that bossy, out-of-control, immature control freak, and she even told her off saying that Lori's a bossy demonic control freak, that she's as cuddly as a gargoyle, and even worse, Catherine also said that Lori has the fashion sense of a druid!

Those who hadn't heard it gasped.

Crash Bandicoot: And that really set Lori off, and right before she could kill her, Lincoln saved her by firing ten blasts of Fire, Earth, Air, Tech, Life, Water, Life, Dark, and Undead at Lori which knocked her down and she was put in a cage of bones, and Catherine went over to Lincoln and they kissed on the lips and right in front of Lori, who was really left seething with rage and wanting revenge, but Lori got busted by her parents who saw what she tried to do and she also got grounded big time.

Lori: And I couldn't forget that you had a literal smug smirk on your face when I ran up to my room after Mom and Dad grounded me.

Nico: Wait, what?

Lincoln: It's true, Crash saw the whole thing, and he knew that Lori messed up big time, in fact, he'd kept score on all of Lori's previous attempts to kill me and my Guardian Angels.

Luna: And he always had a smug smirk on his face, we couldn't even hold in our laughter.

Lincoln: We almost busted out laughing, but if Lori ever found out, she would have our heads on a pike. And now that you're here, Beverly and Catherine.

Lincoln went up to and hugged Beverly Bacchus in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Catherine Augustine in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Beverly Bacchus: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, two Elemental Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Beverly Bacchus and Catherine Augustine with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with two Elemental Thunderbird Chokers of Eternal Love on their necks.

Catherine Augustine: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Beverly Bacchus and Catherine Augustine.

Beverly Bacchus and Catherine Augustine had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leaned down to their faces and he kissed them passionately on the lips, and they also returned it, and we cheered for them, then, we went up to the seven girls, and when Lincoln saw who they were, they immediately recognized them. The seven girls are Mami Akabane, Mio Takanashi, Nadeshiko Konoe, Kyouko Ayase, Nazuna Omigawa, Mika Hiiragi, and Aya Kudou from 110 ~Sanfujinka Shikeishuu Byouin Jack~.

Lincoln: Oh wow, it's Mami Akabane, Mio Takanashi, Nadeshiko Konoe, Kyouko Ayase, Nazuna Omigawa, Mika Hiiragi, and Aya Kudou from 110 ~Sanfujinka Shikeishuu Byouin Jack~.

Nicole: Wow, awesome.

Lincoln: Are you girls okay?

Mami Akabane: Yes, we're okay, thanks to you.

Mami Akabane: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Mami Akabane: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mami Akabane, Mio Takanashi, Nadeshiko Konoe, Kyouko Ayase, Nazuna Omigawa, Mika Hiiragi, and Aya Kudou with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and we were greeted by a round of hugs from the rest of the team.

Maria: Guys, we saw the whole fight through a one-way window Master Eon created, that fight was so awesome and explosive, and we saw what happened to Alternate Master Eon, and that Crash made a blood oath with him.

Crash Bandicoot: I knew it would be a big responsibility, but I swore to Alternate Master Eon, and it's a solemn vow I intend to keep.

Master Eon: That's right, and you have a lot of expectations to live up to, Crash.

Lincoln: But, you know we'll be there with you.

Crash Bandicoot: Thanks. Now, to take care of one last thing.

Crash Bandicoot snapped his fingers and he brought the Alternate Skylands to our world, and he also made a door in Skylanders Academy in our world, so we can always head to Alternate Skylands in case trouble comes again.

---

After getting rid of Alternate Kaos and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Beverly Bacchus and Catherine Augustine saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Beverly Bacchus: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Catherine Augustine: He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Beverly Bacchus: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Beverly Bacchus: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Beverly, Catherine, what are some memories that you had with Lincoln?

Beverly Bacchus: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went out on a date to Lynn's Table, his dad set it up like we were in Italy, but as we were enjoying a delicious meal, we wound getting word that Flip had broken out of prison again, and that fat mutant wanted revenge on us. Lincoln let loose the beast inside him and he viciously attacked that hairy mutant cheapskate with a dangerous ferocity, and we blasted him with energy blasts and we pounced on and kicked the tar out of him, and I fired a blast of my special wine that made Flip so drunk, he confessed to why he broke out and he passed out drunk, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Flip tried to do to us, they were really furious, and Lincoln called the cops and they picked up Flip and took him back to jail.

Me: And with a nasty hangover.

Nico: Fucked-up mutant cheapskate.

Catherine Augustine: That's nothing compared to what happened with me and Lincoln. One day, we were at Reiningers' to get some clothes for Leni and her friends, but then, Lori showed up and she was out to kill us again. This time, I'd had enough of Lori, so I proceeded to tell her off saying that she's a bossy demonic control freak, she's as cuddly as a gargoyle, and she had the fashion sense of a druid! That really set Lori off, and before she could kill me, Lincoln saved me by firing ten blasts of Fire, Earth, Air, Tech, Life, Water, Life, Dark, and Undead at Lori which knocked her down and she was put in a cage of bones, and I went over to Lincoln and we kissed on the lips and right in front of Lori, who was really left seething with rage and wanting revenge, but Lori got busted big time by Leni who saw what she tried to do and when we got back to The Loud House, Lori got grounded big time.

Chester Monroe: Lori, sometimes, I don't know whether to put you in the stocks and have people throw tomatoes at your face or have Bunnicula subject you to whatever supernatural weirdness he has up his sleeves.

Nico: Easy, Chester. Besides, this was all the fault of Chase Young's evil side and he's gone for good along with the last fragments of his soul.

We got a shower, and then, Lincoln, Berryssist, Catchy Boardist, Dreamrummer, Giftarist, and Romic'n'Roller are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Berryssist, Catchy Boardist, Dreamrummer, Giftarist, and Romic'n'Roller are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Berryssist, Catchy Boardist, Dreamrummer, Giftarist, and Romic'n'Roller had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Berryssist: Wow, so this is Bubblaine, it sure is beautiful.

Lincoln: It sure is, Berryssist, and it's perfect for our first date. Shall we?

Lincoln, Berryssist, Catchy Boardist, Dreamrummer, Giftarist, and Romic'n'Roller dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Berryssist, Catchy Boardist, Dreamrummer, Giftarist, and Romic'n'Roller got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Berryssist, Catchy Boardist, Dreamrummer, Giftarist, and Romic'n'Roller placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Berryssist, Catchy Boardist, Dreamrummer, Giftarist, and Romic'n'Roller with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Berryssist, Catchy Boardist, Dreamrummer, Giftarist, and Romic'n'Roller are now in your harem.

Luna: So awesome.

Jenna: And Flip has some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Berryssist, Catchy Boardist, Dreamrummer, Giftarist, and Romic'n'Roller, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks! Oh, Chester, we've got a job for you, Harold, and Bunnicula, it's to recruit two new members into The Masters of Evil.

Harold: Cool!

Chester: Not cool. You know what'll happen to Bunnicula if he goes out in the sun.

Lincoln: Chester, you know Bunnicula now has immunity to the sun thanks to us, so he can go out in the sun now.

Chester: Oh, okay. So, where do we got to head to?

After Lincoln's date at Bubblaine, we got word that Vypra wanted us to recruit two new members into The Masters of Evil, and we decided to send Chester, Harold, and Bunnicula for this one.

Chester: Okay, so we're here in the city, now what?

Harold: J.D. said we were going to recruit two people into The Masters of Evil, but we don't know who they are.

Suddenly, Bunnicula saw something: it was two girls heading right for them, one of them was none other than Junko Enoshima from Danganronpa and Claire.

Chester: (Screams) Harold, do you know who those two are?

Harold: Uh…

Chester: That's Junko Enoshima from Danganronpa and Claire, those two are killers and enjoy inflicting pain and despair!

Junko Enoshima: Ah, new victims. How I'll enjoy hearing your screams of despair.

Claire: And I'll enjoy skinning you three alive!

Bunnicula took out two Transylvanian Amulets and hung them around the necks of Junko Enoshima and Claire, and when he did that, the magical Transylvanian Amulets froze them in place.

Bunnicula: Na-na-na-na-na! (Giggles)

Harold: Wow, way to go, Bunnicula!

Chester: There's no way we can recruit them, they're too psychotic.

Bunnicula snapped his fingers and beamed them to The Masters of Evil's HQ, and they came back home.

Nico: I take it your mission went well.

Chester: Why didn't you guys tell us the villains we were going to recruit were Junko Enoshima from Danganronpa and Claire, the killers who enjoy inflicting pain and despair?!

Lincoln: We were going to, until Harold dragged you and Bunnicula outside before we could say it.

Chester: Harold!

Harold: Sorry, but I get really excited when it comes to this.

Chester: Anyways, those two were about to kill us until Bunnicula hung two Transylvanian Amulets on their necks which froze them and sent them to The Masters of Evil's HQ.

Lincoln: Nice one. Hopefully, those two Transylvanian Amulets will keep them from causing trouble.

Nico: Yeah, they enjoyed inflicting pain and despair, but they have honor, so we had to recruit them, and we also asked Vypra to recruit some archenemies for you three.

Harold: Oh boy.

Chester: I can tell I won't like it.

?: I think you might change your tune soon enough.

We then saw one of these three new recruits: it was Wave The Swallow, one of the Babylonian Rogues.

Amy Rose: Wave!

Lincoln: She's one of the three Babylonian Rogues that you guys faced long ago.

Sonic: Yep, so Vypra recruited you into The Masters of Evil, I knew it.

Wave the Swallow: Yes, and I'm going to be Harold's archenemy.

Chester: Well, you do realize Harold will pounce on you and get your outfit dirty.

Wave the Swallow: I'm a mechanic, I'm used to getting dirty.

Suddenly, we heard rock music, and Bunnicula saw his archenemy: the hardcore Termite Rock Band.

Luna: Whoa, that's some awesome rock music!

Wave the Swallow: That's the Termite Rock Band, and they'll be the archenemy of Bunnicula.

Bunnicula: (Laughs)

Wave the Swallow: And Chester, don't even try to claw my eyes out, but we also found you your archenemy.

We then saw Chester's archenemy, and when Amy, Cream, and Big the Cat saw who it was, they were in for a shock.

Big the Cat: Hey, isn't that…?

Amy Rose: Big the Escapist, he's your villainous counterpart, and a well-known escape artist, and now, he's the archenemy of Chester.

Chester: You picked Big's villainous counterpart?! Wait till I get my hands on you, Wave!

?: Hey, hey, take it easy, will ya?

We then saw another figure come inside: it was Jet the Hawk, leader of The Babylonian Rogues.

Lincoln: Jet the Hawk, I knew you'd also show up here, and if I had to guess, you also know who your archenemy is, right?

Jet the Hawk: Yep, it's none other than Mina Monroe.

Mina Monroe: Whoa, really? Nice!

Chester: What the? Oh, okay fine, we already know who our archenemies are. But, one hair gets hurt on Mina's head, and you'll be answering to Bunnicula.

Bunnicula's ears turned into bat wings, and he roared like a demon!

Jet the Hawk: Yeah, we get it.

---

Later we were watching TV and the Shirou Gou came.

Shirou Gou: You guys wanna see my new workplace?

Billy: Of course we would!

Me: Sure Shirou.

Shirou Gou: You guys are going to love it. Follow me.

We went down to the planet and we followed Shirou.

We arrived at the building.

Krusty: Is this the place?

SHirou Gou: It sure is.

We saw a beautiful office building.

Qin: Wow nice.

Xenia: Yeah.

Nico: Lets head in.

We went in and it was a great building.

Nico: This is a nice place.

Shirou: It sure is and the best part is you get these for a snack.

We saw a stand filled with Woody Woodpecker's favorite candy bars: Butterscotchy Finger Pies.

Woody Woodpecker: Oh boy! Butterscotchy Finger Pies!

Me: Boy those look tasty!

Shirou: Yep. Those are really good too.

Laney: (DROOLS) Oh boy!

Me: Keep those away from Ed. He is allergic to Butterscotch.

Eli: Yeah.

Shirou: Yeah but those are only for doing good work.

?: Ah let them have a couple Shirou. They are guests and they are welcome to have a couple.

Poromon: Oh, Hello there.

We saw Shirou's boss Rikio Ono!

Rikio Ono: Awesome and an honor to meet you Team Loud Phoenix Storm.

Me: (In my head) Rikio Ono! I remember this guy. He just wanted a little praise for a proposal for his hard work here.

Shirou: Guys meet my boss Rikio Ono.

Me: Awesome to meet you Rikio.

Laney: Thanks for the candy bars. (Eating one) Mmm! They are delicious!

Woody Woodpecker: Some of the best ever Laney. (Eating one)

Rikio Ono: Glad you like them. Shirou told me so much about you guys and it's an honor to have you all here.

Me: Glad we can be here.

Rikio Ono: (to Taro) You look familiar.

Taro: Uh (Nervous Chuckle) We met before remember? In Japan?

Rikio Ono: Oh right! You're Taro Momoi. Been a while.

Taro: It has been a while.

Rikio Ono: I know.

Nico: Have people been giving you praise for your work?

Rikio Ono: (sighs) Honestly, not a lot.

Me: I'm sorry Rikio.

Rikio Ono: Thanks J.D. But let me show you something.

He showed me to a room and in it was a bunch of really awesome and beautiful landscape paintings of all kinds of alien planets! Many of the planets we have actually been to before.

Me: WHOA!

Rikio Ono: It's a hidden talent of mine. I like drawing and painting alien planet landscapes.

Me: These are amazing Rikio! And believe it or not these pictures are alien planets we all have been to before.

Rikio Ono: You went to many of the planets I drew!?

Me: We sure have and we have only begun to scratch the surface of how many planets there are all over the universe.

Rikio Ono: That is amazing!

Me: I know. Rikio you are a great artist and you have amazing talent!

Rikio Ono: You really think so?

Me: I know so!

Rikio Ono: I'm glad to hear your praise. Now, IF ONLY OTHERS COULD DO THE SAME!

Me: UH OH!

With that, he was surrounded by an energy circle with the Bioman logo and turned into Choudenshiki from episode 44 of Donbrothers! All the while, Nico stood by the printer ready to push his face against it.

At a corporate office, the boss is praising his employees on their work and an employee named Rikio Ono tries to show how hard he worked on a business proposal, but is given minor praise and then ignored. Rikio is depressed about this and then tries to be noticed by his coworkers by showing off his rainbow tie when the ladies flirt with another coworker about his orange tie. Rikio desires for someone, anyone, to give him sincere praise and this desire turns him into the Bioman Hitotsuki, Choudenshiki.

Choudenshiki is running around and emitting waves from his body to make people praise him involuntarily and then absorbs those people.

At the carpark, Choudenshiki appears and Tsubasa and Tsuyoshi put aside their differences to help Sononi by keeping the Hitotsuki away from her. Taro shoots it and the entire team transforms together for the first time, Sononi staggers away while the Donbrothers keep Choudenshiki busy.

Choudenshiki asks to be praised and Taro flatters him by saying how strong he is, but this was a trick to leave him open to attack and Choudenshiki gets struck repeatedly by the ZanglaSword. With the team all together, Taro brings back the Momotaro Slash with Jiro doing the Savage Dragon Dance attack alongside him, Choudenshiki is then fully purified with the explosion somehow causing snow to fall.

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind us and we were ready!

Me: YEAH!

Qin: This will be awesome!

Choudenshiki: Poor guy.

Nico: Fuck! Now, we're down a heavy hitter!

Buttercup Z: No you aren't!

She then smashed Choudenshiki with her hammer with devastating force and smashed his face in.

Lincoln then fired a wave of lightning and electrocuted him.

Me: Laney do you have any epinephrine shots for Butterscotch allergies?

Laney: Yes I do! Lisa made them for this.

Laney got them out.

Laney: Hold still Ed.

Laney gave him a dose and he was back to normal.

Ed: Whew! Thanks Laney.

Laney: No problem Ed.

Choudenshiki: You praise me now!

He shot light through his mechanized head into Buttercup Z.

Buttercup Z: (unwillingly) You… look pretty nice today!

Edzilla: ED SMASH BAD PRAISER!

SMASH SMASH SMASH SMASH SMASH!

Edzilla bashed and pulverized him all over!

Nico: YEAH!

Eddy: Get him Lumpy!

I snapped Buttercup Z out of it.

Tsubasa: I'll give you praise! When you turned into a Hitotsuki, you were the perfect distraction from an issue I was having with Tsuyoshi!

Me: I remember that!

Tsubasa blasted Choudenshiki all over.

Me: Nico go get him with the Ridewatch Combo!

Nico: You got it!

Nico activated Man Ray and Man Boy's ridewatches and fired waves of energy and smashed him down.

Qin: AWESOME!

Then a Turtonator came in!

Me: Cool a Turtonator!

Xenia: This is gonna be good.

Turtonator: (In a girls voice) And it's going to hurt him!

She blasted Choudenshiki all over!

Nico: Elaine Pyros!? Whoa!

Xenia: Awesome!

Choudenshiki absorbed nearby civilians through his mechanized head.

Me: I don't think so.

I snapped my fingers and teleported them out of him.

Me: You certainly aren't getting any praise for that!

I fired waves of energy and blasted him all over!

Xenia: Say cheese!

She fired waves of arrows and blasted him all over.

Choudenshiki got out a blade made out of BM particles and swung at us.

I blocked it with my sword and kicked him in the face.

Qin: Take that!

Xenia: YEAH!

Eli fired waves of Force Lightning and electrocuted him.

Misty Brightdawn and Twilight Sparkle blasted him with magic.

Camie fired energy and blasted him.

Lola: Oh yeah!

Nico: Try some electrical attacks!

Me: Like this! DRAGON THUNDERCLAP!

The 5 Star Dragonball on my bracelet glowed and I fired a wave of lightning and electrocuted him and he was shorting out.

Nico then teleported and grabbed him in a hold.

Nico: Top this one! DRAGON THUNDER!

Nico electrocuted him all over with intense lightning!

Qin: Nice!

Nico: I like that you're not going down that easily!

Choudenshiki: Really?

Nico: Yeah you're putting up a great fight!

Choudenshiki: Thank you.

Nico then lifted him up.

Nico: Upsie-daisy.

Nico then spun him around like a top on his finger!

Nico: I'm not even trying hard.

Choudenshiki: I THINK I'M GONNA BE SICK!

Tsubasa: That's the least of your worries! Avatar Change!

He turned into the Black Mighty Morphin Ranger.

He slashed and blasted Choudenshiki all over.

Varie: Take that!

Nico: Time to finish him!

Lincoln: Lets do it!

Lincoln then kicked Choudenshiki and sent him crashing into a conveniently placed cabbage cart!

CRASH!

Man: (SCREAMS) MY CABBAGES!

Choudenshiki: Mommy read me the story of the bunny in the cabbage patch!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Man: YOU WRETCHED WORM!

He was bashing Choudenshiki in the head with a baseball bat!

Me: Lets get him!

Me, Nico, Lyra and the Donbrothers: FRIENDSHIP SOLAR SYSTEM BLAST!

We fired a wave of energy and planets and the blasts all hit Choudenshiki and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the gear and he was back to normal!

Me: YEAH! Choudenshiki you have failed this city!

Donbrothers: Demon elimination complete! ALL'S WELL THAT ENDS WELL!

Demolishor: You okay now, Ed?

Ed: Yeah much better.

We went over to Rikio.

Me: Rikio you don't need to be praised for everything. You already are a great painter and you can receive amazing recognition for that. Your drawings are great inspiration for many of us.

Rikio: I'm glad you think so J.D. Thank you.

Taro: And don't worry about your paintings.

Me: We can put them in the art museum for you.

Nico: Yeah.

Rikio: Thank you guys. Thank you.

With that he vanished.

Me: Boy that was awesome.

The office workers cheered wildly for all of us.

Nico: Thank you guys! Thank you!

Elaine reverted back and she was a girl that had red hair that had fire on it and she had red eyes and had orange clothes and had fire angel wings.

Elaine Pyros: That was so awesome guys!

Nico: Thanks Elaine.

Crosshairs: I hope his name gets immortalized

Me: I know it will be. Also these paintings are planets we have been to before.

Nico: They sure are.

Elaine Pyros: They are awesome.

Reflector: What's your favorite memory of Nico?

Elaine Pyros: When me and Nico went to my home kingdom, the Land of Fire. Yes I'm a fire elemental and it's awesome. And we also went and blasted numerous black fire elementals and destroyed them.

Nico: The Black Fire Elementals are evil.

Me: Wow! That is amazing!

Xenia: Yeah!

Eli: It sure is.

Nico and Elaine hugged.

Nico: I've really missed you.

Elaine Pyros: Me too Nico. Me too.

Me: Shirou I hope you still like this job here?

Shirou Gou: Oh I still do.

Me: Great.

We later went back to the estate.

Impact Man: Ed, are you sure you're okay?

Ed: Yeah I'm fine.

Laney: He's all right Impact Man.

Ed: Yeah.

Camie: Good.

The previous group came.

Killer Shrike: Can me, Trap Jaw, Beast Man, Unicorn, Mummy, Hsi Wu, Shendu, Captain Cold, Loki and Atomic Skull go with you guys?

Nico: Yes you all can come with us.

Xenia: This will be fun. Whatever our mission is.

Lola: Yeah.

Elec Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Togedemaru, Mimikyu and Bruxish next.

Me: Ooh! Those look cool. But the Mimikyu one looks like it's going to be a dark one.

Nico: Yep and I'm hoping to meet a red octopus sea gene-slammer next too.

Qin: Whoa that will be cool.

Lola: Yeah.

Me: I was hoping for both a Blue Ringed Octopus to go with that one

too.

Nico: Ah why not. That will be awesome.

Camie: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was Mr. Mime, but he's also Rainbow the Clown who lost his colors when he got splashed by bleach, and he's causing all colors in Townsville to turn black and white. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Blossom, Bubbles, Buttercup, and Bunny? We got trouble.

Just then, Blossom, Bubbles, Buttercup, and Bunny came in.

Blossom: You called, Lincoln? What's the emergency?

Lincoln: We got trouble, and you're not going to like it. I just had a vision and I saw who it was that we're going to face today: it's Mr. Mime, but he's also Rainbow the Clown who lost his colors when he got splashed by bleach, and he's causing all colors in Townsville to turn black and white.

The girls gasped.

Me: Uh oh.

Blossom: Oh man, this same thing happened before, we need to stop him.

Lincoln: There's only one way to stop him, we need to restore his colors after we separate him from Mr. Mime.

Me: And restore the color to Townsville before it becomes a silent black and white film forever.

Nico: And that's something that we do not want.

Eli: No way.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Alice Gaspare, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Alice Gaspare, one of The Ghostrick Destroyers is heading here to kill you all.

Winter Icyin: (British Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment back in the castle of The Michigan Supernatural Defense Force after we separate Rainbow The Clown from Mr. Mime and restore his colors and the colors to Townsville.

Crash Bandicoot: And she's also going to pay for what she did in helping Alternate Kaos in his scheme to take over the Alternate Skylands. So, I'm also joining in on this as well and I'll drive a stake right through her black heart.

Nico: Yeah, now you're talking. Alright, gang, let's go, we're heading to Townsville to separate Mr. Mime from Rainbow the Clown and restore the color to Townsville.

Lincoln: We're not going to let Mr. Mime cause anymore trouble, we'll restore Rainbow the Clown's colors and save Townsville from a black and white nightmare, and once we restore the colors and separate Mr. Mime from Rainbow the Clown, you're next, Alice Gaspare.

Winter Icyin: (British Accent) You better be ready to die, Alice

Gaspare, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon! And for what you did during Linky's rescue this morning in the Alternate Skylands, I will make sure you die horribly right after we deal with Mr. Mime.

Nico: Lets roll guys.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to Townsville to restore color to the city and restore Rainbow the Clown's color after we separate him from Mr. Mime, and once we get done with that evil mime, Lincoln, Winter Icyin, and Crash Bandicoot are going to destroy Alice Gaspare of The Ghostrick Destroyers and make her pay for her crimes.

We were off to the Townsville sector.

---

We arrived.

Beast Man: The City of Townsville!

We saw that it was COMPLETELY BLACK AND WHITE!

Me: Whoa!

Bubbles: (panicky) WHAT HAPPENED TO ALL THE COLOR?!

Me: Everything is black and white!

(As the camera pulls back quickly revealing that the bus and car are white, having possibly been affected by Mr. Mime off-camera, she begins dashing about, scribbling furiously with her crayons and growing increasingly frantic.)

Bubbles: This door should be green… that flower should be yellow… the bricks should be red… (turns around towards the screen) WHAT'S GOING ON HERE?! (Cut to her sisters.)

Me: Boy this is crazy!

Qin: Yeah!

Nico: No kidding!

Nick Russel: Me and my team went through something like this before.

Dust Man: You have?

Me: I remember that. That was crazy!

Qin: Yeah.

Twilight Sparkle: I know the feeling myself! Discord turned us into opposites of ourselves and we were grey.

Timmy Turner: I remember this too. I wished everyone was the same and we were grey blobs.

Xenia: Crazy!

Qin: Geez!

Me: But this is the perfect opportunity to try this out!

I then summoned a powerful magical paintbrush!

Nico: Whoa! What is that?

Me: The Paintbrush of Iris. It's a powerful paintbrush that can restore color and more. Watch.

I splashed a building with paint from it and it restored the building and the area with their color.

Nico: WHOA!

Blossom: That is cool!

Cadance Iris: Boy my mothers paintbrush is perfect for this.

Lincoln: It sure is Cadance.

Hsi Wu: I'll fly around and find out who did this.

Me: Lincoln already told us who did it: Mr. Mime. His real name is Rainbow the Clown.

Nico: Blossom what can you tell us about him?

Blossom: Well is a clown that entertains people at birthday parties.

She told us about him.

---

Mr. Mime is a minor antagonist from The Powerpuff Girls.

He is a black and white clown who was only featured in the episode, "Mime for a Change" and the villainous alter-ego of Rainbow the Clown, who transformed into Mister Mime after a freak accident with a bleach truck.

His original persona as Rainbow the Clown was voiced by Tom Kenny, who also played the Ice King from Adventure Time.

Mr. Mime first appeared in the episode "Mime for A Change" when he sought to eliminate all color from Townsville, reducing it to black and white, which in turn drained the city of its vibrancy and happiness. He was eventually reverted back to his normal self by the Powerpuff Girls, but was still beaten up and sent to jail regardless. Rainbow was seen in the later episode "Birthday Bash" as an entertainer at the girls' birthday party, meaning that he had at least been released early and was on good terms with the girls. Yet his alter-ego, Mr. Mime, appeared in "Brought And Scold" and "Daylight Savings".

---

When she was done we were shocked!

Me: Whoa man! So he was accidentally splashed with bleach and he turned into Mr. Mime!

Nico: What does he look like?

Blossom: Like this.

She showed us a picture of him and he was a rainbow color clown.

TTG Starfire gasped!

TTG Starfire: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHH!

She screamed in fright and went under a sofa in the alley!

Me: Starfire?

We went over.

Me: Starfire are you alright?

TTG Starfire: I am scared of the clowns!

TTG Robin: Starfire is really scared of clowns.

Dive Man: That's a common fear.

Me: She has what's called Coulrophobia.

Qin: Geez.

Me: Starfire it's okay there's nothing to be afraid of.

Luan: Yeah Starfire this is a clown that me, Eddy and Krusty know. I'm a clown myself remember?

TTG Starfire: Keep this clown away from me!

Nico: Oh boy. We'll have to call in Rhinosnorus or Nightmare on this one.

Qin: Yeah.

Me: By the way Blossom how did you guys defeat Mr. Mime before?

Blossom: It was actually Bubbles. She did it.

She told us what happened.

---

At the beginning of the episode, happy and ever-colorful Rainbow the Clown is entertaining a group of kids for a birthday party (which is hosted for a boy named Jim). He sings a song, making the kids laugh and cheer. In the end, he dances to the road, only to hear a bleach truck approach! The bleach truck notices Rainbow and flops on its side, and safely goes around Rainbow. Despite the near-miss for Rainbow, the tipped truck's trailer bursts and spills bleach out all over him. The bleach makes Rainbow's colors disappear and the joy drain out, turning him into the evil Mr. Mime. The truck driver asks if he is okay and, horrified by the color, Mr. Mime drains the color from him, followed by his voice draining as well. A boy tries to speak, but the clown drains his color and voice, too. Demonstrating his new form, Mr. Mime then stomps on the ground, reducing the area black and white. He then moves onto the rest of Townsville.

Meanwhile, the Powerpuff Girls are heading to school on a bus. Bubbles is singing and coloring. When she is done, she holds up a picture of them. Blossom nods, and Buttercup stares. She complains to the bus driver about how close they are, and he says they have one more stoplight to pass. However, with the stoplight being colorless, the bus almost collides with a car when the girls intervene to save both vehicles. Once they snuggle each other, Bubbles yells, "WHAT HAPPENED TO ALL THE COLOOOOORR?!"

Sure enough, Townsville is two-toned, looking somewhat like an old-time movie! Bubbles frantically starts to color Townsville as Blossom and Buttercup search for clues. They finally find Mr. Mime, stripping color from people and objects alike, and chase him into an alley wherein he disappears. Just when they don't see him, he goes behind them and drains both their color and movement. Meanwhile, after her coloring spree, Bubbles comes to notice her sisters' absence. Passing those that have lack of color and noise, she looks for them and is so horrified at their comatose, colorless bodies she starts to cry… until she gets the idea to recolor them with her crayons.

She tries the approach, but to no avail; Blossom and Buttercup are still black and white and comatose. Realizing that her beautiful crayons can't help them recover, citing that they aren't magic, she drops them to the ground and screams "NOOOOOOOOOO!" until she gets another idea.

Bubbles sets up drums on a big stage, and Buttercup and Blossom up as well, holding a Hofner bass guitar and V-shaped electric guitar, respectively. She begins to play, and the second she starts drumming color starts returning. Her sisters wake up and start playing their guitars and then Bubbles starts singing lead. Yes, the song Love Makes The World Go Round shows everyone that happiness is all in the color. All the color returns, and with it the happiness and life of the people of Townsville. During the song, Mr. Mime, furious as can be, bears witness to this recolorization and attempts to turn the girls black and white again. Blossom begins her guitar solo and notices Mr. Mime approaching. Blossom shoots magic waves from her guitar and zaps Mr. Mime, restoring Rainbow and his colorful, cheerful personality.

At the end of the song, Rainbow sings his gratitude to the girls, who, in return, beat him up and throw him in jail, most likely for draining Townsville's color as Mr. Mime. The narrator announces the day is saved once again, and the girls continue performing from there.

---

We were amazed!

Lana: Awesome! I love that song you girls sang!

Lola: Me too!

Nico: That is so cool!

Rainbow Dash: The power of Music knows no bounds.

Me: And that gives me an idea! To the park!

We went to Townsville park and set up a concert stage.

Billy: I feel your pain, Starfire.

Mandy: Oh no.

Captain Cold: What's wrong?

Billy: I'm scared of clowns too.

Mandy: Billy is scared of clowns as well.

Me: Billy told us himself.

TTG Starfire: Really?

Me: Yeah he knows the fear of clowns too.

Nico: Yep.

Me: Lets restore the color with music and song!

Twilight Sparkle: Lets do it!

Me: Rainbooms SHINE LIKE RAINBOWS!

We got the song underway!

(SHINE LIKE RAINBOWS BY THE RAINBOOMS PLAYS)

[Applejack]

Once upon a time

You came into my world and made the stars align

[Rarity]

Now I can see the signs

You pick me up when I get down so I can shine

[The Rainbooms]

Shine like rainbows

Shine like rainbows

Shine like rainbows

Shine like rainbows

[Rainbow Dash]

Friends, you are in my life

And you can count on me to be there by your side

[Sunset Shimmer]

And when the music comes alive

[Me]

We sing our songs to lift us up so we can shine

[The Rainbooms]

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Shine like rainbows

We shine like rainbows

Together we stand

As the rain begins to fall

And holdin' our heads up high

As the sun shines through it all

[Me and The cast]

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Shine like rainbows

We shine like rainbows

[Me and The Rainbooms]

We shine like rainbows

The song was so powerful that it instantly restored all the color in the part of the city that was turned black and white and all the sound returned and it was awesome!

Qin: YEAH!

Xenia: That was awesome!

Lola: YEAH!

Nico: That was so fun!

Hsi Wu: Now to find Mr. Mime.

Nico: Go for it.

He flew off.

Nico: That was awesome guys!

Cadance Iris: That sure was! Awesome job!

Lola: Yeah!

Billy: Clowns are nothing but ultimate evil! They wanna become the dominant species on the planet, and they'll destroy us all to make it happen! DESTROY US ALL! DESTROY US ALL! DESTROY US ALL! DESTROY US ALL! DESTROY US ALL! DESTROY US ALL!

BLANG!

Mandy bashed his head in with a frying pan!

Me: That must happen a lot doesn't it?

Mandy: Yeah. But at least your song restored all the color.

Lola: It sure did.

Camie: Awesome job guys!

Me: Thanks.

Grim: (Jamaican Accent) Not ALL the color.

Me: We still have Rainbow to restore.

Xenia: But this will draw him to us.

Nico: It sure will.

Hsi Wu came back.

Hsi Wu: He's coming.

Drill Man: Let's restore color to more spots. Starting with orange.

Me: Okay. Here guys!

I gave everyone copies of the Paintbrush of Iris.

Lincoln: Lets get coloring!

We went out and got to coloring.

We colored everything.

Xenia: Blue!

Lincoln: Orange!

We painted everything and more.

Atomic Skull: Try purple!

Maggie painted some cars purple.

Lily and Lynn painted some buildings and stoplights red and their colors.

Camie: Pink and Yellow.

We painted the area all the colors.

We made sure no stone was left unturned and more as we covered all of the town with color.

Proto Man: We're making good progress

Stormy Weather: We sure are.

Xenia: Yep.

Mr. Mime saw us painting the town and he was ENRAGED!

---

French Narrator: (French Narrator) One Town Painting later…

---

We got back to the park.

Me: WHEW! All painted and recolored.

Xenia: Yep.

Varie: Yeah.

Billy: We need Tangelos.

Loki: Why?

Billy: Clowns hate Tangelos. Messes with their equilibrium.

Me: Who told you that bupkis?

Nico: Yeah.

Billy: The school janitor did.

TTG Starfire: I shall bash him in the face with a frying pan and feed him to a pack of ravenous wolves!

Wind Man: That's a little harsh.

Me: Yeah!

Eustace: You don't know what scares clowns more.

Billy: What does?

Eustace got out his ugly face mask!

Eustace: OOOGA BOOGA BOOGA!

TTG Starfire and Billy: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHH

Billy screamed to the point where his body turned inside out!

TTG Starfire fainted.

Me: Wait look!

We saw a figure and it was Mr. Mime!

Nico: There he is.

Krusty: He DOES look familiar.

Shendu: Really?

Me: That's Rainbow.

Nico: Yeah.

Krusty: Wow!

Luan: That clown IS Rainbow!

Xenia: Yeah. He got splashed by bleach in a freak truck accident and it turned him into that!

Camie: Oh boy.

Krusty: But I feel I know him personally

Me: You do Krusty. Remember?

Krusty: That really IS RAINBOW! Oh my god!

Xenia: Yeah!

Qin: We got to save him!

Maria: You, Luan, and Eddy never did tell us you knew Rainbow.

Luan: We have him help us out in our parties.

Eddy: Yeah it's a long story.

Krusty: But we have him help out from time to time.

Nico: We got to help him.

Gravity Man: Looks like we're about to get our wish!

Nico: Lets go guys. Entrance time.

We went at him.

Mr. Mime was looking for us and then the spirits of colors came and swirled around him and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and then we came out.

Me: Okay clown it's time for you to be colorized!

Qin: YEAH!

He touched the ground and nothing happened.

Mummy: Try all you want. We're staying colored!

Luan: Rainbow don't you recognize me!? It's Luan Loud!

He looked at her and tried to remember but the mime half was too strong.

Lola: We got to separate him!

Xenia: We have to defeat him first.

Camie: Yeah!

Ashi: Take your best shot!

He went at us and Eli used the Force and put him him in a box and then smashed him down.

Xenia: YEAH!

Spoiled Rich: Take that!

Unicorn: Nothing to say?

Me: He is a mime and they usually don't say anything.

Unicorn: Oh right.

Qin: Yeah.

Sheep Creep baaed at him And fired missiles and blasted him all over.

Qin: Yeah take that!

Camie: Oh yeah!

We fired waves of color energy blasted him all over.

Trap Jaw: Had enough?!

He wasn't finished yet!

Me: I'll take that as a no.

I threw a pie and it hit him in his face and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!

Nico: That had to hurt!

Eli: Yeah!

Nico hummed as he peeled a banana and ate it and then instead of throwing it away Nico threw the banana peel and Mr. Mime slipped on it!

CRASH!

He fell right into a pile of rotten eggs!

LIGHTHOUSE FOGHORN!

Me: Boy that is going to smell like puke!

Nico: Yep.

Eli: That was funny.

King Shark: (to Nico) We heard you went to Australia.

Nico: We sure did.

Robo Blaze: How was it?

Nico: It was fun thanks.

Then a figure came out and it was ROCK TROLL from episode 6 of Mystic Force!

---

After Necrolai tricked both Morticon and Koragg into hating one another, this Dark Troll was sent to the surface by Koragg, and was also given the Rangers' combination power.

With this power, the monster was able to grow and transform into the Rock Troll. The Rangers (minus Nick who was trapped in another dimension after he leapt onto Catastros at the end of a Zord fight that Necrolai's deception caused) transformed into their Mystic Titan forms and tried to battle this monster, but were no match due to the Rock Troll's strength.

Luckily, they managed to release Nick from the dimension he was in, along with Catastros. Catastros then thanks Nick for healing him by combining with the Mystic Phoenix to form the new Centaurus Phoenix Megazord. The Rock Troll tried to take on the Megazord, but this new Megazord was too powerful for the Rock Troll to handle, and the monster was destroyed by the Centaurus Phoenix Megazord's Fire Tail attack. By destroying the Rock Troll, the Rangers regained their Titan Megazord power, but Catastros then returned to his master, Koragg.

---

Nick Russel: Rock Troll!

Rock Troll: Been a while rangers!

Me: I remember you! You were created to overpower the rangers when they were divided!

Nico: That was awesome.

Rock Troll: It sure was and I'm glad you remember.

Nico: Yep. So, Beverly, Catherine, what are some memories that you had with Lincoln?

Beverly Bacchus: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went out on a date to Lynn's Table, his dad set it up like we were in Italy, but as we were enjoying a delicious meal, we wound getting word that Flip had broken out of prison again, and that fat mutant wanted revenge on us. Lincoln let loose the beast inside him and he viciously attacked that hairy mutant cheapskate with a dangerous ferocity, and we blasted him with energy blasts and we pounced on and kicked the tar out of him, and I fired a blast of my special wine that made Flip so drunk, he confessed to why he broke out and he passed out drunk, and Lincoln fired red energy waves from his massive white angel wings and tied that jerk up in a red energy straitjacket, and when he alerted the rest of his family of what Flip tried to do to us, they were really furious, and Lincoln called the cops and they picked up Flip and took him back to jail.

Me: And with a nasty hangover.

Nico: Fucked-up mutant cheapskate.

Catherine Augustine: That's nothing compared to what happened with me and Lincoln. One day, we were at Reiningers' to get some clothes for Leni and her friends, but then, Lori showed up and she was out to kill us again. This time, I'd had enough of Lori, so I proceeded to tell her off saying that she's a bossy demonic control freak, she's as cuddly as a gargoyle, and she had the fashion sense of a druid! That really set Lori off, and before she could kill me, Lincoln saved me by firing ten blasts of Fire, Earth, Air, Tech, Life, Water, Life, Dark, and Undead at Lori which knocked her down and she was put in a cage of bones, and I went over to Lincoln and we kissed on the lips and right in front of Lori, who was really left seething with rage and wanting revenge, but Lori got busted big time by Leni who saw what she tried to do and when we got back to The Loud House, Lori got grounded big time.

Chester Monroe: Lori, sometimes, I don't know whether to put you in the stocks and have people throw tomatoes at your face or have Bunnicula subject you to whatever supernatural weirdness he has up his sleeves.

Nico: Easy, Chester. Besides, this was all the fault of Chase Young's evil side and he's gone for good along with the last fragments of his soul.

FLASHBACK ENDS

King Shark: GEEZ! Boys those dark sides of the Loud's were monsters. Also Flip just didn't know when to quit did he?

Yuna Kamihara: COLOR WATER STYLE: CERULEAN!

Toph: COLOR EARTH STYLE: GOLD YELLOW!

Makoto Nanaya: COLOR WIND STYLE: EMERALD GREEN!

They fired waves of elements in said colors.

Lincoln and his harem: COLOR FINAL SMASH: RAINBOW BLAST!

They fired a massive ki blast barrage powered by colors

Lincoln: Now, to restore the color. SEVEN COLORS RESTORATION WAVE!

Lincoln fired a wave of energy with the seven beautiful colors of the rainbow, and they hit Mr. Mime and it separated him from Rainbow the Clown and restored his color, and it also restored color to the city of Townsville.

Me: Awesome, Lincoln! Now, let's put this mime in an invisible cage!

I lifted up an invisible anvil and threw it, and it landed on Mr. Mime's head and he was knocked out and tied up in invisible rope and put in an invisible cage and was sent to The Masters of Evil's HQ.

Nico: Now, that's what I call one colorful adventure. Awesome job, everyone, especially you, Lincoln, that technique you used restored Rainbow the Clown's color and not only separated him from Mr. Mime, but also restored color and sound to Townsville.

Lincoln: Thanks, Nico. Now, there's only one last thing to do, and one last loose end to tie up: Alice Gaspare of the Ghostrick Destroyers.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Winter Icyin: (British Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Alice Gaspare, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Alice Gaspare, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Winter Icyin: (British Accent) Alice Gaspare, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Alice Gaspare: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Alice, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Winter Icyin: (British Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Winter Icyin's red eyes turned neon red and she was surrounded by a black, ice blue, and purple energy aura with stars, darkness, light, shadows, snowmen, snow, ice, and angels, she unholstered her massive Ghostrick Jackfrost's British Jackfrost

Darkness Archangel Greatsword of British Darkness Jackfrost Angel Justice from her back, and as she approached Carla Gobara, she left black, ice blue, and purple energy, stars, darkness, light, shadows, snowmen, snow, ice, and angels with every step.

Winter Icyin: (British Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Alice Gaspare, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Winter Icyin was surrounded by a massive vortex of black, ice blue, and purple energy with stars, light, darkness, shadows, ice, and snow surrounding the vortex, there are snowmen, angels, and Ghostrick Jackfrost flying around the vortex, and in the vortex is a marine blue phoenix with blood red eyes glaring at Alice Gaspare: the red eyes of eternal death. Then, as the vortex faded, Winter Icyin emerged, but she was changed forever.

WINTER IN BRITAIN MUSIC PLAYS

Suddenly, Winter Icyin's massive Ghostrick Jackfrost's British Jack Frost Darkness Archangel Greatsword of British Darkness Jack Frost Angel Justice and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black, ice blue, and purple energy, stars, darkness, light, shadows, snow, ice, snowmen, and angels, and when it emerged, it was transformed into Winter Icyin's Ghostrick Jackfrost British Darkness Archangel Greatsword of British Darkness Jack Frost Angel Justice, it's a brand-new massive greatsword with embedded ice blue gems and Ghostrick Jackfrost etched on the 7'4" massive, wide, double-edged purple blade, large snowmen heads for the crossguard, large white angelic faces built into both sides of the hilt with large purple gems embedded in their foreheads, longer midnight black handle, four large snowmen heads and below the snowmen heads is a large white angel head with ice blue gems for eyes and a purple gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with ice blue gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Jackfrost's heads with ice blue gems for eyes and a large ice blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound

There's an ice blue kanji below Ghostrick Jackfrost and the snowman that said, "Winter Icyin, Gene-Slammer of Ghostrick Jackfrost, England's Legendary Jack Frost, Friend of Ursula Truaigheaingeal, Powerful Member of The Ghostrick Gene-Slammers, Powerful Master of Snow, Darkness, and Light, Friend of Many, Master of Snow, Darkness, The Dark Arts, Necromancy, Satanic Black Magic, The Undead, and Blood Magic, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher and Destroyer of Lila Rossi, Archenemy of Shirouneri, Destroyer of Alice Gaspare of The Ghostrick Destroyers, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Light, Snow, Ice, Snowmen, and Angels"

Winter Icyin has transformed into SUPER ANGEL-GHOSTRICK JACKFROST-JACK FROST-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA BRITISH JACK FROST DARKNESS LIGHT GHOSTRICK JACKFROST ANGEL OF DIVINE BRITISH DARKNESS LIGHT JACK FROST ANGEL JUSTICE AND DIVINE BRITISH DARKNESS LIGHT JACK FROST ANGEL LOVE!

We were amazed by Winter Icyin's Super Angel-Ghostrick Jackfrost-Jack Frost-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Alice Gaspare saw it, she fell into an even more darker and more insane rage and ran at Winter Icyin with a knife to stab her in the heart and kill her, but Winter Icyin fired a powerful barrage of black, ice blue, and purple energy blasts, stars, darkness, light, snowmen, snow, ice, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Me: Whoa!

Nico: Oh man, Winter's transformed, and now, there's nowhere for that delusional vampire to hide.

Lincoln: No villain's ever been safe, not even from The Jack Frost of Royal Woods, and we've seen how icy her wrath can really be, and now, Alice Gaspare's going to pay the price for her crimes.

Winter Icyin: (Divine Godly Cosmic Voice of The British Darkness Light British Jack Frost Angel Ghostrick Jackfrost Angel and Divine British Darkness Light British Jackfrost Angel Ghostrick Jackfrost Angel Love) (British Accent) And pay, she will. Now, let's rip her to shreds, Linky.

Crash Bandicoot: Don't start without me, guys.

Crash Bandicoot unholstered his massive Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Skylands Justice and Ten Eternal Elemental Skylanders True Bravery from his back and he transformed into Super Angel-Bandicoot-Dragon-Elemental Skylander-Harmony United Friendship Universal Eternal Celestial Xelnaga Ten Elemental Knight Elemental Skylander Draconic Bandicoot Angel of Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Justice and Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Bravery.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel

Bravery) You now have nowhere to run to, you blood-crazed delusional bat.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Winter Icyin and Crash Bandicoot.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Alice Gaspare, now it's time we put you down for good!

Winter Icyin, Lincoln, and Crash Bandicoot went after Alice Gaspare, and they fired extremely powerful blasts of rainbow energy, black, ice blue, and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Alice Gaspare and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Winter Icyin, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Alice Gaspare mad.

Alice Gaspare: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Alice Gaspare's vampiric nature came out, and now, she was out for blood. Alice Gaspare ran at Lincoln, Winter Icyin, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Alice Gaspare's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Alice Gaspare in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Alice Gaspare's soul of her life energy as we saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Alice Gaspare into his body and then draining her soul of her life energy, an energy card with Alice

Gaspare's drained soul appeared in his left hand. We cheered wildly for what Winter Icyin, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Winter Icyin's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ice blue wolf tails, and massive ice blue angel wings are permanent.

Winter Icyin: (British Accent) That's one down and seventeen of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Winter.

Crash Bandicoot: She did need to pay for what she did this morning, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Winter Icyin wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Winter Icyin's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Jackfrost flying in the air, and we saw a herd of Buffalo and many animals running across the field and snow falling around them with snowmen forming and winter music playing behind them and we cheered wildly. Then, Lincoln and Winter Icyin absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a truly icy fight, Lincoln, Winter, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Alice Gaspare in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Alice Gaspare's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Skylanders Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got a good one, a Gene-Slammer for Drobot, and there's only one person who'd be Gene-Slammed into the Tech

Dragon of The Skylands: Isabella Ananova.

Marie MacDougal: The Master of Tech herself, nice one, and you'll love meeting her. Isabella Ananova is Lincoln's Guardian Angel and Master of Technology, and she's among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Tech Skylanders. As she grew, she discovered she's a master of Technology, the last of the Ten Elements of The Skylanders, and she trained a lot under the tutelage of Master Eon and the Tech Skylanders and she proved to be quite the master of technology.

Nico: Nice.

Crash Bandicoot: Yep, and like the other Skylanders Gene-Slammers, Isabella left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Isabella really hated that world-conquering warlord, and when Marie MacDougal formed and became the leader of The Skylanders Liberation Coalition formed for the one purpose: to free The Skylands and make Kaos pay for all his crimes against Skylands and against all The Skylanders, Catherine joined the coalition. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw that she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the elements of Tech, and she also had the additional help of Mags and the Tech Skylanders, who really helped Lincoln in advancing his training in mastering the element of Tech, and over time, he really proved to be a technology master and at the same level as her.

Me: Hey, I remember her all too well, she was one awesome tech expert, and now, we know why we haven't seen her in seven years: Team Rocket Gene-Slammed her.

Crash Bandicoot: They sure did, and although she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Isabella has hated with a passion ever since she came to Royal Woods: and that person is Lisa, and she has more than once used her skills in technology to put Lisa in her place and cause technological mayhem on her, and she even told her off saying that Lisa's a cold-hearted, bloodless, emotionless piece of garbage, that she's as cuddly as a malfunctioning freezer, and even worse, Isabella also said that Lisa is as dumb as a sack of diapers!

We gasped.

Luna: Yeah, she said all that to her.

Elizabeth Dracona Adalinda: Yeah, and that really set Lisa off, and before she could kill her, Lincoln saved her by firing blasts of gears and tech at Lisa which knocked her down and she was put in an advanced technological cage that she couldn't hack, and Isabella went over to Lincoln and they kissed on the lips and right in front of Lisa, who was really left seething with rage and wanting revenge, but Lisa got busted by her parents who saw what she tried to do and she also got grounded big time.

Nico: Jeez, Lisa didn't like getting outsmarted and told off by Isabella, but she should've known better than to try and kill her older brother's Guardian Angel.

Lincoln: Lisa made that one mistake that earned her my brand of punishment, and for tomorrow, we're going to face off against Sophia Fayez.

Ramona Qingzhao: (Chinese Accent) Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: Oh, we forgot to tell you guys, we'd initiated Crash Bandicoot into The Michigan Supernatural Defense Force, and now, he's become a member of our club, and he'll be going on some of our missions along with missions with The Ghosthunters Club.

Nico: Awesome! He's the first Skylander to be initiated into one of the clubs that Lincoln's a member of.

Ash: Let's not tell my mom about this.

Dr. Light: About us fighting a villain with the same name as her Pokemon?

Beautiful Gorgeous: Our lips are sealed.

Me: Kind of crazy that Mr. Mime shared the same name as your mother's Pokemon.

Puff: Either way, Rainbow's okay now.

Nico: He sure is.

Lady Shiva: And there's color again.

Me: Yep.

Selene: Now, let's have a colorful celebration!

SpongeBob: Rainbowgers for everyone!

Xenia: Yeah!

Lily: Rainbow Krabby Patties.

Nico: Awesome. Great job today everyone.

Rainbow: Thank you, guys, for returning my color

And throwing away my frown!

(facing Buttercup) I owe it to you…

(facing Blossom) And you…

(facing Bubbles) And you. I'm back,

Rainbow the Clown!

(Pull back as the crowd cheers. Along with us)

Me: YEAH!

Woody Woodpecker: He sure is a colorful one. (To the viewers) This was a colorful adventure today. Hope you all loved it.

Nico: We all did.

Qin: Yeah.

We went to Lynn's Table and SpongeBob made us Rainbowgers and we had a great meal.

We went back home later on and went to sleep. This was one COLORFUL adventure!

Woody Woodpecker: HAHAHAHAHA HAHAHAHAHA HAHAHAHAHA HEHEHEHEHEHEHEHEHEHEHEHEHEHE!

THE END

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Fizzland, a potion factory in The Skylands, and it's where all of Pop Fizz's concoctions are made, and we got bad news: it appears that the Royal Defenders version of Chandler, who's a dangerously insane, powerhungry, pure evil, and very black-hearted monster, has come back from the dead, and he's out for one thing: revenge on The Royal Defenders, who stopped him from trying to destroy them and take over their world's Royal Woods. But, his plan was foiled and his life was brought to an end, but now, he's been brought back from the dead and he won't stop until he gets his revenge on them, but too bad for him because The Royal Defenders also have us here to help, and we're going to destroy him once and for all and send him to The Black Gates forever. And we're going to meet the next Skylanders Gene-Slammer, her name is Isabella Ananova, Gene-Slammer of Drobot, she's Lincoln's Guardian Angel and Master of Technology, and she's among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Tech Skylanders. As she grew, she discovered she's a master of Technology, the last of the Ten Elements of The Skylanders, and she trained a lot under the tutelage of Master Eon and the Tech Skylanders and she proved to be quite the master of technology, and like the other Skylanders Gene-Slammers, Isabella left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Isabella really hated that world-conquering warlord, and when Marie MacDougal formed and became the leader of The Skylanders Liberation Coalition formed for the one purpose: to free The Skylands and make Kaos pay for all his crimes against Skylands and against all The Skylanders, Catherine joined the coalition. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw that she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the elements of Tech, and she also had the additional help of Mags and the Tech Skylanders, who really helped Lincoln in advancing his training in mastering the element of Tech, and over time, he really proved to be a technology master and at the same level as her. Although she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Isabella has hated with a passion ever since she came to Royal Woods: and that person is Lisa, and she has more than once used her skills in technology to put Lisa in her place and cause technological mayhem on her, and she even told her off saying that Lisa's a cold-hearted, bloodless, emotionless piece of garbage, that she's as cuddly as a malfunctioning freezer, and even worse, Isabella also said that Lisa is as dumb as a sack of diapers! That really set Lisa off, and before she could kill her, Lincoln saved her by firing blasts of gears and tech at Lisa which knocked her down and she was put in an advanced technological cage that she couldn't hack, and Isabella went over to Lincoln and they kissed on the lips and right in front of Lisa, who was really left seething with rage and wanting revenge, but Lisa got busted by her parents who saw what she tried to do and she also got grounded big time.

Get ready for an awesome adventure as we find out that Bernie Bernstein, the con artist director that wanted to make the Powerpuff Girls stars, is back and he is out to finish what he started and this time we're not going to let him get away with his crimes.

See you next time.

The Mascots were with us too.

Nico: This is going to be so awesome.

Qin: And we're going to be busy pulverizing biker punks.

Xenia: Yep.

Me: I hope we smash their skulls in.

Camie: I know we're going to.

Varie: Yeah.

Supergirl: This will be so fun and awesome.

Nico: Supergirl, I want to thank you, Toad, and your teams for coming.

Supergirl: No problem Nico. This is going to be so fun and cool.

Xenia: It sure is.

Michiru: I'm ready to kick some butt!

Nico: Michiru, what do you like to do in your free time?

Michiru: I mostly help out Misuzu and help make sure she is safe. But I also like to run on the track. I'm that fast and agile.

Nico: That is cool.

Rainbow Dash: That is awesome. You are a fast girl from what I heard too.

Michiru: Yeah I get that a lot.

Camie: That sure is awesome and cool.

Xenia: Yep.

Nico: Are you as fast as Ellie?

Michiru: (LAUGHS) Not that fast. But I do have a lot of energy..

Nico: Oh. Okay.

Qin: That's alright. But it's awesome.

Camie: Yeah. Boy yesterday was really awesome and colorful.

Lola: It sure was.

Eddy: And it was really funny.

Nico: Yeah it sure was and I'm glad Rainbow the Clown is back to normal.

Lana: Me too.

Nico: He couldn't drain our color

Lincoln: Nope. Because it was too strong. Also that was so fun and cool.

Lola: It sure was.

Me: And the Paintbrush of Iris was perfect for that.

Varie: It sure was.

Maria: Yep.

Xenia: That was a really colorful one.

Ibara: It sure was and it was cool.

Himiko: It sure was.

Nico: Luan never told us she knew rainbow.

Eddy: That was really surprising. But no one ever asked us that.

Eli: That is really cool though.

Varie: It sure is.

Me: The birthday quartet. Luan, Krusty, Eddy and Rainbow.

Lola: Yep. Awesome and fun.

Eli: It sure is.

Nico: And he had the same name as a Pokémon.

Me: That is coincidental that he had the same name.

Qin: No kidding. That was awesome though.

Eli: It sure was.

Lola: I'll say.

Camie: Yep.

We arrived at the Bike N Brawl.

Me: There it is.

Camie: The Bike N Brawl.

Xenia: Oh boy.

Nico: Let's go in.

We went up to the door and we went it and we saw lots of punk bikers and hardcore thugs.

They looked at us with incredible hatred.

Me: What are you looking at motherfuckers?

They growled.

Nico: Got something to say?

The thugs growled at us with intense fury.

Me: Growl to you too.

Then a thug went at us and I grabbed hand and kicked him in the face and then kicked him into the pool table.

Nico: Let's rumble!

The thugs came at us and then an all out brawl ensued!

POW WHAM SMASH BIFF WHAP WHOMP BAM SMACK!

Lola bit a thug in his arm and he screamed and Lana grabbed a chair and smashed it on his head and knocked him out.

Varie grabbed two thugs and bashed their heads together.

Laney smashed a thug into the ground.

Tsuyu grabbed a thug and smashed him into the bar.

BAM SMASH WHAM BASH WHOMP BIFF ZONK KROW POW BLAM!

KROW!

I kicked a thug and bashed him through the roof and sent him flying and he was screaming and as luck would have it he crashed through the roof of the police station!

Sheila: WHOA! Looks like the bikers are at it again!

Tom Lair: Lets get them!

Sheila and Tom deployed the force.

We were really thrashing them into next week.

The Mascots were drinking some beer and liquor while the fight was going on. Then they got drunk.

Poliwag: (Slurred speech) Shut your fucking trap ya joik!

Poliwag bashed the thugs all over with his tail.

Poromon: (Slurred Speech) You make me want to retch! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted all the thugs all over.

Manaphy and Horsea bashed and pulverized the thugs all over the place.

I kicked a biker in the crotch and he screamed like a little girl and Leni smashed a thug into the floor.

Edzilla: ED SMASH BAD THUGS!

Edzilla ripped them apart all over.

Eddy blasted them with his blaster.

Lola fired a wave of fire and burned a thug.

Nico and May grabbed a couple of thugs and bashed their faces in.

Eli fired waves of Force Lightning and electrocuted them all over.

Horsea: (Slurred Speech) You make me sick!

She blasted them with energy.

Manaphy: (Slurred Speech) Yeah you joiks!

She blasted them all over.

Supergirl and Michiru punched and plowed through a bunch of thugs like a huge bowling ball and smashed them down.

But then 2 figures came in and they were both OCTOPUS GENE-SLAMMERS! One was a red octopus and the other was a Blue-Ringed Octopus!

Nico: Whoa a Red Octopus and Blue-Ringed Octopus!

Qin: Whoa!

Me: Wow! One of them is the most venomous octopus in the world!

Lola: Yeah!

The two octopus girls then grabbed the thugs and bikers and then bashed them all over and the Blue Ringed Octopus poisoned some of them and they were convulsing and having seizures.

Me: Geez!

Nico: It's also probably gonna be the last sea Gene Slammers for a while.

Me: Really?

Nico: Yep.

Qin: Oh man.

Nico: Well, they can't keep coming forever

Nico fired a wave of lightning and electrocuted the thugs.

Then the police came and then the cops, Sheila and Tom were loading the bikers and thugs into vans all over.

Tom Lair: Nice job guys! We've been after these punks for years.

Xenia: No problem Tom.

Me: These jerks had it coming. Enjoy spending 1,000 years of hard labor in the stony lonesome you jerks and buttfaces.

They were loaded and they were taken away.

Red Octopus: That is for sure!

Blue-Ringed Octopus: Yeah you are going to love spending all that time in the cooler.

Nico: Ashley Yuuki and Tea Rhodes!? Whoa!

Tea Rhodes: Awesome to see you again Nico.

Ashley Yuuki: Yeah that was fun doing all that.

May: Any relation to Alexis and Jaden?

Tea Rhodes: (LAUGHS) We get that a lot. We may share the same last names but we are no way related.

Ashley Yuuki: Also my last name is spelled differently. It has 2 U's in it instead of one.

Jaden: That's cool.

Lola: Yeah.

Me: What were you girls doing when you were slammed?

Tea Rhodes: We were at the aquarium looking at all the fish.

Ashley Yuuki: Yeah we wanted to see so many awesome fish.

Xenia: That's cool.

Tea Rhodes: But that was awesome that I can do that by touching bad guys.

Me: You are a gene-slammer of the most venomous octopus in the world, the Blue-Ringed Octopus.

Tea Rhodes: Whoa! That is amazing!

Laney: Yeah.

Camie: How big are those octopuses usually?

Me: No bigger than the size of a golf ball but they pack a venom that is 10,000 times more powerful than cyanide and has enough potency to kill over 20 people.

Eli: WHOA!

Xenia: That is lethal.

Nico: But you won't kill us. Trust me

Tea Rhodes: Don't worry. I only use it on bad guys. I have this strange power that causes me to infect people with that kind of poison. I have a power called The Venomous Touch.

Toad: WHOA! I've heard of that kind of power. That's like what Viper has.

Tea Rhodes: Wow!

Me: Lets revert you girls back to normal.

Ashley Yuuki: Okay.

Me: (Puts on Blind Man Glasses) But just so you know it's going to hurt really badly.

Tea Rhodes: We can handle it.

Ashley Yuuki: Okay.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and the two girls doubled over in excruciating pain!

Ashley vomited ink.

Me: EW.

Nico: Ink.

Qin: Yuck!

They reverted back and Ashley had red hair and red eyes and had the kanji for Octopus in the middle of her forehead. Tea reverted back and she had blue hair and blue eyes and had the kanji for octopus in the middle of her forehead too.

They got up and saw that they were back to normal but they were naked.

Tea Rhodes: GAH! Hey we're naked!

Ashley Yuuki: But we're back to normal though.

Rarity: Don't worry darlings. We can fix this.

The Fashion Brigade gave them awesome new clothes. Ashley had red clothes and Tea had blue clothes and had awesome gloves on.

Tea Rhodes: Wow! Awesome clothes.

Ashley Yuuki: Yeah these look great.

Xenia: You sure do look great.

Tea felt her face

Tea Rhodes: Wow. I am back to normal.

Qin: You sure are.

Nico: Yep.

Eli: I sense more Anothers coming. We have Another Yokai, Tankmon, Amphibia, Gazimon, Evil Yamato Man and Toad.

Nico: Whoa! This will be interesting.

The mascots were still drunk.

Me: You guys have had enough.

I snapped my fingers and they were back to normal.

Nico: There.

Me: Yep.

Nico: All the mascots are with us. So…

Me: That means it's their turn to shine.

Qin: Yep.

Eli: And I sense they are all friendly.

Xenia: This will be fun.

Eli: Another Yokai coming in.

Horsea: I'm first!

Nico: Yep.

Maria: Go get him Horsea!

Eli: Here comes Another Yokai!

Out came a figure and it was a dark version of Yokai! It was ANOTHER YOKAI!

Me: Another Yokai!

Xenia: This will be good.

Another Yokai: (In a girls voice) Boy this is gonna be awesome.

Lincoln: That voice!

She reverted back and was a girl with blue hair and had blue clothes and blue eyes and she had rainbow angel wings and Touma's most powerful Saber Rider Sword and had a tiara with the symbol of all the holy swords on it.

Lincoln: (GASP) Wendy Saber!

Me: Whoa! Are you the Embodiment of all The Swords of Kamen Rider Saber?

Wendy Saber: That's right. I sure am. I'm the strongest member of all the Saber Embodiments and I have all their powers woven into me.

Xenia: That is incredible!

Wendy Saber: Yep. And I am one of Lincoln's guardian angels and also I hate Storious as well as Flip, Scoots, Chandler, Lynn, Lori and Luan with a vengeance and I want nothing more than to kill them and mount their heads on pikes in front of their school.

Camie: Geez!

Me: What did they do to warrant such hatred from you?

Wendy Saber: You don't want to know what it is.

Me: (GULPS)

Horsea: This makes me a little sad. Because Callaghan became this because of his daughter. All because Krei got greedy.

Wendy Saber: I know! I feel bad for Callaghan too. I love the movie Big Hero 6 and that was sad that all that happened to him.

Me: But he had no idea that his daughter was alive the entire time and was put in suspended animation while inside a pocket dimension beyond the reach of time and space.

Xenia: That was really crazy and cool though.

Lola: But at least Abigail Callaghan is okay now.

Wendy Saber: I know. Thank goodness she is. I'm glad.

Horsea: Yeah no kidding. Sorry we have to fight like this.

Wendy Saber: No worries.

Me: I take it you heard about us killing Storious last year right?

Wendy Saber: I sure did and I'm glad he is gone. He deserved the black gates.

Me: Yeah he was so fucked up to the Nth degree that he made Sartorius look like a saint.

Wendy Saber: Boy no kidding! But thank goodness he is gone too.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Dark holoré in the Deep

Spring abundant holoél

She glowed and Was separated from Another Yokai!

Wendy Saber: WHOA! This will be fun.

Horsea: Lets take him down together!

Wendy Saber: You got it!

Wendy used the power of Falchion and she and Horsea fired waves of energy and fire and blasted him down and I caught the Wonder Ride Book.

Me: YEAH! 1 down 5 to go.

Horsea: Krei's just lucky he only got sued!

Wendy Saber: That was a massive lawsuit.

Me: Yep. And now he is in the Antarctica prison.

Xenia: Yep.

Camie: Good.

Eli: Another Tankmon coming!

Jirachi: My turn!

Me: Yep.

Jirachi: Lets do it!

Then Another Tankmon came!

Qin: Another Tankmon!

Me: This one has a sneeze like a cannon!

Nico: Yep.

Another Tankmon: (In a girls voice)

Lincoln: That voice!

She reverted back and it was a girl with orange hair and she had rainbow angel wings and had purple clothes and had a tiara with the symbol of Kiwami Arms on it and she had a belt that had all the weapons of Gaim on it.

Lincoln: (GASP) Hisui Gaim Takatsukasa!

Nico: Whoa!

Me: If I had to guess you're the embodiment of Kamen Rider Gaim's Kiwami Arms.

Hisui Gaim: That's right and I am also Mai Takatsukasa's little sister. I'm the princess of the planet Femushinmu.

We gasped!

Qin: Whoa!

Nico: That is amazing! I take it you heard about us blowing the Yggdrasill Corporation into dust and killing the rest of the Vengeful 6 there.

Hisui Gaim: That's right and they had it coming. For years they were abusing my planets poiwers and using them for their own selfish gains.

Qin: Well no more. They are destroyed.

Me: Yep.

Lincoln: Yep.

Hisui Gaim: And yes I'm also one of Lincoln's guardian angels. I have a strong hatred towards Flip. That repulsive mutant cheapskate.

Me: (GULPS)

Qin: Oh boy.

Manaphy: (to Poromon) Wanna make out in the meantime?

Poromon: Sure!

They got to kissing.

Jirachi: Sorry we have to do this.

Lincoln: First this.

He fired a beam of light and separated her.

Hisui Gaim: Lets dance!

Jirachi: Lets do it!

They fired waves of energy and blasted Another Tankmon and I caught the book.

Qin: YEAH!

Me: 2 down.

Eli: Another Amphibia next.

Tentacool: My turn!

Me: Yep.

Varie: Go for it Tentacool.

Then we saw a wave of water and then out of it came a dark version of Amphibia! It was ANOTHER AMPHIBIA!

Qin: WHOA!

Me: This one is gonna get us all wet!

Another Amphibia: Or all hot in this cause.

Lincoln: That voice!

She reverted back and then we saw a girl with orange hair and she had black and orange clothes and had wings of lava dripping with scorching hot magma and she had a tiara with the symbol of Kamen Rider Cross Z Magma on it and she had a sword of lava!

Lincoln: WHOA! Vicky Volcanus!

Me: Whoa! And if I were to guess you're the embodiment of Kamen Rider Cross Z Magma.

Vicky Volcanus: That's right. Awesome to see you again Lincoln.

Lincoln: Same here. Vicky Volcanus hates Flip with a vengeance and she burned his testicles off with a wave of magma.

Me: (WINCES) Ouch! I remember that!

Xenia: YIKES!

Me: Boy you have to be the hottest Embodiment of the riders we met so far. In temperature.

Vicky Volcanus: I sure am.

Tentacool: Sorry we have to do this.

Lincoln: First this.

He fired a wave of light and separated her and Vicky Volcanus and Tentacool fired waves of energy and magma and blasted Another Amphibia and I caught the Wonder Ride Book.

Me: Take that!

Maria: YEAH!

Me: And now Another Gazimon.

Poliwag: Yay! My turn!

Nico: Yep.

Me: And here she comes!

Then a figure came and it was Another Gazimon!

Me: Whoa!

Qin: This is gonna be awesome.

Me: Yep.

Another Gazimon: (In a girls voice) But I'm ready for this.

Lincoln: That voice!

She reverted back and it was a girl with blond hair and she had rainbow angel wings and had yellow clothes and had a tiara with the symbol of Grand Zi-O on and she had a belt with the symbols of all the riders from 2000 to 2020.

Lincoln: WHOA! Gloria Tokiwa!

Gloria Tokiwa: Awesome to see you again Lincoln and cousin Sougo you're looking great.

Sougo: Its been a long time cousin. I didn't know you were the embodiment of Kamen Rider Grand Zi-O.

Me: That is awesome! You have 20 years of Kamen Riders inside you.

Gloria Tokiwa: That's right. I sure do.

Nico: Wow!

Me: I take it you saw the whole battle between us and Swartz and how we mutilated him.

Nico: Yeah I ripped out his heart and made him eat it.

Gloria Tokiwa: I sure did see it all and that was amazing. You guys really destroyed Swartz. Especially you J.D. Your new transformation back then was incredible.

Me: I've grown a lot in power back then. But yeah.

Poliwag: Your cousin has been a big help. But did Swartz know you and Sougo were related?

Gloria Tokiwa: No thank goodness he didn't know. He just picked me at random.

Me: Well that's a relief he didn't know you were related to Sougo.

Gloria Tokiwa: It sure is.

Nico: Yeah.

Poliwag: Sorry we have to do this.

Lincoln: But here is this.

He fired a wave of light and separated her and then Poliwag blasted down Another Gazimon and I caught the Wonder Ride Book.

Me: Yeah! 2 left. Evil Yamato Man next.

Michiru: YAY! This will be fun.

Lola: It sure will!

Poliwag began jumping on Gloira's head.

Gloria Tokiwa: (LAUGHS) That is cute!

Nico: (LAUGHS) Funny!

Xenia: Yeah!

Me: Here comes Another Evil Yamato Man!

We saw her.

Michiru: This will be fun!

Me: Yep.

Another Evil Yamato Man: (In a girls voice) I'm ready for action!

Lincoln: Reggie Kenzaki!

Reggie Kenzaki: Awesome to see you again Lincoln. (GASP) Cousin Kazuma! You're okay!

She ran and hugged Kazuma.

Kazuma Kenzaki: Reggie! Wow I'm glad to see you.

Me: I didn't know you two were cousins and I see you're also the embodiment of Blade King.

Nico: That is awesome.

Reggie Kenzaki: I know. When I heard what happened with him I was extremely worried.

Me: Well you wouldn't believe where we found him.

Nico: We found him on a planet made entirely out of Sweet Potatoes.

Lola: Yeah we sure did.

Me: Your cousin also helped us out during the 20 Days of Darkness in the world of Agrabah.

Reggie Kenzaki: I've heard all about that.

Qin: Yeah.

Nico: And we killed the person responsible for his pain and misery.

Reggie Kenzaki: Whoa! So Hitoshi came back!?

Me: Yep and I swore that I would make him suffer my ultimate wrath. I let loose all of the 9 levels of hell on him in my 2nd most powerful transformation.

Xenia: Yeah it was an extremely epic battle.

Me: And we destroyed Hitoshi and banished his fucking butt to the Black Gates forever.

Camie: We sure did.

Reggie Kenzaki: Good riddance. I'm glad he is gone.

Nico: So is the whole world.

Xenia: Yep.

Nico: I'm just glad you weren't affected by the Battle Fight.

Reggie Kenzaki: So am I.

Qin: Yeah.

Michiru: Yeah. Sorry we have to fight like this though.

Reggie Kenzaki: No worries.

Lincoln: After this.

He fired a wave of light and separated Another Evil Yamato Man and Michiru fired waves of energy and blasted him down and then I caught the Wonder Ride Book.

Lola: Yeah!

Me: Now for Another Toad.

Supergirl: This will be fun.

Nico: Keep an eye out.

Me: There!

We saw a figure and it was ANOTHER TOAD!

Qin: WHOA!

Toad: Boy it's like looking at myself in the mirror!

Nico: It sure feels like it.

Another Toad: (In a girls voice) I am amazed though.

Me: That voice.

She reverted back and it was a girl that looked like Jade when she was fused with Xiao Fung's Wind Chi!

Me: (GASP) Jade Xiao Fung!

Nico: WHOA! Are you?

Jade Xiao Fung: That's right. I'm the daughter of Xiao Fung the Demon Sorcerer of Wind. And I move like a frog and belch extremely powerfully.

Qin: Whoa!

Nico: Powerful and potent!

Lola: Yeah!

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (gets out Battle Fever gear) Because we can grant it instead.

Kaito got a Denzi Sword and Zocks got a Battle Fever sword.

Jade Xiao Fung: No he was in a hurry to send me out because of the powerful belches I have.

Me: I can see why.

Sakura Knudson: When I heard those burps I thought it was because Swartz drank too much soda.

Lola: That would be funny.

Camie: Yep.

Me: Sorry we have to fight like this.

Jade Xiao Fung: No worries.

She turned into Another Toad!

Sougo: (gets out Denziman Ridewatch) Gloria, watch me in action.

Geiz: (Gets out Battle Fever Ridewatch) With me helping.

Sougo got DenziRedArmor while Geiz got BattleJapanArmor.

Gloria Tokiwa: Whoa! That is so cool!

Sougo: Yep.

They fired waves of energy and smashed her all over.

Nico: This will be fun. (ACTIVATES TOAD'S RIDEWATCH)

He spit a wave of slime into her face.

Nico: Time for some fun! (ACTIVATES EVIL YAMATO MAN'S RIDEWATCH)

Nico threw of spear and smashed her down.

May: Time for this to be crabby! (ACTIVATES CANCER'S RIDEWATCH)

She fired waves of energy and smashed her down.

May: And this! (ACTIVATES DWARFSTAR'S RIDEWATCH)

She fired energy blasts and smashed her down.

Maria: Take this one! (ACTIVATES OJO TANGO'S RIDEWATCH)

Maria fired banana bombs and blasted her all over.

Maria: Time for these bullies to bash you down! (ACTIVATES GANGREEN GANG'S RIDEWATCH)

She fired waves of energy and blasted her down.

Michiru: And now for me! (ACTIVATES EVIL YAMATO MAN'S RIDEWATCH)

She threw a spear and smashed her down!

Xenia: Oh yeah!

Then Mortal Kombat Scorpion, Aries Zodiart, Professor Milo, Grimmel the Grisly, Pagemaster Dragon and Ghost Desiree came.

Nico: Nice team Scorpion!

Mortal Kombat Scorpion: Thanks Nico!

Qin: This will be fun and cool.

Lola: Yep.

Maria: Where's the next Gene Slammer?

Then a Mimikyu came.

Me: Hey a Mimikyu.

Qin: Whoa scary.

Eli: Yeah.

Mimikyu: (In a girl's voice) But this is gonna be awesome.

Nico: Rachel Gothika!? Whoa.

Qin: Wow!

She reverted back and was a girl with black hair, black clothes and had black angel wings.

Rachel Gothika: I got this.

She fired a wave of darkness and knocked down Another Toad and she reverted back and I caught the ridewatch and purified it and I brought Jade Xiao Fung over.

Maria: That looks like an evil version of Pikachu

Rachel Gothika: I know.

Michiru: What's your favorite member of Nico?

Rachel Gothika: When we went to Castle Frankenstein and collected artifacts from it.

Nico: Yep we found all sorts of equipment.

Lola: WOw!

Nico: Yep.

Nico and Rachel hugged.

Nico: I've missed you.

Rachel Gothika: Me too Nico.

We went back home

It appears that the Royal Defenders version of Chandler, who's a dangerously insane, powerhungry, pure evil, and very black-hearted monster, has come back from the dead, and he's out for one thing: revenge on The Royal Defenders, who stopped him from trying to destroy them and take over their world's Royal Woods. But, his plan was foiled and his life was brought to an end, but now, he's been brought back from the dead and he won't stop until he gets his revenge on them, but too bad for him because The Royal Defenders also have us here to help, and we're going to destroy him once and for all and send him to The Black Gates forever.

Lincoln: Whoa, we're here in Fizzland.

Spyro: Oh man, Pop Fizz's potion factory, I don't think we've shown you guys this place.

Nico: You didn't, but this place is so cool.

Me: It sure is.

Lincoln: Now, we know where Pop Fizz creates his potions, and I know what we're going to do here, not only am I going to rescue the thirteen girls here, but we got bad news you won't like, Ed, along with The Royal Defenders.

Ed Cowart: Let me guess, our world's Chandler has come back from the dead, huh?

Me: How did you know about that?

RD Me: We'd dealt with that little stain before Sindri Myr showed his ugly face, and he's just like your world's Chandler before his Dark Side was removed.

Lincoln: Dangerously insane, powerhungry, pure evil, and very black-hearted, yep, that sounds like him alright.

RD Lincoln: Before Sindri Myr showed his ugly face and corrupted us, RD Chandler tried to take over Royal Woods and destroy us. But, not only did we stop him and his plan for domination foiled, but, he also committed suicide.

RD Luna: That little monster refused to be taken alive, so he committed suicide.

Lincoln: And now, he's been brought back from the dead and he won't stop until he gets his revenge on you all. That's not going to happen, we're going to destroy him once and for all and send him to The Black Gates forever.

Nikiya: That demented little monster doesn't deserve any mercy at all, and you can also say it's also a perfect opportunity for your Guardian Angels who despised Chandler to exact some well-deserved revenge.

Anna Anyanova: (GASPS) You just said the magic words!

Immediately, Lincoln's Guardian Angels who despised Chandler got out swords, bombs, grenades, machine guns, machetes, shotguns, and all sorts of weapons.

Nico: (WHISTLES) You girls look like you're ready for war.

Lincoln: I should've said this: anyone who says the magic words, "well-deserved revenge", and if it's also against those who my Guardian Angels hated with a blazing passion, they immediately get out swords, bombs, grenades, machine guns, machetes, shotguns, and all sorts of weapons.

Me: Wow.

Suddenly, we saw a very beautiful and super sexy girl with long orange hair and orange hairband, orange eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful orange angel wings, she's dressed in an orange short-sleeved blouse, sleeveless orange top, necklace with pearls and orange gem for the pendant, long orange skirt, white bridal gloves, orange knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with tech, gears, dragons, and angels on the coattails and on the back is Drobot, and holstered on her back is a steampunk sword, and with her are the thirteen girls.

Orange-Haired Girl: I hope I'm not too late, but I also got the girls away from that little prick.

Lincoln: You're not too late, Isabella Ananova, you're just in time. RD Chandler should be coming after us… right now!

?: (ENRAGED SCREAM) I WILL FUCKING KILL YOU STUPID ROYAL DEFENDERS, IF IT'S THE LAST THING I EVER DO!

We then saw our target: RD Chandler, he looked exactly like Chandler when his Dark Side came out, but this one is dangerously insane, powerhungry, pure evil, and very black-hearted.

Sylvester: So, the little monster's arrived for his final farewell.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln's Guardian Angels attacked him with their weapons, and Anna even hacked off his arms and legs with a chainsaw and he was screaming in such agonizing pain.

Nikiya: Okay, when did Anna get out a chainsaw?!

Lincoln: Search me, but it's further proof they really hated him.

Then, Lincoln fired powerful elemental blades of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions at RD Chandler, and he was destroyed and sent to The Black Gates forever. We cheered as we holster our weapons and powered down.

Lincoln: Well, looks like we've gotten rid of RD Chandler for good, and that little stain's never coming back again. (To Isabella Ananova) And it's so good to see you again, Isabella Ananova.

Isabella Ananova: You too, Linky, it's been a long time.

Lincoln went up to Isabella Ananova and he hugged her, and Isabella Ananova is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Isabella Ananova: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Isabella Ananova, Gene-Slammer of Drobot, she's my Guardian Angel and Master of Technology, and she's among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Tech Skylanders. As she grew, she discovered she's a master of Technology, the last of the Ten Elements of The Skylanders, and she trained a lot under the tutelage of Master Eon and the Tech Skylanders and she proved to be quite the master of technology, and like the other Skylanders Gene-Slammers, Isabella left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Isabella really hated that world-conquering warlord, and when Marie MacDougal formed and became the leader of The Skylanders Liberation Coalition formed for the one purpose: to free The Skylands and make Kaos pay for all his crimes against Skylands and against all The Skylanders, Catherine joined the coalition.

Nico: (Whistles) Wow, she's one awesome tech expert.

Crash Bandicoot: She sure is, and after we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition became part of The Earth-Skylands Federation. Plus, we also saw that she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the elements of Tech, and she also had the additional help of Mags and the Tech Skylanders, who really helped Lincoln in advancing his training in mastering the element of Tech, and over time, he really proved to be a technology master and at the same level as her. Although she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Isabella has hated with a passion ever since she came to Royal Woods: and that person is Lisa, and she has more than once used her skills in technology to put Lisa in her place and cause technological mayhem on her, and she even told her off.

Nico: What did she say to her.

Crash Bandicoot: She said that Lisa's a cold-hearted, bloodless, emotionless piece of garbage, that she's as cuddly as a malfunctioning freezer, and even worse, Isabella also said Lisa is as dumb as a sack of diapers!

Those who hadn't heard it gasped in horror.

Me: Yeah, it was bad.

Nico: And I can guess what happened.

Crash Bandicoot: Yep, Isabella Ananova really set Lisa off, and before she could kill her, Lincoln saved her by firing blasts of gears and tech at Lisa which knocked her down and she was put in an advanced technological cage that she couldn't hack, and Isabella went over to Lincoln and they kissed on the lips and right in front of

Lisa, who was really left seething with rage and wanting revenge, but Lisa got busted by her parents who saw what she tried to do and she also got grounded big time.

Me: Oh man, I remembered that all too well, and Lisa was really seething with rage and hatred as a result of that.

Lincoln: Lisa knew better than that, but her cold-hearted furious Dark Side really did make her act like an uncivilized monster. And now that you're here, Isabella.

Lincoln went up to and hugged Isabella Ananova in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Isabella Ananova: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Isabella Ananova's neck with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Isabella Ananova: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Isabella Ananova.

Isabella Ananova had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the thirteen girls, and when Lincoln saw who they were, they immediately recognized them. The thirteen girls are Amy, Christie, Elise, Koharu, Lobelia, Luna, Monica, Nanami, Patty, Shandy, Tsukushi, Yukino, and Kanna from Dead or Alive.

Lincoln: Oh wow, it's Amy, Christie, Elise, Koharu, Lobelia, Luna, Monica, Nanami, Patty, Shandy, Tsukushi, Yukino, and Kanna from Dead or Alive.

Ayame: Amy, Christie, Elise, Koharu, Lobelia, Luna, Monica, Nanami, Patty, Shandy, Tsukushi, Yukino, and Kanna, they were here?

Kasumi: That little monster tried to kill them to slake his thirst for blood.

Lincoln: Thank goodness Isabella got them away from that little monster. Are you girls okay?

Amy (Dead or Alive): Yes, we're okay, thanks to you.

Then, when Amy and the other twelve girls saw who it was that saved them RD Chandler, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie,

Christie: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Koharu: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amy, Christie, Elise, Koharu, Lobelia, Luna, Monica, Nanami, Patty, Shandy, Tsukushi, Yukino, and Kanna with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after in Fizzland was the Royal Defenders version of Chandler, who's a dangerously insane, powerhungry, pure evil, and very black-hearted monster, who came back from the dead for one thing: revenge on The Royal Defenders, who stopped him from trying to destroy them and take over their world's Royal Woods long before Sindri Myr corrupted them, but his plan was foiled and he took his own life refusing to be taken into custody.

But, when Lincoln showed what we all did in laying down a vicious beatdown on that little monster and Lincoln's Guardian Angels who hated Chandler do all those vicious things to him even Anna Anyanova using a chainsaw to hack off his arms and legs and Lincoln finishing him off by firing elemental blades from his massive greatsword which sent him to The Black Gates forever,, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Isabella Ananova have a lot of catching up to do, now that she's back in town.

Maria: I never expected to see any of the Royal Defenders' old enemies to come back from the dead.

RD Me: Same here, but now, we're finally rid of RD Chandler for good.

Lincoln: And there's no doubt that the person responsible for this was Sophia Fayez, she's so going to get turned into my next meal later on today.

Nico: That's for sure, Audrey Blade and her undead goons better say their fucking prayers.

Raven Ghostrick: Audrey's undead goons are already getting what's coming to them, and Audrey Blade herself will also get her just desserts very soon.

---

After getting rid of RD Chandler and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Isabella Ananova saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Isabella Ananova: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Isabella, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Isabella Ananova: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Isabella Ananova: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Isabella, what are some memories that you had with Lincoln?

Isabella Ananova: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to The Natural History Museum, and we were doing a research paper on the advancements in Technology. But, then, the doors to the museum burst open, and we saw who it was that did this: it was Lisa, Lincoln's cold, emotionless "prodigy" sister, and she had an army of robots with her again and she was causing havoc and laughing like a madwoman. We'd had enough of Lisa, and we used our tech powers to shut down and dismantle Lisa's robots, and this angered her greatly. But, before she could run away, Lincoln trapped her in an advanced-tech cage and security came and took her away. We alerted Mr. and Mrs. Loud of what Lisa did, and she got grounded for twelve weeks and she was sent to Aunt Ruth's.

Nico: Lisa really has nothing more than a penchant for destruction and all for her crazed desire to kill Lincoln.

Lincoln: We warned Lisa about this numerous times, but that stupid Dark Side of hers is way too evil and insane. Now, I'm really glad we got rid of that monster for good.

We got a shower, and then, Lincoln, Earthspark Skywarp, Nova Storm, Backup Operator, Backup Secretary, and Backup Supervisor are heading to Pokitaru.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Earthspark Skywarp, Nova Storm, Backup Operator, Backup Secretary, and Backup Supervisor are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Earthspark Skywarp, Nova Storm, Backup Operator, Backup Secretary, and Backup Supervisor had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Nova Storm: Wow, so this is Pokitaru, it sure is beautiful.

Lincoln: It sure is, Nova Storm, and it's perfect for our first date. Shall we?

Lincoln, Earthspark Skywarp, Nova Storm, Backup Operator, Backup Secretary, and Backup Supervisor dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Earthspark Skywarp, Nova Storm, Backup Operator, Backup Secretary, and Backup Supervisor got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Earthspark Skywarp, Nova Storm, Backup Operator, Backup Secretary, and Backup Supervisor and they hugged them in their abnormally massive and powerful muscular arms, and Earthspark Skywarp, Nova Storm, Backup Operator, Backup Secretary, and Backup Supervisor placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree

Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Pokitaru, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Earthspark Skywarp, Nova Storm, Backup Operator, Backup Secretary, and Backup Supervisor with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Earthspark Skywarp, Nova Storm, Backup Operator, Backup Secretary, and Backup Supervisor are now in your harem.

Luna: So awesome.

Jenna: And Flip has some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Earthspark Skywarp, Nova Storm, Backup Operator, Backup Secretary, and Backup Supervisor, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

---

Later it was time for another awesome Super Mario Galaxy level in the simulator.

Nico: This next one might be tricky.

Qin: Which level you guys going to this time?

Nico: Flipswitch Galaxy.

Nicole: Ooh that one IS a tricky one but worthy of a challenge.

Nico: Yep. Luan and Lane are coming with me.

Eddy: Awesome! Go get them Luan.

Luan: Thanks Eddy.

Lane: Yeah this will be fun.

Nico, Luan and Lane went in.

The simulator activated and they were in front of Flipswitch Galaxy.

Nico: Flipswitch Galaxy.

Luan: Ooh this is going to be tricky.

Lane: Yeah no kidding there.

Nico: Luan, why didn't you tell me you knew Rainbow?

Luan: You never asked about that.

Nico: Oh right.

Me: (On the radio) Mission control to Nico you are clear for launch. Over.

Nico: Copy that mission control. Lets go.

They got into a launch star and were off!

WHOOOSH!

Luan: WWEEEEEEEE!

Lane: This is one that LAUNCHES Us to the stars! (LAUGHS) GET IT!?

We laughed at his joke!

Eddy: (LAUGHS) That was a good one!

They arrived and landed.

Nico: Whoa! Flipswitch Galaxy!

Nicole: (On the radio) Okay Nico you got to press all 18 blue buttons and turn them yellow and then a power star will appear.

Nico: Seems simple.

Nicole: It's tougher than it looks. Watch out for the electric rails and the spike squares.

Nico: Got it.

Lane: But there are some Goombas in the way!

They came at them.

Nico: Lets get them!

They went at the Goombas and punched and blasted them all over.

Nico: Take that!

Then a Togedemaru came!

Luan: Cool a Togedemaru!

Nico: Yep.

Togedemaru: (In a girls voice) There is no great genius without a touch of madness.

Nico: Aria Aristotle!

Me: Whoa! That was one of the great lines of the great philosopher Aristotle.

Xenia: Yep.

Togedemaru fired a blast of lightning and electrocuted the Goombas all over.

Qin: Take that! Aria Aristotle Has amazing knowledge of those lines. She is the descendent of the great Aristotle.

Me: Cool!

Nico: (gets out Leap Frog and Toad's Ridewatches) Time to hop!

Nico activated both ridewatches and he, Luan and Lane bounced on the 18 buttons and they turned green and the star came out!

Lola: YEAH!

Nico: There it is!

Xenia: Yeah!

Aria Aristotle reverted back and she was a girl with blond hair and purple eyes and had yellow and black clothes and had brown angel wings.

Luan: That did it!

Aria Aristotle: Yeah!

They high five!

Nico: (activates Leap Frog and Toad's Ridewatches again) Now to use the Ridewatch combo to get rid of the remaining Goomas.

He activated it and did the same thing and destroyed the Goombas.

Qin: Take that!

Xenia: YEAH!

Luan: Lets get the star!

Lane: Yeah!

They went and got the star.

YOU GOT A STAR!

Nico: YEAH!

Luan: What's your favorite memory of Nico?

Aria Aristotle: When me and Nico went to Greece and learned all about my ancestors history and it was so fun.

Nico: Aria has had a huge knowledge of her ancestor Aristotle's philosophical quotes for years.

Lane: That is really amazing.

Aria Aristotle: It sure is.

Nico and Aria hugged.

Nico: I've missed you.

Aria Aristotle: Back at ya Nico.

They later came out.

---

Later we were watching TV.

Laney was reading a book.

Melon Mint: (to Kikyo Inuyasha) We should visit your parents one of these days.

Kikyo Inuyasha: You would love meeting them Melon Mint. They are awesome.

Me: I have a feeling they are.

Then Alizarin Bubblegum came in and she had a really worried look on her face.

Me: Alizarin is something wrong?

Alizarin Bubblegum: I have some big news to tell you guys. Is Lincoln with you?

Lincoln: I'm right here.

Alizarin Bubblegum: Good. Lincoln, I have just found out something really huge about me.

Lincoln: Oh boy. You're pregnant aren't you!?

Alizarin Bubblegum: How did you know?!

Lincoln: I just knew it was coming! And I knew you were going to say that!

Lincoln and Alizarin hugged and were joyous and ecstatic!

We cheered wildly for them!

Camie: WOOHOO!

Pinkie Pie: BEST NEWS! EVER!

Lola: Yeah!

Me: Well we know what Nico's rescue is going to be tomorrow.

Nico: Yep. A baby shower for Alizarin Bubblegum.

Camie: Yeah!

Sakura Knudson: I always love a baby shower.

Camie: Yep.

Armada Cyclonus: You two earned it after what happened last year.

Me: I agree there Cyclonus.

Nico: Absolutely.

Lily: From the Jerktonium incident to saving Lincoln's hide from Dr. Zalost on Venus.

Sailor Venus: That was when it was a scorching hot wasteland.

Camie: Yeah.

Xenia: Yeah no kidding.

Kurumu: Lets not forget that it was I that found that rebellion chip.

Nico: You sure did Kurumu.

Xenia: Yeah that is for sure.

Laney: (to Nico) But you're not entirely innocent either.

Nico: No need to remind me Laney.

Me: Yeah but that was in the past.

Xenia: Yeah.

But then a knock at the door was heard.

Me: Come in!

Then a Bruxish came in.

Me: A Bruxish! Awesome!

Qin: Cool!

Bruxish: (In a girls voice) Far out seeing you guys.

Nico: Moonbeam Ocean! Far out!

Me: That sounds like a name from the Woodstock 1969 era.

Bruxish: Oh it sure is dude.

She reverted back and Moonbeam was a girl with blue hair and had a crescent moon in the middle of her forehead and she had blue eyes and had a blue dress and had flowers in her hair.

Eli: Far out.

Hardhead: What's your favorite memory of Nico?

Moonbeam Ocean: Whoa when me and Nico made lava lamps for everyone.

Nico: Moonbeam makes great lava lamps and she makes colorful ones.

Qin: Her lava lamps are groovy and cool.

Camie: Awesome.

Nico: Yep.

Nico and Moonbeam hugged.

Nico: Far out having you with us Moonbeam.

Moonbeam Ocean: Far out too dude.

Gluko: Kikyo, I swear that we'll visit your parents after the baby is born.

Kikyo Inuyashi: I know.

Alizarin Bubblegum: I'm so excited.

Qin: We all are.

Then the previous group came.

Puff: Can me, Koragg, Molten Man, Whirlwind, King Shark, Robo Blaze, Dr. Light, Beautiful Gorgeous, Lady Shiva and Selene go with you guys?

Nico: Yes you guys sure can.

Qin: This will be fun.

Lola: Yep.

Squidward: Nico, which Gene Slammers do you think you'll meet next?

Nico: Drampa and Dhelmise next.

Qin: Cool!

Me: I have a feeling that the Dhelmise is a Sailor.

Nico: And I forgot to mention. The next Sea Gene-slammer will be the Piranha.

Me: Whoa! That will be cool. I hope we have the baby shower for Alizarin Bubblegum in the Amazon Rainforest in Brazil.

Matau: (LAUGHS) Blu and Jewel would love that.

Nico: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we're going to confront today: it was con artist director, Bernie Bernstein, and he's out to finish what he started and put the girls in so much danger again. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Blossom, Bubbles, Buttercup, and Bunny? We got trouble.

Just then, Blossom, Bubbles, Buttercup, and Bunny came in.

Blossom: You called, Lincoln? What's the emergency?

Lincoln: We got trouble, and you're not going to like it. I just had a vision and I saw who it was that we're going to face today: it's con artist director Bernie Bernstein, and he's back and out to finish what he started and put the girls in so much danger again

The girls gasped.

Blossom: Oh man, not again. We're so going to send him right back to jail after we rough him up.

Lola: I remembered you girls telling me and Lana about this guy, what a sicko.

Nico: Hey, I remembered hearing about this guy, he's no movie director, he's a con artist!

Me: And if there's one thing we can't stand, it's con artists, and we've dealt with quite a lot of them. Let's get ready to head down there and send this guy back to the slammer.

Nico: You got that right!

Me: (GROWLS) I thought I was rid of that guy for good after all these years!

Xenia: Sounds like you have a nasty history with him J.D.

Me: (Sighs) Yes I do.

Lincoln: And before you say your history with him, me and my sisters got an invite to shoot a movie with him.

Molten Man: What? Okay, that's very suspicious!

Me: I agree. He's up to something.

Nico: Yeah. Blossom, girls, how about you tell us his history so we know more about him?

Blossom: Sure.

They did so.

---

Bernard "Bernie" Bernstein is a minor antagonist in The Powerpuff Girls and the main antagonist of the episode "Film Flam". He is a fraudulent businessman who owns a film company.

He was voiced by veteran voice actor Tom Kenny, who also voiced Abrasive SpongeBob from Spongebob Squarepants, Dr. Fen from Kim Possible, Chritchellites from Samurai Jack and Stuck Chuck from Kid Cosmic. He portrayed Uncle Howee from The Haunting Hour, and Binky the Clown from Shakes the Clown.

He had Professor Utonium sign a contract to put the Powerpuff Girls in his movie. He told the mayor he wants to use the bank's money in the movie for reality's sake.

When he said that he has known the Powerpuff Girls for years, Bubbles corrected him that they only met him yesterday, which angered Bernstein, telling her to keep her mouth shut.

When the Professor watched this scene on TV at home, he was angry and went to talk to Bernstein for yelling at his daughter. After finding Bernstein's trailer, he found out the movie director was really scheming to steal money from the bank in Townsville during his work on a film about the Powerpuff Girls.

The professor disguised himself and told the girls but he was not believed until it was revealed that Bernstein had no film in his camera or had a script. Bernstein revealed his true colors by holding the mayor captive and driving off.

After chasing Bernstein, who nervously held the mayor at gunpoint, through the streets before he crashed. The girls confronted him, but he attempted to flee after the mayor unknowingly distracted them, though Utonium stopped him as he tried to explain himself. Having enough of him, Utonium punched the pleading Bernstein for his actions, knocking him out, as well as breaking his glasses in the process.

Bernstein was presumably arrested and sent to jail afterwards along with his men.

---

When she was done we were shocked!

Me: Déjà-vu! Just like what happened to me.

Xenia: Oh man!

Nico: Okay now you can tell us J.D.

Me: Bernie Bernstein came to me for trying to cast me into a movie. Be right back.

I went ot my room and came back with a movie poster.

Me: This is the movie he was going to cast me in. It's called "The Legend of The Boy from Phoenix The Firebird."

It showed me with fire angel wings and it had the symbol of Phoenix the Firebird on it with the stars of the constellation in the background and I was battling a Thanos-esque bad guy with intense fire.

Nico: WHOA! That is a cool poster!

Me: It sure is. And it was going to feature me as myself and veteran actor Val Kilmer as Housos, he'a Thanos-Esque Villain that was trying to destroy the entire universe and turn it into fire.

Xenia: Whoa! That is amazing!

Me: It sure was.

Nico: That would have made a great Avengers movie.

Me: It sure would.

Cybertron Scourge: I'm guessing he was trying to con you.

Me: Bingo. I overheard him and he said it was all a scam. He was trying to con the entire city of Denver out of all of its money and make it a broke city.

Camie: Geez!

Me: Yep. So I busted him and got him sentenced to 25 years in prison and he was ordered to pay $500,000,000,000 in restitution and damages. Also to be honest I was very terrible at acting. I was never good at it at all. I can never get any of my lines right.

Nico: Oh boy.

Me: Yeah. But they gave me this awesome poster as a souvenir. I liked it.

Nico: I do too. That is cool.

King Shark: (to the Louds) Go to Bernie right now and shoot this movie with him. If anything happens, call us.

Lori: Right.

Me: What's the movie called that you're going to star in?

Lincoln: It's this.

He showed a poster of the Loud's in the jungle as Indiana Jones style characters and they were going after a jeweled burger and it had Morag with an evil face in the back.

Lincoln: It's called The Loud House in The Search For The Jeweled Burger of Lynntenachtitlan.

Me: WHOA! That would make an awesome jungle treasure hunt movie.

Xenia: Yeah!

Daring Do: And a great treasure hunt idea.

Qin: Here.

Qin gave them microphones that were no bigger than a pin tip and put them on their shirts.

Me: Go for it guys.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Sophia Fayez, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Sophia Fayez, one of The Ghostrick Destroyers is heading here to kill you all.

Ramona Qingzhao: (Chinese Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment back in the castle of The Michigan Supernatural Defense Force after we take down that con artist director.

Crash Bandicoot: And she's also going to pay for what she did in bringing RD Chandler back from the dead.

Nico: Yeah, now you're talking. Alright, gang, let's go, we're heading back to Townsville to take down that con artist director, Bernie Bernstein, and send that guy straight back to the slammer.

Lincoln: Consider this your final movie project, Bernstein, and soon, you'll be back in your nice warm jail cell, and once we get done taking down that con artist, you're next, Sophia Fayez.

Ramona Qingzhao: (Chinese Accent) You better be ready to die, Sophia Fayez, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon! And for what you did during Linky's rescue this morning in bringing RD Chandler back, I will make sure you die horribly right after we deal with that con artist.

Me: Be careful guys.

Lincoln: Will do.

Qin: Yep.

The Louds were off.

Blot: Let's watch a movie of our own while waiting.

Poromon: I call Star Wars A New Hope!

Me: Good idea.

We got to watching.

---

Amid a galactic civil war, Rebel Alliance spies have stolen plans to the Galactic Empire's Death Star, a massive space station capable of destroying entire planets. Imperial Senator Princess Leia Organa of Alderaan, secretly one of the Rebellion's leaders, has obtained its schematics, but her ship is intercepted by an Imperial Star Destroyer under the command of the ruthless Empire agent Darth Vader. Before she is captured, Leia hides the plans in the memory system of astromech droid R2-D2, who flees in an escape pod to the nearby desert planet Tatooine alongside his companion, protocol droid C-3PO.

The droids are captured by Jawa traders, who sell them to moisture farmers Owen and Beru Lars and their nephew Luke Skywalker. While Luke is cleaning R2-D2, he discovers a holographic recording of Leia requesting help from an Obi-Wan Kenobi. Later, R2-D2 is missing, and Luke is attacked by scavenging Sand People while searching for him, but is rescued by elderly hermit "Old Ben" Kenobi. Ben, an acquaintance of Luke's, reveals that "Obi-Wan" is his true name. He tells Luke of his days as one of the Jedi Knights, former peacekeepers of the Galactic Republic, who drew mystical abilities from a metaphysical energy field known as "the Force", but were ultimately hunted to near-extinction by the Empire. Luke learns that his father fought alongside Obi-Wan as a Jedi Knight during the Clone Wars until Vader, Obi-Wan's former pupil, turned to the dark side of the Force and murdered him. Obi-Wan offers Luke his father's old lightsaber, the signature weapon of Jedi Knights.

R2-D2 plays Leia's full message, in which she begs Obi-Wan to take the Death Star plans to her home planet of Alderaan and give them to her father, a fellow veteran, for analysis. Although Luke initially declines Obi-Wan's offer to accompany him to Alderaan and learn the ways of the Force, he is left with no choice after discovering that Imperial stormtroopers have killed his aunt and uncle and destroyed their farm in their search for the droids. Traveling to a cantina in Mos Eisley to search for transport, Luke and Obi-Wan hire Han Solo, a smuggler indebted to local mobster Jabba the Hutt. Pursued by stormtroopers, Obi-Wan, Luke, R2-D2, and C-3PO flee Tatooine with Han and his Wookiee co-pilot Chewbacca on their ship the Millennium Falcon.

Before the Falcon can reach Alderaan, Death Star commander Grand Moff Tarkin destroys the planet in a show of force after interrogating Leia for the location of the Rebel Alliance's base. Upon arrival, the Falcon is captured by the Death Star's tractor beam, but the group evades capture by hiding in the ship's smuggling compartments. As Obi-Wan leaves to disable the tractor beam, Luke persuades Han and Chewbacca to help him rescue Leia after discovering that she is scheduled to be executed. After disabling the tractor beam, Obi-Wan sacrifices himself in a lightsaber duel against Vader, allowing the rest of the group to escape the Death Star with Leia. Using a tracking device, the Empire tracks the Falcon to the hidden Rebel base on Yavin IV.

The schematics reveal a hidden weakness in the Death Star's thermal exhaust port, which could allow the Rebels to trigger a chain reaction in its main reactor with a precise proton torpedo strike. Han leaves the Rebels to pay off Jabba, after collecting his reward for rescuing Leia. Luke joins their X-wing starfighter squadron in a desperate attack against the approaching Death Star. In the ensuing battle, the Rebels suffer heavy losses as Vader leads a squadron of TIE fighters against them. Han and Chewbacca unexpectedly return to aid them in the Falcon, and knock Vader's ship off course before he can shoot Luke down. Guided by the voice of Obi-Wan's spirit, Luke uses the Force to aim his torpedoes into the exhaust port, destroying the Death Star moments before it fires on the Rebel base. In a triumphant ceremony at the base, Leia awards Luke and Han medals for their heroism.

We were watching it and it was fun.

Luke Skywalker: That bring me back.

Dr. Light: Does it?

Luke Skywalker: It sure does.

Me: Ahh good memories.

Eli: Yeah that was so fun.

Rey Skywalker: (British Accent) That was so fun and great.

Xenia: It sure was.

Motormaster: I think they're approaching Bernie right now!

Lincoln: Hi. You must be Bernie.

Bernie: I sure am Lincoln baby and it's great to meet you and your siblings sweethearts.

Nico: Like a stereotypical movie director from Hollywood.

Xenia: Yep.

Me: He called me baby and sweetheart too.

Lola: This is gonna be so fun!

Daring Do: That definitely sounds like something I would do in my adventures.

Rainbow Dash: That is so awesome.

Indiana Jones: Boy that brings back memories.

Razorclaw: (to me) Hey, don't get too distracted. You DO have a score to settle with him.

Me: I know. But I just want to see how he does it.

Razorclaw: Okay.

Bernie: ACTION!

The Loud's ran through the jungle and did just as they were told and it was so awesome and they dodged the spears and kicked the butts of the cannibals.

Qin: Whoa that was daring!

Me: Boy that was better than how I did it. Well done to them.

Nico: Yep.

Bernie: CUT! WELL DONE GUYS!

Shiva: Eli, can you sense if they were real cannibals?

Eli: I sure can.

He concentrated.

Eli: Those were real cannibals all right! And they were throwing real spears!

We gasped!

Me: Wait shh! I'm hearing something.

Bernie: (Evil Laugh) This is the greatest plan ever. Just like how I tried to scam the Powerpuff Girls, I'm trying to scam Gotham Royal York by making a movie and then take all their money and then kill the Loud Kids as a bonus.

Me: Bingo.

Cutthroat: We'll just throw him in jail and give him the death penalty some other time.

Me: Yep.

Nico: That rotten no good freak.

Applejack: Why that rotten no good unsanitary old snake in the grass!

Lincoln: (on the radio) J.D. you were right. He is trying to kill us.

Me: I know Lincoln. Just play along and finish the movie and then we'll get there when it's done. But you're all doing a great job.

Lincoln: Thanks. Better than you?

Me: MUCH better than me.

Lincoln: Thanks.

They got back to work.

Beautiful Gorgeous: Reminds me of something Dad tried to do.

Jimmy Neutron: I most remember that too.

Me: Lets watch.

We watched the movie progress and saw the Louds do awesome stunts and more as they braved a perilous temple and then we saw a woman dressed as Morag. Her name was Drisella Logan and she was a Morag lookalike and she was from Scotland.

Nico: Boy she dresses up nice for Morag.

Me: Yep. Thank goodness it's not the real thing.

Qin: Yeah.

They really did great and the movie was all finished and the cast cheered.

Bernie: AND THAT'S A WRAP!

Xenia: That was awesome how they did it.

Me: That movie is guaranteed to be a big hit.

Brawlrus: You sure you're not good at acting? You did a good job of that during Zarya's big mission.

Me: That was an emergency situation. But in movies I'm not good at acting.

Brawlrus: Point taken.

Nico: Now lets go guys.

Me: Lets go.

Wiggum: This is his third strike. Normally, he'd be given the death penalty. But rotting in jail works too.

Robo Blaze: Yep. He's not worth killing.

Me: Yep.

Nico: Lets go! Entrance time!

We were off.

We flew down to the planet.

Bernie: You guys did great! (Holding in his rage) I'm proud of you!

But then the spirits of the great movies came in and they swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a hole through the roof and a phoenix cry was heard and then we landed.

Me: Hello Bernie Bernstein. Been a long time.

Bernie: J.D. Knudson!? Whoa is that you baby!?

Me: That's right. I've had a huge growth spurt and evolutionary change.

Bernie: What's wrong J.D.? Didn't like the movie you were in?

Me: Oh I liked it. Just didn't like how you were going to rob the city blind.

Nightshade: Did you really think we weren't on to you?

Nico: Yeah! You didn't think we were on to you and how you were going to rob the entire city of Gotham Royal York and then kill the Loud Kids.

What Bernie never knew was that we were secretly broadcasting the entire conversation we were having with him. He then sang like a bird as he was having a villainous breakdown and how he revealed that he scammed me and the Powerpuff Girls and tried to rob Denver and Townsville and then he was going to rob the city and then kill the Louds.

Whirlwind: Where did you even get the cannibals anyway?!

Bernie: Just a couple of friends I know from the forests of Suriname.

Qin: I see.

Me: By the way Lincoln, you and your sisters did amazingly well.

Lincoln: Thanks guys.

Laney: This was so fun.

Lisa: And it turns out that this jeweled burger is really real.

Nicole: Really?

She went over and looked at it.

Nicole: (GASP) I don't believe it! This really IS The Jeweled Burger of Lynntenachtitlan! I was looking for this one for years. Bernie where did you find this!?

Bernie: Oh I have an archaeologist friend that gave it to me. LaSombra.

Me: LaSombra!? We killed him 3 years ago.

Xenia: Yeah!

Lola: Wow!

Nico: That is really cool.

Krankenstein: What were we doing again? Monster forget

Bernie: Um… I just spilled the beans and now you're about to take me down. Try to pay more attention.

Me: Right. Sorry. But Bernie Bernstein, you're under arrest.

Lori: We literally got the film.

Nico: Keep that Lori. We'll have it premiere in the movie when we're done.

Xenia: Yep.

Me: It's buttkicking time!

Bernie: Bring it on!

I fired a barrage of pies and they hit him and splattered him all over.

Bernie: I still have the cannibals!

Koragg: They won't be a challenge!

Koragg used a spell and then teleported them back to Suriname.

Xenia: Take that.

Me. Time for more pies.

I threw them and splattered him all over.

Camie: Take that.

Me: Nice! Now here is the one thing that all actors and actresses are afraid of. NIGHTMARE STYLE HORROR ART: HOUNDING OF THE PAPARAZZI!

I fired a wave of darkness and it formed into horrible tabloid reporters and paparazzi members and they relentlessly hounded Bernie all over.

Maria: You wanted to be famous? Wish granted!

Me: And it's not good! Besides there are other directors better than you. Cue usual battles! LIGHTS! CAMERA! ACTION!

Then Skulker, Ryugu Tamatebacco, Pete, Trickster, Box Ghost, Ssserpent, Onyx, Johnny 13, Tri-Klops and Angel came.

Nico: Skulker, Ryugu Tamatebacco, Pete, Trickster, Box Ghost, Ssserpent, Onyx, Johnny 13, Tri-Klops and Angel.

Skulker: I would've preferred if those cannibals were killed.

Ryugu Tamatebacco: But teleporting them away works too.

Me: Thanks.

Pete: We're done with either one.

Nico: Yep.

Trickster: (to Nico) We heard you went to a bar.

Nico: We sure did. It was a biker bar.

Johnny 13: I would've fit right in!

Me: If you want to be bashed and pulverized into pulp too then go right ahead. But it was fun.

Big Mouth Monster then came.

Me: Big Mouth Monster. Back for another round?

Big Mouth Monster: I sure am.

Me: Awesome.

Big Mouth Monster: (to Dax) Does this remind you of your movie days?

Dax: It sure does and that was awesome.

Me: Also come to think of it Shiguru you are a movie actor too right?

Shiguru: Yeah that's right! I sure am. And this brings back memories too.

Nico: Right! I remember that.

Lola: That is cool.

Rarity: I agree there darlings and it's great.

Xenia: It sure is.

We got the usual battles underway.

Isabella Ananova: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to The Natural History Museum, and we were doing a research paper on the advancements in Technology. But, then, the doors to the museum burst open, and we saw who it was that did this: it was Lisa, Lincoln's cold, emotionless "prodigy" sister, and she had an army of robots with her again and she was causing havoc and laughing like a madwoman. We'd had enough of Lisa, and we used our tech powers to shut down and dismantle Lisa's robots, and this angered her greatly. But, before she could run away, Lincoln trapped her in an advanced-tech cage and security came and took her away. We alerted Mr. and Mrs. Loud of what Lisa did, and she got grounded for twelve weeks and she was sent to Aunt Ruth's.

Nico: Lisa really has nothing more than a penchant for destruction and all for her crazed desire to kill Lincoln.

Lincoln: We warned Lisa about this numerous times, but that stupid Dark Side of hers is way too evil and insane. Now, I'm really glad we got rid of that monster for good.

Ramona Qingzhao: (Chinese Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Sophia Fayez, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Sophia Fayez, religious zealot and fanatical so-called vampire hunter of The

Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Ramona Qingzhao: (Chinese Accent) Sophia Fayez, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Sophia Fayez: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Sophia, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Ramona Qingzhao: (Chinese Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Ramona Qingzhao's purple eyes turned neon purple and she was surrounded by a black and purple energy aura with stars, darkness, light, shadows, Jiangshi, and angels, she unholstered her massive Ghostrick Jiangshi's Chinese Jiangshi Darkness Archangel Greatsword of Chinese Darkness Jiangshi Angel Justice from her back, and as she approached Sophia Fayez, she left black and purple energy, stars, darkness, light, shadows, Jiangshi, and angels with every step.

Ramona Qingzhao: (Chinese Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Sophia Fayez, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Ramona Qingzhao was surrounded by a massive vortex of black and purple energy with stars, light, darkness, and shadows surrounding the vortex, there are Jiangshi, angels, and Ghostrick Jiangshi flying around the vortex, and in the vortex is a purple phoenix with blood red eyes glaring at Sophia Fayez: the red eyes of eternal death. Then, as the vortex faded, Ramona Qingzhao emerged, but she was changed forever.

Ramona Qingzhao grew from 6'5" to 7'5" in height, she has the body of a goddess, she has black highlights in the bangs of her long braided neon purple hair, she has neon purple eyes and a black and purple energy aura with stars, darkness, light, shadows, Jiangshi, and angels surrounding her, she has the Dark Kanji in the hands of Ghostrick Jiangshi emblazoned on her forehead and Third Eye with purple iris, she has on Jiangshi earrings with purple gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Ghostrick Jiangshi with purple gems for eyes and holding the Light, Dark, and Eternity Kanjis in his hands on the bottom of her purple Jiangshi-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Ramona Qingzhao's massive Ghostrick Jiangshi's Chinese Jiangshi Darkness Archangel Greatsword of Chinese Darkness Jiangshi Angel Justice and all the other greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and purple energy, stars, darkness, light, shadows, Jiangshi, and angels, and when it emerged, it was transformed into Ramona Qingzhao's Ghostrick Jiangshi Chinese Darkness Archangel Greatsword of Chinese Darkness Jiangshi Angel Justice, it's a brand-new massive greatsword with embedded purple gems and Ghostrick Jiangshi etched on the 7'4" massive, wide, double-edged black blade, large bat heads for the crossguard, large white angelic faces built into both sides of the hilt with large purple gems embedded in their foreheads, longer midnight black handle, four large bat heads and below the snowmen heads is a large white angel head with purple gems for eyes and a purple gem in its mouth for the pommel, she has on her new brand-new large gold cuff Bracers of the Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left large gold cuff Bracer, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Jiangshi's heads with purple gems for eyes and a large purple gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Ramona Qingzhao has transformed into SUPER ANGEL-GHOSTRICK JIANGSHI-JIANGSHI-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA CHINESE JIANGSHI DARKNESS LIGHT GHOSTRICK JIANGSHI ANGEL OF DIVINE CHINESE DARKNESS LIGHT JIANGSHI ANGEL JUSTICE AND DIVINE CHINESE DARKNESS LIGHT JIANGSHI ANGEL LOVE!

We were amazed by Ramona Qingzhao's Super Angel-Ghostrick Jiangshi-Jiangshi-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Sophia Fayez saw it, she fell into an even more darker and more insane rage and ran at Ramona Qingzhao with a knife to stab her in the heart and kill her, but Ramona Qingzhao fired a powerful barrage of black and purple energy blasts, stars, darkness, light, Jiangshi, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Me: Whoa!

Nico: Oh man, Ramona's transformed, and now, there's nowhere for that delusional vampire to hide.

Lincoln: No villain's ever been safe, not even from The Jiangshi of Royal Woods, and we've seen her expertise in exorcising evil spirits and hunting down evil vampires, and now, Sophia Fayez's going to pay the price for her crimes.

Ramona Qingzhao: (Divine Godly Cosmic Voice of The Chinese Darkness Light Chinese Jiangshi Angel Ghostrick Jiangshi Angel and Divine British Darkness Light Chinese Jiangshi Angel Ghostrick Jiangshi Angel Love) (British Accent) And pay, she will. Now, let's rip her to shreds, Linky.

Crash Bandicoot: Don't start without me, guys.

Crash Bandicoot unholstered his massive Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Skylands Justice and Ten Eternal Elemental Skylanders True Bravery from his back and he transformed into Super Angel-Bandicoot-Dragon-Elemental Skylander-Harmony United Friendship Universal Eternal Celestial Xelnaga Ten Elemental Knight Elemental Skylander Draconic Bandicoot Angel of Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Justice and Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Bravery.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel Bravery) You now have nowhere to run to, you blood-crazed delusional bat.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice

and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Ramona Qingzhao and Crash Bandicoot.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Sophia Fayez, now it's time we put you down for good!

Ramona Qingzhao, Lincoln, and Crash Bandicoot went after Sophia Fayez, and they fired extremely powerful blasts of rainbow energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Sophia Fayez and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Ramona Qingzhao, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Sophia Fayez mad.

Sophia Fayez: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Sophia Fayez's vampiric nature came out, and now, she was out for blood. Sophia Fayez ran at Lincoln, Ramona Qingzhao, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Sophia Fayez's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Sophia Fayez in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Sophia Fayez's soul of her life energy as we saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Sophia Fayez into his body and then draining her soul of her life energy, an energy card with Sophia Fayez's drained soul appeared in his left hand. We cheered wildly for what Ramona Qingzhao, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Ramona Qingzhao's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, and massive purple angel wings are permanent.

Ramona Qingzhao: (Chinese Accent) That's one down and seventeen of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Ramona.

Crash Bandicoot: She did need to pay for what she did this morning, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Ramona Qingzhao wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ramona Qingzhao's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Jiangshi flying in the air, and we saw a herd of Buffalo and many animals running across the field and Jiangshi wandering the darkness as Chinese music behind them and we cheered wildly. Then, Lincoln and Ramona Qingzhao absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a truly dark fight, Lincoln, Ramona, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Sophia Fayez in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Sophia Fayez's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Skylanders Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got a good one, a Gene-Slammer for Echo, and there's only one person who could be Gene-Slammed into Echo: Sirena Serenade.

Crash Bandicoot: The Master of Water and Music and Mermaid Siren Angel of The Skylands, that's a nice one.

Marie MacDougal: It sure is, and you guys will really love meeting her. Sirena Serenade is Lincoln's Guardian Angel and Master of Water and Sound, she has an incredible and divine singing voice and the powers of the legendary Sirens and Mermaids, and she's also said to summon mermaids and sirens to serenade the most despicable villains, and her own singing can not only hurt them, but also, hypnotize them and put them under her spell.

Michelle Torrington: She's like a combo of me and Dinah Echo.

Lincoln: That's exactly right, and she's among the first humans who're actually born in The Skylands and grew up there under the guidance of Master Eon and the Water Skylanders. As she grew, she discovered she's a master of Water, one of the Ten Elements of The Skylanders along with having a divine singing voice, and she trained a lot under the tutelage of Master Eon and the Water Skylanders and she proved to be quite the master of water, and Echo also provided some extra tutelage when it came to sound and music.

Nico: That's really awesome.

Crash Bandicoot: Yep, and like the other Skylanders Gene-Slammers, Sirena left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Sirena really hated that world-conquering warlord, and when Marie MacDougal formed and became the leader of The Skylanders Liberation Coalition formed for the one purpose: to free The Skylands and make Kaos pay for all his crimes against Skylands and against all The Skylanders, Sirena joined the coalition. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw that she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Water, and she also had the additional help of Echo and the Water Skylanders, who really helped Lincoln in advancing his training in mastering the element of Water, and over time, he really proved to be a water and sound master and at the same level as her.

Me: Hey, I remember her all too well, she was one awesome water and sound expert along with being an awesome singer, and now, we know why we haven't seen her in seven years: Team Rocket Gene-Slammed her.

Crash Bandicoot: They sure did, and although she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Sirena hates with a blazing passion: and that person is Lynn, and she has more than once used her skills in water and sound to put Lynn in her place and cause some water and soundwave mayhem on her, and she even told her off saying that Lynn's nothing more than a cold-blooded, aggressive, nasty-tempered, psychotic, deranged, unstable, homicidal, hard-headed, stubborn smelly gym bag jackass, that she's as cuddly as a thousand cacti, and even worse, Sirena also said that Lynn's dumber than a truck tire and smells like a pile of unwashed sweaty gym socks and her feet smell like a toxic waste dump!

We gasped.

Luna: Yeah, she said all that to her.

Elizabeth Dracona Adalinda: Yeah, and that really set Lynn off, and before she could kill her, Lincoln saved her by firing blasts of water and sound at Lynn which drenched and knocked her down and she was put in a ball of water and that numbskull tried to punch it to break free, what an idiot.

Marie MacDougal: And then, Sirena went over to Lincoln and they kissed on the lips and right in front of Lynn, who was really left seething with rage and wanting revenge, but Lynn got busted by her parents who saw what she tried to do and she also got grounded big time.

Nico: Jeez, Lynn didn't like getting told off by Sirena, but she should've known better than to try and kill her older brother's Guardian Angel.

Lincoln: Lynn made that one mistake that earned her my brand of punishment and she doesn't even listen to any of our warnings, and for tomorrow, we're going to face off against Isabella Ezdemir.

Autumn Aluma: (British Accent) Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Box Ghost: I think we all win today.

Ssserpent: Meaning?

Onyx: Bernie's movie will be viewed by us and others.

Tri-Klops: Good point.

Angel: We'll make sure he sees it from his jail cell.

Me: Lets get to the movie theater and watch it.

Nico: Yeah! But great job today everyone. We'll try not to let the fame go to our heads.

Anna Anyanova: Like my so-called sister.

Nico: Yeah.

Lily: (In her head) I hope she can be saved from herself.

Blossom: (To the viewers) Hope you loved this one. This chapter was for an awesome stardom.

Nico: Yep.

We got the movie made and premiered it and everyone came and they watched it and then everyone loved it! They gave it 10 out of 10 stars, 100% rating and more and everyone loved it so much! The movie did amazingly well on the first day! We went to the doctor and found out that Alizarin Bubblegum was going to have Triplets! We enjoyed the rest of the day and went to sleep. Bernie Bernstein was found guilty of the same crimes again a third time. He was declared a repeat offender and he was sentenced to eternity in the Neptune Prison with no chance of parole or release and he was also ordered to pay $999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 in restitution.

Sirena really hated that world-conquering warlord, and when Marie MacDougal formed and became the leader of The Skylanders Liberation Coalition formed for the one purpose: to free The Skylands and make Kaos pay for all his crimes against Skylands and against all The Skylanders, Sirena joined the coalition. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw that she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Water, and she also had the additional help of Echo and the Water Skylanders, who really helped Lincoln in advancing his training in mastering the element of Water, and over time, he really proved to be a water and sound master and at the same level as her, and although she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Sirena hates with a blazing passion: and that person is Lynn, and she has more than once used her skills in water and sound to put Lynn in her place and cause some water and soundwave mayhem on her, and she even told her off saying that Lynn's nothing more than a cold-blooded, aggressive, nasty-tempered, psychotic, deranged, unstable, homicidal, hard-headed, stubborn smelly gym bag jackass, that she's as cuddly as a thousand cacti, and even worse, Sirena also said that Lynn's dumber than a truck tire and smells like a pile of unwashed sweaty gym socks and her feet smell like a toxic waste dump! That really set Lynn off, and before she could kill her, Lincoln saved her by firing blasts of water and sound at Lynn which drenched and knocked her down and she was put in a ball of water and that numbskull tried to punch it to break free, what an idiot. Then, Sirena went over to Lincoln and they kissed on the lips and right in front of

Lynn, who was really left seething with rage and wanting revenge, but Lynn got busted by her parents who saw what she tried to do and she also got grounded big time.

We're going into the Simulator next for a dangerous battle against HIM and we're going to battle that monster and make him pay for his crimes! Also we're going to make sure he pays big time for his crimes. We're going to battle him in the episode of the Powerpuff Girls Tough Love.

See you next time.

She was in the hover wheelchair and had a huge belly. She was heavy too and she was due anytime for triplets. Pickle and Barley Barrel were looking out for her. I was dressed in my special occasion clothes for this like always.

Girl Jordan: Boy what an awesome baby shower.

Xenia: It sure is.

Flare Corona: I love baby showers. They are so awesome.

Twilight Sparkle: They sure are and I think they are so great.

Zuria: They sure are.

Dean Cadance: And I'm honored that you would invite us all down for this J.D.

Me: No problem Dean Cadance. It's so fun.

Xenia: And Blu and Jewel are excited to have us here too.

Blu: We sure are.

Red: This is so fun.

Me: Yep.

Nico: Flare Corona, I want to thank you, Scorpion, and your teams for coming.

Flare Corona: It's no problem Nico. Especially now that I'm with you guys and also I'm with J.D. now.

Nico: You and J.D. are dating too Flare?

Flare Corona: We sure are. Well another version of me is dating him. She goes by Flare Prominence. She's my twin sister but with blue clothes.

Lucy Heartfilia: Awesome Flare!

Camie: It sure is!

Celica: That is so awesome.

Misty Tredwell: Boy it sure is.

Hanabi: I'm happy for you and J.D., Flare.

Flare Corona: Thanks Hanabi.

Qin: Yeah.

Nico: Hanabi, what do you and Aries like to do in your free time?

Hanabi: Well whenever I'm not training with my clans traditions, I like to help out with my sister around the house.

Nico: Cool cool.

Aries: And I like Helping Lucy out with Fairy Tail and all that.

Xenia: Cool cool.

Qin: Knowing how wild Fairy Tail guild is that is awesome.

Erza Scarlet: It sure is.

Nico: Flare has a history with Fairy Tail as well.

Flare Corona: Yeah it's a long story. I wasn't always a nice girl. I was always extremely sadistic and I would torture and blackmail people. But not anymore.

Lucy Heartfilia: Yeah but during the Grand Magic Games, I made her realize the error of her ways.

Xenia: That is amazing Lucy.

Camie: It sure is.

Lola: Yeah.

Flare Corona: It sure is.

Hanabi: Yeah. I felt the same way too. It was against my sister Hinata. Long story.

Xenia: Wow.

Nico: Yeah. But yesterday was so fun!

Lincoln: It sure was.

Nico: The Louds acted in that movie really well.

Eli: They sure did and it was so cool!

Qin: I'll say!

Camie: That was so cool and the movie was a massively big hit.

Xenia: It sure was!

Lola: Yeah that was so fun!

Anna Anyanova: You guys really did amazingly well in that movie.

Nico: (to Lola) I bet you had a lot of fun there.

Lola: Oh we did and it was so cool!

Lincoln: J.D. you aren't jealous that we did good are you?

Me: Not at all. You did much better than I did. Acting was not made for me.

Nico: Well it's not for everyone. But that's okay.

Qin: Yeah.

Alizarin Bubblegum: That was so cool and fun though.

Me: Yep and the Loud House Jungle Movie is a big hit. Its already broken records left and right.

Xenia: It sure has.

Camie: Yeah.

Laney: That was so fun. I did not expect Bernie to get a real Mayan Artifact on the set.

Varie: No kidding there.

Nicole: I agree there mom. That is amazing.

Nico: But I guess Bernie wins in a sense. He got to see the finished movie from his cell.

Me: But he should know that Crime Doesn't Pay. He abused the film world and tried to steal all of the money and murder the Louds.

Xenia: Yeah and now he is paying the price for it in prison forever.

Me: Either way I settled the score with him.

Eli: You sure did bro.

Lola: But it was still fun.

Lincoln: We're not going to let the fame go to our heads like Anna's sister did.

Lily: I agree there. Oh Anna, I think it's time for you to forgive your sister for what she did.

Anna Anyanova: Why should I Lily?

Lily: Because holding on to this grudge against her is not good. Also she deserves a second chance.

Xenia: Yeah. At least let Lily help her out.

Anna Anyanova: Okay. I won't like it. But okay.

Lily: We'll do it before the next Hitotsuki battle.

Anna Anyanova: Okay.

Alizarin Bubblegum: Boy this is an awesome party.

Xenia: It sure is.

Nico: Wait. Do you guys hear something?

Me: What is it?

Eli: (Senses something) Wait I sense it. Look!

We saw a ghostly figure and it was enveloped in an aura of fire and we then saw that it was TWISTED ESMERALDA!

We gasped!

Nico: Oh man! Esmeralda!

Xenia: NO! That's Twisted Esmeralda!

Helena Knudson-Nicos: Oh man! Allie told me all about her! It's not good!

She told us her story.

At the moment of the execution of Esmeralda, Quasimodo didn't get free because he felt too guilty on what he had done. Frollo proceeds to light the wood around Esmeralda she was burned alive. Phoebus frees himself from his cage and leads a revolt with the other prisoners against the soldiers. Frollo stabs Phoebus in the back, he died immediately. A figure arose out of the fire. Esmerelda is alive! Frollo rush on her, however, comes Clopin and fled with her in a cloud of smoke. Since that day Frollo chases and execute all gypsies and leads terror throughout Paris. Quasi still felt guilty, he withdrew into his bell tower forever. Nobody knows what happened to him. Esmeralda, mad of sorrow after these many deaths, decides to learn the secrets of sorcery and the handling of fire nearby Clopin. His heart blackened by the day. At the end of her painful apprenticeship, she promises to take revenge: she will torture Frollo in the Hellfire.

We gasped!

Nico: Oh man! Not good!

Qin: We got to help her.

Me: Damn that Frollo! Lets go!

We went to help her out.

Nico: Hey, Esmeralda. You're looking nice today.

Twisted Esmeralda: Where is Frollo!?

Me: That blasphemous traitorous heretic is dead. We killed him and made sure he suffered.

Eli: Yeah he deserved it.

Me: For all the terrible atrocities he committed against God and to the people of Paris and all the people he killed and more.

Xenia: We sent him to hell Personally.

Twisted Esmeralda: You guys destroyed him!?

Me: Yeah we did.

Nico: You're welcome.

Me: So you should be thankful that we avenged you and killed him.

Quasimodo: Esmeralda, I'm sorry Frollo killed you.

Camie: But he got what he deserved.

Me: He took God's laws into his own hands and killed you in cold blood.

Eli: Yeah.

Twisted Esmeralda: Good. I'm glad he is dead.

Qin: So is everyone else.

Me: He committed every sin in the good book and deserves a place worse than hell.

Nico: Esmeralda, why don't you let us take you to Gwen Tennyson and Dr. Strange? I'm sure they can heal your appearance

Me: The least you can do is let us help you.

Eli: Yeah.

Twisted Esmeralda: I would like that.

Xenia: Good.

I teleported her to them.

Me: That was easy.

Nico: It sure was.

Lola: Wait look there!

We saw a figure and it was a girl that was half human and half piranha!

Qin: WHOA!

Xenia: She's half piranha!

Gina Green: Good god!

Camie: What ugly teeth she has.

Varie: Yeah.

John Bolton: Looks like a female version of Piranoid.

Xenia: Yeah.

She came up to us.

---

With Gwen and Dr. Strange…

Gwen Tennyson: Okay, Twisted Esmeralda. What are you up to?

Twisted Esmeralda: It's not what I'm up to. It's what my Twisted Half is up to. She wants to force you guys to take me back in time so I get to kill Frollo myself! Please, you have to help me while I'm still in control of myself!

Gwen Tennyson: That we can do.

Dr. Strange: We can do that. But we have to separate your Twisted Half and banish it to the Black Gates.

Twisted Esmerald: Okay.

They chanted an incantation and separated it from her and then banished her Twisted Half to the Black Gates.

Then they took Esmeralda 2 to the Infirmary to rest up.

---

With us…

Suika Monster: I'm really having fun here, guys!

Nico: All of us are. But who is our Piranha friend?

Piranha: (Spanish Accent) I believe you know me Nico.

Nico: (GASP) Selena Rosa Casaquinto!

Me: Whoa the famous Brazilian Astronomer? Wow!

Nico: Yep. Me and Selena did a lot of great and awesome discoveries all over the stars.

Nicole: Wow that is cool.

Camie: It sure is.

Me: What were you doing when you got slammed the first time?

Selena Rosa Casaquinto: I was discovering new stars. Found stars with ring systems around them.

Nicole: Wow! That is a rare form of star.

Nico: Yep.

Selena Rosa Casaquinto: Looks like you all are having fun.

Nico: We sure are.

Qin: Yep.

Maria: Pickle & Barley Barrel are having fun too.

Nico: Yes they are.

Pickle & Barley Barrel: Yeah we are!

Nico: Yep.

Me: Lets revert you back. (Puts on blind man glasses) But just so you know this is going to hurt really bad.

Selena Rosa Casaquinto: I'm ready.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain as she was reverting back!

She threw up and it was gross.

Me: YUCK!

She reverted back and was a girl with blond hair and had yellow eyes and had fangs. But she was naked. She got up.

Selena Rosa Casaquinto: Ay caramba that hurt.

She saw herself and felt her face and she was naked.

Selena Rosa Casaquinto: Yike! (COVERS HERSELF) I need new clothes.

Rarity: Don't worry darling. We can fix this.

The fashion brigade moved in and gave her new awesome clothes. They were yellow and green and she she looked amazing.

Selena Rosa Casaquinto: Wow! I look amazing.

Varie showed her a mirror.

Selena Rosa Casaquinto: Wow! I look awesome in these clothes.

Varie: You sure do.

Suika Monster: Wanna party with us?

Selena Rosa Casaquinto: I would be honored. I am hungry too.

Laney: We have plenty of food.

Lana: Lots of steaks.

Selena Rosa Casaquinto: Good. I'm starving.

We gave her a huge number of steaks and eggs. AND MAN WAS SHE HUNGRY!

Blu: I'm really looking forward to Matau's big mission

Matau: So am I Blu.

Xenia: It will be fun.

Eli: Yeah.

Selena was eating numerous steaks and stripping them down to their bones.

Xenia: Boy she is hungry.

Lola: Yeah.

Eli: And I found the Anothers we're facing. We have Another Darklord Desire, Asmodeus, Superbia, Nergal, and Edeh Arae. And Another Ukoback, Tezcatlipoca, Ixchel, Amdusc, Morningstar, Aries Zodiarts and Mortal Kombat Scorpion.

Qin: Whoa the Darklord Monsters.

Xenia: Yeah.

Nico: Who do we call in for them?

Me: Helena Brooks, Sakura Sakurajima, Connie Cheyenne, Phoebe Fenix, Marie MacDougal, Marianna Nightingale, Sabrina Devereaux, Adriana Monsoon, Maria Taiyou, Catherine Augustine, Isabella Ananova and Gabrielle Gishki.

Qin: Awesome!

Lola: Yeah.

Nico: Aren't they already here?

Marianna Nightingale: Yes we are.

Sabrina Devereaux: Yep and we're ready.

Xenia: This will be fun.

Laney: Yep.

Eli: And the Darklords are Aries Zodiarts are all one person. They are one of Lincoln's guardian angels.

Qin: Whoa! I wonder who it is.

Me: We'll find out.

NIco: There they are!

Then 11 figures came out and they were Another Darklord Desire, Asmodeus, Superbia, Nergal, Edeh Arae, Ukoback, Tezcatlipoca, Ixchel, Amdusc, Morningstar and Aries Zodiarts!

Nico: Whoa!

Qin: This is gonna be big.

Another Darklord Desire: (In a girls voice) You guys are sure having fun.

Lincoln: (GASP) That voice.

They merged and reverted back and she was a girl with black hair and had dark blue angel wings and had dark blue clothes and had a darkness sword.

Lincoln: (GASP) Rhonda Asmodeus!

Rhonda Asmodeus: Awesome to see you again Lincoln.

Lincoln: Yep. Rhonda is my guardian angel and she is a powerful and deadly force to be reckoned with. And she hates Flip with a merciless vengeance and she sent a bunch of Glen Quagmire's girls to rape and pulverize him all over the place.

We gasped!

Me: (GULPS) That is brutal and funny.

Camie: Ha! He had it coming. Mutant cheapskate!

Lola: Yeah no kidding.

Nico: Speaking of Quagmire, you probably heard what he did.

Rhonda Asmodeus: Oh I sure did. He had it coming.

Zephyr Summer: Yeah he sure did.

Me: By the way is the Another Mortal Kombat Scorpion friendly or hostile?

Rhonda Asmodeus: Friendly and she is a powerful force of martial arts.

Me: Neat.

Nico: Yeah.

May: Sorry we have to do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from all the Anothers.

Nico: Yeah!

Qin: This will be fun!

Zephyr Summer: Yeah this will be fun!

They fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: Oh yeah!

Camie: YEAH!

Lola: Awesome!

Me: Now for Another Mortal Kombat Scorpion.

Maria: Time for backup!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) LEAPFROG FURY 6!

She summoned Leapfrog, Glue Man, Nosferata, Vanessa, Smitty and Evil Gulper.

Nico: Oh yeah!

Xenia: Awesome!

Lola: Yeah!

Nico: (to Evil Gulper) Want some soda?

Evil Gulper: You know Gulper well.

He gave him some soda.

Xenia: Yeah!

Me: Here she comes!

We saw a figure and it was ANOTHER MORTAL KOMBAT SCORPION!

Mw: Whoa!

Xenia: This is gonna be good.

Flare Corona: Who are you?

Another Mortal Kombat Scorpion: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) That voice.

She reverted back and it was a girl with black hair and had orange eyes and had an orange and black Chinese outfit and she was ready for action.

Me: Talia Scorpius!

Talia Scorpius: Awesome to see you again J.D.

Me: Same here. Talia and I went to Brazilian Jiujitsu Martial Arts classes together and we trained under the same master there.

Nico: Wow! That is cool!

Kaito: (gets out Go Busters gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger gear) Because we can grant it instead.

Kaito got a Beast Morpher Sword and Zocks got a Super Megaforce Blaster and sword.

Talia Scorpius: No he didn't. After he put this Ridewatch in me I beat the living crap out of him and tied him up in knots and mangled him up.

Laney: Nice!

Sakura Knudson: That explains why he was that badly roughed up back then.

Me: Nice one.

Talia Scorpius: Thanks.

Nico: Funny and awesome.

Me: Sorry we have to fight like this.

Talia Scorpius: No worries.

She turned into Another Mortal Kombat Scorpion!

Sougo: (gets out Beast Morphers Ridewatch) Too bad you didn't say Scorpion's famous line

Geiz: (gets out Super Megaforce Ridewatch) That's iconic.

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor

Another Mortal Kombat Scorpion: I know.

Nico: This will be fun. (ACTIVATES MORTAL KOMBAT SCORPION'S RIDEWATCH) GET OVER HERE!

He fired a cable and pulled her over and he smashed her down.

Nico: NICE! Now for this. (ACTIVATES ARIES ZODIARTS RIDEWATCH)

He fired waves of energy and stars and smashed her down.

May: Time for science to bite back! (ACTIVATES PROFESSOR MILO'S RIDEWATCH)

She fired waves of energy and smashed her down.

May: And this! (ACTIVATES GRIMMEL THE GRISLY'S RIDEWATCH)

She fired blasts of energy and smashed her down.

Maria: Time for some fire! (ACTIVATES PAGEMASTER DRAGON'S RIDEWATCH)

She fired a blast of fire from her mouth and blasted her down.

Maria: YEAH! Now for this! (ACTIVATES GHOST DESIREE'S RIDEWATCH) What do you wish for?

Another Mortal Kombat Scorpion: Just to be separated from this.

Maria: So you have wished it, so shall it be.

She fired a wave of magic and separated her from the Another.

Hanabi: YEAH! Now for this! (ACTIVATES ARIES ZODIARTS RIDEWATCH)

She fired waves of magic and smashed her down.

Nico: Oh yeah!

Then Fireor, Firefly (Ted Carson), Octopus Imagin, Lego Loki, Magma Gloom and Burnis came.

Nico: Nice team Fireor!

Fireor: Thanks Nico!

Qin: Awesome.

?: Look out below!

We saw a Dhelmise fall from the sky!

Me: Whoa a Dhelmise!

Xenia: Whoa!

Then…

KRASMASH!

The Dhelmise smashed onto Another Mortal Kombat Scorpion and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it.

Nico: Whoa! That was awesome!

Me: Yeah!

Nico: Well, that's one way to end a battle.

Dhelmise: (In a girls voice) That sure was fun though.

Nico: Admiral Eleanor Logan! Whoa!

She reverted back and was a girl with teal green hair and had blue eyes and had an anchor in the middle of her forehead and had an admiral sailor hat on her head and she had blue angel wings and had teal clothes on and she had an anchor tattoo on her right arm.

Admiral Eleanor Logan: That was so fun and awesome. Awesome to see you again Nico.

Nico: Same here.

Me: Wait you're the Crab and Tuna Fisherwoman! Awesome!

Lola: Yeah!

Admiral Eleanor Logan: Yep that's right.

Hanabi: What's your favorite memory of Nico?

Admiral Eleanor Logan: When me and Nico were on my trawler and we caught a huge treasure chest with all the crabs we got.

Nico: That was an awesome treasure chest too.

Me: Cool!

Nico: Yep.

Nico and Admiral Eleanor Logan hugged.

Nico: I've missed you.

Admiral Eleanor Logan: Me too Nico. Me too.

We later went back home.

But, we're going to take that crazy straitjacket wearing kangaroo down and we're sending him to The Masters of Evil.

Lincoln: Wow, we're here in the Skylands, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we got word from Master Eon that Crash Bandicoot's old enemy, Ripper Roo, has been sighted and he's causing a crazy ton of havoc throwing crates of TNT and causing all kinds of crazy chaos.

Crash Bandicoot: Oh no, not him again!

Nicole: Oh, I remember Ripper Roo all too well, he was absolutely crazy and he was absolutely insane to the infinite power.

Me: But, he sure is one hilarious kangaroo.

Lily: (Snickers) He sure is, but still, we got to take that crazy straitjacket wearing kangaroo down and we're sending him to The Masters of Evil.

Lincoln: That's right, Lily. But, we got to watch it, he can hop really high into the air, so direct attacks won't work on him.

Crash Bandicoot: He may have the advantage when it comes to jumping, but he has no brains as always, especially since I'll just grab his tail and toss him towards a TNT crate and send him flying to Vypra's HQ. Hope Nasty Doo can handle that crazy wallaby because one wrong move, and it's going to get ugly.

Stella Zhau: And that con artist, Bernie Bernstein, was even stupider than Flip, he should've known you guys can't be killed, you're now immortal and invincible just like J.D.

Lincoln: Yeah, but just like Flip, he doesn't know that much about us, and because he was declared a repeat offender, he was sentenced to eternity in the Neptune Prison, and the amount of money he had to pay in restitution, you should've seen the look on his face, it was so hilarious.

We dodged some incoming TNT crates being thrown at us.

Lincoln: Nice try, you crazy kangaroo!

Suddenly, we saw a very beautiful and super sexy girl with long aqua blue hair and aqua blue hairband, aqua blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful aqua blue angel wings, she's dressed in an aqua blue short-sleeved blouse, sleeveless aqua blue top, necklace with pearls and aqua blue gem for the pendant, long aqua blue skirt, white bridal gloves, aqua blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with water, ocean waves, sound waves, dragons, and angels on the coattails and on the back is Echo, and holstered on her back is a massive Echo-themed greatsword with embedded blue gems and Echo and the Water Symbol etched on the 7'0" massive, wide, double-edged aqua blue blade, large angel heads for the crossguard, large white angelic faces embedded on both sides of the hilt with aqua blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large aqua blue gem on the bottom of the large white angel heads for the pommel, and with her are the nine girls.

Aqua Blue-Haired Girl: Jeez, that kangaroo is really crazy, anyways, I hope I'm not too late for the fight.

Lincoln: No, in fact, you're right on time, Sirena Serenade, because the show's about to begin.

Suddenly, we heard the sound of crazed demented laughter echo in the air, and then, we saw who it was hopping towards us: Ripper Roo.

Sylvester: Uh oh, here comes our explosive-crazed kangaroo friend now.

Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Ripper Roo tried to hop away, but Crash Bandicoot grabbed him by the tail and he was spinning him around, and then, he threw him into a huge TNT crate which exploded and sent that crazy kangaroo to Vypra and The Masters of Evil with a warning from Crash Bandicoot saying: WATCH HIM CLOSELY, HE'S BONKERS AND CRAZY AND DON'T LET HIM ANYWHERE NEAR EXPLOSIVES! We cheered as we holstered our weapons and powered down.

Lincoln: Whew, that crazy kangaroo sure caused a lot of trouble, but we defeated him and sent him to Vypra and they'll keep him out of trouble and stop him from causing trouble. (To Sirena Serenade) And it's so good to see you again, Sirena Serenade.

Sirena Serenade: You too, Linky, it's been a long time.

Lincoln went up to Sirena Serenade and he hugged her, and Sirena Serenade is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sirena Serenade: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, Nico, this is Sirena Serenade, Gene-Slammer of Echo and The Master of Water and Music and Mermaid Siren Angel of The Skylands, she's my Guardian Angel and Master of Water and Sound, she has an incredible and divine singing voice and the powers of the legendary Sirens and Mermaids, and she's also said to summon mermaids and sirens to serenade the most despicable villains, and her own singing can not only hurt them, but also, hypnotize them and put them under her spell, she's like a combo of Michelle Torrington and Dinah Echo, and she's among the first humans who're actually born in The Skylands and grew up there under the guidance of Master Eon and the Water Skylanders. As she grew, she discovered she's a master of Water, one of the Ten Elements of The Skylanders along with having a divine singing voice, and she trained a lot under the tutelage of Master Eon and the Water Skylanders and she proved to be quite the master of water, and Echo also provided some extra tutelage when it came to sound and music, and like the other Skylanders Gene-Slammers, Sirena left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Sirena really hated that world-conquering warlord, and when Marie MacDougal formed and became the leader of The Skylanders Liberation Coalition formed for the one purpose: to free The Skylands and make Kaos pay for all his crimes against Skylands and against all The Skylanders, Sirena joined the coalition.

Nico: Wow, that's really awesome.

Anna Anyanova: I've never forgotten hearing her voice, and so many criminals had been taken down by her song.

Crash Bandicoot: Not a single one of them was safe from her song, and after we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw that she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Water, and she also had the additional help of Echo and the Water Skylanders, who really helped Lincoln in advancing his training in mastering the element of Water, and over time, he really proved to be a water and sound master and at the same level as her, and he also developed the same hypnotizing song as Sirena.

Nico: That's so cool.

Me: Anna taught him how to sing divinely and Sirena also added on to that, and she also gave him the power to summon mermaids and sirens to serenade the most despicable villains, and his own singing can not only hurt them, but also, hypnotize them and put them under his spell.

Crash Bandicoot: And although Sirena hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Sirena hates with a blazing passion: and that person is Lynn, and she has more than once used her skills in water and sound to put Lynn in her place and cause some water and soundwave mayhem on her, and she even told her off.

Nico: What did she say to her.

Crash Bandicoot: She said that Lynn's a cold-blooded, aggressive, nasty-tempered, psychotic, deranged, unstable, homicidal, hard-headed, stubborn smelly gym bag jackass, that she's as cuddly as a thousand cacti, and even worse, Sirena also said that Lynn's dumber than a truck tire and smells like a pile of unwashed sweaty gym socks and her feet smell like a toxic waste dump!

Those who hadn't heard it gasped in horror.

Me: Yeah, it was bad.

Nico: Oh man, now that's got to sting, and I can tell she didn't like that one bit.

Crash Bandicoot: She sure didn't, what Sirena said really set Lynn off, and before she could kill her, Lincoln saved her by firing blasts of water and sound at Lynn which drenched and knocked her down and she was put in a ball of water and that numbskull tried to punch it to break free.

Varie: That's stupid.

Crash Bandicoot: No kidding, and Sirena went over to Lincoln and they kissed on the lips and right in front of Lynn, who was really left seething with rage and wanting revenge, but Lynn got busted by her parents who saw what she tried to do and she also got grounded big time.

Me: Oh man, I remembered that all too well, and Lynn was really seething with rage and hatred as a result of that.

Lincoln: Lynn should've known better than that, but her Dark Side was nothing more than a barbarian out for blood and destruction, and it made her completely stubborn and hard-headed. And now that you're here, Sirena.

Lincoln went up to and hugged Sirena Serenade in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Sirena Serenade: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sirena Serenade's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Sirena Serenade: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sirena Serenade.

Sirena Serenade had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the nine girls, and when Lincoln saw who they were, they immediately recognized them. The nine girls are Agnes, Asta, and Molly from Honkai Star Rail and Ayame Saijou, Eru, Rui Hainomiya, Shirabe Sakurazuki, Yui Hina, and Yuuhi Kureno from 2045, Tsuki Yori.

Lincoln: Oh wow, it's Agnes, Asta, and Molly from Honkai Star Rail and Ayame Saijou, Eru, Rui Hainomiya, Shirabe Sakurazuki, Yui Hina, and Yuuhi Kureno from 2045, Tsuki Yori.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Agnes: Yes, we're okay, thanks to you.

Then, when Agnes and the other eight girls saw who it was that saved them Ripper Roo, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest,

Agnes: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Agnes: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Agnes, Asta, Molly, Ayame Saijou, Eru, Rui Hainomiya, Shirabe Sakurazuki, Yui Hina, and Yuuhi Kureno with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went was Crash Bandicoot's old enemy, Ripper Roo, who was sighted in the Skylands and he was causing a crazy ton of havoc throwing crates of TNT and causing all kinds of crazy chaos.

But, when Lincoln showed what we all did in laying down quite the beatdown on that crazy kangaroo which ended with Crash Bandicoot grabbing him by the tail and throwing him into a TNT crate that exploded as he hit it and was sent to Vypra with a warning label on him saying: KEEP A CLOSE EYE ON HIM, HE'S BONKERS AND CRAZY! KEEP HIM AWAY FROM EXPLOSIVES AT ALL COSTS!, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Sirena Serenade have a lot of catching up to do, now that she's back in town.

Maria: Sheesh, I didn't expect Ripper Roo to show up, that guy is 1000% percent crazy!

Lincoln: Same here, but we took him down and sent him to Vypra, but we also made sure Crash put a warning label on him to watch him.

Me: Yeah, that guy's absolutely crazy.

Nico: Not to mention crazy with explosives.

Skipper: Looks like we got two explosive-crazy people to keep an eye on.

Kowalski: Ripper Roo for The Masters of Evil, and for us, Rico.

Nico: Yeah, I remembered that you told us if Rico goes too wild with the explosives, he goes totally crazy even more so than usual.

Lincoln: That's something we need to keep an eye on.

* * *

After taking down Ripper Roo, ending his spree of explosive craziness, and sending him to The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sirena Serenade saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sirena Serenade: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and

he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sirena, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sirena Serenade: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Sirena Serenade: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Sirena, what are some memories that you had with Lincoln?

Sirena Serenade: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Huron for a little swim and Lincoln and I sang divinely which attracted a lot of the lake's inhabitants to us. But, then, we heard a loud belch and almost gagged when we caught the stench of B.O. from sweaty armpits and smelly feet, and there was only one person who could do that, it was Lynn, and she was out for blood. Lincoln had already had it with that animal always trying to kill him and his Guardian Angels, so he brutally thrashed Lynn and I also joined in by firing blasts of water at her, since she really needed a bath.

Lincoln: Then, Sirena told her off saying that Lynn was a cold-blooded, aggressive, nasty-tempered, psychotic, deranged, unstable, homicidal, hard-headed, stubborn smelly gym bag jackass, that she's as cuddly as a thousand cacti, and even worse, Sirena also said that Lynn's dumber than a truck tire and smells like a pile of unwashed sweaty gym socks and her feet smell like a toxic waste dump! That really set Lynn off, and before she could kill her, I saved her by firing blasts of water and sound at Lynn which drenched and knocked her down and she was put in a ball of water and that numbskull tried to punch it to break free.

Nico: You can't punch water, it has no form. Lynn, your Dark Side was a total idiot!

Sirena Serenade: She sure was. Then, I went over to Lincoln and we kissed on the lips and right in front of Lynn, who was really left seething with rage and wanting revenge, but Lynn got busted by her parents who saw what she tried to do when they ran over to Lake Huron and she also got grounded big time.

Nico: I'm surprised none of you sent her to military school for her actions.

Luna: Nah, that'd be too easy for a stubborn bullheaded jackass like her. So, we decided to let the Guardian Angels beat her up after we tied her up to a post so she couldn't escape.

Me: And we didn't use rope since she'd just chew through them, so we used chains for that.

Lincoln: No matter how many times we tried to get it through her head, Lynn refused to listen, she was so stubborn and bullheaded, and the only way she'd ever learn was through force and violence.

Nico: Jeez, if I had been there, I'd have her put in the stocks or have Connor prank her brutally. No, wait, that's a bad idea, 'cause I know how brutal his pranks were along with Luan's when their Dark Sides take over.

Luna: Yeah, bad idea, dude. Really bad idea.

We got a shower, and then, Lincoln, Francesca, Freesia, Princess Salvia, Cogita, and Kimia are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Francesca, Freesia, Princess Salvia, Cogita, and Kimia are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Francesca, Freesia, Princess Salvia, Cogita, and Kimia had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Lincoln fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Francesca: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Francesca, and it's perfect for our first date. Shall we?

Lincoln, Francesca, Freesia, Princess Salvia, Cogita, and Kimia dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Francesca, Freesia, Princess Salvia, Cogita, and Kimia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Flip coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Francesca, Freesia, Princess Salvia, Cogita, and Kimia and they hugged them in their abnormally massive and powerful muscular arms, and Francesca, Freesia, Princess Salvia, Cogita, and Kimia placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Francesca, Freesia, Princess Salvia, Cogita, and Kimia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Francesca, Freesia, Princess Salvia, Cogita, and Kimia are now in your harem.

May: Wow, it's really been a long while since any of our old friends have joined Lincoln's harem.

Jenna: And Flip has some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that good-for-nothing hairy mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for herself.

Rarity: And trying to kill Francesca, Freesia, Princess Salvia, Cogita, and Kimia, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-

bound hired thugs he sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks! Oh, Lincoln, I have a recruitment mission for you and your harem, and it'll be for our side.

Lincoln: Oh, this should be a good one.

After Lincoln's date at Lake Lamode, we gave Lincoln and his harem their recruitment mission: and the mission is to recruit Astolfo to Team Loud Phoenix Storm.

Lincoln: Whoa, so our mission is to recruit Astolfo to the team, this is going to be awesome.

Lily the Mermaid: And according to the info that we got on him from Ed Cowart, he appears to be at. (GASPS) The Bike and Brawl.

Ronnie Anne: Weren't you just there yesterday on Nico's rescue?

Lincoln: Yep, but according to intel, it seems as though we got a new group of bikers stirring up some trouble here. So, you know what's going to happen, right?

Girl Jordan: Yep, let's smash their skulls in.

Lincoln and his harem went in and they saw a massive bunch of punk bikers and hardcore thugs, and they looked at them with incredible hatred, and many of them were growling at them with intense fury. Looks like none of them could forget what we did to them yesterday.

Lincoln: Well, growl to you too.

One of the thugs ran at Lincoln and he grabbed his fist and kicked him hard into the pool table with really immense brute superhuman strength!

Lincoln: Alright, ladies, let's take out some garbage!

The thugs came right after Lincoln and his harem, and an all-out brawl ensued, and we had a front-row seat to it as we saw it through a one-way window.

Poromon: Aw man, another bar brawl and we're missing out.

Nico: We already had our fun yesterday, now it's Lincoln and his harem's turn.

We then saw Lincoln slash one of the thugs with his claws and stomp on his genitals, and we winced.

Nico: (WINCES) Oh, that's going to leave a mark!

Me: It sure is.

Me and Nico: KICK THEIR ASSES, LINCOLN, MAKE 'EM EAT DIRT!

Ronnie Anne fired fireworks and fire blasts at one of the thugs, Girl Jordan smashed another on the head with a chair and knocked him out, Leeli and the other water wielders fired blasts of water at them, and Paige grabbed two of them and bonked them on their heads knocking them out with the rest of his harem smashing them into the ground. Lincoln smashed two of the thugs to the ground when he grabbed them by the collars of their shirts and lifted them up off the ground, he was also bashing more of them with his tails, and he also kicked a thug and bashed him through the roof and sent him flying as he screamed, and as luck would have it, he wound up crashing through the police station's roof.

Sheila: (Whistles) Looks like Lincoln and his harem are thrashing a new set of bikers who are at it yet again!

Eric: That's my cousin and his harem. You know what this means?

Tom Lair: Deploy the force and let's round up those bikers before Lincoln and his harem end the fight too early.

Sheila, Tom Lair, and Eric deployed the force who were en route to The Bike N Brawl while Lincoln and his harem were really thrashing the bikers into next week. Lincoln grabbed a couple of them with his huge and strong hands and eleven massive and long white wolf tails and bashed them on their heads and sent them crashing into the others, and he fired very powerful blasts of rainbow super lightning at them and electrocuted them. The thugs were now extremely scared of Lincoln and his harem.

Hardcore Thug: That guy's way too fucking strong, not to mention we can't lay a fucking scratch on that musclebound bull, and he and those girls are way too fucking crazy!

Lincoln: Did you just call my harem and I crazy?! I OUGHT TO RIP YOUR GENITALS OFF AND SHOVE 'EM DOWN YOUR THROATS!

Punk Biker: LET'S GET OUT OF HERE!

The thugs and bikers turned tail and ran for their lives with Lincoln charging outside and he roared and beat his chest like a gorilla, and that made the bikers and thugs even more scared than ever, but their attempt at freedom ended with them getting caught in a web of red energy that Lincoln set up earlier and all of the thugs and bikers got caught in them. Then, the police came and then, the cops, and they were loading up all the bikers and thugs into vans all over.

Punk Biker: You ain't seen the last of us!

But, Lincoln roared and beat his chest like a gorilla, and that made him pee his pants, and we saw it and we laughed.

Tom Lair: (LAUGHS) Nice one, Lincoln, you really showed them who the real Alpha Male is. And nice job, everyone, we've been after these punks for years.

Hayley Lair: No problem, Daddy.

Lincoln: They've had it coming for a long time. (To the punk bikers and hardcore thugs) Enjoy 1,000 years of hard labor in the stony lonesome, you buttfaces and jerks!

The cops finished loading the punk bikers and thugs into the vans and took them away.

?: I must say that was quite a show you all put on.

Lincoln and his harem turned around, and they saw the person they were out to recruit: Astolfo from Fate.

Lincoln: Astolfo, just the person we were hoping to meet. Sorry about the mess we made.

Astolfo: That's okay, besides those thugs weren't even worth killing.

Lily the Mermaid: That's true, and we came here to recruit you to Team Loud Phoenix Storm.

Astolfo: Alright then, I'm in.

Lincoln: That was quick, and I wonder how long it'll be before the rest of the team finds out about this.

Nico: Too late.

Nico and the rest of us arrived.

Ed Cowart: We saw the whole thing through a one-way window, you guys certainly went wild and you kicked their asses hard into the ground.

Lincoln: We sure did.

Girl Jordan: It was also hilarious to see those bikers and thugs piss their pants when Lincoln roared and beat his chest like a gorilla.

Lincoln: What a bunch of pansies.

Nico: (Snickers) Well, they certainly now know who the real Alpha Male is. But, if they don't get their heads out of their butts and stay clear, next time, we won't be nice.

Me: Yeah, next time, we'll mount their heads and their asses on the wall.

Lincoln: J.D.

We laughed as we headed home, and we not only recruited Astolfo, but Lincoln and his harem also took down another group of bikers and thugs starting trouble at the Bike N Brawl again, and they'll be looking at 1000 years hard labor in the stony lonesome.

In Anna Anyanova's room, Lily, Laney and me were there with Anna.

Anna Anyanova: Okay guys. I hope you know what you're doing.

Lily: Don't worry Anna. I know your sister that you loved once is still in there.

Laney: We just got to remind her.

Anna pulled hack a curtain and revealed the portrait of her sister and then I aimed Luigi's black light at her and she came out.

Laney: Hold still Tanya!

She entangled her in vines!

Tanya Anyanova: NO! LET ME GO! I'M GONNA KILL THAT WRETCH OF A SISTER AND THEN LORI AND LINCOLN!

Lily then spread her wings and fired a wave of water and enveloped her in a ball of water and then we saw a blob of strange darkness come out and Laney put it in a flask.

Laney: What is this?

Me: We'll take it to the lab.

Then the ball of water faded and Tanya coughed.

Anna Anyanova: Tanya?

Tanya Anyanova: Anna?

She saw Anna and then she did something we never saw happen to her. She hugged Anna and then broke down crying and she was wailing and crying loudly.

Tanya Anyanova: (WAILING HARD) ANNA I'M SO SORRY! I'M SO SORRY! I'M… (WAILING LOUDER AND HARDER)

Laney: I'll take this to the lab.

Me: Okay.

Laney did so.

After about 20 minutes Anna had Tanya on the sofa and Tanya was crying.

Laney: We got the results and it turns out that blob of darkness that came out of her was Chase Young's evil essence!

We gasped!

Nico: So Chase Young turned her into a fame obsessed psychotic monster!

Lola: That fiend!

Sebastian Mendez: What a monster! Now I'm glad we got rid of his dark side.

Camie: No kidding.

Anna Anyanova: Tanya.

Tanya Anyanova: (WAILING AND SOBBING) OH SIS! I'M SORRY! What I have done to you is completely unforgivable! I don't deserve to be your sister anymore! What I did was so horrible! I don't deserve to be forgiven!

Anna hugged Tanya.

Anna Anyanova: Tanya it's okay. I have forgiven you.

Tanya Anyanova: (SOBBING) But how can you say that!? After I tried to kill you and did all those horrible things? I even tried on many occasions to kill Lori and Lincoln!

Lincoln: Tanya it's not your fault. You were poisoned by the fame bug and Chase Young was just making you that way.

Lori: Yeah you literally did nothing to deserve being turned evil like that.

Camie: It's not your fault.

Anna Anyanova: Tanya, Chase made you into someone you are not. You defended me from bullies and I will always be grateful for that. But Chase got to you. He made you that way. So if anyone is to blame for this it's that evil version of Chase Young.

Lily: Yeah Tanya come on. Anna never gave up on you back then. I could tell that she was still loving you. So please give her another chance.

Tanya Anyanova: (Sniffles) Okay. I'll try.

Anna hugged her.

Anna Anyanova: I've missed you sister. It's good to have you back.

Tanya Anyanova: Me too sis. But our parents disowned me. I don't have anywhere to go.

Lincoln: You can live here.

Anna Anyanova: You sure can. I'll tell mom and dad what happened later.

Nico: Awesome.

Later we were watching TV. Anna was giving Tanya a huge feast. She was really hungry.

Brick: So, how do you feel?

Alizarin Bubblegum: Heavy. But I'll be fine.

Brick Z: That's good.

Pickle and Barley Barrel gave Alizarin Bubblegum one of the most unusual cravings of all: A SALMON BANANA SPLIT SUNDAE COVERED IN SUSHI AND ICE CREAM! YUCK!

Alizarin Bubblegum: Thanks guys.

Lincoln: Yuck.

Me: I know it's gross Lincoln but it's part of the natural process.

Xenia: Yeah.

Nico: Boy Samon Shakekisutanchin would love that one.

We laughed!

Qin: Yeah.

Nico: That's part of the craving process?!

Alizarin Bubblegum: Yeah.

Me: Yeah Nico it's natural.

Lola: Yep.

Nico: Oh.

Hiryuu Tsurugi came.

Hiryuu Tsurugi: Do you guys want to go on patrol with me?

Nico: Sure Hiryuu.

Qin: Yeah.

Nico: Lets head down to the planet. Pickle and Barley, you watch Alizarin and let us know anything okay?

Pickle Barrel: Aye aye sir!

Nico: Great!

We went down to the planet and we went into the city.

Hiryuu Tsurugi: Name one thing about this city you don't like.

Me: Come to think of it there is NOTHING in this city we don't like. Except for the Blood and Honey movie that the mascots and us loathe.

Nico: Yeah that's one thing.

Blossom Z: That was a crazy and dark movie.

Bubbles Z: No kidding there.

Buttercup Z: Yeah no lie.

We saw Tamaki thinking about something.

Nico: You ok, Tamaki?

Tamaki: I'm fine. I just miss Shinnosuke.

Me: If you want I can bring him here to you.

Tamaki: I would like that.

Me: Be right back.

I teleported and came back with Shinnosuke.

Me: Shinnosuke, Tamaki needs you. She is going through some hard times.

Shinnosuke: Tamaki?

Tamaki: Shinnosuke?

Shinnosuke: I'm so sorry Tamaki.

Me: We can still help you guys out Shinnosuke.

Shinnosuke Tomari: Strange that you have the first name as me

Shinnosuke: I know. It sure does feel that way.

Tamaki: It sure does.

Xenia: Yeah.

Tamaki: I'm just pissed right now!

Hiryuu Tsurugi: Tamaki, you need to calm down.

Tamaki: Don't tell me to calm down! How is it fair that Alizarin is about to give birth but yet, I spend so much time apart from Shinnosuke, huh?! Answer me!

Me: Uh oh!

With that, she was surrounded by an energy circle with the Changeman logo and turned into Dengekiki from episode 47 of Donbrothers!

---

Tamaki entered the Donbro Cafe along with her boyfriend, Shinnosuke. However, Shinnosuke is quickly flirted by Haruka and Sononi, which caused her to be mad at him and ran off while Shinnosuke tries to go after her. Outside, Shinnosuke chased after Tamaki and tries to make amends with her but her desires for someone to look at and pay attention to her, causes her to turn into the Changeman Hitotsuki, Dengekiki. This also caused Shinnosuke to turn into a Battle Fever J Hitotsuki, Sekaiki.

Sekaiki and Dengekiki then start attacking when The Donbrothers arrived to stop them. While the Donbrothers fight the two Hitotsuki, the Noto Generals clash. Tsuyoshi, angered at the affection occurring all around him, angrily attacks Shinnosuke, only for him to be absorbed by Tamaki. Taro fights Tamaki in exchange, only for him to be absorbed by Shinnosuke

---

We gasped!

Me: Whoa! Dengekiki the Changeman Hitotsuki!

Nico: Oh man! Tamaki is back for round 2!

Me: And I remember this one! Her desires for attention return and she turns into this!

Nico: Yep!

Me: Not for long!

I fired a wave of light and separated her from Dengekiki!

Xenia: YEAH!

Tamaki: (GROANS) What hit me?

Xenia: That!

She saw Dengekiki

Tamaki: Oh man! Not again!

Daffodil Flora: When me and Nico tried out my family's incense's and they were far out groovy.

Me: That is cool that you and your family make awesome incenses.

Qin: Yeah they are some of the best.

Nico: Yep.

Nico and Daffodil hugged.

Nico: Far out to see you again.

Daffodil Flora: Same here Nico dude.

Me: Aww. (Phone Rings) Oh I'll get it. (Answers) Hello?

Pickle Barrel: (On the Phone) (SCREAMING) ALIZARIN BUBBLEGUM IS IN LABOR!

Me: (GASP) GUYS! CODE BABY DELIVERANCE!

Nico: WHOA! Lets get Alizarin to the hospital!

Poromon: We need to hurry!

Nico: Right! Lets go guys! Lets get her to the hospital! Lets go! Lets go! Double Time! Lets go!

Ratchet: I'm on it!

We went back to the estate and got Alizarin loaded into Ratchet and we were off to the Hospital.

Ratchet: Hang on Alizarin! You'll be just fine!

Lincoln: Yeah.

Alizarin Bubblegum: IT HURTS SO BAD!

Lincoln: I know Alizarin but you'll be okay.

We got to the hospital and got her into the Delivery room.

Nico: Now we wait.

Me and Laney and Nico were playing Go Fish.

Me: Hmm. Nico do you have any 4's?

Nico: Uch!

He gave me 3 of them and I had a set of them.

Me: Nice. Laney do you have any 2's?

Laney: Nope go fish.

Me: Tartarsauce.

I drew a card.

Girl Jordan and Leeli were looking at books on song magic and light magic.

Alizarin Bubblegum: (SCREAMING) LINCOLN THIS IS ALL YOUR FAULT! IF YOU EVER GET ME PREGNANT AGAIN I WILL RIP OUT YOUR INTESTINES AND SHOVE THEM SO FAR UP YOUR ASS AND THEN YOU WILL PEE IN YOUR HEART AND THEN I WILL RIP IT OUT AND THROW IT ONTO THAT PLANET OF CHUM AND EAT IT AND THEN SHOVE YOUR HEAD SO FAR DOWN NICO'S THROAT THAT YOU WILL BE CHATTERING IN HIS CHEST!

Me: (GULPS)

Nico: Okay I'm scared!

May: Did she just threaten Nico?!

Nico: Yep.

Me: It's just the labor pains talking.

Qin: Yeah.

Nico: Yeah she doesn't mean it.

Lola: Good.

May: Oh good. At least she didn't throw Lincoln through the wall.

Camie: Yeah.

Leeli: No kidding.

She continued screaming.

Me: Geez!

Qin: No kidding.

Lola: Yeah.

Nico: Oh boy.

But then she stopped.

Me: Oh she must be done.

Lola: Good.

Nico: Yep.

Lola: Yeah.

Nico: Are the babies out?

Me: We'll find out.

Then Lincoln and Alizarin Bubblegum came out and in Lincoln and Alizarin Bubblegum's arms were 3 girls. One had red hair and blue eyes, the 2nd one had green hair and amber eyes and the 3rd one had golden yellow hair and green eyes.

Me: Oh Lincoln, Alizarin they are so adorable.

Qin: They are so beautiful.

Lincoln: They sure are.

Me: What are you going to name them?

Lincoln: These two with me are Crimson Chicle and Coconut Blossom and the one in Alizarin's arms in Honey Mint.

Mollie: They are so adorable.

Leeli: They sure are.

Lily: Can I hold one of them.

Lincoln: Sure Lily.

Mollie: I'll hold one too.

Lincoln handed Coconut Blossom to Lily and Crimson Chicle to Mollie.

Xenia: Aww they are so adorable.

Nico: Yeah lets take a picture.

Me: Good idea.

We took a picture of them.

Poromon flew up to them

Poromon: So adorable.

Honey Mint patted Poromon.

Xenia: So cute.

Celica: Yeah.

Poliwag: Do you need time to recover?

Alizarin Bubblegum: (Tired) Yeah I think I Do.

Me: Lets go home guys.

We went back home.

We later got Alizarin into the nursery and into a rocking chair and she sat down.

Me: If you need anything let us know okay?

Alizarin Bubblegum: I will.

Me: Good.

We then got ready for our next mission.

Alister: She'll be tired for a few hours.

Me: I agree. But we'll tell her all about the mission when we're done.

Lincoln: Guys, I have an idea for a mission, let's head to The Simulator and for this one, we'll be going into battle against HIM when he made the people of Townsville hate the girls.

We gasped.

Blossom: That's a good idea, and we'll also get another chance at beating down HIM once again and sending him to The Black Gates once more.

Me: That's an awesome idea Blossom.

Nico: I agree too. Plus, we'll be absorbing tons of negative energy because of what HIM did long ago with that trick, so we better be ready for that.

Me: Yeah, we'll show that demonic monster of hatred that love always triumphs over hatred.

Lincoln: And Sirena and I will be singing a divine song that'll destroy HIM once and for all, and also, suck out and absorb all that negative energy he has in him. He only thrives on hatred, and love is that demon's weakness.

Twilight Sparkle: Right, since he only thrives on hatred, love is basically poison to him. That demon is so doomed.

Nico: That's perfect.

Me: Like the devil he can't do love. So that will be perfect.

Xenia: Yeah.

Qin: Great idea.

The previous group came.

Ssserpent: Can me, Skulker, Ryugu Tamatebacco, Pete, Trickster, Box Ghost, Onyx, Johnny 13, Tri-Klops and Angel go with you guys?

Nico: Yes you all can come with us.

Angel: We're really excited for this one. And we saw the battle with Dengekiki and that was epic!

Xenia: Yeah that was fun.

Lola: It sure was.

Camie: Yeah!

Ryugu Tamatebacco: Also congratulations to Alizarin Bubblegum on her new children.

Lincoln: Thanks Ava. That means a lot to me and her.

Ryugu Tamatebacco: You're welcome.

Suzumebachi: Nico, which Gene Slammers do you think you'll meet next?

Nico: Kommo-o, Tapu Koko, Tapu Lele, Tapu Bulu, Tapu Fini and Cosmoem.

Me: Whoa the legendary Pokemon of the Alola Region.

Mallow: That is gonna be awesome.

Xenia: It sure is.

Lana (Pokemon): It sure will be.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Isabella Ezdemir, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Isabella Ezdemir, one of The Ghostrick Destroyers is heading here to kill you all.

Autumn Aluma: (British Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment back in the castle of The Michigan Supernatural Defense Force after we take down and put an end to HIM once and for all.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face.

Nico: Yeah, now you're talking. Alright, gang, let's head to The

Simulator and get ready for one very dangerous battle with HIM.

Lincoln: That hate-filled monster doesn't deserve to live a single second further, he deserves nothing more than to die a horrible death and see that love always prevails over hatred, and once we get done destroying HIM, you're next, Isabella Ezdemir.

Autumn Aluma: (British Accent) You better be ready to die, Isabella Ezdemir, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to The Simulator to destroy HIM in a dangerous battle, and once we get done with destroying that hate-filled monster once and for all, Lincoln, Autumn Aluma, and Crash Bandicoot are going to destroy Isabella Ezdemir of The Ghostrick Destroyers and make her pay for her crimes.

---

We arrived at the Simulator.

Nico: Okay were going to watch the adventure and see what went down and then we're going to head in at the right time and kick some butt.

Me: Okay.

Ghost: Let's free the Professor first when we get in there.

Me: Okay.

I typed in the scenario.

Me: Here we go

(Opening shot: the city skyline in the morning. Car horns honk in the background.)

Narrator: The city of Townsville. The city of brotherly love. (laughing)

Or should I say, sisterly love? Love for those devout doers of dangerous deeds and dutifuluh, things. (Cut to the girls in flight.) The Powerpuff Girls!

Me: That's our girls.

(They stop short at the sound of meowing and dash in; an old woman looks up at a tree, in whose branches a cat is caught. The girls arrive on the scene and go to work. Blossom picks the woman up, and Buttercup uproots the tree and tips it over so Bubbles can rescue the cat, which promptly licks her cheek.)

Fluttershy: Aww that is adorable.

Me: It sure is

(The woman is set back on the ground, and the cat is returned to her. She pats each girl on the head. They take off, and she waves after them.)

Me: Another awesome good deed. Helping a lady's cat stuck in a tree.

(Cut to the exterior of Pokey Oaks Kindergarten as the girls fly in; inside, pan slowly along the classroom and stop at the end. The teacher steps into view, her foot landing on a stray toy roller skate. She sails into the air and down o.c., but Blossom carries her back into view. Buttercup pulls up a chair for her to be set down on, and Bubbles brings her an apple.)

Me: Whew that was close.

(Halos appear above the heads of the girls, now back at their desk, and the class applauds their efforts.)

Me: Aww what sweet little angels.

Rarity: Indeed they are.

Xenia: Yeah.

(Close-up of the hotline, buzzing and with a big smile on its face, then to the exterior of the school as the girls take off. A quick flash of the exterior of Townsville Hall as they fly in, then of the window in the Mayor's office. They crash through, ready for anything; close-up of the Mayor, struggling mightily with some piece of apparatus. Pull back to show this as a large jar of pickles he is trying to open.)

Me: (LAUGHS) The Mayor and his pickles.

Nico: Yeah. Nothing is more harder than opening the pickle jar.

Camie: Yeah.

(Finally, he gives up and holds it out for the girls. Ms. Bellum stands near him. Blossom flies into view and takes the jar. She holds it up for Buttercup, who zaps it with a quick blast of her eye lasers, and Bubbles then succeeds in removing the lid, much to the Mayor's delight. All five help themselves to pickles as a celebration, and we next see the office window from outside as the girls crash out through it.)

(Cut to the exterior of their house as they fly in through the front door. Inside, the Professor is hard at work in his lab, his back to the camera. They fly up behind him; he turns around and smiles at them. He holds up a flask of liquid, to which Bubbles adds a drop from a test tube. Blossom pours in a shot from another flask, and Buttercup shakes the mixture vigorously. The Professor watches the flask intently, the girls gathering around him, as it bubbles and froths. After a few seconds, it explodes)

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

And chars them evenly all over. They stand stunned for a moment, then laugh. We do not hear them laughing.)

Narrator: (laughing) Those little scamps are so adorable. How we just love the Powerpuff Girls!

Me: We sure do.

Xenia: Yeah.

Lola: So cool.

(Pull back slightly. The image begins to waver and ripple as if being reflected off the surface of a body of water.)

"Him": (from o.c. effeminate voice to evil) Ohh, how I HATE the Powerpuff Girls!

The Powerpuff Girls in the control room's auras flared up ferociously from that burst of energy.

(On the end of this, his claw strikes the water and breaks up the image, then pulls out of view.)

Narrator: Hate the Powerpuff Girls?! Who could hate the… (uneasily) Oh, no. (Camera turns up as he continues.) Please don't let it be "Him"!

(Stop on "Him," sitting in a full bathtub. He is very angry, seething with fury at how Townsville loves the Powerpuff Girls so much.)

Me: WHOA BOY!

Xenia: There he is.

"Him": (effeminate voice, mocking tone) "Oh, Powerpuff Girls, save us!" "Oh, Powerpuff Girls, we need you!" "Oh, Powerpuff Girls, we love you!"

(As he continues, he submerges up to his eyes and the bathwater boils and turns red.)

"Him": (evil voice) Powerpuff Girls! Powerpuff Girls! (Pull back across the room; he sits up.) POWERPUFF GIRLS!

Me: WHOA MAN!

Xenia: What a heartless jerk!

(Close-up of the steam rising from the bath. A rubber duckie is lifted into view, and "Him" leans in to talk to it.)

"Him": (effeminate voice, to evil and back) Oh, Mr. Quackers, am I the only one who HATES those miserable little brats, hmm? (He squeezes the duckie, making it squeak.) You hate them too? Oh, I knew I could count on you. But how could I possibly beat them- (to evil) -with all that LOVE surrounding them?

Me: Okay that's just a little weird. Talking to a rubber duckie. No offense to Johnny 2X4 and Uncle Grandpa.

Johnny 2X4: None taken.

(He squeezes the duckie again and holds it up to his ear.)

"Him": (effeminate voice) What's that, you say? (Squeak; he grins broadly.) Yes! (to evil) That's brilliant!

(Pull back to show the entire bathtub. He reclines into it and lifts one leg as he continues.)

"Him": (effeminate voice) Oh, Mr. Quackers, you are soooo smart. Quite a positively evil scheme you've hatched. (sitting up) And I'll finally get rid of those girls-

(The water erupts into a red geyser behind him, silhouetting him, and he raises his arms.)

"Him": (evil voice) -FOREVER!

Me: UH OH!

(The water washes over the screen; when it drains away, we see a very long shot of Townsville. The clouds begin to swirl and circle, the full moon turns red, and a second red spot appears to make a pair of eyes. The entire collection resolves into Him's face, laughing evilly and looking down at the city.)

Me: (GULPS)

"Him": (effeminate voice) Poor, unsuspecting Townsville, all snug in your beds. Unaware of the evil that takes place high above your heads.

(Now his arm is visible.)

"Him": (stirring air with claw) And so with a flick of my wrist and a twirl of my claw- (The clouds swirl again; transition to evil voice.) -I'll get rid of those girls once and for all!

(A broad swath of pinkish-red vapor emerges from the clouds; camera turns down to follow it as it descends toward Townsville and spreads across the buildings. It permeates the streets and works its way into the sewers. Next, it engulfs the tree that had the cat stuck in it, Pokey Oaks Kindergarten, Townsville Hall, and the house. All the places the Girls had helped out at the day before. Back to Him's head, still floating above the city. He starts laughing evilly; the sky dissolves to morning as the laughter dies away and he fades from view.)

UH OH!

Ryugu Tamatebacco: Let's free the Professor first when we get in there.

Nico: Okay. Good idea.

Xenia: This is not good.

Nico: Yep.

Glumshanks: Not yet.

Me: Nope not yet.

(Cut to the girls in flight, looking quite pleased with their exploits of the previous day. Once again the sound of meowing brings them up short.)

Bubbles: (pointing o.c.) Hey, look. That cute little kitty is stuck in the tree again.

Blossom: Come on. Let's help out. (They zip down.)

(Cut to just behind a cat in a tree-the same one they rescued earlier. Bubbles flies up.)

Bubbles: Hello, kitty. It's Bubbles here to save you again.

(Close-up of the cat, yowling and swinging its paw to fend her off, then of Bubbles.)

Me: WHOA!

Xenia: Jumping leaf storms!

Bubbles: (bewildered) Hey! What's gotten into that cat? (Close-up of the same old woman.)

Old woman: (angrily) I said, get your hands off of me!

(Pull back; Blossom once again has hold of her.)

Blossom: But, lady, we're trying to help you get your cat out of the tree.

Old woman: (pulling away) I said, get!

(Both are startled by snarling from o.c. Back to Bubbles, who is holding the cat and getting her cheek shredded instead of licked.)

Bubbles: Ow, ow, ow, ow, ow, ow!

Me: YICHIHUAHUAS! THAT'S Gotta hurt!

Nico: No shit!

(Back to the old woman.)

Old woman: Land sakes, take your paws off of my cat!

(Cut to Buttercup, who has once again uprooted the tree. She too looks quite puzzled. Tossing the tree aside, she joins her sisters.)

Buttercup: What the heck is going on?

(The old woman reaches into view and starts beating all three of them over the head with her cane. They cry out in pain. The sound of the school bell interrupts the thrashing; Bubbles takes one final hit.)

Blossom: Saved by the school bell. Let's beat it! (They take off.)

(Cut to the classroom as they zip into place at their desk. The teacher is writing on a clipboard.)

Teacher: (dryly) Well, well, well, the Powerpuff Girls- (angrily) -tardy!

Blossom: What?

Bubbles: Huh?

Buttercup: No way! (A wad of paper is thrown into view, hitting Bubbles.)

Kid: (from o.c.) Ha-ha!

Me: OKAY WHO IS THE WISEASS THAT DID THAT!?

Bubbles: Hey! (raising hand) Ms. Keane! Billy threw a paper ball at me.

Teacher (Ms. Keane): Billy Lipowitz! Throwing paper just won't do. (producing apple from behind back) You should try apples. They're much harder.

(She throws the apple and it hits Blossom.)

BONK!

Girls: Hey!

Me: If I saw someone do that to me I would slug them in the mouth!

Nico: Me too!

Eli: Same here!

(Ms. Keane now holds up two apples.)

Ms. Keane: Class, please join me.

(She and the other kids let fly with a barrage of apples and school supplies. The girls can do little more than throw their arms up to protect themselves.)

Blossom: I've heard of class struggles, but this is ridiculous!

Me: This is more than just a class struggle.

(Close-up of the hotline, buzzing. It now has a very angry expression. Back to the girls.)

Blossom: It's the Mayor! Let's get outta here! (They take off.)

(Cut to the Mayor's office as they fly in. The pickle jar is back on his desk, and Ms. Bellum stands next to him.)

Blossom: Mayor, we got here as soon as we could. What's the problem?

(Cut to a close-up of the jar, the focus shifting from the Mayor and Ms. Bellum to it, then back to the girls.)

Blossom: (smiling) Oh… the pickle jar again. (Side view of the desk; she flies up and takes hold of it.) Don't worry, Mayor. We'll have that jar open in a jiffy.

(This time, he reaches across the desk and starts trying to pull it away from her.)

Mayor: Hey! Unwield my pickles, you fiend! (yanking jar back) Why that's grounds for immediate incarceration! Get 'em, boys!

(All over the office, SWAT officers charge in through the doors and windows. An overcoat and hat on a rack leap off on their own, an officer poking his arms, legs and head out. More cops barge into the office; guns are drawn and cocked, and the girls find themselves surrounded by weapons of all types and calibers-including a slingshot. The Mayor and Ms. Bellum confront them, with a row of cops backing them up.)

Mayor: Ms. Bellum, would you care to go first?

Ms. Bellum: (drawing and cocking a revolver) It would be my pleasure.

Blossom: (nervously) Um… we'd love to stay and hang out with you guys, but, uh… I-I think I hear the Professor calling.

Buttercup: (stammering) Yeah, some other time.

Bubbles: (giggling nervously) Maybe we can have tea. (They inch to one side, then zip away.)

(Cut to them in flight.)

Buttercup: Wow! This has turned out to be one freaky day.

Bubbles: Yeah. Something strange is going on.

Narrator: (very irritated) Aw, for cryin' out loud, would you three shut up for once?! Always griping and moaning about something! Sheesh, you give me a headache!

Me: JEEZ! Shut your fucking mouth Narrator!

HOW RUDE!

(The girls turn toward the camera, surprised, as soon as he speaks. It is clear that, despite his earlier fear upon first seeing "Him", the Narrator was not immune to the spell "Him" cast on everyone and was affected by it as well, making him as ornery and hostile to them as everyone else was.)

Blossom: Let's go see the Professor. Maybe he has some answers.

(Cut to the Professor, again in his lab with his back to the camera. The girls fly up behind him.)

Blossom: Professor! Something odd is happening around Townsville, and we need your he-

(On the end of this, he lets out a low, exasperated groan. Zoom in on him.)

Professor: (low, menacing tone) How many times have I told you girls not to come barging in like that? (turning around, very angry as his eyes become bloodshot and his face contorts into an expression of pure rage.) IT'S NOT NICE!

(His perspective of them, looking up at him.)

Me: UH OH!

Eli: Oh boy!

Blossom: Whoa!

(Cut to behind them as he advances on them, arms outstretched to grab them so that he can beat them up.)

Professor: (menacingly) Now come here, girls.

(Darting away before he can lay hold of them and start pummeling them, they flee up the stairs and down the hall.)

Blossom: Quick! Out the front door!

(They reach the door and fling it open, then gasp in surprise. They slam on the brakes and skid through the doorway out of view. Head-on view of a vengeful mob that includes the Mayor, Ms. Bellum, Ms. Keane, the old woman with her cat, and several of the SWAT team members. All the eyes that are visible are glowing bright red and burning with intense hatred, and all the faces we can see are frozen in scowls.)

WE GASPED!

Me: UH OH!

(The girls turn around to dodge back into the house, but the Professor is coming up behind them. His eyes have also gone red like everyone else. They're trapped, with no where else to escape to.)

Professor: Destroy Powerpuff Girls!

(The mob begins to close in on them.)

Mob: (as if hypnotized) We must destroy Powerpuff Girls! (Close-up of Buttercup.)

Buttercup: Why are you people doing this? (Pan to Bubbles.)

Bubbles: Don't you love us anymore? (Pan to Blossom.)

Blossom: Yeah! You act as if you- As if you…

"Him": (voice-over, effeminate voice) Hate you?

Blossom: Yeah. Hate us! (frightened, stammering) W-W-Who said that?

(Pull back. As "Him" speaks, he rises into view behind the mob.)

"Him": (effeminate voice) Why, I did, of course.

Girls: It's "Him"!

"Him": (evil voice) Right you are, girls!

(He disappears, then pops up behind the Professor and drapes his arms over the man's shoulders.)

"Him": (effeminate voice) And right you are about your loved ones!

(Extreme close-up of him licking the Professor's cheek. Back to the girls.)

Blossom: Take your claws off the Professor!

Bubbles: What's he ever done to you? ("Him" leans into view.)

"Him": Oh, it's not what he's done to me, but what he's going to do- (evil voice) -to you!

(Close-up of his disembodied head.)

"Him": (effeminate voice) As you see, I've taken all of their love for you and turned…

(On the word "turned," which he draws out considerably, his head rotates over 360 degrees.)

"Him":… it into… (evil voice)… hate!

(The girls gasp in shock, and "Him" wraps his arms around them.)

"Him": (effeminate voice) Now they will destroy you, (pulling one of Bubble's pigtails; to evil voice) and you poor, helpless creatures (evil voice) won't be able to fight back.

Bubbles: Ow!

("Him" picks Blossom up and addresses himself to her.)

"Him": (effeminate voice) Because the Powerpuff Girls would never hurt the ones they love. Oh, no, they wouldn't.

(On the end of this line, she cries out and struggles to pull free. He disappears and pops into view over the mob, pointing o.c. at the girls.)

"Him": (evil voice) NOW DESTROY THEM!

(Blossom is grabbed by the leg, Bubbles by the hair. Buttercup dodges a swipe at her. Blossom is punched, Bubbles gets clawed by the cat, Blossom receives a kick under the chin, and a fist slams down on Bubbles' head. She bites down on her tongue as a result of this hit.)

Nico: I'VE SEEN ENOUGH! LETS GET HIM!

Trickster: Okay, that does it. We need to head in there right now!

Nico: Agreed. And as we discussed, we free the Professor first!

Me: YEAH!

We went into the simulator!

Him was laughing at the fight. But then the spirits of love came and swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off about HIM and then a phoenix cry was heard and then we flew out and I teleported and bashed

HIM Right in his face and broke his nose.

Nico teleported and grabbed the Professor.

Nico: Hold still professor! This is for your own good!

Nico then sucked out the negative energy from him and got a massive and explosive power boost from it!

The Professor got an intensely massive headache.

Professor: What? What happened? My head hurts.

POW WHAM SMASH BAM! BIFF KROW!

I was beating up HIM intensely!

I punched him in his face and knocked him down!

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Him: Uh oh!

Me: (DIVINE ECHOING GODLY VOICE **I will not let you get away with everything that you did anymore HIM! (FLARES UP POWER TO THE EXTREME) I WILL NEVER FORGIVE YOU FOR YOUR CRIMES! (ROARS IN EXTREME FURY AND RAGE!)**

I released the ultimate extent of my ultimate power to the extreme! I VOWED THAT I WOULD MAKE HIM SUFFER 500,000,000,000,000,000-FOLD FOR HIS CRIMES!

I teleported and kicked HIM in his stomach and bashed him in his face and kicked him in his neck, chest and head!

I then went at HIM with extreme force and punched him all over the place with extreme savagery!

I blasted HIM all over with energy blasts and I kicked him in his face and headbutt him and then punched him in his stomach hard and kneed him in the neck!

I kicked HIM in his face and teleported and punched HIM in his back and teleported and punched him in his face and kicked him in his eyes and I kneed him in his mouth and knocked out some of his teeth!

Nico: J.D., the Professor's free! We need to get back to the PPG House!

Me: **No! I'm not done with HIM yet!**

Red Hood: J,D., nothing would make me happier than to have HIM be punished for all the shit he's done today and for how he turned that other future into Hell. But right now, we need to trust that whatever Nico has in mind for the Professor, it's a good plan. I promise that your time to punish HIM will come soon.

Me: (SIGHS) **All right. Lets go!**

I went with everyone back into the house and then I put up a force field to protect us from HIM and his pawns.

Me: **That will hold him for a while.**

Blossom: Thanks guys! You saved us.

Xenia: No problem.

Me: **Professor you were poisoned with hatred gas from HIM.**

Xenia: It made everyone hate the girls.

Professor Utonium: Are you saying that everyone in Townsville except you guys and me hates the girls now?!

Johnny 13: Well, you also hated them before Nico freed you. But yeah, that pretty much sums it up.

Me: **But I did rough up HIM a bit and this time we're going to make sure he pays the ultimate price for everything he did.**

Xenia: Yeah.

Nebula: They've backed off for now.

Maria: Don't get your hopes up. They're just waiting for when we go outside.

Me: **It's only a matter of time before they come back but we'll be ready for them.**

Nico: Professor, can you make a device that can free a target from HIM's control? It should be powered by hearts.

Professor Utonium: I can try.

Nico: Good.

Me: **In the meantime I'll stay in my full power.**

Nico: Okay.

Professor Utonium got to work and with Sora and Kairi's help it went along fast.

Professor Utonium: It's going to take a while for the device to be made. Why don't you guys eat something while waiting?

Angel: (chuckles) Look who's talking. We're not the ones who just got freed from HIM's control.

Me: **Don't worry we got plenty of food.**

Nico: Yeah.

I made a burger tree for everyone.

Blossom: Thanks guys. By the way what did you all mean by future caused by HIM?

Nico: It's something you're not going to like Blossom. Instead of telling you we'll show you as well as all the other terrible atrocities he did.

Nico showed them everything.

---

HIM (sometimes spelled Him) is the secondary antagonist of The Powerpuff Girls franchise. He is one of the most powerful adversaries of The Powerpuff Girls, as well as one of their crueler opponents. In the reboot he is Bliss' archenemy.

He is voiced by Tom Kane, who also portrayed Magneto in Wolverine and the X-Men.

HIM talks in a chilling voice that echoes at all times as if in a cave and which sounds like Tiny Tim alternating between high-pitched, silly and almost gentle when amused or thoughtful to evil, very sinister and growling when he is angry or enraged. He made his first ever appearance in "Octi Evil", where he possessed Bubbles's stuffed doll, Octi in an attempt to break the Powerpuff Girls up and he cleverly disguised his own voice to lure her into his trap.

His next main episode was in "Telephonies", where he is one of the villains the Girls visit to investigate the crank calls. It's also revealed that he can alter his own voice at will, changing from feminine and chirpy to masculine and angry in just a few seconds depending on his moods. He also formed a "partnership" with Mojo Jojo and Fuzzy Lumpkins when they discovered the Gangreen Gang were behind the calls. It's also shown that Mojo Jojo calls Him "Sir" and has some respect for him.

In "Moral Decay", HIM lost many of his teeth when he was beaten up by Buttercup (due to her greedy obsession for dollar coins). HIM placed a steak on his cheek when he went to dentistry. HIM, Mojo Jojo, Fuzzy, The Gangreen Gang and all the other criminals (who also lost many of their teeth by Buttercup) wants revenge on the Powerpuff girl. Blossom and Bubbles allowed HIM and the other toothless villains to beat up Buttercup, breaking almost all of her teeth.

During "Tough Love", he used his own powers to spread the seeds of anger and hatred into Townsville at night which triggered the residents rising up against the Powerpuff Girls and unwillingly becoming his puppets. While most villains prefer to destroy Townsville themselves or through their own sheer strength. He often disguises himself or creates psychological events or catastrophes which he uses as an attempt to cause the Powerpuff Girls to break mentally. He has shown numerous satanic forms, most of which are revealed in apocalyptic or hellish situations or realms. These forms, in turn, can often greatly enhance his power and cause him to grow to enormous size.

In "Speed Demon", set 50 years into an alternative future and with the Girls themselves having gone missing, HIM managed to gain control of the entire planet including Townsville which in turn, resulted in his powers becoming great, and during a fight against the Girls, he was able to withstand the full force of their attacks without even bothering to defend himself.

He took little or no damage in the fight, even finding the Girls' actions amusing. In this setting, he was also able to change into a much larger and more sinister-looking true form of HIM. Luckily, the Powerpuff Girls managed to go back in time to avoid this from ever happening, though if HIM manages to outlive them, the world will end the same way.

In "Meet the Beat-Alls", Him joins forces with Mojo Jojo, Fuzzy Lumpkins, and Princess Morbucks as the 4 evil doers together formed their own band called "The Beat-Alls" which lasted for short time and later became disbanded due to the arrival of the chimp named Moko. When forced to engage in battle, he is an entity to be reckoned with, as he heralds doom in every direction.

In "The Boys Are Back In Town", he resurrects and improves The Rowdyruff Boys, though the Powerpuff Girls manage to find a way to defeat them once again.

HIM also appeared in the rock musical episode "See Me, Feel Me, Gnomey", where, like other villains, he is seen causing chaos and terrorizing people in Townsville, the Powerpuff Girls when they arrive, he, like the other villains, defeating them succeed. Yet, when it comes to the Gnome, he is responsible for eliminating all the villains, including HIM, but later, when HIM and all the villains revive, the Gnome loses power.

He is also seen along with all the other villains singing "Why Can not We All Get Along?", giving to understand that it can also have redeeming features, including in his villainy.

When we were done everyone was shocked! AND BEYOND HORRIFIED!

Blossom: Oh that is beyond horrible!

Xenia: Yeah.

Discord: As soon as that device gets made, I can bring that cat in as a test subject.

Professor Utonium: How are you going to do that without being seen?

Discord: (laughs) My dear Professor. Never underestimate the power of Chaos.

Me: **Discord is not called the embodiment of chaos for nothing. Also he cracks me up. Discord has one awesome and funny sense of humor.**

Fluttershy: (LAUGHS) He sure does.

Discord: Indeed I do.

Xenia: Yeah.

Horsea: Kairi, is the device ready?

Kairi: Almost done.

Professor Utonium: Finished!

He showed us a heart blaster.

Professor Utonium: Meet the Heart Purifier Rifle.

Numbuh 4: That looks like a Girlifier cannon I saw at that prep school.

Nico: It sure does. Okay Discord. Do your stuff.

Discord teleported and instantly brought in the cat that scratched Bubbles and it was yowling ferociously.

Discord: All I did was disguise myself as a puddle and grab it in a cage.

Xenia: Very clever.

Discord: HIM also seems to have regenerated his wounds. But luckily, I gave him something else to worry about.

Nico: What's that?

Discord: (laughs) Chocolate milk rain!

THUNDERCLAP!

Chocolate Milk rained down on the city.

Pinkie Pie: No whipped cream!?

We laughed!

Cheese: I like chocolate milk!

Me: **(LAUGHS) He still cracks me up.**

I opened the window and got a glass out and chocolate milk poured into it and I filled it up and drank it.

Me: **Ahh. Delicious.**

Discord: Thank you.

I closed the window.

Nico: Okay professor you may fire when ready.

The Professor fired.

LOUD BELCH!

It fired and made a loud belch as it fired. The ray hit the cat and the Negative energy left the cat and Lola absorbed it and got a ferociously powerful boost of power!

Lola: WHOA!

Cat: (MEOWS)

Bubbles: You're back to normal!

The cat licked Bubbles.

Me: **It worked!**

Nico: Wow! Great job Professor! And you too Sora and Kairi!

Tri Klops: Let's get out there and free that old lady next.

Me: **We're going to need more than one of those blasters though.**

Crag: Leave that to me.

Crag got out his portable machine cloning device and he put the ray gun in it and made 10 of them.

Nico: Perfect! Good thinking Crag.

Me: **You guys help the people. But leave HIM to me. He is mine.**

Nico: Go get him.

We went outside.

Me: **Okay you hate filled parasites! COME AND GET US!**

They came out.

HIM was with them too.

Me: **You're mine HIM!**

I flew at him and pulverized him some more!

The Old Lady came.

Wildrider: Sorry, old lady! This is only gonna hurt for a minute!

Blossom fired and it hit the old lady and the Negative energy left her and Varie absorbed it and got a power boost.

Old Lady: My goodness! What happened?

Nico: Ugly story.

I teleported and punched HIM hard in his face and knocked him down! HIM tried to do the same ferocious moves that Trakeena did on me but I expected this and dodged them all and I kicked HIM in his face and leg swept him and kicked him in his back and I kneed him in his face and punched him all over. I fired a massive energy blast and it hit HIM and exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was getting intense!

Me: **You are just as pathetic as ever HIM!**

POW!

I smashed HIM in his face and sent him crashing into a fire hydrant!

**Me: You make me fucking sick HIM. You only care about spreading hatred and evil and you don't care who lives and who dies. You just only want nothing more than to see people suffer. You would rather see people die!**

KROW!

I punched HIM in his stomach and kicked him in his face and then I pulled his beard and ripped it right off!

Onyx: Now, let's free the Mayor and Ms. Bellum. We still don't know what Ms. Bellum looks like. But the Mayor acting hateful is not a good look for him!

Eli: No it's not! I got this!

He fired and it hit the Mayor and Ms. Bellum and freed them and Lana and Laney absorbed the Negative Energy.

Mayor: (GROANS) What a nasty headache!

Ms. Bellum: (Groans) I feel like I got hit by a train.

Sirena Serenade: I got this kids!

She sang a powerful song of love and it freed them and Lincoln absorbed all their negative energy and got an immense power boost!

Xenia: Awesome job!

I teleported and kneed HIM in the face and sent him flying into the sky and I teleported and punched and kicked him all over with ballistic fury! I then punched him and sent him crashing into the ground!

KRASMASH!

Nico: YEAH!

Buttercup: Aww, can't we just leave Mitch under HIM's control? No one will notice.

Crash Man: Buttercup, as heroes, we have to help EVERYONE. Even people like Mitch.

Eli: Yeah as much as we don't like Mitch, he did nothing wrong.

Buttercup: All right.

Buttercup fired and freed him.

Laney: Now for Ms. Keane.

Lola: Yeah!

Lana fired and freed her.

Box Ghost: Are you okay, Ms. Keane?

Ms. Keane: Yeah. Thanks to you guys.

Xenia: We'll explain later.

I punched HIM in his face and kicked him in his stomach and flipped and kicked him all over.

Then I unsheathed my sword and slashed him across his stomach!

I then punched him in his face and fired a wave of energy and it hit him and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then kicked him in his stomach and face and teleported and kicked him in the back.

Aria Blaze: Let's do a head count!

Nico did so.

Nico: Bellum, cops, mayor, Professor, old lady, cat, (Mumbles while counting)

Eli: (CONCENTRATES) That's everyone!

Nico: Yep. They are all cured.

Pete: Now for HIM!

Nico: Yeah!

Everyone was about to come and help me when suddenly Merman, Juggernaut, Titania, Rojo, Whiger, Hank Scorpio, Tala, Zzzax, Evil-Lyn and Aqueduct came.

Nico: Merman, Juggernaut, Titania, Rojo, Whiger, Hank Scorpio, Tala, Zzzax, Evil-Lyn and Aqueduct.

Eli: Usual battle time.

Me: **You guys have fun. I'll take care of HIM.**

I punched Him in his face and kicked him in the crotch and then I snapped his arm and he screamed.

Whiger: Whoa! J.D. is really tearing HIM apart!

Hank Scorpio: Especially for all the shit he pulled not just in this universe but in the Z universe.

Nico: That is an understatement.

Merman: I know it's a little early.

Juggernaut: But we figured now's a good moment.

Nico: You're right.

Titania: I'm sure J.D. will still leave parts of HIM for you guys.

Nico: Don't worry. He will.

Rojo: (to Nico) We heard you had Alizarin's baby shower.

Nico: We sure did.

Whiger: How was it?

Nico: It was really fun. We had it in Rio De Janeiro, Brazil. Blu and Jewel had fun too.

Whiger: Cool cool.

Naja came.

Naja: This is awesome and fun.

Nico: It sure is Naja. Back for another round I see.

Naja: Yep.

Nico: Awesome.

Naja: I hope you guys have something special planned for tomorrow.

William: We'll think of something!

Nico: Yeah.

Qin: Don't worry.

Laney: Yeah.

They got the battles underway.

Sheeva: And her story is awesome too.

Astro Boy: Boy it sure is.

* * *

Nico: Yep. So, Sirena, what are some memories that you had with Lincoln?

Sirena Serenade: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Huron for a little swim and Lincoln and I sang divinely which attracted a lot of the lake's inhabitants to us. But, then, we heard a loud belch and almost gagged when we caught the stench of B.O. from sweaty armpits and smelly feet, and there was only one person who could do that, it was Lynn, and she was out for blood. Lincoln had already had it with that animal always trying to kill him and his Guardian Angels, so he brutally thrashed Lynn and I also joined in by firing blasts of water at her, since she really needed a bath.

Lincoln: Then, Sirena told her off saying that Lynn was a cold-blooded, aggressive, nasty-tempered, psychotic, deranged, unstable, homicidal, hard-headed, stubborn smelly gym bag jackass, that she's as cuddly as a thousand cacti, and even worse, Sirena also said that Lynn's dumber than a truck tire and smells like a pile of unwashed sweaty gym socks and her feet smell like a toxic waste dump! That really set Lynn off, and before she could kill her, I saved her by firing blasts of water and sound at Lynn which drenched and knocked her down and she was put in a ball of water and that numbskull tried to punch it to break free.

Nico: You can't punch water, it has no form. Lynn, your Dark Side was a total idiot!

Sirena Serenade: She sure was. Then, I went over to Lincoln and we kissed on the lips and right in front of Lynn, who was really left seething with rage and wanting revenge, but Lynn got busted by her parents who saw what she tried to do when they ran over to Lake Huron and she also got grounded big time.

Nico: I'm surprised none of you sent her to military school for her actions.

Luna: Nah, that'd be too easy for a stubborn bullheaded jackass like her. So, we decided to let the Guardian Angels beat her up after we tied her up to a post so she couldn't escape.

Me: And we didn't use rope since she'd just chew through them, so we used chains for that.

Lincoln: No matter how many times we tried to get it through her head, Lynn refused to listen, she was so stubborn and bullheaded, and the only way she'd ever learn was through force and violence.

Nico: Jeez, if I had been there, I'd have her put in the stocks or have Connor prank her brutally. No, wait, that's a bad idea, 'cause I know how brutal his pranks were along with Luan's when their Dark Sides take over.

Luna: Yeah, bad idea, dude. Really bad idea.

FLASHBACK ENDS

Rojo: Whoa! Dark Lynn just never learns does she?

Pinkie Pie: No she didn't! What a big time party pooper.

Maud Pie: (monotonously) Yeah no kidding there.

Featherweight: I agree there too.

May: Yeah no kidding!

Naja: HIM has been asking for it for years! Lets do it!

Nico teleported and opened his safe and in it was a bunch of weapons called the Destroyers of HIM, they're a powerful massive collection of powerful massive greatswords with embedded colored gems and a heart and the cross etched on the 7'5" massive, wide, double-edged gold blades, large gold wolf heads for the crossguards, large white angelic faces built into both sides of the hilts with large colored gems embedded in the foreheads, longer midnight black handles, four large wolf heads with colored gems for eyes and on the bottom of the four large wolf heads are large gold wolf heads with colored gems in their mouths for the pommels. Once in hand, we will gain a massive power and energy increase, and these powerful greatswords are also charged with positive energy: which is poison to a creature of eternal hatred like HIM.

Nico teleported back with them.

Me: **An entrance worthy of love.**

Lola: You're gonna pay for your crimes. Especially the ones you caused in that other future!

HIM: (to the Trinity of Violence with a smirk) You mean the future you 3 caused when you prevent the 20 Days of Darkness from happening? (laughs evilly) I guess that means no matter what you do, you all will never truly be happy. And that you'll never be able to destroy all evil in the Multiverse!

Nico: You're right about one thing, HIM. We can't destroy all evil in the Multiverse. Good VS Evil is an eternal battle. To maintain balance, one side can't win against the other. But at least we can make sure said eternal battle continues without you!

HIM: Defiant to the end. (smirks evilly) Just like your precious May and Zarya were in the alternate future right before I killed them before you two. And that was before I killed you two myself!

Me: **You make me sick HIM!**

Qin: YEAH! You will pay!

Me: **No more HIM! No more lives will be destroyed by your hatred!**

We went at him and pulverized the living shit out of him and we were going to make sure he paid big time for his crimes!

Fuzzy: How'd you like that, ya varmint?!

HIM: Oh, I haven't forgotten how I broke you in that alternate future before I snapped your neck, Fuzzy! (laughs evilly) It was so delicious killing your nephews before I showed you their heads!

FUZZY THEN WENT BALLISTIC!

He bashed and smashed him all over and slashed him!

The Rowdyruff Boys blasted and smashed him all over!

Butch: Time for this freak to die!

Me: **He's just trying to get under our skin and it won't work!**

(YURGEN'S TUNE PLAYS)

The red hate-filled skies suddenly changed and the negative energy flowed into them and they wound up getting stronger, and the skies changed back to normal, then, the skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Lincoln, Sirena Serenade, Girl Jordan, and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES FLYING AROUND HER, GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP, SIRENA SERENADE HAD HER AQUA BLUE AURA FLARED UP, AND LINCOLN HAD HIS RAINBOW ENERGY AURA FLARED UP)

Suddenly, the song began to be heard all over the planet, and then, a sudden explosion of life energy erupted, and it released a very powerful wave of light and life energy, and then, it hit HIM and he was being badly burned by the song, but it wasn't just that: we also saw all the forced hatred being forced out of the mind-controlled citizens of Townsville along with HIM's infinite hatred being sucked out and all that hatred flowed into us, and then, our rainbow energy auras really exploded as we were gaining astronomical power boosts of astronomical proportions! Then, HIM let out a really agonizing scream of pain and agony as he exploded into nothing, and he was sent to The Black Gates for good!

Nico: GREAT CAESAR'S GHOST!

Me: That was so incredible!

Lincoln, Girl Jordan, Leeli, and Sirena Serenade descended slowly onto the ground, and we ran up to them and we hugged them.

Nico: Lincoln, Girl Jordan, Leeli, Sirena, you guys did so awesome performing Yurgen's Tune, and it destroyed HIM once and for all.

Me: Not only that, but it also sucked out all of HIM's hatred and the forced hatred from the people of Townsville and restored them to normal, and we suddenly gained an astronomically massive power boost of astronomical proportions.

Lincoln: HIM's infinite hatred was no match for us, we not only grow stronger due to hatred, but we also grow stronger because of love, and that's a stronger power than hatred itself. Now, there's only one last thing to do, and one last loose end to tie up: Isabella Ezdemir of the Ghostrick Destroyers.

?: YOU FILTHY GHOSTRICK SCUM! YOU SHALL ALL BE DESTROYED IN THE NAME OF GOD!

Autumn Aluma: (British Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Isabella Ezdemir, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Isabella Ezdemir, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Autumn Aluma: (British Accent) Isabella Ezdemir, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Isabella Ezdemir: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Isabella, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Autumn Aluma: (British Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Autumn Aluma's purple eyes turned neon purple and she was surrounded by a black and orange energy aura with stars, darkness, light, shadows, pumpkins, and angels, she unholstered her massive Ghostrick Lantern's British Jack-O-Lantern Darkness Archangel Greatsword of British Darkness Jack-O-Lantern Angel Justice from her back, and as she approached Isabella Ezdemir, she left black and orange energy, stars, darkness, light, shadows, pumpkins, and angels with every step.

Autumn Aluma: (British Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Isabella Ezdemir, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Autumn Aluma as surrounded by a massive vortex of black and orange energy with stars, light, darkness, and shadows surrounding the vortex, there are pumpkins, angels, and Ghostrick Lantern flying around the vortex, and in the vortex is a purple phoenix with blood red eyes glaring at Isabella Ezdemir: the red eyes of eternal death. Then, as the vortex faded, Autumn Aluma emerged, but she was changed forever.

We were amazed by Autumn Aluma's Super Angel-Ghostrick Lantern-Jack-O-Lantern Witch-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Isabella Ezdemir saw it, she fell into an even more darker and more insane rage and ran at Autumn Aluma with a knife to stab her in the heart and kill her, but Autumn Aluma fired a powerful barrage of black and orange energy blasts, stars, darkness, light, pumpkins, pumpkin fire, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Me: Whoa!

Nico: Oh man, Autumn's transformed, and now, there's nowhere for that delusional vampire to hide.

Lincoln: No villain's ever been safe, not even from The Jack-O-Lantern Witch of Royal Woods, and her talents with pumpkins and Pumpkin Fire, along with the powers of darkness are indeed legendary, and now, Sophia Fayez's going to pay the price for her crimes.

Autumn Aluma: (Divine Godly Cosmic Voice of The British Darkness Light British Jack-O-Lantern Witch Angel Ghostrick Lantern Angel and Divine British Darkness Light British Jack-O-Lantern Witch Angel Ghostrick Lantern Love) (British Accent) And pay, she will. Now, let's rip her to shreds, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Autumn Aluma and Crash Bandicoot.

Autumn Aluma, Lincoln, and Crash Bandicoot went after Isabella Ezdemir, and they fired extremely powerful blasts of rainbow energy, black and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Isabella Ezdemir and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Autumn Aluma, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Isabella Ezdemir mad.

Isabella Ezdemir: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Isabella Ezdemir's vampiric nature came out, and now, she was out for blood. Isabella Ezdemir ran at Lincoln, Autumn Aluma, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Isabella Ezdemir's stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Isabella Ezdemir in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Isabella Ezdemir's soul of her life energy as we saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Isabella Ezdemir into his body and then draining her soul of her life energy, an energy card with Isabella Ezdemir's drained soul appeared in his left hand. We cheered wildly for what Autumn Aluma, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Autumn Aluma's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Autumn Aluma: (British Accent) That's one down and sixteen of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Autumn.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Autumn Aluma wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Autumn Aluma's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Lantern flying in the air, and we saw a herd of Buffalo and many animals running across the field and Lantern flying through the darkness as the Jack-O-Lanterns came to life and sent out ghosts behind them and we cheered wildly. Then, Lincoln and Autumn Aluma absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a truly frightening fight, Lincoln, Autumn, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Isabella Ezdemir in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Isabella Ezdemir's life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to

The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got a really good list of Duel Monster Gene-Slammers, they're for the Noble Knight Archetype.

Me: (GASPS) The archetype based on the Arthurian Legends, Carolingian Legends, and the other legendary Knights of Medieval Europe?! Whoa, that's so awesome!

Katara Chevalierflamboyant: (French Accent) There's only one group of girls who'd be Gene-Slammed into the other Noble Knights Duel Monsters.

Joan Delenney: Royal Woods' Knights of The Michigan Table, they're a powerful order of Knights who have a duty to defend the innocent people of Royal Woods from our main enemies who're none other Royal Woods' jerks, Flip, Scoots, Nurse Sue, Hawk and Hank, The Hazeltucky Hockers, Lewis Travolta, Bolhofner, Chandler and his goons, Becky Blickensderfer, The Dodgeball Bullies from Great Lakes City, Lori, Lynn, Lola, Lisa, Luan, and from many other threats across the world and the universe.

Everyone gasped.

Me: Hey, I remember them all too well, they were one awesome order of Knights, and if I remember right, you, Katara, and Lincoln are also members of Royal Woods' Knights of The Michigan Table.

Lincoln: That's right. Katara, Joan, and I along with the other Noble Knight Gene-Slammers formed Royal Woods' Knights of The Michigan Table, and we swore to protect and defend the innocent people of Royal Woods from our main enemies who were none other Royal Woods' jerks, Flip, Scoots, Nurse Sue, Hawk and Hank, The Hazeltucky Hockers, Lewis Travolta, Bolhofner, Chandler and his goons, Becky Blickensderfer, The Dodgeball Bullies from Great Lakes City, Lori, Lynn, Lola, Lisa, Luan, and from many other threats across the world and the universe.

Nico: That's really something, so who's the first of The Noble Knight Gene-Slammers and Royal Woods' Knights of The Michigan Table?

Lincoln: That's an easy one: Melanie Artorgius, Gene-Slammer of Artorgius, King of the Noble Knights and Leader of The Royal Woods' Knights of The Michigan Table.

Joan Delenney: Oh, I knew it was going to be her, I just knew it. You guys are going to love meeting her, Melanie Artorgius is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman. She trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordsman and magic wielder, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this bit of news: like Dame Minerva Arthur, Melanie Artorgius is also a direct descendant of King Arthur of Camelot.

We gasped at that bit of news including Catherine Arthur, the immortal daughter of King Arthur and Gene-Slammer of Quetzalcoatl the Titan of Summons and Dame Minerva Arthur.

Catherine Arthur: (British Accent) A descendant of my father, now this I got to see.

Minerva Arthur: (British Accent) Same here.

Katara Chevalierflamboyant: (French Accent) Plus, Lincoln made her a dark blue coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Melanie Artorgius hates Lori with a very blazing passion. One day, Melanie and Lincoln along with the rest of the Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lori, and she'd brought with her an army of dark magic wielding Satanic wizards who were in the service of The Chernabog Sisters, hated enemies of The Emperyous Sisters and Isabella Abaddon, The Fallen Guardian Angel and our hated enemy. Melanie Artorgius and Lincoln went out there along with the rest of us, and she fired beams of light from her greatsword, The Bright Blade of Light, and it destroyed the army of dark magic wielding Satanic wizards, and it drove Lori into a blood-crazed fury, but before she could unleash her wrath on us, Lincoln and Melanie fired chains of light magic which bound Lori and tied her up. Lincoln called Luna, who showed up along with Leni, Luna, Laney, Lucy, Lana, Lily, and the parents, and we also saw they also tied up Lynn, Lola, Lisa, and Luan earlier, and when we told them of what Lori did, they were furious, but when they told us that Lynn, Lola, Lisa, and Luan conspired with Lori as well and that sought the attention of The Chernabog Sisters and Isabella Abaddon, we were absolutely furious.

Nico: They what?! Their conspiracy attracted the attention of The Chernabog Sisters and Isabella Abaddon?! Of all the… !

Lincoln: I know, I was disgusted that their conspiracy attracted the attention of those Satanic sisters and our most hated enemy, but in the end, their plan failed, and Lori, Lynn, Lola, Lisa, and Luan got grounded for eighteen weeks and Melanie Artorgius and I casted a spell to make sure they couldn't try to come after us for revenge after they got sent to Aunt Ruth's.

Me: Yeah, messing with the descendant of King Arthur and leader of Royal Woods' Knights of The Michigan Table will have disastrous consequences.

Nico: Lori, Lynn, Lola, Lisa, and Luan really hated that their greatest "plan" was foiled once again, and they got into even more serious trouble.

Lincoln: They didn't listen to any of our warnings in the past, and look at what happened: the dark magic-wielding wizards sent by The Chernabog Sisters and Isabella Abaddon to help Lori got killed and Lori, Lynn, Lola, Lisa, and Luan got tied up and sent to Aunt Ruth's after they got grounded yet again. And now, for tomorrow, we're going to face off against Olivia Erasmus.

Mary Adelberte: (British Accent) Yes, which means you and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Hank Scorpio: NOW we've seen the last of HIM.

Tala: And everyone's hate free.

Zzzax: (grumbles) Even Mitch.

Evil-Lyn: Still, a job well done.

Nico: That's for sure and J.D. you did great tearing HIM apart.

Me: Thanks.

Aqueduct: I hope Alizarin wasn't lonely without us

Me: Nah she had Pickle & Barley Barrel looking after her.

Rainbow Dash: Those two are great and loyal.

Me: Yep.

Nico: Great job today everyone. Now we've seen the last of HIM and his evil.

Eli: Yep.

Nico: Lets go celebrate at Lynn's Table and bring something back for Alizarin.

Me: Good idea. (To the viewers) HIM is gone for good and that marks the end of a dark chapter for us and the Powerpuff Girls.

Nico: Good riddance.

Xenia: Yeah.

We went to Lynn's Table and had a great meal and then we came back and gave Alizarin Bubblegum a good meal too and we enjoyed the rest of the day and went to sleep.

Nicole: Me too. And this will be so fun to battle it.

Qin: Yeah it sure will.

Xenia: This is gonna be fun and cool.

Lola: It sure is. Too bad Nico can't be with us because of it being his birthday.

Qin: I know but we need to make this awesome for his special and awesome big day.

Camie: And we will make it great and fun.

Kirby: It sure will be cool.

Francisca: You got that right Kirby.

Zan Partizanne: Yeah this will fun and cool.

Lola: Yeah.

Me: Wheeler, I want to thank you, Fireor, and your teams for coming

Wheeler: No problem J.D. This will be great and fun.

Fireor: Yeah it sure will be.

Arienne Glenis Maple: I'm really looking forward to this one.

May: Arienne, What do you like to do in your free time?

Arienne: I like entertaining with firedancing. It's graceful and it's artful.

Xenia: Firedancing is awesome.

Lola: It sure is.

Qin: I like firedancing.

Xenia: It sure is awesome.

Camie: Yeah.

Me: Firedancing is awesome.

Maria: Any relation to firebending?

Xenia: Or hot rather.

Arienne: Yeah.

Me: But that is still so cool.

Lola: Yeah it sure is.

Me: Yep. That is so cool.

Kirby: I agree there. So awesome.

Ribbon: You got that right.

Flamberge: Yeah.

Me: Yeah. But yesterday was a really fun mission.

Xenia: It sure was.

Camie: Now the universe is fnally rid of HIM forever.

Maria: But not before he gave us some very disturbing reveals on how more of us died.

Me: I was infuriated that he killed Zarya and so was May.

May: Yeah no kidding!

Qin: Nonetheless we saved the entire universe from a series of unholy events and calamities.

Xenia: That we did.

Camie: Yeah no kidding there.

Himiko: HIM got was coming to him.

Lola: Yeah no kidding.

Lana: But those Heart guns the Professor, Sora and Kairi made were awesome and great.

Eli: They sure were.

Kirby: Yeah they sure were.

May: That's why we freed the Professor first.

Me: Yep and it worked perfectly. But as a bonus victory, Alizarin Bubblegum had her girls.

Lincoln: She sure did and they are so cute.

Lola: They sure are and Alizarin has me and Kirby helping her out from time to time.

Kirby: They are so adorable.

Xenia: Aww that's so sweet of you two.

Lola: It sure is.

May: J.D. what do you have planned for Nico's birthday?

Lola: Yep.

Maria: Good thing we didn't hurt anyone innocent.

Me: Thank goodness for that.

Eli: Yeah no kidding.

Camie: Yeah no kidding and it's good no one got hurt.

Xenia: Yeah.

Lola: That is for sure.

Ribbon: Yeah. We're here.

We saw Ribbon's castle and it was enveloped in a mist of darkness.

Xenia: Whoa.

Me: Scarier than the first time we were here.

Lola: Yeah no kidding.

Maria: Let's go in.

Ribbon: This way.

We went into a secret tunnel that lead to underneath the castle. We went into the castle.

Me: We're in.

Ribbon: Yep.

Me: This is gonna be good.

Ribbon: Up here.

We went through rooms and went up the stairs and got to a room that was enveloped in darkness.

May: There you are!

It turned into a spark ball!

Lincoln: Lightning power!

He fired waves of lightning and blasted it all over.

Then it turned into ice.

Lana: Ice time!

Lana fired ice blasts and blasted it.

Miracle Matter turned into fire and Lola blasted it with fury and blasted it.

Xenia: YEAH!

Then it turned into needles and Xenia fired arrows and blasted it.

Maria: Anyone here?

We went into the dark room and we saw MIRACLE MATTER!

Xenia: Miracle Matter.

Nicole: Oh boy.

Camie: This is gonna be good.

May: There you are!

It turned into a spark ball!

Lincoln: Lightning power!

He fired waves of lightning and blasted it all over.

Then it turned into ice.

Lana: Ice time!

Lana fired ice blasts and blasted it.

Miracle Matter turned into fire and Lola blasted it with fury and blasted it.

Xenia: YEAH!

Then it turned into needles and Xenia fired arrows and blasted it.

Maria: Not gonna say anything?

Me: Maria he's one of those villains that doesn't speak.

I fired waves of energy and blasted him in bomb form.

Anna Anyanova fired waves of rock and bashed him in rock form.

Xenia: YEAH!

Me: One more form.

He turned into his cutter form.

I fired waves of blades of wind and slashed him and then he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Eli: Oh yeaj! He will be perfect for the M.O.E.

Xenia: I was about to say that.

May: (sighs) It's just not the same without Nico.

Me: May it'll be all right. Besides it's his special day. You should be happy.

Maria: Yeah May. It will be fine. We'll be back soon.

Eli: Yeah.

The darkness lifted from Ripple Star and was gone.

Eli: Now we have the Anothers. I sense that we have Another Banderillero Fiend, Picador Fiend, Matador Fiend, Terrorking Archfiend, Infernalqueen Archfiend, Darkbishop Archfiend, Vilepawn Archfiend, Shadowknight Archfiend, Desrook Archfiend, Firefly and Fireor.

Lola: Whoa!

Me: Titan's cards and the Chess Fiend monsters. That will be awesome.

Camie: Yeah.

May: Who do we call for this?

Me: Admiral Eleanor Logan, Valerie Suship and Admiral Natalie Troy for Banderillero Fiend, Picador Fiend, Matador Fiend and Zinnia Ilena, Yvette Edmundton, Diane Darkus, Stellarfire, Neela Rose and Beverly Bacchus for the Chess Archfiends.

May: I like it!

Lola: Awesome ideas.

Nicole: I agree. Nice thinking dad.

Me: Thanks. Call them in Maria.

Maria called them in and they came in swirls of nature and elements.

Valerie Suship: Nico's not here?

Me: Nope. Myotismon is taking him out on a mission while we set up his big party.

Valerie Suship: Oh right! His birthday is today.

Me: Yep.

Camie: And we're looking forward to it.

Eli: Yep. And the Anothers minus Fireor are all one person. It's one of Lincoln's Guardian Angels.

Xenia: Wow!

Qin: Cool!

Maria: When the next Gene Slammer comes, how are we going to tell her that Nico's not present?

Me: Leave that to me.

Qin: We'll think of something.

Me: They will understand.

Camie: Yeah.

Me: Sorry we have to fight like this though Natalia.

Natalia Gaap: No worries.

Me: By the way is the Another Fireor friendly or hostile?

Natalia Gaap: Friendly. And she is a powerful force of fire.

Me: Whoa!

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep

Dark holoré in the Deep

Spring abundant holoél
Render green the dying bough
Raise the rock where Yurgen fell
Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from all the Anothers.

Valerie Suship: Now lets get them.

Lola: YEAH!

They fired waves of energy and elements and blasted the Anothers and they exploded! I caught the Wonder Ride Books they had.

Me: Nice!

Qin: That was awesome!

Maria: Now for Another Fireor.

Me: Yep.

Lincoln: And here she comes!

We saw a figure come out and it was a black version of Fireor! It was ANOTHER FIREOR!

Me: Whoa this one is hot.

Qin: Yep.

Lola: Oh boy.

Another Fireor: (In a girls voice) I have a feeling I'm hot more.

Me: (GASP) That voice.

She reverted back and was a girl with red hair and had a fire symbol in the middle of her forehead for Skylanders and she had fire angel wings that were burning with intense fire and she had a powerful fire sword and had red, orange and yellow clothes.

Me: (GASP) Skyla "SkyFlame" Phoenix!

Eli: Whoa!

Skyla Phoenix: Awesome to see you again J.D.

Me: Same here. Skyla is the gene-slammer of all the Fire Skylanders and the villains of the Fire Element and she has all of their powers and d she is a powerful force to be reckoned with.

Skyla Phoenix: Yep. And there are 9 others like me.

Eli: The Skylander Force Gene-slammers!

Sunset Shimmer: That is so cool! I'm the princess of the Fire Skylanders and you would make an awesome priestess for me.

Skyla Phoenix: I would like that Sunset.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Skyla Phoenix: He didn't promise me anything because he was afraid of the fire power I had. In fact he was afraid of all the powers of me and my fellow Skylander Gene-slammers.

Me: I don't blame him one bit for that. I remember seeing it in action and that power is awesome.

Xenia: That is so cool.

Qin: Yeah.

Me: But Swartz was given the black gates.

Skyla Phoenix: Good riddance.

Me: Sorry we have to fight like this.

Skyla Phoenix: No worries.

Me: This will be fun.

Skyla Phoenix: I heard you guys destroyed Burns, Crocker and HIM. That was so awesome.

Me: Thanks. Thus ends a bunch of dark chapters of the team.

Xenia: Yep.

Skyla Phoenix: Good riddance.

She turned into Another Fireor.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Me: This will be infernal.

Xenia: Yeah.

Me: I'll start this off. (ACTIVATES FIREOR'S RIDEWATCH)

I fired a wave of fire and blasted her down.

Me: Time for this! (ACTIVATES TED CARSON A.K.A. FIREFLY'S RIDEWATCH)

I fired a wave of fire and blasted her down.

May: (gets out Octopus Imagin's Ridewatch) Still isn't the same without Nico

She activated it and fired waves of energy and blasted her down.

May: It feels lonely without him. (ACTIVATES LEGO LOKI'S RIDEWATCH)

She fired waves of energy and blasted her all over.

Maria: Come on May. It's just for today. It's his birthday. (ACTIVATES MAGMA GLOOM'S RIDEWATCH)

She fired waves of lava and smashed her down.

Maria: Besides it won't be forever. (ACTIVATES BURNIS' RIDEWATCH)

She summoned fire eggs and blasted her all over with them.

Arienne: And now this. (ACTIVATES TED CARSON A.K.A. FIREFLY'S RIDEWATCH)

She fired waves of fire and smashed her down!

Then Chillyfish, Tiki Tak Tribe, Jellyfish, Toawart, Wiki Tiki and Thunder Kang came.

Me: Awesome team Chillyfish!

Chillyfish: Thanks J.D. Also tell Nico happy birthday from me.

Me: I'll relay the message.

Laney: Yeah.

May: Hey, Jellyfish!

Nico: The one from Mario. Cool.

Lola: Yeah.

Maria: Where's the next gene-slammer?

?: Right here!

Then Tapu Koko, Tapu Lele, Tapu Bulu and Tapu Fini came!

Me: WHOA! Tapu Koko, Tapu Lele, Tapu Bulu and Tapu Fini!

Lincoln: COOL! The legendary Quartet of life.

Lola: Awesome!

Tapu Koko: (In a girls voice) We got this guys.

Tapu Lele: (In a girls voice) It will be fun.

Qin: Natasha, Nina, Vicky and Valerie Tahu Alola! Wow!

Tapu Bulu: (In a girls voice) Awesome to see you again Qin.

Tapu Fini: (In a girls voice) Lets talk after we save this one.

They fired waves of energy and elements and blasted her down and I caught the ridewatch and purified it and I brought over Skyla.

Eli: Awesome.

They reverted back. Natasha was a girl with blue hair and blue and yellow clothes and had lightning angel wings, Nina was a girl with pink hair and pink clothes and had flower angel wings, Vicky was a girl with green hair and had green clothes and had grass angel wings and Valerie was a girl with dark blue hair and clothes and had water angel wings.

Natasha Tahu Alola: Awesome! Hey where's Nico?

Me: Oh he is out with Myotismon. It's his birthday.

Nina Tahu Alola: Oh I get it! You guys had him sent out so you can get his party set up.

Me: Bingo.

Valerie Tahu Alola: That's understandable.

Arienne: What are your favorite memories of him?

Valerie Tahu Alola: Where we found an island full of bank robbers hiding out there.

Me: Wait you mean the infamous Bank Robber Hideout Island?

Qin: That was a dangerous island.

Me: It's an uncharted island and it's said to be Home to many dangerous bank robbers that have alluded police for years.

Eli: Whoa!

Natasha Tahu Alola: Yep. We raided it and recovered ALL of the stolen money they took over the years and then formed a hurricane and wiped them out.

Me: WHOA! That explains what that mysterious hurricane of unknown origin was that appeared back then was.

Qin: Yep.

Laney: Wow!

Me: I'm sure Nico will be happy to see you girls again.

Nina Tahu Alola: I know he will be happy.

May: Yeah.

We went back home.

Lincoln: Wow, we're here in Detroit, Michigan, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we also got bad news: The Fire Up Gang along with their boss, Top Dollar, are back from the dead, and they want bloody revenge on us for killing them on Halloween two years ago.

Me: Oh man, not them, I thought we got rid of those fucking gangsters.

Jungle Fury Jarrod: Looks like they've come back, and they're back to causing havoc in Detroit.

Naruto: We'll have to make due with the absence of Nico and his harem.

Lincoln: Since today's Nico's birthday, Myotismon took him on a special mission while his harem and the others are back in the Estate making their preparations for the party. Plus, we also have one very awesome humiliation spree coming up, Flip and the other jerks better be ready for more pain.

Anna Anyanova: Marlene, I hope you, Emelia, and Miranda slice off his three butt-cheeks again!

Lucca: That I'd like to see. Now, let's head on out at once and slay Top Dollar and his gang once more before they try to come after us.

Jungle Fury Jarrod: It won't be long before Eric finds out, and he'll want another shot at Top Dollar for what his gang did to him and Shelly.

Suddenly, we heard a scream and we ran over to see Eric has already killed the first of The Fire Up Gang, Tin-Tin, with a knife being plunged into his heart.

Crow: You guys made it just in time, and I can guess what's happening.

Lincoln: Yeah, Top Dollar and The Fire Up Gang are back from the dead, and you already got started by killing Tin-Tin. Now, we got to get after the rest of those gangsters before they threaten to turn all of Detroit into a wasteland.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and dark blue hairband, dark blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a dark blue coat with a coat of arms on it, white short-sleeved shirt, white cravat, necklace with pearls and dark blue gem for the pendant, black pants, white bridal gloves, aqua blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with knights, swords, magic, dragons, and angels on the coattails and on the back is Artorgius, King of The Noble Knights, in her right hand is The Bright Blade of Light and on her left side is the Grimoire, and with her are the twelve girls.

Brown-Haired Girl: I hope I'm not too late to tear that scoundrel and the rest of those scumbags to shreds.

Lincoln: No, you're not, Melanie Artorgius, you're just in time, we were just about to head after that asshole, Top Dollar, and the rest of those Fire Up bastards.

?: TEAM LOUD PHOENIX STORM, YOU WILL ALL PAY FOR RUINING MY PLANS TO BURN DETROIT TO THE GROUND!

We then saw our targets, Top Dollar, leader of The Fire Up Gang, along with Myca, Funboy, T-Bird, Grange, and Skank, and they were out for blood.

Sylvester: If it isn't our favorite unpleasant anarchy crazed gangsters from Detroit.

throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

Then, Lincoln plunged his tails into the chests of T-Bird, Funboy, Grange, Skank, and Myca, and they ripped out their hearts and the tails devoured them, and then, Lincoln and Top Dollar engaged in a brutal sword fight which ended with Lincoln disarming Top Dollar and he plunged his left hand into Top Dollar's chest and ripped out his beating heart and devoured it, and then, he banished the souls of Tin-Tin, Funboy, Grange, Skank, Myca, and Top Dollar to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Your days of trying to turn Detroit into a wasteland of destruction are over, Top Dollar, you and your gang are finished forever. (To Melanie Artorgius) And it's so good to see you again, Melanie Artorgius.

Melanie Artorgius: You too, Linky, it's been a long time.

Lincoln went up to Melanie Artorgius and he hugged her, and Melanie Artorgius is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Artorgius: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and became a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Melanie Artorgius, Gene-Slammer of Artorgius, King of The Noble Knights, she's my Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman. She's also the leader of The Royal Woods Knights of The Michigan Table, a powerful order dedicated to protecting and defending Royal Woods and all of Michigan from Royal Woods' biggest enemies, Flip, Lewis Travolta, Scoots, Nurse Sue, Hawk and Hank, Bolhofner, Becky Blickensderfer, The Great Lakes City Dodgeball Bullies, Chandler and his goons, Lori, Lynn, Lola, Lisa, Luan, and from many other threats around the world and the universe. She trained me constantly in the art of swordsmanship and magic, and I became a very powerful swordsman and magic wielder, and she also taught me much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those I love and hold dear to my heart, and never to let those with such malice and evil in their black hearts get away with their crimes.

Me: Now, that's really powerful, she instilled in you what it means to be a true hero along with The Code of Chivalry and Heroism, that's really awesome.

Lincoln: And here's this bit of news: just like Dame Minerva Arthur, Melanie Artorgius is also a direct descendant of King Arthur of Camelot.

Eli: That's incredible.

Lincoln: Yep, I made her a dark blue coat with the coat of arms of The Royal Woods Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed me on the lips after their training, and Melanie Artorgius hates Lori with a very blazing passion. One day, Melanie and I along with the rest of the Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lori, and she'd brought with her an army of dark magic wielding Satanic wizards who were in the service of The Chernabog Sisters, hated enemies of The Emperyous Sisters and Isabella Abaddon, The Fallen Guardian Angel and our hated enemy. Melanie Artorgius and I went out there along with the rest of us, and she fired beams of light from her greatsword, The Bright Blade of Light, and it destroyed the army of dark magic wielding Satanic wizards, and it drove Lori into a blood-crazed fury, but before she could unleash her wrath on us, we fired chains of light magic which bound Lori and tied her up. I called Luna, who showed up along with Leni, Luna, Laney, Lucy, Lana, Lily, and the parents, and we also saw they also tied up Lynn, Lola, Lisa, and Luan earlier, and when we told them of what Lori did, they were furious, but when they told us that Lynn, Lola, Lisa, and Luan conspired with Lori as well and that sought the attention of The Chernabog Sisters and Isabella Abaddon, they were absolutely furious.

Joan Delenney: Lincoln was also disgusted that their murderous conspiracy attracted the attention of those Satanic sisters and our most hated enemy, but in the end, their plan failed and Lori, Lynn, Lola, Lisa, and Luan eventually got grounded for eighteen weeks and Melanie Artorgius and Lincoln casted a spell to make sure they couldn't try to come after them for revenge after they got sent to Aunt Ruth's because messing with the descendant of King Arthur and leader of Royal Woods' Knights of The Michigan Table will have dire and disastrous consequences.

Me: Nice.

Melanie Artorgius: Lori had it coming.

Lincoln: She sure did, oh, and we also have recite our sacred oath before we go out on any of our missions. Shall we, Melanie?

Melanie Artorgius: Let's.

Lincoln and Melanie Artorgius began to recite the oath of The Royal Woods Knights of The Michigan Table, and they got out their massive greatswords and raised them high into the air as they crossed.

Lincoln and Melanie Artorgius: Light Burns with love Defending Michigan's Pride, Enemies of Michigan Beware because On the Ride Comes the Defenders of of Honor, Love, Truth, Justice, Freedom and Power! THE MICHIGAN KNIGHTS OF THE ROUND TABLE SHALL MAKE OUR ENEMIES COWER!

Then, the coat of arms of The Royal Woods Knights of The Michigan Table appeared behind them with light shining down from the heavens, and we were amazed.

Eli: That's so incredible.

Nicole: Think in terms of The Knights of The New Fire Dad started 150,000 years hence, and how did you think they drew on their foundation of The Royal Woods Knights of The Michigan Table.

Naruto: So, they were inspired by The Knights of The New Fire, and that's how their order formed, that's really incredible!

Me: And their oath, it was also inspired by The Knights of The New Fire's oath, that really is powerful.

Lincoln: That's right, and we Knights of The Michigan Table always fulfill that oath no matter what, and now that you're here, Melanie.

Lincoln went up to and hugged Melanie Artorgius in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Melanie Artorgius: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Melanie Artorgius' neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Melanie Artorgius: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Melanie Artorgius.

Melanie Artorgius had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them, then, we went up to the twelve girls, and when Lincoln saw who they were, they immediately recognized them. The twelve girls are Auroth, Filomena, Lina, Rylai, Mirana, and Fymryn from DOTA: Dragon's Blood, Reaper Nurse from Dark Deception, and Hinaki Makabe, Hinoto Yamabuki, Natsume Kinusawa, Ren Makabe, and Tsubaki Asano from 3P Memories!

Lincoln: Oh wow, it's Auroth, Filomena, Lina, Rylai, Mirana, and Fymryn from DOTA: Dragon's Blood, Reaper Nurse from Dark Deception, and Hinaki Makabe, Hinoto Yamabuki, Natsume Kinusawa, Ren Makabe, and Tsubaki Asano from 3P Memories!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Auroth: Yes, we're okay, thanks to you.

Then, when Auroth and the other eleven girls saw who it was that saved them from Top Dollar and the rest of his nihilistic murderous fucked-up gang, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice

Tsubaki Asano: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Natsume Kinusawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Auroth, Filomena, Lina, Rylai, Mirana, Fymryn, Reaper Nurse, Hinaki Makabe, Hinoto Yamabuki, Natsume Kinusawa, Ren Makabe, and Tsubaki Asano with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villains we went were our old enemies, Top Dollar, and the rest of The Fire Up Gang, who came back from Hell seeking revenge on us.

But, when Lincoln showed what happened with Eric Draven killing Tin-Tin before we arrived, and then we brutally beat down Top Dollar and the rest of his fucked-up gang, and Lincoln finishing them off by ripping the hearts of Top Dollar and his gang out of their chests and devouring them and sending their souls to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and he had steam whistling out his ears. Lincoln and Melanie Artorgius have a lot of catching up to do, now that she's back in town.

Maria: That's the end of Top Dollar and his fucked-up gang once and for all, and this time, they better stay dead!

Lincoln: And they will, last time, they got sent to Oblivion two years ago, now, they're in The Black Gates forever.

Me: And Lincoln devoured their hearts after he ripped them out of their chests.

William: Too bad Nico didn't get the chance to see it.

Lincoln: We made sure to tape it for him to see.

* * *

After finally getting rid of Top Dollar and the Fire Up Gang and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Melanie Artorgius saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Melanie Artorgius: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Melanie, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Melanie Artorgius: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Melanie Artorgius: Oh man, I knew it was only a matter of time before he told everyone that story.

Me: Yep. So, Melanie, what other memories did you have with Lincoln?

Melanie Artorgius: Oh man, I was hoping you'd ask that. Well, there was this one time, Lincoln and I went to Lake Michigan with the rest of The Royal Woods Knights of The Michigan Table for a time of rest and relaxation along with doing some more training and working out. But, then, we heard a loud shriek of anger and out-of-control rage in the air, and we knew who it belonged to: none other than Lincoln's irresponsible, immature, so-called older sister, Lori, and one of the enemies of our order, and she was still out for blood even after we defeated her, and she was ranting like crazy that all she now wanted was our heads on a pike and then she'd kill everyone in her path including Bobby and his entire family. Lincoln had already had enough of Lori's violent and disgusting behavior and he called her out on it, he called her a violent, out of control, miserable, two-faced control freak who destroyed the bonds she had with her family, and for what, to be in control of everything and everyone. Then, he revealed he had on a microphone which was hidden in his hair and it recorded everything that Lori said, and when she saw it, her face went pale and she had shock on her face when the rest of her family and The Casagrande-Santiago family showed up after hearing the video and they were pissed at Lori. Lori, realizing she was made a fool out of, screamed with extreme wrath and rage and went after us to kill us, but Lincoln and I fired chains of holy light which bound Lori, and then, she was put in Vanzilla and dragged back to The Loud House to face her doom: grounded for twenty weeks and she was thrown in a cage in her room with a straitjacket and muzzle to shut her big fat mouth.

Me: Oh man, I remembered that day all too well, and Lincoln did quite an awesome job with hiding a microphone in his hair along with a camera.

Lincoln: Lori never saw it coming, and in the end, she got caught big time with her threat, and she got punished big time.

Joan Delenney: Indeed she did.

We got a shower, and then, Clyde, Fangelica VanBat, and Alivia Stein along with the rest of his harem are heading to Bubblaine.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", handsome and extremely muscular man was dressed in large dark blue swim shorts with a phoenix surrounded by clocks and stars on it with silver flames coming off the swim shorts, dark blue sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Fangelica VanBat, and Alivia Stein along with the rest of his harem are dressed in colored two-piece bikinis colored sandals, and they had their weapons holstered in case of trouble Plus, we found out Fangelica VanBat and Alivia Stein had feelings for Clyde and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made him go insane with anger, until Clyde fired energy blasts at that mutant and more gold and jewels and treasures came out of that moron, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Fangelica VanBat: Wow, so we're here in Bubblaine, awesome.

Clyde: I knew you'd love it, Fangelica. Plus, Lincoln's been here before, and he's right, this place is really awesome. But, we also got to watch it though.

Rebecca Hawkins: Yeah, that mutant has sent more muscle-bound thugs to kill us, but Lincoln will show up soon and do to them like he did to the previous thugs in the past.

Clyde, Fangelica VanBat, Alivia Stein, and the rest of his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Fangelica VanBat, Alivia Stein, and the rest of his harem got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells he summoned in his large and strong hands and thirteen massive and long black wolf tails, but then, he saw Flip's muscle-bound thugs heading for them.

Clyde: Here come more of Flip's thugs, let's get them.

But, before they could get after Flip's thugs, Lincoln appeared from a tornado of rainbow energy, mythological animals and beings, stars, planets, and elemental forces, and Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Clyde: Lincoln?! Wow, you really responded quick.

Lincoln: I wasn't going to let you or your harem be put in danger by the hired thugs of those monster bitches. See you guys at home.

Lincoln teleported back home, and then, Clyde, Fangelica VanBat, Alivia Stein, and the rest of his harem had lunch, and then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to Fangelica VanBat, Alivia Stein, and the rest of his harem, and they hugged the girls in their abnormally massive and powerful muscular arms, and Fangelica VanBat, Alivia Stein, and the rest of his harem placed their hands on the massive pecs of Clyde and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln and I also saw Clyde had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Me: (Smirks) I take it you and your harem had tons of fun at Jolly Rodger Bay, eh, Clyde?

Clyde: (In Heaven) It… was… so… awesome!

Cozy Glow: And we also ran into more of Flip's thugs who came here to kill us. But, Lincoln appeared and he grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Eli: Now, that mutant's going after Lincoln's friends and family again?! Oh, he's going to get it big time!

William: He will, and he should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that three butt-cheeked mutant cheapskate has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you fat hairy mutant cheapskate!

Nico: Even after we kicked Flip's miserable hide, that moron still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Pablo, Anderson, Billy McLean, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks! Oh, Sherlock Hound, we've got a mission for you.

Sherlock Hound: (British Accent) If I had to guess, it's to kill Andrealphus Ars Goetia, the brother of Stella Ars Goetia, correct?

Me: Yep.

Sherlock Hound: (British Accent) Of course. I'll be right back in time for Nico's party.

---

After Clyde's date at Bubblaine, Sherlock Hound is heading to Pentagram City to destroy Andrealphus Ars Goetia, the brother of Stella Ars Goetia. The word had been spread that Charlie Morningstar's dad, Lucifer Morningstar, issued the order that Andrealphus and Stella Ars Goetia are to be killed, but Stella Ars Goetia went into hiding hoping her brother would emerge victorious, but what she doesn't know is that the shadow of death was coming for her brother: in the form of Sherlock Hound and Sparda. The portal opened and Sherlock Hound stepped out of the portal.

Sherlock Hound: (British Accent) I always knew the time would arrive that Andrealphus Ars Goetia and his sister would be killed, but Stella Ars Goetia went into hiding while her brother is still out in the city. He is a level-headed and calculating person, but with Stolas and Octavia under our protection and Striker's death, all of Hell has found out of their treachery.

Sparda: (Through The Red Jewel Brooch) Yes, and now, the order has been given: they are to be put to death. But, Stella went into hiding while her brother is still out there. Perfect, we'll kill Andrealphus and tomorrow, we kill Stella Ars Goetia.

Sherlock Hound: (British Accent) Yes. (Deep Red Eyes glowing demonic red) Now, I believe it's time we paid a visit to Andrealphus, and I know exactly where to look: Pride Ring.

Sherlock Hound journeyed through The Pride Ring, and there, he'd found Andrealphus' mansion: it's a mansion made of ice.

Sherlock Hound: (British Accent) Andrealphus' mansion, a mansion made of pure ice. Soon, it shall be reduced to ruin.

Then, he saw Andrealphus meeting with a couple of hellhounds, no doubt hired mercenaries of The Goetia Hierarchy.

Sherlock Hound: (British Accent) So, there you are, Andrealphus.

Sherlock Hound turned into black mist and slipped into Andrealphus' mansion unnoticed and quietly while Andrealphus was still meeting with his hellhound mercenaries and he was still wanting Stolas' head on a pike. Suddenly, Andrealphus' hellhound mercenaries were being slain one by one, but no one was in the room with them, and oceans of blood were being spilled.

Andrealphus: What in the nine rings of Hell is going on?! Who is doing this?!

Suddenly, dark shadows began to darken the mansion, and the blood of the spilled mercenaries had begun to form a threatening message saying: Andrealphus Ars Goetia, I have come for you, the time of your punishment is at hand! Then, a figure appeared from the darkness, it was Sherlock Hound.

Andrealphus: YOU!?

Sherlock Hound: (British Accent) Don't act so surprised though, Andrealphus, this day has been a long time coming. You and your sister were both warned about not going after Stolas and Octavia, but last year, that all changed when we ran into Striker in The Sensei Fire Realm, and to find out your bad-tempered sister put out a hit on all of us, you both have crossed a line from which there is now no return, and now, the only thing awaiting you both is death.

Andrealphus: I'll kill you, Stolas, Octavia, and all of Team Loud Phoenix Storm! How my sister will praise me!

Andrealphus fired a blast of ice at Sherlock Hound only for it to be melted by blasts of hellfire that were conjured by Sherlock Hound. Then, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his back and went after Andrealphus, and he charged at the demon with superfast speed Andrealphus was unable to see it for himself, and then.

SLASH!

Sherlock Hound right behind him with his massive greatsword stretched out, and it had Andrealphus' blood on it, and he looked down to see that Sherlock Hound had cut his stomach open and his guts were spilled out along with his blood. Sherlock Hound holstered his massive greatsword and powered down.

Andrealphus: I-Impossible… , how… can a mere… demon… kill me?!

Sherlock Hound: (British Accent) Because, you badly underestimated your opponent, and due to that arrogance you had, you lost the battle before it could begin. Farewell, Andrealphus.

Sherlock Hound walked away to a portal that led back home that he opened up as Andrealphus fell to the floor and died, and his spirit was sent to The Black Gates forever. Stella Ars Goetia heard the very news of her brother's death, and her anger has reached its boiling point, and now, her sanity has now been destroyed forever: now she was out for one thing, revenge on us and the death of all humanity on Earth.

Me: I take it the mission went well.

Sherlock Hound: (British Accent) Yes, Andrealphus is dead and banished to The Black Gates, and his sister has now been driven completely insane and now she wants revenge on us and the death of all humanity. But, come tomorrow, her death will signal the end of the Goetia Hierarchy.

Lincoln: Except for Stolas and Octavia, who are under our protection and safe from her.

Loona: Her love for her mother died the day she put out a hit on her own daughter, now that bitch is worse than dead.

* * *

Later as we were getting everything all set up for Nico's birthday, Nico and Myotismon were battling a bunch of thugs and bandits on an island in the middle of the Indian Ocean.

POW WHAM SMASH WHOMP! BAM BIFF! KROW!

Nico: You bandits have failed this world!

Myotismon: (Echoing) CRIMSON LIGHTNING!

He fired a wave of blood red lightning and electrocuted them all over!

Nico fired waves of lightning and electrocuted them and then they tied them up.

Nico: Take that!

Myotismon: That was awesome!

Me: (On the radio) J.D. to Myotismon, you can bring Nico back. We're ready. Over.

Myotismon: Roger that. Lets head home Nico.

Nico: Okay.

They went back home.

We got everything all set up.

Me: Everything looks perfect guys.

Xenia: It sure does.

Natasha Tahu Alola: Boy it's going to be awesome seeing Nico again.

Qin: It sure is.

Lola: Yep.

The elevator was moving.

Me: Here he comes! Places!

We got to hiding and then the lights turned off.

Nico and Myotismon came in.

Nico: Why are the lights out?

Myotismon: I don't know.

Nico: Let me turn them back on.

Nico then turned them on and then…

Everyone: SURPRISE! HAPPY BIRTHDAY NICO!

We jumped out and surprised Nico!

Nico: (GASP) OH MY GOODNESS!

May: HAPPY BIRTHDAY NICO! (Hugs him)

Nico: Aw you guys are the best!

Qin: Like we would ever forget your birthday.

Xenia: Yep.

Natasha Tahu Alola: Been a long time Nico!

Nina Tahu Alola: Boy you're looking great.

Valerie Tahu Alola: Yeah you grew quite a lot.

Vicky Tahu Alola: I'll say!

Nico: Natasha, Nina, Vicky and Valerie Tahu Alola!? Whoa! Awesome to see you girls again!

Me: We found them in Ripple Star and it was so awesome.

Xenia: It sure was.

Me: They are also the gene-slammers for the pokemon Tapu Koko, Tapu Lele, Tapu Bulu and Tapu Fini.

Nico: WHOA!

Me: We had an awesome rescue too.

I told him everything that happened.

Nico: Whoa! J.D. you did a great job leading while you set everything up.

Me: Thanks.

May: It wasn't the same without you though.

Nico: I know. But I know you had your reasons for it.

Natasha Tahu Alola: Yeah it was fun though.

Nico: I really missed you girls!

Vicky Tahu Alola: We missed you too Nico.

Me: Shall we get this party started!?

Nico: We shall!

We cheered.

Nico: Should we get started with the simulator mission?

Me: That is always first. And I have just the birthday mission for you.

Nico: What is it?

Me: Bowser Jr.'s robot reactor.

Nico: Awesome! Me, Lucy and Lars will do that one.

Me: Awesome! Lets head to the Simulator first.

We cheered.

We arrived at the simulator.

Nico, Lars and Lucy went in and we activated it and they were at the Robot Reactor Galaxy.

Nico: Here we are.

Lars: This is going to be wicked.

Lucy Loud: It sure is.

?: Let me help out too.

A Cosmoem came.

Nico: Cool! A Cosmoem!

Me: Wow! Right off the bat, a Cosmoem appears.

Xenia: Awesome!

Cosmoem: (In a girls voice) I'm ready to send these robots to the stars.

Nico: Stella Betelgeuse!? Whoa!

Cosmoem: Awesome to see you again Nico and Happy Birthday!

Nico: Thanks. Don't revert back yet.

Cosmoem: Don't worry I won't.

Nico: Lets get moving.

Me: (On the radio) Mission control to Nico you're clear for launch.

Nico: Copy that.

They got into a launch star and then…

WHOOSH!

They were off!

They landed.

But then an alarm sounded and then Bowser Jr. On his ship came and laughed!

Nico: Bowser Jr.!

Lola: Oh boy!

Qin: This is gonna be good!

Bowser Jr.: Boy this is gonna be awesome. I forgot how cool I looked flying in that ship.

Nicole: You sure were awesome.

Xenia: Yep.

Bowser Jr: Happy birthday, Nico! I hope you like my present!

Then out came a HUGE ROBOT! IT was MEGALEG!

Xenia: WHOA!

Camie: That is a huge robot!

Lola: No kidding!

Nico: Oh boy!

Lucy Loud: Gasp.

Bowser Jr.: SMASH THEM MEGALEG! SMASH THEM WITH THE POWER OF YOUR GRAND STAR! (LAUGHS)

Nicole: (On the radio) Okay Nico you got to get up to the top of its head and then blast that shield three times to destroy the robot and free the Grand Star. Use Bullet Bills or your powers.

Nico: Got it Nicole.

They flew up to its head and Bullet Bills were being fired at them!

By this point, Bowser Jr already left.

Nico: Worry about him some other time! Focus.

They flew up and the Bullet Bills came up and Lars fired darkness energy blasts and they hit the shield and it cracked.

Nico: YEAH! Two more times guys!

Then numerous Bullet Bills came!

Nico: Evasive!

They flew and dodged the Bullet Bills all over.

Nico: (gets out Fireor and Mortal Kombat Scorpion's Ridewatches) Is it hot in here? Or is it just me?

Nico activated them and fired blasts of fire at the Bullet Bills and blasted them all over.

Lucy Loud fired blasts of darkness and blasted the Bullet Bills and then blasted the shield and it cracked more!

Nicole: Awesome! One more hit!

Qin: Yeah!

Xenia: Get that robot!

Cosmoem: Take this!

She fired star blasts and blasted the Bullet Bills all over the place.

Lola: YEAH!

Nico: I'll finish it off!

Lucy Loud: Have at it Nico.

Nico: With pleasure.

Nico fired a powerful blast of energy and it hit the shield and then it shattered and then the robot exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded into a million fiery pieces!

Nico: YEAH!

Me: WHOA!

Nicole: The Grand Star is Free!

Eli: YEAH!

Nico: Lets grab the Grand Star!

Lucy Loud: Me and Lars will get it.

They did so and they got it.

YOU GOT A GRAND STAR!

Nico: YEAH!

Then to our surprise the scans showed that the World Tree Estate got an awesome space home ring around it and it was a colony ring for many more people and it was awesome! If we get more grand stars they will make the planet more beautiful and awesome.

Eli: WHOA!

Cosmoem reverted back and she was a girl with purple hair and had a beautiful dress with nebulae and stars in it and she had purple eyes and had the kanji for star in the middle of her forehead and she had star angel wings and a star nebula sword!

Stella Betelgeuse: That was so awesome!

Nico: YEAH!

They high five.

Lucy Loud: What's your favorite memory of Nico?

Stella Betelgeuse: When Nico and I went to the Digital World and we defeated the evil Digimon Emperor in trying to take over the Digital World with SkullGreymon.

Nico: I remember that.

Tai: Boy I remember that. That was awesome.

Me: Wow! That's right I heard that Ken kidnapped Agumon years ago.

Xenia: Yeah.

Nico and Stella hugged.

Nico: I've missed you.

Stella Betelgeuse: Me too Nico.

They came out and we cheered wildly for them.

Me: Awesome job guys!

Xenia: Yeah!

Nico: Thanks guys.

Me: Time for food.

Nico: Oh boy!

Goku: I'm starving!

Me: You'll love the feast we have for you at Lynn's Table.

Nico: Oh wow!

Me: Yep.

Lincoln: We're glad you loved your surprise party, Nico, but things are just getting started, now we're heading down to Lynn's Table for an awesome humiliation adventure.

Nico: Yes, those jerks are so going to get pulverized big time.

Melanie Connors: And we've already sharpened our swords to slash off Flip's three butt cheeks once again.

Me: That mutant's been asking for it big time, along with the other jerks.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Olivia Erasmus, one of the members of The Ghostrick Destroyers, and she's heading here to kill The Ghostrick Guardian Angels. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and we got news, Raven: as we guessed it, Olivia Erasmus, one of The Ghostrick Destroyers is heading here to kill you all.

Mary Adelberte: (British Accent) Just as we expected, but we'll be ready for her, and she'll suffer the same punishment back in the castle of The Michigan Supernatural Defense Force after we pulverize the jerks once again in another humiliation session.

Crash Bandicoot: That blood-sucking fanatical religious zealot's already a dead vampire walking once she shows her ugly face.

Nico: Yeah, now you're talking. Alright, gang, let's get going to Lynn's Table for another humiliation adventure.

Lincoln: Flip, you and the other jerks better be ready to suffer once again, you dumb moron, and once we get done humiliating the jerks, you're next, Olivia Erasmus.

Mary Adelberte: (British Accent) You better be ready to die, Olivia Erasmus, because you deserve no such mercy from any of us for trying to kill us seven years ago, nor do you even deserve to live a single second further, you religious fanatic and zealous heretical demon!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to Lynn's Table for a special birthday humiliation session as we pulverize Flip and the other jerks we got chained up, and once we got done with this special birthday humiliation session on the jerks, Lincoln, Mary Adelberte, and Crash Bandicoot are going to destroy Olivia Erasmus of The Ghostrick Destroyers and make her pay for her crimes.

We had the party continue at Lynn's Table.

Nico: Next, we'll do some humiliations

Me: After we eat Nico. We can't resume the fun on an empty stomach.

Nico: (STOMACH GRUMBLES) Yeah you're right. I'm starving.

Xenia: Me too.

We got to the restaurant and man was it decked out for the party.

Lynn Sr.: There's the awesome birthday boy!

Nico: Yep.

Lynn Sr.: I made an awesome feast for you Nico.

Nico: Awesome! I'm starving.

They had all of Nico's favorites including all the awesome foods that Goku, Vegeta and Gohan and me love.

Me: (Slurping Spaghetti)

Nico: (Eating chicken wings and legs)

Vegeta: (Eating Sausages)

Goku: (Slurping Ramen) Ahh this is good stuff.

Me: You said it Master Goku.

Poromon: I hope you're having a Happy Birthday, Nico

Nico: Oh I sure am.

Me: (Eating hot dogs and Lasagna)

Krillin: Man Goku you still sure eat a lot huh?

Goku: You know that's exactly what King Kai always told me. But what can I say. I just love to eat.

Nico: You're telling me Kakarot. I like to eat too.

Nico was eating chicken wings by the truckload.

Eli had Ultimeatum burgers.

Tanya Anyanova: (Eating Ultimeatum) Mmm! Boy Anna this burger is delicious.

Anna Anyanova: The Ultimeatum is one of the best ever.

Laney and Lola were eating Chili Dogs with Sonic and Sonic Sisters and Tails.

The dishes were REALLY piling up.

Piccolo: Uch you know I don't think I'll ever get used to this.

Krillin: Me neither. Good grief guys. You Saiyans are like bottomless pits. I swear.

Varie: Yeah. They may like fighting but they love to eat.

Me: Yep.

Nikiya: That's part of who we are. (Eating Dumplings and noodles) Mmm!

We later were finished.

We were stuffed.

Goku: Ahh! That was excellent. What a feast!

Nico: Boy you said it Kakarot.

Lola: Man that was a lot of food.

Nico: No kidding. I'm stuffed.

Me: Boy I would think so. Me too.

Anna Anyanova: That was so good.

Me: Time for presents.

Lori: Nico, here's my birthday gift to you

Nico opened Lori's and it was an awesome new cell phone watch. It was a spiffy new Swiss Army watch that had 150,000 functions.

Nico: Cool watch!

Lori: I had Lisa make it and she literally did a great job on it. It's a

Swiss Army watch.

Nico: Wow!

Me: Wow that it spiffy.

Nico: Thanks Lori.

I had Shadow Clones help bring in the dishes for Lynn Sr.

Lori: No problem.

Leni: Here is mine Nico.

Nico opened Leni's and it was an awesome and fun shirt. It was one like Gentoku's Shirts and it had the kanji for Nico Chan, The Ultimate Chicken Wing King on it. ニコちゃん、究極の手羽先キング・オブ・スゴイ。

Nico: Cool shirt!

Leni: I know how much you totes love Gentoku's shirts so I made one that was like his for you.

Nico: That is awesome! Thanks Leni.

Xenia: Yeah!

Nico: Keep the gifts coming while we do humiliations.

Me: You got it.

Luna: Here's mine. It's a song for you.

Nico: Lay it on me Luna!

Luna: LETS ROCK! ONE TWO THREE FOUR!

(LET'S KICK IT UP BY PAUL GORDON)

Luna: (SINGING DIVINELY AS DIGIMON AND EXPLOSIONS BLAST OFF ALL OVER THE PLACE)

If we take our time,
and we stick together,
everything we do,
will go our way.
And if we try,
now and forever,
no matter what comes next,
we'll be okay.
Let's kick it up,
and show them all the things,
that we can do!
Let's kick it up!
Another notch tommorow!
Let's kick it up,
cause they ain't seen the last,
of me and you!
Let's kick it up!
Together!
Together!
I realize,
what's on the surface,
ain't picture perfect,

but that don't mean a thing.

One thing I know,

is there's a purpose,

and like the circus,

we're hanging from the rings.

Let's kick it up,

and show them all the things,

that we can do!

Let's kick it up!

There's not that much tomorrow.

Let's kick it up,

cause they ain't seen the last,

of me and you!

Let's kick it up!

Together!

Together!

(MASSIVE FIERY EXPLOSION BLASTS OFF AS DIABOROMON AND THE DIGIMON EMPEROR BLASTS INTO FIERY ASHES)

Nananana! Yeah! Nananana! Yeah! Nananana!

One, Two, Three! Four!

(Instrumental break)

If we take our time,

and we stick together,
everything we do,
will go our way.
I have no doubt,
in this situation,
and then we'll enjoy,
another day.
Let's kick it up,
and show them all the things,
that we can do!
Let's kick it up!
Another notch tommorow!
Let's kick it up,
cause they ain't seen the last,
of me and you!
Let's kick it up!
Together!
Together!
Let's kick it up,
and show them all the things,
that we can do!
Let's kick it up!

Another notch tommorow!

Let's kick it up,

cause they ain't seen the last,

of me and you!

Let's kick it up!

Together!

Together!

Nico: Okay.

Nico got a racket and he was ready.

Nico hit one and it bounced and it hit Billy McLean in his face and then…

Lucy Loud: You're welcome.

Nico: I'll have to study them though.

Me: I know you can do it Nico.

Nico: Thanks guys.

Laney: I have something you'll like.

Laney gave him her present.

Nico opened it and in it was a special whistle.

Nico: A Whistle?

Rhonda Asmodeus: It's a whistle I made myself for you. It's my special Go Wild Girl Whistle. What it does is it summons all the people that were affected by that person and it causes them to mutilate and rape that individual and beat them up really badly.

Nico: For rapists, right?

Rhonda Asmodeus: It can be used on the jerks too.

Nico: Wow. I got to see this to believe it. (BLOWS INTO IT)

A tune was blown and then we felt a rumble.

Rarity: That armor is absolutely amazing darling.

Xenia: It sure is.

Nicole: That armor is completely indestructible and it's 100,000,000,000,000,000 times more harder than regular diamonds. We tried all kinds of tests on it while I was wearing it and not even our most powerful weapons can destroy it.

Nico: WHOA! That is cool! Lets see.

Nico went over to the jerks.

Nico: Hey jerks! Like my awesome armor?

Amy: It's disgusting.

Nico: Go ahead. Try and punch me.

Amy: My pleasure!

She did so and then…

BLANG!

She punched the armor but then she broke EVERY SINGLE BONE IN HER ARM!

Amy screamed in pain!

The jerks did the same and it was the same arm.

Their arms turned into jelly from it!

Nico: WHOA! This armor is tough! J.D. try hitting it with a Kamehameha blast at 1% of your power.

When the smoke clearned, Nico was standing completely unharmed and unfazed by the blast!

Xenia: No kidding!

Qin: Wow!

Nico willed the armor back and it turned into crystal bracelets.

Nico: Thanks Lola and thanks Nicole.

Lola: You're welcome.

Lisa: Here is my gift presentation to you.

Nico: Whoa!

Kendra: My gift is next.

Nico opened Kendra's present and in it was a bracelet.

Kendra: It's a Shen Gong Wu detector Radar. After we destroyed Evil Chase Young, we found out that all the Shen Gong Wu were scattered all over the universe. So we can use this on your rescues and find them.

Nico: Cool!

Xenia: Wow this will be fun.

Lola: Yeah!

Kendra: Since the Sea Gene-slammers are on hold for a while I figured finding the Shen Gong Wu would make a great substitute.

Nico: Thanks Kendra.

Kendra: You're welcome.

It's alright, alright

Let this groove, set in your shoes,

Stand up, alright

Gonna tell you what you can do,

With my love, alright

Let you know girl you're looking good

You're out of sight and alright

Move yourself and glide like a 747

Loose yourself in the sky among the clouds in the heavens

Let this groove, light up your fuse, alright

Let this groove, set in your shoes

Stand up, alright

Let me tell you what you can do

With my love, alright

Gotta let you know girl you're looking good

You're out of sight, you're alright

Tell the DJ to play your favorite tune

Then you know it's okay

What you found is happiness, now

Let this groove, get you to move, alright

Let this groove set in your shoes

Stand up, alright

You will find peace of mind on the floor

Take a little time, come and see, you and me

Make a little sign, I'll be there after a while

If you want my love

We can boogie on down, down, down, down

Let's groove tonight

Share the spice of life

Baby slice it right

We're gonna groove tonight

Mary Adelberte: (British Accent) (Growls) I should've known there was no mistaking that voice from anywhere. Get out here right now, Olivia Erasmus, before things get really ugly!

A girl with black hair, red hairband, red eyes, and dressed in a black coat, white bridal gloves, white shirt, necklace with red gem pendant, black pants, and black knee-high boots with butterfly buckles came out, and it was none other than Olivia Erasmus, religious zealot and fanatical so-called vampire hunter of The Ghostrick Destroyers who was exposed as a murderous demon and heretic, and one of the twenty-two human-despising vampires from Transylvania.

Mary Adelberte: (British Accent) Olivia Erasmus, I should've known you'd show up here! Lincoln warned you all to never to show your faces again after he kicked you all out of Royal Woods seven years ago.

Olivia Erasmus: We will never stop, all of you shall be destroyed in the name of God!

Me: You really are a delusional religious fanatic!

Nico: And an infinite-times fucked up one for that matter!

Lincoln: I did say they were absolutely insane and driven only by religious delusions, and for that, I blame their parents for that one. But, the jig's up, Olivia, Ophelia already exposed her true self, and that's being one of the twenty-two human-despising vampires from Transylvania.

Mary Adelberte: (British Accent) Indeed, and it's high-time we bring this delusional vampire down for good.

Suddenly, Mary Adelberte's red eyes turned neon red and she was surrounded by a black and blood red energy aura with stars, darkness, light, shadows, mirrors, ghosts, and angels, she unholstered her massive Ghostrick Mary's British Bloody Mary

Darkness Archangel Greatsword of British Darkness Bloody Mary Angel Justice from her back, and as she approached Olivia Erasmus, she left black and blood red energy, stars, darkness, light, shadows, mirrors, ghosts, and angels with every step.

Mary Adelberte: (British Accent) I can already see that time hasn't changed you, you're still the same religious fanatic and zealous so-called vampire hunter who was exposed as a murderous demon and heretic seven years ago along with being one of the twenty-two human-despising vampires from Transylvania. We thought we wouldn't have to deal with you ever again after Lincoln chased you all out of Royal Woods, but as always, you refused to learn your lesson, and you had the nerve to come back after you were explicitly warned. You now have nowhere to run to, Olivia Erasmus, and now, you shall pay the price for your misdeeds with your own blood.

Suddenly, Mary Adelberte as surrounded by a massive vortex of black and blood red energy with stars, light, darkness, and shadows surrounding the vortex, there are mirrors, ghosts, angels, and Ghostrick Mary flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Olivia Erasmus: the red eyes of eternal death. Then, as the vortex faded, Mary Adelberte emerged, but she was changed forever.

We were amazed by Mary Adelberte's Super Angel-Ghostrick Mary-

Bloody Mary-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Olivia Erasmus saw it, she fell into an even more darker and more insane rage and ran at Mary Adelberte with a knife to stab her in the heart and kill her, but Mary Adelberte fired a powerful barrage of black and blood red energy blasts, stars, darkness, light, mirrors, ghosts, and angels at the insane vampire hunter and delusional vampire and they exploded with incredible power as they hit her, and this really pissed her off.

Me: Whoa!

Nico: Oh man, Mary's transformed, and now, there's nowhere for that delusional vampire to hide.

Lincoln: No villain's ever been safe, not even from The Bloody Mary of Michigan, and what she had done in casting curses on the villains was literally that powerful, and now, Olivia Erasmus' going to pay the price for her crimes.

Mary Adelberte: (Divine Godly Cosmic Voice of The British Darkness Light British Bloody Mary Angel Ghostrick Mary Angel and Divine British Darkness Light British Bloody Mary Angel Ghostrick Mary Love) (British Accent) And pay, she will. Now, let's rip her to shreds, Linky.

Crash Bandicoot: Don't start without me, guys.

Crash Bandicoot unholstered his massive Crash Bandicoot's Skylands Ten Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Skylands Justice and Ten Eternal Elemental Skylanders True Bravery from his back and he transformed into Super Angel-Bandicoot-Dragon-Elemental Skylander-Harmony United Friendship Universal Eternal Celestial Xelnaga Ten Elemental Knight Elemental Skylander Draconic Bandicoot Angel of Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Justice and Divine Ten Element Skylands True Hero Knight Draconic Bandicoot Angel Bravery.

Crash Bandicoot: (Divine Echoing Godly Voice of The Ten

Skylanders Elemental Draconic Bandicoot Angel and Divine Godly Universal Ten Skylanders Elemental Draconic Bandicoot Angel Bravery) You now have nowhere to run to, you blood-crazed delusional bat.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Mary Adelberte and Crash Bandicoot.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I warned you of the consequences should you and the rest of The Ghostrick Destroyers dare to show up again, Olivia Erasmus, now it's time we put you down for good!

Mary Adelberte, Lincoln, and Crash Bandicoot went after Olivia Erasmus, and they fired extremely powerful blasts of rainbow energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Olivia Erasmus and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he, Mary Adelberte, and Crash Bandicoot also attacked her with punches, kicks, and karate chops, along with elemental blasts, and this was really driving Olivia Erasmus mad.

Olivia Erasmus: You… YOU! (Red Eyes turning Blood Red with slit pupils and vampire fangs grew) I WILL KILL YOU!

Olivia Erasmus' vampiric nature came out, and now, she was out for blood. Olivia Erasmus ran at Lincoln, Mary Adelberte, and Crash Bandicoot, and she tried to attack them, but they dodge her attacks, and then, Lincoln drove his massive greatsword into Olivia Erasmus' stomach, and he began sucking out her vast dark powers, immense strength, and vampiric abilities, and he made them his own. Then, he removed his massive greatsword from her stomach.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for the grand finale.

Lincoln put Olivia Erasmus in a brutal bearhug, so she couldn't escape, and then, he began absorbing her into his body as her body was being broken down by the acid released by Lincoln's acidic cells and absorbed into his body, and then, he drained Olivia Erasmus' soul of her life energy as we saw his rainbow energy fire aura and protective rainbow aura with mythological animals and elemental forces flare up and he was gaining a massive power boost. Then, as soon as he was done absorbing Olivia Erasmus into his body and then draining her soul of her life energy, an energy card with Olivia Erasmus' drained soul appeared in his left hand. We cheered wildly for what Mary Adelberte, Lincoln, and Crash Bandicoot did as they holstered their weapons and powered down, and Mary Adelberte's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blood red wolf tails, and massive blood red angel wings are permanent.

Mary Adelberte: (British Accent) That's one down and fifteen of these monsters to go, and we're now pissing them off greatly. Thank you for helping us get rid of that religious fanatic and zealous heretical vampire, Linky, you too, Crash.

Lincoln: (Smiles Warmly) You're welcome, Mary.

Crash Bandicoot: She did need to pay for what she did, and I'm always happy to help.

Crash Bandicoot went back to us, and suddenly, Mary Adelberte wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Mary Adelberte's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ghostrick Mary flying in the air, and we saw a herd of Buffalo and many animals running across the field and Lantern flying through the darkness as ghosts rose from the ground and flew behind them and we cheered wildly. Then, Lincoln and Mary Adelberte absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, oh man, now that's what I call a truly frightening fight, Lincoln, Mary, Crash, you showed that showed that vampire no mercy whatsoever, and sent her to her death.

Lincoln: She didn't deserve any mercy, I warned them never to show their faces again, but those fools never learn.

Me: And you used The Pillar Men's absorption on her, nice one.

Lincoln: And after I absorbed her body, I drained her soul of all its' life energy, now for the second part of her punishment.

Lincoln sent the soul of Olivia Erasmus in a cage and he put the curse on her that gave her back her life energy, but once that happened, suction tubes came out and were attached onto her, and then, the suction tubes activated, and Olivia Erasmus' life energy was being sucked out of her again: she was condemned to that punishment until all of The Ghostrick Destroyers are killed, and it flowed into Lincoln and The Michigan Supernatural Defense Force as they gained a massive power boost.

Nico: (Snickers) That Room of Tortured Souls is definitely a top-notch prison for some of Michigan's most dangerous thugs and criminals.

Lincoln: And the curse I put on them has continued to work for seven years, that way, they can suffer for all eternity of regaining their life energy only to have it drained out of them again and flowing into us. But, if any of them get a little out of hand, I put in a counter curse, should any of them get a little out of hand or try to escape, the counter curse will activate and the life energy they regain from the curse will not only be drained out of them forever, but they'll be sent to The Black Gates forever with help from our stone gargoyles and stone vampire bats perched outside the castle.

Ravenna Amaranth: And Lincoln also put up a new curse: once all the members of The Ghostrick Destroyers are destroyed and sent to The Prison of Tortured Souls and all their life energy has been drained, they will be sent to The Black Gates forever.

Me: Cool!

Nico: So, you'll keep them imprisoned inside the castle's prison until that day comes, nice one. So, Lincoln, which Noble Knight Gene-Slammer are you meeting tomorrow?

Lincoln: Ooh, I've got just the one: we'll be meeting the Gene-Slammer of Sacred Noble Knight of King Artorigus.

Melanie Artorgius: (Gasps) Awesome, and there's only one person who'd be Gene-Slammed into Sacred Noble Knight of King Artorigus, my little sister Michaela Artorgius, and you guys will love meeting her, Michaela Artorgius is Lincoln's Guardian Angel from Michigan and she's a very powerful wielder of magic and a very powerful swordswoman, and a member of The Royal Woods Knights of The Michigan Table. She trained Lincoln both in the art of swordsmanship and in magic, and he became a very powerful swordswoman, and she also taught him much about the Code of Chivalry and really instilled what it means to be a true hero, to fight with both courage and honor, to protect those he loves and holds dear to his heart, and never to let those with such malice and evil in their black hearts get away with their crimes. Plus, you're going to love hearing this: Michaela Artorgius is also a direct descendant of King Arthur of Camelot.

We gasped at that bit of news including Catherine Arthur, the immortal daughter of King Arthur and Gene-Slammer of Quetzalcoatl the Titan of Summons and Dame Minerva Arthur.

Catherine Arthur: (British Accent) Another descendant of my father, now this I got to see.

Minerva Arthur: (British Accent) Same here.

Katara Chevalierflamboyant: (French Accent) Plus, Lincoln made her a white coat with the coat of arms of Royal Woods' Knights of The Michigan Table along with a beautiful necklace, and to show her thanks, she kissed Lincoln on the lips after their training, and Michaela Artorgius hates Lori with a very blazing passion. One day, Michaela and Lincoln along with the rest of the Royal Woods Knights of The Michigan Table were having a meeting at our castle, but then, the alarm triggered, and we saw who it was that had triggered the alarm: it was Lynn, and she'd brought with her an army of thugs she hired. Michaela Artorgius and Lincoln went out there along with the rest of us, and she'd slain them with her greatsword, The Sword of Justice. It drove Lynn into a blood-crazed fury, but before she could unleash her wrath on us, Lincoln and Michaela fired chains of light magic which bound Lynn and tied her up. Lincoln called Luna, who showed up along with Leni, Luna, Laney, Lucy, Lana, Lily, and the parents, and we also saw they also tied up Lynn, Lola, Lisa, and Luan earlier, and when we told them of what Lynn did, they were furious.

Nico: Should've known Lynn would do something like this.

Lincoln: I know, I was disgusted that Lynn would do this, but in the end, their plan failed, and Lori, Lynn, Lola, Lisa, and Luan got grounded for eighteen weeks and Michaela Artorgius and I casted a spell to make sure they couldn't try to come after us for revenge after they got sent to Aunt Ruth's.

Me: Yeah, messing with the descendant of King Arthur and one of the members of The Royal Woods Knights of The Michigan Table will have disastrous consequences.

Nico: Lynn really hated that their greatest "plan" was foiled once again, and they got into even more serious trouble.

Lincoln: She didn't listen to any of our warnings in the past, and look at what happened. And now, for tomorrow, for Flurry Heart's special mission, we're going to face off against Luna Enoch.

Dina Mabrouk: (Egyptian Accent) Yes, which means you, Flurry Heart, and I will be facing her, Linky.

Crash Bandicoot: And I'll be joining in as well.

Ravenna Amaranth: That's right.

Flurry Heart: This'll be one awesome fight tomorrow.

Me: How did you like your birthday Nico!?

Nico: Best. Birthday. Ever!

We cheered wildly!

Me: We're so glad you had fun!

Qin: YEAH!

Poromon: Guys, tomorrow rescue, the 4 of us are gonna take you to a special place

Me: Ooh looking forward to it.

Qin: Same here.

Nico: Yep.

Laney: Yeah.

Nico: Yep. Now we got to get ready for tomorrows mission. Flurry Heart has her big day next.

Flurry Heart: I sure do. Michael and friends are gonna be happy to see us and to have us help them.

Laney: Yep they sure are.

We had the most awesome day ever for Nico.

We went back home after paying for the meal and then went to sleep.

---

Meanwhile in Arizona, Michael and friends were getting ready for our arrival and it was going to be to take down Nascour and make him and the Cipher Organization pay by throwing them in jail and send Nascour to the Black Gates.

Michael: It's going to be so awesome helping everyone out and having Flurry Heart help out too.

Rui: I'm really excited for this too.

Michael: Same here. Lets get ready guys.

They called out their pokemon and they went at the screen and it froze.

TO BE CONTINUED…

Xenia: Boy this is gonna be interesting.

Poliwag: You're going to love this place guys. Me, Horsea and Manaphy found it and it will be a really awesome one.

Camie: I can't wait to see it.

Gi: Me too.

Nico: It will be awesome.

Sirius: Yep.

Ibara Shiozaki: I'm really looking forward to this.

Varie: Me too.

Nico: Gi, I want to thank you, Chillyfish, and your teams for coming.

Gi: It's no problem Nico. This will be so fun and cool.

Zecora: A most fun rescue this will be, and it will be a great adventure for us to see.

Nico: Zecora, is rhyming for you sometimes hard?

Zecora: Rhyming for me is my way of talking to one for all to hear, to not doing so for me is a way to show ones fear.

Fluttershy: Its been Zecora's way to talk since we met her.

Nico: That does make sense.

Me: I think it's really cool.

Zecora: But to answer your question it's never hard for me as you can see and love, it's a way for me to show that I am as gentle as a dove.

Nico: That makes sense.

Fluttershy: It sure does look amazing.

Nico: You should know that Wheelie used to rhyme until it got too challenging for him. That's why we helped him talk normally. So just say the word on if you want the same thing, okay?

Zecora: I will do that to help you better understand for me, for it will be challenging for one to see.

Fluttershy: She will try her hardest Nico.

Nico: Good.

Me: Yeah. Nico did you have an awesome birthday yesterday?

Nico: Is Lila Rossi still dead?

Maria: Of course.

Me: Always will be dead and forgotten.

Nico: Then my answer is yes. It was the best ever!

We cheered for him.

Lana: Glad you had fun!

Twilight Sparkle: Yeah you sure did.

Nico: And I loved all your presents and they were so cool.

Lola: I'm glad you loved them Nico.

Nico: Thanks!

Sunset Shimmer: It sure was one of the best you've had.

Maria: That was so fun!

Nico: I hope guys liked the mini games.

Lincoln: We had a lot of fun!

Qin: Yeah! Those were awesome!

Maria: They sure were!

Me: Luna made a really loud belch and Lynn made TONS of pizzas.

Camie: Boy they sure did. What did Lynn do with all those pizzas?

Rita: She cooked them all and fed them to the homeless and the poor.

Lola: That's thoughtful of Lynn.

Xenia: Yeah it sure is.

Anna Anyanova: Boy no kidding. The resident sports girl actually has a heart of gold.

Nico: Yep.

Me: How did you like the food we made for you Nico?

Nico: I liked them. I even got to eat some of Lynn's pizzas

Me: That's awesome.

Xenia: Yeah that was all awesome.

Poromon: Some of the best food ever.

Qin: It sure was.

Poliwag: We're here guys!

We saw that we were at an awesome Multi-Biome Landscape and there was a lot of Pokemon everywhere!

Me: WHOA!

Poliwag: Welcome to PokePark.

Nico: I've heard about this place! It's a place where Pokemon can go and have fun in their zones and have awesome adventures.

May: Boy this is so awesome!

Maria: My kind of place for Horsea.

Me: Ash would love bringing Pikachu and his Pokemon here.

Laney: So would all of his friends.

Camie: Yeah.

Poromon: Funny you should say that. We actually met another Pikachu here

Me: Really?

Nico: Did you really?

Poromon: Yep. Follow us.

We went into the park and we saw another Pikachu there.

Lola: Oh wow.

Pikachu 2: Pika!

He went over to Poromon and the Mascots.

Pikachu 2: Pikachu!

Poliwag: Hey Pikachu!

We also saw a Chikorita, Charmander, and Piplup.

Me: Cool a Chikorita, Charmander and Piplup.

Nico: Cool.

Poliwag: How have you guys been doing.

Pikachu: Pikachu Pika. (Doing great Poliwag)

Chikorita: Chika. (Yeah.

Nico: One sec.

Nico turned on his translator and we understood them.

Charmander: Boy you guys are gonna have fun here.

Poromon: You guys can look at the other zones quickly if you want. But right now, the attractions here in the Meadow Zone are the main focus.

Me: Okay.

Nico: This will be fun and awesome to see.

Lola: Yeah.

Eli: And I sense Anothers here too.

Nico: Really?

Eli: Yep we have Another Alchemy Beast Salamandra the Steel, Ouroburos The Bronze, Leon the Lead, Aretos the Tin, Ekenas the Mercury, Moonface The Silver, Golden Homunculus, Tiki Tak Tribe and Chillyfish.

Nico: Whoa!

Me: The Alchemy Beasts. This will be interesting.

Lola: Yeah.

Eli: And the Anothers minus Tiki Tak Tribe and Chillyfish were split up into 7 spots.

Manaphy: The attractions here are Bulbasaur's Daring Dash and Venusaur's Vine Swing

Nico: Cool!

Eli: That will be fun.

Nico: Yep.

Laney: Lets try those out.

Nico: Good idea.

Eli: Yeah.

Nico: And then we can try out the zones for the Anothers.

Lola: Okay

Nico: I'll try Bulbasaur's Daring Dash

Poromon: You'll love it Nico.

Qin: Go Nico!

Maria: Yeah!

Lola: Go for it.

Bulbasaur: Here are the rules. You have to run to the finish line in a specific amount of time.

Nico: All right then.

Me: What is the specific amount of time?

Bulbasaur: 30 to 10 seconds.

Nico: Easy for me.

Eli: Go for it Nico.

Nico: I won't even need Ridewatches.

Me: Yeah.

Laney: Need a referee?

Bulbasaur: Sure.

She spun around and was in Referee clothes!

Qin: Awesome Laney.

Laney: Here we go. ON YOUR MARKS! GET SET! GO!

ZOOM!

Nico ran out of there faster than a bullet fired from a gun and he crossed the finish line in 11 seconds!

Nico: OH YEAH!

Laney: Winner with 11.2 seconds! Nico!

Luan: I'll try out Venusaur's Vine Swing

Eddy: Go for it Luan. Just as long as you don't crash into trees like George.

Nico: (LAUGHS) That would be funny.

Luan: (LAUGHS) Yeah it sure would be.

Venusaur: That would be funny.

Lola: Yeah.
